Town Council

Matter of whether the Strathmore fire truck should go out of town to assist farmers was discussed at length at the regular monthly meeting of Council in the Town Hall Tuesday evening. Mayor E. J. Gray was in the chair with all councilmen present.

In the past the fire has been refused to farmers at times while recently it attended a fire at Red McDougall's residence at Chadwell and was credited by the latter for saving his home.

SEEKS AID FROM B. V.

Council feels it should receive some financial aid from Bow Valley to attend country fires but the matter will be left until a new council has been elected to operate the new municipality.

Matter of a full time policeman was discussed in view of the increasing number of break ins and holdups at country points. Cost of financing appears the major stumbling block. Councillor Len Larson was appointed a committee of one to look into the matter further. Constable Jim Dawkins requested a cell be purchased to house unruly inebriates and an attempt will be made to obtain a used lock up.

The new dump ground has been inspected and passed as satisfactory by the Bow Valley Health Unit Inspector. It was voted to turn off the service of delinquent water users.

It was decided to fence off the old dump ground and erect a sign prohibiting the dumping of garbage. Financial statement at the end of December showed a balance of \$10,681.31.

JUBILEE COMMITTEE

An attempt to organize a Golden Jubilee committee will be made at a meeting in the Town Hall Friday at 8 p.m. School, Council and service club officials will be invited. The town will receive a per capita grant of about 35 cents per head if it stages some celebration and hopes to receive part of the money that will go to Bow Valley.

Annual meeting will be held Feb. 14 when recipients have the privilege of sitting in at a meeting and voicing their likes or dislikes as to administration. Nomination day for new councillors, school board officials and a Councillor for Ward 2 of the Calgary Rural Municipal Hospital Board is also slated for Feb. 14. Elmer Bohnager of Glendon is the current councillor.

J. E. March of Montreal has been appointed manager of the department of Public Relations, C.P.R. He succeeds the late J. H. Camp-

—Continued From Canadian Press—
Capt. Morris Ramsey of Vancouver, is credited with saving the life of his co-pilot. When all the passengers had assembled outside the burning plane after the crash, it was found that the only missing person was co-pilot Cory Anderson. Capt. Ramsey, who was back in the cockpit, saw that Anderson was all right and helped him out of the plane.

"A MIRACLE" THAT NO LIVES WERE LOST IN TCA CRASH

Pumuckers and crew alive are still marvelling that no one died in the crash of the TCA Super Constellation at Brimpton, Ont. The huge plane exploded and burned a few moments after it struck the ground, some miles from Milton airport, and in those few moments all 39 of the passengers and crew scrambled or were strapped in safety. When survivors arrived at the scene, they looked through the blazing debris, and were certain that the wreck had claimed some 30 lives.

Durum Or Macaroni Wheat In Alberta

The few farmers who grew durum wheat in this district last year generally report satisfaction with price received and no quota restrictions. In spite of a big jump in production on Alberta, prices from very little to hundreds of thousands of bushels in just one year 1954. World demand remained strong as reflected by high prices.

The U. S. Tariff Commission may relax import restrictions on durum wheat, then Alberta farmers will cash in on the market which is now quoted at more than \$4.00 per bushel. Those likely to grow durum wheat acreage will be increased for 1955. When considering growing more durum wheat in place of bread wheat, one balance probable better price against the expense and bother of keeping two kinds of wheat separate. Either a few percent durum in bread wheat or bread wheat in durum causes it to grade low priced mixed or feed.

Dr. Grant reports that last year the Lethbridge Station tested the varieties Stewart, Minkum, Nusselt and Golden Ball at nine locations in Southern Alberta. No significant difference in yield were shown among these four varieties at any location, but because of other factors Stewart is recommended for Alberta. Golden Ball and Pelissier durum have been grown for many years in parts of S. M. Alberta because of their safety or drought resistance, but these varieties have inferior macaroni making quality and cannot be graded higher than No. 3 Amber Durum.

About two thirds of Alberta's 1954 production was inferior Golden Ball which will have the most satisfying buyer resistance in 1955, even though the American market is opened. Stewart is only a few days later, than Thatcher which makes it better adapted for the Western Canada part of this district; however, it is possible to grow top durum anywhere in this district since Robt. Jackson of Chetiv was second at the Royal last Fall. The Alberta Seed Growers' Co-Op quote registered Stewart at \$4.20 and commercial at \$4.00 per bushel FOB Lethbridge. They also quote reg. Chinook wheat at \$4.35, and bulk seed sold commercial at \$4.15.

Tire Manufacturer

Wants Tax Drop

of B. F. Goodrich of Canada.

Mr. Goodrich would want tax discrimination and urged the establishment of a realistic pattern for collecting sales and excise taxes.

Mr. Goodrich said, "It is difficult to understand the wisdom of legislation which places a 10 per cent excise tax on a farmer's truck tires and considers them luxury."

White golf clubs and jewel cases are free from excise tax and are exempted with essentiality."

He referred to the recent appeal to the Tariff Board to have all tires taxed on an equal basis as tires brought in light a pure case of discrimination against the great majority of the smaller tire retailers, price of about \$10 million on the large tire distributors and re-pack with savings accounting for sales pay a 10 per cent sales tax more than half of the total value.

Some couples went dancing on New Year's Eve at Hissar and Standard.

Allen Anderson was married Monday, Dec. 27 at 2 p.m. in the Sharon Lutheran church, the bride being Norma Walters. Her attendants were her sister-in-law, Mrs. Tom Walters, and her little sister, Sherry as flower girl. The best man was Leo Berge from Chilly-wack, and the ushers were Carl Andersen, the groom's brother and Tom Walters, the bride's brother.

The reception was held in the Club Cafe banquet room where a very delicious turkey dinner was served. An old friend of the Walters family, Mr. Watson gave the toast to the bride. Allen responded expressing his many thanks to everyone. After the reception they cleared the floor and had a small wedding dance. The bride and groom left on their honeymoon for Chilliwack B. C. to spend New Year's with Mrs. Karin Andersen.

Harvey Katterhagen Returning Officer

March 3 Election Day For M.D. of Wheatland

Nomination day for seven members. The present secretary, officers and three hospital board members for the new Municipal District of Wheatland No. 49 has been set at Feb. 3 in Rockyford with Harvey Katterhagen as the returning officer. Nomination will be received between 3 and 5 p.m.

Mr. Bruce Ramsay of Blomquist has been appointed official administrator of the former municipal district of Berwickville and Bow Valley mill a new council has been elected to take over the enlarged municipality. Election day will be held March 3 with the new council holding its initial meeting March 17 in Rockyford. Mr. Katterhagen expects to have three polls in each division and none of the polls will be announced later.

Name of the new municipality is only tentative and any change will be at the pleasure of the voters. It will probably remain Wheatland. Interest in the forthcoming election is high and a heavy vote can be expected in all regions. The seven candidates to be elected have a large district to serve and many voters undoubtedly will want to elect the best men possible to do that job. There is a heavy vote will be named by the new council as will the site of the office which is being sought after by Rockyford, Standard and Strathmore.

Mr. and Mrs. Hugo Hendricks celebrated their 60th wedding anniversary Jan. 17 at 9 a.m. Four guests will again be featured and entry fees for members of any rink will be \$10 per rink and \$15 for rink for curlers who are not members of any club.

Entries close at 4 p.m. Sunday should be made to either Geo. Freeman or Chas. Bremner. Mr. Freeman is handling the heavy duties of drummajor for the rink. Close to \$700 in prize money is being offered and is expected to attract a good entry.

Queens Are Named For Feb. 18 Carnival

Members of the Strathmore Students have named three Queens to compete in the annual Ice Carnival Competition to be held in Strathmore Feb. 18. The Queen candidates are Elva Phillips of Carleton Place, Elaine Thompson and Irene Bannat. Last year the competition was won by Connie Wevers.
K. L. Gray is chairman of the carnival committee which will be busy rehearsing and organizing the program. The annual show seems to be bigger and better each year and officials are anticipating a grand show this time.
The Carnival Queens is elected by vote with each adult ticket worth three votes and children's tickets worth two votes.

Donations Made To Local Hockey

The Rantan entry in the provincial hockey playoffs, being sponsored this year by Strathmore, will be a well dressed and well outfitted aggregation as a result of several donations by Strathmore business firms.

The provincial entry will be known as Pym's Flyers in appreciation of 15 sets of apparel and socks donated by Mr. Francis Pym of Pym's Rest Service. The high quality wearers are white with red trim and will assure the Rantans of being dressed with the best of club if it will meet in the playoffs.
Other donations made include: A dozen sticks by Hildon Motors Ltd., a dozen sticks by Strathmore Motors, a dozen sticks by LCA Service and a dozen sticks from the Strathmore Cold Storage Lockers. 500 posters for advertising by the Strathmore Standard. Mr. Buster Rhodes has donated three dozen helmets to be used by all youngsters playing hockey in Strathmore.
Coach of the Rantan team, which includes also players from Strathmore and District, is Coach Keith Sargent with Jack Croft as manager. In the Composite League the two also work together with Crest as coach and Sargent, assistant.

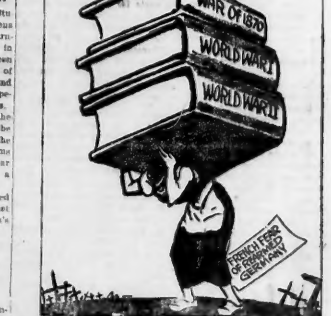

Hockey in Strathmore this year is featuring the biggest boost. It has had several seasons. A total of 36 players are afforded the chance to play hockey because of the recent formation of a new House League with players from Grades four to 12 eligible. Players, younger have the ice from hour Saturday mornings.

Thurston Wins Rockyford Event

A rink skiped by Bob Thurston of Nightingale won first prize in the No. 1 event of the Rockyford House League on Saturday night. Thurston's rink for several play off encounters and found the easy access to Calgary not travelling expenses a good deal.
The Hilhurst hockey club plans to use Strathmore as its home for two league games with Alts and for any contacts it plays in the provincial playoffs. Hilhurst will travel with Alts this Sunday at 3:30 p.m. and again in Strathmore Jan. 20.
Last year Hilhurst used the Strathmore rink for several play off encounters and found the easy access to Calgary not travelling expenses a good deal.

Thurston Wins Rockyford Event
The Arts and Craft Exhibit will be opened Saturday, Jan. 23 by Mr. Stuart Gray, Mayor of Strathmore, 5:30 p.m. Following a short musical program by local students, Mr. M. Hoffman, Westland School Division Superintendent will present the prizes to the winners in the Poster Competition. Tea will then be served. The Memorial Hall will be open to receive articles for exhibit from 10 a.m. and will be open to the public from 5 to 5:30 p.m. All must come.

WOMAN WITH A PAST

Mr. Leonard Hilton Heads Local AFU

New officers of the Strathmore A. F. U. were elected at a well attended meeting in the Memorial Hall last Friday evening. John Scher acted as chairman. Named to the office of president was Leonard Hilton with John Van Wael as vice-president and Clifford Carrott as secretary-treasurer. Directors include Don Barons, Ed. Hudson, Rene Harvey, Leo Tiede and Mitchell Garriett. Mr. Hilton gave a report on the provincial convention he attended in Edmonton in December.
It was decided to hold meetings each month with the first Tuesday as the date.
Major hurdle in the annual Strathmore Ladies' Curling Club tournament was won by Mrs. John Giffen's rink last Friday when her team captured the Grand Aggregate and first in the No. 2 event. The Giffen rink had six victories and only one setback.
Mrs. A. Mottin's rink took first in the No. 1 event with Mrs. Wm. Woodliffe, Mrs. Gordon Christensen of Carleton Place and Mrs. John Giffen fourth. Placing behind Mrs. Giffen in the No. 2 event were Mrs. John Freeman, Mrs. Christensen and Mrs. Leonard Watton. Mrs. Gordon Hunter's rink won the No. 2 event with Mrs. Anne Chas second, Mrs. W. N. Jones, third and Mrs. Gladys Collins getting the last place.
Mayer E. L. Gray was on hand to present prizes to the winners at the conclusion of the event which attracted 17 rinks. The final aggregate of prizes were on display at Baster (Hilbert) rink prior to the final. The Strathmore Ladies' Curling Club with to thank everyone who in any way helped make the Ladies' tournament a success.

Hillhurst To Use Strathmore Ice

The Hilhurst hockey club plans to use Strathmore as its home for two league games with Alts and for any contacts it plays in the provincial playoffs. Hilhurst will travel with Alts this Sunday at 3:30 p.m. and again in Strathmore Jan. 20.
Last year Hilhurst used the Strathmore rink for several play off encounters and found the easy access to Calgary not travelling expenses a good deal.

ST. MICHAEL'S ANNUAL MEETING

Monday night St. Michael's Church held their annual general meeting for the first time in their own hall and a good turnout assembled. The W.A. presented their report showing a wonderful year of achievement and the whole meeting joined in receiving their report with a hearty clap. The Sunday School reported a good year, and all other reports were received with appreciation.
Mr. Len Roberts presented the statement of accounts for the year and the budget for 1955. After some questions and a healthy discussion they were adopted and the Secretary and the Treasurer paid tribute to the Treasurer Mr. Robert for the fine job that he does and thanked him for all the time and trouble that he gives to the work. Mr. Maggs, the envelope secretary accepted his invitation to be Secretary for the year and to take up the envelope system for making their donation. The Rector also thanked Mr. Maggs very much for his work and coupled with him Mr. Ted Hartill for all the help he has given him Sunday by Sunday.

Strathmore Unbeaten In Composite Loop

Strathmore chalked up its third consecutive victory in the Composite Hockey League with a decisive 4-0 triumph over Old Sun at the local arena. Saturday evening Strathmore outplayed Gleichen 12-2 at Gleichen.

Men's Bonspiel

Annual Bouspiel: Men's Curling Club Bouspiel got off to a good start Monday morning with a victory of 58, including 13 visiting tourists. This year's entry is slightly down over last.
Competition is in four events and is not expected to wind up until next Tuesday. Club president George Freeman is in charge of draws. Ice conditions have been keen for the first few days of the event and curlers are hoping it will stay in that state. The Bouspiel has had to be postponed a few days because of riotous ice.

Among the benefits of Branch Banking ...

Your local bank is an essential link between your community and the whole banking world.

In remote areas, Canadians enjoy the same broad range of bank services, the same sense of security.

As communities develop, banking services are made available to meet new and growing needs.

Banking in Canada works in such a way that your local branch manager brings you all the resources, knowledge and experience of the bank he represents. It has branches throughout Canada and provides contacts the world over. The benefits of this branch banking system, developed to meet Canadian needs, are demonstrated every day by the quality and scope of your local banking service.

HOW ALBERTA'S FINANCIAL PROGRAM HELPS YOU

Orderly debt retirement, constructive use of revenue, and aid to municipalities mean the Alberta Government's financial program.

Accumulated surpluses now amount to \$140,000,000 more than the remaining public debt. A provincial debt which totalled \$150,159,819 in 1925 has been reduced to approximately \$51,000,000 in nine years. Present debt retirement plans call for the payment of the entire provincial debt by 1972, but allow the province the right to lift in over 70 per cent of its debt at any time after 1954.

Under the debt reorganization program of 1934, retirement of the debt had been planned by 1939 but all revenues made this goal possible many years earlier than expected.

Although local payment of the provincial debt is possible after June 1st, 1935, the Alberta Government has considered that the interests of the public would be served by 1972, but allow the province the right to lift in over 70 per cent of its debt at any time after 1954.

Under the Rural Electrification Revolving Fund, loans are granted to rural electrification associations in 1935 an amount of \$10,000,000 provided to assist in the rural electrification program. As at October 31st, 1934, 222 loans of \$7,076,000 had been made in these associations. The balance in the fund as of November 1st was \$12,333,400.

The Alberta Government's municipal assistance program is intended to allow municipal taxpayers to share in the benefits from the revenue from the investment of surplus funds in low-cost loans to finance urgent municipal capital expenditures.

Dalemead Notes

We are sorry to learn Master Tommy Miller is in the hospital. We wish him a speedy recovery. We and Mrs. Frank Winkler left last week for a trip to California and back.

We are pleased to learn Mr. Lorna Priest arrived in Missouri for Christmas after serving his two years in the U. S. Army. One year was spent in Japan and Korea.

The Dalemead Co-Op and Dalemead PWTU held their joint meeting at the Lee home last Wednesday. The Co-Op nominated Mr. L. Wheeler, Mr. Bob Roden and Mr. W. Miller for their new board. Mr. Harold Phillips will represent as secretary-treasurer. A representative of the Calgary Co-Op was present to explain the Co-Op business. All the officers of the PWTU were re-elected for the new year.

Lee gave a report of the year's activities. During the lunch hour a tape recording was played of the speech Mr. Brown, G. C. gave at the PWTU convention in Edmonton in December.

Little Ann Coulter is in the hospital with pneumonia. We hope she will soon be home again fully recovered.

The New Valley C-4H Beef Club held their January meeting in the Dalemead church. The year's program was reviewed. Keith McKie gave a short talk on the importance of your calf, which was helpful and very much enjoyed by everyone.

Berry-Vale W.I.

A special meeting to draft the year's program was held at the home of Mrs. A. Martin on Jan. 16 by the Berry-Vale W. I. with 11 members present.

After a good deal of discussion a program for the ensuing months was set up that ought to be interesting to all.

Mrs. Martin served a delicious lunch and a good social time followed.

development of provincial natural resources.

During the past five years, direct grants and indirect financial aid to Alberta municipalities total \$148,372,000. Assistance through low-interest loans during this same period totalled an extra \$10,000,000. This grand total of municipal assistance amounts to \$248,372,000. The program of financial assistance to municipalities is not intended to weaken independence and the financial self-reliance of local government. These low-interest provincial government loans are being offered to help municipalities to attain a financial position which will eliminate further

large scale borrowing, reduce municipal taxation, and permit an orderly retirement of municipal debt. The material benefits of provincial loans to municipalities are evident throughout the province. Local governments have used this source of financial assistance to provide such utilities as water and sewer systems, which have improved the living standards of their residents as well as providing valuable assets capable of producing long-term municipal revenue.

Bow Valley Central High School News

January 26 at the Glenside skating rink BVC held a skating party with the sports committee playing host. The party commenced with general skating with music from

the P. A. system. The first game of the evening was basketball, which was played with hockey sticks and a rubber ball. The boys defeated the girls in a hilarious game. Square dancing proved to be lots of fun, especially when doing it on the ice with skates. The boys square dancing first prize was headed by Bob Haggarty and Joan

Praser. The first spot dance of the evening was won by Roger Hobbie and Norma Praser. Mr. and Mrs. Collier won the second. The wheelbarrow race was very entertaining, both to participants and audience. First prize went to Gail Brown and Russell Bain. Dawn Kilcup and Bill Young were second. A warm much needed lunch was served by the lunch committee.

Work has begun on the Yearbook. The new staff is as follows: Advisor, Mrs. Collier; Editor, Jeannine Beaudin; assistant editor, Madeline Brown; business manager, Anne Pettit; assistant, Rosny Corbell and Elizabeth Cunningham; sports, Gail Brown, Victor Lusk and Morgan Johnson; social, Danette Willis; a. Norma Praser and Russ Rousseau; writing, Glenda MacPherson, Elaine Ferguson, Angela Gauthier, Elaine Joyce Stewart, Clayton Stevie, Laine Nic

holan and Erwin Vale; Biographies, Haggarty and Diane Rodhouse. It is hoped to have the yearbook off to the publisher near the end of February.

The Sports Committee has been very busy building ping-pong tables. They have done a splendid job and games have started.

The square dance was in proper form both in Chum and Skotch. The winners of each will play for the school cup. Two teams played in Miss Mills School house and didn't bring any home trophies. They reported a swell time.

We are glad that Mrs. Bain is back at school after being ill.

There has been well received. More than 1000 acres, producing about three million acres are now in the hands of the government.

The Provincial Parks Board is a part of the Department of Lands and Forests. The function of the Board is to preserve and help develop special locations in Alberta suitable for recreational purposes. All provincial parks are game preserves. The work of development is done on a co-operative basis with the Alberta Government and

In 1935, when the Dominion Government handed over the administration of Alberta's natural resources to the Province, the Department of Lands and Mines was organized. Due to increasing development of resources, it became necessary to divide the original department. On April 1, 1940, the Department of Mines and Minerals and the Department of Lands and Forests were established.

The Lands Branch of the Department of Lands and Forests has jurisdiction over most of the public lands in the Province, involving over 40 million acres. These public lands make up more than half of Alberta's entire land area. Approximately nine million acres are now held under lease, permit or other agreement. Eighty million acres

still unoccupied contain a much larger land area than all other undeveloped lands in Canada.

Public lands in Alberta are classified into settlement and recreational zones. Where the land is covered with timber in commercial quantities, where the land is unsuitable for cultivation or where it is too isolated, settlement is not permitted. It may be leased for commercial purposes or made available for grazing on a long-term basis.

In the settlement zone public lands are made available under various regulations such as homestead, grazing or cultivation leases, etc., or by purchase.

Alberta's homestead lease policy governs the disposal of public lands suitable for settlement. A person may apply for a lease on a section of land. Payment for the lease, including taxes, is made in crop share basis on completion of specified residence and cultivation duties. This may be obtained for a nominal sum.

The homestead lease policy of the Department of Lands and For-

estry, consists of photographs of the entire province. Over 125,000 photographs are on file. From these are prepared by printing and overlapping photographic material can be obtained of any desired area.

Alberta's aerial photographs are of tremendous importance to private and public alike. Industrialists, oil companies, geologists and prospectors find them valuable. They are also used by municipal officials for reconnaissance purposes and for reconnaissance in road construction. This serves as important information in locating bridges and in town planning. A forest inventory is being made from photographs and their use in forest management is indispensable.

Melvina Mae Gutfrath Weds Doug, Fraser

The new United Church was beautifully decorated in spring flowers of tulips, daffodils, and carnations for the scene of a double ring ceremony, celebrated Saturday, Jan. 27 when Melvina Mae Gutfrath, youngest daughter of Mrs. Vera Gutfrath of Chum became the bride of Mr. Douglas M. Fraser, eldest son of Mr. and Mrs. Mathew Fraser of Hensar. Rev. Wm. Morrison officiated.

Given in marriage by her mother, the bride wore an apple-green, red-velvet gown of white lace and net over satin with a coral head-dress and shoulder length veil. She carried a bouquet of red roses. Her only jewelry was a pearl necklace and earrings, a gift of the groom.

Her bridesmaids were Miss Dulores Gutfrath, a sister, who wore a coral cocktail gown of net over tulle and carried a colonial bouquet of blue carnations, and Miss Kirstine Beck who wore a blue cocktail gown of net over tulle and carried a bouquet of pink carnations.

Mr. Eric Knudsen of Hensar attended the groom and guests were escorted to their places by Donald Fraser, brother of the groom and Stranz Fraser a cousin.

During the reading of the epistle, Rev. Harold and Robert Tolson, sons of the bride sang "Oh Promise Me." Following the ceremony a reception was held in the Community Hall. The bride (last) was proposed by Mr. Eric Knudsen and responded to by the groom.

For the honeymoon trip the bride wore a rust satin suit topped with a white shawl collar, complemented by tan and white accessories and a corsage of white carnations. On their return Mr. and Mrs. Fraser will reside on their farm near Hensar.

Nomination for Man of The Year

FOR helping to improve his own and other communities throughout the nation... for benefiting his fellow-Canadians in countless ways... this man surely deserves special honors.

He's not a famous personality, but as the typical Canadian life insurance policyholder, he represents millions of people, and each of these people renders very useful services to his community.

By providing funds which his life insurance company invests for him in ways that help finance new homes, public works, utilities and industrial developments, together with other policyholders, he puts more than \$50 million dollars to work in such projects from coast to coast every year!

Moreover, he has taken steps to make sure that, if anything happens to him, his family will not need to depend on others for support.

So if you are a life insurance owner, take a leaf! While you're providing security for your family and yourself, you're also helping to make Canada a better land to live in!

games were enjoyed during the evening as well as a sing song. The honored couple were escorted as all sang For They are Jolly Good Fellows. Mr. J. Colwell on behalf of the group presented them with a rose and bottle. Arnold expressed hearty thanks for Mary and himself. A lovely lunch served by co-brothers Mrs. Cannings and Mrs. Westcott, assisted by several ladies brought the enjoyable evening to a close. Best wishes to Arnold and Mary.

The regular meeting of the local W. I. was held Wed. afternoon. It was decided to hold a Canada Day Party Monday, Miss Popoff gave an interesting talk on Streamlining Hourwork. Many good ideas were given as well as newer and easier household equipment was shown.

Nightingale Area District People Honor Mr. and Mrs. Stonaker On 41st Anniversary

Last Friday night the entire community gathered at the ball in honor of Mr. and Mrs. C. C. Stonaker who recently passed their 41st wedding anniversary. The ladies had a sumptuous supper spread on prettily decorated tables and everyone did justice to the good eats. Supper was followed by musical selections by Mrs. Mary Meyer and Charlie Holden (Carlson) and Harrietta Wallis, Vician Thurston, Betty Ludwig, Lynn Meyer and Mrs. Geo. Thurston. The piano selections and singing were much appreciated.

Mr. Leo Kinney, chairman for the evening, called on Mr. Charlie Stonaker to make the presentation. Charlie spoke of the long time friendship between the two families and the friendly neighborhood feeling always present in this community. He presented a lovely chrome clock as a token of good will from the many friends and wished them many more happy anniversaries. Mr. and Mrs. Stonaker each thanked everyone for the support, the entertainment, and the ladies for their work in arranging everything and the lovely gift.

Whist was played for a while and coffee served. Everyone voted it another of the many pleasant social evenings at the hall.

The balance of the evening was spent playing cards which were managed by Bill Joak, while others preferred to visit and renew old acquaintances.

Well over 150 people signed the guest book which was provided over by Mrs. Art Kimmitt.

Mr. and Mrs. George and son of Hopedale, also Mr. and Mrs. Maurice Downey and children of Carletonville, who are daughters and son-in-law of the Stonakers were present.

Raymond Crellin

Paces Strathmore

Strathmore chalked up its consecutive triumph in the Competitive Hockey League last Saturday night at Banff when it posted a decisive 13-3 triumph. The local club appears headed for its second straight undefeated season. Last term Strathmore won 10 in a row to take the Brent Cup.

Raymond Crellin had a field day for Strathmore with four markers while Earl Gray notched two goals. Singles were scored by Don Keeler, Wayne Miner, Doug Ridson, Bobby Zbrzycki and Frank Cocke. Clarke and Young scored for Banff.

Strathmore's next home game is Saturday, Feb. 5, with Gleichen visiting Strathmore at 8 p.m. Strathmore has only three games remaining in the schedule, which will conclude Feb. 13.

In the Provincial "B" playoffs, Strathmore's entry, an all-star unit from the Competitive League, has been drawn against Okotoks in a home and home play-down to be completed by Feb. 19. In the latest House League games McKenna, trimmed Fortman 5-1 and Bruins beat Red Wings 5-3.

Two Acclamations In Wheatland School Division Election

Nominations for office of divisional trustees in all five subdivisions of the Wheatland School Division No. 49 closed at 5 p.m. Jan. 31, and resulted in two acclamations. There will be three elections. Mr. Max Phillips of Carletonville was elected by acclamation for Sub-division No. 5 and Mr. Walter Hymas of Hopedale by acclamation for Sub-division No. 1. Mr. Philip Rogers of Carletonville, Mr. Fred Sandhuik of Hymas and Linda Rodger of Chancellors have been nominated for Sub-division No. 1. Mr. Philip Rogers of Carletonville has been nominated for Sub-division No. 1.

Mr. Harry T. Colopys of Gleichen, Mrs. Lory Cunningham of Gleichen have been nominated for Sub-division No. 2.

It is expected elections will take place Feb. 18th for the three named subdivisions.

Jack and Ede Groves Given Fine Sendoff

A large crowd gathered in Cairn Hill Community Centre Jan. 26th for a farewell party to honor Mr. and Mrs. Jack Groves and family who are leaving to reside in Kamloops.

Court whist and bridge were played. The winners were: whist high, Mrs. Harold Ramussen and Bobby Scorsone; low, Mrs. Dick Hilden and Mr. Lollie Durney; Bridge high, Mrs. Margaret Jones and Mr. Bob Watson; low, Mrs. S. Groves and Harold Downey, Jr. Mr. Lollie Downey presented the honored couple with a trillium and gift of money. Andy and Ed Groves each presented with Cowboy and several thank-you cards were received. The meeting closed with a delicious lunch served by Mrs. Osborne, assisted by Mrs. A. Loe, eight members. The next meeting will be Feb. 11 in the hall. Mr. and Mrs. Rennie Johnston had a family gathering Sunday Jan. 30, while her parents, from Seawitch were there, also a sister from Vancouver, a sister from Calgary and a sister and her family from Carleton.

Huntley Curlers

Win Brier Playoff

Mrs. Gordon Huntley's rink last Friday defeated Mrs. Al Morrison's quartet in the local playoff for the Ladies Brier. The victory gives the foursome the right to meet the Gleichen winner in Gleichen Feb. 12.

Playing with Mrs. Huntley were Mrs. Roy Novak, Mrs. E. Rhodes and Mrs. Leo Watson. Members of the Morins rink were Mrs. John Giffen, Mrs. J. Novak and Mrs. George Lockie.

BIGGER AND BIGGER, BLACKER AND BLACKER!

Elva Phillips Leads Queen Competition

Miss Elva Phillips of Carletonville is commanding lead in the race for Carnival Queen for Strathmore's annual Ice Carnival, slated Feb. 18.

In preliminary tabulations released by carnival chairman, E. L. Gray, Miss Phillips has polled 402 votes. Queen candidates Irene Bast run second with 145 votes and Elaine Thompson of Strathmore is third with 140 votes. Voting is based on three for adult tickets and two for children's tickets. Skaters are busy practicing for the annual affair and an outstanding program is being arranged. Officials plan to arrange the program so as to have no delays between acts.

Nightingale News

BY MRS. E. J.

The W. I. held their meeting at the hall Jan. 7. The meeting came to order with the singing of O' Canada and repeating the creed. The roll call & Scotch verse or song was mostly current events. The minutes of the last meeting were read and approved. The business at hand was discussed and several thank-you cards were received. The meeting closed with a delicious lunch served by Mrs. Osborne, assisted by Mrs. A. Loe, eight members. The next meeting will be Feb. 11 in the hall. Mr. and Mrs. Rennie Johnston had a family gathering Sunday Jan. 30, while her parents, from Seawitch were there, also a sister from Vancouver, a sister from Calgary and a sister and her family from Carleton.

Mr. and Mrs. Albert Kimmitt are taking care of Mr. and Mrs. Charlie Kimmitt's two girls while they are on a trip to the States. Mr. Don Dodge came home Sunday after spending two months in Calgary. Hope you will be O. K. now Don.

Feb. 3 Deadline For M. D. Nominations

Thursday, Feb. 3 at 4 p.m. was the deadline for nominations for seven councillors for the new municipal district of Wheatland No. 40 with Returning Officer, Harry Katerhagen receiving nominations at Rockford. Election day will be March 3 with the new council holding its initial meeting March 17 in Rockford.

A good deal of interest is being aroused in the forthcoming election as the change in the biggest in this district since Bow Valley was formed. The new council will have a large area to handle because of the novation of contentious boundaries to make the municipality conform with the Wheatland School Division boundaries. Site of the municipal office headquarters will be decided by the new council.

Strathmore FUA To Form Co-Op Local

Fifty members were on hand for the regular monthly meeting of the Strathmore F. U. A. in the Memorial Hall Tuesday evening with president Leonard Hinton in the chair.

Mr. McCartney of the UFA Co-op in Calgary was guest speaker and talked on UFA Co-ops. A motion was made to form a local Co-op to be governed by the board of directors. This will allow members to buy at wholesale.

An interesting film in color on the Calgary Stampede was enjoyed. Coffee and donuts were served to conclude the evening.

Mr. and Mrs. Norman Bragg and children of Standard were Sunday visitors of Mr. and Mrs. Norman Harriman.

Home And School Shows Good Profit On Art Exhibit

The January meeting of the Strathmore Home and School Association was held Monday evening in the girls' playroom of the school with the vice-president Mrs. Mary Meyer in the chair. The treasurer Miss M. Gordon reported \$127.75 had been received at the Handicraft Display and bake sale and 164 Jan. 23.

A resolutions committee consisting of Miss Gordon, Mrs. Emory Jackson, Mr. George Stako and Mrs. Philip Pennant was formed. They during the meeting and a resolution of the cost of text books was drafted and presented to the members for approval. The association hopes to find some method of purchasing books cheaper.

It was decided to send our share into National Headquarters Fund for the new office in Toronto.

Miss Gordon and Mrs. Francis Flynn were elected as representatives of the Home and School on the Library Board.

The program convener Mrs. E. I. Gray then called on Miss "Alice" the Public Health nurse who gave a very informative talk on "Prevention of disease" regarding communicable diseases. The Salt Vaseline is again to be given to Grade 4 children - starting sometime in April. A general question period followed.

Mrs. Pennant expressed the thanks of the group to Miss Alice for her interesting talk. Lunch was served in the House Room and a social period was enjoyed.

Strathmore Beats Carseland Students

Strathmore High School Hockey Club defeated Carseland 5-2 at the local Arena Monday night in the first of a home & home playoff in the opening series of the play-downs for the Wheatland Hockey District "B" championship.

The contest was a rugged affair with Strathmore gaining a 3-1 lead in the opening stanza and was held 5-2 at the end of the wide-angle frame. Whistle tooters were kept busy holding the players down and Maynard Lawson was the star of the night with five penalties, including a major for roughing with Vern Fortman.

Alan Warrack was the scoring sparkplug for Strathmore with four goals and two assists. John Knight scored two while Raymond Crellin and Wayne Miner tallied singles. Vernon Fortman and Strathmore with two helpers. For Carseland, Gray was the leader with two goals while Maynard Lawson bagged one. But Gray was given an assist on Gray's first goal.

The winner will meet the winner of the northern section for the trophy, currently held by Selkirk. Next goal for Strathmore is Carseland and Carseland in the total goal affair will be Feb. 7, at Carseland.

Strathmore and Bow Valley Standard

The Strathmore Standard, established in 1909 is a member of the Canadian Weekly Newspaper Association and is published every Thursday at the Standard Office, Strathmore, by the McLean, Miller and Publishers, Ltd., of the Audit Bureau of Circulation. Authorized as second class mail. Post Office Department, Ottawa, Canada.

HOBODY WINS STRIKES

Settlement of the lengthy Ford strike was well received by all quarters concerned and will be a major boost to Canada's economy. Strathmore in which the strike dragged out indicates management is becoming bolder and tougher with labor and will no longer jockey with labor leaders for the most reasonable settlement they can get.

The Ford workers now have temporary aid hospitalization, but all the workers will have to be in for the next few years to recall the money they lost in wages. The strike pay was meagre. Many Ford employees took other jobs, thus throwing legitimate workers out of work.

Ford received many million dollars in free publicity but also lost a measure of esteem in dropped sales when prospective buyers became impatient for the strike to end and purchased some other make of car. Outcome of the long haul by both sides is just another indication that nobody wins strikes.

INTEREST NEEDED

Annual meeting of the Strathmore Council will be held in the Town Hall Feb. 14, and if past years are any indication there will be only a handful of representatives on hand. This is a sad situation when the taxpayers appear too busy to attend one meeting a year and see how the council operates, ask questions or offer suggestions.

On the street the grandstand quarterbacks have plenty of free advice on how to do it but many of the same experts decline to run for office if confronted with the duties of the office of interest is given by the fact the Town of Strathmore will have no taxpayers representative on the Strathmore School Division. Two thirds of the taxes collected by the town each year go toward education. It appears the Town Council overlooked a good opportunity to have a say in the spending of this money by no-

minating a trustee when sessions close for the past Monday, January 31.

Now the opportunity has been provided there should be no criticism of the doings of the new board which will direct the Westland Division. It appears too many people are content to sit back and let George do it and then kick out what George does.

GO GOOD IMPROVEMENT

Trimming of the tall poplar trees along Second Ave. is a decided improvement to the Town and is a good step. For a long time the branches have been hanging down and have been damaged during wind storms so people walking on snow where they are walking at night.

Poplars are a fast growing tree and need to be trimmed every few years. It is much better to keep up with this growth than wait until they have done damage such as pushing up sidewalks and bursting basement walls.

Forest Protection and Conservation in Alberta

Over half the area of Alberta is covered with forest. Alberta's forests range along the eastern slopes of the Rocky Mountains and in the west-central and north-east sections of the Province. These are of vital importance, not only for the 400 million board feet of lumber cut each year and the fish and game thereabout, but also for their control of the water supply of the western part of Canada. The protection and conservation of these resources are the responsibility of the Forestry Branch of the Department of Lands and Forests.

For administrative purposes, Alberta's forest area is divided into six divisions or regions. They are under the supervision of forest superintendents. The John Deere film was much enjoyed by a large crowd on Monday afternoon.

Officers of the Forest Service are responsible for conservation, the prevention and suppression of fires and the proper harvesting and utilization of timber. In addition to their field duties, the men interpret facts and regulations administered by the Forestry Division for the public and work closely with the R. C. V. P. Further duties

include assistance to tourists, hunters, fishermen and settlers, especially in connection with protection of forests from fires.
Fire is still the greatest enemy of our forested land and six out of seven fires are started by careless people. Despite the best efforts of the Forest Service and intensive publicity campaigns, over a million dollars worth of timber is lost each year.
The Forest Service radio system, essential in communication throughout the reserves, has been geared to the requirements of civil defense.

ers in Alberta.
Twelve in the Crownest, Fox River and Clearwater Reservoirs are administered by the Eastern Slopes Forest Conservation Board. Since this area is a large part of the province of Alberta, the Board is administered jointly by the Government of Canada and Alberta.
Alberta's Forest Inventory, being made from aerial photographs and ground surveys, provides an accurate

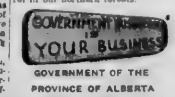

measure of our resources. An effective forest management program is thus being carried on which, by selective cutting, assures a perpetual supply of timber for future generations.

The Fish and Game Branch plays an important part in the work of the Department of Lands and Forests. Conservation is the keynote here also. A trout hatchery maintains a supply of trout and trout raising stations are located at two camps. Annual plantings of various species of fish are made in carefully selected waters and many smaller lakes are their fishing sites.

revisions to this work.
Commercial fishing in Alberta yields over ten million pounds annually, and an inspection service ensures a high quality product when packed for the domestic and export markets.
The Game Branch maintains a pheasant farm at Brooks where six to seven thousand birds are hatched for release in various parts of the province.
On duty, no less important, include transporting live beaver to the northern parts of Alberta, making surveys of migratory birds, land birds and big game, and cooperation in the work of rabbit control in our northern border.

BANTAN ALL-STAR HANG ON TO THE CALGARY

Strathmore's Bantam All-Stars hung on in the third period Wednesday evening to gain a 3-2 lead against a hungry Crescent team which which missed momentum as the game progressed while the locals showed signs of string.

The contest was the stiffest game for Strathmore this year and undoubtedly it showing will prove beneficial to the players who have had things in their favor in local competition all season.

The game proved a good test for the Strathmore club and will give the players some idea of the calibre of competition to expect in the forthcoming provincial playoffs.

For Harrison Gray, Strathmore goalie, it was the busiest night he has had this term and on several occasions he came through with solid saves while at the mercy of Calgary marksmen.

In the opening part of the game Strathmore dominated the play and led 3-0 at end of the first period and held a 3-1 advantage after the middle session. In the third Calgary held the upper hand and nipped the two marksmen while hobbling the locals scorers.

Raymond Griffin, Bill Scott and Bill Tew scored for Strathmore with Creighton Wayne Johnson making assists. Cyrlus Himmlich and Sampson pulled the Calgary goals.

Mr. and Mrs. Leonard Haffler and children are planning a trip to Victoria to visit Mrs. Haffler's parents. Mr. and Mrs. L. L. Woodford, and other friends in the States en route.

Mr. and Mrs. W. A. Treacy left Friday to visit their daughter, Miss Joy Treacy, and others in Seattle.

Mr. and Mrs. Richard Larsen spent Thursday and Friday in Calgary.

Mrs. Harry Muller, and Mrs. Armand Rouquet are reported as being on the sick list; Mrs. Rouquet is in the Bassano hospital for a few days; then to Calgary.

Mr. and Mrs. Hans Buck-Schmidt and Mr. and Mrs. E. J. Bell motored to Midlandvale on Sunday to visit Mr. and Mrs. J. C. Bell and family, and Mr. and Mrs. Steve Zacharuk and family.

Living Too High

Confession of Mr. George M. Humphrey, U. S. Secretary of the Treasury, that the Eisenhower Administration has abandoned all hope of balancing its budget next year (June 30, 1955 - June 30, 1956) illustrates curious inability of modern society to do what every self-respecting citizen does.

Mr. Humphrey says that efforts now are being centred on holding the deficit to \$1 billion, many amount as the deficit for the 1955 fiscal year, which ended June 30 last. Estimated deficit for the 1955 fiscal year, now halfway over, is \$1.6 billion. (In fiscal 1952, last full year of the Truman Administration, the deficit was just under \$10 million).

Not only do vast majority of individual Americans spend no more than they earn but most of them, in fact, spend somewhat less. Yet their port, professes itself 'unable' to do the same thing.

COMMON COLD STILL Baffles Scientists

This is the season of the year when people go around saying "They can make a H-bomb - why can't they find a cure for a cold?" Irritating as this statement is, it's also very true. They seem to be far from finding a single solution to the problem of colds as they ever were.

In the meantime the ordinary citizen will just have to reveal it out. Literally that - because a hot bath, a hot drink and a warm bed seem to be still the best cure for colds until something better turns up. It's that hot bath, that starts the process of the cure, because it opens up the pores of the body and keeps them in some mysterious way, the poison that causes the cold seem to be taken away.

All very absurd and unscientific you say. Perhaps so, but it appears to work. And there are some further scientific hints on the subject. A warm bath is the best way to warm up after being out for a long period in the cold. It's also beneficial after winter sports. When the young fry come in after a strenuous game of hockey on the outdoor rink for instance, a warm bath and complete change of clothing will often prevent a cold.

Pinups Not Popular in Calendar Market

Pope Gregory XIII who designed our modern calendar in 1582 would probably have approved most heartily of the swing in calendar art from country club young ladies to children, animals and pretty scenery.

The designs for 1954 calendars offer a brightly colored array of dogs, horses, mountains, as well as sporting scenes. One of the latest developments is a format which allows the calendar pad to be torn out each month, leaving a booklet of useful information.

For a Canadian favorite are pictorial scenes and human interest subjects such as children and animals. Near-nudes are not as popular in Canada as they once were, and enjoy only a limited sale.

Colored photographs, particularly of scenery, have been selling out quickly and drawings for several years. The reception to this are pictures by well known artists and illustrators who are known for a particular specialty or technique, and who have been painting calendars for many years.
Always an outstanding favorite in Canada has been the Maple Leaf

Hockey Team calendar which is popular even as far as British Columbia, and is sent to a large number of people each year.

Strathmore And Bow Valley Standard

The Strathmore Standard, established in 1940 is a member of the Canadian Weekly Newspaper Association and is published every Thursday at the Standard Office, Strathmore, by Mr. MacLean, Editor and Publisher. The Standard is a member of the Canadian Newspaper Association and is a member of the Canadian Newspaper Association. It is a member of the Canadian Newspaper Association and is a member of the Canadian Newspaper Association.

INTEREST RUNS HIGH

It won't be long before representatives of the former municipalities of Bow Valley and Bow Valley Standard will be asked to select a new council to govern the operations of the new Municipal District of Westland No. 46. Former Bow Valley Mayor Jim Harwood was elected to Division No. 2 by acclamation but in all other divisions a close race is indicated.

With the exception of one division, where three candidates have been nominated, it is a two man race. As interest runs high a big vote is almost assured, which is a good thing. Two other taxpayers do not take advantage of their right to cast their opinion and to prevent it up to the minority to get the most to operate a big business.

Causing equal interest with the election is the site of the new municipal office. It is no secret that Bowdoyd, Strathmore and Standard are vying for the centre and it also is no secret where the candidates running want it to be. Fortunately the town blessed with the office will benefit by extra traffic.

Regardless of weather conditions it appears March 3 will be a busy day in this area.

WILL SUNDAY BECOME

JUST ANOTHER SATURDAY?

Is Sunday becoming obsolete? Not entirely, but Canada is showing an increasing trend toward more liberal Sunday observance, according to Assistant Editor John Gray in an article on the Lord's Day Alliance in the current issue of Maclean's.

According to polls, 50 per cent of Canadians now want Sunday to be a free day for everything except religious observance. And no longer does buying tobacco on Sunday bring a one day jail sentence, as it did in Toronto in 1937.

In Ontario, the Attorney-General has announced he will no longer give permission to prevent "non-religious" sports, horse racing, dog and refreshment stands, tennis of bowls, etc., a horse and bicycles for operating on Sunday.

Gray lists no reasons for the liberalization of the law, but the author of the law, the Ontario Government, would include the entire province and would be with the law on the side for it. As in every Sunday education it is the law, it is a good thing that the law is being passed through this type of legislation the effort is worthwhile.

Several children took advantage of the program the other night but a showing in a school such as the Samuel Crocker would include the entire province and would be with the law on the side for it.

Kind of competition Canadian manufacturers are meeting in domestic and world markets is illustrated by report in N.Y. Times Jan. 25, that factory workers of Frankfurt put in an average of 50 hours a week for pay, including overtime, of \$25 in city's metal industry, workers average \$1 1/2 hours (legal base work-week in West Germany is 48 hours).

Marked difference was found between wages paid men and women. American called workers in Frankfurt's chemical industry, which is considered to have a high wage rate, men average \$4 cents an hour, women \$3 cents. (Working day pay men \$19 for a 44 hour week, women \$11).

In addition, the pipeline would be exempted, according to the view from Ottawa, from all sales taxes, and all customs duties on materials imported. The Tved News says quite a number of imported and other materials that are subject to sales tax. We too could get along better and sell our printing more cheaply if we could get such exemptions. But for the Tved News to claim an exemption from such taxes would give only a mild

It is believed the Alberta national gas pipeline could be financed privately if it followed the route of the oil pipeline - passing south of Lake Superior to Toronto. But that of course, would not make voters for Mr. How at Port Arthur.

TAXPAYERS MAY PAY SHOT FOR GASOLINE
If the Hon. C. D. Howe has his way, Tved will be paying gas taxes. The fantastic proposition of Clinton W. Maclean of Houston, Texas, for the building of the long and longest pipeline in the world cannot be financed via Port Arthur (Mr. Howe's home town) unless the taxpayers of Canada come to the rescue either by building the line in part, or by building all of it, or by giving an unconditional guarantee of principal and interest.

Canada's universities in the main are geared to the population and economic conditions of 1930. But, says The Financial Times, since then Canada has done a lot of growing.

In 1939 Canada's total university population was 24,816. For the 1954-55 university year it was 57,351. But there was a specially big

EX-AUSTRIAN LEAPS TO NEW RECORD

Winging high above spectators in Erie, Pa. was the set of a high jumper record of 102 feet by the late, Mr. Gray, an Australian. His record was set on Feb. 10, 1954, at the 1954-55 season in Toronto, who won the men's jumping laurels with two jumps of 100 feet. The 24-year-old Meier was a member of the national team before coming to Canada last year. He recorded a jump of 97 feet at a meet in Italy.

An Important Note To Every Farmer

DEAR FRIEND:

Just a line to extend a personal invitation to you and your family to be our guests on John Deere Day, Thursday, Feb. 17 at 1 p.m. Joyland.

We know you'll enjoy the program we've prepared for you—every minute of it. In fact, we think it's the kind of program the entire family will enjoy.

The feature picture "Miss Hattie" is the kind of story that makes you feel good "way down inside." It's a full length film done in full color and features a cast of well known Hollywood players. There are many other colorful films—both entertaining and educational. You'll like all of them.

You may already have received your free tickets. If not, or if you need more be sure to pick them up at Strathmore Motors soon.

DURUM WHEAT REPORT

The Durum Institute of Winnipeg report the 1964 macaroni crop the lowest since the war; thus it is likely that open quotas will continue because the macaroni industry is still short of quality durum.

Durum prices for the last 18 years have been at or above the price of corresponding grades of broad wheat, and there is no sign of durum weakening.

One unfavorable angle is that the U. S. Tariff Commission has not opened their good market to other countries. The Macaroni Manufacturers' Assoc. were forced to withdraw their appeal to have durum admitted by farm unions despite the fact that American farmers have not been able to harvest an average durum crop for years due to rust.

Statistics authorities state that the main rust area is east of Regina, and the chances of rust recurring on the same scale as in 1963 are slim. Dr. J. A. Anderson, Chief Chemist of the Board of Grain Commissioners suggests that the acreage of good durum varieties Stewart, Carleton and Midway be expanded outside the rust area. Alberta will take over a larger percentage of the durum acreage in 1965, since Stewart seed is in short supply.

Strathmore Blanks Okotoks Club 21-0

Proud by the outstanding musical performance of Raymond Cretin, Strathmore's Blanks entry in the provincial playdowns started the provincial playdowns in powerful fashion at the local arena last Saturday night by defeating Okotoks 21-0. Score of the total point playoff — unless cancelled by the Alberta Hockey Association — will be played in Okotoks Friday night, Feb. 12.

Strathmore made a runaway of the contest from the outset and led 6-0 at the end of the initial frame, 13-0 after the sandwich session and bagged home eight more corners in the final stanza. Others scores for Strathmore were Bill Tye and Wayne Johnson with two, Frank Cook with two and singles by Lawrence Sadler, E. McKeele, L. Greenwood, Doug Little and Earl Gray. There was only one penalty in the clean contest to Okotoks.

Allan Murray, Okotoks team of trial, praised the Strathmore club for the fine performance. Coach Keith Sargent and manager Jack Crofts were highly pleased with the strong showing of the Strathmore Bananas and feel the club has the ability to go places this year. Many parents were on hand to take in the contest.

Draw to the Table Lamp was won by George Davis. The draw was captioned by Al. Crellin and their annual meeting. A satisfactory financial statement was adopted and showed a credit balance for the year.

Mr. Walter James will continue as Vice's Warden and Mr. Harry a resident of Irricana and for Colpoys was elected People's War

several years in Strathmore, Peter Proden, 65, died at his residence Tuesday morning.

Mr. Proden was a section foreman with the C.P.R. for 40 years and at his retirement in 1954. He was a member of the Lions Club and the United Church at Irricana.

Funeral services will be held in singletons by Lawrence Sadler, E. McKeele, L. Greenwood, Doug Little and Earl Gray. There was only one penalty in the clean contest to Okotoks.

Surviving is his wife, Anna; a son Robert, both of Irricana; three daughters, Mrs. Robert Campbell and Miss Anna Proden, both of Calgary; Miss Carr Tiller, Washington, D. C.; and four grandchildren.

St. Andrew's Holds Annual Meeting

The congregation of St. Andrew's Church, Gleichen, recently held their annual meeting. A satisfactory financial statement was adopted and showed a credit balance for the year.

Mr. Walter James will continue as Vice's Warden and Mr. Harry a resident of Irricana and for Colpoys was elected People's War

den Mr. Tom Hates and Mr. Fred Bennett were elected to the Vestry in addition to the members already on it. Plans were approved for repairs to the roof and the west end of the Church to be carried out in the future.

Women In Business

Fifty years ago more than 80 per cent of all women in Canada were engaged in housekeeping. Now, according to the last census, that percentage has dropped to 61 per cent. Fifty years ago only 15 per cent of women were in the labor force. Now 51 per cent of women are working outside their homes and women on form 23 per cent of the total labor force.

All this is visible to anyone who walks down any street at noon hours. Working outside the home is no longer just an occupation for girls waiting to marry, or apatients with out family connections. It is a pattern of life to which many women return after marriage (30 per cent of women in the labor force are married; 11 per cent of all married women are working) and on which most unmarried women base their independence.

This is THE MARK OF A NEW AGE!

That big, bold Sweep-Sight Windshield—curving back to vertical corner posts—is easy-to-see evidence that Chevrolet has cast aside the tradition of the Chevrolet to start a whole new age of low-cost motoring. It's smarter to look at—safer to look out of—and it's only part of Chevrolet's new outlook for '65!

Yes, Chevrolet brings you a whole new outlook in low-cost motoring for 1965! It's best symbolized, we think, by the sweeping expanse of windshield that widens your view of the road and lets you "see through" the corners for greater safety.

The car with the new idea! Besides widening your view of the road, the Motoramic Chevrolet broadens the whole horizon of the low-priced car. It was built around the idea that a car doesn't have to be high-priced to look, ride and

perform like it. A lot of time and sweat went into the building. A lot of old traditions went out the window because they didn't measure up to this daring new concept. That Chevrolet to have the resources and the skill—yes, and the courage—to break so completely with the past.

Everything's new in Chevrolet! Everything — from its wheels to its lower top. There's no beauty with that long, low "44" look! New "Flame" finish! The new "Turbo-Fire" V-8 and the new "Blue-Flame" six! A new

choice of colors, too. Sweeping Super-8 35 mm. color film (extra optional), and now, ten and fifteen day delivery. It's a whole new idea! But we can't wait to tell you the whole story here. Look what's riding since then!

Chevrolet's styling too. Thunder from the high-speed 35 mm. movie was a new look in Chevrolet. Chevrolet, after a new and exciting age of low-cost motoring. This is the new age!

Surviving are his wife, Lizzie of Cluney; two daughters, Mrs. Ernest McClelland of Cleveland, Ohio, Mrs. Margaret McNeil, Royaldale, Alta.; four sons, Raymond, New London, Ohio; William, Cleveland; Leroy, Wichita, Kansas and Gerald, of Cluney; 12 grandchildren and 12 great grandchildren.

Funeral service was held in Jackson Square Funeral Home Saturday afternoon at 1:30 p.m. Rev. Morrison officiated.

Full books were Fred Fairbairn, Wm. Weeks, Wm. Prosser, Syd Rodbourne and B. Reiche. Burial was in the family plot Union cemetery.

Permanent Fixtures

World War II ended more than nine years ago. But UK Minister of Housing, Mr. Duncan Sandys reports that his govt. is still holding 64,000 houses and flats requisitioned for housing purposes under wartime emergency powers.

Mr. Sandys' confession illustrates that "temporary" controls like "temporary" civil servants have a way of becoming permanent.

YOUR HEALTH

By Amelie Wille
Did you ever make a soldier or sailor walk down the street? Did you notice the vigor of their step, the flash of their muscles, the bounding good health?
Yes, but can you make a similar health? I don't mean that any national health plan can give it to you. You can give it to yourself, leaders and soldiers do not get that vigorous walk by chance. Many of those young men entered the army or navy with protruding abdomens, sagging muscles, and feeble vigor. But for sixty days they follow a simple set of exercises that put them in good condition.

You and I can follow these same exercises. Any Brazilian can give you books which will tell you how to do it. Any doctor can tell you the simple rules of diet. But the books won't do the exercise for you, and the doctor can't do your eating for you. These things are up to you.

Every time I hear politicians brag about some kind of national health plan, I get angry. I think what we need most of all is a personal health plan. The vast majority of us could be healthy if we wanted to be. Fresh air, exercise, hot food, good crystal clear water, and less stuffing of ourselves with food, would do more for the health of Canadians than all the millions of dollars squandered on national health plans. The government can't do it for us, we can't do it for us, we can't breathe for us. There are still some things in this world that we must do for ourselves. We're already ready for a good hot walk around the block?

ARENA SCHEDULE

Schedule for the 1955 season at the Strathmore and District Memorial Arena has been drawn up and is as follows:
Monday - 7 to 9:30 general skating; 9:30 to 11:30 hockey if advertised, otherwise skating.
Tuesday - 11 noon to 12:15 power skating; 1:45 to 5 p.m. skating; 7 to 10 boys hockey.
Wednesday - Noon, skating; 3:45 to 5 skating; 7 to 10 boys hockey.
Thursday - Noon, skating; 3:45 to 5 skating; 7 to 10 skating.
Friday - Noon, skating; 3:45 to 5:15, fancy skating; 7 to 10 skating.
Saturday - 9 to 11 boys hockey; 2 to 4 skating; 8 to 9:30, hockey games.
Others should clip this out for future reference and avoid disappointment by arriving at the rink when they are not eligible to use the ice.

His teams have been formed to compete in the home league. The rink and Strathmore will sponsor the team and Strathmore will sponsor the team and Strathmore will sponsor the team.

Strathmore And Bow Valley Standard

The Strathmore Standard, established in 1900 is a member of the Canadian Weekly Newspapers Association. It is published every Thursday at the Standard Office, Strathmore, by MacMillan, Editor and Publisher. Member of the Alberta Press Association. It is the only newspaper in the Bow Valley to be published on a second class mail. Post Office Department, Ottawa, Canada.

THEY'RE NEVER SATISFIED
Practically on the heels of the settlement of the record long Ford strike comes the announcement that workers of the Chrysler Corp. are considering striking for higher wages. In the view of the unemployment in the Ford strike some as unwise move on the Chrysler workers. The automotive industry is now more competitive than at any time in the history of new Ford last counted dollars in loss of sales while its plants were idle and Chrysler workers will be only hurting themselves if they vote to shut down the market is flooded with cars and the industry has now belated down to a dog and cat battle which requires full time work to stay above water. Automobile years ago the dealers were in the drivers seat but now the automotive industry is strictly a buyer's market. Taking into consideration the present economic situation, with unemployment at an all time post war high, it seems a regular pay check would be more than appeal than a possibility of a strike which could bring months of picking lines and low scale strike pay.

ASSISTANCE NEEDED
Recent fire at district farms indicate the need for a cooperative system between the town and the municipality as regards the upkeep of the Strathmore Fire Brigade. The fire outfit has recently been called out to farms on two occasions in the past few months and may be needed when fire breaks out in the district. Presently the entire upkeep of the Strathmore outfit is maintained by the Town. Many nearby farmers feel Strathmore is their town and take it for granted the outfit should go at a time of fire. A few months ago a fire at Namaka broke out and officials of the Strathmore Fire Brigade refused to send the truck out. An outfit from Gleichen answered the call. On another occasion the Strathmore brigade answered a call at J. McDonald's farm. This is inconsiderate. If the brigade goes to one farm it should go to them within reason. But the most of the outfit should be shared between the Town and the municipality. It is a waste of good money to country taxpayers to know that they have some fire fighting equipment at their disposal. With the new municipality of Wheatland now being formed it appears a good time to organize a working agreement with the town to help defray the cost of fighting fires outside the Town. If one home in saved it is worth a lot of the taxpayers money.

Alta. Breeders Form Polled Hereford Club

Alberta breeders of Polled Herefords have organized a new club, known as the Alberta Polled Hereford Club. The move came at a meeting held in Red Deer last month. Dave Robinson of Garfield and J. J. (Doc) Arthur of Langdon were the men who proposed organization.

Stanley D. Benker of Midnapore was named president, with W. H. Robinson of Garfield vice-president and Harry G. Craig of Bentley, secretary. Directors are John Moore, Telford; Chester A. Gibson, Bentley; Kent Magnusson, Langdon; Harry G. Craig, Bentley. An all-out drive for membership is being put forth. The fee for membership being \$5.00. Every effort is being made to get all members to be sure and designate their herd with the National Livestock records as being a polled herd. Some discussion was put forth on the possibility of holding a straight polled Hereford sale some time in 1955.

Coming Events

● Hockey, Monday, Feb. 21 at 7:30 p.m. in Strathmore Arena. Livestock vs. Carleton Place. Second game of the series.

● Stage in Sacred Heart Hall, on Wednesday, March 2, at 8:30 p.m. Admission \$1.00 for 15 cents. Free lunch. Two cash bar tickets.

Local News Item

POCKETS
Mrs. C. Lawrence Binko was the 125 Special District at Wednesday night's Binko program in the Sacred Heart Hall. Mrs. Ted Hartill was winner of a special cash prize.

Dalemead Notes

Mr. Leonie Priest, who lately returned from Korea and is now here visiting his father and brothers, showed his allies what he took in Korea, in the Dalemead Hall. They showed Korean life, palace grounds and the waiting and throne rooms of the palace. It was thoroughly enjoyed by all as Mr. Priest gave a running commentary of Korean life and pointed out points of interest in the pictures. The Dalemead Club and FWTA held a joint meeting at the Miller home last Wednesday. Guests for the afternoon were Mr. MacMillan, Alberta Poultry Commissioner and Mr. Christensen of the Department of Agriculture. Mr. MacMillan talked on the hazards of poultry raising, finishing and dressing, poultry diseases and marketing of poultry. Of special interest was the question and answer period which followed his address. Each organization then conducted a short business meeting. The ladies are organizing the Cancer drive to be held in April and planning a convention.

To the Electors of Sub District No. 1 Wheatland School Division No. 40

Having been nominated as a Trustee in the above mentioned Sub-District I wish to state that I am a resident of the district and I am a resident of the district and I am a resident of the district.

My only promise is that if elected I will do my utmost working in cooperation with the other members of the Board, the Inspector, Secretary and Teachers to give the best possible standard of education and service to the school in the Wheatland No. 40, keeping in mind at all times that we as a Board must get full value for every dollar spent.

As a Parent I feel that our taxes have nearly reached the limit and as a taxpayer I want our children to have the best in Teachers, Equipment and Schools.

I am also sure that as Parents we would like to see our children go back to the schools as they were some years ago. We don't want to go back, we cannot stand still, so we must go forward.

Sincerely, NORMAN SCHERER

CALENDAR GIRL, NO CHIESECAKE

Mary Sears, now teaching school at Huntsville, Ont., could qualify as Canada's best-known calendar girl even though she never poses for calendar photos. She is 18, does not have been married, and she was three, when her grandfather first put her picture on a calendar that had nationwide distribution. Her first mail which started with the first use of her photograph, included letters from Vancouver to Halifax. The calendar she is holding shows her at age three.

Lylaia News

BY MRS. G. N. G.
The Lylaia W. I. met on Feb. 9 with 18 members present. The call was a valentine verse.
Following the minutes, the discussion included further discussion of painting the hall. The paint for the interior has been purchased and when the weather moderates, a painting bee will be organized.

New business included the nomination of a representative from the district to attend the Carver conference which will be held in Calgary Feb. 22. Mrs. H. Grice was elected.

The sending of a delegate to the District W. I. conference in Lethbridge in March was discussed. It was decided not to send a delegate as Mrs. H. Grice, our constituency convener is going and will bring back a report.

It was decided to hold a picnic on a blanket raffle, which will be drawn at the pot luck supper on March 14. Mrs. A. Pufferman reported her citizenship report.

The program was conducted by Mrs. Scholey, Mrs. Grice and Mrs. T. N. N. Two couples were had and both were won by Mrs. S. B. B.

Lunch served by the hostesses (conducted by Mrs. Kennedy) proved happy feature of the afternoon and the musical program of beautifully rendered songs and dances by Mrs. Mary Mercer and Lynne and two piano selections by Lilian and Morgan were most enjoyable.

Margaret Harvey Honored At Shower

Mrs. Gladys Morgan and Mrs. Joy Scher were co-hostesses at a miscellaneous shower on Sunday afternoon, Feb. 13, commemorating Miss Margaret Harvey of Red Deer, formerly of the Crowfoot district, whose marriage to Mr. Andrew Whyte will be a social event of Feb. 14 at Red Deer.

The attractive and spacious home of Mrs. Norman Scher, joy and festive with streamers, wadded with bolts and flowers made a perfect setting for this happy occasion when 30 friends gathered to honor Margaret. Among those present were Mrs. Frederick Harvey and Miss Joan Harvey from Red Deer, Miss Frances Harvey and Mrs. T. N. N. Two couples were had and both were won by Mrs. S. B. B.

After delicious refreshments, served from a long covered table, pink frosted with white and pink tapers, many beautiful and useful gifts were presented to Margaret. Encouraged by the good wishes for a happy and prosperous future from all her friends.

Margaret responded very graciously by thanking everyone for their good wishes and the lovely gifts which she would treasure in the years to come and most of all for the friendships made and for the happy years spent in the Crowfoot district.

The singing of For Rhyl's a Jolly Good Fellow, and a truly sentimental hour concluded the afternoon.

Langdon Notes

BY MRS. F. D.
The regular meeting of the W. I. was held Feb. 2nd with 35 ladies present. Roll call. Penmanship for the size of your shoes, netted a bit for the funds. It was decided to continue Canada parties, the date to be Feb. 21, March 7 and 21. Mrs. Jeffers read a very interesting paper on United Nations. Mrs. R. C. Cummings and Mrs. Ashley-Smith served a lovely chicken dish for lunch. Mrs. D. Kerrigan sponsored a bird contest which was much enjoyed by all.

The skating party held Feb. 5th was well attended and much enjoyed in spite of falling snow.

Mr. and Mrs. Dick Tanner are home after honeymooning on the west coast and south of the border.

The Canada party sponsored by the W. I. recently was much enjoyed. The holders of first prize were Mrs. E. L. Albertson and Mr. E. T. Mow. Low went to Mrs. A. Warrack and Mrs. Joe Wabbin.

We wish Rev. and Mrs. Beach much success in the future. They will be greatly missed by the Langdon community.

All friends send sincere sympathy to Mrs. Gibson and children. Gibson passed away Saturday. We wish Mr. Ed. Winger a speedy recovery. He is at present in hospital under observation.

Ralph Tiede Heads Craighair 4-H Club

Ralph Tiede was elected president of the Craighair 4-H Club at a recent organization meeting. Raymond Newell was named vice-president and Ann Tiede secretary-treasurer.

Meetings will be held on the last Thursdays of each month.

IRISH EYES

Beautiful Barbara Rush plays the role of an Irish colleen in her latest movie, "Cyril and Ann." It's Universal-International's romantic drama of the Irish revolution starring Barbara with Rock Hudson.

MAKEPEACE NOTES

BY MRS. A. M. B.
All friends and neighbors stand in sympathy to the family of the late Mr. Edwin Schaffer.

The dance at Makepeace School on Friday night was well attended and a good time was had by all.

Mr. Urle Brocklebank, K. L. Lar, Jr. and Don Jermann went to Calgary last week on business. They also brought back a load of lumber for that new house being built.

Mr. and Mrs. Robert Hulen have visited the States for a trip.

Mrs. Harold Mall is home after spending a few days in hospital.

Mr. and Mrs. Jack Bulgar spent Sunday afternoon and evening at Brimley.

Mrs. Jack Bulgar has orange blossoms on her orange tree.

Mrs. Brocklebank had a butterfly in his house last week. California has nothing on good old Alberta.

Unsatisfied Judgment Shows Big Deficit

The Motor Vehicle Branch of the Alberta Highway Department reports the Unsatisfied Judgment Fund showed a deficit of \$35,708 for the nine months between April and Dec. 31, 1954.

Expenditures during the period were \$183,991 while receipts were \$7,283. Expenditures were made up of \$17,283 in hospital and medical payments, \$241,887 in court damages, \$25,375 in court costs, and \$5,963 in miscellaneous payments.

The fund, financed by \$1 fees collected with each motor vehicle registration, provides for paying damages and costs awarded in court judgments arising out of motor vehicle accidents when the person found liable cannot pay the judgment.

THE OLD HOME TOWN

Crowfoot Notes

BY MRS. J. H.
The Feb. meeting of the Crowfoot Community Club was held at the home of Mrs. Dale Hunsman with 17 members present. The meeting opened with the reading of the creed. Minutes of the Dec. meeting were read and approved and the financial statement given.

Roll call was "a current event." Among the correspondence were letters of thanks from the Junior Red Cross Hospital, Woods Christian Home and the Salvation Army for money donations from the club.

The question of whether or not to hold a card party was discussed and it was decided to have a "good party" in the clubhouse Friday, Feb. 25 at 8 p.m.

It was reported that the Christmas entertainment had gone a bit

insure damage was done. The Charles Harveys was as dinner guests Sunday Mr. W. H. Harvey and Mrs. Frances Harvey, Mrs. A. C. Galbraith and Julia of Calgary, Mr. and Mrs. Fred H. J. Jermann and Joan of Red Deer. The measles epidemic has struck this district quite hard this winter. The latest victim being little Barbara Weaver and we trust she will soon be well again. Wayne Schumann is "sore" yet. — It pays!

Golden

Jubilee

SONG WRITERS' COMPETITION and PLAY WRITING COMPETITION

The Golden Jubilee Committee announces the establishment of a Song Writing Competition and a Play Writing Competition as part of the Alberta Jubilee activities. The purpose of the competitions is to stimulate interest in song writing and in the writing of regional drama and the production of plays written by Albertans.

Rules for Song Writers' Competition

1. Entries will be received up to April 15th, 1955. All entries must be sent to the Golden Jubilee Committee, Edmonton, in an envelope plainly marked "SONG WRITERS' COMPETITION".
2. Compositions previously published will not be eligible.
3. Open to amateur and professional song writers of Alberta. Entrants must have been resident in Alberta since October 1st, 1954, or if not resident at the present time, must previously have been resident in Alberta for a period of five years or more.
4. Songs may be for solo voice or unison singing as well as part-songs for two, three or four voices. If the compositions are designed to have a full piano accompaniment, this must be provided. (If R. B. Future to provide full accompaniment to songs requiring it will render the contestant liable to disqualification.)
5. \$750 in prize will be awarded to the compositions considered by the judges to be the best submitted. A substantial sum of money will be awarded to the most outstanding entry. If, in the opinion of judges, no submissions meet the required standards no prize will be awarded.
6. Copyright arrangements in respect of the lyrics must be made by the entrant. Arrangements for permission to use the poems in the Alberta Jubilee Anthology should be made with the Publishers.
7. The manuscripts of the songs submitted must be in duplicate, must not contain any identification marks but should be accompanied by a signed envelope containing the name and address of the composer and attached to the manuscript.
8. The right is reserved by the Jubilee Committee, to edit any composition.
9. Authors desiring the return of unacceptable manuscripts please enclose a self-addressed envelope to facilitate their return.
10. The submission of any manuscript signifies an acceptance of all the rules, regulations, and conditions as above stated.
11. Members of the Committee, Judges of the competition and their families are not eligible.

Rules for Play Writing Competition

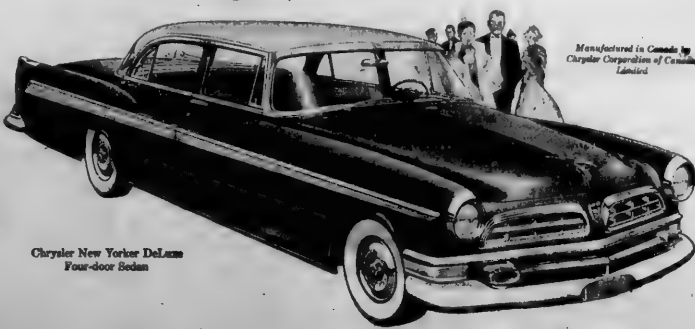

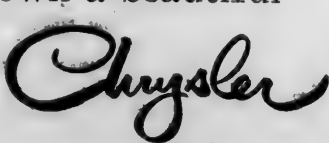

1. Entries will be received up to June 30, 1955. Three plays will be bought at a price of \$250.00 per play and these plays will be made available to groups wishing to use them as part of the Jubilee activities free of royalty during the remainder of 1955. Inasmuch as it is desirable that plays see production during the writing, the Jubilee office will arrange that producing groups be put in touch with playwrights intending to offer plays for purchase. Playwrights planning to offer a play are asked to signify their intention by writing to the Jubilee Committee. Their plays may be informed of plays in preparation. This is not, however, a condition of entry.
2. All entries must be sent to the Golden Jubilee Committee, Edmonton, in an envelope plainly marked, "The Golden Jubilee Play Purchase."
3. Plays must have a playing time of not less than one hour and three-quarters but no restrictions are made as to the division of play material into acts.
4. There is no restriction as to subject matter.
5. Entrants, if not resident at the present time, must have been resident in Alberta since October 1st, 1954, or previously have been resident in Alberta for a period of five years or more.
6. Plays must be unmarked and enclosed in a plain unmarked envelope. The name and address of the author should be clipped to the envelope.
7. Plays having been previously published are not eligible.
8. Plays should be typewritten, double spaced, and typed on one side of the paper only.
9. The right is reserved by the Jubilee Committee to edit any play so purchased.

Let's Eat

A good way to add pleasure to many meals, poultry and fish to be a staple. This is usually based on bread if heated, the stuffing will have a richer taste, or the stuffing itself can be lightly sautéed after heating. Breads adding fat to the meat, a stuffing makes it eat earlier, and so extends the food value.

For each pound of meat, fish or poultry, use 1 cup of day-old bread crumbs. They should be fine and somewhat dry.

Very the Recipe

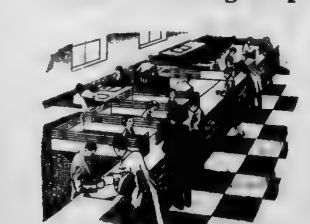

It is a good plan to vary the herbs used in seasoning stuffings, madame. At first the Chef. What is known as poultry seasoning is an excellent all-around herb mixture.

But for stuffed lamb shoulder, I prefer mint and a little rosemary; for veal, a little sage and plenty of parsley or celery; for roast pork, sage and onion; and for fish stuffings I like powdered dill. One-fourth teaspoon of paprika stirred into each cup of stuffing will make it "spice."

And Chef! I said, "I like stuffed chicken celery, tomatoes and green peppers. And if the amount of meat is small it will prove satisfactory if chopped nuts are added."

Late one afternoon a party of seven men stopped at a taxi stand, one of the local stores and after looking over the assortment, spent some time putting a miniature train through its paces. Finally he said he'd take it. The clock, strap and up, remarked, "I sure your child will enjoy playing with this."

"You're right," replied the man. After a brief pause he added, "I guess I'd better take two."

Meanwhile, having finally reached mid way in bed after an unusually trying day, "Well, I've certainly worked from noon to noon-down."

Promoting Better Agriculture

IN ALBERTA

Although great progress is being made in other fields, Alberta's economy is still largely dependent upon agriculture. It is therefore important that the province should be able to produce more food and fibre for its own people and for export. It is important therefore that the farming industry be given as much possible assistance and encouragement as possible.

This is the purpose of the Alberta Department of Agriculture. The work of the department includes all phases of farm life. It encourages among farm boys and girls, the study of agriculture. It encourages among farm boys and girls, the study of agriculture. It encourages among farm boys and girls, the study of agriculture.

Established in 1949, Alberta's Master Farmer Program has a two-fold objective: to give official recognition to families who have made an outstanding success in farming, family relationships and community living; and also to inspire others to follow the example of those who have earned the award. There is no doubt that the Master Farmer Program has given impetus to "Good Farming" in Alberta.

The highest honor which the Department of Agriculture can bestow upon a farmer is to name him to the Agricultural Hall of Fame. So far the Alberta have gained the highest distinction. The achievements of those so honored will be remembered for all time.

Sacred Heart Church Scene of Double Ring Rites Between Ackles-Bartelen Families

Yellow daffodils intermingled with bougainvillea, basked the altar at Sacred Heart Church when Fr. J. T. Gibbons, Strathmore, performed a double ring ceremony and celebrated the Nuptial Mass at 11 a.m. Feb. 19, when Miss Ethel Catherine Ackles, only daughter of Mr. and Mrs. H. V. Ackles of Vancouver, B. C., became the bride of Mr. Anthony Eugene Bartelen, eldest son of Mr. and Mrs. A. A. Bartelen of Strathmore.

Given in marriage by her father, the bride wore a white strapless gown of tulle and net and her hair was over tulle topped with a large white veil. The bridegroom wore a tuxedo with a white shirt and a white bow tie. The ceremony was performed by Fr. J. T. Gibbons, who read the vows and carried the bride down the aisle. The bride carried a bouquet of white flowers and a small basket of white petals. The ceremony was followed by a reception at the home of the bride's parents.

After a honeymoon in the West Indies, the bride and groom will reside in the Strathmore home of the bride's parents. The bride is a graduate of the University of British Columbia and the groom is a graduate of the University of Alberta. They have one daughter, Mary Ann, born in 1953.

It's as simple as this. In Winter, snow usually falls. Snow usually gets hard and slippery. If you drive too fast over something that's hard and slippery, you're apt to skid and hurt something... yourself, usually. Then for goodness' sake why not drive slow? And use tire chains?

EXECUTIVES

Ability to get along with people is the prime attribute of a good executive. It is a necessity for all of us if we are to enjoy peace of mind.

Life cannot be lived in an impersonal way. In manufacturing, transportation, trading, finance, and all the other areas of production and commerce, as well as in social life, we deal with men and women, men and women who are filled as we ourselves are with feelings of pride, the ambition to achieve, the desire for esteem and affection.

No executive can do his best work or attain notable success in business without the co-operation of other men's endeavours. Facing the human equation and solving it satisfactorily are urgent needs imposed upon leaders in all walks of life. The competent leader takes many precautions that lesser men neglect.

To understand people demands first of all that we admit two truths: we are all different, and often we are not aware in what respect, to what degree, and why we are different; and we are reacting and reacting in different environments.

When a man realizes these truths he will be inclined to begin understanding people by studying them. He will go out of his way to encourage them to talk about themselves and their interests. Only so can the executive learn what makes employees unhappy in their work, what qualifications young men have for advancement, what mistaken ideas are prevalent in his office or factory that should be corrected. No one in authority can ever do too much listening; the best leaders know that men prosper not in proportion as they inform but as they elicit. —Royal Road Letter.

NO PLACE HERE

For Canada, declares The Financial Post, any policy of farm price supports similar to that in the United States would be ruinous. "In the United States it has been enough and world food markets in which Canada has such a vital interest have been seriously shaken. But in the United States agriculture is only one of a great many very important industries. If the taxpayers there want to subsidize the farmer, that is their own expansive business and they can probably afford to do so."

But in Canada, farming is one of the country's major industries and a firm export market for surplus farm products is absolutely imperative. We cannot begin to consume all our own farm production. Under such circumstances subsidizing simply does not make sense. We haven't got enough taxpayers to pay the bill. Canada's

BUTTER MARKET

In attempting to explain Agriculture Minister Gardiner's new 50-cent plan of feeding — "Just" butter surplus to hospitals, Prime Minister St. Laurent told The House of Commons.

"The policy will be to exercise very strict supervision to see that it is restricted only to public institutions and does not affect general marketing conditions."

From his own early stockpiling experience, Mr. St. Laurent maintained that it is a vain hope that the surplus butter can be sold in the United States. The Financial Post General Marketing Committee has been asked to be affected. The butter the Canadian Arctic institutions are to be installed in regions where milk institutions get at bargain prices more complex than a dog team or as a gift from Mr. Gardiner. has ever penetrated, and on others will simply replace butter there in which are completely unnecessary. located the cost of milk will be just as much as it would be normally. You spend upon an artificial supply, and the butter anywhere without starting in a few weeks.

ARCTIC PROTECTION

Two Canadian construction companies are now looking for work on the Arctic which dwarfs anything ever before attempted in the Canadian North.

They are prime contractors for the chain of electronic warning stations known as the RCMP's east early warning line.

This chain of stations is to be built in the waste of the north, in the most inaccessible part of North America. It will stretch right across the Canadian Arctic.

He's helping to build houses by the thousand!

This trick is not as difficult as you may think. In fact, you have probably done it yourself.

Actually, this man is simply making a payment on his life insurance policy. And because he's helping to build as the result of investments made for him out of that money by his life insurance company.

In the same way, every life insurance policyholder renders many other valuable services to his fellow-citizens. For investment money may also be made for him in ways that help finance new roads, schools, waterworks and other important projects.

So, if you own life insurance, remember—while you're building security for your family and yourself, you're also helping to make Canada a better land to live in.

P.S. from your life insurance man

Strathmore Bantams Dump Calgary to Gain Berth In Central Alberta Hockey Final

Strathmore Bantams qualified to meet Red Deer in the Central Alberta hockey final when they dumped Calgary 7-3 at the local Arena Tuesday night in the local playoff 135 after a 6-3 triumph over the Calgarys Sunday.
Entering Tuesday's contest with four goal leads, Strathmore moved into a 5-1 first period lead, matched Calgary's two tallies in the sandwich session and rapped some three markers in the final stanza while holding Calgary scoreless.

Raymond Crellin sparked both triumphs with a brace of goals in each game. In Sunday's game other goal getters for the locals were Doug Hildon with a pair, Frank Cox and Wayne Johnson. Tuesday night Bill Tew and Wayne Johnson both notched two each while Doug Hildon came through with a singleton. Ken Cairns and Sampson were marksmen for Calgary in the first game and Cairns, Left and Sampson blinked the light in the 3rd game. Former Calgary Stamper, smoothie Doug Cairns, was on hand to see his old team off.

The bustling Strathmore center showed superiority in all department and in Tuesday night's action held the Calgary kids hanging on the ropes at the finish. Tryling valiantly for goals, Calgary tried to help producers.

FUA Probes Family Farm Agreements

About 40 members were present at the regular monthly meeting of the Strathmore Local FUA on 1025 March 1. Mr. Leonard Hiltun, local president, reported the FUA Co-op Local has been formed and is now in operation.

A lively discussion on Father and Son agreements, led by Mitchell Garriot and Ken Walker, held the Council, now supported entirely by annual fees paid by member associations, will carry on in all those fields offering service to the livestock industry.

time left itself behind the elect ball by allowing Strathmore players to pick the puck up at the regular for a clean breakaway. The Calgarys had little chance on goal goals.
Strathmore showed to be a better skilful club and had the ability to pick the puck from between and better than Calgary. The Strathmore is the second series win for the Strathmore, which sidelined Oklahoma City in the Strathmore-Red Deer series will tangle with the southern champion in the Alberta semi-final.

Don McKinnon Again Heads Beef Group

D. J. McKinnon of Carleton Place, reflected president of the Council of Canadian Beef Producers (Western Section) and Leslie Cameron, Akerott, B. C. was named vice-president at the annual meeting held recently in Calgary.
Representatives from the various cattlemen's organizations across the West learned with regret the Federation of Agriculture had decided against active endorsement but had turned the question of support over to its Livestock Co-Operative Associations across the country.

This decision was seen as imposing negotiations and delays and reluctantly, the Council accepted the necessity of abandoning hope for an early implementation of its promotion program designed to help producers.

While the plan to embark upon an expanded program of product promotion on behalf of beef and other meats seems to be blocked for the present, at least, representatives at the annual meeting expressed determination that the Council, now supported entirely by annual fees paid by member associations, will carry on in all those fields offering service to the livestock industry.

Strathmore Library Elects Officers

The annual meeting of the Strathmore and District Association Library was held in the Library room of the Samuel Crowther School Feb. 23rd with seven persons present. The president Mr. V. Hansen was in the chair.

The Librarian, Mrs. Hanson reported a very good year for the library. For the first time in three years we received the maximum grant of \$300 from the Govt. Donations from the various Associations.

Caught In The News Net

Miss Hilda Kline was unfortunately included in the list of passing their tests at the Toronto Royal Conservatory of Music, which ran in last week's paper. She gained first class honors in Grade IV Counterpoint and History. Viola Bartlett and Melvin Hiltun, down from Olds last Sunday to visit their parents.

Sunday dinner guests at the home of Mr. and Mrs. Harold Thies were Mr. and Mrs. L. P. Schumacher of Drumheller, Mrs. Gladys Pickle of Calgary and Melvin Hiltun.
Mrs. Bob Hansen and daughter have returned home after visiting the former's brother in Regina and parents at Wapora.

Garagemen Join Provincial Group

The Strathmore Zone of the Alberta Garagemen's Association was formed at an enthusiastic meeting in the Memorial Hall last Friday evening. Jim Stewart of Huszar was named chairman with Stan Humphreys of Chancellor being elected secretary. M. F. Sihal of Edmonton was presidential president while L. J. Morin also of Edmonton is provincial secretary.

This zone includes garage operators from Strathmore, Forestburg Langdon, Canby, Glenora, Chum, Hanna, Chancellor, Standard, Rosebud, Rockyford, Irricana and Koompa. A meeting will be held in Strathmore in a few weeks for their organization.

One of the aims of the association is to establish standard prices for garage work and attempt to eliminate price cutting. The provincial organization feels good about new ethics should be the watch word of garage operators and prevent the current trend in which one garage out of ten is going bankrupt.

amounted to \$190.
The Garco Inspector was here in Feb. and was very satisfied with the library.
Approximately 100 families have been visited and over the last five months an average of over 300 books have been taken out.
The following slate of officers was elected for 1955: President, Hanson; vice, Mrs. Wilhelmina Englab; treasurer, Mrs. Phyllis Ray.
We were disappointed that there was not a better representation from the various societies associated with the library.

Fire Breaks Out At Les Tiede's Farm

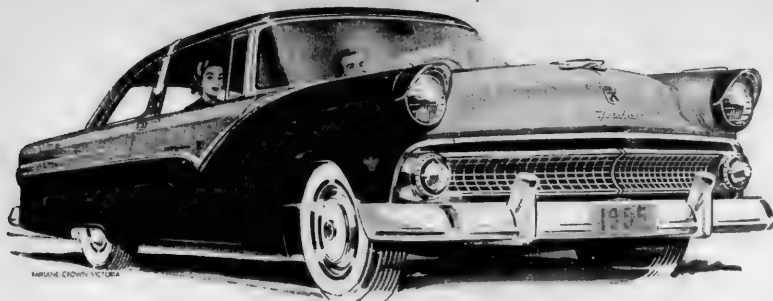

A fire, believed caused by faulty wiring, last Saturday morning destroyed the pump house at Mr. Les Tiede's farm, 11 miles East of Strathmore. Neighbors turned out to lend assistance but were unable to save anything. Among the articles destroyed was a new bicycle, a saddle, 150 pounds of green seed, a quantity of insulated wire, house stove and miscellaneous tools.

Mrs. M. Holman spent a few days visiting her parents in Lethbridge last week.

Mrs. T. R. McConnell of Portland is visiting at the home of Mrs. Fred Hiltun and family for a few days and also is visiting her parents Mr. and Mrs. Mark Lounsbury and other relatives.

Mrs. Mark Lounsbury returned home from the hospital Monday and is showing improvement.

Mr. John Bracco, former teacher in Strathmore, was recently elected by acclamation to the presidency of the Students Union of the University of Alberta. He is in his second year of law.

Believe Emotions Cause of Cancer

A startling new approach to the causes of cancer and its spread is reported in Maclean's. Assistant editor Sidney Katz reports that investigation indicates that worry, fear and disappointment may have a major effect on the progress of the dread disease.

Scientific observation of the emotional reactions of cancer victims, Katz says, has led researchers to speculate that there is some connection between the disease and the personality of the sufferers. The theory has been tested in clinics and hospitals with "rather surprising" results.

From the tests a new concept of cancer has arisen that the individual is not helpless when cancer cells attack him and that cancer should be viewed as a struggle between the malignant cells and the human body.

Katz quotes Dr. Phillip West, a University of California professor who comments: "We are confronted with the possibility that all of us may have had or will have some form of cancer but because of the best natural control of this pro-

cess, we will never know it." In a scientific investigation of 55 war veteran cancer sufferers, the article reveals, it was found that while one group responded well to treatment and malignant growth was slow the other group apparently received no help from therapy and cancer growth was rapid.

The fast group consisted of individuals who were painful, sensitive, overactive, apologetic and over-anxious to please. Members of the slow group were demonstrative, bold, unemotional and busy. This ability to express or work off feelings seemed to distinguish the two.

However, in spite of the results of experiments to date, "medical authorities agree that the link between the emotions and cancer should be viewed as a struggle between the malignant cells and the human body."

Katz quotes Dr. Phillip West, a University of California professor who comments: "We are confronted with the possibility that all of us may have had or will have some form of cancer but because of the best natural control of this pro-

Junior Red Cross

A total of 5932 Junior Red Cross members, of which 7,012 were

Thursday, March 3, 1955 — THE STRATHMORE STANDARD — 5

High School students, were enrolled in 2336 Branches in Alberta Divisions up to June, 1954, said Dr. M. R. Bow, chairman, when he addressed the 40th annual meeting of the division held March 3 and 4 in Lethbridge.

Active as they have been for many years, these Juniors purchased first-aid kits, sanitary water containers, paper cups and wash supplies and promoted hot lunch programs in their schools.

The filled hampers for needy families, entertained sick and aged, helped families suffering fire losses, made hospital holiday favors, gathered coupons, supplied toys filled health kits, furnished school supplies for children in devastated areas, knitted afghans and sewed children's and babies' clothing. Thus they followed the Junior Red Cross program of health, citizenship and community service.

During the year the Juniors assisted the Alberta Red Cross Crippled Children's Hospital with funds in addition to gifts on hand.

Alberta Juniors again took the lead in correspondence album exchange by sending out 54 albums to other countries in exchange for

150. Close to 100 pictures, submitted by these students, were sent to the National Office for the international art exchange. Eight cases of clothing, health kits and school supplies were sent to Pakistan and Indonesia. One of the biggest projects during the year was first-aid training. Training was held during June with 45 delegates attending.

ALBERTA HONORS HER PIONEERS with Senior Citizen Scrolls

For their contribution to Alberta's Fifty Golden Years, all pioneers who were in the Province at the time of its establishment in 1905 or before, will be presented with Senior Citizen Scrolls, up on application. Scrolls on the delicately engraved border of the scroll will depict history motifs of the province, and the script will identify the recipient as a Senior Citizen. The name will be hand written on each scroll by an artist.

WHO MAY APPLY:

All persons who have been in residence in the province since the year 1905 or prior, may apply for a Senior Citizen Scroll. A short period of absence does not disqualify you.

HOW TO APPLY:

Applications must be made for scrolls. Forms will be available soon at Municipal Offices in each district or from the Jubilee Committee. Completed application form, a fee to be sent to the Committee (address below).

CLOSING DATE for APPLICATIONS — August 1st, 1956

To enable the Jubilee Committee to prepare and distribute the scrolls, your co-operation is requested. Completed applications must be received by August 1, in order that distribution may begin by August 22.

DISTRIBUTION OF SCROLLS

The majority of scrolls will be mailed from the Jubilee office to the applicant, but communities wishing to be responsible for distribution at special presentation ceremonies, even prior to August 22, are requested to prepare a list of eligible citizens and ensure that application forms are submitted well in advance of the date scrolls are required.

SENIOR CITIZEN'S DAY

A Senior Citizen's Day has been added to the agenda of official dates for the Jubilee Year. September 19th has been set, though communities throughout the province will be holding special Senior Citizen Scroll presentations to coincide with their own Jubilee activities.

HONORING OUR PIONEERS

They, who homesteaded in Alberta at the turn of the century, or who pioneered in industry, they, who saw the birth of a great province and contributed to 50 years of progress—it is they who are worthy of a special and personal recommendation by the rest of us—their relatives, friends and neighbors. Whatever the date, wherever the presentation of a Senior Citizen Scroll—in a home or at a public gathering, join in our Golden Jubilee Celebrations by adding your personal congratulations.

Let's take a peek at my WAGES

Next time you get the bill for my SERVICE, think of yourself as an employer and of me as your hired hand working long hours for low wages. Then compare what you slip in my pay envelope with the cost of everything else you buy today.

Not bad, huh? For example: In 1930 my average wage (price of 1 kilowatt hour of electric service) was 25¢ an hour — TODAY it is only about 3¢ an hour!

Now, here's a record I'm proud of — especially when you consider that my pay is not just for lighting — it's not a LIGHT bill, as some folks call it — I do scores of chores. Yep, electric service is the only thing there's cheaper than ever!

Legion Hopes to Make \$1,000 For Polio Fund

More than \$1000 has been turned in to the Provincial Command by the Strathmore Legion, according to campaign chairman Jack Leard. Mr. Leard says he hopes to attain the \$1,000 mark before the Polio campaign is officially closed. Last year more than \$1000 was raised by Strathmore and district for the fund.

Mrs. L. A. Preston of Regina, spent several days visiting "home" near Mrs. John Kelly.

Mr. and Mrs. Bert Croston are rejoicing over the arrival of another son, born in Holy Cross hospital, Calgary, March 7th.

The regular meeting of the Cluny W. I. was held in the club room on March 7th. Mrs. Croston was hostess. In spite of a very stormy night 13 members were present to hear Mrs. R. Croston give an excellent talk on the present day visit of Superintendant to the school compared to the inspection visit of 25 years ago. Mrs. D. Croston reported on the annual cancer society meeting held in Cal-

gary recently. Mrs. Patterson won the birthday raffle donated by Mrs. Croston.

Mrs. John Kelly was in charge of entertainment. Several packages were unopened but to be named by the secret. Mrs. W. James was the prize.

A delicious lunch was served by Mrs. C. Corbell and Mrs. R. Croston.

The staff of the Bow Valley high school entertained Mr. Leard and Mr. Scalfie at a dinner party Friday evening and presented them each with an alligator for their care.

To young men of 16 years of age, the Soldier Apprenticeship Training Plan offers most valuable training and career opportunities. It provides formal schooling, military training, trades apprenticeship and an opportunity to become a leader. Soldier Apprentices receive half pay of a private

soldier recruit while 16 and on their 17th birthday they draw full pay. To many young men from coast-to-coast, Soldier Apprenticeship has proved a wonderful experience and the starting point for excellent careers. In the words of a young Soldier Apprentice: "The Soldier Apprenticeship is a once in a lifetime opportunity."

Farm's Educates — Civilian teachers are used for academic training in such subjects as Chemistry, Physics, Mathematics, English.

Trades — Besides getting a grounding in all ways of the Army, they are given the opportunity to learn one of 11 different trades.

Sports — It isn't all work... there's plenty of recreation... bowling, swimming, basketball, soccer, hockey, depending on the season.

SEAGRAM'S PAINTINGS

TO SHOW AT CALGARY

The world-famous Seagram Collection of Cities of Canada paintings will reach Calgary this week and will be opened for public inspection Wednesday, March 16. The collection, consisting of 25 oil paintings and 10 sketches of 25 Canadian cities, will be set up in the Palliser Hotel. It will remain in Calgary on display until March 17th.

A handsome painting of Calgary which is a feature of the collection is the work of A. C. Leighton, R. A.

The paintings were commissioned and sent travelling abroad through Canada in the past two years by the House of Seagram. Object was to give foreign people a better concept of Canadian life. The fourteen gallery, complete with aluminum and wood supports, expensive, velvet ropes and diffused lighting, is travelling in 50 parking cases. Throughout most of its tour of Central and South America, and Europe, it travelled by air.

Public Health in Alberta

From 1905 to 1918 Public Health was a branch of the Department of Agriculture. It was then transferred to the Department of the Provincial Secretary, and later that same year was again transferred to the Department of Municipal Affairs. Finally in 1918 the Department of Health was created and given responsibility for administering all legislative provisions relating to the health of the province.

The Department of Public Health now consists of fifteen divisions, each responsible for its own special field. The divisions and their functions are as follows:

1. Public Health Education. This division encourages better health habits among the people by means of literature, lectures, radio programs, motion pictures and film strips.

2. Communicable Diseases. The purpose of this division is to record the incidence of communicable diseases within the Province and to advise and assist local health authorities on the most effective methods of prevention and control.

3. Entomology. This division was established in 1914 for the control of insect-borne diseases. It makes surveys of spotted fever, plague, typhus and malarial organisms.

4. Hospital and Medical Services. Responsibilities of this branch include payments of hospital grants, supervision of hospitals, payment of maternity hospitalization, hospitalization of various pensioners, mothers allowance recipients and the dependent in this group. Training of nursing aides is also supervised by the division as well as the organization and general supervision of municipal hospitals. This division also supervises the hospital insurance program of the province which is sometimes called the "dollar day" program.

5. Provincial Laboratories. Well equipped laboratories are maintained at Edmonton and Calgary. Services are available to all doctors, hospitals and boards of health in the Province. Serum and vaccines are distributed from these centres and various examinations and analyses are conducted for the de-

tection and control of disease.

6. Mental Health. Mental hospitals under the direction of this division provide scientific medical and nursing care for the mentally ill. Guidance clinics help to solve behavioral and emotional problems in both children and adults and prevent mental ill health.

7. Social Hygiene. By the operation of clinics and by means of lectures, this division seeks to cure and control venereal diseases.

8. Tuberculosis Division. This division provides diagnostic and treatment service for all tuberculous cases. Health officers in Calgary and other municipalities survey the entire population of the Province. Modern sanatoria are maintained near Calgary and Edmonton.

9. Cancer. Three diagnostic clinics are maintained to which suspected cancer sufferers are referred by their family physicians. Dr. Cobalt "bomb" is provided at government expense.

10. General Policy. Since 1950 diagnosis and treatment clinics have been provided to sufferers at government expense.

11. Rheumatoid Arthritis Clinics. Services rendered here include 30 days free hospitalization, treatment of arthritis up to 27 years of age.

12. Sanitary Engineering Division protects public health by supervision of water supply and sewage disposal systems. Hotels, restaurants, slaughter houses and dairies are inspected in those parts of the province not provided with this service by their local health departments.

13. Nutrition. This division, formed in 1947, conducts educational work for better eating habits and more nourishing diets.

14. Vital Statistics Division records all births, marriages and deaths.

15. Public Health Nursing Division organizes the health program of rural communities. Prevention of disease is the keynote with special emphasis being placed on prenatal and post-natal care, immunization and school health supervision.

16. Provincial Laboratories. Well equipped laboratories are maintained at Edmonton and Calgary. Services are available to all doctors, hospitals and boards of health in the Province. Serum and vaccines are distributed from these centres and various examinations and analyses are conducted for the de-

tection and control of disease.

17. Mental Health. Mental hospitals under the direction of this division provide scientific medical and nursing care for the mentally ill. Guidance clinics help to solve behavioral and emotional problems in both children and adults and prevent mental ill health.

18. Social Hygiene. By the operation of clinics and by means of lectures, this division seeks to cure and control venereal diseases.

At an attractive lace covered table centred with red and white carnations, complimenting Mrs. Annie Quick and Mrs. Maxine Bird who have left this district and are now residing in Calgary. Mrs. Jay Quick on behalf of the club, presented them each with an engraved sterling teaspoon with best wishes for their happiness in their new home. She told them how an asset in the neighborhood and that we hoped they would come to our meeting very often. Both Mrs. Quick and Mrs. Bird thanked the members for the gifts and good wishes of Strathmore.

A CANADIAN CITY HAS BEEN
Wiped out...

During the past 20 years, automobile accidents have taken the lives of 37,000 Canadians - the entire population of a fair-sized city. A half-million more have been injured.

To meet the staggering cost of traffic accidents, the automobile insurance business this year will pay out more than \$80,000,000. Beyond this, insurance companies will do everything possible to stem the rising toll of automobile accidents - by offering the safe driving incentive of lower insurance premiums for accident-free car owners and through safety work and public education aimed at making drivers more aware of the perils of modern-day motoring.

'55 PLYMOUTH

Brings you fresh, new, high style with The Forward Look

Longest, lowest, smartest ever... with new Motion-Design styling... today's best value!

Wherever you go, you see more and more new '55 Plymouths! Wherever you cruise by, you notice people glance admiringly at its impressive new length and brilliant new beauty! Already it has influenced the entire industry's style.

Modern as tomorrow! Everyone likes the look of action in each rakish angle. The sleek new Plymouth is so long and low—more than ten inches longer this year and barely five feet from roof to road.

A dream to drive! Motorists everywhere are applauding the increased visibility you get through the big New Horizon swept-back windshield. It's the first true wrap-around with posts that slant back to give you a glass area at top, as well as at bottom. For road-hugging stability, Plymouth for '55 is actually wider than it is high—front tires are spaced wider apart, rear springs are wider, too.

Leveler power! You'll hear many comments on the added horsepower provided this year in the new high-performance PowerFlow Six engine of the Plaza Club Sedan shown above. Plymouth also has new V-8 models for finishing performance.

Yet, with all its beauty, bigness, and extra-quality features, Plymouth is priced with the lowest! Look it over... check its value... and you'll see why the big new is to Plymouth this year!

Thriftest in the long run!

New carburetion in the thrifty Plymouth PowerFlow Six engine makes your fuel last longer... ensures more power under all driving conditions. Rugged construction means long engine life and low maintenance costs, too. Under the Plymouth beauty, you will find solid value.

Manufactured in Canada by Chrysler Corporation of Canada, Limited

CHANCELLOR NEWS

By Mrs. J. M. W.

Mr. and Mrs. F. Moore spent the

FAMOUS MUSEUM

New York's world-famous Museum of Modern Art, for the first time in its history, has selected a camera for its Good Design Exhibit.

The camera so honored is the exciting new Anasoflex, the two-tone grey and silver reflex model first announced to the public last

year.

The Anasoflex is the only camera ever to be selected and the only one that will be displayed.

In choosing the Anasoflex as one of the year's best designed products, judges took into account not only its physical appearance, but its operating features, construction and price appeal.

In less than a year the Anasoflex has received many awards and honors, greater public acceptance and more enthusiastic press notice than any other.

weekend at Crowfield. Mr. and Mrs. MacPherson and Glenda were Sunday visitors of Mr. and Mrs. Matt Fraser of Hinton.

Lytle Christensen entertained his school chums at a birthday party Thursday.

C. B. Christensen, Bill Kapanich, R. Hyatt and Chris Schultz went to the Drumheller hospital.

Chancellor had his hospital week on and off all last week on account of the weather. It is hoped to finish it sometime this week.

Mrs. Heidi Pedersen of Calgary was visiting Gordon and Wendy and their families this week.

Mr. and Mrs. Ed Johnson spent the weekend with Mr. and Mrs. D. Harrold at Woodhouse.

Charles Christensen was the television set at Standard Bldg and donated it to the Junior Red Cross Crippled Children's hospital.

Mrs. Lee Ferguson spent a few days at Turner Valley visiting relatives.

Mr. and Mrs. Tom Chamberlain, of Ardmore, Mr. and Mrs. N. H. Nelson and Mr. and Mrs. J. H. Hargrave of Strathmore were dinner guests of Mr. and Mrs. J. M. Westley Thursday. The party was to

honor of Mr. Nelson who is going to Denmark for a short visit to his mother.

Mrs. C. B. Christensen's rink was first prize at the Hinton bonspiel on Sunday.

Unemployment Woes

The January unemployment fig-

ure, disappointing as they are, em-

phasize some facts which are far

more important than cries of cal-

amity, observes The F. ucial Post.

They show that, for all the talk

and effort, we have not yet made

any appreciable dent on the per-

sonal seasonal increase. The in-

crease in jobs from Dec. to Jan.

is exactly in proportion to what it

was last year. It's no worse and

no better.

It Pays To Advertise

Over the season as a whole -

from Sept. to Jan., the increase in

actually a little less proportion-

ately than last year. But we start-

ed the fall and winter with more

unemployed than a year ago, and

the usual seasonal increase piled

on a higher base has produced a

January total higher than before.

Calgary Handicraft display were chosen. The hostess served a delicious lunch to all present, bringing a very interesting afternoon to a close.

On Monday afternoon Mr. Cristofel of Calgary showed three hand-drawn films. The Quebec and Danforth School of Arts films were especially appreciated by all present. The local Guild hopes to secure a number of other new hand-drawn films that will be available in the near future.

Mr. Percy Miller who has been a patient in a Calgary hospital with pneumonia has returned home. We hope he will soon be completely recovered.

The Bow Valley (which club held their March meeting last Friday with 13 members and several visitors present. The club decided to hold debates for the members to gain experience in public speaking. The April 7th meeting is to be held at the Bunting home.

The Dalemead FWUA and Co-Op held their March meeting at the Dalemead home last Wednesday evening. Both organizations held brief business meetings before Mr. McCall, Provincial Horticulturist, guest speaker, addressed both organizations. Later Mr. McCall and Mr. C. Gifford showed slides on horticulture work. These were very interesting as a great many were of home and places that all knew. A question and answer period followed which was carried over into the luncheon period.

Mrs. Rudolph and Mrs. Lee attended the PTA club district rally at Strathmore last Wednesday. They report spending an interesting day.

Mrs. L. Poling left last Wednesday for Edmonton to spend a few days with friends. The Community Club met recently at the Jack Stewart home. Mrs. Roy Wheeler gave a demonstration on making an easy Christmas cake. It was baked during the meeting then served to all present. The club has purchased material for the ball window, curtains and all are working on articles for the fall bazaar.

Mr. and Mrs. Russell Coomer entertained 21 guests at a turkey dinner last Sunday. The occasion was the 44th wedding anniversary of Mrs. Coomer's father, Mr. and Mrs. Hatt and Mr. Coomer's sister, Mr. and Mrs. Owen McEwan. The district extends their congratulations.

Mr. and Mrs. P. Pedersen have returned from a month's visit in California. Mr. and Mrs. E. Winkler entertained last Saturday with a turkey supper for the Ralph Coomer family in honor of their success at the Strathmore bazaar.

RAFAEL MENDEZ FEATURED BY CALGARY CONCERT BAND April 4 the Calgary Concert Band will present a concert in the Strathmore Cornet featuring Rafael Mendez and his twin sons from Hollywood.

The Concert Band, a group of 21 Calgary musicians under the direction of Mr. Norman Halling, presented a successful concert last fall with Mr. Mendez as featured trumpet soloist. This year he will be supplemented by his 15-year-old twin sons, who also are accomplished trumpet players.

Fire Guts Another Strathmore Garage

A fire of unknown origin, which broke out around 6:30 a. m. last Saturday morning, resulted in several thousand dollars damage being done to the building and tools at Modern Motor Service. It was the third garage fire in Strathmore in the past few months. A couple of weeks ago a truck caught fire in the third garage fire, with little damage being done while last fall a severe damage was done at a fire in the early morning at Strathmore Motor and Service.

Once again the Strathmore Fire Brigade showed efficiency and fast time in answering the call and controlling the flames, preventing the fire to spread to Mrs. Annie Weyers' home, located only a few feet away. Origin of the fire was unknown and employees of the garage were not sure whether the blaze started from the furnace or from faulty wiring.

Harvest part of the fire was contained in a small workshop in the garage where majority of the expensive tools were stored. Several foot tools were ruined, a valve grinding machine was lost and much expensive testing equipment merely melted down and completely ruined. The large plate glass windows in the front of the building were cracked and the smoke damage was extensive throughout the building.

It is believed renovations will start soon and the garage will continue to operate.

HIGHWAY CONSTRUCTION IN ALBERTA

Alberta's first four-lane super highway is now under construction. Located between Crossfield and Bowden, the 29 mile stretch will consist of four 19-foot lanes, two asphalt bound shoulders and a 20-foot centre strip dividing the two lanes of traffic. The new highway will rank with the finest ever built in Canada.

All main highways in Alberta are being built on a four-year schedule. The first year solves the problem of location, purchase of right-of-way, design and the building of the highway. Drainage is of major importance and this is given close attention when

the fourth year of the schedule followed by Alberta brings the application of the seal coat. This consists of a light layer of asphalt and rock chips rolled into the surface to give it greater durability and traction. When these are marked with additional guide posts and markers erected, the new highway is completed.

Alberta now has more than 1,000 miles of hard-surfaced highways, approximately 20,000 miles of gravel, main and secondary highways and district roads, and more than 30,000 miles of graded roads which are still to be constructed. Engineering skill and knowledge behind the construction and maintenance of this vast system are the most important factors in safety and maintenance and are built into every mile of road and the search for better methods never ends.

surface gravel, again carefully selected, is applied. The new highway is then put into use over winter. The second year of the schedule

calls for repaving any failures that might have been caused by frost action or traffic. After this, a stabilized base course of screened gravel is spread to a depth of five or more inches. Two more layers of crushed gravel come next, each heavily compacted. The last layer, consisting of asphalt-bound crushed rock, being the total thickness of the base course is nine inches or more.

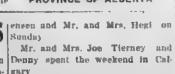

At the beginning of the third year, any further weaknesses are corrected with a coat of asphalt applied. After this comes the hot plant mix of asphalt and sand. A coat of about one inch, three to four inches in thickness, hot to touch and smooth is rolled into place to place at the rate of one or two miles per day. A few hours after the new surface has been laid, it is ready for traffic.

Mr. W. E. Ross, Director of Public Relations and Advertising, Calgary Power Ltd., Calgary, was elected President of the Electric Service League of Alberta at the annual directors' meeting.

Mr. Ross who has been associated with Calgary Power for the past 22 years was former Manager of the Prairie Power Company in Regina, and also General Superintendent of the Newfoundland Light & Power Company at St. John's, Newfoundland. He has had considerable experience in all phases of the electric utility business.

Mr. Ross stated that the Electric Service League of Alberta was formed in the interests of the general public. The aims and objectives of the League are to promote adequate wiring in homes and commercial establishments. Bill will be remembered by many residents of Strathmore, having been Construction Foreman for some

Taming Lions is no trick...

compared to speeding when it's slick!

We'll bet even a lion-tamer wouldn't consider speeding over slippery roads. Because if he did, his chances of living long enough to do any more lion-taming wouldn't be so good. Just like your chances of doing any more whatever you like to do wouldn't be so good. It's a thought to consider, huh, with Winter all around us.

arrangement being left to a committee. The Provincial convention of the Home and School is to be held at Banff in April and it is hoped the local organization will be represented.

Guest speaker for the evening was Mr. Hollman, Superintendent of Schools. Mr. Hollman chose as his theme "Education is Every-day's Business". This was very informative and interesting to us as he explained the proposed building program as other items in the new division of our school unit. Following his address a discussion followed, and Mr. Hollman and Mr. Howard answered the questions which arose. A nominating committee was appointed as the April meeting is election of officers for the next year. This will also be a first anniversary party for the Standard Home & School Association. Mr. Hollman extended congratulations to the members for such an active and progressive year. Coffin was served which included the evening.

Mr. and Mrs. Larsen of Calgary, old timers of this district are now staying at the home of Mrs. W. and Mrs. Chris Rasmussen.

Mr. Stanley Melson who has been in Minneapolis since Christmas arrived home Saturday. He attended the University there.

Mrs. Chet Nelson, Jimmy and Don of Vanderhoof, B. C. are visiting at the home of Mr. and Mrs. Bert Milbak.

Mr. and Mrs. Paul Pierrard are receiving congratulations on the arrival of a baby daughter.

Mr. Thorvald Nielsen has gone to Lethbridge to visit with his daughter Mrs. Jack Dick and her family.

Mr. Vernon Larsen, Beryl Larsen, Kermit Hansen, Gordon Rasmussen, Lloyd Ricard and Bill Westergaard, all members of the Home and School Assoc., motored to the southern part of the province on a tour of inspection of the new schools which have been built there. Plans are being drawn up for a new school for this district and it was hoped to gain further information on satisfactory types of school buildings.

Mrs. Jim Smith is at present a patient at the General Hospital. We wish her a speedy recovery.

A community shower was held March 13 in honor of Miss Lois Marshall whose marriage to Mr. Carl Hansen will take place April 2nd. Mrs. Odo Rasmussen acted very capably as mistress of cere-

monies and Mrs. Harry Christensen gave the tribute to the bride. A program of music and readings was much enjoyed after which the committee served a lovely lunch. The bride-to-be received some very lovely gifts and a shower of good wishes from her many friends.

The March meeting of the Standard Union Ladies Aid was held on the 18th at the home of Mrs. H. Nelson with Annie Hoffmeyer as co-ordinator. There were 12 members present. Material to be made into aprons was distributed among the members in preparation for the

Plant and Apron sale which is held in May. Roll call was answered with a verse about Ireland. Mrs. Extra Pick read an Irish Legend which was enjoyed by all. Coffee and a social hour followed.

A bridge party for Mr. and Mrs. Thomas Tilt on Sunday was attended by their friends. From far and near, 126 bride and groom received many lovely gifts and the good wishes of everyone. A lovely supper was served to the guests.

Tips on Touring

By Carol Lane
Women's Travel Authority

Next to my home, your automobile probably represents the largest single investment of your family and like any important investment, it should be protected.

If you have a garage never leave the car out overnight. Over a period of years a shedded car will show far less wear and tear than one constantly exposed to the weather. Treat your engine with respect. Always let the engine warm up a minute or two before driving off; always start in low gear, not in second; when the engine is labored on steep grades, shift to second; keep an eye on the dashboard instruments to avoid trouble.

Be sensible about speed. Excessive speed is hard on your car, especially if it is old. At 60 miles an hour you get far less gasoline mileage than at a more reasonable 40 miles per hour.

The majority of accidents from distant drivers to total wrecks could have been avoided. Obey every traffic regulation and make it a standing rule to give the other fellow the right of way.

Some service stations offer thorough checkup jobs, free, when you lubricate your car every 1000 miles. Take advantage of this service because a minor repair or adjustment may prevent an accident or heavy repair bills later. These simple rules will more than double the dividends on your car investment.

Berry-Vale W.I.
The Berry-Vale W. I. met at the home of Mrs. C. Way on March 17 with seven members and one visitor or present.

The president, Mrs. Taylor opened the meeting by welcoming visitors and members. O' Canada was sung and creed repeated. The roll call, something Irish was well responded to.

Minutes of previous meeting were read and approved. Correspondence read. Treasurer's report given.

A letter was received from Mr. Alan Meunier stating he was too busy at the season to come down and give us a talk on gardening so the secretary was instructed to contact Mr. Hargraves at Brooks, requesting him to come to a meeting here to show slides and give a talk on vegetable gardens and flowers.

The shipment of four sacks was received and distributed. Mrs. O. Stewart gave a splendid account of the district conference in Lethbridge, to which she was a delegate.

A lengthy discussion on Women's Rights, followed and it will be further discussed at a later meeting. Mrs. Taylor sponsored a contest which was won by Mrs. C. Way. Baking was sent to a shubin in

THIS PEDAL does more than just feed gas to a tender and high-powered V8 engine. When you give it the extra nudge that moves it beyond the full throttle position, something happens that never happened before in an automobile.

You hear a businesslike purr, which tells you that twenty power vanes, deep inside the 1955 Dynaford Drive, have changed their pitch—just like the variable pitch propellers on a modern airplane.

And with the same result in the way you get-up-and-go, with a safety-surge of power for pulling out of a tight spot on the highway.

Words can't describe it. It's a new sensation—something you simply must try for yourself. There's nothing like it on the 1955 new-car horizon.

Fact is, there's a lot to see at your Buick dealer's. There's fresh new styling. There's higher horsepower in every Buick V8 engine. There's a new Airpower carburetor. And there's good old-fashioned

BOARD OF THANKS

Mr. and Mrs. C. G. Christensen of Carleton place to thank their many friends and relatives for making their Golden Anniversary such a delightful evening.

We would like to thank our many friends for the cards of sympathy and floral tributes. Also for the many other kindnesses shown to us during our late bereavement.

I would like to thank the many people who helped out on the fire at the garage last Saturday morning and special thanks to Mr. Harold Thew for putting in the alarm.

We wish to thank our many friends and neighbors, especially Rev. Pevan of Strathmore, for the many acts of kindness, letters of sympathy and floral tributes received during our recent and bereavement.

The Clark Family.

We would like to thank our friends, neighbors and relatives who so kindly offered their help, also for all the beautiful flowers and cards we received from them during our bereavement.

Jack and Wanda Coldwell

IN MEMORIAM

In loving memory of Bob Groves who passed away March 22, 1953. We often think of the days gone by when we were all together. A shadow over our lives has cast. Our loved one gone forever. Remembered by wife and family.

Hall last Thursday evening and more than 110 people were on hand for the colorful affair. After a delicious turkey supper served by the Ladies Auxiliary, President L. Tyde noted as master of ceremonies, and gave the welcome to the guests. Mr. Lay Wheeler gave the toast to the ladies while Mrs. Bill Morgan supported actively replied on behalf of the fairer sex. George Hinton led a sing song and a musical program followed. Mrs. B. M. Pritchard read two songs followed by a couple of solos by Mrs. Mary Mercer, one an Irish song for St. Patrick's Day. Mr. Ed. Hamilton entertained with a violin solo which was enjoyed. In John O'Brien then took over and had several humorous skits. George Hinton won a diaper for being the first to drink an eight ounce connection of milk and vinegar from a baby bottle, complete with nipple. A visitor from Burnaby was awarded a rolling pin for

Following the program tables were cleared and a dance enjoyed. Visitors were present from Neema, Dewdney, Mill, Queston and Clark.

Legion Auxiliary

The March meeting of the Ladies Auxiliary to the Strathmore Branch Canadian Legion was held on the 18th with 24 members present.

The late vice president Mrs. Wm. Woodliffe presided and the meeting opened with O'Connell's the "Ladies' prayer and one salute" given for departed members.

Mrs. B. Gould was initiated and welcomed as a new member in the usual manner.

Minutes of previous meeting and executive meeting read and approved. Correspondence read.

Treasurer's report given and approved. Reports were given by Mrs. M. May for sick committee, Mrs. W. Shook for entertainment com-

Strathmore And Bow Valley Standard

The Strathmore Standard, established in 1906 is a member of the Canadian Weekly Newspaper Association and is published every Thursday at the Standard Office, Strathmore, by the Standard Newspaper and Printing Co., Ltd., 1000-10th Avenue, N.E., Calgary, Alberta. Member of the Audit Bureau of Circulation. Authorized at second class mail. Post Office Department, Ottawa, Canada.

WELCOME READERS

The management of the Strathmore Standard wishes to take this opportunity to welcome its readers. It is a pleasure to have new readers who have been added to our subscription list by the contract recently signed with the new newspaper district of Strathmore. No. 44. Many of the ratepayers have been receiving the paper in the past but many are new-comers to our weekly family.

For the new districts we hope the various organizations in your community will do their best to help us in our efforts. We could easily fill the paper with many farming news that comes to our ears but we would rather publish news of home news and the happenings of various clubs and organizations. We hope all our readers will take as much interest in the paper as we do in printing and distributing it.

NOT THEIR RESPONSIBILITY

We are anxious that the many law suits now being brought against the paper at a lot of time lambasting the paper for the employment news situation.

of court. The columnist, Eric Nicol was criticizing capital punishment. A couple of weeks ago Alberta's Attorney General Lucas Maynard started legal proceedings for libel against the Edmonton Journal for remarks printed about him in that paper concerning the odorous Cheyenne Lake Jail. He had said: "Fact the sale of 600 acres of land at Cheyenne Lake would be worth more than even today's market value. The jail, did not use too much liberty."

Whether Mr. Maynard was libeled or not it appears the fact is not as free as it used to be. You can call a spade a spade but it may cost you a lot of money and if the cost of libel suits continues, it will not be long before newspapers will all back and bite their fingers rather than wear them down on a typewriter. Mind you that \$75,000 would look pretty nice, especially from such an esteemed firm as the Southern Company.

Dalemead Notes

BY MRS. Z. H.

Mrs. E. Newton was a patient in the Holy Cross hospital undergoing surgery. She is now home and we hope she will soon be fully recovered.

We are sorry Mr. Percy Miller had to return to the hospital last week for further treatment for 16 hours. We hope he will soon be home and have no further relapses. The community club met Wednesday at the Mayfield Miller home.

Mrs. Anderson of Calgary was a visitor last week at the L. Pelting home.

We are sorry to learn Mr. and Mrs. D. Beaman's baby son is in the hospital undergoing treatment for after effects of the flu. We hope the wee fellow will soon be OK at home.

Mrs. H. Chalmers and son Dennis have returned from a holiday in B. C. Dennis seems to be greatly improved by the rest.

Old Hauswirth has returned from Rochester, Minn., after undergoing minor surgery at the Mayo Clinic.

Fairplay Notes

Mr. and Mrs. Fred Dale attended a family reunion a week ago at the home of Mrs. Dale's brother at Ramsey. Mrs. Dale's mother and sister are visiting here from Dawson Creek.

Mr. and Mrs. Gordon Harberfield entertained a number of guests on Saturday evening. All enjoyed a lovely dinner and an evening of cards.

Mr. and Mrs. Dale Rhinow of Calgary were the guests of Mr. and Mrs. Alphonse over the weekend. They attended the hard time dance at Chaudhri along with several others from the district. All report a wonderful time.

Mr. and Mrs. Richard Love of Calgary were Sunday visitors at the R. Lane home.

Murray Peterson has been quite sick this week. We are glad to report he is much improved.

Mr. and Mrs. Bradley visited points north for several days last week.

Mr. and Mrs. Fred Dale and family were Sunday guests at the home of Mrs. Dale's daughter in Calgary.

Langdon Notes

Mrs. Ray Wilson and daughter Dorothy returned home recently after spending several months abroad. They reported a wonderful time with friends and relatives.

About 55 friends gathered at the Tanager home during Friday afternoon and evening to wish Mrs. Gibson and family the best of luck and happiness in their new home in Calgary. During the afternoon musical selections, Mr. Dick Smith ably assisted during the evening. The Gibson family were presented with a bedspread, tablecloth and a three tiered tray from their many friends. Mrs. Gibson was presented with a \$1 spoon and Andy with a \$1 spoon. A delicious array of refreshments were served by the ladies assisted by several of the ladies.

All wish Mr. Tom Chiffy a speedy recovery. He is at present in the General Hospital.

Little Orlan Crew is visiting her grandparents Mr. and Mrs. T. K. Hart.

We are pleased to report, J. J. Langdon is much improved after a sleep of tonics.

The Langdon Baptist Church was filled to capacity on Sunday morning for a typewriter. Mind you that \$75,000 would look pretty nice, especially from such an esteemed firm as the Southern Company.

program given by some of the Junior mission, head was very interesting; their supervisor Mrs. C. Hart (transit) was in charge; some of the girls put on a very nice play showing how they live in Japan.

Mrs. Thagge gave a comprehensive talk on the missionary work in Japan; and illustrated this by showing two films of the missionary work in Japan and mission field there.

The collection was for the mission work.

On Sunday Rev. Thagge tendered his resignation as pastor of Our Saviour's Community Lutheran Church, over which he has been pastor for five years. He has accepted a call back into the State of Minnesota, to be near to his mother, who resides in Hutchinson.

There will be a congregational business meeting on Friday, April 1st (transit) was in charge; some of the girls put on a very nice play showing how they live in Japan.

Picture of a man

improving his community

Whether he's working or playing, eating or sleeping, this man helps to develop Canadian communities in many important ways. How can he do that?
Simply by owning life insurance.
You see, every time he makes a payment on his policy, the money is invested for him in sound securities. And these securities, in turn, finance the building of many new homes, utilities, public works and industrial plants.
Even the security his family enjoys with life insurance also benefits the community. For if anything happens to him, his loved ones will not have to depend upon others for their support.
In all of these ways, millions of life insurance policyholders are helping to make Canada a better land to live in.

P.S. FROM YOUR LIFE INSURANCE MAN

"All these investments come interest that makes it possible for you and your family to enjoy the benefits of life insurance at such low cost. If you have any questions about how to make life insurance in your own special needs, give me a call. I'll be glad to help you!"

All eyes are focused on this week's new motive, the first of 120 built by Canada for India under the Colombo plan, which made its test run at Kingston, Ont. Dr. M. A. Hand, India's high commissioner to Canada, took delivery of the engine, which will be "knocked down" into four parts and shipped to India. The \$21,000,000 contract is part of India's five-year plan to modernize the country's transportation.

District Ag. Notes

FARMERS ENDORSE FIELD SHELTERBELTS
Questionnaires were sent to Prairie farmers with rows of trees in their fields, or field shelterbelts, and 212 replied. The average planting per farm was over two miles long. The most popular tree being Caragana, followed in order by Manitoba Maple, Ash, Poplar, Willow, Elm and Evergreen.

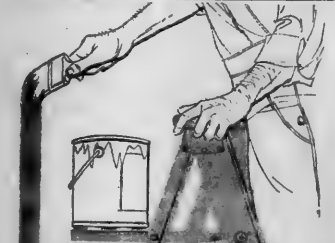

86 per cent of the farmers reported a decrease in wind erosion from the trees and 54 per cent, a decrease in water erosion. 52 per cent were quite sure that their crop returns were greater, especially those whose field shelterbelts were over two years old. Difficulties were damage by insects, 4.4 and tree insects. The survey indicated that out of the 212 farmers were very happy to plant the trees.

DIVIDENDS DOWN
March dividends payments, at the end of February, stood at \$41,535, 115, nearly \$14 millions less than payments made for the corresponding month last year, when the figure was \$55,300,000. The figure will be as big if not bigger than the 1954 total.

However, it appears reasonably certain from the numbers of issues so far declared, that when all dividends for the month are declared the figure will be as big if not bigger than the 1954 total.

Wheatland Meeting

Minutes of recessed meeting of Council of the Municipal District of Wheatland No. 49, held in Strathmore, Tuesday, March 29. Present: Reeve, Deputy Reeve, and all the Councillors.

Keer moved a one-half hour adjournment to be held on Thursday, March 31.

MacArthur moved that Harwood be empowered to put on a full road haul when necessary.

Cammett moved Exploration Consultants be given permission to conduct a Geophysical survey in this district.

Cammett moved a stencil be ordered cut in the name and address of this district for use on truck doors and other equipment.

Miller moved the Great Plains Investment Company of Canada Ltd., Calgary, be notified to finish construction work on its road job, s/d to Taylor Building in 27-30-4.

MacArthur moved we ask the Director of Water Resources, Edmonton, to have an inspection made of the silted water course in 22-21-4th.

Cammett moved the Farm Electric Services Ltd., Calgary, be notified to get permission from this district before undertaking the construction of any power lines in the future in this district.

Rehring moved that the proposed subdivision of the NW 28-27-50-4th be approved.

Cammett moved we take out a three year Pull Company's Mobile Equipment Fleet Policy at 75¢ per hundred through Tool, Peet & Company, Ltd., Calgary, effective this day. The Reeve and Councillors Treasurer shall prepare and forward to said firm bill of machinery with present values.

Miller moved application be made to the District Highways Board for a revision of District Highways in Township 24, Range 18, 4th, that that is cancelling the highways west of Sections 14 and 18, and South of Sections 19 to 23, and naming the roads South of Sections 15 to 18, and West of Section 15 in lieu thereof.

Cammett moved application be made for a permit to shoot muskrat damage earth fills west 6-26-30-4th and West 30 and 31-25-30-4.

Keer moved that we give approval to the granting of a lease to road allowance South 16-25-30-4th to Mr. P. Thiesen of Carleton Place.

Charbonneau moved this Council apply for a grant for the celebration of the Golden Jubilee of the Province of Alberta.

Joint meeting re: Division of Assets of the former M. D. of Strathmore No. 42. As arranged, the seven members of this Council, Mr. E. Biddle, Mr. Wray, Mr. Miller, Mr. Robinson and Garfield, of the M. D. of Calgary, No. 44, and Mr. Bruce Ramsay, Senior Municipal Inspector, Edmonton, met in this office and went into committee and discussed the division of assets of the former M. D. of Strathmore No. 42.

Each item was discussed, and a value placed thereon. It was mutually agreed by, and between the parties, that the \$1,000.00 Great Plains Agreement on the S. E. 31-26-24th would be settled by the M. D. of Calgary No. 44, building the two miles of road as provided

in said agreement at its own expense, and that each District, Calgary and Wheatland, would enjoy the privileges of crushing gravel at and hauling gravel from the said pit, with the distinct understanding that each district would accept separately to, and pay to the grantor, Dick Dingwall, a royalty of two and one half cents for each cubic yard of gravel taken from said pit.

The settlement worked out by Mr. Ramsay was \$18,486.78 in favour of the M. D. of Calgary No. 46.

This settlement was further discussed. Finally it was pointed out the arrows of taxes went with the land and were not subject to this division of assets.

The representatives from the M. D. of Calgary then agreed to accept \$25,000 cash from the M. D. of Wheatland as settlement in full.

Councillor Cammett of Wheatland then moved that the M. D. of Wheatland No. 49 pay the M. D. of Calgary No. 44 the sum of \$25,000 in full settlement for the division of assets of the former M. D. of Strathmore No. 42. Carried unanimously.

Charbonneau moved Messrs. Petrie & Petrie, Calgary, be instructed to proceed with the collection of Personal Property Tax Arrears owing to this district.

Miller moved our 1936 Cart and Loader be offered for sale, and the price set at \$4,500.00 cash.

Cammett moved that the secretary-treasurer's bond for \$10,000.00 be renewed with the Chapman-Webster Agencies Ltd., Edmonton.

Rehring moved the 1934 Buick car, the property of Allen Gibson, deceased, be sold for \$3.00 to R. L. Peterson of Strathmore, and the same be credited to Gibson's funeral account.

Miller moved Mr. K. H. Walker, District Agriculturist, be advised that the district will cooperate and provide a man to assist with farm tree planting this season.

MacArthur moved Reeve Harwood be authorized to sell the former M. D. of Bow Valley 1931 Motor Caterpillar 113 Motor Grader for \$17,000.00.

Charbonneau moved the seven members of this Council be a committee to make a road tour inspection of the district, and meet at Homan.

School News

The Students' Union held a meeting on Friday, April 1st. It was decided that we elect a committee to make a list of standards that each student must meet in order to obtain a crest in the following years. Due to the fact that we expect an addition to our school in the near future it was decided that, instead of the trophy case we had planned to place in the hall, we would construct a shelf in the hall of a new master project for school use only.

Several examinations were down for Mr. J. J. Job's Amalgamated to read the Junior First Aiders. The test was originally compiled for Seniors. Although all of those present in the test were a bit shaky, it is believed that all passed it. The Cadets and Kaders are

SAID TO BE "FINEST PAINTING" OF QUEEN

—By Photo Assigned from Central Press Canadian
Rich blue cloak of the Garter and background of light blue sky are part of the splendor of this striking and latest portrait of Her Majesty—considered her finest—by Italian artist Piretti Amag. The Queen is painted life-size, standing on a hill looking out over a distance and holding her scepter in her right hand. The artist was commissioned by the worlshipful Company of Fishmongers to paint the oil portrait for a fee of £2,000.

W. M. Kathol Elected R. JACKSON HEADS STRATHMORE RINK

New officers to govern operations of the Strathmore and District Memorial Arena were named at a recent meeting in the Town Hall. Bob Jackson was named president, succeeding Hubert Dumas, who has held the post for the past two years.

Jack Crellin was elected vice-president with Syd Colwell to act as secretary-treasurer and Dick O'Neil as assistant. Members of the finance committee are: Hubert Dumas, Geo. Barber, W. J. Hildon and George Hildon; building committee, E. L. Gray, Bill Sadler, Buster Rhodes and Bill Ferguson; ice committee, Jack Crellin, Red McDougall, Edgar Lyons and Peter Zhyrak.

The Strathmore Hockey Association also organized for next year and Jack Crellin was elected president. Keith Bargett, vice-president and Gaylon Rhodes as secretary-treasurer. Members include: Pug Hildon, Al Morton, Bill Sadler and Edgar Lyons.

TOWN TO KEEP FIRE TRUCK HERE

The Strathmore Fire Truck will not be permitted to leave town to fight country fires in the future it was agreed at the monthly Council meeting in the Town Hall Tuesday night with Mayor R. L. Gray and all councillors present.

It was felt that by taking the fire equipment out of town it was unfair to town taxpayers in the event of a fire broke out in town. The recent fire at Modern Motor Service was cited as a case where a matter of a few minutes meant halting the business at total loss. The Council feels the ratepayers of the municipal district of Wheatland should have their official council fire protection for the country.

It was decided to halt the practice of buses and trucks from parking on main street. No trucks over half ton size will be allowed to park and signs to the effect will soon be erected.

Councillors W. S. McNeill, Anson Chase and Len Larson were appointed a committee to determine where the 1935 holiday program would be held with about 1,000 foot slated to be built this year.

Wages of the town firemen were increased by \$25 per month. A flat rate for digging of graves was set at \$25.00. Approval to operate a body shop in town, was granted to Strathmore Auto Body. Councillor Fred Hildon suggested the number of hydrants in town be increased but no decision was made on the matter.

It was voted to assess Church Manages for taxation. Matter of purchasing the M. D. Wheatland office for \$4,000 was discussed and council felt the price too high.

Matter of purchasing about six acres of land from the Western Irrigation District for 24 homesites 75 feet by 100 feet was discussed at length. At present eight persons have indicated they would like to build houses and council feels an area such as this, exclusively for new homes, will be a big asset to the town.

Provincial authorities were contacted and it was learned the town can borrow money for new homes. Will be a big asset to the town. The lots will sell for the same price as other town lots - \$4.00 per foot frontage.

Spending for the year was adopted with expenditures set at \$18,666.57. Biggest expense is the school reparation at \$17,183.94. A grant of \$100 was voted to the Arena and \$2,500 will be spent on streets with \$2,800 slated for sidewalks, \$1,513 for public works and \$7,417.24 for labourers. These are the major expenses. Estimate from revenue includes \$23,170.67 from property, poll, frontage and power taxes, \$4,000 in grant and \$4,500 from sewer service and \$4,750 from water sales.

KNIGHTS OF COLUMBUS

Monthly meeting of the Strathmore Knights of Columbus was held at the Town Hall, Strathmore, Tuesday evening with Grand Knight Albert Deane in the chair. After the business meeting an interesting program was given by the origin of the Knights of Columbus. The meeting was closed with prayer by the Grand Knight.

The roll call "Radio Add or Ditty" was well answered by 12 ladies present. The minutes of the last meeting were read and approved. The business at hand was then discussed. The district economist Mr. Gray is to demonstrate household electric appliances and the care of them at a future date. Mrs. Mary Meyer gave an interesting report on the Conference at Lethbridge.
The meeting came to a close with a delicious lunch served by the hostess, Mrs. Isabel Thorne, assisted by Mrs. Don Douglas.
The next meeting will be in the hall April 15. Roll call to be followed by singing about an outstanding Canadian woman also a "radio sale" will be held.
Ronnie Douglas is in the Children's Hospital undergoing a checkup.
Mr. and Mrs. Pete Provin of Calgary spent Sunday with her mother, Mrs. A. Larsen and Knute. Mrs. Pete McLean is home after spending several days with her sister Mrs. Paul Newton of Banister. Mrs. Oliver Christoffersen and family have gone to join her husband in the oil fields west of Edmonton.
Mrs. Thor Larsen had a few people in for supper on her husband's birthday April 1st.
Joe Newall celebrated his birthday April 2nd with a few friends in for the evening.
Mrs. of Nightingale are terribly sorry to hear of Mrs. Don Douglas losing her mother Mrs. Taylor very suddenly. We sympathize with them in their bereavement.

Let's Eat
BY
IDA BAILEY ALLEN

For centuries, in the British Isles, hot cross buns have been a traditional food of the Lenten season.
The ancient legend goes that Jesus, on His way to Golgotha, was knocked at a cottage door, and asked the homemaker for water and bread. For "the way is long, and the cross heavy."
She offered him a seat by the fire, a fresh baked loaf, and water from the well. And from that day to this, according to the old belief, women who bake bread on Good Friday are blessed.
It was in the 17th century that hot cross buns were first sold in Great Britain. Pioneer English women brought the formula to North America, baking the buns in built-in brick ovens.
Today, bakers make them for us, but in case you wish to bake your own, you'll find a short-cut recipe in this column.

Hot Cross Buns (12 hours): To the contents 2 pkgs. dry granular yeast, add 1/4 c. lukewarm water and stir well stand 3 min.
Said 1/4 c. milk. Turn into a 3 qt. bowl when liquid, add yeast and 1 c. water. Beat in 1 c. butter.
stirred enriched flour. Beat in 1/4 c. melted butter or margarine, and 2/3 c. additional stirred-enriched flour sifted with 1/4 tsp. salt. 1/4 tsp. cinnamon and 1/4 tsp. allspice.
Beat and stir in 2 eggs. Add 1/4 minute and 1/4 c. fine-cut citron (optional). Cover with waxed paper until doubled in size, about 1 1/2 hrs.
Punch down. Let stand, covered, 10 min. Turn on to a floured board or pastry cloth. Roll 1/4" thick; cut with a 2" flourer cutter. Place 3" apart on an oiled cookie sheet. Brush tops with a slightly beaten egg white. Cover with waxed paper. Let rise 30 min., or until doubled in size.
Bake 25 min. in moderate oven, 375 deg. F. Cool, and make a cross of confectioner's sugar icing on each bun. Makes 1 doz.
Beef Steak Sauce from the Chef
It is cooking a sirloin steak, order it cut at least 1" thick. Slush fat at edge in several places so meat will lie flat.
Heat enough butter or margarine in a heavy skillet barely to cover bottom. Put in steak and fat brown. Dust with plain salt or onion salt, a little pepper and monosodium glutamate.
Turn to brown other side, then season and cook more slowly. Turn once again. Allow 15 min. altogether for medium rare steak.
Dot with a little butter and fast brown. Dust with plain salt or onion salt, a little pepper and monosodium glutamate.

Would Screen Drivers For Damage Costs

Proof of ability to pay damages in case of accident would be required of every motorist before a driving license is granted if a recommendation of a member of the Ontario govt. is adopted. That, the Financial Post seems to believe, is a sensible and sound restriction offers the only real hope of keeping the financially irresponsible off the highways.

Why should we permit people to drive who have no means or intention of paying for damages they may cause? A cruel many innocent motorists have had their cars smashed and themselves seriously injured only to find that the driver responsible hasn't a cent to contribute toward heavy repair and hospital bills.

Our citizens thank to everyone who in any way helped to make our Golden Wedding anniversary such a memorable occasion.

Mr. and Mrs. Chris Anderson.

We would like to thank all the people for kindnesses shown us during the recent loss of our beloved sister Mrs. H. V. Weiss.

The Family.

U. F. A. SEEKS GRAIN CLEANERS

The UFA meeting held in Strathmore Tuesday evening of this week was well attended with about 15 members present.

Robert Hagen and Harvey Searby presented a questionnaire and some answers, which were favourably accepted.

George Winkler, manager of the A. L. C. addressed the meeting with reference to the Marketing of Livestock in general and answered questions relating to this subject.

The following resolution was passed: That a committee of three be appointed to interview the Alberta Wheat Pool and the Alberta Pacific Grain Companies with the object of inducing them to install commercial grain cleaners in their elevators at Strathmore. Members of the committee are Leonard Hill, Robert Hansen and Norman Schuler.

An amusing, interesting and thought provoking recording was heard, "More Beef for Less Money". Coffee and lunch was served concluding a full and satisfactory meeting.

Mr. Don Kennedy Retires From CPR

Mr. Don Kennedy, local CPR agent, completed 46 years of service last Saturday with the Canadian Pacific Railway with the exception of one year off for sickness in 1914 and six months in 1951. Mr. Kennedy was born in Vernon, Ont. and came west in 1909 after graduating from Telegraph School in Ottawa.

His first job was at Milestone, Sask. where he worked as night operator. Later he worked in various places in Sask. including Waskesey, Pemas, Kamsay, Leland, Holfast, Maymont and Connel. While in Connel, where he was agent for 19 years, the area was taken over by the Alberta Division and he then moved to Warner, where he married Jessie Colquhoun of Maple Creek, Sask. in 1925.

The next move was in Blinney, Alberta where he was the first CPEI agent after the company took over the Blindman Valley railroad from the Alberta govt. He remained there for 18 years before coming to Strathmore in 1943.

Mr. Kennedy is a member of Strathmore Lodge No. 52 A.F. & A.M. and a past master of Kirkbride Lodge No. 92 A.F. & A.M. He was also an ardent curler until illness forced him to give up the game.

After three weeks' hospitalization, Mr. and Mrs. Kennedy will be leaving Strathmore to reside at 1732 - 18th Ave. N.W., Calgary.

Mr. Kennedy recalls many changes throughout his years of work as to wages and conditions. He remembers well, working for \$15 a month and paying 12¢ of it for his board.

The celebration started with a family dinner at the home of Mr. and Mrs. Gordon Hansen and was followed by open house at the Anderson residence.

In the evening the community arranged a social gathering at the hall which was attended by some 200 people. Mr. Alec Christensen acted very ably as M.C. and welcomed Mr. and Mrs. Anderson and the other guests and introduced them to the party.

Another item of interest is the showing in Rockyford of the film of the 1944 World Series. This has been loaned from the Spaulding Co. and is obtained from Marshall-Wells (Alta.) Ltd. The showing is planned to be in St. Rita's School Auditorium on April 18.

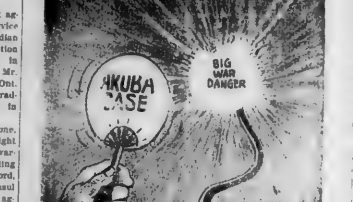

The Columbus Club put on the annual Easter Middy dance in Rockyford. A good crowd was out to dance to the excellent music supplied by Cynthia Walker's orchestra.

A community shower is being planned for Mr. and Mrs. Richard Payne to be held in the community hall April 26. Everyone is asked to come.

Miss Loren Blinn was home for the Easter weekend. Loren is presently working in the Canadian Bank of Commerce at Banff. Her parents Mr. and Mrs. Lawrence Hinn drove her back to last Deer on Monday.

Wildard Griffiths shot an eagle with a six foot eight inch wing spread. Johnny Cammish is mounting the bird. Wildard is going to display it in his coffee shop at the Carbon Corner Service station.

Lion Cubs Roar At Kids' Night

Annual Children's Night was held by the Strathmore Lions Club in the Memorial Hall, Thurs. evening and a jolly time was enjoyed by the many youngsters on hand. President Les Ties welcomed the young fry and acted as Master of Ceremonies. No business was dealt with.

Before a sing song the group adjourned to the main hall where a banquet from Calgary was served. The youngsters were then taken to the youngsters to a fine bit of mystifying tricks.

Captain Hopkinson of Gleichen was present and thanked the club for the friendly show. His own son, a few months past, Hopkinson has been transferred to the John's and will soon leave the district.

Catholic Women Seek Members

The weekly meetings of the C.W.U. was held in the Parish Hall March 15, with 14 members present. All C.W.U. members are asked to bring to the April meeting, as this is the annual meeting. A C.W.U. membership drive is on with Mrs. Len Ford as head.

The executive is to get together to make up the program for the coming year.

Hot roll was "Your Favorite Dessert." A tasty lunch was served by Mrs. Auril and Mrs. Burnett.

Strathmore W. A.

The Afternoon Group of the United Church W. A. met in the Memorial Hall, April 7th. The evening opened with an Easter hymn, and repeated the crowd. Mrs. Warrack gave the devotional, talking for her topic, Lenten meditation.

The roll call was answered by those present with Mr. Donatien to the Easter Tea and Bala Table. Final arrangements were made for the Easter Tea which was held April 10th.

Mrs. Norma Scher gave a talk on The Legend of Easter in various countries of the world.

A delightful lunch was served by Mrs. Hanson, Mrs. Robinson and Mrs. Mary Johnson.

Former Cheadle Man Dies At White Rock

John Kent, 75 of White Rock, B.C. died at his home April 22. He was born in St. Anselm, N.B. and came to Bala in 1901. He moved to the Cheadle district to Cloverdale in 1922, and retired to White Rock in 1947.

He leaves his wife, Barbara, three sons, W. Howard of Lyle, Leonard J. of Irricana, Leslie B. of White Rock, two daughters, Fred (Dorothy) McKay of Calgary and Mrs. Phyllis Goodie of Bala. He was predeceased by his first wife in 1913, and his younger son Arthur in 1931.

Burial took place at Cloverdale.

Mrs. Jellon Robert had as a visitor recently her cousin Brother Jellon of the Christian School who has been a missionary in China and Japan for the last seven years. Brother Jellon has come to Montreal for a needed rest.

Pauline Poulin has just returned from attending his father's funeral in Eastern Canada.

Mr. and Mrs. Frank Powell and family of Hanna spent Easter visiting at Mr. Powell's sister Mrs. W. Haggerty. Bob Haggerty returned with his aunt and uncle to Hanna for the rest of the Easter holidays.

The regular meeting of the Cluny W. I. was held in the club room on April 11th, with Mrs. E. Nelson as hostess.

The president Mrs. K. Koofted was in the chair. After regular business Mrs. G. Beaudin gave a very interesting paper on the rate of infantile feet and the proper shoe that should be worn.

Mrs. L. Gibson and Denise have arrived home after spending three months visiting relatives in Montreal.

Miss Denise Givins, Miss Hattie Dorge and Miss Pauline Robert were home for Easter, and have returned to resume their training at the Holy Cross hospital.

Miss Gwen Koofted of Lethbridge is spending the Easter holidays at the home of her parents.

Mr. and Mrs. Jack Laing and family of Altario spent Easter at the latter's parents home Mr. and Mrs. Fred Fairbairn.

Spring is extended to Mrs. G. D. Schell's in the passing of her brother Elwyn Dick of Rapid City, S. D. He leaves his wife, three daughters and one son.

Mr. Freeman Thompson has gone to New Westminster, B. C. to visit his daughter and son-in-law, Mr. and Mrs. Ted Ales. Mr. Ales has been in hospital.

Mr. and Mrs. Harold Whitlock of Drumheller spent Easter at the home of Mr. and Mrs. B. Reinhold.

And family of Medicine Hat Mr. and Mrs. W. Thompson and Mr. and Mrs. G. Orr of Trail, B.C. have been visiting at Mr. and Mrs. Freeman Thompson's home.

Mrs. Simon's daughter Blanche and family of Calgary are spending the Easter holidays at home.

Mr. Louis Hong is a patient in the Bassano. We wish her a speedy recovery.

Miss Pays Dick of Calgary is spending the Easter holidays at the home of her grandparents Mr. and Mrs. Adam Koschul.

WATER EXPANSION

About \$54 millions will be spent on municipal waterworks expansion in Canada this year. It is estimated that in six per cent more than last year, an all time record.

ELEPHANT BRAND FERTILIZERS

Crops start quicker, grow faster when you fertilize with Elephant Brand. You'll harvest six to ten days ahead of unfertilized grain... and this earlier maturity reduces chances of loss by early frost, rust and hail.

Choose from five Elephant Brand fertilizers... each scientifically balanced for particular soil and crop needs, each with percentages clearly marked on the bag. It's a pay-as-you-go investment that returns big dividends in higher yields, advanced harvesting, better grades and weed control.

Advocate Television Program In Schools

Further experiment in the classroom use of television has been recommended by the National Advisory Council on School Broadcasting.

The recommendation is made in a report on the classroom television experiment carried out last November. The 64 page report released by the CBC is based on the findings among more than 500 teachers and 15,000 pupils who took part in the experiment.

According to the Council the findings in general indicated that television programs jointly planned by the teachers and broadcasters have a definite contribution to make as a teaching aid but that further experiment is required to determine the nature and extent of this contribution.

The program was planned by a special committee of teachers, and produced by the CBC Television Service at Toronto, under the supervision of the CBC School Broadcasting Department. Leading Canadian writers and actors and teachers took part in the production which had also the advantage of professional design and camera work. Three of the programs were specially produced on film by the National Film Board.

Back In High Gear

The Canadian motor car industry which got a slow start this year because of the Ford strike, has passed some important milestones. It had its first 10,000 car week this year in production, but 1955 for the week ending April 2. Fast moving Ford production reached 3,572 for the week, 42 more than produced by General Motors.

The industry produced just over 10,000 cars in the first quarter, slightly more than in the first quarter of 1954. This, despite the Ford strike, settled in the last few days of January.

At the Lutheran Church, Thursday evening many children and their parents attended the special Children's Mass. Services. The children took part in the service and the junior choir sang a lovely Mass cantata.

Health and Recreational classes for the current season were brought brought to a close with a demonstration April 4. Many children took part in the service which were very well attended by the parents and interested members of the community.

Quite a number of people were in Calgary April 2 to attend the wedding of Lois Warkentin and Mr. Carl Hansen at St. John's. Mr. and Mrs. P. D. Kowitson and Judy spent the weekend in Calgary with Mrs. Pringle.

Paul Larsson and Eleanor Hansen, who are attending the Lutheran College at Canmore, are now at home spending the holidays with their parents.

Mr. and Mrs. Kish and Murray have returned from Coronation where they visited friends and are now in Great Falls for the rest of the Easter holiday.

Mr. and Mrs. Peg Hansen are receiving congratulations on the arrival of a baby boy March 28. Mr. and Mrs. Harold Keller and family were the weekend guests of Mr. and Mrs. H. Nelson.

Rita Nielsen has now returned home from the General Hospital where she underwent an appendectomy.

Mr. and Mrs. Morris Castella and Hans Castella spent several days holidaying at Banff and visiting with Mr. Verne Castella and his family.

Mr. and Mrs. Andy Westergaard and Linda spent the weekend with Mr. and Mrs. Axel Rasmussen.

Mrs. Sheila Jorgensen has spent several weeks at home with her parents Mr. and Mrs. Tom McGowan.

Mr. and Mrs. J. B. Charlton and family from Brooks visited with Mr. and Mrs. Axel Rasmussen on Monday.

Mr. Bill Green who was with a milling rig at Magrath is now at home while the outfit is being moved to a new location. Prior to coming home he suffered a bruise and several broken ribs in an accident at the rig, from which he is recovering slowly.

Mrs. Marie Hansen of Calgary spent the weekend at the home of Mrs. Ellen Melton.

Miss Elizabeth and Edal Harding of Calgary spent the Easter holiday with their parents Mr. and Mrs. Strunka Harding.

Mrs. Leslie Nelson and children are at Lethbridge spending a few days with Mr. and Mrs. Jack Dick and family.

Crowfoot Notes
BY MRS. J. M.
The Crowfoot Community Club held its regular monthly meeting in the clubhouse on April 6, with 15 members and four visitors present. Mrs. V. J. Harvey was in the chair. The meeting opened with the reading of the record. The minutes of the previous meeting were read and approved, and the financial report read and adopted. It was decided to serve lunch at Mr. Quirk's social sale.

After the meeting adjourned a delicious lunch was enjoyed. The Cranberry & Club will hold a show and dance in the Neakala Hall on Friday, April 15, at 8 p.m. and it is hoped there will be a good turnout to support the young people.

Mr. and Mrs. Charles Harvey, Towns and Dale spent Easter Sunday at the home of Mr. and Mrs. V. J. Harvey in Lethbridge. They came in a snow storm.

Mrs. Gladys Morgan returned home from Rochester, Minn. several weeks ago, and is gradually regaining her strength after her operation.

Mr. Quirk's auction sale at the Jim Harwood farm was quite a success, and although some of the Club netted a nice sum, although winter is a slow warm day.

Mr. and Mrs. Quirk, Mr. and Mrs. Phil and Mrs. and Mrs. Harwood and baby were visitors at the Chas. Harvey home on Saturday evening.

Field work has started in this district and we hope the weather will allow it to continue.

Livestock Production

What return may be expected when irrigable land is used as pasture? The Laboratories Experimental Station has done some experiments during the past two years in order to answer this question.

In one test yearling steers were being fed to determine the production of various pasture mixtures and different fertilizer treatments in terms of pounds of gain per acre. The steers and their lamb stay on the pasture all the grazing season, but have a fresh field area at 5 p.m. April 15.

CROWLEY LUMBER COMPANY STRATHMORE, ALBERTA

Phone 26, Strathmore, Alex Duncan, manager

The 35 members and their parents were treated to a fine lunch by the Union Packing Co. after their tour and an address by the plant superintendent.

Mike Holsinger, leader of the 4-H club went to a leader school put on by the great at Old Agriculture School Wed. and Thursday April 13 and 14. The 30 leaders present were treated to a banquet Wednesday evening.

Leaders were present from several calf and grain clubs in the south central part of the province. The members of the Moosehide Order and Eastern Star held their annual ladies night and banquet April 13 in the Masonic Hall.

The Eastern Star ladies were hostesses at the turkey banquet after which the 65 members were entertained by the members of the Moosehide. The highlight of the evening was a beauty ball staged by Mrs. Christine Pedersen and Mr.

Barney Dyck. It seems that Mrs. Dyck had a slight advantage as Barney was blindfolded. After the banquet tonight were proposed by Mrs. Ruth Griffiths, the Queens, Mr. & Mrs. Dyer, Workshop full Grand Master, the Ladies, Mrs. Helen Ruppel. Worthington Matron responded. Mr. Stan Frayn was toastmaster.

The new banking hours will no longer affect this week in Rockford. The bank will be open Friday afternoon from 2:30 till 4, but remains closed all day Saturday. Miss Winchinsky, cashier in the bank will be transferred to the Drumheller branch following this change. At the monthly meeting of the Knights of Columbus held in the Moosehide Casino Hall April 18, plans were laid for the annual Mothers Day breakfast at which all the mothers of the Parish are served on Mothers' Day, May 1st.

Preparations are being made for the coming baseball season. A number of the senior ball teams under the direction of coach Robert Dahn gave the diamond a good workout on Sunday afternoon. It is hoped that all the ball players will turn out to the practices the coach will call shortly.

Mr. and Mrs. Jack Knight are busy moving to their new farm eight miles east of Alderside. The farm they lived on here has been purchased by Mr. Ambrose Wilson. Mr. Wilson also purchased the Cleve estate for his son Charles.

The John Deere Company received some free advertising Friday afternoon when a fleet of five tractors were driven onto Rockford. These tractors have been sold by Carl Deemant to various farmers in the district.

Coming Events

● Dance Saturday April 23rd in Strathmore Memorial Hall, to the Strathmore Rangers Orchestra of Calgary, featuring vocalist, Loren Cordick. Modern and Oldtime music. Admission 15c each. Everybody welcome.

● Jingo in St. Michael's Hall Wednesday, April 27 at 8 p.m. Everybody welcome.

● Monthly meeting of the Strathmore Home & School Association Monday, April 25. Film night and discussion of proposed purchase of a new projector for the School. Everyone welcome.

● Regular meeting of the Strathmore Ladies Auxiliary will be held Tuesday, April 26, postponed because of the poor weather.

Despite the very poor weather the work is nearly completed on the new 124 foot bridge across the Hooseb Creek north of Rockford. It is hoped that work will be completed the end of this week and the bridge of concrete will be open for traffic in about three weeks. This will give the concrete time to set.

This bridge, put in by the govt. will not have the unnecessary bump in it that the small bridge standing north of Rockford has. It would seem that the govt. bridge crew who put in this small bridge were either not well instructed or not overly critical as the bridge floor is much lower than the grade level.

Any visitors to Rockford will get to have to take the sewer and water lines were recently installed as the files have sunk considerably and left very noticeable bumps in some places there are

Large mucky holes in which a horse could be lost to any nothing of a small child.

Last week all the local farmers were busy hauling their quotas of grain to the elevators. This bit of extra cash is much needed to start spring work. It seems rather unreasonable that the farmers of 1955 should place the economy of hundreds of thousands of farmers in jeopardy. When will the farmers unite to become strong enough so as to prevent the going of thing.

The Springfield Hutterite center purchased a new diesel tractor and other machines to farm the land they bought recently.

The community shower to be held in the hall for Mr. and Mrs. Richard Frayn was set for April 23.

An Amateur group sponsored by the Ladies Auxiliary will be held in Rockford April 23.

CGIT Holds Rally

Wednesday, April 13, a very successful CGIT Rally was held in the Memorial Room of the Strathmore United Church. Over 60 girls were present and represented CGIT groups from Acme, Carbon, Glenora, Knox (Calgary), Ogden and Strathmore. There were also visitors from Calgary. Each group was accompanied by its leader.

The girls registered at 9 a.m. and were given games by the Keer. Peggy Gray welcomed the visitors and introduced the groups and their leaders. A sing song was led by Mrs. Pritchard, which was followed by the opening worship service in the church. This was conducted by CGIT.

An interesting and practical address on Christianity and personal living was given by Mrs. G. Goodwin, a Calgary CGIT Superintendent. The girls discussed the subject in various discussion groups and reported the conclusions they reached.

After lunch Mrs. A. Polley of Edmonton gave a short talk on the meaning of the uniform. This was followed by Middle Inspection. Mrs. K. Byer of Acme, a former deaconess, spoke on the meaning and method of worship.

A period of games was directed by the Strathmore Sisters and the Strathmore intermediates were in charge of the handicraft period in the day.

The CGIT Mission Study this Friday evening and added to the good program arranged. Next dance at Nightingale will be Wed. Apr. 27.

A delicious hot casserole supper

was served by the Strathmore CGIT mothers under the co-operation of Mrs. F. Kohowski. A variety show, skits and sing-song provided after dinner entertainment in which all the groups participated. The Acme group conducted the evening worship service, which brought the Rally to a close.

Leaders and members were unanimous in declaring the Rally a success, with much of the credit going to the Strathmore group, their mothers and leaders.

IDA BAILEY ALLEN

Not many years ago, many of us looked down the nose at cod and salmon. It was often considered a food to be used at the end of the week when the budget was low.

But now, what a difference! Flaked salmon, cod, mackerel, haddock, and salmon, all in liquid in measuring cups. Cook and stir 3 minutes. Remove bones from salmon. Flake fish medium-fine. Combine with lima beans and sauce.

Turn into salad 1 cup buttered medium-fine corned bread crumbs. Cook 15-20 minutes in moderate oven, 375 degrees F., or until crumbs are brown.

Spice: 1/2 tsp. salt, 1/4 tsp. pepper and 1/4 tsp. onion-salt. Gradually add salt in liquid in measuring cups. Cook and stir 3 minutes. Remove bones from salmon. Flake fish medium-fine. Combine with lima beans and sauce.

Mrs. P. Baumann was hostess
to the United Church W. A. in her
home April 6 with 18 members and
one visitor present. President Mrs.
Hugh was in the chair and opened
the meeting with a prayer, repeat-
ing the creed and singing the
song in unison.

The devotion was given by
Mrs. Nell McMillan.
The usual business was dealt
with, letters read and donations
given.

Arrangements were made for the
annual mothers' Day Tea, which
will be held in the Recreation Cen-
tre Saturday, May 7.
Please notice W. A. members,
our next meeting will be held on

Thursday evening, May 5th.

On an invitation by the Standard
Auxiliary, a number of the Glen-
den Auxiliary members met at the
Standard for a social evening.

By all reports, all who went had
a delightful time.
The Anglican W. A. Easter tea
and bake sale which was held Sat-
urday, April 9 at the Recreation

Miss Louise Kenny

Weds William Heard

Red tulips, daffodils, pink carna-
tions and Easter Lilies banded the
altar of Holyford United Church
for the recent marriage of Miss
Louise Paula Kenney, daughter of
Mr. and Mrs. R. E. Kenney of Red-
land and William Alexander (Sas-
s)

Heard, son of Mr. and Mrs. R.
P. Heard of Calgary. Rev. W. P.
Spencer, assisted by Canon H.
J. Crump, officiated at the after
noon ceremony.

The bride, given in marriage by
her father, wore white tulle, a
lace and nylon tulle over bridal sat-
in. The gown featured a deep V-
neckline softened by folds of tulle
encrusted with pearls and colour-
ful sequins. The bouquet skirt of
tulle featured lace frills bound in
tulle and forming a battle horse
and train. From her hairdressed
of solid sequins bordered in tulle,
mistled a fingertip illusion veil
clad with sequins and she carried
a white prayer book mounted with
gardenias and lilies of the valley.
The bride's only attendant was
her sister, Miss Sharon Kenney,
who chose white tulle embellished
in yellow bow design. The strappings
bowed in tulle and she carried a
jacket. Her hairdressed, a bank of
miniature sweetheart roses and
tulle misters, completed her en-
semble. She carried a cascade of
yellow tulle roses.

Attending the green was Sydney
Wood of Edmonton and others in
clined 17. Scott, John Francis
and Kenneth Manning, all of Cal-
gary. Soloist during the ceremony
was Miss Allan Hymus.
The Rosebush Memorial Hall was
decorated with bouquets of daffodils
and pastel tinted tulips for the
reception. Mr. Frank Irving prop-
osed the bridal toast.

Following a wedding trip to
Mexico City the young couple will
make their home in Calgary.

All under one roof

A branch of a chartered bank is much more than the best place to
keep your savings. It is an all-round banking service-centre that
provides services useful to everyone in the community.

In every one of 4,000 branches in Canada, people are using
all sorts of banking services. They make deposits, cash
cheques, arrange loans, rent safety deposit boxes, transfer money,
buy and sell foreign exchange.

Only in a branch of a chartered bank are all these and many
other convenient banking services provided under one roof.
A visit to the bank is the way to handle all your banking needs
—simply, safely, easily.

immediately grounded. A Comet similar to those that had crashed was fitted out with 110 pieces of testing equipment and, manned by R.C.A.F. personnel, took scientists about 100 hours to test.

Investigation of the fatal explosion began in January, 1934, after four of the famous Comets had crashed mysteriously in different parts of the world under strange and similar circumstances. Commercial airlines accomplished the greatest feat in aviation history.

In March 1934 the Comet was again permitted to fly passengers. Just 16 days later another Comet exploded at high altitude and fell in the sea near Naples, Italy.

Airlines experts now began to work night and day. At the Royal Aircraft Establishment the labor force put in 120-hour work weeks by June of that year the hunt had

harrowed down to a Number One suspect; something the experts called "metal fatigue." This was, in the same thing that causes a piece of tin to break if bent back and forth, might result from the continual increasing and lessening of pressure on an airliner that moves from sea-level well up into the stratosphere and back again during the course of a flight.

Further tests proved the theory right and demonstrated exactly how metal fatigue had caused the explosion in the pressurized cabin of the five Comets, with the loss of life of all passengers and crew. The detective work, had cost some \$6 million — but out of it came a knowledge of jet airplanes which will affect their construction and safety characteristics throughout the world.

Comet jets seem to go into service with much thicker "skins" and will be the world's most tested passenger airliner.

A game of chess played George Washington in the Battle of Trenton. Although the American commander had tried to keep his attack preparations a secret, he sent a warning note to the British general commanding the city. Absorbed in a chess game, the British general abscondingly slipped the message into his pocket. Several hours later, when he opened the note, it was too late.

Hussar Happenings

BY M. C. B.

The Hussar Village will join the C.H. Club to hold the Jubilee Celebration June 10 and plans are going forward to make this a memorable occasion.

The Quilt tea and sale of aprons, home cooking, etc., held in the parlors of the church, was a splendid success; the Lutheran Guild made around \$100. The Junior Lutheran Mission Band cleared ten dollars on their table of wooden ware and pot holders made by the members.

Sunday May 2 at the morning worship service in Our Saviour's Community Lutheran Church there will be a dedication service at which the choir robes, the public address system and the new communion ware will be dedicated to God's service.

Members of the Hussar Scout troop attended the Church service Sunday, April 24. Their leader, Mr. J. Henggaard, has just returned from an extended trip to Denmark.

Thursday afternoon, friends from Hussar staged a farewell party for Mr. and Mrs. Thomas Burdett and Miss Marjorie Burdett at their home in Basano. The following motored down for the occasion: Mr. and Mrs. Dell and Madeline H. Moulton, James Stewart, Ita-

mond Hoeght, Rose Brown, Roy Parker, H. Douglas, J. D. Metcal, Albert Schaffer, Roy Warburton, Armand Reservoir, I. Sanderson, H. Brock Schmidt, Philip, Prividge, M. L. Lareau, Carl Robinson and Victor Law. On behalf of the community Mrs. Bell presented them with a substantial gift of silver, and also on behalf of the Hussar Ladies Aid, a gift of silver; Mrs. Prinze gave Mrs. Burdett a personal gift on behalf of the Aid, and when Mrs. Burdett had been a faithful member and worker for 32 years.

On behalf of the Hussar Mission Lodge, Mr. Hall presented them with a gift. Both Mr. and Mrs. Burdett thanked all for their gifts and for coming. But best lunch was served by the visitors. The Burdett were highly esteemed citizens of Hussar for 32 years. Mrs. Burdett served the Village as health officer for many years.

Mr. Tom Burdett is a veteran of the First World War. His health caused them to move to Basano. Mr. and Mrs. L. F. Snyder motored down from Calgary on Wednesday to attend the meeting of Hussar Chapter No. 92 OS.

Mr. L. Woodford arrived on Sunday from Victoria, B. C. to visit his daughter and son-in-law Mr. and Mrs. L. Baffler and children. Mrs. Hoberg has been visiting her daughter, Mrs. Dorcas, Mont gomery here.

Mrs. Crowe and son have just returned from an extended visit to Vancouver. Miss Elvera Christensen is visiting her cousin, Mrs. Jack Treary. Mr. C. Reiffenstein had the misfortune to lose a finger from his right hand on Thursday, as he was working with farm machinery; he is at present a patient in the Basano hospital.

Mr. Harry Douglas and daughter Maylene motored to Medicine Hat for the week end with Mr. and Mrs. L. M. Clark motored to Calgary on Thursday, returning on Saturday.

Mr. and Mrs. W. A. Treary motored to Calgary on Friday. Miss Joy Treary came down from Banff and spent the weekend at home. Louise Treary took her to Calgary on Sunday and she returned to Banff.

Bow Valley Fish and Game Association To Again Sponsor Crow, Magpie Campaign

The Bow Valley Fish and Game Association will conduct a crow and magpie campaign again this year. So per pair of feet will be paid to anyone turning them in. As in previous years prizes will be given to the boy or girl who has not attained the age of 16 years before the 31st day of July. The prizes will be \$1st, a \$25 repeater rifle and 2nd, \$10.22 rifle.

The feet may be turned in to the parties whose names appear on the posters in your local school store or post office. Feet may be mailed to the secretary of The Bow Valley Fish and Game Association. In mailing be sure to give the feet in a neat envelope of dry material as there has been some complaints from the postal authorities where this has not been done.

The contest will close this year on July 31. This also looks like the last year any bounty will be paid on these birds as the powers that be believe the magpies can be killed easier in the winter and the crows should be killed where they come from, that being the USA. There will be no bounty on hawks or owls.

The contest for fishing trophies will be held again on May 20th. The trout or pike may be caught anywhere in Alberta and will be eligible for the trophy even if it is weighed by a director of the Bow Valley Fish and Game Association. Provincial Game Warden and the contestant must be in good standing of the Association. The contest will close on Oct. 31.

The date for the Annual Fish Derby and Picnic will be announced later, as if the river is not in first condition by July in the fish derby will not be held until the first part of August.

In speaking of the Bow River being a fit place to fish, it looks like it never will be again. The Strathmore Association's Fishermen's Night held on May 1st was a success. The City of Calgary has pulled a fast one on the Strathmore Association as pollution is concerned. Can you see a Company or Corporation made up of a few individuals get away with anything like this?

In regard to Big Game, we gather

that the either-sex law will be in effect again this year and the area will be extended to twice the size of last year.

The season will again open on Nov. 1 and close Dec. 31.

Deer may be taken anywhere throughout the province while moose will be in season anywhere north of the Bow River and elk may be taken in the area west of No. 2 highway. Male and female elk may be taken in that area west of No. 2 highway and south of the head of land between the Highwood River and the waters that flow into the Oldman River. Only one antlered animal may be taken. One deer may be taken if it is found that no changes will be made in the Game Act for this year but hopes to have more meetings with the Hunter-Parkman committees to help settle their differences.

Strathmore Golfers Try to Reorganize

An attempt to reorganize the Strathmore Golf Club was made at a meeting Monday afternoon, at which time a committee was organized by president Tommy Chamberlain.

After a suggestion by Len Larson that a full-time committee be employed to maintain the upkeep of the course it was decided to attempt to create more interest and gain additional members. It was decided to attempt to get 24 members to take out a share at \$50.00 each to provide the club with operating funds for the season.

Another meeting is slated for May 16 at which time it will be decided whether sufficient funds have been raised or not. Interested golfers feel if the course is put back into good shape and building and gas painted a good deal of outside golfers will be attracted to join the club. At present the club has a bank balance of \$251.45.

Dalemead Notes

BY MRS. M. H.

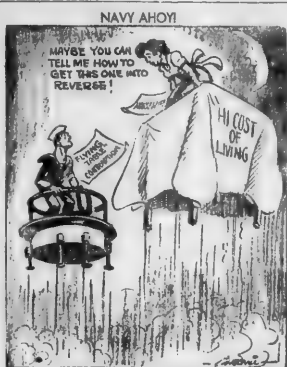

The Dalemead Hall Board held a very successful Klenkide Night last Friday evening. A good crowd was on hand and a tidy sum of money was made for a 21" television set and was won by Miss McVey of Mt. Royal College. Thanks go to Ed. Westphal for donating the prize. The board also to Alfred Fritz and Howard Van Alstine for donating the second prize of 10 gallons of gasoline which was won by Mrs. Melford Gostling. A third draw for a pair of towels was made and won by Mrs. Lewis of Calgary.

Miss Wanda Price returned from a month's visit in Missouri with his son and daughter.

Mrs. R. Ward Hov to Ontario with her son Mrs. Brenda Hov of Calgary to attend the funeral of Mrs. Brundette's sister.

Miss Wilma Colwell has returned from her trip to the States. She completed her degree in Home Economics at the University of Alberta and will return shortly for the commencement exercises.

The Canadian Cancer Society of Calgary showed several films on cancer and Mrs. Symons of Calgary spoke on the work the society is doing. Coffee was served to the Calgary visitors and the managers who were present.

Rockyford Bank Holdup Thwarted

An attempt to rob the Canadian Bank of Commerce at Rockyford was thwarted early last Friday morning when the manager's wife, Mrs. Phil Thurn, screamed and set three would be holdup artists scurrying for cover. The robbers, who were admitted to the bank carrying sawed off .35 calibre rifles, early in the morning and bound manager Bill Thurn.

When told the vault was set to open by time clock at 9:30 the robbers prepared to sit and wait with their hostages, which included Junior Alf Piggins, first member of the staff to be held. When Mrs. Thurn called her husband to breakfast she saw a man holding a rifle and screamed. This sent the bandits running and they were soon discovered by unarmed civilians in an outburst behind the community hall.

The robbery was nearly a family affair with Alice Stratton, well known in the Strathmore district, ending his 19 year old son James Robert and Edward Nebachuka. L.H. The three have pleaded guilty to armed robbery. Another youth, 17 year old Douglas Ralph Stratton, driver of the car, pleaded not guilty. RCMP from Strathmore and Humboldt investigated the lack lustre holdup attempt.

Fire Hits Another Strathmore Garage

The Strathmore Fire Brigade once again proved its efficiency on Thursday evening when called to halt a basement blaze at Scott's Service shortly before 7 p.m. A good turnout of volunteers answered the call and the fire was halted in a matter of minutes.

Manager Chas. Scott believes the fire started from gasoline leaking from storage tanks near the garage. Mr. Scott believes it will be necessary to dig up the tanks in an attempt to find the leak.

Strathmore garages have been hard hit by fire and have won struck in the past year at Modern Motor Service, Strathmore Sales and Service and Hildebrand Motors, the latter being of a minor seriousness when a truck caught fire while being welded.

Town Council

Monthly meeting of the Strathmore Council was held Tuesday evening with Mayor E. L. Gray in the chair.

It was decided to ventilate the sewer to halterion. Bank balances at the end of April showed a balance of \$2,657.77 and it was voted to borrow \$5,000 from the bank for current operating expenses.

Council hopes to obtain a location for a parking lot for trucks to keep them off Main Street and provide more auto parking space.

The same mill rate as last year was adopted and taxpayers will pay the same taxes as before. The amount of money obtained by the town as compensation for widening the highway at the cemetery will be turned over to the Lions Club for upkeep of the cemetery.

Mayor Gray was named Council representative to form Golden Jubilee Committee and all local organizations will be asked to have representatives appointed. Council member Buster Rhodes for his effort in hauling water to the fire at Scott's Service last week, although not needed this cooperation makes the fire brigade as effective as it has been.

It was pointed out some people are becoming sloopy about their garbage and Council asks the cooperation of citizens in this matter. Two lots on 3rd Ave and 4th St. were sold to Mrs. John Giffen for a residence.

Knights of Columbus

Regular monthly meeting of the Strathmore Knights of Columbus was held in the Parish Hall May 2 at 8:00 p.m. with Grand Knight Albert Demmet in the chair.

Nominations were opened for a new slate of officers for the coming term and new officers will be named at the June meeting.

An interesting talk was given to the Council by Len Haggitt, Grand Knight of Calgary. Meeting was closed by the Grand Knight with prayer.

Miss Diana Rasmussen, daughter of Mr. and Mrs. Harold Rasmussen, has completed her teaching course at the University of Alberta and is now a member of the teaching staff of the Samuel Crowther School in Strathmore.

Mr. Harry Beeber New CPR Agent Here

Mr. Harry Beeber, newly appointed CPR Stationmaster at Strathmore, officially took over his duties May 5, succeeding Mr. D. H. Kennedy who recently retired after serving 46 years with the Company.

For Mr. Beeber it is nearly like returning home as he started his railway career in Strathmore in 1909. Since he was raised for 27 years at Bassano and for the past 12 years at Torrington, he is a former president of the Bassano Point of Trade and is a member of the Masonic Lodge 1184 wife is a member of the Order of Eastern Star.

Mr. and Mrs. Beeber have five children, four daughters and one son, and have six grandchildren. He is looking forward to continuing his life here in Strathmore and to starting up new fire trips.

Annual Inspection Of Cadets Held

Ideal weather conditions featured the annual inspection of 89 cadets and 66 leaders at the Strathmore Drill Hall Tuesday afternoon.

With the 16-page band on hand the march past the saluting base was led by Cadet Major Ian Keer assisted by Capt. Myra Novak, Maj. L. King of Calgary, Lt. John Keer, Lt. Connie Weyers, Lt. Barbara Patton and Sgt. Maj. Wayne Miller. The Salute was taken by Major L. King of Calgary. C. O. Col Pat Higgs was unable to be present.

At the saluting base were Lt. Gagnon, District Cadet Training Officer for Southern Alberta and his staff of Sgt. Major Noble and Sgt. Major W. L. MacKenzie, OC BC Spots, SAJL; Capt. Jack Croft, chief instructor Strath Cadet Corps; Sgt. Andy Scott, weapons instructor; Capt. Inard, Legion president; Gaylen Robinson, band instructor; Mr. At Morton, Ladies Auxiliary president; Miss M. Conaty, instructor Strathmore Cadets.

Training displays included squad drill, rifle section and platoon exercises. Drum gun, wind-aided and instruments, first aid, range firing, rifle cleaning, map using and dancing.

The Strathmore cadetband will conclude with a dance the first week in June.

Rosebud News

The meeting of the Rosebud Home Association was held on May 22. There was very little business to discuss. The meeting was followed by Pete Petrucci's showing musicals in gun, wind-aided and instruments, first aid, range firing, rifle cleaning, map using and dancing.

Brian Christensen was taken to the Drumheller hospital Sunday, April 21 and was operated on for appendicitis. Brian is home now and doing well.

Mrs. Percy Priest has been in the hospital for an operation. Her people in grades 4, 5 and 6 and many friends wish her a speedy recovery.

Mrs. and Mrs. Bill Watt and family moved to Medicine Hat for the weekend.

Mr. and Mrs. Bernard Westman announced the birth of a baby girl, Beth, mother and daughter are doing well. Congratulations from Rosebud.

Mrs. Bisacre Marks Her 83rd Birthday

Mrs. Bisacre was the guest of honor on her 83rd birthday at a party held at the home of Mrs. Silverstone on Monday afternoon. Over 10 friends called during the day to extend birthday greetings and to wish her a pleasant trip to England. A tasty lunch was served by the hostess. A very pretty birthday cake was brought in and after lighting the candles everyone joined in singing Happy Birthday.

Mrs. Bolensvorn then presented Mrs. Bisacre with a travelling case, a lovely bouquet of flowers from her friends. Mrs. Bisacre is leaving Sunday morning by plane to have her home with her daughter in England. She came to Calgary with her son Frank in 1922 and has her son home in the Nightingale district and Strathmore since then. We hope the remembrance of the birthday party and the kindly thoughts of her many friends will bring her joy in her new home.

Letters to The Editor

The Editor, The Strathmore Standard.

The item about that lynx born on the Sorensen farm reported in the last issue brings the following to mind:

Wife of Lesley Lawson (Poor Ma's Dey Crockett) with apologies to Tom Blackburn and George Frome.

born on a grain farm on the lone prairie

Widened and in the land of the Free;

raised on the farm so he knew every weed.

Kill him a lynx when he was only twenty-three.

MUZZ PATRICK

PHIL WATSON

—Central Press Carrier

Youngest member of hockey's

most famous family, Muzz

Patrick, takes over as

manager of New York Rangers,

the team he coached since the

middle of the 1955-56 season and

played with from 1957 to 1960.

The resignation of Frank

Boucher as manager had been expected

for several weeks. Latest

rumors involve Phil Watson,

a former player, who is reported

to be slated to take over

Patrick's coaching job. Watson

also is a former Ranger player.

In Others' Words

A SLOW DEATH

It's a far cry from the rip-roaring

first and last days of the

birth of Social Credit in Alberta

to the rainy days of 1965: from

the days of the down town

people of Alberta living on

chicken and bolted gopher

and ground by the big shot; from

the A plus B theories to inflate the

currency by 5% of created money

each month to everybody 16 and

over - it's a far cry from then to

now. It's a far cry from the

1935-36 \$25,000,000 Budget

to the other day Cabinet Minister

Himmels of Carleton stood in the

Legislature and said that the

people of Alberta need to demand

because they knew they had to

pay it; that the philosophy of the

people is changing from one of

paying for what they get to one

which says "we shouldn't even

tribute to what we get." If Mr.

Himmels had talked that way in

1935 why didn't Social Credit

wouldn't have landed Carleton

couldn't sound much like this

month.

But the old 1935 Jargon had

down. Even in a \$25,000,000

get made possible by a Creation

thing to do should stand. Jealousy.

It is interesting to note that

Canada's grain grading system is

frequently the subject of favour-

able comment abroad.

Only recently at a Farm Com-

mittee held in Kansas, one of the

speakers, a milling scientist, com-

plained that U.S. wheat is met-

ricated in foreign markets

largely because of variable quality,

even in shipments that carry the

same U.S. grade. He suggested

one of the troubles with the grad-

ing system itself, U.S. standard

when grading regulations have

been practically unchanged since

1917.

Now had there been any at-

tempt to characterize wheat ac-

cording to milling and baking

uses. He noted many European

buyers are looking to Canada

for wheat and unless the USA im-

proves its grading system and at

the same time improves the qual-

ity of its wheat, it will be

compromising heavily to sell

wheat on a competitive basis in

foreign markets.

It is no secret that Canada's

grading system and the high stan-

dards of quality which have been

so carefully drawn up and so rig-

idly maintained by the Board of

Grain Commissioners for Canada

are recognized and acclaimed

world over. It is these high stan-

dards which enable customers in

other lands to buy with confi-

dence a certain grade of wheat or

other grain.

Our grading system, is some-

what put all in the bowls of the

earth under Alberta. It is the

first and last days of the

birth of Social Credit in Alberta

to the rainy days of 1965: from

the days of the down town

people of Alberta living on

chicken and bolted gopher

and ground by the big shot; from

the A plus B theories to inflate the

currency by 5% of created money

each month to everybody 16 and

over - it's a far cry from then to

Hussar Socials

BY MRS. H. C. B.

Forward with Christ, Our Savior's Community Lutheran Church of Hussar will participate in the Forward With Christ, in a gathering being made by the United Evangelical Lutheran Church on May 15th, the Rev. Royd Tange, pastor of this congregation has announced.

The gathering, the first of its kind in the UELC in so far as it will call 25 per cent of its members in the actual appeal, seeks a minimum of \$150,000. The Department of the Church during this amount are the Board of Home Missions; the Board of Dana College; and the Board of Prisons.

The arrangements for this program in Our Savior's Congregation are being made by The Forward

With Christ committee consisting of: Parish Director, Mr. E. J. Bell; General Secretary, Mr. C. R. Hoffert; Supply Secretary, Mr. B. Jorgensen; Publicity Chairman, Mrs. N. F. Nielsen, Visitation, Mrs. N. F. Nielsen, Sunday School Superintendent, Rev. R. Tange.

This is a Special week, effort which already has enlisted 50 per cent of our congregation. Contact in this movement is the education in stewardship and evangelism which the program encourages both to secure more adequate resources to expand the program of these Boards and the training of the members of the congregation to carry on more effectively.

Locally, Pastor O. Larsen of Danes serves as Area Director.

At Our Savior's Community Lutheran Church on Sunday, May 1st the choir robes, the public address

system and the new communion tables and silver service were dedicated to the Lord's service.

Mrs. Gordon Pedersen has her brother and sister-in-law Mr. and Mrs. Shusheuk of Victoria visiting her for a few days.

Seeding started this week and is going full swing. Hope the weather stays good.

After a short film, a talk on people who have served prison terms was given by the two officials from Calgary. It was pointed out that if society did not accept convicts when they were released they were very likely to return to a life of crime. The officials believed that majority of prisoners could return to a normal life if they were accepted by public society after they paid their debt and treated normally by employers.

Too often employers would not hire people with prison records, it was noted. This caused the convict to lose confidence in himself and possibly float back to bad company.

John Walker has been employed as supervisor of the swimming pool for the summer and the club pool further improvements, including the installation of a diving stand and board.

Helmer Waldum was winner of the Scott Pot.

Criminals Need Aid

To Rehabilitate

Importance of help from the public and business employers in rehabilitating criminals and persons who have served a prison term was pointed out to the Strathmore Lions Club at their regular meeting in the Memorial Hall last Thursday evening by officials of the John Howard Society.

Strathmore Fire Rig Kept Busy Late

The Strathmore Fire Brigade has been very busy the past few days with grass fires. Last Friday shortly after noon the outfit was called to put out a grass fire beside Mr. D. W. Walker's residence.

Tuesday, during the noon hour, the brigade was called to halt a fire which broke out in a new house at 1010 10th St. The fire was caused by a gas leak in the furnace.

CUTTING HAIL DAMAGE

Alberta farmers are watching with interest to learn the annual damage done to crops by hail storms. A U. S. corporation recently met with officials of the Alberta Department of Agriculture and outlined its plan to cut hail damage by shooting silver iodide clouds into clouds carrying hail.

As local farmers know hail can wipe a good crop out of existence, the matter of hail insurance is a matter of the utmost importance. The hail insurance plan is a big step forward in affording the farmer protection against one of his worst enemies.

Estimated cost of hail suppression ranges from between 15 and 25 cents an acre, depending on the value of the crop. Main points to remember to insure the venture and it would take a majority of farmers in any district to band together to get the cost. Total cost would be far less than hail insurance rates in this area, one of Alberta's worst hail belts. Provincial crop authorities are apparently taken a wait and see attitude on the matter. Some farmers feel the cost should be carried by municipalities and added to their taxes.

If the venture can cut hail damage in the slightest it certainly is worth studying further by the men who make their living off the land and many times each year are at the mercy of mother nature.

Paul Crough, Correspondent
The Municipal road crew are at present raising and widening the road from the new bridge at the Springside Colony north to No. 9 highway.

It would seem that someone should make up their mind about the hills and approaches to the new bridge. This bridge is open to traffic now and at long last there are no more treacherous curves on the Hutterite hill.

Beehive fans are reminded that this season opens May 15. The Rockyford team will be at standard on this date and the first home game will be May 22, when Hutterite will be the visiting team.

Today Vektor has returned from the hospital.

The strong wind Sunday morning was the first that broke the back of Hutterite's storm. The brickwork of the front of the store went out into the sidewalk. This will be replaced by steel brick.

Salvation Army Drive Underway

The Salvation Army Red Shield Appeal in Alberta is underway with an objective of \$100,000. This amount is necessary to finance the welfare work being done in its eight large institutions and 30 other camps in the province. The appeal in Strathmore will again be sponsored by the Town clubs and directed by Dr. J. W. Giffen with an objective of \$25,000.

Mr. John Pyper has gone to work in the harbor ship at Strathmore. Rockyford's loss is Strathmore's gain. John has made no plans to move to Strathmore yet and comes home on two evenings a week.

Wooding locally is getting late but some after the wet weather. It looks like the Spring wheat will be first finished this year. They completed the seeding of wheat on Wednesday.

Visitors to Rockyford are wondering when the contractors who laid the sewer and water lines last summer will return to repair the streets. Many village residents are asking the question of when they will return.

There is a noticeable lack of speedy drivers on the streets now. Mr. Ray Martin, advised us that the next meeting of the Springside of Wheelchair S. D. No. 4 will be held in Rockyford May 21. The meeting of teachers called for last Saturday in Calgary had a very poor attendance; not enough being on hand to discuss the question of salaries. From this it might be ascertained that teachers are not so interested in money as many people believe.

WHEATLAND BASEBALL LEAGUE UNDERWAY
Strathmore opened the Wheatland Baseball League at the local diamond Wednesday afternoon by posting an 11-4 triumph over Carleton Place. Other clubs in the circuit are New Valley Central High and Standard.

Warwick went the route for Strathmore with Vernon Porters handling barkeep duties. Maynard Larsen started off the bill for Carleton and was shelved from the mound and replaced by catcher.

Local News Item
Albert Poffendorf of Lytla sold a Lysn on his farm last Monday evening to be shot in this district in the past couple of weeks.

3 different Cheese-flavored Treats from One Basic Dough!

Cover oven-oven trials with FLEISCHMANN'S YEAST!

One dough—oven-oven—three kinds of cheese-flavored baking! It's easy to be a baker when you start with Fleischmann's Active Dry Yeast. Always use Fleischmann's so light and appealing! If you bake at home, be sure you have plenty of Fleischmann's on hand.

BASIC CHEESE DOUGH
1 1/2 cups milk
3 tablespoons granulated sugar
3 teaspoons salt
1 medium onion, minced
1/2 cup butter
1/2 cup Fleischmann's yeast
1/2 cup granulated sugar
1/2 cup salt
1/2 cup oil
1/2 cup Fleischmann's yeast
1/2 cup granulated sugar
1/2 cup salt
1/2 cup oil
1/2 cup Fleischmann's yeast

1. CHEESE LOAF!
Shape loaf in 1/2 lb. dough into a loaf and let it rise in covered loaf pan about 1 1/2 hours. Bake in 350° oven for 1 hour. Slice and eat hot or cold. Makes 12 slices.

2. MARINATED BREAD!
Roll out a quarter of a batch of dough into 8-inch square on a lightly-dusted board. Spread with 1/4 cup marinade and sprinkle with 1/4 cup cheese. Bake in 350° oven for 15 minutes. Slice and eat hot or cold. Makes 12 slices.

3. CHEESE BRAD STEAK!
Cut a quarter of a batch of dough into 12 equal-sized pieces and roll, one at a time, into thin strips about 7 inches long. Strain strips until water and oil lightly is removed. Fry in 350° oven on greased cookie sheet. Drain and let stand on paper towels. Makes 12 steaks.

2 p. m. and all interested are invited to attend.

News From Gleichen
Mr. and Mrs. Ed. Buckhals and family of Medicine Hat were week-end visitors at the D. & MacArthur home.

Mr. and Mrs. H. Hampton of Calgary were visiting at the Frank Corbitt and McKeever and P. M. Warner home on Mother's Day Sunday. Mrs. J. Hampton accompanied the Hamptons back to Calgary Sunday evening to spend a few days and have a doctor check up.

Mrs. Fred Hinkle is a patient in the Haysan hospital. We all wish her a speedy recovery.

The W. A. Ladies of the Gleichen United Church are pleased over the success of their annual Mother's Day tea, home cooking and sale of potter plants. The ladies wish to say a special thank you to all who in any way helped make this effort go so well.

We are glad to report Mr. W. P. Ferguson and Mrs. E. Johnson are home from Haysan hospital where they have been confined for a time. Frank and Gabriel Corbitt and Mrs. Burnside McKeever and family wish to thank all their neighbors and friends of Gleichen, Cluny and

district for turning out to help fight the fire that destroyed broad-ribbons with part of our spring chicks, who also saved a wash house close by that held some articles of value, also a word of thanks to the telephone operator on the board at the time and the very special word of thanks to the two Mrs. MacArthur's for taking care of the fire alarm calls. We are very sorry for the two Mrs. Don MacArthur and Ed. Buckhals of the Hat who received very severe facial burns when the fuel oil drum exploded. Chemical engines from the Gleichen fire department were also rushed to the scene of the fire and a special thank you goes to them.

For the summer months beginning May 15th Gleichen Sunday school will begin at 10:45 A.M. and United Church service at 12:10 P.M. The Gleichen Cluny 4 H Club will show their calves Saturday May 21st, at the Gleichen Reunion Centre. Come, come, come and see the crowd.

Mr. and Mrs. J. Wilson entertained at a turkey dinner on Mother's Day. Mr. and Mrs. J. Wilson and Mrs. M. A. Tiddell.

The regular meeting of the United Church W. A. was held at the home of Mrs. A. Murray on the evening of May 15th with 21 members and 4 visitors present.

Provisional Miss Paul opened the meeting with a prayer, repeating creed and singing of these songs. The devotional period was taken by Mrs. Shupe. Theme was "Invisible Parenthood."

Minutes were read and adopted and Treasurer's report approved. Different committees gave their reports and all bills were voted to be paid.

Mrs. E. Bollinger gave an interesting summary of the second part of our study book, "Face to face with God."

The meeting decided to entertain guests at our June missionary meeting. Meeting will start at 4 o'clock, Thurs. evening, June 16th. Mrs. Paul reminded the ladies that beginning May 15th, Sunday school will be at 10:45 A.M. and church service at 12:10 noon. After the meeting adjourned lunch was served and a pleasant time enjoyed chatting over the tea cups.

To Teach States About Canadians
The University of Rochester is going to extend its Canadian Studies Program which was started a couple of years ago. That's an excellent idea, says The Financial Post, which adds:

"There is a pretty general belief in this country that Canadians know much more about United States than Americans know about Canada. That may be just a form of national snobbery or it may be partly true. In any case, however, there is plenty of room for much more neighborly knowledge."

The University of Rochester in extending its studies on Canada is setting an excellent example not only for other American universities, but for Canadian universities too. Canadian American relations, good as they may be, cannot help but benefit from more understanding on both sides of the line.

Davy Crockett
A mother, who ordinarily has a lot of trouble keeping up with her children's interests, reports she has made a big mistake about Davy Crockett. Although she has heard the song about the king of the wild frontier some thousand times apparently she hadn't listened hard enough for she had one part badly twisted—in the delighted scorn of her offspring.

She says she rolled on the floor laughing at her when she finished the song. Davy Crockett could have had such a grand reputation in so short a time, having "killed in a bar when he was only three."

How Many Minutes Per Gallon?

Of course, you don't have to make gasoline yourself. But you do have to work at your job to make the money to buy gasoline. And today you don't have to work nearly as long as you did in 1939, or even 1946.

Back in 1939, the average Canadian had to work 33 minutes to earn enough to buy a gallon of gasoline.

Seven years later, in 1946, the same Canadian had to work 29 minutes to earn enough to buy a gallon of gasoline.

Today he has to work only 17 minutes—about half as long as in 1939—to buy a gallon of gasoline.

(It's much better gasoline, too. Two gallons of today's gasoline does the work of three gallons made in the 20's.)

MASSEY-HARRIS MACHINES TRACK-TESTED for DURABILITY FIELD-TESTED for EFFICIENCY

TESTING — TESTING — TESTING —

Testing is never-ending at Massey-Harris. Track testing goes on day and night, winter and summer at the Massey-Harris-Ferguson Test Track. Tractors and implements are checked with electronic equipment for stress and strain analysis. They are endurance tested for ability to stand-up under long usage and are given severe shake-down tests over the bumps to check resistance to breakages.

Steel, paint and other materials are analyzed and tested in the factory laboratory to insure that they meet requirements and specifications—careful check is kept on foundry castings—inspection departments make constant

assembly and run-off tests on production machines.

Field testing is a constant year round activity of the engineering divisions of Massey-Harris-Ferguson. Machines are sent south in the winter time and follow the harvest north until freeze-up to give new models as much work in the field as possible. Machines are tested under many varied conditions for ability to do their work well, for ease of handling, for economy of operation, and for capacity to do a good job. Well designed, well built and thoroughly tested Massey-Harris and Ferguson machines offer outstanding features in modern equipment. Your local dealer will be glad to give you full particulars.

Cluny

The regular meeting of the Cluny W.I. was held at the home of Mrs. Jack McArthur, 18 members and three visitors present. Mrs. Leroy Koford, president, opened the meeting with O Canada followed by the Creed. After the business was taken care of it was moved.

Mrs. Fred Fairbairn was delegate to the convention in Edmonton May 30 to June 2nd. The roll call was answered by turning in used wool which is to be sent and a blanket to be made and raffled off. Mrs. Fred Fairbairn gave an excellent paper on Home Economics. Training of the young people to carry on after leaving home, hobbies for those at home and the care of freezing and how it should be kept in home freezers.

Mrs. Betty and Miss Burns were in charge of the entertainment. The birthday raffles were won by Mrs. Fairbairn, Mrs. J. Kelly and Mrs. Grieve. A delicious lunch was served by the hostesses Mrs. D. Corbett and Mrs. N. Stewart.

The square dance jamboree which was held in the hall was well attended with 14 squares coming from Basano, Carleton Place, Strathmore, Rockford, standard and Husan. The caller was from California, Mr. E. Gilchrist.

Pat and Mrs. Harold Reimche and boys of Medicine Hat also attended Ron Reimche of Terrance, spent several days at the home of their brother and sister.

In-law, Mr. and Mrs. Ben Reimche. Frank Corbett's brother-in-law burned down on Sunday morning losing many young chickens. Don McArthur and a friend of his from Medicine Hat got badly burned on their faces when an oil drum exploded. We wish them a speedy recovery.

Fairplay Notes

Mr. and Mrs. Bill Anderson have again taken up residence in the district for the summer. We welcome you Bill and Adeleine.

Mrs. Habberfield of Aldrie spent last week visiting her son and daughter-in-law, Mr. and Mrs. Gordon Habberfield.

Mrs. Sally Dain and Mrs. K. L. Albertson of Calgary were out for the Special W.I. Mother's Day meeting on Wednesday. Mrs. Albertson spent several days at her son's home.

Miss Irene Sandberg, Fred and Clarence Moore of Rumsby were weekend guests at the home of Mr. and Mrs. Fred Dain.

Mr. and Mrs. Ken Brooks and family of Calgary and Mr. Howard Habberfield of Aldrie were Sunday visitors at the home of Mr. and Mrs. Gordon Habberfield.

Mother's Day callers at the E. L. Albertson home included Mr. and Mrs. C. Dumbarton and family, Mrs. K. L. Albertson, Mr. Jim McCall of Calgary.

Mrs. W. D. Braden is expected home this week from Eastern United States where she has been visiting for 3 weeks.

Record Auto Year

Canada's automakers are unleashing their multi-million dollar production to meet what they have decided will be continued booming demand for new cars, reports the Financial Post.

That looks certain now. There are even predictions that new car sales this year will equal or surpass the tremendous figures of '53.

In recent weeks manufacturers have been faced with a big problem: whether to slacken their hot production pace or decide that 1955 is going to be a better sales year than most once thought.

There's still a chance that auto makers will pull in their horns, decide that 1955 will be just another year but latest developments make that look unlikely.

Langdon Notes

BY MRS. F. D.

The Annual Mother's Day meeting of the local W. I. honoring the Grandmothers was held Wednesday afternoon with Alberta Jubilee as the theme. The room was appropriately decorated. The table was covered with a three tiered cake. The guest book was passed for the visitors to sign and corsages were presented. A song, musical selections and a very interesting talk by Mrs. O. Pedersen of Standard provided the entertainment.

Mrs. Taggart on behalf of the W. I. then presented Mrs. Kow with a life membership pin and certificate.

Mrs. Kow, almost unable to express her surprise thanked the W. I. for this honor given her.

A busy lunch was served by the committee in charge to the 50 ladies present.

We were especially pleased to

welcome our honor members, Mrs. Albertson, Mrs. Jessy and Mrs. Dain, also Mrs. Taggart, Sr., the oldest one present who is 98.

We wish to welcome Mrs. and Mrs. Macintosh our new station agent.

Andy Ohman of Calgary was a weekend visitor to the Taggart home.

Mrs. Wm. Falkner and girls were visitors at the Culwell home recently.

Mrs. Lewis, Mrs. Dain and her

daughter were supper visitors at the Page home Wednesday.

Mr. and Mrs. C. H. Croone and family were visitors at his parent's home Mr. and Mrs. Taggart recently.

We wish to correct the announcement made by CFCN, Mrs. Taggart celebrated her 80th birthday at the home of her son Fred in London.

Not her death as was announced at noon Monday.

Now! We proudly present GMC Blue Chip Trucks for 1955

Here to give you better value, better handling and better earnings is the new generation of trucks with more than 500 improvements!

Now you can show you the trucks that were years in the making. The job called out all General Motors resources. But here at last is the BLUE CHIP version of every type and weight truck in modern use.

GMC's BLUE CHIP line surpasses all previous GMC models. It has no less than 500 new features—every one an extra asset in service.

Smart passenger-car looks—even to a reared-back windshield with wide-horizon visibility—are backed by unheard-of economy and stamina. That means engine-wise, frame-wise, axle-wise and otherwise!

Earning capacities are boosted. Operating efficiency hits brights never before reached. Running costs are slashed.

And GMC BLUE CHIP advances go clear across the board. Name your type of work, and there's a BLUE CHIP GMC—from dashing Pickup to 10-wheel tractor—that fits it to a T.

For new values—new prestige of ownership—new ways to better your income—come see the BLUE CHIP GMC's now!

● GMC BLUE CHIP CABS

These all new cabs include a unique 90° door-swing low-step model that's easy to service!

● GMC BLUE CHIP STYLING

brings boulevard smartness with raked-back windshield and chrome-type instrument panel.

● GMC BLUE CHIP POWER PLANTS

General Motors has stepped up the power in the mighty GMC valve-in-head 6's. And there are two great new V8's, with shorter strokes for maximum power.

● EXTRA GMC BLUE CHIP HIGHLIGHTS

● New cabs with greater comfort, unexcelled visibility
● New service chassis for tough operations
● Shorter wheelbases for greater maneuverability
● New frames and axles for longer trouble-free service

Money in the bank

Millions of Canadians know the value of a bank account—the security and comfort it brings, the peace of mind it assures, the enterprise it makes possible.

When you keep your money in a chartered bank you know it is safe. And you are dealing with friendly, experienced people, skilled in the management of money and anxious to share their knowledge with you.

There is a type of account to suit your purpose, some designed to help you accumulate funds, others featuring the convenience of chequing.

Your local branch bank provides these and many other services. It is much more than a handy, safe place to keep money. It is a banking service-centre where you can count on prompt and courteous attention to all your banking needs.

Only a chartered bank offers a full range of banking services, including:

SAVINGS ACCOUNTS
Keep your money safe; pay you steady interest; encourage the habit of thrift.

CURRENT ACCOUNTS
For individuals and companies who pay by cheque; your cancelled cheques serve as receipts.

BANKING BY MAIL
Convenient and gives time. All your routine banking can be handled in this way.

JOINT ACCOUNTS
For individuals or companies who pay by cheque; your cancelled cheques serve as receipts.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

Len Nesbitt Retires From Wheat Pool

Leonard D. Nesbitt has retired as superintendent of publicity for the Alberta Wheat Pool after having served in that capacity for almost 21 years. He was the Pool's first publicity man, setting up the department in 1934, only a few years after the Pool was formed. In recognition of his long and friendly association with the members of the Pool's office staff, Mr. Nesbitt was presented with a color camera at a gathering in the office. Mr. Nesbitt expressed thanks for the gift and said he had enjoyed his work because he believed he was assisting an organization that was needed by the farm people of this province.

Later he was guest of honor at a dinner of the senior officials of the Pool at which time he was presented with an oil painting. Commenting on Mr. Nesbitt's retirement, A. T. Baker, Pool manager said: "It is with regret we bow to the inevitable passing of time and accept the resignation of Len Nesbitt. As superintendent of publicity for nearly 21 years he labored ably, tirelessly and unceasingly in the interests of farm people. His efforts were not confined to the Pool as he made a great contribution to the welfare of the whole community through his work with the Red Cross, AMA and many organizations as well. Being imbued with the true cooperative spirit, he was always ready to lend a helping hand to any worthy cause. His keen sense of humor, likable personality and friendly understanding of people, combined with a true appreciation of the problems of agriculture and the ability to express himself have brought him wide recognition as a capable champion of the farm people."

NICE HOUSES Canadian taxpayers, who provide their MP's with full time salaries of \$10,000 a year and generous pensions should be interested in Toronto House and Mail report that during the last year, the House of Commons spent \$20 million on the purchase of new houses for its members. At one point during the afternoon, only 21 of the 161 MP's were in the House and at no time were there very many more on hand. The House of Commons is now a very expensive place to live.

TV Killing Music Says Dr. Leslie Bell

One of Canada's best known television performers got out of TV because it provides too many dollars and too little security, Dr. Leslie Bell, leader of the Bell Brothers choir group, I am a musician and the only part a musician can play in TV is second fiddle.

Here's why Chevrolet out-takes all comparable makes!

Learn what
engineering
leadership
brings to V8 power

Modern 12-Volt electrical system

This 12 volt system with its better, faster start, a re-charger with Chevrolet in the lower priced three, it gives faster start on cold mornings, and provides a big supply of reserve power.

Controlled full-pressure lubrication

Controlled full-pressure lubrication results in greater oil economy and in finer engine protection. The oil is forced to every working part of the engine.

Better all-round performance

Chevrolet's "Turbo-Fire" V8 makes use of General Motors' long experience in making unbeatable V8's for big cars. That's why Chevrolet's V8 performance is unrivaled by comparable makes.

Higher compression economy

Chevrolet V8 has a compression ratio that is unequalled anywhere in its field. In fact, its compression ratio of 10 to 1 puts the "Turbo-Fire" V8 in the performance class of top priced cars. You can feel the instant the instant you put your foot down on the accelerator. And, of course, high compression means high economy.

Now, shorter piston stroke

In Chevrolet's "Turbo-Fire" V8, the piston moves only three inches - reducing cylinder wall friction, heat and making possible greater efficiency.

Smaller engine

Because the piston moves only three inches - reducing cylinder wall friction, heat and making possible greater efficiency.

As a solution, Bell suggests similar programs. He feels the viewing public would not only accept such programs but would stand up and cheer them.

Bell expresses the opinion that the TV medium is not the high cost of production, planners worry about whether their ideas will attract viewers; producers search frantically for new gimmicks novelty for its own sake.

Jitters are rampant in all phases of TV. Sponsors worry about the high cost of production, planners worry about whether their ideas will attract viewers; producers search frantically for new gimmicks novelty for its own sake.

This seems a satisfactory arrangement for the present, he declares, but what about the future? What about the next generation? Children are too busy with Hops, long Cassidy and Space Cadet to be bothered turning on the radio. As a result they are not likely to hear good music or become acquainted with it and, as they grow up, they will not demand it or even want it.

Because of TV, we are doing little to entertain ourselves. We are fast becoming a new sort of race half man and half chattering bird, sitting watching the world's best talent beating its brains out to please us.

TIPS ON TOUNING

Should husbands and wives take separate vacations?

Mr. and Mrs. John Doe, happily married 18 years, say yes. They

point out they are together all year long, sharing the same problems, pleasures, general experience and the other routine of day to day living. They are not bored with each other, it isn't that; but they like a break from normal once a year.

John is a winter sports enthusiast. He is no rugged, marie type, outdoor man; but he gets a big kick out of skiing, skating, tobogganing and fishing through the ice. He laughs at his annual "Operation Iceberg" and the two week old board he grows, but he loves it.

Mary, his wife, knows it makes him happy - but she is a Westerner and once a year she likes to visit home and the place she knows so well. And, quite different from her husband's more active tastes, she enjoys the pleasure of a nostalgic homecoming.

John takes his vacation in the North. Mary in the West and it is a perfect arrangement for them.

NEW HOLLAND FIVE BAR "Rolabar" Rake

Now you can see for yourself the newest design in side-delivery rakes! New Holland's new "Rolabar" rake... engineered to fit modern tractor farming. It's built for ease, speed and smoothness. An exclusive five-bar reel moves so quietly on sealed precision bearings you've never seen! Yet raking is faster because hay delivers to the side faster... and travels forward only one-half as far... as with conventional rakes.

Clean Design Cuts Service Costs

You'll just have to see this rake to appreciate it! Service needs are cut to a minimum. There are no chains, pulleys, sprockets or belts to jam, stretch or break. You get straight line power. Gear box is enclosed.

And you get more features... more performance... than you'll find possible from your experience with ordinary rakes. Make sure you see this really great new side delivery rake. Come in and take a look at our New Holland Rolabar Rake! Now on display!

Hotelmen Awarding Jubilee Scholarships

Three major Jubilee scholarships tenable at the University of Alberta, and four at the Banff School of Fine Arts will be awarded this year by the Alberta Hotel Association in addition to the annual scholarships offered by the organization.

Each of the university Jubilee scholarships will be for \$1,000 to cover a three year period of study to be completed for by students resident in Edmonton and Calgary, one by students in the northern part of the province and one by students in the central and southern zones. The scholarships will be administered by the U of A.

To further commemorate the 50th anniversary of the province, the "Jubilee Selection Committee" granted an additional \$1,000 to the Banff School, bringing the total to \$3,000 this year. The Jubilee award will go to outstanding students in the fields of music, drama, painting and languages.

All scholarships offered by the Association are competed for by students resident in Alberta only. Applications are now being received by Donald Cameron, director of the Banff School, for the 1955 session from July 4 to August 12 and winners will be announced shortly.

Policy of the Selection Committee will follow the same pattern as in previous years. Fifty three pupils graduating from grade 12 will receive awards designed to pay their way during the first year at university and a special fund of \$5,000 has been set up to assist students in lower grades to continue their education. The entire scheme will cost the hotelmen between \$35,000 and \$40,000 this year.

Seeding Delayed

Recent onslaught of rain and snow in Saskatchewan is furrowing the minds of farmers, the provincial highway department, contractors and farm implement dealers.

Spring seeding was just starting when the deluge descended. Now seedling is late, crops may prove vulnerable to rust and fall frost.

However, there is much more seed resistant to fall frost available this year to help prevent a repetition of last year's record rust disaster. And there is still lots of time for improved weather to help brighten the rural scene.

● **VOICE OF THE PEOPLE**

Premier Manning, Social Credit leader for the past 30 years in its own words believes it will make a better case, as too little opposition is a good action to the best action is a good defence.

Mr. Manning talked on the air Wednesday evening for 15 minutes and most of this time was spent in reminding the opposition members were resorting to gutter politics in an attempt to gain support from the people. Mr. Manning should be commended for calling an election so quickly. Undoubtedly he has confidence that the vote of the people still favors the Social Credit Party and feels the people will give his party a vote of confidence June 23.

The opposition seems to have the best chance in years of gaining more than the handful of seats it has in the past. The opposition still favors the Social Credit Party and feels the people will give his party a vote of confidence June 23.

HOL

The officers of the Holy Cross were in the same building as the one who got the election to the clerical operator. "Collector or Inspector?" asked the boy.

"Taxman, please," replied the woman.

"Now look here, Ma'am," said the life-boy, "do you want to pay or do you have an argument?"

STRATHMORE WINS 21-0

OVERSTANDARD CLUB

Sparked by the one-hit hurling of Vernon Parsons Strathmore defeated Standard 21-0 in the local diamond Wednesday evening in the second contest of the Wheatland Baseball League. Parsons was in the form on the hill for the winners and chalked up 13 strikeouts. In the seven inning affair, Strathmore got away to a good start with three runs in the opening inning. In Others' Words

TAKES AND CHILDREN

As the time of the year passes for paying income tax, those taxpayers with children might be excused if they feel somewhat bitter over exemptions for children. These exemptions, which used to be within memory of most taxpayers — a reasonably generous amount — have now dwindled to a tiny \$100.

It's an unrealistic figure, even considering the baby bonus, as the mother's allowance is generally added. At the two together, and you get \$100, at the lowest allowance. A family with children will still have for the fact that raising a child costs more than \$100 a year, or \$150, or \$200.

The difference between the former exemption and the present non-existent allowance is, presumably, spent on maintaining a

household and sheltering staff to handle the intricacies of paying no taxes. Allowances. It must be said here that there are families who need, more desperately, the baby bonus. But there are others who could do very well without it. If they were allowed to claim an exemption in the neighborhood of \$400.

What might be proposed is a "bonus" for the baby bonus, the reverse of the previous bonus for old age pensions. Those who didn't need the bonus would be allowed a reasonable exemption; those who did need the bonus would receive it. And surely there are enough statisticians in the government to decide which would and which wouldn't.

MAIN STREETS POOR HIGHWAYS

Recently we commented that the plans for the new No. 3 highway south from Calgary to Port MacLeod and Lethbridge seemed very much in doubt. It was reasonable to have a through-route as clear of local traffic hazards as possible. We still hold that view, and offer the suggestion that objections can be met by good side roads to towns, and possibly some control of building along the highways.

Residents of towns on the present route have been objecting to a road which will bypass their communities. It is perfectly understandable that they should fear a loss of business and also being left off the main route.

Quite sensibly a main highway should, as far as is reasonably possible, serve the largest number of routes. Hon. Gordon Taylor says that the new road is planned to run about one and one-half miles off the main route, whereas residents feared it would be only one-half mile.

To bypass larger towns is desirable, not for a super highway for the new highways will doubtless be road controlled and police patrolled, but to prevent congestion which will snarl traffic both on the roads and in the town streets. — Calgary Herald.

LADIES AUXILIARY

The May executive meeting of the Strathmore Ladies Auxiliary was held on May 10 at the home of Mrs. R. Ferguson with 12 members present.

Correspondence read and treasurer's report given. A report of the Mothers' Day tea was given. The sum of \$103.39 was cleared.

The secretary was instructed to write Mrs. Chappell of Calgary for her transfer. A coffee pot will be purchased at the earliest opportunity. Unless necessary there will be no executive meeting in June. Confirmation of hotel reservations was received by the delegates Mrs. T. and Mrs. Harell to the convention June 12 to 15.

FLOODS, COLD STILL HARASS PRAIRIE FARMERS

—Central Press Canada

Hales, floods and the remnant of winter is still beautiful parts of the prairie province. Thousands of miles of roads have become impassable and thousands of acres which at this

time of year are usually showing green are buried under a foot of water, some or much. The cluster of farms, almost surrounded by floods, was photographed from the air near Saskatoon, Sask.

Early Grazing Poor Business

Your pasture is a factory which converts light, water and soil nutrients into grass for beef for dollars. It's a chance at the beginning of the growing season to make a good pasture which will return many dollars from Winnipeg and Saskatoon Local communities usually hold a banquet in honor of the Master Farm Family and at this time the \$1,000 cheque is presented to the wife, maid, sign and display plaque to the husband.

Master Farm Family

The purpose of the awards is, through honoring outstanding achievement, to improve rural life generally. Each Fall the Minister of Agriculture announces the five successful families and the Master Family and farms is carried in many Alberta papers and farm magazines from Winnipeg and Saskatoon Local communities usually hold a banquet in honor of the Master Farm Family and at this time the \$1,000 cheque is presented to the wife, maid, sign and display plaque to the husband.

The family must be Canadian citizens, and the father the operator of the farm either as owner or lessee. The head of the family must have spent at least twenty years farming. Partnerships, or those who have received large amounts of money from other sources (millionaire farmers) are not eligible. Any farm family meeting these requirements may be nominated by three farm neighbors and will be judged. Each family nominated is scored on a basis of 1,000 points with not only the operation of the farm being considered, but also the home, family, and community activities.

Alberta is divided into five parts for the awards, this part being all south of No. 5 highway and the Red Deer River. The Magrath, Calgary and High River districts have each won an award in the six years the program has been in operation. The winners are: 1954, the Hynes family, near Magrath; 1955, the Hynes family, near Magrath; 1956, the Hynes family, near Magrath; 1957, the Hynes family, near Magrath; 1958, the Hynes family, near Magrath; 1959, the Hynes family, near Magrath.

Red Shield Appeal

Salvation Army leaders are facing the biggest expansion program in the movement's history in Canada. Air Marshall W. A. Bishop, VC, CR, DSO, MC, DFC, ED, LLR, said in announcing the dates of the 1958 National Red Shield Appeal which runs to Monday, May 22.

Air Marshall Bishop, who is Chairman of the Salvation Army's National Advisory Board, noted

that this year The Salvation Army is 10 years old. The Movement has grown up with Canada until citizens in all walks look upon it as a "necessary and appreciated" part of Canadian life. He indicated his confidence in the success of the 1958 Appeal, and urged all Canadians to assist by giving or contribution. Theme of this year's Appeal will be "The Open Door". That, declared Air Marshall Bishop, is the key to the Salvation Army's attitude to human need.

of Mrs. George Pedersen this past week. Mrs. Jensen is Mrs. Pedersen's niece.
Mr. and Mrs. Ted Knott have just returned from Vancouver where they attended the services at the Union Theological College where their son-in-law, Bob Watson, was ordained. Jack stayed with Mr. and Mrs. Harvey Commins during her parents' absence.
Mr. Jess Gustafson of Red Deer is now spending a few days with his family at Standard.
The Standard Union Ladies Aid met Friday at the home of Mrs. Hans Hoffmeyer with Mrs. McGowan as co-hostess. Only 11 ladies were present due to the muddy roads and rainy weather. There was an election of officers and Mrs. Rachel Brugg was elected president, with Anne Hoffmeyer and Esther Madson as vice-presidents. Final arrangements were made for the plant sale and tea which will be held this Friday. Potluck Supper will be sold as well as other setting out flowers and vegetables. Several of the dresses from the Disabled Civilians Workshop were modelled and a bridal dress and trousseau dress which passed back in Jan. 1965 were also modelled. A lovely lunch was served by the hostesses. The June meeting will be at the home of Mrs. Halthe Norman.

Social Credit Moves Into Saskatchewan

It is now clear that the Social Credit party is going to try and move into Saskatchewan and challenge the established OCP party. The Liberals in Sask. claim this will mean a severe blow to the socialists in the prairie provinces. They believe many of the CCF party's supporters will swing to Social Credit.

providing that group can come up with an able leader.
The CCF on the other hand see in the new development a threat to the existence of the Liberal party in Saskatchewan. The socialists claim that the Liberals are now so disorganized that a "political vacuum" has been left where there was once a strong Liberal machine and that the Social Crediters intend to fill that vacuum. Which interpretation is correct only time will tell. But the first

Chrysler engineers have developed an automobile seat belt installation which meets functional specifications established for seat belts in commercial airliners.
The seat belt package will soon be available as optional equipment for all 1965 cars. No factory installation is planned for the present. The company is now investigating the possibility of adapting this package to Chrysler built cars of previous model years.
The company's decision to offer seat belts was described by a spokesman as "part of continuous effort to develop accessories that are popular with drivers of today's cars, and which contribute to their comfort and safety."
Howard J. Moore, general parts and service manager, said that too little for the seat belt package is now being completed. The belt installation will be sold either in sets of three for the front seat alone, or the car may be fully equipped with belts for all its occupants.

WHERE DOES THE DOLLAR GO?

Everyone likes to keep track of the money he earns.

At Imperial Oil, accountants keep close tabs on every dollar the company receives. Auditors and government tax people double check. Of every dollar of Imperial's income last year...

About 52 cents went to purchase new materials including crude oil (the heavy freight charges out of this too).

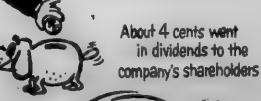

Roughly 30 cents went in operating and administrative costs, including the wages of Imperial's 13,000 employees.

10 cents went in taxes to federal, provincial and municipal governments. (This did not include provincial road taxes.)

About 4 cents went back into the business to help replace worn-out equipment and provide for future needs.

About 4 cents went in dividends to the company's shareholders.

Hussar Socials

BY MRS. M. C. B.

Miss Shirley Moulton, R. N. is at home for a holiday with her parents, Mr. and Mrs. Moulton. The Messrs. Moulton and Barbara Moulton were down from Calgary for a brief stay this week.

On Thursday, at 2:45 the Junior Mission Band held its first meeting before the summer holidays. If the weather permits they will hold a "water" meet.

The meeting of the "Forward With Christ" visitors has been set for Friday evening May 20.

Mr. Bell was a Calgary visitor last Friday.

Mr. Made Jenson, a Calgary, formerly of Hussar, underwent a major operation in the Holy Cross hospital Tuesday morning. His condition was reported as good as could be expected.

Mr. and Mrs. Ralph Armstrong were Calgary visitors Wednesday. Everything is held up now by the continued rain and snow, but some farmers have half their seedling done.

Thursday, May 19, the Hussar Ladies Aid met at the home of Mrs. Frank Barrow, with all officers and 22 members and visitors present. It was decided to clean the kitchen and take stock of all property owned by the Aid. In the near future, the Aid's Sports Day has been set for June 9th the regular Aid meeting day. It was decided to meet at the home of Mrs. Ellen Muller, the president, on Thursday, June 2nd. The program consisted of contributions from all housing

Mother and readings by Madeline Anne Schaffer, and Vera Barker, and a duet by Madeline Marie Pringle and Evelyn Duck-Schmidt. The contest was won by Mrs. Jo-Anne Holman, and the draw by Mrs. Rosemarie of Calgary, who is visiting her relatives the Bander family here. Next draw will be furnished by Madeline A. Johansen and H. Brinton. Mrs. A. Johansen was presented with a silver cup, by the president Mrs. H. Muller for her baby son.

The date of the Hussar Sports and School Sports has been definitely set for June 9th instead of June 10th.

Wednesday evening, the Hussar Home and School Association met at the school, with Mr. Heinemann presiding and Mrs. C. Reiffenstein, secretary, and 21 others present. A splendid report on the Home and School convention in Banff was given by the delegate Mrs. Jessie Kivipatrik. Miss Marshall of Calgary, gave a very interesting and instructive talk on "The Growing Child," she was accompanied from Standard by Mrs. T. P. Bell. Rev. Talge gave a vote of thanks to Miss Marshall for her assistance both in the talk, and in answering the questions the interested members asked. This was seconded by Mr. H. Rapp; and heartily approved by all present. It was noted at this meeting that the graduation exercises will be held Friday, June 27 in the Hussar Community Hall. This will be followed by a dance and members of the Home and School will serve the lunch. The next meeting will be in conjunction with the school achievement

day Monday, June 6th in the evening. Mr. Holman, superintendent is to be invited to attend this meeting.

OPPOSITION JOINING

Northwestern Provincial Election seems as a good battle in that many areas the two major opposition parties are getting together to make a single candidate.

The political experts apparently feel they have a better chance if they don't split the vote and in many districts this could prove to be the (Strathmore constituency) member M.L.A. George Bell of Glenora will seek the nomination while the Liberals will probably again send Charlie County of Rockyford as their representative. In the last election Bell had a vote better than a 2-1 edge over County in votes. Many voters have nothing definitely against Social Credit except that they have too large a majority and possibly have been in office so long they have been lulled into a sense of false security.

The prospects are confident Social Credit will have a few seats but will still retain a sizeable majority.

ROUGH FOR FARMERS

Farming is becoming an increasing hard business to maintain. The year ending this year has made ending late and even now many farmers are just getting started in the County district.

Majority of farmers are still holding grain from last year and some are a good deal of expense has been entailed to provide storage for this grain. The world wheat market, with the United States grain away, does not hold too much promise for a good price return on products which has become a surprise.

Farm machinery and labor still high while the farm income has declined the past two years. Between battling the weather and coping with the changing demands of the world the farmer has no bed of roses these days.

The Editor

The understanding about the proposed store donated to the Legion of Strathmore, was that same could be used for community purposes. However permission to use store for ball club on 31st of May was refused. What is the reason for this? A proposed store was built from a firm in Calgary. Do we have to always get help from outside our own community?

Fred Hiltner.

WATCH OUT FOR HITCHHIKERS

Hitchhiking crimes have become so common that only the most blasé get nationwide attention. Before the summer is over you are sure to see many hitchhikers. Most will be innocent enough - soldiers on leave, youngsters without bus fare. But how can you tell the honest youth from the vicious thug who is waiting to steal your car and money and perhaps even to kill you? There's one sure way to find out: the Reader's Digest observes. Pick up the hitchhiker and give him a chance to rob, knife, blackjack, shoot or kill. If he does none of these things, he is all right.

The article also says after case of robbery, assaults and killings on the nation's highways. Some of these crimes have been committed by men in uniform - others by youth mistaken for college boys. A businessman who had visited his son at college picked up a young hitchhiker only a block from his son's fraternity house. This was the motorist's kindly comment - a thank you, for little given his own son. The next day his naked, beaten and mutilated body was found in a bloody snowbank on a back road. Increase near panic or mental institution, a large proportion of all hitchhikers are escapees. Some of these places are marked for motorists protection, but most are not. Drivers unfamiliar with the area cannot know they are entering a critical region. Even the non-criminal hitchhiker can cause financial trouble. A driver may be held liable for injury to a hitchhiker. One collected \$25,000 from his host in a recent case, the article reports.

In Others' Words

CANCER AND THE H-BOMB

In a Hydrogen bomb strike on a unidentified Canadian city of more than a million population, 48 per cent would expect death if they received advance warning and took precautions.

In an attack by Cancer - the silent killer, Canadians have a 50 per cent chance of escaping death if they receive warning and obtain early, adequate treatment.

We are informed that a experimenting with a warning device that could be installed in a bedroom and be set off by a change in electric current if enemy bombs are approached and that within two years an elaborate detection system would be able to warn tax cities from two to six hours ahead of an enemy bomber raid.

The Cancer Society is conducting a year around nation wide program to attract the public of the warning symptoms of this disease.

Millions of dollars are being spent for super range jet planes and guided missiles of tremendous power as a defence against atomic or hydrogen bomb air raiders.

In contrast, the Cancer Society is seeking the comparatively modest cost of two million in its annual educational and fund raising crusade while preparing for an offensive against cancer by supporting research and stimulating discovery of new, more effective medical weapons against cancer.

Keep Stubble On

Maintaining stubble on the surface of our summerfallow is a practical and economical method of soil conservation. Even small amounts of erosion will result in decreased fertility. If a large percentage of stubble is retained on the surface, the fields will be protected from both wind and water erosion.

Regardless of the implements used in cultivating a certain percentage of the stubble will be lost. Blade or shovel type cultivators tend to keep more stubble at the surface than disc type implements. However, if the soil is very wet, the disc type machine tends to kill more weeds than the cultivator. Use machine driven at high speed, cause excessive pulverization of the soil especially during dry weather. For this reason a speed no more than three miles an hour is recommended for this type.

There is apparently no advantage in cultivating more often than necessary for weed control. Cultivation is done two to four times each season at a depth of three to four inches. This practice maintains an adequate amount of stubble on the summerfallow to combat wind and water erosion.

PROFITS?

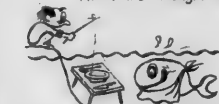

The people
who conduct public opinion polls

asked a large
number of Canadians this question:

"How big a profit do you think the average
Canadian company makes?" Most people thought
it was nearly 28% on the income dollar.

Then these people were asked what
profit they thought a company ought to make.
Most of them thought it was

about half as big as that, or around 16%.
Actually, Imperial's profit last year was less

than one-third of what people thought
we made, or a little more than 8%. Of this,
just over 4% was distributed to Imperial's
shareholders.

The rest went back into
the business, to help
replace worn-out
equipment and meet future
needs.

Hussar Socials

BY MRS. M. C. B.

Thursday evening the social of the music pupils of Mr. Carl Donner was held in the Lutheran Church parlors, which was filled up with capacity with parents, and friends who were well repaid for their efforts in being there. The following took part with musical selections: Elaine Will; Delores Jensen, Elaine Strala, Marlene Gutzwiller; Leroy Barker; Susan Tanager; Beverly Law; Sharon and Wilma Kuehn; Edwin Hoffmann; Ralph Montgomery; Janice Montgomery; Linda Frame; Nancy Radtke; Glen Montgomery and Barbara Joranson. All performed splendidly. Miss Linda Frame brought a lot of humor to the program with her splendid rendition of Bosse's Practice Hour. She and her mother had come from Twining to be present at this revival. Mrs. Frame gave a very interesting talk after the program on the parents' duties towards music pupils. Mr. Donner gave a short address on music development. Mr. Earl Johnson, on behalf of the students gave Mr. Donner a gift of appreciation. At his work here: Mr. Donner gave an appreciative talk of thanks. Both men also thanked Mr. R. Tange and the church board for allowing the use of the church parlors for a studio.

On Friday afternoon May 26th about 80 interested persons gathered in the Hussar Sports Grounds to inspect the calves and watch the judging done by Mr. Bob Cooper, formerly of the Lacombe Experimental Farm, but now devoting all his time to this work. The calves, entered by the following members of the Hussar 4-H Club were judged as follows:

Calves—1st, David Hanneuse; 2nd, Shirley Sandum; 3rd, Darlene Treacy; 4th, Beverly Snyder; 5th, Billy Treacy; 6th, Mervin Clivik; 7th, Phil Kaiser; 8th, Hansel Dettmer; 9th, Mann Dettmer.

In the Pew Wee section, the results were: 1st, Gordon Will; 2nd, Owen Treacy; 3rd, Dileen Clivik.

The showmanship best awards went as follows: 1st, Beverly Snyder; 2nd, Billy Treacy; 3rd, Darlene Treacy.

Pew Wee showmanship: 1st, Gordon Will; 2nd, Owen Treacy.

In addition to the ribbons given all entrants, the FUA gave prizes to all in the Choice class: David Hanneuse, 1st; Shirley Sandum \$5; Darlene Treacy \$4; Beverly Snyder \$3.

The FUA of Markham also donated \$15, and all will receive some 15c, as well as the Gout prize at the next meeting, Monday June 6th, in the basement of the Hussar Masonic Hall, with president, Teddy Sandum and secretary, Miss Shirley Sandum; advisors, Messrs V. Law and Doug Fraser.

The calves will be sold in Drum-mer Friday, May 27.

The Junior Mission Band of the Lutheran Church held its last meeting for the season, Thursday afternoon. They held a winter roast.

The results of their year's work from October, 1954 to May, 1955. They have made the following donations: South American Mission, \$1; Home Missions, \$5; Social Mission, India, \$5; Radio Broadcast by Mrs. Tange, \$5.

They also sent used books to the hospitals at Christmas time. The handicraft they have done this year is very commendable. In winding up their activities for the year they found that the average alibi was 27, and they were 16 meetings. Mrs. C. Ruffenstein and Mrs. H. Tange have been co-ratios of 28 to 25 as a hog-feeders for the Mission Band this year.

FARM HAZARD

NO. 1

YOUR TRACTOR CAN BECOME A DEADLY KILLER... NEVER RELAX!

Statistics show that tractors have caused more motor accidents than any other implement on the farm. We cannot stress too often, the need for constant care and vigilance when working with "Power Packed Menace". Don't let your tractor be the cause of serious injury or death. THINK BEFORE YOU ACT!

ALWAYS OBSERVE THESE SAFETY PRECAUTIONS...

- Reduce speed on highways
- Enter main highways with caution
- Think of the consequences before making difficult maneuvers
- Be careful when driving through mud
- Turn tractor off before making adjustments
- Watch out for steep grades

PERCENTAGE OF PRICE INCREASES IN CANADA SINCE 1941

FARM IMPLEMENT PRICES Maintained at Low Level of Increase

Throughout the past ten years farm implements have offered more and more in time and labour saving advantages. In fact, owing to the scarcity and high cost of skilled labour, farmers found in mechanisation the means to maintain their operations efficiently and profitably.

And the chart above clearly shows an outstanding achievement by the Company in maintaining prices at a low level of increase over 1941. The index for Massey-Harris prices of implements and tractors sold in Canada has increased by only 66.8% from 1941, whereas the index of "all commodities" shows an increase of 76.8%. The index of raw materials that go into farm implements is only 80.2% and the index of hourly

rates of pay in Massey-Harris-Ferguson Canadian plants is up by 173.9%. Farm products price index is 76.1% higher and the index of farm labour wage rates is 170.2% over that of 1941.

To place equipment in the hands of the farmer at the lowest price practicable, farm implement prices over the years have been held to an exceptionally low level of increase in the face of the great advances in the cost of labour and materials.

In ability to do a lot of work quickly and easily, in quality of materials and workmanship and in price, farm implements and tractors offer exceptional value for the money.

best cattle judges.

David Hanson, Shirley Madson, Darlene Treacy and Beverly Bayler showed calves in the chelon group with the first three receiving fine trophies from the Hussar FFWA and cash prizes totalling \$10 from the FFWA, which also gave the two youngest exhibitors, Gordon Wills and Gwen Treacy, show points and brushes. Later it will be awarded to the number whose calf made the greatest weight gain as shown by feeding records.

Winners of the showmanship competition were Beverly Bayler, Bill Treacy and Darlene Treacy. They were 1st, 2nd and 3rd with show cases by Jack Armstrong and show bit from Estina. Mr. Mathew Fraser presented a p to David Hanson for the best Hereford and Mr. Andrew Baxter presented Beverly Bayler with \$10.00 for the best Angus calf. The judge was Mr. Robt. Cooper, regional supervisor of AHC Chuba, Edmonton.

LONDON HAS NEW ROMANCE RUMOR

Among the many rumors current in London is that the royal family will "shortly" announce the engagement of Princess Margaret to Billy Wallace, 27, shown with her on a recent theatre-date in London. The report came as a surprise since Margaret, 24, has reportedly been committed to marriage with Peter Townsend, exiled court captain. Wallace, occasional escort of the Princess, has recently denied the rumor.

Dehorning Cattle

Here's cost money when it comes to marketing cattle. Firstly, there is the \$2.00 a head born penalty. Secondly, the carcasses of animals from a horned herd are always bruised—usually the bad bruising is in the high priced, rear end of the carcass. Feeders are aware that cattle with horns do not settle down well and thus the market for horned feeder cattle is lower.

Dehorning should be done as early as possible as it is easier on both the animal and the operator. The risk involved, the cost back to the reduced animal, the expense of the operation and the suffering of the animal are all greatly reduced if this step is taken early. Paste is recommended as being the easiest, most effective, cleanest and quietest method of dehorning calves. There is no necessity to put paste on so thickly as to be a danger to the calf's eyes.

Other dehorning methods include the caustic stick, dehorning machines such as the tub dehorner, scoops or the Barnes type dehorner. Electric dehorners involving earing the base of the horn, kills all cell growth. Discretion must be used by the operator so as not to burn so deeply as to cause an open sore.

Don Fraser Wins Grand Championship

Don Fraser of the Cluny 4-H beef club won the grand championship over 41 fine baby heifers shown by the Gleichen and Cluny clubs with a few well finished Hereford steer, and Shirley Tull of Gleichen won the reserve champion with an Aberdeen-Angus. Mr. Bentley, manager of the Bank of Commerce, presented a fine cup trophy to Don Fraser. Norma Fraser was second in the Cluny group

and Tom Tull, second in the Old Glen Club, both with very good type, well finished steers placing in the Special Class. The Cluny 4-H Club had the most calves in the Choice Group. Prowse, Lynn Gordon, James Samra, Ken Hoff, Jack Stewart, Max Hain and Ruth Hammond. Gleichen calves in the Choice group were those of Harvey Baure, Chas Tull and Erwin Yale.

Mr. Don McKinnon of Carleton Place, kindly judged the club members for showmanship and best groomed calves. Showmanship winner in the Cluny Club was Duane Prowse with Lynn Gordon second who also had the best groomed calf, and Don Fraser, second in the Gleichen Club. Erwin Yale was the best showman and Tom Tull second with the same order for grooming. Grand Champion showman of the two clubs was Erwin Yale.

Breed winners in the Cluny club were: Angus 1, Duane Prowse 2.

Hussar Socials

BY MISS M. C. B.

On Saturday the Alberta Hussar Caravan visited Hussar with Mr. G. Stuart Brown in charge. He was accompanied by Mr. John H. Yano, driver of the Caravan. The staff got off to a good start when the school students paraded around the village, in costume, ringing bells and cutting to attract the attention of the residents. The Caravan attended many visitors. The school children were entertained in the hall with movies in the afternoon.

All present felt well repaid for attending as they found the evening's program both interesting and instructive. The Hussar Ladies committee furnished the costumes for the children for the parade and the prize. Hussar had his job celebration on June 18.

It has been found that the heavy frost on Friday night did a great deal of damage to grain in low lying areas, reducing the grades from No. 1 to No. 2 probably. Much of the harvesting had been done before Friday, about 75 per cent. There is much frost in this district and it was too far advanced to be of much use to the farmers. The gardens and flowers were really damaged by the frost.

The new road north of Hussar has been travelled and now it is one of the best in this district, being quite wide and high enough to be kept open all winter.

Grain Abundance

It is perhaps, difficult these days in the face of existing world surpluses, generally large prospective crops for 1955, a light domestic storage situation, restrictive export quotas to the U. S. and a general loosening in world demand, to be optimistic about the movement into export channels of Western Canadian grain.

The many problems which have to be faced and met will call for patience and understanding on the part of all concerned as well as for initiative and the adoption of aggressive merchandising methods by those who seek to make sales abroad.

Not only is production increasing in many important countries today, but competition from other export countries is also increasing. Obviously, the key to the disposal of surplus grain lies in the export of grain in volumes through the maintenance and possible expansion of existing markets as well as through the finding of new outlets for Canadian grain.

For the reasons already mentioned, these tasks will not be easy.

But in the end, many of the problems which now so large will resolve themselves, and others, so doubt, will become less important.

Fortunately, early samples of 1955 wheat show a distinct improvement in quality and protein content over those of the last two years and the weight and quality of other grains also promises to be good.

These "quality" considerations are all favorable when it comes to making

Canadians Timid About Investments

Canadians may not like being called timid when it comes to risk-taking, but a recent survey by a special report on U. S.-Canada investment, certainly points that way.

While American investors have been pouring more money into oil, gas, mineral and other expanding Canadian industries what have Canadians been doing? Many Canadians have been buying back Canadian bonds and debentures held in the United States. In other words while Uncle Sam has been taking a chance and expanding his holdings, we have been using our extra cash for paying off the mortgage.

For a long time to come, unless we wish to stagnate and force our young people to emigrate in search of jobs, we are going to need foreign capital to help in Canadian development. There are simply not enough of us, especially with capital, to do the job ourselves.

But some reasonable balance must be maintained or we are liable to lose control over our own vital development. No self-respecting country can afford to let that happen.

Big Population Increase Forecast

Canada's population will jump to between 25 and 26 millions by 1975, on a 1.1 per cent of roughly 18 per cent.

That's the main conclusion of

Russian Soldiers Going To Farms

Soviet announcement that 600,000 Russian soldiers are to be released from that country's armed forces and sent to collective farms or factory benches has been widely interpreted by socialists and sentimentalists as an impressive token of Khrushchev's desire for peace. Left-wing journals have been quick to ask why such large scale demobilization is not being matched by Western Powers.

First point to remember is that so-called demobilization of more than half a million Soviet soldiers may be explained by Russia's very real need for more workers. Soviet economy particularly in agricultural side, has shown marked signs of weakness and strain in recent months.

Second point to note is that Khrushchev has made no statement indicating that it intends to reduce defence expenditures, raised last February from 1954 to 112.1 billion rubles.

Plain truth is that so-called demobilization of 600,000 Russian soldiers amounts to nothing more than an attempt to save on manpower resources which can be more profitably employed in improving power and military no necessary in modern warfare.

Many Millionaires Small Town Boys

A majority of Canada's 130 millionaires get their start in small towns, according to Liberty, investigating taxation figures, found 130 Canadians who now earn over \$100,000 a year are deemed millionaires. Altogether, 1,510 Can-

adians today boast incomes between \$50,000 and \$100,000 — or a fraction less than 1 per cent of the total income in Canada. In taxes, the poor still pay \$44,100,000, — 4.1 per cent of the nation's total income tax bill.

They're discovered income tax makes it tough to pile up \$1,000,000 in Canada today. If you were to save \$100,000 a year you'd need 10 years to reach \$1,000,000.

But the fact that some millionaires were born in rural communities rather than in larger cities, there is nothing to distinguish a millionaire from his fellow citizen.

In fact, Liberty says, millionaires are pretty ordinary people. They come in all shapes and sizes, and pay as much as you and your neighbors. They are not bedridden and skinny, evil and good, vain and modest, sane and crazy. About the only thing they have in common is

they once peddled papers in Newsmen's N. H. says: "It's the first \$100,000 that counts. You have to feel those early deals right down to the pit of the stomach. Kitimat grows

Already Alcan's big new West Coast smelter goes ahead with TWO major increases to meet the rapid growth in demand for Canadian aluminium

The broken lines on the photograph roughly indicate the additional area to be occupied by new smelters and other buildings. Beyond the present plant (the aluminium structure in the middle ground) can be seen the harbor and docks of Kitimat.

In August, 1954, only 3½ years after ground was broken, the Kitimat smelter commenced production of aluminium with an annual capacity of 91,500 tons. Almost immediately a 60,000-ton extension was started. And in the spring of 1955 the decision was made to proceed with a flexible program to add a further 180,000 tons to input capacity.

...A progressive increase to 331,500 tons, more than three times the size of the original installation, and well on the way to our ultimate Kitimat goal of 550,000 tons a year.

"This continuing expansion of Kitimat in successive stages," stated Aluminium Limited president Nathaniel V. Davis, "should, we believe, help to keep pace with the growing free world demand for aluminium and particularly the demand in our major export markets, the United Kingdom and the United States."

The new facilities will go into production step by step, with the first unit starting up in the fall of 1956. It is expected that the present building program will be completed in 1959.

Evacuation Postponed

Large scale civil defence evacuation, Operation Lifesaver, was postponed Wednesday night Sept. 21 because of wintry weather conditions and the action derailed. A big sigh of relief from Fred Hillman, director for the Municipal District of Westanland No. 10.

Had it been held the evacuation undoubtedly would have been a major flop as cold, stormy weather and poor road conditions would have hindered all efforts of those in charge of the evacuation of 3,000 Californians.

Original plans called for using the arena as a centre but these were cancelled and Mr. Hillman planned to use three churches, the Memorial Hall and the Drill Hall to entertain and feed the evacuees. Sept. 23 the arena will be the centre, if weather is favorable, otherwise the churches and halls will be used.

Volunteer workers packed 300 pounds of beef into 100 boxes of sandwiches. These are now in the Strathmore Cold Storage Lockers and will be used with officials attending the test next Wednesday.

Most Strathmore residents got up at a breakfast at 11:30 a.m. and service wasn't restored until nearly 4 p.m. Lack of power resulted in a shortage of water as the reservoir pumps were unable to operate all night and the reserves were depleted.

The Eastwood CPR train was more than one hour late arriving Wednesday morning, an indication that motorists were not the only ones with problems. Gordon Nelson started out for Calgary early Wednesday but turned back because of the hazardous driving conditions.

The motorcade has turned the No. 1 Highway into the worst mess it has been since widening work started this spring. Water and deep potholes along a stretch between Langdon Corner and Chestermere made driving slippery and dangerous.

All in all it was fortunate the scheme was called off and officials will now have a better chance to adopt the plan they have been working on for several weeks.

The Samuel Crowther School was closed for the evacuation and probably will be kept closed again next week.

STANDARD WINE CUP

Standard was the Calgary Brewery Challenge Cup from Rosebud by a score of 3-2.

Standard runs were scored in the first two halves of the game. The first half ended 1-0 in favour of the fifth and sixth innings.

This was by far the best game yet played in Rosebud. Standard was held to only one hit by Steve Behlow and Rosebud was held to six hits by Clark Christensen.

Local hotels are filled as motorists select to stop over rather than attempt the treacherous driving.

DOLLAR DOWN, HUNDRED YEARS TO PAY

NEAR TRAGEDY AT CHESTERMERE LAKE
A near tragedy took place at Chestermere Lake Sunday last, when a motor launch collided with 70 people, men, women and children, about nine months old baby alone. Twelve people were thrown into the water, while five were trapped in the closed cabin of the boat. The only boat at the scene of the accident was Bill Wootliff's, whose boy and granddaughter were two of the ones trapped in the cabin.

Mrs. Nora Wootliff's house quick thinking and swimming ability divided in for those who were beyond reach of the boat, while Bill Wootliff recovered the boat picking up some children floating and struggling in the water, while shouting and commanding the other people to hang on to his boat. After all were picked up, the cabin windshield was finally smashed in and those trapped were taken from the water and ashore.

Mr. and Mrs. Charles Wootliff were the last to be taken out after the accident for the rescue of the boat.

Forty minutes after the mishap all were safe including a four month baby lying in the bottom of the Wootliff boat.

Ten of the 17 people aboard were unable to swim. No lives were lost. There were plenty of cars, bumps and lots of water. Thanks to those people for their control and quick rescue in saving the lives of so many people.

And one word more learn to swim. (See witness to this nearly fatal accident)

Enrollment at Samuel Crowther School Increases By 32 Pupils Over Last Year

Enrollment at the Samuel Crowther School has increased by 32 pupils — 32 pupils — over last June it was announced this week by Principal W. I. MacKenzie. This year 390 students have attended the school compared to 357 pupils who were dismissed last June.

Largest class in the school once again is grade one with 48 pupils while grade nine is second with 44 pupils by class; grade 1, 44; grade 2, 34; grade 3, 34; grade 4, 34; grade 5, 31; grade 6, 31; grade 7, 31; grade 8, 31; grade 9, 31.

Shop and Home Economics are held four days a week with the teachers travelling to Carleton Place. These classes are available to students from grade 9 up.

Presently there are 13 classrooms operating in Strathmore and the intention is to open up another classroom for high school as soon as the current building program has been completed.

Following is a list of teachers and their grades: Miss M. Gordon, vice-principal, elementary, grade 1; Miss J. T. Thurston, grade 1; Miss G. M. Labonte, grade 2; Mrs. E. V. Hanson, grades 3-4; Mrs. C. Beauchamp, grades 3-4; Miss D. F. L. ...

Both Mr. and Mrs. Cronin thank everyone for the party and the lovely gifts.

For They Are Jolly Good Fellows was sung and a delicious lunch completed a happy evening.

WEDNESDAY BLIZZARD
HITS CONSTRUCTION
The lively amount of construction activity in Strathmore was brought to a standstill by Wednesday's blizzard and work will be held up for several days until dirt and roads dry up.

Progress on the extension to the water and sewer system was not halted by the weather but the work was unable to proceed and progress is being held up on several houses being built by Curwen's Construction.

Saturday Dances Boost Lions Fund

Saturday night hops in Strathmore are becoming increasingly popular. It was reported by president Len Larson at the regular meeting of the Lions Club in the Memorial Hall last Thursday evening.

Although not a huge financial success the hops are steadily amassing money for the club's swimming pool filter system project and at the same time providing recreation for young people. So far the club has made a little more than \$1000 from the hops.

It was noted to purchase a three-wheeled golf cart for the club's swimming pool filter system project and at the same time providing recreation for young people. So far the club has made a little more than \$1000 from the hops.

News From Standard

BY MRS. M. N.

One afternoon last week Mrs. M. N. Macdonald, Mrs. Thos. McGowan and Mrs. F. D. Knowlton were co-hostesses at the home of the late, when they entertained in honor of Mrs. J. Zelnick, who with Mr. Zelnick will be leaving soon to return to Medicine Hat. Twenty-one close friends were present at the tea, and during the afternoon Mrs. Catherine Macdonald presented Mrs. Zelnick with two gifts, a tea set and a table lamp for which she thanked her friends sincerely and thanked them to visit her in her new home.

Mr. Gerald Knowlton flew to Victoria last Thursday and expects to spend 10 days with Rev. and Mrs.

H. A. Yallow at Lake Cowichan and to enjoy some deep sea fishing on Cowichan Bay.

Mr. and Mrs. Mita Wolf, Mr. and Mrs. C. Ostapowich and Miss Lillian Zelnick were guests at the Zelnicks home during the weekend.

Miss Helen Jean Gregory, Wm. Jones, Maurice Sanderson, Wm. Kroon and Lillian Zelnick were hosts to attend the McEwen-Petersons wedding.

Lillian Michie is staying at the home of her grandparents Mr. and Mrs. Dick at Cluny.

Mr. J. F. Pringle from Calgary is visiting at the Knowlton home this week.

Mr. Dave Howes is enjoying a two week holiday from his job at the Royal Bank.

WEDDING

The Standard's Lutheraan Church was the scene of an afternoon wedding when Nadine B. youngest daughter of Mr. and Mrs. Walter Melton was united in marriage with Mr. Donald Leslie Postlethwaite, son of Mr. and Mrs. A. Postlethwaite of Calgary, Rev. L. A. Kirkland performed the double ring rite.

The bride, who was given in marriage by her father chose a white tulle gown of white tulle and white lace with lace insertions. She wore a jacket of tulle and lace with Queen Anne collar and tiny point sleeves. Her fingertip veil misted from a coronet of lilac roses, aquinas and pearls and she carried a colonial bouquet of red roses.

Mrs. Jack Walker attended her sister in a white length gown of white net over tulle and lace, which was applied with diamond shaped lace inserts. Her dress featured a bolero lace jacket and she wore a headpiece of net and white velvet flowers. She carried a bouquet of pink carnations.

Mr. A. Postlethwaite was best man and the guests were ushered to their places by Mr. Kenneth Brown and Mr. Art Postlethwaite.

During the signing of the register Miss Audrey Walker sang "Through the Years."

After the ceremony a reception for 130 guests was held at the Standard Community Hall where Mr. Eli Westergaard proposed the bride's toast.

The American bicycle factories with their 5,000 or so workers, writes "The Economist," are merely a small and abundantly unimportant pressure group; yet they have been considered large and important enough for the President to partly with his back pedalling over foreign trade.

In trade policy, The Economist considers, the balance will inevitably be shifted. A little further to the disadvantage of the bicycle industry and starting trading world can now stand back the one word, "bicycle."

Whatever else may be said of the bicycle industry, it can hardly be denied that it goes a long way towards thoroughly discrediting the

General Agreement on Tariffs and Trade.

High Income And High Taxes

A 66 year old Midwest industrialist, one of few people in U. S. with income of more than \$1 m. last year, is reported by Wall Street Journal as having to earn \$275 to buy a 75 cent golf ball.

Some industrialists reason that the business which results in \$1 m. at \$5,000, must be had to earn \$25,000 to pay for it. Similarly, his color television set, retailing at \$1,000 represents \$5,000

The Home and School Association met for the first time this term on Tuesday evening. The president, Albert Doucet was in the chair. The minutes were read by the secretary Mr. Tuttle. A committee consisting of Mr. Laid, Jack Fawkes and Doug Cantley was named to organize the skating rink. A card party was planned to be held in the school on Oct. 1.

At the close of the business meeting lunch was served by the ladies.

Wheat Pool Awards

The Alberta Wheat Pool is intensely interested in the welfare of agriculture. It recognizes the need of developing farm leaders for the future. For this reason it provides a variety of educational scholarships and awards to train young people.

Among these are the Henry Wise Wood Memorial bursaries in memory of one of Alberta's outstanding farm leaders.

These bursaries, valued at \$75 each, are awarded to six young farm people each year to assist them to enter one of the schools of agriculture. Winners must be members of a 4-H club sponsored by the Alberta Wheat Pool.

Young people who are interested in applying for one of these Henry Wise Wood Memorial bursaries should write their local district home economist or district agriculturalist without delay. The school term begins on Oct. 18 at all three schools.

Crop Insurance Can't Be Financed

A fond prairie dream - wide scale crop insurance - has suffered a chilling setback on the prairie level, reports The Financial Post.

But western farm groups favoring the controversial principle, and 'but' includes almost all, now will concentrate their hopes on inter-provincial co-operation and re-education.

That's the meaning of the rejection of province wide crop insurance by a royal commission appointed by the Manitoba Govt.

The blunt opinion that crop insurance is beyond Manitoba's resources, even though rejected by most farm spokesmen, will greatly influence the Alberta and Saskatchewan. It's known all prairie groups were waiting Manitoba's royal commission report with keen interest.

The report, presented to Agricultural Minister R. D. Robertson, says, in short, that an all risk plan of insurance can't be financed by Manitoba.

Box Car Allocation

The Canadian Wheat Board has announced a change in the method by which boxcars are to be allocated to country elevators. For some time the railways have followed a general plan of distributing boxcars equally among elevators, that is, one car, elevator. Now the railways have been instructed to distribute boxcars among the elevators at a point in proportion to the number of unfilled shipping orders each elevator holds.

For example, if there is three elevators at a point, one having 15 shipping orders, another 10 and a third 5, cars will now be divided on a 3-2-1 basis. This arrangement is much to be preferred to the one which prevailed in the past. However, it is still not the answer to boxcar allocation. Shipping orders are divided among elevators by the Canadian Wheat Board, under a formula which they have worked out and which is known only to themselves. Apparently, some consideration is given to the wishes of producers with the most popular elevators getting the most cars. But the Wheat Pool maintains that only farmers can decide where they wish to deliver their grain. Only when train producers have an opportunity to express their preference will boxcars be allocated on a proper basis. Only then will they be assured of the opportunity to patronize the elevators of their own choice.

Operating Costs Of Farm Tractor

Operating costs of farm tractors from the big 45 plover down to the garden type vary according to the care and maintenance given and to the steady use of the tractor, state reports of tests conducted by the Dominion experimental farm at Smithers, B. C. The variable costs such as repairs, fuel consumption

and efficiency can be kept at a low level. A garden tractor in perfect condition, operated for 75 hours in 1931 cost \$8 cents an hour to run. A similar tractor in 1937 cost \$12 cents an hour to run. A similar tractor in 1937 cost \$12 cents an hour to run. A similar tractor in 1937 cost \$12 cents an hour to run.

Gas Selling Not Business of Govt.

If the Govt. must help finance the building of the trans Canada gas pipeline why not take over the whole job and make it a government enterprise?

So runs the argument in some circles "wilded" circles. It is not a sound argument, declares The Financial Post. Such a course must be avoided. Government - Federal Provincial and Municipal - is already mixed up in enough business ventures in Canada. It should not get involved in the highly competitive field of distribution and selling fuel.

Public aid in the building of the

trans Canada gas pipeline through the 700 mile largely unpopulated gap in Northwestern Ontario, is a very different thing from building and operating the whole line from Alberta to Montreal.

The only possible reason for getting into the gas picture at all is that there is a great national war material. Some Canadians want to sell it. Other Canadians want to buy it. To reap the benefits of this national resource some temporary govt. aid - of a kind that won't take anything out of the taxpayers' pocket - is apparently necessary. That is entirely different from govt. getting into the fuel business.

Sex Criminals

Prevention of sex crime in Canada has been radically neglected, says Callwood says in Maclean's.

Regarding to determine how many criminal sexual psychopaths have been sentenced in Canada under the Criminal Code is expanded for 1937. The article points out that to each of the ten provincial attorneys general.

"The replies," she reports, "reflect the indifference of the law. Saskatchewan refused to 'disclose any cases'; British Columbia and Quebec claimed to have no statistics; Alberta, New Brunswick, Prince Edward Island, Manitoba and Newfoundland had sentenced none; Nova Scotia, Ont., Ontario, three.

The Federal Commissioner of penitentiaries listed the total number of criminal sexual psychopaths in Canadian prisons as 19. Mr. Callwood explains some of the disparity in the two sets of figures is due to the variations obtained under the Criminal Code before it was expanded seven years ago. He adds: "Alberta, for instance, has two such convictions. The seven provinces that supplied figures had sentenced only four criminal sexual psychopaths in seven years."

The law added to the Criminal Code in 1934 provided for indeterminate sentences.

Monument Honors Alberta Pioneers

A monument to the pioneer of the Prairie Provinces is being erected at the site of the first settlement in the province. The monument is being erected by the Government of Alberta. The monument is being erected by the Government of Alberta.

Again To Increase

As a starter in the new year contracts to be negotiated this year and next, Canadian railwaymen are set for a straight 10 per cent increase in pay.

How would this affect the balance sheet of the two major carriers, asks The Financial Post.

To their 1938 railway employees pay the Canadian National and the Canadian Pacific paid out \$667 millions in wages. Increase that 10 per cent and, even without rising prices of the total labor force, at least another \$100 millions would be added to the bill.

Last year, and it was a good year in Canada, total operating revenues of the CNR and CPR were approximately \$1,100 millions. Total operating expenses were \$1,020 millions. That left a slim balance of a little more than \$80 millions to meet fixed charges and moderate interest charges. The CNR and CPR are only some of the interest on the recently scaled down debt for the CNR. Actually on the year's operations, the latter had a deficit of almost \$25 millions and the CPR a deficit of \$13 millions.

Mr. Lawrence says that the extra hundred millions cannot come out of profits. Take all the gross earnings the railways made last year, forget about interest charges, taxes and dividends and there is still not nearly enough money.

This demand that like the other owners also in the case of the CPR, to another round of freight increases, to higher charges that could mean a business away from the railroads.

Observe the "Right of Way"

Rule of the Road

Failing to yield the right-of-way constitutes the greatest single cause of traffic accidents. Under the "good manner" code of the road, the car on the right has the right-of-way.

Furthermore, section 51 of the Vehicles and Highway Traffic act, states when a vehicle approaches or enters an intersection at approximately the same time - the driver of the vehicle that is on the right shall have the right of way.

Make it a habit to approach all intersections with caution and at reduced speed, and always give the car on your right the right-of-way. Remember, in the event of an accident, failure to yield the right-of-way can result in a charge.

Mrs H. E. Johnson Passes Suddenly

A resident of Strathmore place 1908, Mrs H. E. Johnson (Katherine Emily Johnson, 74, died at her home in Strathmore Friday evening after a brief illness.

Mrs Johnson, who was born in Bushford, Minn., is survived by three daughters, Mrs Claude (Marianne) Mackie, Strathmore; Mrs J. I. Melban, New Dayton, Alta.; and Mrs A. E. Egan, San Bernardino, Calif.; six grandchildren. Her husband Harry E. died in 1951.

She was a member of Strathmore United Church, the Missionary Society and Ladies' Aid of that church.

Rev. Blake Pritchard officiated at services in Strathmore United Church, Tuesday, Oct. 4, at 2 p.m., and burial was in the family plot in Strathmore cemetery. McIntosh and McIntosh funeral home were in charge of arrangements.

Anglican W. A.

St. Michael's W. A. held their regular monthly meeting in the Parish Hall this week.

The president opened the meeting with prayer, followed by the roll call, which was answered by the members. Ten minutes following was devoted to a study book reading by Rev. Penman.

The minutes and the treasurer's report were read and adopted. It was decided to take the lamp as a premium reward from our recent Roadwarden run. Tickets at two for 50c will be sold on this lamp, and the draw made at our fall bazaar. The bazaar is to be held Saturday, Nov. 26 in the Memorial Hall.

A motion that we have a Bazaar Sale Oct. 15 at the Strathmore Food Centre was carried.

Mrs Love volunteered to write for articles for the Bazaar Tab at the bazaar.

Holl call next month will be something for the Filadelphean article for the Bazaar. November bazaar tickets will be Mrs Verne, Mrs Cole and Mrs Rhoads.

Rev. Penman closed the meeting with prayer and a lovely touch was served by hostesses Mrs P. Wright, Mrs O. Wright and Mrs Peterson.

Dalemead Notes

BY MRS. T. H.
The community club held their regular meeting last Wednesday at the home of Mrs Carl Pries with 13 members present. The roll call was answered with highlights of the Jubilee celebrations.

COIT NEWS
The selection of the new officers for COIT took place last Thursday. The department executive consists of Louisa Johnson, president; Peggy Gray, vice-president and press representative; and Margaret Engh, a secretary-treasurer. Arlene Bourgeois is the new president of the Junior group while Joyce Koskela is vice-president. Carolee Brown is secretary and Carolyn Godfrey, treasurer. Peggy Gray heads the senior group. Joyce Ferguson is secretary and Maureen Johnson, treasurer.

The first two weeks of COIT were spent making Monkey Shivers for the fall bazaar.

Louisa Johnson and Peggy Gray are the two delegates from Strathmore to attend the Provincial Old Conference on Thanksgiving weekend.

The girls are planning to sell cookies, candy and doughnuts to help pay the expenses of the delegates.

Town Council

Town Council of Strathmore voted unanimously to purchase a \$1,500 road patrol at its regular monthly meeting in the Town Hall.

Tuesday evening with Mayor R. L. Gray in the chair and all members of the council present.

Mayor Gray said the town realized a saving of \$1,500 over a standard patrol from another firm. Purchase of the new patrol is expected to give the town good streets.

Street lighting situation will also be improved. A light will be put in the lot used by Buster Rhodes and Strathmore Motors and will provide light for the much neglected lot and from main street. A new light also will be put at 4th St. and 3rd Ave.

All crosswalks at Railroad Ave. will be completed as soon as the work can be attended to.

A report on the progress of the sewer system was given and to date more than 2,500 feet, half the entire job, has been completed. All the work done so far has been treated for leaks and found to be satisfactory. Lack of materials has held up the big job of crossing the highway to provide service for the homes in the new subdivisions but the necessary material has now arrived and this job will get under way imminently.

With a good break in the weather the entire job will now be finished.

Chrysler Sticks
To Local Papers

Addressing more than 300 Chrysler of Canada fieldmen at their annual convention at Windsor, E. T. Brown, Advertising Manager of the corporation described newspapers as "the cornerstone of our whole campaign."

In outlining the company's advertising plans for 1954, Mr. Brown announced that Chrysler of Canada will expand its advertising coverage during the coming year, providing increased assistance to its dealers' merchandising efforts.

The bulk of the increase will go to local newspapers," he said, "for it is at the local level primarily that we must meet the buying public."

During 1955, he added, the corporation's outlay for newspaper advertising was the greatest in its history. "Tremendously increased sales of Chrysler-built automobiles throughout the year reflected the value of the program and warranted next year's substantial increase."

FANS, SONSHINE REJOICE AT KROL'S RETURN

Canada's "Mr. Football" for 14 seasons, the once-retired Krol gets like a rooster as he is welcomed back to the Argonauts on his year in 1963 after a knee injury. Krol decided to return to the team when he saw their desperate need for a kicker. After winning Krol's 60-yard punt-kick, Sonshine waited no time in handing Krol's famed No. 53 sweater out of the cupboard. The 33-year-old quarterback of five Argos Grey Cup teams will handle only kicking duties.

Many Houses Poorly Wired

Nine out of ten homes contain fire and accident hazards which could prove disastrous.

Safety experts said most older homes and many new ones were inadequately wired for modern electrical appliances. In addition, they warned the average home contains a number of other hazards which may lead to fire or accident. Following precautions are recommended:

Have electric wiring checked by a qualified electrician; Have electric wiring checked by a qualified electrician;

Leaves should be raked frequently, and burned at a safe distance from houses and garages; When storing summer clothing, remove matches from pockets; Store inflammable painting and cleaning materials in carefully marked safety cans; Do not use rags or clothing which have been soaked with paint, furniture polish or wax.

Make sure children's toys are not left lying in dangerous places; Clear old newspapers, rubbish and other inflammable material from storage attics and spare rooms; Have chimney and heating system checked and cleaned.

Make sure the approach to your house is safe for family, visitors and tradesmen.

News From Gleichen

By Miss J. E.

Mr. and Mrs. R. Mason moved to the house recently occupied by Mr. and Mrs. Hipp, last week.

The first meeting of the Gleichen Board with Mrs. George Fraser as leader and Dennis Shoop, assisting in various ways was held in Gleichen United Church on Wednesday, Sept. 28 at 4 p.m. with 16 girls and six boys attending the meeting. All are looking forward to a weekly meeting and hope more girls and boys, aged six to eight years will join in the near future.

Pitman members of the Church W. A. of the United Church moved to Gleichen on Wednesday evening for their Sept. meeting held at the home of Mrs. C. Burns, the president opened the meeting by asking all to sing the theme song. During the business meeting which followed, it was decided to hold their chicken supper in Chazy at 4 p.m. on Oct. 28.

Mrs. Parsons gave a fine devotional, the theme being The Truth. The hope was expressed by all present that the convalescent would be at the next meeting. A pleasant evening was brought

to a close by the hostess Mrs. W. Morrison serving a tasty lunch. A few ladies spent the afternoon with Mrs. A. Quennell at her farm home on Friday, the occasion being her birthday.

The regular meeting of the Gleichen FWUA was held Thursday afternoon at the home of Mrs. P. N. Warner with 21 members and two visitors present. The president Mrs. R. McKee presided. The roll call was answered by 17 men and women. The usual business meeting was dealt with. The main item was to be held at the home of Mrs. A. Quennell on Oct. 4. All members were asked to bring vegetables or jam or jellies to the next meeting to be sent to the Red Cross Crippled Children's hospital. Mrs. R. Quennell is in charge of same.

Mrs. Olive Douglas of Vulcan, 1st vice-president of the FWUA spoke on FWUA Policy and Farm Organization Structure, which proved very interesting. Further plans for the annual FWUA dance on Oct. 21 were made. The next meeting will be held at the home of Mrs. George Morrison on Oct. 13. Master Derry Warner celebrated his fourth birthday last Friday by entertaining several of his young friends and their mothers at his farm home. His birthday was

to a close by the hostess Mrs. W. Morrison serving a tasty lunch. A few ladies spent the afternoon with Mrs. A. Quennell at her farm home on Friday, the occasion being her birthday.

After an enjoyable 10 day visit at the home of Mr. and Mrs. Al Wilson, Mr. and Mrs. Ron Cross and daughter returned last Saturday to Medicine Lodge near Edson.

Mr. and Mrs. Raymond Menard are being congratulated on the birth of a daughter Janet Lee, on Sept. 3 at Grande Prairie.

Mrs. E. Menard enjoyed two days at the home of Mr. and Mrs. Raymond and family at Grande Prairie last month. There was a good attendance at the Strigo held at the Legion Hall in Gleichen on Wednesday evening Sept. 21 arranged for by the Legion members. Following is a list of prize winners and prizes: Mr. Claude Houche, camera; Mike Cal Pace, clock; Walter Hayes, thermos; Clifford Mack, pens; Don M. Solway, binoculars; Porel House, Camp stool; Mrs. G. Murdock, Blotting; Peggy Orlum, Drills; Gene Spotted Eagle, Panda; Francis A. Chir, Jack Fontaine; 1500 cash; Phil Latimer, Leg lamp; Margaret Mary Wilson, Minnie; Fred Breaker, Lamp; Dick Taylor, Rike; Tom Many Guns, door plug; Weaver set of pans; Mrs. Wm. Wm. Morrison and Miss J. Eberly returned in Calgary last Friday to attend the Dedication Service of the new Parkdale United Church in the evening. As Chairman of the Calgary Presbytery Rev. Morrison read the Scriptures during the service.

The Wm-Ho Lo group of the Gleichen CO-IT met in the Gleichen United Church Wednesday evening Sept. 28 for the beginning of another year of work and fellowship together.

Division of officers resulted as follows: president, Lauralee Boudrie; vice-president, Sandra Brown; secretary, Marjorie Plessing; treasurer, Pauline James; publicity convener, Dawn Kilcup; social convener, Marion McIntyre.

The group, under the leadership of Mrs. M. Shoop are happy to announce that Mrs. D. Rasmussen of the Gleichen teaching staff will be assisting us in this year's work.

Horn Flies Take Much Energy From Cattle

Cattle used on a enormous amount of energy fighting horn flies which rob them of stable quantities of blood each day. This loss of energy and blood represents great waste of forage and feed. An animal be used by the parasite may lose as much as half a pound in weight in a day, and milk flow may be reduced as much as 30 per cent.

The horn fly resembles the house fly, but is only about half as large. The female lays its eggs on fresh cattle manure, and in warm weather the eggs hatch into maggots in less than a day.

The maggot feeds for five days, then rests as a pupa for about a week before emerging as an adult ready to lay eggs in two days. Thus, the complete life cycle from egg to adult takes only two weeks. At this rate, there would be 12 generations in six months. In spring until fall, but unfortunately there is usually a decrease in numbers during hot, dry weather.

Horn flies are primarily a pest of cattle, and spend most of their lives upon their unwilling hosts. They feed by piercing the cattle's skin and withdrawing blood. They are less of a pest to horses, but usually attack the part of the animal's back that cannot be disturbed by a swing of the tail or head. The flies are sensitive to changes in weather. To avoid hot sun or rain, they congregate on the under side of the animal, but when the air is cool they frequently infest the base of the horn—hence, the name Horn Flies.

A quick and easy method of controlling horn flies on dairy cattle is to sprinkle a tablespoon of Malathion 50 per cent metoxychlor insecticide along the back of the cow and then spread it around and rub into the hair with a few sweeps of the hand. It should be distributed evenly over back, neck and upper sides. Two or three weeks' control has been reported with this treatment. Four pounds of the insecticide applied at two-week intervals is said to be enough to control flies on up to 20 milk cows for 10 weeks.

Angus Calves Sell High In Montana

Recently in Montana encouraging prices have been received for calves in the Great Falls area. According to a recent issue of the Montana Parger-Stockman quoting a report by the First National Bank of Great Falls, contract prices for steer calves and yearlings of the insecticide applied at two-week intervals is said to be enough to control flies on up to 20 milk cows for 10 weeks.

Traffic Mishaps Claim 16 Lives

Sixteen Albertans met death in traffic accidents during the month of August, 1966. This was two less than in the same month last year, but fatalities in the Province for the period Jan. 1st to Aug. 31st were a disappointing increase.

Of the 16 fatalities recorded for August, 13 were killed in accidents on the highway. The other three were reported by Calgary police.

Reported accidents showed a marked decrease during August this year, but the accidents must have been more severe as injuries were unusually high. While 237 persons were injured in 1971 accidents in August, 1964, the figure for August, 1965 was 547 injured in 1413 accidents. Edmonton had 109 injured, a record high month for that city.

A breakdown of the injuries in the two major cities during August shows that in Edmonton more pedestrians were injured than in any other group, while Calgary's injured were largely pedestrians. Injuries were largely pedestrians. Injuries were largely pedestrians.

There are fewer bicycles and motorcycles than cars.

Penalties Urged For Forest Fires

Canada's forests, producing two and a half billions of fresh dollars each year, are the only branch of Canadian business that permits all travel was at a standstill.

If we hope to retain the enormous advantages of forest industry, those who water destruction must be identified and brought to justice in sufficient numbers to provide a nation wide deterrent to the vandals who are so numerous.

Only a small minority of wood travelers is responsible for most of the damage caused, and no deterrent short of arrest and court trial can be expected to have much effect. As in police control of highway hazards, the majority of drivers require no attention, but the speed limit regulates himself only by his fear of punishment.

The same situation applies to our public owned forest properties where fire prevention can only be brought about by making a stern example of any person found guilty of negligence in his land-bearing, or his failure to extinguish his campfire or lighted tobacco.

Closing of the forests in periods of dangerous weather was rigidly applied in Quebec this year, regardless of any local or personal protests, and produced unquestionable results. While in force, nearly half of the province's forest and all travel was at a standstill.

The roof of an aircraft engine during ground test can rattle windows and nerves for blocks around. So we're glad to report that aluminum has turned up as a noise-absorbing "honeycomb" in an aircraft company's test-cell. Hundreds of aluminum tubes of differing diameters and lengths, filled with aluminum, sound-dampening material, make up the end wall. And we are told that by the time the test roar has bounced around in these aluminum tubes it is so attenuated that the other end is scarcely "detectable" and welcomed to a hush. We suspect there are lots of aluminum "honeycombs" around (see factory)

Govt. Setting Wages

Not content with setting minimum wages for labor, Saskatchewan's O.C.P. Govt. is now trying to get just how much it should set. Officials of building trades unions in Regina and Saskatoon recently visited Labor Minister C. C. Williams to demand that a company building apartment blocks in that city be prevented from paying non-union rates.

Mr. Williams, in a statement following the union officials' visit, said he agreed with them: There is no reason why full union rates should not be paid in all phases of the entire construction. He promised "very considerable" work to be given to their request that the Minimum Wage Board be empowered to establish rates of wages; or, failing that, that a Fair Wage Act be passed at the next sitting of Saskatchewan Legislature, setting rates for the construction industry in all cities.

If Saskatchewan legislators are unable enough to take such action in one industry, unless in all other industries will demand similar treatment. Government could easily and up setting wage rates for every worker in the province.

Fathers Provide For Farm Wills

Too often in the past the son remaining on the farm found out at the time of settling the estate he could not raise the necessary capital to buy out the other heirs. Much of his work in development of the farm was lost if the farm was sold to someone else.

The establishing of a high production herd is a long term project. It requires most of a life time to get the optimum size herd for the size of the farm, and a balance in production between pasture, fodder and grain.

Several far sighted farmers and some have completed the business details of taking over the farm and the procedure in its effect and out in the open long before the shadow of death hovers about.

First a value is agreed upon for the farm between the father and the son when the father wishes to look forward to retiring. The son commences purchase on a year-by-year basis, a portion of the payments go to the parents according to their estimated requirements in cash. A further portion or portion is paid off gradually to the other heirs to finally give them the share of the estate as set forth in the Will. In this way the parents have more satisfaction in seeing the efforts of their parents than to start all over again.

Let's Eat

DA BAILEY ALLEN

"One reason small children resist with gusto after we refuse their food is because they do not like to seem different. Children like to feel they are enjoying the same foods as the grown-ups." It was talking the chef.

Natural Initiators. Small children are natural initiators. If they are prepared to look like that served to the older group, they will usually eat it, if not napped; and if they are not made to feel inferior with over "babyfied" preparation.

Almost any family dinner menu normally can include practically every food needed by a child of two years and upwards. Give small children a small serving of soup. Their stomach capacity is too limited to take a cup of milk in addition to a bowl of soup. Arrange for the child to eat at the table, not in the high chair, as for the grownups. You will find it in his place. Having it in mind, to look like Daddy, you will find it will help solve the problem of a child who will be content to eat.

Tomorrow's Family Recipe. Split Pea Soup with Diced Ham. Tomato Sandwich Salad. Carrot Rounds. Parried Long Grate Rice. Whole Wheat Buns. Peach Custard Pudding. Coffee. Tea. Milk.

All measurements are level. Recipes proportioned to serve 4 to 6. Green Pea Soup: Use 2 cans condensed green pea soup. Add 1 can measured water and 1 can measured milk. 1 tsp. onion juice. 1/4 c. small-diced cooked ham. Bring to simmering point. Simmer 5 min. Garnish of minced chives. Pass buttered, hot white rolls.

Tomato Sandwich Salad: For each person put 2 slices fresh tomato together with well-drained cottage cheese, or use tuna, chicken or egg salad made with mayonnaise. Serve on lettuce leaves dressed with new-sweet French dressing. For children use small tomato slices.

Peach Custard Pudding: In a buttered 2-qu. baking dish put 2 c. dried pitted fresh peaches mixed with 1/2 cup sugar. Beat 4 eggs. Beat yolk in to a sugar, to top, add 1 tsp. graded orange rind. Stir in 6 c. heated milk. Pour over the peaches. Top with 4 slices buttered enriched bread cut in 2 squares.

Dish over 1/4 cup sugar mixed with 1/2 cup graded orange rind. Bake 35-40 min. or until firm. In a moderate oven. 350-375 F. Serve warm or cold, with or without sauce.

Trick of the Chef. Add chopped salad potatoes to each dressing for tomato sauce.

Secred Members

Here This Friday

Federal members of parliament Charles Johnston, and provincial members George Bell will be in Strathmore Friday, Oct. 11 at the King Edward Hotel. Both are members of the Social Credit party.

Mr. Johnston and Mr. Bell will discuss any problems with people of the district, Wednesday evening Oct. 12 the two politicians attended a meeting of farmers at Standard.

The meeting was to request the federal govt. to give financial assistance to farmers with stored grain.

A smaller meeting was held last week at Huxman when an advance of 10 cents per bushel for the 1934-35 crop and half the price of the new crop was asked of Prime Minister St. Laurent.

Members of Lions

Receive Awards

Three members of the Strathmore Lions Club received awards for sponsoring a new club at Carleton Place. These awards were made at the regular meeting in the Memorial Hall last Thursday evening by former district governor Mr. Morris of Bowman.

Residents of the awards were president Ken Larson, secretary Ken Walker and secretary Wm. Sprague. These men were instrumental in helping Carleton Place form a club and also assisted in the recent formation of a Lions Club at Huxman, along with the Huxman Club.

The club will sponsor a Halloween in charge of Oct. 31 and Fred Hillon is in charge of arrangements. President Larson reported a profit of \$28.10 was realized from the bridge raffle vacation day.

Several members indicated they planned to attend the Carleton Place Charter Night Dec. 2. Guests included members from Carleton Place and Huxman clubs.

A report on the Saturday night bridge indicated the venture was going over well and returning a steady profit each week. The club hopes to raise enough money for a filter system at the swimming pool, by various methods.

Rockyford News

Paul Gough, Correspondent. The Rockyford Lions Club held their annual Thanksgiving Ham Supper on Monday. A number of shooters were out from Calgary. The show of rain in the afternoon which stopped the harvesting enlarged the attendance at the dance.

Loreen Stiles was home for the weekend. Margot and Mary Theresa Kistner were also home for the long weekend.

Alton Wells and Winnie Wells were married Friday afternoon. The wedding dance was held in Nightingale.

In a double wedding held at the Springside Hotel on Sunday, Andrew W. Gough and Kate W. Gough were married. Also Jack W. Gough and Susan Threlkeld were married.

A new coat of gravel has been put on the main road south of town where it has been so bad. This makes a fine gravel road connecting highways 9 and 1.

The Strathmore Standard

The Strathmore Standard, established in 1900 is a member of the Canadian Weekly Newspapers Association and is published every Thursday at The Standard Office, Strathmore, Alberta. Member of the Audit Bureau of Circulation. Authorized as second class mail. Post Office Department, Ottawa, Canada. Entered more than 1,000 homes.

CLUTTERED MAILS
To any business firm which spends a considerable amount of money on stamps, to send bills and cash, it must make their blood run hot when they receive the multitude of junk daily stamped, "GIVEN."

Over the years a newspaper receives much of this free mail. Lately, because the unemployment in various regulations have been changed, the amount has increased considerably.

We have no doubt much of our literature has the right to be sent free under the O.H.M.S. plan, but there is a good quantity of junk cluttering up the mail.

To the casual reader the increase in first class letters from 500 to 100 is not much, but to the business people it means a considerable increase in overhead. We believe the unemployment insurance market is being crushed with out free mailing privilege being accorded this organization.

The W. I. held their meeting in the hall Oct. 7. The meeting came in order in the usual manner with singing O Canada, salute the flag, and repeating the creed. The roll call, Customs of Other Lands, was well answered by 12 members. The minutes of the last two meetings were read and approved. In the absence of the secretary, Mrs. Art Klummet took the minutes of the meeting. The business at hand was discussed and served. Thankyou cards were read. It was decided to have a W. I. dance Nov. 18. "The ladies were quitting and leaving to have the quilt done in a few weeks. The meeting came to a close with a delicious lunch served by the hostess Mrs. Helen Kinney assisted by Mrs. Lee Kinney. The next meeting will be Oct. 21.

Obituary

MRS. CARRIE HARTELL
After a brief illness, Mrs. Carrie Harrell, 53, died Tuesday at a general hospital. She had resided at 1715 12th Ave. E. W.

Mrs. Harrell came to Calgary eight years ago from Turner Valley where she had lived since 1910. She was born in England, she was the daughter of Mr. and Mrs. J. W. Harrell.

A nice wedding dance was held in the Nightingale Hall for Mr. and Mrs. J. W. Harrell on Oct. 7. Mrs. Harrell's sister and family of Carbon spent Sunday with them.

Non-Taxable But Still Worth Plenty
The tax collector came to the door of the Jones house.

He asked, "Do you have any possessions?"
"Oh, yes," said Mrs. Jones. "I'm a very rich man."

"That's wonderful. The answer will help me. Now please name your possessions."
"Sir, said Mr. Jones. I have a friendly, faithful, kind, loyal wife. Five millionaires call her best. They thought, said the answerer, but I can't take you for her. What were you?"

"Five million," replied the healthy children who love the Land."
"Yes," said the answerer. But what else?"

"A wonderful little church, my health, my job, and many friends. We'll send the answerer, you see no more, but you certainly are a rich man."

Legion Auxiliary

The Ladies Auxiliary held their executive meeting at the home of Mrs. H. W. Holden on Oct. 11 with 12 members present. Correspondence was read. Our Auxiliary has been invited by the Rockyford Ladies to a costume party Oct. 17 at 8 p.m. members desiring to attend please phone 71 so we can arrange transportation. Prizes for best costume and comedy.

We have been requested by the men's Legion to serve lunch at the Armistice dance Nov. 11 and also to serve coffee and hot dogs at their forthcoming turkey shoot.

Owing to the hall having been engaged for the date of our Nov. meeting it was decided that we will meet in the Anglican Parish Hall.

The Blind Campaign has again asked us to sponsor their drive. This will be decided at our Oct. 21 meeting. A beautiful tray donated by Miss Conaty as a memento of her recent European trip will be raffled at the October meeting.

Mr. and Mrs. J. W. Harrell, who were in England, she was the daughter of Mr. and Mrs. J. W. Harrell.

On October 18 the Auxiliary arranged to have a pot luck dinner in the hall at 7 p.m. and at 9 p.m. there will be a short meeting for the purpose of choosing a new commander for district 4. It is hoped some members will endeavor to attend.

Mrs. W. Holden served a delicious lunch and a social time followed. Next meeting in the hall on Oct. 18 at 8 p.m. We hope to get started on our Telephone Book Cover project. For this we hope for a good attendance.

Not Practical

There will be no great surprise at the rejection of provincial crop insurance by J. Macintosh, royal commission. Anyone, declares The Financial Post, who has seriously examined the enormous problems involved in any such scheme could have predicted the verdict. For anything like complete coverage a security army of inspectors and appraisers would be needed.

With specific and tangible property like a house, or a car, or a factory, it is a fairly simple thing to fix damages at any time. With a growing crop it is very different. Sometimes there is substantial recovery from unfavorable weather. Sometimes there is not. A lot of checking and rechecking would be required for a fair appraisal.

Campus Marriages Changing Schools

Growing trend of college students to marry and have children is changing campus social patterns, according to Riverside Digest. Result is a sharp decline in dating and dancing — a corresponding upswing in attendance at more elaborate diversions such as lectures, plays and concerts.

Students are even beginning to prefer about the fate of the fraternities and sororities, which depend largely on the dues of single students who live at the house. This mass migration to matrimony started when the veterans who flocked back to college after World War II brought their wives and offspring with them. They're gone now. But the "temporary" housing erected for their families is still occupied. Campus college administrator: The kids saw the vets manage it and began asking, "Why not?" Another reason is perhaps the general uncertainty of today's atomic world. The students try to seize their happiness while they can.

One university used to provide its married veterans with temporary units; now brick apartment buildings hold 216 families. At another there's an average wait of a year and a half space in the married housing units. An eastern university gives students the benefit of a nursery school and a medical clinic for babies.

Lack of free time, housework burdens and isolation from classmates are cited in the detriment of campus communal bliss. However, a good many faculty people have become out and out participants of the campus marriage. I'd call it a great advantage to be married in college, says one professor at North Western. It cuts out a lot of the silly dating — and worrying about dates. If more of my students were married I'd get more work out of them.

You can save 50 per cent of the money in the United by placing an advertisement in the Strathmore Standard. Don't pass up this good opportunity to reach so many people at such a small cost. For all your printing needs call 1-800-451-1111, Pages 1-1.

Soon Everything Will Be Automatic

The yearly changes North Americans have come to expect in the design of their cars, household appliances and other mass produced products may eventually become a thing of the past.

A new way of thinking about manufacturing will come about, because of a new industrial technology called automation which can pour out goods better, faster and cheaper than before by employing self operating self regulating machines.

Automation works best in continuous process operations; it is maintaining the whole process of "flow" that even specialized departments must now conform themselves. Constant style changes would interrupt that flow. A five year freeze in design of say, washing machines would make automation really pay off in lower prices.

Some companies are already testing about for ways to cope with this development. The concept being considered is to give their products a life.

In actual fact this would mean that the customer would buy a long term service contract, instead of the product itself.

This would probably call for monthly payments. The service might be almost non-existent but the customer's contract would call for automatic free replacement of the washing machine every three, four or five years with a latest model.

This would allow the maximum use of automation for three to four year production runs and maximum care in planning to cut costs.

Already, automation is making dramatic and sweeping changes in factory production. It has invaded

Millionaires Tougher

It's harder to become a millionaire these days than it was in the good old days according to The Post. It seems there are now only 14 Americans with incomes of \$1 million a year or better. Even as recently as the 1920's, the figure was 519.

Here in Canada, it may be slightly easier to make a million, since we don't tax capital gains, but it's even harder than in the U.S. to hang onto the proceeds in view of our income tax rates.

It occurs to one that becoming a millionaire is much less attractive than it was 30 or 40 years ago. Many of the things that only a millionaire could enjoy in 1900 are now available to families whose income is less than 1 per cent of a million a year.

Commemorate First Banding

Forty years ago, J. H. Fleming, a leading Toronto naturalist, banded a robin in his garden at 877 Birchmount Road, Toronto, becoming the first Canadian to band a bird for scientific study.

On Thursday, Sept. 24, the anniversary of Mr. Fleming's important work, a memorial was unveiled in High Park to commemorate the first known instance of a bird being banded in Canada. Since Mr. Fleming banded his robin, the bird banding technique has been extended throughout Canada by the Canadian Wildlife Service and other agencies. Knowledge of bird life has been increased by the banding of almost a million wild birds.

The monument was erected by the Department of Northern Affairs and National Resources on the recommendation of the Historic Sites and Monuments Board of Canada. J. R. Drysdale, of the University of Toronto zoology department, unveiled the memorial with Professor Fred Lawton of London, chairman of the Historic Sites and Monuments Board, representing the Board and the Northern Affairs Department.

Montreal Night Life Simmering

Montreal's once temperate night life is being throttled down in the biggest and most ruthless house cleaning any Canadian city ever saw, says Her Manning in Maclean's.

Opinion "is divided on how much the cleanup in the cafes and cabarets has affected the tourist business — worth 15 million dollars a year to Montreal.

Some gift shops report their business has slumped. Strict enforcement of liquor laws on Sunday has cut down the revenues of eating places. Some taxicab drivers and waiters say they have lost money in tips and wages. "There has been a lay-off of staff in some of the night clubs.

On the other hand, larger retail shops are not so perturbed. Jack Clifford, the advertising manager of Eaton's and president of the Tourist Convention Bureau, insists, "We hear no complaints about the curfew from people who come here, and Alex Duff, general manager of literary Morgan and Company, agrees with him. More Americans are simply going to Europe now, he says.

This may be a fact. Manning continues, but many Americans are so going to the Laurentian resorts north of Montreal and to Quebec City. The Laurentians and Quebec City had their biggest summer in history. At the mountain chalets, hostels and inns, business was up 30 per cent over last year.

Nightclubs, gamblers, prostitutes and hoodlums, who have often been suspected of influencing the city's destinies, are now being chased out, or at least hindered in the pursuit of their trades.

The provincial liquor laws, some times winked at by the provincial police and frankly sold pedaled by Prime Minister Duplessis, are being enforced in the latter by the city's new reform administration, headed by Mayor Jean Drapeau, assistant director of police Pacifico Fiano and Pierre Falardeau, chairman of the city's powerful committee.

MISSING FROM THE Christening

Aluminum was named by a man who never saw it. In 1807 the great scientist Sir Humphrey Davy decided that aluminum had a metallic base, but failed to find a way to extract the metal. But he went ahead anyway and christened the unseen metal "aluminum". Later he changed his mind and assumed it aluminum. Such names are still used.

Wonder if the English scientist who dreamed of the day when, in far-off Canada, millions of hydro-electric powerhouses would enrich the riches of aluminum, produced more than 300,000 tons of aluminum a year?

New Patient Helps Brighten Hospital

During the past three months the Alberta Red Cross Crippled Children's hospital has been even brighter than usual with nine-year-old Marie as a patient.

She arrived by plane from Port Chipewyan and rapidly became a happy member of the hospital family. In Grade III in the hospital school, the teachers report Marie as most cooperative despite her disabilities.

Treatments twice a day further handicap her studies but while in school she enjoys her lessons. Her Grade I work, by correspondence at home, showed her a "straight A" student.

Marie is rapidly becoming a handicraft enthusiast and has made a redwork tray as well as trying her hand at ceramics.

The child entered the Red Cross hospital after lengthy negotiations by correspondence as it was impossible for her to be admitted through the regular channels of first attending the hospital's outpatient clinic. Port Chipewyan is somewhat isolated community in

the northeast section of the province and transportation out is no small matter. However, her admittance to the Red Cross hospital was more than worth the effort for she is beginning to show progress.

Railways Need Many More Cars

A new note of expectation has Canada's railway car builders eagerly watching the mail these days — waiting for what would be the biggest combined car order ever placed before the industry.

Authoritative sources are placing the size of the order expected within the next two or three weeks at over 8,000 cars — That would represent around \$60 millions of business depending on types of rail cars required.

This would not only snap a depressed industry out of its year and a half doldrums but would represent all net operating for at least an entire year ahead.

GOOD FARM NEWS

Availability of farmers receiving loans up to \$10,000 for his stored grain will be good news for many farmers. Although the market will take several months to decide, Ottawa has to pass legislation now to that introduced in 1951, it is encouragement for Canada's largest industry.

Because of quota systems and the lack of being able to sell grain many farmers are now in dire financial straits. A loan at this time would give them the opportunity to clear up many outstanding bills.

Too often people not associated with farmers feel they are always reaping for the crying need, but here it is needed. The situation of the last three years has not only been a hardship on farmers but has put many machine dealers behind the eight ball. Knowing the farmer has had not much chance to gain capital many have extended grain loans of credit until now their own businesses are in a shaky position.

If the farmer has money he spends it freely and all people benefit. Although a loan of \$1,000 is not a great amount it will clear many farmers the chance to clear up some of their bills which will in turn benefit the grocers and the machine dealers, who are carrying too heavy a load on their backs.

● BREAKING POINT BOON

Decision of Canada's two large sales, CCL and T.L.C. to merge into one labor organization with one million members, will prove and news for management of business.

In the past few years organized labor has been highly successful in gaining compliance wage increases. It is now fully in favor of men receiving a good wage for a good week's work. The trend, however, appears to be to get all men and give as little.

Last year workers at Ford voted to strike just before the 1954 model were scheduled to start rolling off the assembly line. This year General Motors workers hit a week before new models were slated to appear. Undoubtedly the timing of these strikes was not a coincidence and was planned far in advance.

Feeling the two major auto manufacturers would rather give in than lose the chance of sales of new models is indicative of the workmen have not the interest of the public is a place to fill in time, pick up a paycheck and then beef because it's not large enough.

Many will remember, in hard times, when a person was fortunate to have a job at 15 or 20 cents an hour. At that time conditions of the world prevented the working man. We feel now the situation has reversed.

The working man, organized by a bunch of fast talking boldheads who live in luxury of union fees, is now nearing the mark where he is asking too much and giving too little.

She also thanked all those who assisted in the dinner and those who were glad to see Mrs. Hartell.

Peterson among us again and help took last opportunity to thank all for the cards, flowers and kindness shown to her and her during the past month.

Mrs. Peterson will come up on the 26th, when Madeline Macdonald, Woodville, Scott, Martin, Gould, Smith and Keating will meet at Mrs. Keating's home to make telephone book covers.

A Halloween party for the families of the members was planned and will be held in the club house. A delicious lunch was served by Laura and Phyllis Dwyer. Next meeting is Nov. 10 at the home of Mrs. J. Kahlert.

District Ag. Notes

EXTENDING THE RANGE SEASON

With the range there is the alternative of grazing early and taking some loss in yield, or delaying grazing until June to recover maximum growth; also fall grazing on grass is usually low.

This is not good enough for the stockman who needs early grazing and top yields. Consider what grass is already being used to provide early spring grazing while the native grass is building up, and there is need for a grass for fall grazing when native growth drops off.

Russian Wild Ryegrass may be this grass and an experiment has been started by the Manlybrey Range Station to extend the grazing season.

Five separate systems of grasses will be tested and compared as follows: 1. Native range; 2. Crested Wheat; 3. Russian Wild Ryegrass; 4. A rotation of crested wheat in the spring, native grass for summer and Russian wild ryegrass for three years; 5. Separate plots of these grasses will be tested and compared.

Each system will be grazed for a full season except in the case of the No. 4 system where the animals will be kept on each of the three fields for a little over two months. Every two weeks throughout, the grazing on each of the sheep will be weighed and rate of gain established.

This experiment should give information as to maximum animal production from pasture or range and the value of any cultivated grasses particularly Russian Wild Ryegrass.

K. H. WALKER, Dist. Ag.

Longer School Year Suggested

What about the school year? Why not lengthen the period of instruction and offer shorter and more frequent holidays, suggests The Financial Post.

Why operate our immense capital investment in schools and equipment for only 10 months of the year?

No business would expand plant and cut quality the way the school system is doing without taking a look at the length of the work year, or the work week. No one wants to force feed children.

We should explore the idea of revamping the school year.

40 friends in the Langdon district gathered at Winter's corner for the purpose of charming Mr. and Mrs. Gordon Winter. With the sounding of horns bells, etc. they were caught off guard. A completely surprised bride and groom answered the door. All gathered then, at the home of Mrs. Grace Winter where a feast was served. The bride and groom were shown by Mr. Bittle. The honored couple were presented with many lovely gifts arranged on a coffee table topped with a replica of Winter's garage.
The presents were unwrapped and the couple expressed their thanks. A lovely lunch was served by the ladies of the missionary group of the Langdon district church. We welcome Phyllis to the Langdon district and wish you both a very happy married life.

Mr. Bill Gorman Dies Suddenly

A resident of Lyalla and a frequent visitor to Strathmore, Mr. Bill Gorman died suddenly at his home Wednesday, Oct. 19. News of his sudden passing came as a shock to his many friends. He had been in Strathmore for the previous, apparently enjoying good health.

Mr. Gorman was born in Belfast, Ireland and moved to Calgary in 1908. He lived at Denham and Lyalla for 16 years and was retired by the CNR only last year. He had planned to buy a house in Strathmore and move his family to town.

Lions Club Plans Annual Ladies Night

Annual Ladies Night of the Strathmore Lions Club will be held Nov. 17. It was announced at the regular meeting in the Memorial Hall last Thursday. President Len Larson was in the chair with a good turnout of members on hand. As this is charter season, many members are busy attending Charter Night banquets of other clubs. Crawford and Huxar are currently preparing for their initial Charter Night banquets. Strathmore sponsored the Canadian club and was a co-sponsor of Huxar with Hoxbush.

Winners of the tickets in the draw were: Mrs. F. French, Strathmore; Doug Hilton, Strathmore; Garry, Hinkle; Judy Van Wier, Strathmore and John McNeil, Standard.
After dinner bingo was played and other games enjoyed. A dance concluded the evening. Donors of prizes are listed on page 3.

Nightingale Notes

BY MRS. E. J.
The W. I. held their meeting on the 21st. The meeting came to order with the singing of O Canada, salute the flag, and repeating the creed. In absence of the host, Mrs. Don Douglas read the minutes of the last meeting and took the minutes of the meeting. The roll call. What you can get in a match box, was well answered. The one with the most things received a prize. Mrs. Douglas being the one with the most (70 articles). The business at hand was then discussed. Plans for the W. I. dance on Nov. 18 were discussed. The birthday raffle donated by Mrs. Wm. Joel was won by Mrs. E. Walls.
The meeting came to a close with a delicious lunch served by the hostess Mrs. Art Kimmet, assisted by Mrs. Albert Kimmet, Mrs. Walter Jackson to 12 members and one visitor.

Namaka Notes

BY MRS. E. B.
The Namaka W. A. of the United Church met at Mrs. Irene Sanden's home last Thursday with 11 ladies present. The meeting opened with

the devotional read by Irene Sanden. The minutes and Treasurer's report were read and approved, followed by a short business discussion. The Foundation for a rug, which was made by Mrs. Gosen, was displayed and the members

met meeting.

A delicious lunch was served by the hostesses assisted by Mrs. All and Margaret Baker. The next meeting will be held at Mrs. Gosen's home.

Mrs. and Mr. Jake Lepp and family spent the weekend at Rosemary. He brought home his limit of pheasants.

Merian Stettner and Art McMartin called at Namaka Saturday on their way to Rosemary to hunt pheasants.

The regular meeting of the Home and School Association was held in the school on Tuesday evening. About 20 people were in attendance. The main discussion was regarding the skating rink. Another card party is planned for Nov. 3. Sam Anderson was busy with his membership book and acquired a number of new members. Mr. Tuttle showed a half hour film on Greenland which everyone enjoyed. A lovely lunch was served by the lunch committee.

Mr. and Mrs. Len Laing and family spent the weekend in Taber. Mr. Eric Thoresen of Calgary spent several weeks with Mr. and Mrs. Harvey Sanden and family recently.

The National Grain Co. have just recently overhauled and re-modelled their 'A' elevator at this point. Before this grain had to be elevated by an old time Greenlee gas engine. Now all their local grain Mr. Baker has to do is to start grain rolling in push an electrical button. Next year they plan on moving their 'B' elevator over to the 'A' site and amalgamate the two for better all round efficiency.

Mr. Jerry Hickey, relieving CPH Station master at Strathmore, while Harry Duerber is on holidays finds the shooting very much to his liking in the Namaka district.

Cairnhill Hols Halloween Party

Witches, ghosts, goblins and everything else you can think of gathered at the Cairnhill club house Friday night to take part in the PWIA children's party.

They planned tails the donkey, ducked for apples and raced with peanuts on spoons. They had a balloon breaking contest, and an elimination parade and a peanut scramble.

Prize winners for various contests were Gary Downey, Bonnie Hudson and Karen Sorenson. Judges were unable to decide about the best costumes, so all the names were put in a hat and the names drawn were Joan Greene, Lorraine Downey, Larry Christensen and Robert Sorenson.

Hot dogs and cookies, pop and popcorn balls, quickly disappeared and then three little Halloween revelers went home to bed to rest till next year, when they'll be out in full force once again.

Miss Margaret Even celebrated her 13th birthday last week. She invited a large number of her friends to help her celebrate.

Chilly Halloween Greets Young Fry

Chilly weather did much to throw a damper on Halloween for Strathmore and district children. Many of the young fry remained in their homes, but the elements while other tots were accompanied for a few minutes by their parents.

Many of the older children, however, got into the annual trick or treat spirit and made the rounds in most instances. One of the handiest of the treats were two loaves in close the door and keep out the bitter wind to get the youngsters to go a trick.

The Lions Club staged a dance at night for the adults and many good costumes were displayed. Due to the weather, but enough turned out to make the event a financial success.

Cheadle Notes

BY MRS. E. A.

The W. W. met at the home of Mrs. McDougall last Wednesday. The roll call was a jar of jam or fruit for the Junior Red Cross hospital. In the absence of the president, Mrs. L. Weismann was in the chair. Arrangements were made for a shower for another bride elect and plans were also made for buying some necessary items for the kitchen at the hall. Mrs. C. Barber helped the hostess in serving the lunch.

Congratulations go to Miss Barbara Hecker in her getting her diploma from the Faculty of Education at Edmonton.

Mr. and Mrs. Rennie McKim have left for their new home in A. C. East. Their friends wish them every success there.

Miss A. M. Bray who was down to Calgary for the Teachers' convention spent the weekend with her sister Mrs. J. B. Agar.

The London Baptist Women's Missionary Society held last Thursday evening at the home of Mrs. Agar.

Well, it looks like CBC Television may since Dick MacDougall is going to have to go a bit more formal now that fall is here. During the summer, when "Pick the Stars" was an informal show, MacDougall took advantage of it by wearing some pretty casual clothes.

Now that the show is back to its regular format, Marsha Spiegel is on hand with a suit for MacDougall to wear as the second talent hunt season gets under way.

Boy Scouts Prepare For Poppy Campaign

Strathmore Boy Scouts are preparing for the annual Poppy Day sale for the Nov. 11 Remembrance Day celebration. Two types of poppies will again be sold this year: the lapel stars and the one for the suit. As well business places will display wreaths for a few days before they are placed at the cenotaph.

Services will be conducted at the cenotaph and also at the Strathmore cemetery.

Turkey Shoot

The Strathmore Legion's Turkey Shoot last Saturday was a financial success as stormy weather conditions and other shots in the district combined to cut the crowd. Only 18 of 25 turkeys were distributed and the Legion will stage another in the near future to get rid of the other birds.

Proceeds from the event will go toward improvements to the Memorial Hall.

Namaka Notes

The card party sponsored by the Community Club last Friday evening was quite well attended with seven tables of what in play. The winners were as follows: Ladies high, Irene Hall; Ladies low, Ray Anderson; Gent's high, W. Pawkes; Gent's low, Jack Pawkes. Every one was given a name from the conic strip for which to find their supper partner.

Mrs. Irene Hall arranged a birthday party last Saturday for Lynn's eighth birthday. Lot of good things to eat helped the little girls have a happy afternoon.

Mr. and Mrs. Tom Watson had as guests last weekend, her parents Mr. and Mrs. Dutton from Carmanagan.

Mr. and Mrs. Arthur Anderson of Calgary spent the weekend with Mr. and Mrs. Allan Aikens.

Mrs. Yvonne Pawkes held a Stanley tea at her home last Thursday evening for a number of her friends.

Mrs. Margaret Willis, Martha and Anne spent the weekend at Totfield with relatives.

Rockyford News

Paul Crough, Correspondent

Congratulations to Mr. and Mrs. John Oates on the birth of a son.

The Students of St. Rita's High School held a very enjoyable Halloween party. Many games were played much to the enjoyment of the youngsters and parents. The evening concluded with a delicious lunch.

The Ladies Aid held their annual chicken supper last Thursday. A very delicious supper was enjoyed by all.

The Rockyford Lions Club were hosts to a very enjoyable Halloween party held in the community hall Monday evening. A large crowd of children were introduced to the witches and ghosts after an adventurous and scary trip through the chamber of horrors. All those present were given bags of candy and nuts and took part in the games of peanut scramble, ducking for apples, etc.

Following the party children and parents watched the movie, Man with a Million, a very fine film for the crowd of people.

The Lions Club deserves a hearty vote of thanks for their efforts in keeping the children out of trouble on Halloween.

Lyalta News

BY MRS. G. N.

Withers, cakes and cocktails congregated at the Lyalta hall Saturday, Oct. 29 to have some Halloween fun. The annual W. L. Children's Halloween party proved a big success as about 40 children gathered for a good time. The majority of them were masked and the judges had a very difficult time to choose the winners. The following were finally chosen: Carol Stewart and Neil Lucibel as best dressed and Diana Thompson and Marvin Novak as funniest dressed. Game and Bingo were enjoyed, followed by a hearty lunch. A post-nut scramble brought the evening to a happy ending.

Town Council

Business was light at the monthly meeting of Town Council last Tuesday evening with Mayor E. L. Gray in the chair.

A lengthy discussion was held concerning obtaining an auxiliary pumping unit for the town water system. It was pointed out that in the event of a power failure the pressure of the system was soon depleted and many homes were rendered without water. Councillor Alton Chase was appointed chairman to look into the matter.

Recent purchase of a town grader has been declared beneficial by Mayor Gray. The grader has been over most town streets a few times and they have improved considerably.

A survey of the areas where new streetlights are scheduled has been made and the new light will be placed in the near future. Extension to the sewer system has been completed and the water extension will be finished this weekend, thus relieving the residents of the subdivision to move into their homes.

Social Notes

Gloria La Pierre is attending school in the Linton High at Toronto and reports she is in fine. She is staying with her aunt. Friends of Paul Conk will be glad to see him back in Strathmore. He is employed at the Strathmore Hotel.

The road crew on No. 1 highway have closed down for the winter. Most of the men staying in town have left.

Mr. Fred Treare and Peggy Gray are leading the Mission Band this year. Boys and girls, age six, seven and eight years are welcome to join. The meetings will be held every Wednesday after school in the Memorial Room of the United Church.

Mr. M. B. Garrett is a patient in a hospital in Calgary.

LARGE CROWD ATTENDS UNITED CHURCH SUPPER

More than 80 people attended the annual United Church Supper held at the Strathmore Memorial Hall Wednesday evening. Ladies from both the afternoon and evening Women's Auxiliary worked hard in cooking and catering to make the event a banner success.

Officers of the organization were increased by a successful house.

BRIDAL SHOWER IN CALGARY FOR MISS JO STOLLEY

A miscellaneous bridal shower in honor of Miss Jo Stolley was held in Calgary on Friday, Oct. 21 at the home of Mrs. A. Brooks.

The bride to be was presented with a corsage of varied carnations and the bride's chair was decorated with pink and white streamers under white wedding bells. Games were played with the prizes going to Miss D. Buchanan and Mrs. W. Lyness.

Miss Eleanor Laussen and Miss Mary Lawrensen presented gifts from 25 brides in a pink decorated clothes basket.

A dance will be held in the evening.

Wedding
Nanaveth Lutheran church at Standard was the recent scene of a wedding of local interest, as Ray L. Kirkpatrick officiated at the wedding of Miss Helen Mattie, daughter of Mr. and Mrs. W. F. Mattie, to Mr. and Mrs. W. F. Mattie, son of Mr. and Mrs. Chas. W. Mattie.
The bride, given in marriage by her father, wore a floor length strapless gown of white lace and nylon net over tulle, featuring a scalloped edged fitted lace tunic with sleeves edged in tulle points and pouter collar, trimmed with beads. Her fingertip veil was caught to a tiara of pearls, ribbons and silver bugle beads, and she carried a bouquet of red roses. Her jewelry was a rhinestone necklace and earrings.
Miss Gail Mattie was her sister's only attendant. She was attired in a strapless white tulle gown with pink nylon lace and net over tulle, featuring a tulle bodice and long flowing lace and nylon net over tulle. She carried a bouquet of red roses and a train of white tulle. Her jewelry was a rhinestone necklace and earrings.
Following the ceremony, a reception was held in the community hall at six o'clock to which some 275 guests attended. The toast to the bride was proposed by Rev. Kirkpatrick. Following a honeymoon in Great Falls, Mr. and Mrs. Mattie will reside in Standard.

Parade To Mark Remembrance Day
The dead of past wars will be honored Friday morning when Remembrance Day services are held in Strathmore.
Light Horse Militia from Calgary will join with members of the Strathmore reserve at the 11 o'clock rally to march to the cenotaph.
Also in the Armistice parade will be the Strathmore Cadets, Guides and the band as well as the ladies color party and members of the Legion. The parade will start at 10:30 a.m. with service at the cenotaph at 11:00 a.m. Wreaths will be laid and the last post will be sounded.
Col. Pat Higgins, regiment commander will be at the rally, being taken to the salute along with Mayor E. L. Gray. Rev. Philip Penness will conduct a brief graveside service at the field of honor.
A dance will be held in the evening.

Wedding
Nanaveth Lutheran church at Standard was the recent scene of a wedding of local interest, as Ray L. Kirkpatrick officiated at the wedding of Miss Helen Mattie, daughter of Mr. and Mrs. W. F. Mattie, to Mr. and Mrs. W. F. Mattie, son of Mr. and Mrs. Chas. W. Mattie.
The bride, given in marriage by her father, wore a floor length strapless gown of white lace and nylon net over tulle, featuring a scalloped edged fitted lace tunic with sleeves edged in tulle points and pouter collar, trimmed with beads. Her fingertip veil was caught to a tiara of pearls, ribbons and silver bugle beads, and she carried a bouquet of red roses. Her jewelry was a rhinestone necklace and earrings.
Miss Gail Mattie was her sister's only attendant. She was attired in a strapless white tulle gown with pink nylon lace and net over tulle, featuring a tulle bodice and long flowing lace and nylon net over tulle. She carried a bouquet of red roses and a train of white tulle. Her jewelry was a rhinestone necklace and earrings.
Following the ceremony, a reception was held in the community hall at six o'clock to which some 275 guests attended. The toast to the bride was proposed by Rev. Kirkpatrick. Following a honeymoon in Great Falls, Mr. and Mrs. Mattie will reside in Standard.

Curling Meeting
The annual meet of the curling club will be held at the curling rink on Sunday, Nov. 13, at 10 a.m. Election of officers for the coming year and general business. Your attendance is kindly requested so that an early start may be made on the ice.

Wedding
LAUREN - STOLLERY
A quiet wedding was solemnized in Calgary October 25 in the Mount Calvary English Lutheran Church when Miss Josephine Stollery, youngest daughter of Mr. and Mrs. Frank Stollery of Strathmore, became the bride of Leonard Lauren, son of Mr. and Mrs. H. E. Lauren of Carleton Place.

Their attendants were Miss Gwen Stollery, sister of the bride, and Mr. Robert Lauren, brother of the groom. Rev. A. M. G. officiated.

After the ceremony the happy couple left for a honeymoon in the mountains. On their return Len and Jo will make their home on the Lauren farm south of Strathmore.

Hussar Socials

BY MRS. M. C. B.
Sincere sympathy is extended to Mrs. James Hadden, and her family over the death of her husband Mr. James Hadden in the General hospital Wednesday night Mr. Hadden was a long time resident of Hussar and held in the highest esteem by all who knew him. His son, Clifford and family and daughter, Mrs. L. Clark and family are living in this community still. Mr. and Mrs. Hadden moved to Calgary a few years ago.

Mr. and Mrs. Hadden and family moved to St. Benedict, Sask. Saturday, Oct. 22 to attend the wedding of Mr. Hadden's younger son, who is now in the Hussar and visit his parents. This sister and her family are also from them, and brought them in.

MAKING LOANS

is part of our everyday business

Lending money for many different purposes is a major function of the Royal Bank, so it is only natural to come to us when you wish to borrow. A loan from the "Royal" usually costs less... sometimes substantially less... than one from other types of lending institutions.

The maximum rate of interest on Personal Loans, for instance, is 6% on the unpaid balance. You do not have to be a depositor to borrow from the Royal Bank. We often make loans to people who have had no previous dealings with us.

Table shows how little it costs to arrange a Personal Loan from the Royal Bank:

WHEN YOU BORROW	FOR	FOR RECEIVED	THE LOAN COSTS YOU	EACH MONTH YOU PAY
\$25	6 Months 12 Months	\$24.50 24.31	\$.50* .79	\$ 4.17 2.09
\$50	6 Months 12 Months 18 Months	\$49.14 48.42 47.73	.86 1.58 2.37	\$ 8.34 4.17 2.78
\$100	6 Months 12 Months 18 Months 24 Months	\$98.28 96.85 95.46 94.11	\$ 1.72 3.15 4.54 5.89	\$14.67 8.34 5.54 4.17
\$200	6 Months 12 Months 18 Months 24 Months	\$196.56 193.70 190.92 188.23	\$ 3.44 6.30 9.07 11.77	\$29.34 16.67 11.12 8.34

*Monthly payments calculated to nearest cent.

Other types of loans, of particular interest to individuals, are available through the Royal Bank at very reasonable rates.

FARM IMPROVEMENT LOANS, at rates even lower than shown above — to purchase implements and equipment; to finance fencing and drainage systems; to construct a new farm home, or other buildings on the farm; to repair, alter, extend, or otherwise improve any existing farm building; and for any other constructive purposes.

M.H.A. MORTGAGE LOANS, to finance new home construction in urban areas.

Wednesday evening Mrs. Marie Larsen and family entertained in the home of the late wedding anniversary of Mr. and Mrs. Chris Jensen of Hussar. B. C. Mrs. Larsen and family were the guests of honor. The happy couple, Mr. and Mrs. Jensen had come down to attend the Danish Guard celebration in Hussar, and had visited several friends in Alberta, and arrived in Hussar on Sunday, and were kept here on account of the storm, which started Sunday evening and kept up until late Wednesday. Richard Larsen took them to Carleton Place Thursday, where they will pick up their car and return to B. C. Mrs. Marie Larsen accompanied her son on this trip.

Wednesday evening the members of the Home and School Association met in the school auditorium with the president Mr. Rasmussen in the chair, and the secretary Mrs. C. Rasmussen and a small group of other members present. A film series on the work of the United Nations was shown. The matter of the Students Accident Protection was brought up and it was decided to study the matter carefully, and to find out how many parents will be interested. This will be taken up again at the Dec. meeting. Also at the Dec. meeting the matter of the Christmas entertainment will be settled. The members voted to be in favor of the Students Union purchasing a Hi-Fi radio and record player for use in the school. The principal Mr. H. Bapp conducted the devotional period from the tape recorder, which has been purchased for use in the school rooms.

Wedding

LAUSEN — HECKLE

The Strathmore United Church was the scene of a pretty late afternoon wedding on Nov. 7 when Mr. Pritchard officiated at the marriage of Barbara Mae Heickle to William Gordon Lausen. The bride is the only daughter of Mr. and Mrs. Dave Heickle of Carleton Place and the groom the son of Mr. and Mrs. Bill Lausen of Carleton Place.

Olives in marriage by her father the bride wore a floor length gown of acetate pleated nylon lace over net and tulle. It featured a scoop neckline trimmed with lace, daisies and rhinestones, and long, puffed sleeves. Her finger ring length veil of nylon net trimmed with lace was caught in a halo of daisies and rhinestones. She carried a cascade bouquet of deep pink roses tied with white ribbon and wore rhinestone earrings, a gift of the groom.

Mrs. Alva Phillips of Carleton Place was bridesmaid and wore a floor length gown of flannel over tulle, trimmed with lace and featuring a ruffled collar. She carried a bouquet of yellow carnations tied with white ribbon and wore a corsage of yellow carnations.

Canada Boasts Million Hunters

From the number of hunting permits issued each year by various provincial game departments, there are about a million hunters in Canada today. While these do most of the shooting during the year, there are thousands of men in the far north who depend on their rifle for their food supply. Other thousands are satisfied to do their shooting indoors or outdoors at stationary targets or whistling clay pigeons.

Farmers, apart from any hunting for sport they may do, find game and ammunition important farm tools for controlling pests and predators. Crows which are found in most parts of Canada and multiply in west Canada are notorious for their activities in rural areas and if not controlled can play havoc with the farm economy.

Burrowing animals like the eastern groundhog and the western gopher dig holes in which livestock can break their legs, must be kept in check. In remote farming areas, livestock must be protected against the depredation of wandering fens, coyotes, wolves and snakes.

The hunting instinct is satisfied by thousands of Canadians remote from the supply of game by trap and about shooting or fishing stationary targets.

Wheatland School Division No. 49 Meeting of School Electors

Notice is hereby given that the Minister of Education has made an order under Section 34 of The School Act, 1937, with reference to the following school districts of this Division.

1. Rockyview S. D. No. 2317.
2. Laramie S. D. No. 2321.

Grain Situation

BY MRS. W. B.

The regular meeting of the Grain W. I. was held Thursday evening in the club room with Mrs. J. Neibert as hostess, assisted by Mrs. James and Mrs. Neibert. The roll call was answered by showing Christmas gifts that were being made. Mrs. E. Nelson gave a splendid demonstration on making book rugs. This was followed by a handwritten paper by Mrs. John Neibert, who stressed color and choice could have a new look by using dyes. She also asked each member to make an article for the conference in June.

A paper prepared by an old W. I. member Mrs. G. Mustard on the life of Helen Keller was read by Mrs. W. James which was very much enjoyed.

An honorary membership was given to our branch of the W. I. by the W. I. of the oldest member, Mrs. Edward Kelly. Mrs. W. Hagarty was a beautiful rose blanket done in June.

BRIGHTER PICTURE

Take a look at those "unemployment" at insurance offices. You won't see them so quiet again until next summer. But indications are they won't be so busy as last year says The Financial Post.

Last winter unemployment hit a postwar high and led to the remark about it. It is a quality with Canada's climate pump seasonal dislocation of employment is inevitable. On the other hand it is equally certain that something can be done to reduce winter layoffs.

For instance: Seven big name associations have lined up behind the Canadian Construction Association. They represent labor, employers, engineers, housebuilders, and architects. And they are studying ways to keep construction workers on their jobs during the cold weather months.

The Wattle-Lo group of the Gleichen COYT with their leaders, Mrs. M. Shupe and Miss D. Macmillan attended the evening service of the Gleichen United Church Sunday, Nov. 4. They took part in the service and as a choir sang the anthem, I Would Be True. Miss Eva Paul of the Girls Work Board Council in Calgary spoke to the girls and the congregation on the theme, The King's Daughters.

Even though the weather was chilly and stormy Halloween, all the small girls and boys in good original costume were out asking for treats. Some sang the songs they had learned a school for Oct. 31 before receiving the treats. Many of them were taken around by their parents in cars. Others went out in groups with older girls and boys all dressed in costumes and singing from house to house in town. Some homes reported they had had 50 to 100 callers; others had 20 or more.

IN MEMORIAM

In loving memory of my dear husband and father who passed away Nov. 15, 1934.

When least expected, death did come,
No hand could stop its power,
One of the best the world possessed
Was cut down like a flower.
You could not say goodbye dear Fred,
You could not snap our hands,
Only those who have lost can tell
The sorrow of parting without farewell.
Ever remembered by his loving wife Anna and family.

Football Becoming Major Business

Eastern Canada football, which started on the playing fields just a few years ago, is showing signs now of going pro, corporately as well. Control of this colorful \$1 million plus sport business appears to be switching from the dedicated and often able amateurs in the front office to full time paid administrators who can give the big business aspects of the game the attention they need.

Montreal Alouettes may be the only Big Four League team to make a profit this year, reports The Financial Post, and informed sources suggest that the Montreal team's corporate structure might be the cause. Alouettes are set up as a public corporation while the other three teams in the league, Toronto Argonauts, Ottawa Roughriders, and Hamilton Tiger-Cats are non-profit private organizations.

Look for some changes this winter, if not in corporate structure at least in the appointment of full time professional managers by the Toronto Ottawa and Hamilton clubs.

November 16th is Jubilee Day

The co-operation of Alberta farmers will determine the success of this very important Farmers' Union membership drive. The issue is squarely up to the farmers to take this opportunity to build a strong Farmers' Union.

U. F. A. Co-op, organized by farmers to serve farmers in the farm supply field, is keenly interested in the development of a strong Farmers' organization. To get a fair deal for agriculture it is essential to have a farm organization with a membership representing the majority of the Farmers of Alberta.

U. F. A. Co-op strongly urges all its members to play a part in Jubilee Day. Join the Farmers' Union of Alberta. Get your neighbors to join.

Legion Ladies

Strathmore Auxiliary to the Canadian Legion met on Nov. 15 in the Parish Hall with 71 members present. The president called the meeting to order. O Canada was sung and a prayer by the chaplain with one minute silence for departed members. The minutes of the previous meeting and executive meeting were read by Mrs. T. W. in the absence of the secretary. Report of the social committee was given and the sick committee reported. Details of the Golden Age party were completed. A feature of the evening will be a film on the Strathmore Jubilee shown by Mrs. Watson.

Mrs. Keating reported the United Nations going well, but owing to the inclement weather there will be no tag day on Saturday, but instead for donations will be placed in all the stores. The telephone book covers were displayed and the president offered the use of her home any time suitable to the ladies.

Mr. Lehman has been confined at home with a cold. A Baseline Priest from Calgary held the services on Saturday and Sunday.

The Catholic Women's Bazaar was held last week. A very large crowd was in attendance at the supper, bazaar, show and dance.

The winners of the traffic prizes were Mrs. Herman Bittner, a chair; Vay Ray, Lehman; Mrs. Norman Hendricks, large doll; Roland Dopkins, small doll; Tony Bink, truck; Mrs. Otto Hoebner, cup plates and butter; John Smith, croquet place; David Pod-dani, dolls.

Mrs. E. Houschcraft, president of the CWL, wishes to thank all who helped to make the affair such a huge success.

Mr. and Mrs. A. E. Velker and Mrs. Mary Katterbach spent a few days last week in Lethbridge where they attended the Fourth Degree Knights of Columbus bazaar.

Mrs. Mary Katterbach was taken to hospital last Saturday. We hope she is out again soon.

Mr. and Mrs. John Olson had friends from Lethbridge visiting them last weekend.

Mr. and Mrs. Albert Kinsell visited the Velkers last Friday. Mrs. Loren Stinn and Dorothy Bitternag were visitors at Lawrence Stinn's home last weekend.

Margaret and Mary Theresa Kinsell were home alone.

The Haines UPWA held an election of officers last week. Mrs. Clara Coupland will serve as president for the forthcoming year. Others elected were Mrs. Anne DeBor as vice-president and Mrs. L. Jones as secretary.

The Memorial Day Services held Nov. 11 were not attended by the usual crowds because of the very cold weather. The parade to the cenotaph was cancelled but wreaths were laid for the Gort, the Legion, Ladies Auxiliary Girl Guides, the Brownies, the Hainebach family and the Fragma.

Costs Are Higher

The cost of living moved up slightly at beginning of August but is still below a year ago, reports The Financial Post. Increase in consumer price index is 3 per cent, largely result of 8 per cent rise in food. Butter, eggs, grapefruit, beef and lamb cost more than in July. Owing a home also more costly than last month.

Cost to business of goods it needs also climbing, says The Post. Wheat is priced at 30¢ industrial materials up 14 per cent in August with steel scrap and copper leading the rise. Steel bars, raw rubber, steel, steel sheets, iron ore and bleached sulphite pulp also up. Raw wool, cottonseed oil, the oats and raw cotton lower.

Ottawa Tax Bite

There is no question about the serious financial plight of many overburdened municipalities faced with providing the new schools, lines that go with a fast climbing population. But one gets a little weary with these overburdened municipalities, provincial and federal governments. Back in the far off days of 1930, the provincial governments, out of the total tax take of Canada, the municipal governments got a share less than 40 per cent and Ottawa just a fraction more. Today the provincial governments are taking about 17 per cent, the municipalities about 13 per cent and the federal government over 70 per cent.

At present plans that may look like a pretty raw deal for the poor taxpayers. But much has happened since 1930, principally the most expensive was this war has ever witnessed. And the major expense for that war and the economically heavy defence measures that have followed came out of federal and provincial or municipal revenues.

Hussar Happenings

The new pastor for Our Dear's Community Lutheran Church, Rev. Ole served with his family Friday. They are visiting at the home of Mr and Mrs. Betschmidt until their household affairs arrive.

At the regular meeting Nov. 13 of the Ladies Branch FWDA held at the home of Mrs. Harry Miller the members took coffee.

Plans were made for their turkey supper to be held in the Lutheran church parlors Saturday, Nov. 20 from 8 to 9 p.m. The committee members were appointed by Mrs. Don Brown, chairman. They appointed delegates to go to the convention in Edmonton Dec. 8. Mr D. Brown will go and Mrs. R. B. Selness or Mrs. R. Hahn. The proposed resolutions were discussed so the delegates might understand them. Next meeting will be at the home of Mrs. C. R. Hoffmann, Dec. 15.

Mr. Manly M. Anderson was hosted in the Lutheran church on Friday afternoon. Services were held in the Presbyterian church at 2 p.m. Many of his former friends attended the funeral. Numerous floral tributes were given.

Manville was born in Audubon, Iowa, but moved to Hussar with his parents at an early age, and has spent most of his life in the Hussar district. He was almost 41 years old. His brother Ivan, and his life arrived from the States on Tuesday evening. Ivan is the only surviving member of the family; both parents having predeceased Manville. The pall bearers were Messrs. Wm. Harper, R. V. Law, J. D. Moffat, G. Montgomery, H. Moulton and W. Waldman.

December 2 the Hussar Day Scouts under the supervision of the scout leader Mr. Hivesgard, assisted by Mr. Orlow Christiansen, will hold their father and son banquet at 6:40 p.m. in the Lutheran church parlors. The guest speaker will be Mr. P. P. Provincial Commissioner; Mr. H. Dill, Field Commissioner will also be present. All men and boys are invited to attend. The banquet will be held by the scout. The ladies will cater for this affair.

Sunday afternoon Rev. E. W. Olsen was installed as pastor of Our Dear's Lutheran church. Rev. L. Kirkgaard officiated, assisted by Rev. Houschcraft. Pastors from Lethbridge the services. Afterward coffee and lunch was served in the church parlors. Mr. Bell, president of the church council welcomed Pastor Olsen and family and thanked Pastor Kirkgaard of Standard Pastor Houschcraft of Tills and Pastor Miller of Dalmen for their services to this church during the period when there was no pastor here. Rev. Olsen made fitting reply. Mrs. Houschcraft, president of the Ladies Guild welcomed the Pastor and his wife and family on behalf of the Guild. The other Pastors also gave words of welcome to Rev. Olsen and family. There was a large delegation from Standard, Tills and Dalmen.

Sunday School will be at 10 a.m. Church services at 11 on Sunday.

Proving Costly

Delay and confusion in building the cross country gas pipe line have been enormously costly in lost markets, declares The Financial Post.

In the first eight months of this year, it points out, 50,000 dwelling units have been built in Ontario and Quebec; virtually all in and around the big centres of population in the same area in the whole of last year almost another 70,000 were built. At least 100,000 of these new homes might have been built with natural gas from Western Canada had the gas line made that fuel available. These new houses and apartments alone, at a conservative estimate might have provided a permanent annual market for 515 millions of gas. Once completed, however, and other arrangements made for heat that market is gone and in most cases gone for good.

Every week's delay in getting the pipeline started is another chunk of potential market gas and money lost to the Western gas producers. It's time we stopped arguing and started digging.

A nice social evening was held in the Nightingale Hall, Nov. 11 for Mr and Mrs. Art Kinnert, the occasion being their 40th anniversary. They came to Nightingale in 1915 and have resided here ever since coming from Denver, Col.

The evening was started with a lovely supper on an enormous covered served by the ladies of the community. It was followed by a program with Mr. Kinney master of ceremonies. A piano solo by Mrs. Mercer and Charles, Helen Carls played the accordion; Vilas Thurston played the piano; Mrs. Mercer, Charles and Lynn sang. There was a play of a mock wedding which was very good.

This was followed by two songs by V. Westgard of Standard. Then the crowd sang the last song.

Mr. C. Morgan, then presented Mr and Mrs. Kinnert with a poppy toast as given them by their son Albert and Evelyn and daughter Edna. Hanson, R. Stina and family. Gordon B. C. who was unable to be present on account of sickness.

Proving Costly

Delay and confusion in building the cross country gas pipe line have been enormously costly in lost markets, declares The Financial Post.

In the first eight months of this year, it points out, 50,000 dwelling units have been built in Ontario and Quebec; virtually all in and around the big centres of population in the same area in the whole of last year almost another 70,000 were built. At least 100,00 of these new homes might have been built with natural gas from Western Canada had the gas line made that fuel available. These new houses and apartments alone, at a conservative estimate might have provided a permanent annual market for 515 millions of gas. Once completed, however, and other arrangements made for heat that market is gone and in most cases gone for good.

Every week's delay in getting the pipeline started is another chunk of potential market gas and money lost to the Western gas producers. It's time we stopped arguing and started digging.

BY MRS. E. J.

A nice social evening was held in the Nightingale Hall, Nov. 11 for Mr and Mrs. Art Kinnert, the occasion being their 40th anniversary. They came to Nightingale in 1915 and have resided here ever since coming from Denver, Col.

The evening was started with a lovely supper on an enormous covered served by the ladies of the community. It was followed by a program with Mr. Kinney master of ceremonies. A piano solo by Mrs. Mercer and Charles, Helen Carls played the accordion; Vilas Thurston played the piano; Mrs. Mercer, Charles and Lynn sang. There was a play of a mock wedding which was very good.

Wage Boost Aids Wildcat Strikers

Good news from Detroit is word that CIO United Rubber Workers, Local 101, have voted to give up portion of recently granted \$1.60 hourly pay raise to assist in fighting wildcat strikes in plant of U.S. Rubber Company. Money will be used to pay salaries of nine full time union representatives whose job it will be to police contract and try to settle disputes before walk-outs occur.

Arrangement proposed by Local 101 still has to be approved by management. Only dissuading feature of scheme is that, while it may discourage unauthorized and illegal strikes, individual employees and union locals will be more than ever under the thumb of International union bosses.

Strikes would be disastrous in extreme to Canadian industry, who would resent policing of their conduct by U. S. representatives of international unions.

Mary Lou Verweire Weds Elmer Seitz In Double Ring Service At Sacred Heart

A very beautiful double ring ceremony of local interest took place at Sacred Heart Church which was nicely decorated for the occasion Nov. 18 at 10 a.m.

Father Gibbons united them in marriage when Mary Verweire, young daughter of Mr. and Mrs. Verweire, became the bride of Elmer Seitz, second son of Mr. and Mrs. Fred Seitz, also of Strathmore.

The bride who was given in marriage by her father was radiantly

beautiful, and wore floor length broadened lace with tulle skirt ruffled gathered with seeded pearls, bolero with light blue sleeves and fingerless veil, scalloped edging of seeded pearls with embroidered sequins was held in place with a bronze affect headdress trimmed with sequins and pearls. She wore a necklace of pearls. Her bouquet was of pink sweethearts roses, white caryanthus with yellow Tazetta, variegated ribbon and white

flowers with net skirt and matching cape, net headpiece. Her bouquet was of light and dark blue caryanthus and variegated blue ribbon.

The groom was attended by his brother Ralph and Elmer Tucker. The guests were ushered by Edmond Verweire, brother of the bride and Ernest Seitz, brother of the groom.

Mrs. John Vermeire played the wedding music, and sang, On This Day, Oh Beautiful Mother and the Rosary.

For her daughter's wedding Mrs. Verweire chose a navy blue crepe dress with light blue satin trimmings and black accessories, and wore a corsage of pink rosebuds.

Mrs. Seitz, mother of the groom wore a navy blue dress with black accessories, and corsage of pink rosebuds.

A breakfast was served at the home of the bride's parents for 13.

The wedding dinner was served in the Memorial Hall, a delicious hot turkey dinner for 130 guests.

The head table was tastefully decorated with pink and white streamers, pink and white roses and

white wedding balls.

A beautiful decorated three tiered wedding cake trimmed with lilies, birds and pink and white rosebuds topped with an ornament of white bells and lily of the valley, crowned the table.

After the dinner which was enjoyed by all Father Gibbons made a speech and proposed a toast to

P. M. R. Morrison, who also made a speech to the bride and groom. Father Gibbons then proposed the toast to the bride and groom to which the crowd all responded.

An open dance was held in the evening in the Memorial Hall and Lauson's orchestra provided the music which was enjoyed by a large attendance. Lunch was served at midnight and dancing continued

until the wee hours of the morning. Mr. and Mrs. Elmer Seitz of Rockyford, Mr. and Mrs. Chase of Cluny,

For going away the bride chose a blue and black taffeta pleated dress topped with a charcoal coat trimmed with fur, and black and white accessories, and a corsage of pink sweetheart rosebuds. For their honeymoon they motored to California and points in B. C. On their return they will reside in the Strathmore district.

Out of town guests included Mrs. Mary Sookchoff, and Mrs. Pauline Mart of Vancouver; Mr. and Mrs. Martin Haig and Gary of Medicine Hat; Mr. and Mrs. Norman Everett; Mr. and Mrs. M. Irvin and Rhonda; Mr. and Mrs. P. N. R. Morrison of Calgary; Mr. John Vesina of Montreal; Mr. and Mrs. Fred Keder of Strathmore; and Mr. John of Rockyford; Mr. and Mrs. Chase of Cluny.

Strathmore School Elects Five Member Board To Assist Wheatland Division

First Strathmore School Board to be formed in several years was elected at the monthly meeting of the Home and School Association in the Strathmore School Monday evening. A large number of parents was on hand to name five members to assist in offering suggestions and help to the Wheatland School Division.

Mrs. E. L. Gray and George Hildon were elected for Strathmore; Pat Washburn was named to represent the former boards of the Wheatland area; Norman Schoer was elected to represent the former Berta Vale area while Tommy Chamberlain will represent the former Harvey section. Aim of this board is to discuss problems and offer suggestions to the local trustee on the Wheatland board. Superintendent M. H. Hoffman acted as chairman for the election meeting while Mrs. C. P. English handled the duties of secretary.

During the regular business meeting, Mrs. English read the previous minutes while the financial statement was read by Miss Margaret Gordon.

It was voted to give a donation of \$20.00 to the Strathmore Library to help purchase books. A display of handicrafts by students is planned by the group while the teacher was on hand to request the association to cater for lunch at the annual Graduation in May.

Mrs. Vander Veld, a member of the teaching staff, led her students in a number of song selections, which were well received.

Guest speaker of the evening was principal, W. J. MacKenzie. Mr. MacKenzie outlined the various subjects available for students and

stressed the difference between a high school diploma and a matriculation course. The former graduates the student from high school but does not permit him to enter university. The importance of matriculating upon a matriculation course in grade 10 was stressed by the principal, unless a student was not academically inclined in which case he would be better to pursue with a number of elective classes which would result in a high school diploma.

Lunch was served to conclude the evening.

Hockey Association Organizes for Year

Strathmore Hockey Association met in the Town Hall Monday evening to organize for the coming season with president Jack Crellin in the chair. Other members of the executive are Bill Sadler, Walter Hildon, Edgar Lyons, Gaylon Robinson and all hockey coaches, yet to be named.

Pins to form the House League were discussed and will be launched this week. Strathmore will compete in the Strathmore Hockey League and hope to have the Midgut entry.

Dalemead Notes

Mrs. Allen Cleveland has returned from Vancouver.

The regular meeting of the Dalemead Community Club was held on Nov. 25 at the home of Mrs. Henry D. Gibbons. Strathmore, performed a double ring ceremony and celebrated the Nuptial Mass at 1 p.m. Nov. 25, when Miss Viola Joanna Bartelen, third daughter of Mr. and Mrs. A. A. Bartelen, became the bride of Mr. Gordon Bruce Hilton, youngest son of Mr. and Mrs. Leonard Hilton.

Given in marriage by her father, the bride chose a gown of white rose point lace, polka over bridal satin. It was designed in strapless design, modified by a small lined jacket of lace, with dainty collar and self covered buttons to the waistline with tiny point sleeves.

The very beautiful affair was worn by tier on tier of finely gathered lace. Mistling from a band of soft trimmed leaves and seed pearls her French illusion veil edged with lace cascaded to the floor on trails which was carried by the flower girl. Her only jewelry was pearl earrings and a necklace that used to be her grandmother's. She carried a white mimosal gift of the bridegroom and her bouquet was a spray of cascading orchids to complete her ensemble.

Maid of honor, Miss Helen Bartelen, Matron of honor, Mrs. George Van Derwegen and bridesmaid Miss Alice Bartelen, all sisters of the bride attended the bride in similar coral gowns of net over tulle, with matching headpieces. They all carried white chrysanthemum colonial bouquets, centred with a lighted taper.

Diana Van Derwegen, age three, niece of the bride, was flower girl and wore a white net, floor length dress with a white coronet, and

Unable to come east to receive his award, Mr. C. M. McNamee was represented at the presentation of CNR challenge trophy—a silver tray and a cheque for \$100—by Hon. L. C. McNamee, minister of agriculture for Alberta.

—Continued From Canadian

Mr. Ronald Hilton, brother of the groom, Mr. Anton Bartelen and Mr. Clarence Bartelen, brothers of the bride, were best men. Others were Mr. Douglas Hilton and Mr. Albert Lux, Mrs. Leo Desjardins, and Mr. C. M. Desjardins, all of whom were present. Among their selections were On This Day Oh Beautiful Mother, Ave Maria, Oh Sacred Heart, Oh What Could Jesus Do More, and Hallelujah.

A wedding breakfast for the bridal party was held at the home of Mr. and Mrs. George Van Derwegen. A reception was held in the Strathmore Memorial Hall where 125 guests are received by the bride and her parents.

The head table was decorated with chrysanthemums in autumn shades and was treated with a three tiered wedding cake made by the bride's mother, Mrs. G. Desjardins. The Hymns, and master of ceremonies Mr. Dave Shearer of Culbertyn played Bless This House in the trumpet during the reception.

Father Gibbons proposed the bridal toast and words of encouragement to the newlyweds were delivered by Mr. Fred Hilton of Strathmore and Mr. Dave Shearer. The groom then thanked the guests.

Mr. Dave Shearer and Mr. Fred Jorgensen, drums, and orchestra applied the music for a dance held that evening.

For going away the bride donated a flight rug suit which matched the grooms with coral accessories and an orchid corsage. She topped this with a mimosal coat. Before leaving, the bride remem-

Social Notes

Mrs. Gladys Morgan and Mr. Hugh Bartelen attended the Grey Cup in Vancouver last Saturday and are now vacationing in the States.

Sunday visitors at the home of Mr. and Mrs. Larry Hunter were Mr. and Mrs. Harry Gray and son of Calgary.

Mrs. Mark Lamoureux is in hospital and friends wish her a speedy return to good health.

Jim Dawkins had his leg amputated in a Calgary hospital last Saturday morning. Reports indicate he is progressing favorably and will soon be able to return home.

Word was received by Mr. and Mrs. Ted Slater that their son had just missed being on the plane that crashed in B. C. about two weeks ago. Sam got off the plane the day before it crashed.

Mrs. and Mrs. Sta Laycock are moving to High River where Mr. Laycock is going into business.

Frank Feebles is in town visiting friends after an absence of about two years. He is on his way to the air station at Cold Lake, Alta.

St. Michael's W. A. band was held on Nov. 24. It was a financial success even though the weather was cold. The band was won by Douglas Slater.

We are sorry to hear that Albert Orndorf is in the Holy Cross hospital. We wish him a speedy recovery.

Cheadle Notes

BY MRS. E. A.

The trident wheel last Wednesday resulted in fewer people than usual patronizing the annual chicken supper. Those who braved the weather were treated to the usual lot of good things, both for eating and entertainment. It was financially successful as well.

We are hoping for milder weather, as the farmers are finding these so cold days hard on young stock.

The Fairplay Sunday School is planning a social evening and program during the Christmas season. Watch for later announcements.

Dance at the Theatre on Friday, Dec. 9, Len Davis Orch.

After a successful week's big game hunting last Sunday, Roy Brown, Dave Vester, George, and many beautiful flowers and cards, and to our friends and neighbors for the many acts of kindness extended to us during our recent and brief stay.

Home for the weekend were Miss Wanda Koon and Miss Elizabeth. On Saturday afternoon the K. P. Hall was the scene of a very pretty shower honoring Miss Margaret Beth. A. N. Mrs. Koon was as M. C. graciously welcomed the bride-elect and the honored guests from Calgary. Mrs. M. B. Rader sang a solo after which Mrs. Harry Christensen gave a very fitting tribute to the bride.

An amusing Mock Wedding staged by the ladies of the committee depicting the rushed life of a Doctor and Nurse (slightly exaggerated) proved very entertaining to the guests.

Following a delicious lunch, Brenda and Frances Jensen, nurses of the wide-to be dressed as a doctor and a nurse waited in a stretcher to give gifts. Margaret expressed her appreciation for the lovely shower, and that her friends had remembered her after seven years away from Standard. From Calgary were Mrs. T. F. Bell, her mother, Mrs. McKay, Mrs. Robert Bell and Mrs. E. Davidson.

An organization meeting was held in the local K. P. hall to join the IFA Farm Union for the Standard and surrounding district. The meeting was conducted by Mr. H. S. Nielsen who was later elected president of the local. S. Lash was nominated secretary.

Mr. A. Hogg of High River addressed the large turnout of farmers on UPFA policy. After the address a discussion period was held and a union formed. Sixteen memberships were made up of single and family groups.

The first meeting will be held in the near future to appoint and elect a board of directors. President, N. S. Nielsen; vice-president, Leslie Nelson; secretary, I. S. Lash. Mr. and Mrs. Tommy Fraser are the proud parents of a new daughter, born Nov. 23 in Calgary.

One Mr. has already announced a 4 hr. 15 min. service from Los Angeles to New York commencing in the summer of 1939 that will draw Canada even closer together.

As recently as 75 years ago there were many who predicted that Canada would soon fall apart merely because of its unwieldy size and awkward shape. With the coming of the steam engine, so it was said, it was literally impossible to operate a young country of so much geography and so little population. And the pessimists had a most potent argument in the fact that it took a man weeks to get from almost any place in Western Canada to the new capital at Ottawa. By the time a minor regional flight had arrived at Capital Hill it might be too late for any remedy. No air travel time is concerned. We have, in effect, moved the Atlantic and Pacific seacoasts much closer to Winnipeg than 140 miles away. Strathmore is at the time of Confederation.

man gift for a patient in the hospital. This is an annual event and has always been very well attended. Last year 124 packages of gifts and strawberries were sent in. The making of telephone book covers has progressed favourably but many more sessions are needed so these will be finished for sale at the Christmas tea. The next meeting will be held in the hall Tuesday, Dec. 13. This will be election of officers. Mr. and Mrs. Hennes Park and son Kevin of Raymond were recent visitors with Mr. and Mrs. Gervy Cunniff. Mr. and Mrs. G. Cunniff and family motored to Didsbury last Sunday to visit Mr. and Mrs. Harold Black.

CLUBBY K. O. C. NEWS
The November meeting of the K. O. C. Council 3288 was held on the 19th with Grand Knight Adalberto Leckel in the chair. District Deputy Brother L. Buxton of Bismarck and his staff were present to conduct officers for the coming year. Due to the cold only a few attendance was on hand to witness the ceremony.

Dec. 23 was the date set for the annual party for kiddies. A show and social will be held for all those attending.

We wish Brother Laurence Gahler and Gerard Beaudin a speedy recovery; both are in a Calgary hospital.

December meeting will be held in the Gleichen parish hall. Brother Tony Volker of Rockford will be guest speaker.

Put of gold was won by Brother Phil Olsen.

The turkey shoot held annually by the Strathmore Club was a big success. Lucky winners who returned home with their side of pork: L. N. Robert, L. C. Owen, C. V. Watson, D. Beaudin and S. Leach of Arrowwood. Club's profit was \$186.00.

Monthly service held for the district members of the Council. Buxton evening was well attended. A very enjoyable meeting was witnessed by Grand Knight Adalberto Leckel, Willie Beaudin, Robert Beaudin in Rockford Monday night.

Coming Events

Strathmore Lions Sponsor Interesting Open Forum On Petroleum Industry

The huge amount of money spent in search of liquid gold by oil companies was stressed at an open forum on oil held by the Canadian Petroleum Association and sponsored by the Strathmore Lions Club in the Memorial Hall last Thursday evening. Although open to the public only a few more than 50 members turned out for the interesting session.

John McCubbin, assistant P.M.O. of the association, acted as chairman for the forum. Also on hand from the association was Jim Menzies of Imperial Oil, Stand Wood-Tucker, Jack Barclay of Anglo-American and Phil Abbott of Hudson's Bay Oil.

Mr. Menzies pointed out about 350 times spent more than one million dollars per day in western Canada in exploration, production and administration in the petroleum industry. As indication of why Alberta boasts the record of being one of the richest provinces in Canada is given by the fact all companies have poured about 40 million dollars into the provincial treasury since the Leduc boom of 1946.

Mr. Wood-Tucker talked of equipment used by Mr. Barclay discussed land lease procedure and Mr. Abbott outlined salesmanship procedure (much emphasis) in the audience was given a question and these in turn were discussed with much interesting knowledge of the oil industry resulting.

President Len Larson opened the Lions business meeting and then Mr. and Mrs. Ed. Vermant and Mrs. Ed. Vermant were guests at the home of Mr. and Mrs. Bill Wray of Calgary.

Miss Annie Pavcek Honored At Shower

The Ardene Community Hall was early decorated for the shower held in honor of Annie Pavcek Nov. 25. Mrs. Eric Olsen presented the bride with the gifts from her many friends and acquaintances. After all the gifts were opened and displayed for everyone to admire, Annie thanked them all with a few chosen words. A very delicious lunch was served by the hostesses and dancing brought the evening to a close.

Men's Curling Club Square Draw Trophy

A large trophy and four small individual awards have been set up for competition in the Men's Curling Club by the Strathmore Hotel. The awards are for the winners of the square draw and should provide lesser competition among the clubs.

In the past winning the square draw has been a flat victory in that no prize has been offered. With the prospect of winning a trophy, plus retaining a permanent small award, action should be peaked up especially where there are only a few over-rated rinks remaining and the perpetual jinks go into action.

GRAIN AID NEEDED

It appears strange that the federal government has subsidised the beef and pork industry in Canada for several years and appears so reluctant, or hesitant, to come to the aid of the grain farmer.

This week the farmers union in the country have proposed a two-price sale plan for their grain. The proposal calls for Canadian buyers to pay \$2.00 per bushel while foreign purchasers will get grain at a reduced rate of \$1.25 per bushel. In other words the Canadian consumer will subsidise the grain farmer.

Grain subsidy in the U.S. works fine because of their large population. It will not be as good in Canada but appears the only answer to help the agriculture industry, which is slipping gradually into a desperate position.

The farmer is the backbone of the nation. When he has no purchasing power it affects nearly every business in the country in one way or another and definitely results in a lower turnover for many.

Following the business meeting, Mrs. V. Meen gave a very good health report dealing with the topic: Be Your Real Self.

A very tasty lunch was then served by the hostesses. Mrs. A. Becker, Mrs. L. Portman and Mrs. W. Meen.

The gift for the draw was donated by Mrs. G. Sorenson and was won by Mrs. B. Meen.

The next meeting on Dec. 14th, will be the annual meeting. The roll call is Sing, Say or Pay, and each member is asked to bring \$1.00. Also please bring a gift for the Christmas gift exchange.

The hall was prettily decorated for Raymond, Patsy's shower on Nov. 28. Although the weather was very cold a nice crowd gathered and all enjoyed dining to the living and singing of the Strathmore vocal orchestra. At midnight, the happy couple opened their many and varied presents. Lunch was served by the hostesses. Mrs. L. Portman, Mrs. D. Portman, Mrs. D. Meen, Mrs. J. Hall and Mrs. G. Heston.

The main part of the meeting was election of the new slate of officers. They are as follows: President, Mrs. H. MacLean; vice-president, Mrs. Fred Teare; second vice-president, Mrs. L. Portman; secretary, Mrs. Gaylon Hobson; treasurer, Mrs. Bill Newton; program committee, Mrs. McCune; sick and visiting, Ed. Hamilton; and Mrs. Frank Koehowall; music, Mrs. B. Meen; devotionals, Mrs. H. Meen; mass committee, Mrs. A. Kjaer and Mrs. G. Laycraft.

After the business was dealt with Mrs. May and Mrs. Koehowall held three contests which were won by Mrs. Gov. Mrs. Ewing and Mrs. B. Kowak.

The group then exchanged gifts, followed by a delicious lunch, served by Mrs. T. Taylor, Mrs. R. Ferguson, Mrs. J. Peterson and Mrs. G. Laycraft and Mrs. McCune.

The Ladies Auxiliary to the Legion held their Dec. executive meeting at the home of Mrs. R. Martin on the 6th with six members present. The first vice president, Mrs. Woodville was in the chair. Correspondence read and treasurer's report given. A donation will be sent to the Veterans' Convalescent Hospital and the Strathmore Library Board. Final details for the Golden Age party were completed. Mrs. R. Meen reported that the kind campaign reported that in the neighborhood of \$214.00 had been collected by Strathmore and District. Mrs. Heston reported \$118.00 raised at the Armistice dance. Gifts for the Golden Age party were wrapped. The Hostess served a delicious lunch. Don't forget the members gift exchange at Christmas party. Hope to see you all on December 14th.

Common Names Prove Better

Prove parents, searching for an appropriate name for a new baby, are frequently warned to avoid giving a boy a fancy name. The theory is that anything more unusual than Bill or Joe will handicap the child in his later life and particularly if he goes into politics.

Here in Canada the "keep it simple" theory seems to stand up pretty well, says The Financial Post. Among the 18 cabinet ministers at

Ottawa, three are named James, two John, two Robert, and two George — that's nine out of 18 with names that are as plain as an old board fence. As to the rest, Paul, Clarence, Louis, Hughes, Stuart and Walter are common enough among Canadian boys. Just about the only unusual names in the Cabinet are Lester B. Pearson and Clark. On the other side of the House, we encounter plain names again in the official Opposition. Both the leader of the Conservative Party and its chief organizer are named George. Its two leading talkers are John and James.

Will fertilizing pay on my farm? Yes! in my work as an agriculturalist I've found fertilizer to be an important part of good farming.

Agriculturalists, and over 100,000 prairie farmers, have learned from experience that fertilizing means better farming and bigger profits. Besides increased yields, farmers who fertilize reap additional benefits in earlier harvesting, improved quality, and control of weeds. More Men Suicide Than Fairer Sex

When Vancouver Police Superintendent Harry Whelan recently met his pistol to his head and took his own life with one quick flick of the trigger, he was following a trend that makes British Columbia the most suicidal area in all Canada, by population.

Prima Canada averages each year, better than 18 suicides per 100,000 persons - more than twice the average for all Canada; not too far below the world record figures for Japan.

By comparison, the U. S. states, New Brunswick, New Brunswick, and Prince Edward Island have the lowest suicide rates of Canadian provinces.

In 1953, the last year accurate figures were available, Canada had a total of 1,652 suicides. Of these, 1,450 were men, or almost half, chose to end their lives in Ontario. British Columbia was next in this category with 247 suicides, followed by Quebec with 187. Manitoba counted 79.

ANNOUNCE NEW WAY TO SHRIEK PAINFUL TERRORS

Shriek Pain-Relieving Tablets That Relieve Pain - Shriek Headaches.

For the first time science has found a new healing substance with the astonishing ability to shrink, soothe, and relieve pain. Thousands have been relieved without resort to surgery.

In case after case, while gently relieving pain, actual reduction (shrinking) took place. Most amazing of all - results were so thorough that sufferers made astonishing statements like "This has caused me to be a problem."

The secret is a new healing substance (Bio-Dyne) - a discovery of a famous scientific institution.

Now you can get the new healing substance in suppository or ointment form called Preparation H. Ask for it at all drug stores. Satisfaction guaranteed or money refunded.

Quoting Dr. E. J. Rosen, staff psychiatrist in the Outpatient Department, Toronto Psychiatric Hospital, suicide is a serious social problem in Canada, and a growing one - especially in cities, with their faster pace and big city loneliness.

Liberty magazine reveals that almost two out of half times more single men commit suicide in Canada than married men. Women don't show this tendency. Their suicide rate, almost identical with their single or married, is considerably lower than that of Canadian men.

While people of any age can - and do - take their own lives, the danger of that age are usually retired, and feel they've lost their productivity and usefulness.

Should a person in this frame of mind also lose his spouse, he or she also loses the last string that held them together - the feeling that they are needed by someone.

TV Sale Boom Will Continue
Canada's insatiable appetite for television, fed by sales of 216,000 new sets in the last eight months, will not slacken. Rate of new station openings will keep demand high into 1967, when colored TV will be introduced on a mass scale. Radio dealers are not being hit by the boom. In August, radio set sales were up 70 per cent from 1954's same month - 50 per cent were installing in automobiles.

MORE GERMAN FIRMS
More German firms are coming to Canada. Inflation at home and lack of skilled workers is narrowing the margin between manufacturing costs here and on the other side of the Atlantic. Since 1946, some 10 West German firms have set up manufacturing operations here investing about \$25 million.

Christmas used to drive me crazy!

"Every year it was the same. Presents to buy and cash at low ebb. Running up bills... then I got smart. I started a special Christmas account* at the Royal Bank, adding something each pay day... and leaving it there. This year I'm all ready for Christmas, with cash to pay for all the things that mean so much at this season of the year."

• You can have cash next Christmas, too. Decide now to open a special Christmas account early in 1966. It pays to do your Christmas saving early.

THE ROYAL BANK OF CANADA

It's harder than ever to make money

To print your own, that is. The Bank of England has made the counterfeiter's lot an even unappetizing one by putting a thin strip of aluminum foil into the paper used for making bank notes. Some of the do-it-yourself enthusiasts find it virtually impossible to duplicate.

It is nice to think that when they probably be a little bit of Canada wherever this new paper currency circulates. Great Britain imports 80% of her aluminum from Canada, and in turn represents one of the major markets for Canadian aluminum.

Prospects of Gold Brings Many Things

High Berry's belief that "there's gold in these hills" of eight years ago may now be developing into a rich mining discovery in the north. Last week 300,000 shares of Horne Mine Ltd. went on the market for public consumption.

Mr. Berry, well known Strathmore district farmer, is a vice-president of this company. Eight years ago he became interested in the mine as a source of gold. A prospector convinced him there was gold in the line and Hugh was willing to invest a few dollars to find out. Once he had a little money

and up in the venture he did not want to throw in the sponge. Geology reports of the mine were promising. Hugh made a few trips to the mine himself and some of the prospector's enthusiasm rubbed off on him.

The years rolled by and finally a man took over the mine from Mr. Berry. The Horne Mine now has prospects of uranium, gold, lithium and tungsten. If enough shares are sold the mine will then be developed and Mr. Berry can hardly wait until production starts. If the mine proves sound it will be a dream come true for a man, who along with others, has spent time and money seeing what lies under the ground in the rich and fast developing north.

Mr And Mrs Bremner 40th Anniversary

A large number of friends from Dr. Watson, Calgary and surrounding communities gathered at the Chamelle Hall November 29 to honor Mr and Mrs Elton Bremner on their 40th Wedding Anniversary.

The bride and groom of 40 years were ushered in to the strains of "Here Comes the Bride," and were congratulated by their many old friends.

Dancing began by Elton and Cynthia, leading in the Anniversary waltz. Later on an amusing waltz was performed by the Glenora group and two songs. Our Best To You, and Memories were very sweetly sung by the Misses Joan and Marilyn Groves, accompanied by Ruby Field on the piano.

A gift of silver was presented to the couple by Jack Hartel, and was delivered in a miniature check wagon drawn by Greg Dewdney, Lee Irving and Jackie and Bobby Hartel. Allen Downey presented a beautiful bouquet of flowers from the Glen Valley F.W.O.A.

Both Mr and Mrs Bremner graciously thanked everyone for the party and gifts and then led the grand march to the basement where a lovely lunch was served. The head table was centered with a beautifully decorated three tiered wedding cake. Telegrams from relatives were read and several stories were told on the couple by Jack Hartel and Jack Hartel.

Dancing was carried on to the wee hours of the morning. Music was supplied by local musicians and Mrs. Field's records.

Municipal District Of Wheatland Moves

Into New Office On No. 1 Highway

Municipal District of Wheatland, No. 49 this week moved into its new office building on the No. 1 highway. Council's monthly meeting was held in the new premises Tuesday.

The modern building, which still needs a little paint work plus the installation of water and sewer lines next spring, will now afford the enlarged district the working room it needs. The new building comprises a council meeting room, a secretary's office as well as a general office. Resembling a modern house, a good deal of the office has a porch entrance. New

improvements of the building are 34 x 16 feet, thus providing ample room for the many files and records of the municipality. The door is linoleum throughout and completely equipped with fluorescent lighting. Roofing is asphalt shingles and the exterior will be of stone siding.

Considering the time the project was started so late in the season it is remarkable the progress that has been made. The building was supervised by Reeve Jim Harwood, with Al Morton, contractor and most of the labor was done by local help. This saved the municipality a good amount of money over a contracted job.

Annie Pavcek Weds Earl Russel Brown

Strathmore United Church was the setting for the recent double ring wedding of Miss Annie Pavcek, only daughter of Mr and Mrs Frank Pavcek of Ardmore, to Earl Russel Brown, youngest son of Mr and Mrs P. W. Brown of St. William.

Rev. Blake Pritchard officiating.

The bride was given in marriage by her father. She chose a strapless white length gown of nylon net and lace with matching bolero jacket and mittens. Her hair styling was done by Mrs. E. L. Gray of the town and bride's maid, Mrs. E. L. Gray.

Town Plans Tree Program In Spring

Many Strathmore residents will be pleased to know the Town Council is planning to launch a tree-planting program in the spring. This was decided at a recent meeting with Mayor E. L. Gray in the chair and all council members present.

Due to the town's overall program of the past two years many trees have been planted, leaving a bare sight for home owners on the streets. This year rather than less the town is planning to plant more trees.

The town has now been transferred from the Bow Valley Health Unit into the Drumheller Health Unit. Donations for \$25.00 were made from Dec 1st to the end of the year. The town is planning to plant more trees.

The Strathmore Standard

The Strathmore Standard, established in 1905 is a member of the Canadian Weekly Newspapers Association and is published every Thursday at The Standard Office, Strathmore, by the MacLean, Editor and Publisher. Member of the Audit Bureau of Circulation. Authorized second class mail. Post Office Department, Ottawa, Canada. Circulation more than 1,000 homes.

CHRISTMAS LIGHTS

Christmas lights and decorations are slowly appearing in Strathmore homes and it won't be long before Santa Claus makes his annual appearance, much to the delight of all the children. All decorations help to make the night.

Christmas is a time when most people go to elaborate efforts to deck their homes out for the Yuletide season while others are content to have a single light burning in the window. Whatever their taste, all contribute to the holiday spirit.

GIFTS for Him

A GREAT SELECTION OF MEN'S CORDIGAN SWEATERS & FULLOVERS BY WOLSEY and TONY-DAY

THOS. E. WRIGHT
"MEN'S BETTER WEAR"
STRATHMORE, ALBERTA

In the past we have advocated for gifts for the best decorated homes at Christmas, as well as the best gardens in summer. In suggesting this we do not mean to create competition but to attempt to get more people.

WORTHWHILE GAMES

Once again the Woods' Christian Home has launched its annual appeal for funds. Of the many excursions soliciting funds from the public this is among the top in priority.

Christmas is a time when most families have their budgets taxed to the limit but we suggest a small contribution to this fine organization is well worth a little on the present so joy can come to lonely children.

Through no fault of their own children of the Woods' Home have no parents. At Christmas they have only the joy that others provide to make them happy and it is a small sacrifice to make to brighten their lives a bit.

Crowfoot Notes

SV Mrs. E. M. Standard and Mr. and Mrs. Rasmussen were dinner guests of Mr. and Mrs. Frank Marriott at Midnapore last Sunday.

Frederick Lee wore the names as on the infant son of Mr. and Mrs. Leo Malley, when christened in the Strathmore United Church last Sunday. His godparents were Mr. and Mrs. Fred Holm.

Mr. and Mrs. P. W. Maith and girls, Mr. and Mrs. Fred Holm of Standard and Mr. and Mrs. George Kaschuk and George, Jr. of Rosedale were last Sunday visitors of Mr. and Mrs. Leo Malley.

The monthly meeting of the Crowfoot Community Club met in the home of Mrs. M. Bangle with 18 members and one visitor present. The Christmas concert will be held in the club house Dec. 31. The raffish were won by Mary Loebe.

Golden Jubilee

Approximately 12 percent of the people living in Alberta in 1905 were alive to participate in the golden jubilee celebrations. Pictures released recently by the Alberta Golden Jubilee Committee indicate that 23,000 persons have received senior citizen scrolls, signifying their residence in Alberta during or prior to 1905. The population of the province in 1905 was about 115,000.

The distribution of senior citizen scrolls has now been completed, although applications will be accepted until the end of the year. An average of 15 applications a day continue to trickle in.

Service Clubs Boon To Smaller Towns

Canada's service clubs today are big business. With a membership of more than 1,000,000 men and women — most of them from small towns — they raise over \$10,000,000 each year from raffish, tag days, ice shows, musical festivals, Easter seals, sports events — and even the Metropolitan Opera.

Little of the money raised finds its way into the club coffers. Instead, it is used for a multiplicity of purposes designed to make life easier and more comfortable for the afflicted and the needy, and the community as a whole.

It is used for a multiplicity of purposes designed to make life easier and more comfortable for the afflicted and the needy, and the community as a whole.

When a Toronto taxicab driver was murdered a few years ago, a local Lions Club raised funds for the victim's family. A Winnipeg club sponsored a clinic for spastic children. Another, in St. John's Newfoundland, finances treatment for deaf-mute kids.

In Pacific River, Klamath decided their community of 3,500 needed a community centre. Members motored 200 miles to Dawson Creek, dismantled an old, unused warehouse, brought it back to Pacey.

Through carnivals, ice shows, and hockey games, receipts they built an arena that couldn't be surpassed for \$70,000. The Toronto Branch of the Lions Club, Altogether, Kiwanis clubs, 220,000 members in 200 clubs in Canada, 12,000 members in 200 clubs in the United States and the Yukon. Lions claim 3,000 members in 522 Canadian clubs, 622,000 global members in 70 democratic countries. Kiwanis claim the only all-Vel Rotary is by no means the Canadian service club.

Gleichen Events

at the home of Mrs. R. E. Hunter, Dec. 6 with 20 members and one visitor present.

Mrs. Pugh opened the meeting with a short prayer. The roll call was answered by naming your own names.

The monthly meeting of the Gleichen United Church W. A. met

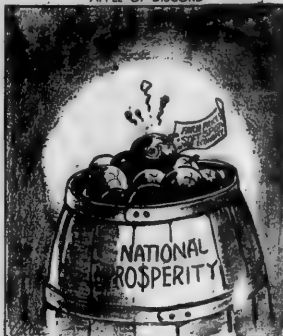

on the Christmas theme.

The minutes were read and approved, and the treasurer's report read and accepted. The latter report showed that the recent bazaar was a success financially.

Final arrangements for the serving of the Senior Citizens' banquet Saturday night were made.

Mrs. R. W. Brown took the chair for the election of officers which

APPLE OF DISCORD

resulted in Mrs. E. P. Hart, president; first and second vice-presidents, Mrs. W. Pugh and Mrs. M. W. Bellinger; re-elected as secretary, Mrs. R. A. Kiddell and treasurer, Mrs. R. K. Hunter.

Mrs. Pugh then presented Mrs. R. E. Hunter with a lovely silver berry spoon in recognition of her 25 years service as treasurer of the W. A. In her brief report of silver thanks and appreciation Mrs. Hunter mentioned that she had been given this cooperation by every one, and that the work.

After the meeting was adjourned, the Polyanna gifts were presented and a delicious lunch was served.

Mrs. May James has returned to Gleichen after spending some weeks with her daughter in Winnipeg.

Mr. and Mrs. R. E. Wolfe spent a few hours and had dinner with Mr. and Mrs. N. A. Riddell Monday, Dec. 6 enroute to their home at Windthorst, Sask.

The regular meeting of the Gleichen PWMA held at the home of Mrs. K. Burton Dec. 3 with 15 members present. Roll call was answered by a Christmas verse. Donations were sent to the Salvation Army, Woods Christian Home, and Blind Institute, and a fruit parcel to the Eveitide Home. Financial arrangements were made for

Dec. 16 at Meadowbrook Hall. The next meeting will be held at 8 p.m. at the home of Mrs. Donald MacArthur, Jan. 1. The PWMA delegates, Mrs. R. McKeever and Mrs. J. A. MacArthur will give their convention reports.

The Chamber of Commerce sponsored an evening's entertainment for the Senior Citizens of the Gleichen district Dec. 10 at 8:15 p.m. Over 100 people gathered around the tables in the school auditorium. O Canada was sung and Major Brown said grace. All enjoyed a sumptuous turkey dinner with all the trimmings. The W. A. of the United Church catered to the banquet. About 7:30 p.m. Rev. Morrison, acting as chairman in place of Mr. T. H. Beach who was ill started the program with a toast to the Queen. Mr. O. Norland, president of the Chamber of Commerce gave the address of welcome to all.

Major Colpoys brought greetings from the Town of Gleichen. Mr. Jack MacArthur proposed a toast to the Senior Citizens. Reply was given by Mrs. R. D. Oliver. Mrs. Ray Cunningham gave a short talk on the Old Times, after which, assisted by Mrs. Betty Wilson they presented corsages and bouquets to five Senior Citizens who were over 80 years old. Mrs. Jennie Henderson; Mrs. Betty McMillan; Mrs. Bill Cook; Mr. John Hoggan and Mr. John Byrnes.

Mr. George Bell, M.L.A. presented the scrolls to 25 senior citizens: Mrs. Henrietta Morrison; Miss Jessie Elbert; Mr. R. D. Oliver; Mrs. R. D. Oliver; Mr. Theo Kruse; Mrs. Theo Kruse; Mr. George McLean; Mr. Jas. Renand; Mrs. Renand; Mr. O. Desjardins; Mr. D. A. Jones; Mrs. Alice Bain; Mrs. W. Tester; Mr. Fred Taylor; Mr. Pong Don; Mr. David Curtis; Mr. Frank Bell.

A program of music was then enjoyed. Solo, Mrs. Clara Desjardins; reading, Mrs. M. Kruse; Accordion, Mrs. Minnie Kathleen Cunningham and Sheryl Desjardins, accompanied on piano by Miss Lila Scott; solo, Elvira and Robert Barstad; solo, Mrs. R. A. Curtis.

Mr. Art Jones spoke on the good clean fun we had in the pioneer days. Mr. Walton thanked the committee for having invited the men from the Eveitide Home and he and his wife to the banquet and program and for scrolls received. Mr. Elmer Bellinger thanked the Woman's Association and all who helped in any way.

Richard Claims He Hits Last

Maurice Richard, hockey's most prolific goal scorer and most colorful blow top, declared in Liberty, I cannot remember starting a fight in my professional career; and I've never punched first in battles I've been in.

The 30-year-old, taking part in his 14th consecutive NHL season with the Montreal Canadiens, asserts all of his temperamental outbursts have been provoked by unorthodox or illegal tactics on the part of his opponents.

For fans, ever really know how fights start. They see the gloves drop and the arms wriggle. Then they cheer for the hometown hero, hoping his opponent will end up minus teeth, draped over the boards.

Officials, too, Richard says, have just as hard a time trying to find the guy who starts a fight. In most cases, they end up naming the player who was out for revenge, while the real culprit goes free.

Richard readily admitted he had never considered himself brawler this hockey. And he appreciates the difficulties under which officials must operate. But he wastes no sympathy on referees or linesmen.

Why should I, he asks. I don't think I ever got the best of it from any of them.

The Rocket, says Toronto's hard-rock, Bill Ekinicki was the toughest character he had to contend with in the NHL, and Frankie Riddella, late of the New York Rangers, the defenseman that gave him the most trouble. Of the present day crop, Richard rates Boston's peppery Lou Labien, as the roughest.

Berry-Vale W.I.

Berry-Vale W. I. met at the home of Mrs. R. Martin on Dec. 1 when 15 members sat down to a pot luck luncheon provided by the members. Roll call: Queen Mary Bonshas (friend, during the meal created many surprises and much merriment).

Meeting was later called to order by the president Mrs. T. A. Taylor and one verse of O Canada was sung followed by the creed. Minutes of previous and last

annual meeting were read by the secretary Mrs. E. A. Player, who also gave a resume of the work accomplished during the past year. Correspondence read, including greetings from former members who have moved. Treasurer's report given by Mrs. R. Hillon and fairly report as well. Old business was cleared up. Berry-Vale in conjunction with Nightingale W. I. will send oranges and candy to Ash Villa, Provincial Training School, Red Deer, which Henrietta Campbell and Barbara Mercer assisted.

Mrs. Barrow then took the chair and proceeded with election of officers for 1956. President, Mrs. J. Banast; 1st vice-pres., Mrs. A. Paret; 2nd vice-pres., Mrs. D. L. Campbell; secretary, Mrs. E. Player by acclamation; treasurer, Mrs. D. Barrow; press reporter, Mrs. R. Martin by acclamation; publicity sec., Mrs. Gordon Kearns; dict. convenor, Mrs. O. Stewart; directors, Mrs. Smith, Mrs. Taylor, Mrs. Martin and Mrs. Way.

Mrs. Taylor, retiring president, thanked all members for their cooperation during her term of office. Mrs. Banast then took the chair and proceeded with the business. There will be a meeting at Mrs. J. Banast's on Jan. 5 to draw up the program for the coming year. All

members requested to be present. Sunshine friends were then drawn for the next year. A raffle donated by Mrs. Smith was won by Mrs. Taylor. Cards were signed and sent to old members. Mrs. Gordon Kearns proposed a vote of thanks to retiring officers. Gift exchange followed and everyone felt they had been very fortunate.

Mrs. Way moved a vote of thanks to the homes for use of her home for an enjoyable time.

Refreshments were served and so amid many good wishes for a very Merry Christmas and Bright New Year Berry-Vale closed their year 1955. See you all at Mrs. Banast's home Jan. 5, 1956 at 2:30. Merry Christmas to all!

Royal Bank Gets New Gen. Manager

Important executive changes at Head Office, Montreal, are announced by the Royal Bank of Canada. T. H. Atkinson, vice-president and general manager, is retiring on pension, and will be succeeded as General Manager by K. M. Sedgewick. Mr. Sedgewick will assume his new duties in December.

During his 44 years of service, Mr. Atkinson has risen from a junior clerk to the distinguished executive post he now fills.

Thursday, Dec. 15, 1955 - THE STRATHMORE STANDARD - 5

for clerk to the distinguished executive post he now fills. This decision to retire at pension age is in keeping with his conviction that the arduous duties of general manager make it undesirable for one man to occupy the post for a protracted period and that way should be made for younger men at the highest executive level.

You don't argue with a locomotive. So the manufacturer of all equipment has developed a lightweight rail inspection car that carries four people yet has no break-down of track by one man.

Since men who design rail cars, aircraft and other transportation equipment must have an aluminum to cut down dead weight and increase speed, it was no surprise that aluminum was used to replace heavy materials in many parts of this inspecting car. The pumps who will be surprised in the locomotive engineer who first saw a rail inspection car suddenly and single-mindedly - he had his answer from the coast.

ST. VICTOR'S C.W.I. MEET
The monthly meeting of St. Victor's C.W.I. was held in the Parish Hall with Father Violini, director and Mrs. Leo Desjardine, president in attendance. There were 13 ladies present, each answered the roll call by answering the question. What I would like for Christmas. Mrs. O. Burn's answer had the most Christmas spirit, her wish was, that there would be a wheat quota opening soon.

Father gave us a very interesting talk on the Altar Rosary, which he had been presented with. After an exchange of gifts, we were served a delicious lunch by Mrs. Leo Desjardine and Mrs. Lucy Coughlin.

St. Victor's C.W.I. wish to extend their thanks to Mr. Leo Woods, who so generously donated his time painting inside the church, and to the manager of Shopette Store for his generous donation, the raffie prize for the Sunday night show.

News From Standard

On the afternoon of December 18th the members of the Junior Red Cross — known as the "Silver Searchers" (Grades 7 and 8) of the Standard School held a tea and bake sale in their classroom.

The room was seasonally decorated for the occasion. The guests were shyly served by the people at nicely set tea tables. The entire project aimed to health and personal development was conducted by the pupils under the supervision of their teacher Mrs. Kiech.

We wish to thank all the parents who supplied the 1, 1 table, cash as flowers etc. and also all those who supported the project by attending.

The proceeds were as follows: Fish Pond — \$2.54; Bake Sale — \$12.31; Tea — \$14.00; Total \$28.85. Fifty dollars has been sent to the Jr. Red Cross Crippled Children's Hospital. The balance is being kept for Junior Red Cross work at home.

Johnny Hiltz has received his award from the Toronto Royal Winter Fair, for his sample of Chinese wheat, which won him the tenth prize. He is a member of the Craig School of H. H. Chih.

On Sunday, December 18th the church choir of Husar and Standard put on their annual Christmas Cantata. Despite the extremely cold weather there was a good turnout and everyone enjoyed the lovely selections the choir sang. Lunch was served afterwards.

Mr. Walter Matheson is a patient at the General Hospital. After being sick for some time it seems he was taken to the hospital where we wish him a speedy recovery.

Mr. Thorwald Nielsen has now returned home from his trip to the Southern States.

Mr. Norm Sanderson and Mr. Stanley Castan have spent several days at home.

Christmas Notes

The W. W. and their Christmas party at the hall last Wednesday. Although it was a fine day and an agreeable break in the weather, only a few and other persons the attendance was lower than we would have wished. After the singing of several Carols Santa arrived in person and distributed gifts. There were many surprises as the members found out their secret

friend. Draws were made for our next friend for 1939. A beautiful lunch closed the afternoon, the hostesses for the occasion being Mrs. K. Lowry and Mrs. M. Weisheimer. The Christmas Community Christmas entertainment was held Dec. 19th.

Extend to all our friends and customers the compliments of the season. We are grateful for your friendship and patronage during the past year. We know that cash has been scarce with many of you, and we are glad that we were able to extend credit to those of you in need of it.

By purchasing our merchandise at the lowest cash price obtainable we were able to supply your requirements at prices, often less than the established trade prices. We aim to abide by "The Golden Rule" in all our business relations. We hope to have a continuance of your confidence and patronage. Please ask for one of our Calendars and we also have a special gift for our lady customers.

We wish for you all A Very Merry Christmas and A Happy New Year.

Mr. and Mrs. Winona Getty have moved into the former home of Mr. and Mrs. Tommy Anderson on 6th Street.

Mr. and Mrs. Vernon Hansen entertained a few friends in their home recently.

Juvenile Delinquents Are In Minority

It was not that Canadian teenagers are a greedy, law breaking bunch of harem-scums as in for a variety, according to Liberty magazine. True, they may have reason to be disturbed. About 15,000 boys and girls tabbed as juvenile delinquents, but these are only a fractional minority of Canadian youth. Their bizarre exploits are over emphasized, while the trouble free lives of Canada's 1,000,000 teen agers who never get into scrapes with the law are ignored.

After a month spent studying the behavior pattern of Canada's common teen agers, Liberty editor Frank Raky describes them as eminently practical minded, conservative in spirit, extremist only in their fervent faith in the future of Canada; keen about improving their mind and personality; ready to accept parental authority unchallengingly; yet far better informed about science, religion and sex, than their parents had been at their age.

Perhaps they are too well adjusted. They are so eager to conform, they seem reluctant to adventure emotionally. They want to get ahead, but not excessively so. If it means taking risks. They prefer to be safe as vice-presidents, rather than gamble as sinners to be president.

The lion's share of credit for this overwhelming good behavior record belongs to the various youth organizations across Canada. These are organizations like the YMCA, YWCA, Catholic Youth Organization, Royal Irish Youth Organization, Young Men's Hebrew Association and the United Church's H.C. Clubs. Just to mention a few.

New Wheat Policy Urgently Needed

Within a month or so the Federal Govt. will announce a new wheat policy which, it is claimed, will answer present criticisms. That promise came from Finance Minister Bennett at a political meeting in T. on.

There may be some surprise at the government's choice of speaker and place for such an announcement, states The Financial Post, but there will be none at all at the news that a new wheat policy is coming. A completely new policy has been needed and needed urgently for a long time.

We are just moving and sailing a boat nearly as fast as we are producing it. We are losing our place in the world's biggest supplier of wheat. We don't do something soon, a large part of Canada and on the present account of the national economy are going to suffer seriously.

Mrs Syd Coldwell Heads Local WMS

The United Church WMS held its Dec. meeting at the home of Mrs. Warrack with nine members present. The meeting opened with singing On Little Town of Bethlehem, followed by The Lord's Prayer. The-Prayer reports were read and adopted. Mrs. Pritchard gave an interesting devotional, reading from the second chapter of Matthew. The following officers were re-elected: President, Mrs. Syd Coldwell; vice-president, Mrs. Kernack; secretary, Mrs. Vera Washburn; Christian Stewardship, Mrs. Wheeler; Literary sec., Mrs. Pritchard.

A card from Mrs. Harold Seiber was read and Mrs. Warrack read a letter she had received from Mrs. A. A. Hamilton of Saskatoon which was very interesting to the members.

The candle lighting service followed with Mrs. May, Mrs. Warrack, Mrs. Washburn, Mrs. Hanson and Mrs. Garrett taking part.

The members then sang Silent Night and Mrs. Hanson explained the origin of this carol. A letter from a missionary in India was read and the meeting closed with the Misses. A delicious lunch was served by Mrs. Warrack, assisted by Mrs. Coldwell and Mrs. Downey.

SCIENCE SHRINKS PILES NEW WAY WITHOUT SURGERY

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain. Thousands have been relieved without resort to surgery.

In use after meals, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Glo-Dyne) - discovery of a famous scientific institute.

Now you can get this new healing substance in suppository or ointment form called Preparation H. Ask for it at all drug stores. Satisfaction guaranteed or money refunded.

the loss from pneumonia and influenza combined, according to the statistics, among the older "home" school boys - those from 14 to 18 - accidents take a grip on more than 100,000 children each year, according to the statistics.

Although accidents are not as dominant a factor in the mortality among girls as among boys, they account for more than one fourth of all deaths and outrank every other cause of death in the 15-19 age group.

Statistics ranked second as a cause for accidental death among children, causing one fourth of the fatalities. Other causes contributing appreciable measure to the girls' toll are burns and conflagration, store, firearms, accidents, and fall from trees.

News From Gleichen

BY MISS A. E.

Mr. and Mrs. N. A. Riddell motored to Calgary on Saturday where they visited Mr. and Mrs. Lloyd Riddell and family.

Friends of Andy Johnson will be glad to hear that he was well enough to return home from the General hospital in Calgary Friday. He had an operation on his eye over a week ago and is gradually recovering.

Mr. and Mrs. J. B. Kinsley accompanied by Mr. and Mrs. W. M. Pettit returned home last night from a pleasant motor trip to Spokane, Portland and Vancouver.

Billy Hall and Morgan Johnson came home by bus from Glenbrook, Mont., to spend the Christmas holidays at their homes here.

The Christmas concert and dance at Meadowbrook hall sponsored by the FWCA was held Friday night. It was very well attended in spite of the cold weather and proved a real success. The 25 items on the program were enjoyed by all those present.

At the meeting of the Alberta Chapter OMA, held Thursday evening Dec. 15 in the Masonic Hall at Gleichen the following officers were installed: Workey Matron, Mrs. Florence Mullen; Workey Patron, Mr. Leroy Keston; Associate Matron, Mrs. Wilma Tower; Associate Patron, Mr. George McLean; Secretary, Mrs. Margaret MacArthur; Treasurer, Mrs. Priscilla Pugh; Conductress, Mrs. Lillian Ramonson; Associate Conductress, Mrs. Fran Tower; Chaplain, Mrs. Viola Williams; Marshall, Mrs. Rita Collins; Organist, Mrs. Dalphine Holinger; Aides, Mrs. Bernice McKeever; Youth, Mrs. Ruth Ferguson; Father, Mrs. Max Hord; Mother, Mrs. Dorothy Michael; Electa, Mrs. Ida Schellen; Warder, Mrs. Inez Johnson; Sentinel, Rev. Wm. Morrison.

The installing officers were: Mrs. Mabel McIntyre, Past Workey Matron; Mr. Walter James, Past Workey Patron; Mrs. Margaret Brown, Conductress; Mrs. May Romerville, Associate Conductress; Mrs. Dorothy Keston, Chaplain.

Mrs. Valma McLean, Organist; Mrs. Flora McLean, Warder; Mr. Bill Ferguson, Sentinel.

We were favored during the service with two solos by Mrs. Mrs. Collins and a duet by Mrs. Collins and Mrs. Bess Brown, which were enjoyed by all. They were accompanied by Mrs. Dalphine Holinger at the piano.

A number of visitors came from Strathmore, Standard, Husser and Basano.

Before the installation service the visiting officers had an address for their retiring officers: the Workey Matron, Mrs. May Somerville; the Workey Patron, Mr. Wm. Morrison. Also an address for the incoming Workey Matron Mrs. Florence Mullen, by the retiring Workey Matron, Mrs. Mabel McIntyre and her officers. At the close of the meeting a tasty banquet was served by the local committee.

The Gleichen United Church Sunday School held their Christmas service Sunday morning, which was very well attended by the parents and friends. After singing several carols some of the classes repeated their memory verses, some sang a Christmas selection, others gave recitations, and one class, an acrobatic. A piano duet consisting of a melody of Christmas carols by two of the senior girls completed their program.

The Explorers group of girls under the leadership of Mrs. J. Glendon, and the Klinton Band with Donnie Blimpie as conductor, contributed two selections to the program. After the service, gifts were distributed and a bag of treats given to each pupil.

On Christmas Day there will be a church service in the Gleichen United Church at 7:30 p.m. There will be no Sunday School Dec. 25.

Mr. and Mrs. R. K. Hunter and Dr. C. E. Melville and Mr. and Mrs. W. F. Hargrave and Linda were Calgary visitors Saturday.

The W.L.L. group of the Gleichen C.O.U. under the leadership of Mrs. W. Blimpie and Miss D. Ramonson held an impressive Christmas Yuletide Service in the United Church Sunday evening. The Explorers group of girls with their leader Mrs. Glendon assisted in the service by singing one selection. Following the service the ad skit, sang four numbers, and Mr. Elmer Holinger rendered a violin solo accompanied by Mrs. Holinger.

Leslie Wilson and W. M. Pettit left Friday for Ft. Nelson. They are hauling Ted Krause's caterpillar which he expects to use in his work this winter.

Hussar Happenings

BY MRS. M. C. B.

At the meeting of the Home and School Association it was decided to furnish the treats for the school Christmas tree and entertainment.

Around 50 per cent of the parents subscribed to the children's accident insurance policies; the matter was held over from last month's discussion for consideration. There was a panel discussion in which the president Mr. Renberg divided the parents into three groups to give their views on School Protection policies. This proved very interesting and instructive. There were two short films shown. The January meeting will be Men's Night, but all ladies are invited to attend. The men will furnish the lunch, and the Lions Club will provide the program. Date is Jan. 4 at 8 p.m. in the school.

At the annual meeting of the Hussar Ladies Aid there were 26 members and visitors present, with all of the officers. It was decided to continue serving the dinners for the Lions Club as the report showed that the ladies had been successful in raising about \$30 on the two ventures.

The president, Mrs. Harry Muller gave a summary of the work of the Aid for 1935. Kitchen, installation of propane stove and two heaters, bought knives, fur, spoon and cups. Whilst party in March, Hussar and tea in November and monthly meetings in the home of the members; talk by Mrs. Muller on first aid in April; supply of bags for the Christmas tree treat and a committee to help fill them. Sponsored Miss Kay Larsen for the U. N. School in Banff in conjunction with several other local organizations. Donations: Coal stove from Mithers to a needy family; Red Cross, \$25.00; cancer fund \$25; Salvation Army \$25; local gifts \$25; Basano Hospital a Christmas gift around \$35 and to the Junior Red Cross Hospital a shipment of canned fruits and preserves and also vegetables. Also the Aid gave silver cups to the babies born in 1935 to mothers, members of the Aid; flowers to the sick members; a farewell gift to Mrs. Tom Burdett and one to Mrs. Karl Knudsen. The Aid members are serving dinners for the Lions Club. The members expressed their appreciation of this summary. The chief business was the annual election. The president Mrs. Harry Muller and vice-president Mrs. Roy Parker were re-elected by acclamation as was the secretary Mrs. Ethel Anderson and treasurer Mrs. Hans Duck-Schmidt. They served for several years they declined the nomination and Mrs. V. Law was elected secretary and Mrs. Jim Stewart, treasurer. The following committees were appointed: Rick,

Mrs. Hans Duck-Schmidt and Bell; and 7. Madeline Carl Ethel Anderson and Albert Schaffer; program, Madeline Bell and Pringle. It was decided to serve in the curling rink at the Lions on the 31st. The contest and draw were won by Mrs. Duck-Schmidt. Next meeting will be at the home of Mrs. Albert Schaffer. The program consisted of a fine reading by Mrs. Pringle and a very interesting talk on Hussar by Mrs. Jean MacLennan. A fund and social tea followed. Mrs. William was a success with Mrs. Bell. They were assisted by Mrs. Larsen and Mrs. Law.

Margaret Edith Bath Of Standard Weds Dr. George Sharratt Of Quebec

By candlelight, in St. George's United Church, Dec. 19 at 3 p.m. the marriage was celebrated of Margaret Edith, youngest daughter of Mr. and Mrs. T. P. Bath of Standard, to Dr. George Sharratt, son of Mr. and Mrs. George H. P. Poirer of Westmount, Que. The Rev. S. J. Parsons heard their nuptial vows.

The bride chose white satin brocade puffed over net and hooded crinolines. Her gown was designed with portrait neckline and blacking short sleeves completed by white kid gloves. The slipped bodice extended to torso length in V panels with shirred insets forming the very bouffant full length skirt. From her matching headpiece misted a pure silk illusion veil. She carried a cascade bouquet of white gerberas and feathered white carnations. The bride was given in marriage by her father.

Her only attendant, Mrs. Evelyn Christmas, chose a gown of brocade green satin brocade in full length following similar lines to the bride's gown with matching pail box hat sprigged with holly. White kid shortie gloves completed her ensemble. She carried a cascade bouquet of red carnations and holly.

The groom's attendant was Dr. Wm. Mulloy of Calgary. Ushers were Dr. Don Macdonald, Langley, Prairie, B. C. and Dr. A. M. Leach of Oshawa, Ont.

White chrysanthemums and red carnations with white candles decorated the church for the wedding. Organist Mr. E. A. Chappin played the wedding music, and Mr. Bob, A. Wilson, was soloist. Before the ceremony he sang "Oh Perfect Love" and during the signing of the register, "The Wedding Prayer."

The bride's mother chose a gown

of midlight blue-brocade taffeta, and wore a corsage of coral sweet-heart roses. The groom's mother wore a gown of steel blue satin, with a corsage of red sweetheart roses.

The reception was held at the Calgary home of the bride's parents. Mr. Tony James of Standard proposed the toast to the bride. Mrs. F. D. Knowlton and Mrs. Charles Ruffin-Smith poured tea, with Mrs. Tony James and Mrs. Harold Ruffin-Smith pouring coffee. Miss Virginia Mogen, Miss Madeline Willis, Mrs. Andy Jordan, Mrs. Robert Bath and Mrs. Gordon Jackson all assisted in serving refreshments. Guests were from Medicine Hat, Standard, Oshawa, Edmonton, Langley, Prairie, and Vancouver, B. C. and Calgary.

The groom's parents Mr. and Mrs. G. H. Poirer flew from Montreal to attend the wedding and were guests of Mr. and Mrs. T. P. Bath.

The bride and groom left on a motor trip to the south, today. To travel in Mrs. Poirer's sleek green wool dress with matching hat and black coat with accessories is making in her. Her corsage was of gardenias.

Dr. and Mrs. Poirer will make their home in Redhill, Alberta.

AGRICULTURAL SOIL AND FEED TESTING LABORATORY

The opening of an Agricultural Soil and Feed Testing Laboratory is announced in a joint statement issued by L. C. Haiman, Alberta Minister of Agriculture, and A. G. McCalla, Dean of the University Faculty of Agriculture. The Laboratory will be located in the Agriculture Building at the University and is designed to handle soil samples of home grown feeds, either grain or forage crops. Commercial feeds and supplements will not be analyzed. Dr. A. Zinnak, a graduate of the University, has been appointed Chief Analyst.

The Laboratory will take over the soil testing work that has been done for many years by the Department of Soil Science. The opening of a full time laboratory will make it possible to extend this work and give faster service on routine analysis. The analysis of feeds is an entirely new service but one that has been in demand by farmers and particularly by ranchers in southern Alberta.

Further information is available from District Agriculturists or from the Agriculture, Soil and Feed Testing Laboratory, University of Alberta, Edmonton.

Hussar Socials

BY MRS. H. C. S.

In honor of the birthday of Mr. G. C. Kalfenstein and another member of the family all the family gathered for a celebration Sunday, Dec. 16.

Mr and Mrs Peter Reinholdt expect to have all their children and grandchildren with them for the Christmas holidays.

Mr Chris Jorgensen of Channahow is a patient still in the Hussar

hospital.

Young Gordon Schaffer returned to school on Thursday, after a spell of illness in the Hussar hospital.

Mr and Mrs W. A. Treney motored to Calgary Saturday to meet their daughter, Miss Joy Treney, who is returning from Edmonton, for her holidays at home. She is attending the University of Alberta in Edmonton.

As no interest has been shown in carrying this year, the Lions Club have taken over the risk and conducted it into a skating rink. They

had the grand opening on Wednesday night. There was a good attendance and a very merry time was enjoyed. A goodly number signed up for the family tickets and several took on individual tickets. Mr Wilbur C. Lay is the caretaker, and will be present when skating parties are arranged. The Lions committee in charge are Messrs G. G. Montgomery and J. Carter.

The Christmas concert put on by the joint schools of Standard and Hussar on Thursday evening, was a splendid success. The church was crowded to capacity, and the Christmas Cantata, Chimes of the Holy Night, was well rendered, and the choir gave great credit for the work they have put into the rehearsal. A social hour followed in the Lutheran church parlors. This same Cantata was given in Standard on the 18th.

In Our Savior's Community Lutheran Church the week before Christmas will be a round of celebrations: The Lutheran League holds its Christmas party on Friday, Dec. 22nd; beginning with a potluck supper at 5:30 and ending with the annual round of caroling; there will be a Christmas Eve Candlelight Service from 5 to 5:30 on Saturday, Dec. 24 and on Sunday Christmas Day at 11 a.m. the Christmas Worship Service. A Perpetual offering will be received all

this service; the Sunday School Christmas Program will be held on Tuesday, Dec. 3 at 7:30 p.m. and a lunch will be served afterwards. Rev. E. W. Olson is in charge of this Pastorate now.

You can receive 50 per cent of the money in the district by placing an advertisement in the Strathmore Standard. Don't pass up this good opportunity to reach so many people at such a small cost to you.

Bventide Home on Monday evening Dec. 18th, where they conducted their National Vesper Service for the pleasure of the guests assembled there. On Tuesday evening, Dec. 19th, the Gleichen United Church Choir motored to the Riverside Home for their annual visit. They sang carols and Anthems. Mr. Hunter Hollinger played two violin solos and accompanied the Choir in the carols. All the guests showed their appreciation of the music.

The illuminated evergreen trees, on the grounds, and other Christmas decorations at the Riverside Home were very attractive.

Donald Hunter who is attending UBC, came home Friday to spend the holidays with his parents.

Mr. and Mrs. V. Brown and son David of Coups spent the holidays with the latter's parents Rev. and Mrs. Wm. Morrison.

Mr. and Mrs. Floyd Sammons and family spent Christmas with relatives in Calgary.

Mr. and Mrs. Howard Warner have rented the T. C. Brown home and will live there until their own home is built.

Mr. and Mrs. R. K. Hunter motored to Calgary recently for a short visit at the home of Mr. and Mrs. George Leth. Later they met their son Dale who came by plane from Edmonton to spend Christmas, and his brother Donald who was a Calgary visitor. They all returned to Geichen that night.

Mr. and Mrs. R. K. Hunter of Calgary spent Christmas Day at the home of the former's parents, Mr. and Mrs. J. W. Rouchie, and visited

at the home of Mr. and Mrs. R. K. Hunter in the evening. Among those who returned to Geichen to spend Christmas were Miss Anna Pettit, Miss Lee Murray, D. H. Haskins, Miss Louella McKewen, and Miss June Hapke.

Mr. and Mrs. Lloyd Riddell and family of Calgary spent Christmas with the former's parents Mr. and Mrs. N. Riddell and relatives in Geichen.

OLEN VALLEY FWUA
The December meeting of the Olen Valley FWUA was held at the home of Alice Downey. Plans for the annual community party were made and it was decided that the members should put on a play. Ball rolls was given by Polynna Friend and gifts were exchanged.

Next meeting at Phillis Groves with Alice and Dr. Downey to provide lunch. The contest to see how many things a person could get in an envelope was won by Margaret Harrell who had secured 113 different things in a 4x6 envelope.

The annual Geichen community Christmas party was held Dec. 16. A large crowd was on hand to enjoy the program in which several children took part. The play by members of the FWUA in which the ladies played the part of teen age girls and boys was enjoyed by all. The highlight of the program was several songs by Harriet, Glen and Lavern Linn and Earl Briscoe of Carleton.

Santa made his usual appearance and presented parcels, candy and oranges to all. An abundance of good things to eat was served and a short dance brought a very enjoyable evening to a close.

Glacial should be surprised to find a New Year on hand now again. It happens every 26,000 years. However, the 26,000 years since the last glacial period, the last time the world was covered in ice, is a long time. The last time the world was covered in ice was about 18,000 years ago. The last time the world was covered in ice was about 18,000 years ago. The last time the world was covered in ice was about 18,000 years ago.

Archibald F. R. MacCallum, the death of Archibald MacCallum occurred Monday Dec. 28 in a hospital after a short illness. Born at Yarmouth, N. S. in 1885, Mr. MacCallum moved to the west in 1910.

He was manager of the Canadian Bank of Commerce in Kinross, Scotland, and in several other banks. He then severed his connections with the bank, moved to Geichen and for the past 27 years has been in the insurance business, retiring about six months ago. Surviving are his wife Gertrude, one son, Bill of Lethbridge, B. C., and two daughters, Mrs. M. M. Woodworth of Victoria and Mrs. M. M. Woodworth of Victoria.

The funeral service was conducted at St. Andrew's church, Geichen, by the Rev. Philip Penman on Thursday, Dec. 27 at 3 p.m. Interment was at Mount View Memorial Gardens, Calgary.

T V HITS MOVIES

Fewer Canadians want to see movies last year and the gate receipts took a drop for the first time in 20 years, reports The Motion Picture Association of America. Annual box office receipts fell 11.3 per cent from \$1,600,000,000 in 1954 to \$1,420,000,000 in 1955. There was a 13 per cent increase in ticket prices.

Gleichen Events

BY MISS J. E.
The first meeting in 1956 of the W. A. of Gleichen United Church was held Thursday evening at the home of Mrs. H. P. Hord, with 21 members and one visitor present. The country roads being blocked up prevented several members from attending.
Mrs. W. Pugh, retiring president, conducted the first part of the meeting. Rev. W. Morrison installed

during the last week of this month.
After some discussion the secretary was requested to write the minutes of the previous year. The minutes were read and approved by new ideas for the program for this year.
The secretary Mrs. N. A. Bladen and the treasurer Mrs. E. K. Hiltner gave very complete and satisfactory annual reports. Mrs. W. M. Dolinger conducted an inspiring devotion on the theme "The Power of Prayer."
It was decided to send a hamper made up of donations by the members to the Mountview Home

at the house of Mr. and Mrs. C. Hatfield on Friday evening, the occasion being their 25th wedding anniversary. During the evening they were presented with a silver service from the family and guests.
Mr. and Mrs. Gordon Warner and small daughter of Calgary spent Christmas holidays at the home of the former's parents, Mr. and Mrs. P. N. Warner.
Mr. and Mrs. M. W. Dolinger and family returned to Tareo Hills on Monday to visit at the home of the latter's sister, Mrs. D. Daw and family.

Mr. and Mrs. L. Menzinger and family of Coleman spent Monday visiting with relatives at the home of the latter's parents Mr. and Mrs. W. Wallace.
Christmas Day at the home of Mr. and Mrs. D. Bennett of Strathmore and family, Betty and grand daughter Doreen Lewis and Mr. Pete Sahara motored to Chilliwack, B. C. on Wednesday. They planned to visit friends at Seattle and Vancouver before returning home.

Mr. and Mrs. Ed. Ferguson and family, Mr. and Mrs. J. Sheehan and family and Mr. Jack Hewson were dinner guests at the home of Mr. and Mrs. Tommy Collins on Christmas Day.
Mr. and Mrs. Bill Edgar and family of Port Macdonald, Mr. and Mrs. Owen Chugg and family of Lethbridge and Mr. and Mrs. Lloyd McLean and family of Stobart spent the Christmas season with their parents Mr. and Mrs. Geo. McLean.

Strathmore W. A.

The postponed meeting of the United Church W. A. of Strathmore was held in the Memorial Room on Jan. 13 with a large attendance of members and several visitors. Rev. B. Pritchard gave a very inspiring devotion. The Power of Prayer.

The following officers for the ensuing year were installed by Rev. Pritchard: President, Mrs. M. Johnson; vice-president, Mrs. A. Thompson; 2nd vice-president, Mrs. K. Gore; secretary, Mrs. W. H. Schmidt; treasurer, Mrs. J. Connelly. Committees appointed by the president were: Visitation, Mrs. G. Warrack; Music, Mrs. H. Bessie; and Mrs. M. Wheeler; Membership, Mrs. L. Phillips; Flowers, Mrs. B. May; Miss, Mrs. K. Gore.

It was decided to purchase new drapes for the Memorial Room and Mrs. L. Wheeler was authorized to purchase same. Mrs. Hoffman kindly offered to make them. An executive meeting was planned to complete the year's program. Several members plan to attend the W. A. Picnic in Knox United.

After all business had been discussed with a very informative and interesting talk was given by Miss Nellie West.

She outlined the work that is being done by the Christiana schools there in India and stressed the urgent need for more teaching facilities in the Christiana schools there.

A social time was spent and a delicious lunch was served by the hostesses Mrs. G. Warrack, Mrs. M. Wheeler and Mrs. B. May, assisted by Mrs. R. Gore and Mrs. A. K. Thompson.

A very interesting letter from the President at Mount St. Francis Retreat House was read to members. Receipts for a total of \$1,700.00 were given to brothers for their generous contributions.

Two masses were offered for Mr. C. Robson and Mrs. John Kelly who were confined to St. Thomas Hospital. A speedy recovery to both of them.

Pot of Gold was won by Brother Frank Fierard of Glendon. The Feb. meeting will be held on the 14th in Glendon Parish Hall.

News from Standard

BY MRS. M. H.
The regular monthly meeting of the Standard Home and School Association was held at the school on Jan. 27. After the routine business was disposed of, Mr. O. Pedersen presented the E. A. Wagner Memorial Award to Margaret Pugh. This award is given each year by Standard (No. 115 AP & AN) to the student attaining the highest standing in Grade 12 Departmental examinations. The Association decided to purchase a new sweater to complement the new jacket purchased last year.

Mr. Norman Bruce then led a discussion on Robert's Rules and the Motion Picture. Samples of the rules cards were shown to the parents & a quiz session followed. It was agreed that in addition to report cards there should be progress reports at least once a year. The school staff emphasized that they would be pleased to assist the parents in the progress of the students.

Mrs. Binger led a most interesting discussion on "The Future of the Standard". This was also followed by a quiz. It is regretted that several cold and heavy rains cut down the attendance at this meeting, as it was a most informative one.

BOW VALLEY HOME AND SCHOOL ASSOCIATION

Bow Valley Home and School Association held its regular monthly meeting in the High School Jan. 11. The organization was fortunate to have Mrs. Frey of High River and regional director of Home and School to speak. She discussed the aims of the Home and School with reference to the relationship of parents and pupils, and also parents and teachers. She gave some good information on the curriculum changes made by the Dept. of Education. Mrs. Frey is the one day member of this group.

The suggestions made in the way of resolutions for curricula by the Home and School are carefully received by this body, and all possible consideration is given to these suggestions. She also dealt with the influences at work on the school child, namely the home, the school and the community. These communities that sponsor scholarships and prizes, and that take an active interest in school activities usually are communities which develop above average results in school work.

Bow Valley has had four Governor General medals in the past and the Home and School has given scholarships to Anne Bellanger of Glenelg and Jeanine Beaulieu of Cluny last year. The activities of the Bow Valley High School students point to the fact that this is an outstanding community in fostering the best in our graduates.

Ronald Peterson Wins Grade IX Cup For Highest Marks

Ronald Peterson was honored at the regular monthly meeting of the Strathmore Home and School Association Monday evening when he was presented with a trophy for attaining highest marks in Grade IX last year.

Presentation of the trophy was made by Mr. M. Holman, superintendent of the Wheatland School Division. He congratulated Ronald on his good showing and wished him the best of success in future scholastic pursuits. In reply, Ronald remarked how thrilled he was at receiving the award and thanked his teachers for the cooperation they had accorded him during the term.

First vice-president Carl Sorenson was in the chair for the business meeting. President Philip Petersen also was on hand and the move to an attempt to give other members of the executive an opportunity to gain experience.

Date for the handicraft display, bazaar and tea was set at Feb. 18 with Mrs. Henry Jackson in charge of handicraft. Any person wishing to display handicraft should contact Mrs. Jackson. Demonstrations will be given in weaving, rug making and crocheting by qualified instructors from Calgary.

Entertainment was in the form of films. Gips was on the Junior Red Cross Quipped Children's Serial in Calgary entitled "Don't Shirk Your Duty" shown by Mr. White and Calgary and a travel film on Australia.

The Grade IX award was won last year by Juss Kondo.

Interest Lacking In Ice Carnival

After two meetings which were not attended by enough interested persons to make any decisions, the Strathmore Memorial Area Committee will attempt to organize a carnival committee to direct operations of the March 1st carnival. Area president Bob Jackson reported this week attempts to organize the week attempts to organize the carnival this year have been disappointing. Only five persons attended a meeting last Sunday evening. This group decided to contact the Students Union to see if this group was interested in taking over the carnival.

It appears a pity that with so many children participating in the carnival that only a handful of people seem able to find the time to attend meetings to plan the event. These more interest is shown it is possible the Strathmore carnival will slip badly from the high quality of programs of the past.

As the committee says, it is up to the parents.

Strathmore Hotel Licence Suspended

Licence of the Strathmore Hotel to sell beer was suspended this week by the Alberta Liquor Control Board and will remain in effect until Feb. 11. Suspension was for selling beer in illegal hours.

12 p.m. to 1 a.m. is not permitted in sell beer by the glass or on premises consumption after 10:30 p.m. While a recent change in regulations allows open house hours to sell beer, or whiskey, until midnight week nights and 11 p.m. Saturdays.

Letters To Editor

Nightingale, Alberta.
 Dear Editor:

The editorial in the Jan. 19 issue dealing with farm unions and unions in general, followed appropriately by barbed and biased comments on the General Motors strike, left a large void as far as clarity is concerned. However, after stumbling and haphazard through this jungle of syntax it became apparent the writer has little or no use for organized labor. Certainly anyone is entitled to his own convictions. This is an inalienable right which cannot be denied. But it is another matter when these are dealt in a lie, a commodity.

The strong-arm corporations are paying the shot. They also insist on piping the tone. It doesn't take a college professor to figure out that a big two page blow-horned by a car maker or oil mogul brings in a lot more revenue than a dollar and six bits an hour bumper reporting a mislaid pipe wrench in the lost and found. Even so, editor or publisher knows which side his advertising is buttered on.

The recent policy adopted by auto builders of funneling larger amounts of money into local advertising is a genuine bargain for them. Not only do they get what they pay for but broadsheet and muscle their way into the editorial spaces. Editors and publishers thus become nothing more than puppets operating out their propaganda. This is what is commonly and proudly peddled as freedom of the press.

It would now appear a tangle of that labor devouring monster, Big Business, has snatched out even here to snuff out any last remnant of independent opinion that might have flickered.

Yours truly,
 Eddie Olynka.

Social Notes

Mr. Ted Hartell is undergoing treatment in hospital in Calgary and his friends wish him a speedy return to good health.

Annual meeting of the Wheatland School Division will be held in the Memorial Hall, Feb. 5 at 2 p.m. This is a good opportunity for parents to present any questions they have in mind concerning operation of schools.

Cheadle Notes

The Cheadle Mutual Telephone Company held their annual meeting on Monday. The following officers were elected for the coming year: Pres. Lee Weismann; vice-pres. C. Barber; Directors: Gerry Vandervalde, A. Bardeen and R. Sorenson.

The January meeting of the W W was cancelled and the February meeting will be held at the home of Mrs. J. Paris.

A number of ladies from Cheadle attended the wedding shower held in Strathmore for Alvin Haber. Alvin grew up in this neighborhood and we extend the best of everything to her in her new home at Edmonton.

United Church Pays Off Manse Debt

The debt on The United Church Manse has been paid off. This was announced at the annual meeting of Strathmore United Church last week. Mr. Norman Scher, chairman of the Manse Building Fund, made the announcement and presented the cancelled note to the meeting.

Clearing off the debt came as a surprise to many members. During the past year the debt had been lowered considerably through generous donations. A special effort on the part of Mr. Scher and Mr. Jack Warrack cleared the balance in time for last week's meeting.

Reports from all organizations and departments in the congregation showed a busy year in church life. Donations to the Missionary and Maintenance fund increased 15 percent over the previous year. Attendance at the Sunday services was excellent, and Communion observance showed a marked increase.

The fine work of the W. A. S. was outlined by their representatives and all present were aware of the vital part these ladies' groups play in the life of the local congregation. The wider missionary aspect of church work is studied and supported by the WWS and the children in the Mission Band, both of which reported another successful year.

Activities of the newly formed HIC and Young Adults clubs were outlined.

One of the smoothest of the CBC-TV variety productions is the week-TV variety show. One of the reasons the show is such a success is the smooth orchestra.

Changes Coming In Appliances

Look for a major revolution in the appearance of appliances, says The Financial Post. Many television sets, washers, refrigerators, toasters and electric shavers now look

so much alike that customers have difficulty identifying brands. In the future, appliances are now trying to drastically alter the looks of most appliances.

The reason: hard to identify products is means reduced effectiveness of the advertising dollar.

Canada's Juvenile Delinquency Rate Shows Alarming Increase In Last Year

The last national tally made by the Dominion Bureau of Statistics revealed 1,313 girls and boys under the age of 18 appeared in the nation's courts for delinquent behavior in 1965, in the same year, judges and probation officers dealt more internally with at least another 5,794 wayward youngsters.

The grievous crime in our nation's young crime is reported by Frank Rasky in Liberty magazine. The magazine quotes Canada's Commissioner of Prisons, R. D. Gibson, to reveal that Canada's penitentiaries in 1964 added 5,315 new male and 46 female prisoners to raise Canada's penitentiary population to 5,130.

Of the new males admitted last year, 474, or 18.4 per cent were under 21 years of age—the highest figure yet reached.

What's more the recent convention of the Canadian Chief Constables Association expressed concern that 50 per cent of our penitentiary inmates are now aged under 35 to 40. And they are thoroughly alarmed that the younger

breed of law breakers are committing more serious crimes—rape, robbery, with violence, drug peddling, prostitution, auto stealing than had been committed by such youthful groups in the past.

Inflation Strikes Lifetime Savings

While not one Canadian in a hundred knows what money is, how it works, the 1965 framed in the last decade that money is something to be tampered with lightly, says Bruce Hutchinson in "The Financial Post".

They have learned the hard way by losing half their savings during the war period. That was a large loss (though a small price for victory) but was partially balanced by a remarkable gain in public knowledge, or at least in public belief, about money.

Until the war ended and the financial drama was over, the public thought of money as something that happened in remote places like Germany and came over here here and there. It was something that happened in the money market, and until it did happen here on a considerable scale, any monetary turmoil could gather audience and editorial votes by denouncing the wicked Money Power and advocating property by fountain pen.

MORE FOR ADVERTISING

Canadians are spending almost 700 per cent more on advertising than they did 10 years ago, reports The Financial Post. In 1954, the total was estimated to have been 1350 millions, with the printing trades taking 48 per cent of the revenue. Radio's share about eight per cent, television 22 per cent, outdoor advertising 14 per cent, direct mail 14 per cent, general agency commissions 5.8 per cent, internal costs of advertisers 7.8 per cent and miscellaneous expenditures 3.7 per cent.

Coal Black... or "Aluminium Blonde"?

Don't be surprised if one of these days you see a coal truck go by loaded with shining stuff that certainly doesn't look like coal. One big coal company now sprays its anthracite with aluminum paint. Not only makes it cleaner to handle; it burns better, too.

We note, too, that aluminum is involved in another fuel development—this time in carrying heat from the sun. An aircraft company operates a solar furnace that focuses the sun's rays by means of a 120-inch aluminum reflector to create temperatures up to 4,500 R. It is used to test materials under extreme heat.

Berry-Vale W.I.

The Berry-Vale W.I. met on Jan. 26 at the home of Mrs. D. Barren, with 11 members and 1 visitor present. Mrs. J. Barren presided, calling the meeting to order and one verse of On Canada was sung, followed by the Cross Roll Call—Hinge on How to Keep Healthy was interestingly answered.

Minutes of the last and program meeting and correspondence read. Treasurer's report given. It was decided to pay our constitution and Provincial dues.

An interesting letter was read from Mrs. Fairbairn, telling us of the Spring Convention to be held

in Luskbridge on March 13 and 14, and one of the subjects to be discussed will be of What the W.I. Means to Me. It was decided Mrs. Fair will be Canoness for the year and a delegate to the Canoness Work Shop will be appointed at the next meeting.

Mrs. Stewart had received an interesting letter from a name unknown in Scotland, who explained their W.I. and its aims. And a further letter had been received by Mrs. Martin from our English B.I. as well as a also cook book compiled by that institute. It all adds up to make our contacts more interesting. It was decided to make 3 or 4 scrapbooks this summer to send to our overseas links and the present ones which we are completing to be sent to the first Australian Institute, which contained on.

Meeting adjourned and Hinge was enjoyed.

Mrs. Barren served dairy refreshments and a social hour followed. Next Meeting at Mrs. R. Milne's on Feb. 9. Roll Call— a (insert)

by Mrs. F.D.

The regular meeting of the local W.I. was held Jan. 18, with 15 ladies present. The usual business was taken care of. A thank you letter was read from Mrs. R. Hicks (nee Davis Clewell) thanking all for the pure given her prior to her marriage in Dec. A letter was also read making help for Mrs. F. Barren, a Langdon resident for some time, who suffers from Multiple Sclerosis. It was decided we sponsor a benefit supper Feb. 10, and make a quilt to raffie for same. Hinge to follow the supper.

An interesting contest "Cory" was sponsored by Mrs. Braden and Mrs. Milne. Mrs. Albertson was the winner.

Mrs. K. Mac, health chairman gave a very interesting paper on the new school for the deaf being built in Edmonton, the result of a W.I. resolution at the 1935 convention.

A tasty lunch was served by Mrs. Cully and Mrs. Newton.

The "500" party sponsored by the I.O.O.F. was much enjoyed by those attending. Winners of the high score were Mrs. A. Warrack and Mr. F. Taggart. Loss went to Mr. and Mrs. D. Thomas.

The Frank Dahl family of Albert Park were our guests at the Page

Thursdays, to visit the club. Mr. and Mrs. James Stewart motored to Bassano Sunday.

The roast beef supper sponsored by the W.A. of the United Church was well attended and much enjoyed Thursday evening in spite of snowy weather.

Miss Marion Barren spent the week-end at the Cully home. She had come out to attend the social evening being sponsored by Mr. R. Wilson, which was postponed till Friday Feb. 3.

Mr. and Mrs. Chalmers of Carbon were visitors at their own home, Thursday evening. Their first visit with home.

Mayor Gray Doing Town Work Protested

Act Violated

Annual meeting of the Town Council was held in the Town Hall Monday evening with one of the town's turnouts in many years on hand. Mayor Gray was elected chairman of the meeting by the 20 members of the council. It was a rare turnout for the meeting but the mayor's relative, the only other person who attended, was not interested.

Mayor Gray's relative was included in the annual inspection report, which was a letter, except for the fact that it violated the Town and Village Act by hiring work done by Gray's Ltd. of which Mayor E. I. Gray is a relative. The violation has been known for some time by the council and the mayor. One ratpayer has made several trips to Edmonton to investigate the matter and the act is illegal. The act states that no member of a council can receive payment from and council for any work done.

Those protesting have in mind the road, gravel and sand work done during the past two years by Gray's Ltd. One of the ratpayers was at the meeting if the future council planned to condone the practice of violating the law by paying money for work to a member of the council. At the majority of the council it is to be elected March 3 this couldn't be answered.

At an end of the meeting the present council attempted to gain a vote of confidence but this was not done. In the matter of whether the council planned to pay members of the future council for work done only four ratpayers cast their votes.

Mayor Gray appeared to have the support of the meeting. Despite the act council feels it has received a good run for its money. To enforce the act any ratpayer who pays a \$15 bond and take the party in question to court. In the past this has been threatened against the mayor but never done.

With the backing he apparently has Mayor Gray said following the meeting he feels he will run again despite the act, which indicates in some cases members of the council can receive money.

One interested ratpayer at the meeting, L. O. Wheeler said after that despite the strong support received by Gray it doesn't alter the fact that the act has been violated. Gray's Ltd. has done majority of public works in the town.

Fire Breaks Out At Klaiher Farm

A fire believed started by a battery charger did considerable damage to a garage at the farm of Archie Klaiher Tuesday afternoon. The Strathmore volunteer fire brigade responded rapidly to the call and emptied two tanks into the flames before they were extinguished.

A Ford tractor and three additional ones destroyed in the blaze. The garage also burned last year and was rebuilt.

Wheatland School Ratpayers Make Motion To Get Monthly News Of Meetings

Annual meeting of the Wheatland School Division was held in the Memorial Hall Feb. 5 with Norman Sheppard chairing the meeting.

School superintendent N. Holman reported to the 15 ratpayers on hand of operations in the division during the past year. His report was followed by a question period which centered around contract and divisionally owned buses. Also the advisability of reopening a high school room at Rosebud if a teacher could be obtained. Mr. Holman pointed out it was difficult to instruct in one room and mentioned the advantages of concentrating shop training in two or three larger centres where more and better equipment was available at lower cost to the board.

Chairman Max Phillips reported on repairs made to various teachers, improvement to schools and equipment that had been added. There were also reported and main theme seemed to be the need for more teachers at nearly all major points in the division.

The auditor's statement was read by secretary-treasurer H. C. Wilson. Following this it was moved by Axel Larsen that in future ratpayers have a copy of the statement prior to the meeting so they would have an opportunity to study it.

Following the meeting a question period was held. Axel Larsen moved and Dale Humann seconded minutes of the board's monthly meetings be published in the paper, indicating ratpayers craving for news of what is happening in the division.

Also discussed were rates of rent charged for teachers.

No financial statement of the board's activities for the year was provided The Standard.

Fire Equipment And Garbage Pickup Highlight 2-Year Term Of Council

Next Monday is an important day in Strathmore when nominations will be received for the position of mayor and three council members.

In all likelihood present Mayor E. I. Gray will allow his name to stand for re-election. His two year term expired after the annual meeting Monday evening and he has strong support from present members of the council.

During the two years Mayor Gray served the town possibly the biggest improvement was the introduction of regular garbage pickups and proper garbage containers. At first the introduction of sealed garbage cans was met with considerable opposition but gradually ratpayers saw the sense to the project and cooperated. As a result of the "seal" in town are now much cleaner and not littered with junk as before.

Another good project was the summer spraying of alleys to keep flies down. At little expense this venture was a great step forward from the health standpoint.

Other improvements have been put in, providing a good water runway system. More than two blocks of sidewalks were laid — the first since town was founded. In the past couple of years the volunteer fire brigade has been called out often enough to prove the outfit is highly reliable. After the fire at Strathmore Sales and Service Insurance investigators expressed their amazement that the building was saved. The fire feature of the outfit was its 10 days of supervision instead of 25 as previously. Harvey Katterbach suggested supervision by councilors be abolished entirely in favor of an engineer, but this was met with opposition.

Howard Hymia reported the Rosebud Bed Cleaning Plant was operating successfully and showing a profit. George Boyak of Kelowna reported for the Calgary hospital board.

The municipality showed revenue of \$55,740 of which \$37,500 was the biggest single expense, this going for education. Public works was next with \$10,051. Most revenue was from taxes at \$36,582.

Out of town guests were: Mr. and Mrs. D. Grant, Calgary; Mr. and Mrs. G. Gabel, Nanton; Mrs. R. H. Agate, Edmonton; Mr. and Mrs. L. H. Robertson, Calgary; Mr. John Grant, Str. Standard; Mr. D. Grant, Calgary; Mr. and Mrs. W. G. Stettler; Miss Alvin Barrett, Stettler; Mr. and Mrs. J. Grant, Str. Standard.

ML D. Election SLATED MARCH 14

Members of the Municipal District of Wheatland will receive opposition in the past couple of years. The town is growing and needs capable men to direct its operation. This should be encouragement for ratpayers to nominate the men they believe are best qualified to spend their tax money and also should be incentive to bring out all voters on election day — March 5.

Chris Miller of Wayne was re-elected by acclamation to division No. 7. When the municipalities of Bow Valley and Serviceberry were merged last year Harwood was elected by acclamation and subsequently was named reeve by the council.

Although a small attendance was on hand the meeting was lively. J. M. Wheatley of Chancellor was elected chairman of the meeting. He also was re-elected a member of the Calgary Rural Hospital Board. Mr. Clark was named a member of the Bessano Hospital Board. Paul Rogers of Chancellor will act as returning officer for the election to be held March 14. Harwood will act as reeve at the March 19 meeting and the council will appoint a reeve for the coming year at its first meeting early in April.

In connection with the provincial act councilors will now be paid for 25 days of supervision instead of 25 as previously. Harvey Katterbach suggested supervision by councilors be abolished entirely in favor of an engineer, but this was met with opposition.

Howard Hymia reported the Rosebud Bed Cleaning Plant was operating successfully and showing a profit. George Boyak of Kelowna reported for the Calgary hospital board.

The municipality showed revenue of \$55,740 of which \$37,500 was the biggest single expense, this going for education. Public works was next with \$10,051. Most revenue was from taxes at \$36,582.

Out of town guests were: Mr. and Mrs. D. Grant, Calgary; Mr. and Mrs. G. Gabel, Nanton; Mrs. R. H. Agate, Edmonton; Mr. and Mrs. L. H. Robertson, Calgary; Mr. John Grant, Str. Standard; Mr. D. The regular monthly meeting of the Standard Home and School Association was held at the school on Feb. 21. There was a very good attendance. Founders Day was observed and our organization marked its second anniversary.

It was decided to have the master of choosing and sending a delegate to the convention at Edmonton in May up to the members of our association. As a fund raising project an amateur hour was discussed and arrangements for this were left to a committee, comprising Mrs. Leland Ricard, Margaret Larson, Gerry Nelson, Vernon Larson and Mrs. Kaevelin.

Mr. Holman then introduced the members of a panel in a discussion on Drapeline in the Classroom. Panel members were parents, Mrs. Pete Nelson and Mr. Barry Larson, Teachers, Mrs. Jarvis and Mr. Deane and student Larry Ashton. All gave most interesting reports on discipline and Mr. Holman's summary of the discussion the multi-faceted toward good discipline was a class co-operation, patience and teachers and good discipline in the home. A busy session followed.

Mr. and Mrs. Harold Keller are the proud parents of a baby girl born in Calgary Feb. 20. Miss Wilma Kroon spent the weekend with her parents Mr. and Mrs. F. Kroon.

Word was received by Mr. Milford and Mrs. Gregory of death of their brother-in-law Mr. Frank Harrington of Seattle, Wash. Our sympathy to the family and Mrs. Harrington, the former Helen Gregory who gave up in this community. Mr. and Mrs. Milford Gregory will attend the funeral.

Rev. Skjervegaard to be visiting at the present time attending congregational meetings.

STATHMORE SEATS DRUM

Strathmore Seated Drum was another success in their second series in the Provincial Playhouse as they beat Drummer 6-2. After their rugged encounter in the first series the team seems to be settling better and faster.

The first Strathmore goal was scored by Blackbore, later Rindon scored with Mayfield getting the assist. The third goal was scored by Blackbore unassisted.

First Drummer goal was scored by Allen assisted by Olson and Bak. During the second period only one goal was scored, this going to Wevers assisted by Blackbore. The

third period Strathmore added two goals and Drummer scored one. Strathmore scored with the assist going to Wevers. Later Connolly scored with Goodfellow assisting. The last Drummer goal was noted by Baker.

The next game will be played at Drummer on Thursday the 23rd. The winner of this series will meet High River.

THE OLD HOME TOWN

Gleichen Events

BY MISS J. E.

On account of difficult roads the Women's World Day of Prayer held Friday afternoon in the Lutheran Church in Gleichen was not as well attended as hoped for but the ladies who made the effort for the day were well repaid for their effort. There were also a number of people in town which prevented them from attending. The theme of the day was "Prayer, Praise, and the Power of the Holy Spirit." The speaker, Mrs. L. Tomlinson of Calgary gave a splendid and interesting message. As she is a returned missionary from India her message was also very enlightening.

The Explorers Group held its regular weekly meeting at the home of their leader Mrs. Gladie. Instead of in the United Church as usual. The meeting took the form of a Valentine party. All members present enjoyed themselves very much playing games, watching TV

and having a delicious lunch before leaving for home. Mr. and Mrs. Alex Murray and sons of High Prairie, formerly of Gleichen visited friends here recently. While here the staff of the Indian agency had a party for them at the home of Mr. and Mrs. Pugh. Then Mrs. Murray went to Lethbridge to visit her mother for a few days. They all returned to their home on Saturday by car after a very pleasant visit.

The usual neighborhood weekly visit party was held at the home of Mrs. Wm. Cook Feb. 15. All present enjoyed a pleasant afternoon playing cards. The winners were: Mrs. Gladie, first, and Mrs. W. Pettit, consolation. The hostess served a delicious lunch. The next party will be held soon.

An old timer of the Gleichen district Adolbert Robinson, 76 died at the Holy Cross Hospital Feb. 16 after a lengthy illness. Mr. Robinson was born in Wisconsin, Canada and came to the Gleichen district more than 40 years ago. He had resided here since that time. He is survived by his wife, Lily of Gleichen.

one daughter Ruby in the U. S. and stepson P. Sgt. Bert Doble. Mr. and Mrs. H. C. Brown were Mrs. Myrtle McKell of Chetahua, Wash. Mrs. Alfred Lusk of Regina and Mrs. R. C. Brown of Regina and seven grandchildren. Funeral services were held at Layden's funeral home Feb. 21. Rev. Ray Adolbert officiated and cremation followed.

Mr. and Mrs. Lloyd Riddell of Calgary spent the weekend visiting relatives here. Dick Haskayne of Edmonton was home for the weekend. Her many friends will be sorry to hear that Mrs. Beary McKinnon has been spending the winter months at the home of her daughter Mrs. George Bell in Gleichen. suffered a stroke a few days ago, she is slowly recovering and all her relatives and friends are so thankful that only her left arm is paralyzed at present. Her daughter Mrs. Farquharson of Calgary arrived to be with her mother.

Mr. and Mrs. Jack MacArthur left Friday to visit relatives in California.

Mrs. J. Rodominski is spending a week visiting in Calgary, Sask. Stacey sympathy is extended to all their many friends here by the parents Mr. and Mrs. C. L. Lysak and daughter of the home of Mr. and Mrs. Wilson family and Mr. and Mrs. J. Crawford of Edmonton in the death of their son, 14 years old, in the hospital at Ponoka Feb. 18.

Funeral services were held Tuesday afternoon. Mrs. H. W. Brown went to be with her sister and her mother Mrs. Crawford last week. Mr. and Mrs. Al Wilson and son Kenneth departed on a trip Tuesday evening.

The Legion annual banquet was held last Wednesday. There were entries for the "best team" as far as eating as Calgary. Mrs. M. M. M. was the winner in two games. They all adjourned to the Legion hall on completion of games where prizes were given out. The evening was spent in entertainment.

Mr. and Mrs. John Oliver returned home last week after spending several weeks visiting relatives in the States. After all their travels they think it is a very nice place to be in.

Mrs. G. Evans had her brother Mr. Bob Haskack of Calgary visiting at her home for a few days. Major H. Brown, capt. of the 1st Cavalry, who has been in Toronto for the past week, attending a meeting of representatives. He also visited Mrs. Brown's brother in law, Gordon. Gordon suffered severe burns to his face Saturday. He was replying in a car in which a slight fire had started. He attempted to blow it out and blew the flame down the oil pipe where it ignited the gas in the pipe and blew in his face.

Bake this tasty CHEESEBREAD easily, speedily with new Active Dry Yeast!

CHEESEBREAD
• Sift 3 c. milk, 1/2 c. granulated sugar, 1/4 c. salt and 4 t. shortening, cool to lukewarm. Meanwhile, measure into a large bowl 1/2 c. lukewarm water, 1 t. granulated sugar; stir until mixture is dissolved. Sprinkle with 1 envelope Fleischmann's Active Dry Yeast. Let stand 10 mins. THEN stir well.
Stir in cooled milk mixture. Stir in 4 c. once-sifted bread flour: beat with a rotary beater until the batter is smooth. Cover and set in a warm place, free from drafts. Let rise until doubled in bulk. Work in 2 c. lightly-packed, finely-shredded old cheese and 1 c. (about) oil.
Sifted bread flour. Knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and let rise until doubled in bulk. Punch down dough; turn out on lightly-boarded board and divide into 4 equal portions. Cover lightly with a cloth and let rest for 15 mins. Divide each portion of dough into 3 parts: knead and shape into smooth balls. Place 3 balls in each of 4 greased loaf pans (4 1/2 x 8 1/2). Grease tops and sprinkle each loaf with 1/4 c. shredded cheese. Cover and let rise until doubled in bulk. Bake in moderately hot oven, 375°, 45-50 mins.

March

Stage A' Set For Ice Carnival

Everything is all set for the Strathmore Memorial annual ice carnival Friday, March 3 at 8 p.m. A full program of local skaters has been arranged and a good variety of appetizers to store for those who turn out.

Ticket sales have been brisk for the two candidates for carnival queen, Donna Johnson and Nina Torgimmen.

Among the highlights of the show will be barrel jumping by Ian Kew, solo by Connie Gray and Linda Davis, as well as two group acts. Mayor E. L. Gray will give the official welcome from the town while Herman Van Navel will act as M.C.

Assuring a full evening for those who wish to continue after the carnival, the Chamber Community Club has arranged a dance afterwards.

Rockyford Grainman Gets 25-Year Award

E. Vetter of the Searle Grain at Rockyford has gained the distinct honor of being numbered among those who have won the 30 Year Elevator Master Merit Certificate. This is granted in recognition of outstanding proficiency in the maintenance of grain elevator personnel. The award is only granted if an agent has a perfect record for a period of 20 consecutive years.

Inspections of all plants are carried out by Affiliated Inspection Bureau Limited which has for the past 20 years aided in the inspection of grain elevators, flour and feed mill properties, etc. Winning the award is therefore recognized as an outstanding achievement throughout Western Canada.

Social Notes

Mrs. M. S. Hirtle of Vancouver was visiting in Strathmore with several of her friends. Mr. and Mrs. George Hilton and son are leaving their farm north of town and moving to Prince George, B.C.

Bess Orland is home to leave from the dairy to visit her mother, wife and family.

Mrs. and Mrs. M. D. Vermont and boys were Sunday dinner guests at the home of Mr. and Mrs. Johnny Vermont of Clithero.

Jimmy Stark of Calgary who was drowned in the Bow River Monday is a nephew of Mr. and Mrs. Johnny Vermont.

Bernice Dawkins had a few of her little friends in to help her celebrate her 7th birthday.

We are glad to report Mr. John Van Navel is home from hospital feeling much better.

George Patrick of Revelstoke was a Strathmore visitor Tuesday.

"CATS" HAUL RADAR SITE SUPPLIES OVER ARCTIC MUSKIEG

—Official Press Canadian

Slowly progressing northward along the west shore of James Bay, this tractor trailer is one of a group hauling 14,000 tons of material for Canada's northern radar site. The long haul, the most ambitious ever undertaken in the sub-arctic, will result in one 300-mile segment being

finished in the 2,000-mile radar chain stretching from Labrador to the Peace River district of Alberta. The giant caterpillar tractors moving at three or four miles an hour over treacherous frozen muskeg and rivers where ice must be broken before traveling.

Strathmore Citizens To Name Mayor, Three Councillors In March 5 Voting

A new mayor of Strathmore will be selected and three members of the council elected when residents of the town go to the polls Monday, March 5 between the hours of 10 a.m. and 7 p.m.

Candidates for the mayor's seat, being favored by Elmer Gray after a two-year term, include George operator E. A. Baldwin and Machinery dealer J. W. Baxter Rhodes. Baldwin has previously served on the council. Those running for councillors are retiring members Archie Klaber and Fred Hilken, both farmers, and Marian Nolan school superintendent and Larry Hunter, street operator.

Citizens will be asked to vote on whether the town can purchase the former Municipality of Oke on 3rd street for \$15,000. This has been voted since the M. D. of Wheatland moved into its new premises on the No. 1 highway.

Those eligible to vote include any person 21 years of age or over who has been a resident in the town for the past six months. All taxpayers will be permitted to vote on the office plebiscite.

In a majority election a heavy vote is generally on hand and in the last election, when Gray defeated George Rhodes, a total of 181 voters turned out. As interest is currently high in town affairs a strong vote is anticipated March 5. In previous reviews of what the council did during the past two years this paper cast an unfair light on the council which was in power under former mayor A. J. Donnan's direction. Due to under financing of the sewer system the town was forced to borrow a sum of money from the Calgary sewerage. This money was repaid from money

set aside for public works, side walks and other ventures.

As a result of this the previous council was unable to build sidewalks and make other improvements it would have been able to make had it not been for the hidden sink.

Dalemead Notes

BY DCM
The annual meeting of the Bow North REA shareholders was held in the Dalemead hall Saturday, Feb. 25 with about 50 in attendance. The special speaker for the afternoon was Mr. W. R. Ross of Calgary Power. Mr. C. O. Colwell of Dalemead and Mr. Eugene Schang of Leduc were re-elected to the board. The door prizes were won by C. McKinnon and Horace Bessie. Mrs. Roy Hable won the copper tray awarded by Calgary Power. The address was followed by an interesting and informative question period.

The annual telephone meeting was held Wednesday night, Mr. L. Wheeler was elected president; Mr. Morley Miller, vice-president; Mr. James Holms, secretary. Mr. McKinnon was re-elected to the board and Mr. Lee Thibault was the new member elected.

Mr. and Mrs. Gulse (nee Ethel Miller) announce the birth of a baby daughter.

Mrs. and Mrs. J. H. Dixon spent the weekend at Edmonton with Mr. and Mrs. Jack Dixon and family. Hal Potter celebrated his third birthday with a family party on Sunday.

Mr. Lincoln Wheeler and Mr. Bob Redoloph are attending the wedding course in Cheltenham.

Miss Gayle Hunter Gains Second Prize

Gayle Hunter, 17-year-old student of the Samuel Crowther school, won second prize in an advisory contest sponsored by the Old Fellows' United Nations contest in Calgary, last Friday evening. First place went to Dick Colling, Crescent Heights high school student who talked on a 10-year survey of the United Nations.

Miss Hunter, daughter of Mr. and Mrs. Larry Hunter, gave her oration on "The Problem of Drug Addiction." She received favorable comments from the judges and the encouragement undoubtedly will urge her to pursue public speaking further.

The winner will compete in the provincial contest with the victor of this qualifying for a trip to New York to attend United Nations gathering.

CHANCELLOR NEWS

BY MRS. J. M. W.

Big Crowd Attends School Whist Party

A good turnout of parents was on hand at the annual whist party of the Strathmore Home and School Association in the Samuel Crowther School.

Twenty-two tables were made up and a hot time was enjoyed as players moved constantly. Prizes were won by the following. Mrs. Francis Flynn, travelling; Mrs. Nellie May, ladies high; Mrs. Copland ladies consolation; Tommy Chamberlain, men's high; Mr. Copland men's consolation.

No business was conducted. After cards lunch was served and a social evening enjoyed.

Berry-Vale W.I.

Berry-Vale W.I. met at the home of Mrs. Tom Taylor with nine members and two visitors present on Feb. 23. The president Mrs. Bazant opened the meeting with greetings to all. One verse of 3 Canada was sung and the crowd repeated.

Roll call, Health Hints, was well answered. Minutes of last meeting read and approved. Treasurer's report for the month for Feb. was sent and a delegate to the Leithbridge conference.

Nightingale W.I. has been contacted and it was decided that we would combine with them in the showing of a film later in the spring. Mrs. Bazant reported she arranged for the music for the dance to be held in Ardmore hall March 8 when the W.I. will stage a Picnic and Dance. The draw for the basket of prizes took place at that time. Mrs. Pare collected from the ladies for the cancer fund. A paper on Health was given by Mrs. Martin.

The meeting adjourned and Mrs. Taylor served a delicious lunch. Next meeting March 8 at the home of Mrs. C. W. Way. Roll call: Current Events on Education.

In a blue ensemble with a pink corsage, Mrs. Kenneth McNeill, B.N. sang the Wedding Prayer, and the bride's maid, Miss Kathleen Thomas, B.N. sang the hymn, "The Church's One Foundation." The bride and groom were accompanied by Mr. Wray Wright and Mr. John Wiggleworth. The bride's mother was groomed.

Hussar Soiree
The good news has reached Hussar that the CPR is changing its schedule. The train will come up from Basman Thursday, beginning March 8 and will go right through to Calgary. There will be only this one train a week, routed from Basman according to the old schedule will also along this line. It is hoped the new time and run will prove beneficial to Hussar and the other stations. On March 8 the train will leave Basman at 8 a.m. and is expected to reach Calgary at 10 minutes to 5 p.m. This is a great boon to this line and everyone is relieved after the false report the CPR was causing its regular run up this line.

The secretary of the Village of Hussar, Mr. Bell attended at the nominating meeting Monday, Feb. 26. Only one nomination was received so the chairman Mr. Harry Douglas elected by acclamation for the term of three years, 1936 to 1939.

At the annual meeting held Feb. 19, only the mayor Mr. Bell and the secretary attended the meeting. The secretary reported the auditor's report and those of the mayor and secretary were presented. He is known, however that the Village of Hussar is in a sound financial position, and has met all its 1935 obligations.

Mrs. and Mrs. Leonard Rafter and children left recently for a hot May trip through the States and on into Mexico.

Mr. and Mrs. Earl Johnson also left for a holiday trip to the States. Mr. and Mrs. Glen Collett and daughter have moved to Calgary where they have secured an apartment and Mr. Collett has work.

Mrs. Larsen, Mr. and Mrs. G. Goodman and Mr. G. Goodman to Calgary last week to attend a wedding.

Mr. and Mrs. Eddie Christensen and daughter left for Santa Monica to visit Mrs. Christensen's parents and Mrs. T. H. Clark.

Mr. Bernice Ralfeffson left from Basman where she has been for some time (11) with pneumonia.

Mr. and Mrs. E. J. Bell went to Delmore to attend the wedding of their grandson Mr. Robert Edward McLean to Miss Anita Hank Feb. 28. Mr. Bell is the only son of Mr. and Mrs. W. R. McLean of Delmore.

Mr. and Mrs. John Hanthorpe have returned from their trip to Hawaii and they and Mrs. Mary.

Mutter has started the return trip after their holiday.

Mrs. S. Mutter has been staying on the farm while her son and his wife have been taking this trip.

Mr. Albert Schaffer came home from Basman hospital recently after a long spell of sickness.

Mr. and Mrs. A. McNeill and P. W. Brockman were in Hussar on Feb. 20.

Mr. and Mrs. Ira Anderson and son Leo arrived from Peace, Wash. and are residing in their home here and Mr. Anderson will farm near Hussar this season. Leo was raised in Hussar and takes over the estate of his deceased brother Mr. M. Anderson.

Pho has been quite prevalent at Hussar. One who was quite ill for several weeks, Mr. Glen Montgomery is able to be back at school again.

Mr. and Mrs. Jack Treacy and Mr. Lillian Treacy were in Hussar recently and visited with Mr. and Mrs. Glen Treacy and daughter. Mr. C. E. Wright has her father.

Better days are here for Phil Fraser!

In all his years of milloining, Engineer Philip Fraser has seen some big changes.

"Rolling along in this smooth diesel locomotive," says Mr. Fraser, "is a real thrill—a far cry from driving the old steam jobs. In extra power gives it quicker pick-up and more speed on the grade. Besides, it can run from coast to coast without a change. That's what I call progress!"

Phil has seen progress in the life insurance business too. As a family man, he knows that this business offers better service today than ever before.

This life underwriter, for instance, Modern training makes them more qualified to guide people through the complex problems of planning for future security.

Today, too, life insurance is more flexible. There's a wider range of plans—allowing people to meet their own individual needs. Moreover, people with certain physical handicaps, can now enjoy the protection of life insurance.

Mr. and Mrs. Earl Johnson, the life insurance companies in Canada have progressed with the intent to meet the changing needs of people in all walks of life!

MUNICIPAL ELECTIONS FOR THE TOWN OF STRATHMORE

PUBLIC NOTICE is hereby given that an election will be held for the office of mayor of Strathmore for the next two years, and for the offices of one councillor for the next two years, and two councillors for three years, for the Town of Strathmore, and that the polling will take place on Monday, the 6th day of March, 1936, from 10 o'clock in the forenoon until 7 o'clock in the afternoon, at the Town Hall, Strathmore, and that it will at 10 o'clock a.m. Tuesday, March 6th, sum up the votes and declare the results of the election.

Husbands! Wives! Week, Run-down, OK?

Thousands of couples are week-end, but thousands more are not. They are not because they are not in the habit of running down their week-end. They are not because they are not in the habit of running down their week-end. They are not because they are not in the habit of running down their week-end.

Given under my hand at Strathmore this 21st day of February, 1936.

L. HILL, Returning Officer.

and mother, Mr. and Mrs. Chas. Dullerwell from Cuthbert, Sask. visiting with her for some time.

We are glad to announce Miss Anne Hoffmeister, having completed her nurse's training is now employed as nurse in the Holy Cross hospital.

The Hussar Hotel and School sponsored a Drama Night in the Hall Feb. 24. Three one act plays were presented, *The Dummy*, *The Courtship of Marie and Final Edition*.

Mr. L. Anderson has moved to Calgary to be with his wife who is convalescing after a major operation.

The Village of Hussar, like so many others, has been handicapped by the continued snow and winds. As soon as the roads are plowed out, along comes more snow and wind, and they get blocked again, with more work for the snow plow. They appreciate the efforts that are being made to keep the roads open for the school buses and others. It is an endless task this year.

All of the Mrs. Bollinger family and their friend Miss Marie Koonson are reported ill with the flu. We wish them all a speedy recovery.

Rev. and Mrs. Morrison of Oldham motored to the Big Rock district west of Okotoks last Friday. They spent the day visiting with the former's sisters Mrs. Wilbur McIlroy and Mrs. M. Bailey, and their families at their farm home.

The many friends of Miss Carol Brown of Oldham, formerly of Gleichen, will be very pleased to learn that she was well enough to leave the Junior Red Cross hospital where she has been a patient for the past few months and has rejoined her parents and sisters in their new home in Oldham. All of us hope Carol will continue to improve and will enjoy her school work in Oldham in future months.

Several of Mrs. A. B. Evans's friends in Gleichen and district have arrived from her since her safe arrival at the home of her mother, Mrs. E. Hopkins and Mr. Hopkins, Feb. 15 in Hanover, Ont. She reports there is quite a depth of snow there and it has been stormy, but not too cold, the odd day since she arrived there.

Mrs. Evans is very thankful her mother is enjoying much better health this winter than she did last winter when she visited them for a few weeks.

Mr. H. P. Herd entertained at the usual neighborhood card party at her home Wednesday, Feb. 25. The evening passed very pleasantly for the group of ladies present, as they played whist and took flash movie pictures with Mrs. Herd's camera, of the guests and their hosts. It was also another fine party as it happened to be Mrs. Peg Ostrum's birthday. Mrs. Herd took some pictures too of Mrs. Ostrum, and her beautifully decorated cake, all lit up with candles. Mrs. Herd brought the cake in as everyone present sang Happy Birthday. The present desired not to tell how many candles were on the cake, rather they would let us all use our imagination and keep our guess. The prizes for what were: first Mrs. Peg Ostrum, consolation, Mrs. Herd. The latter placed it on the next lowest. Mrs. McLean.

A two day mixed banquet sponsored by the Ladies Auxiliary to the Legion, and members of the Canadian Legion was held at the Recreation Centre on Thursday and Friday, Feb. 23 and 24. Mrs. Evans was co-chair for the Ladies Auxiliary. She reported that 18 tables were entered in thespiel. The winner of the first competition was the Shanty rink, while second prize was won by Les McLean. Winner of the second event was Jack Kanick, and second went to Les Wood.

Two ladies rides from the Gleichen ladies club went to Basman recently to a hospital. The first event was won by the rink skipper by Mrs. Wilma Clifford and the second event was won by Mrs. Mary Brown.

Mr. and Mrs. J. Gledhill, per grant CPR agent left by train last Monday to attend the CPR convention in Portage La Prairie, Man. They expect to return home soon. Meanwhile their family is being looked after by their grandmother Mrs. Jacobson of Brantford.

Gleichen Events

BY MISS J. E.

Mrs. Edmonville returned from her trip to Canby, Sask. where she visited her son Allan and his wife and child. She reported she would not want to live at Canby as it is much colder than here.

Mr. Wilma Gledhill took her wife who has not been so well the past few weeks by car to the Holy Cross hospital on Monday. She expects to remain in the hospital for a month of complete rest. The wish of all your many friends here is that you will soon be well and strong again, and back with us in the too distant future.

All of the Mrs. Bollinger family and their friend Miss Marie Koonson are reported ill with the flu. We wish them all a speedy recovery.

Alberta's Going Places...

Good roads are vitally important to Alberta's progress and prosperity. They are the arteries of modern commerce and communication... and open up vast opportunities for expansion and development of natural resources. Building and improving Alberta's roads and highways is so important that last year almost 28 per cent of the total provincial budget was allocated for this purpose.

7 HIGHWAYS BRANCHES

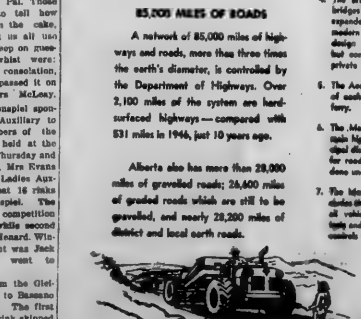

The work of the Alberta Department of Highways is conducted by 7 branches:

1. The Location Branch selects the location of new highways and roads.
2. The Survey Branch surveys the complete location of highways and all roads in unimproved districts, and establishes all government-owned land in the province.
3. The Construction Branch stakes out highway locations, purchases gravel and does all work such as cross-sloping and leveling.
4. The Bridge Branch builds all highway bridges and is presently conducting an expanded program to provide for modern traffic requirements. Bridge design is carried out by the branch, but construction is distributed among private contractors.
5. The Accounting Branch combines each of each type of highway, bridge and ferry.
6. The Maintenance Branch maintains all public highways, awards grants to municipal districts and improves all district roads and supervises all work done under these grants.
7. The Motor Vehicle Branch issues all motor vehicle licenses, inspects all vehicles, conducts driver's tests and promotes car safety laws and controls road and bus traffic.

85,000 MILES OF ROADS

A network of 85,000 miles of highways and roads, more than three times the earth's diameter, is controlled by the Department of Highways. Over 2,100 miles of the system are hard-surfaced highways—compared with 531 miles in 1944, just 10 years ago.

Alberta also has more than 28,000 miles of gravelled roads; 26,400 miles of graded roads which are still to be gravelled, and nearly 28,200 miles of district and local earth roads.

who is spending the winter with them.

Mr. and Mrs. Stewart Hampton of Calgary motored to Gleichen on Sunday afternoon. They were guests at the home of the latter's sister Mrs. Peter Warner and family. They all spent a pleasant afternoon and evening with relatives including Mrs. Jennie Sammons the latter's mother who is a visitor at her daughter's home at present and has been for some time.

Rev. and Mrs. Morrison motored to High River Monday morning where the former conducted the funeral service of a friend of the family. They were accompanied as far as Calgary by Mrs. E. J. Burns, Mr. and Mrs. J. Sherry. The latter remained in the city for three days as a guest at the Brammer Lodge.

before returning home Wednesday evening. The former returned home on Monday afternoon.

Thursday morning, Feb. 23 Mr. and Mrs. W. Shupe, and daughter Ellen and son Gordon motored to Calgary. They were accompanied by their friend Miss J. Sherry, Mrs. W. Shupe and Ellen left by bus Thursday for Lacombe, where the former's parents Mr. and Mrs. Loren Craig planned to meet them and take them to their home in Bentley where they hoped to have a visit for a few days before returning home. Mr. Shupe and son motored to the home of the former's parents who live in the city. They spent the remainder of Thursday and that night there. Mr. Shupe returned home Friday leaving Gordon to visit with his grandparents.

Miss Sherry was a guest at the home of Mr. and Mrs. Wm. Young, former Edmonton friends but who now reside in Calgary. She returned to Gleichen Saturday evening. Mr. and Mrs. Wm. Young are the parents of Dr. John Young of the Basman hospital.

Deane Shupe, eldest son of Mr. W. Shupe went with some other party cadets to Banff by army motor car.

We are very sorry to report Mr. A. Fontaine is still in hospital at Basman. All hope he will soon improve again.

Mrs. Ron Cross of Edmonton motored to Gleichen Saturday, Feb. 18 with Dick Hordyk and visited her brother Douglas and other relatives, and Mrs. George Hall are also here over the weekend returning with Dick to Ponoka Feb. 21. They were accompanied by her uncle Bob Brown, his daughter Gail Brown and his son Don. All attended the funeral of Darryl Lyons.

Mrs. Monis Brown, Mrs. Florence Wilson, Mrs. Marjorie Brown and Mrs. Jane Stevens of Delmore were one of the risks entering the Old Ladies' Bazaar recently.

Mrs. Betty McMillan and Mr. W. Ferguson who are ill at their homes are making some progress towards recovery.

Mrs. Maud Ferguson returned to her home in Calgary Sunday for a few days. She plans to return soon to help nurse her mother. Her other sister Mrs. K. McPhee and Mrs. George Hall are also here.

HOW HIGHWAYS ARE BUILT IN ALBERTA

All main highways in Alberta are built on a four-year schedule. The first year the sub-grade is applied, ditches, shoulders and grade are fine graded and first course surface gravel is applied.

The second year a stabilized base course of screened gravel is spread to a depth of 8 or more inches. Two more layers of crushed gravel come next, the second consisting of asphalt bound crushed rock, bringing the total thickness of the base course to nine inches or more.

The third year a coat of asphalt is laid applied and then a hot plant mix of asphalt and sand, about four inches thick is rolled into place.

Expert engineering skill and knowledge goes into the construction and maintenance of Alberta's vast highway system. Safety and endurance are built into every mile of road, and the search for better methods never ends.

Buster Rhodes Named Mayor

In Close Race With Baldwin

H. W. (Buster) Rhodes was elected mayor of Strathmore for a two-year term Monday evening in one of the closest majority elections recorded in the town in many years.

The popular machinery dealer gained 16 votes to edge out E. A. Baldwin, garage operator and a member of the council a few years ago. Rhodes received 51 votes while Baldwin received 35 votes.

In view of the weather the heavy vote was unexpected. Supporters of both camps had cars running all day, transporting voters to the polls to cast their ballots.

In the council race sergeant-at-law Larry Hunter led the polls, gaining 21 of the possible 37 votes while Andy Kraler received 16 votes.

Mayor Rhodes was elected with 51 votes to Baldwin's 35. The vote was the second largest ever recorded in the town. Last largest was 237 when Gray defeated George Hildon two years ago.

New with a little capital the club members will be able to spend money for paint and other items that will help improve the burial ground site.

President Len Larson was in the chair for the meeting, which was well attended. Plans are under way for the annual Charter Night banquet, scheduled March 11, and invitations have gone out to members of other clubs.

Bill Speinghouse was lucky winner of the 1000 pot while Alie Stinson was winner of the special draw prize, a new project to send delegates to conventions.

A talk on fluoridation was interesting, given by Dr. Duncan, Calgary dentist.

MEET CANADA'S UNHERALDED CHAMP

Letter To Wheatland

Strathmore, March 5, 1968

Just a few words from your letter. You have the 1968 Annual statement and will have noted the municipal tax rate reduction and the good financial standing of the town at the end of the year. We were just proud of this statement, however, though the last two months snowpiling of roads has put the position in a rather precarious state.

At Wheatland our utmost to keep our 2,500 miles of road open is a very real task. We are doing our utmost to keep our roads open.

After announcement that he had been elected Mayor Rhodes said he had no definite program in mind but planned to put forth his best effort in the interests of the town.

Members of the Council, along with candidates in the town election, were guests of the club. The mayor was given to the town by the provincial gov't. for trustee taken by the new No. 1 highway. Up until now the club's main project has been to try and keep the grass at the cemetery cut and spread on the premises of the neglected plot.

New with a little capital the club members will be able to spend money for paint and other items that will help improve the burial ground site.

News From Gleichen

BY MISS J. E.

The completion of a successful short course in agricultural subjects was marked Friday at the Crowfoot Hall after Indians of the Blackfoot reservation attended talks for 10 days. The average attendance of about 50 showed confidence in the daily program, and was considered higher than could

be expected since the weather was extremely cold and roads were blocked with snow. The Indians gave strict attention to the speakers and the films. The question periods brought out local forest questions showing a grasp of two problems under study. Chief Crowfoot opened the first session, and each of the consultants in turn started off subsequent evenings with well thought remarks. Mayor D. H. Mackay of

Calgary gave an inspirational address on the leadership of the first Chief Crowfoot.

On the Indian, RCMP spoke on the responsibility of the car. Mr. Mrs. Norma Jean Gray, district nurse economist of Bron, arranged and conducted the women's program, which was well attended on the two days it was held. Her instruction were on: How to buy a house; how to select materials; picking your pattern and sewing equipment; laying a pattern; care of clothing and sewing a garment, aroused much interest.

Many appreciative remarks were heard about the women who looked after the catering. Mrs. Rosamund Red Gun was seen, assisted by Mrs. Mary Royal, Mrs. Mary Bull Bear, Mrs. Colina Brunkin Cull and Mr. Alce Red Gun.

Highlights of the course were addresses on working parts of tractors by Andrew Gibson; Varieties of prairie and forages by Kenneth Walter, Dist. Ag. of Strathmore, Small gas engine, starting and care by Allan George, farm instructor; Woods and their control by Andrew Gibson.

Tractor care by J. McKinnis; High crop yield by Ken West; Under the hood by H. Newall; Tractor handling by Ken Stewart; Netter: farming by A. Gibson; Farm machinery pointers, J. McKinnis; Reasons for profit or loss to farm business by Ira Lapp, Brooks Dist. Ag. and W. Pugh, Dist. of the Reserve.

Lectures on gardening and poultry by M. W. Mayers, Brooks; Electricity on the farm by Fred Galt, Calgary Power; Beef cattle, handling and management by Ira Lapp and Laurel Miller; Irrigation by W. Slater; simple tools and their use by Wayne Shupe; Beef production by Don McKinnis; Tractor lubrication and greasing, by a Massey-Harris representative; Tractor adjustments by IHC representative; Livestock diseases control by Pat McCarty, Custer Laboratory; Tractor care by John Davis representative.

Workshop groups. The discussion was led by W. Pugh, R. Boudry, regional supervisor of Indian registration, attended the evening session.

Friends of Mr. Alce Fossell will be pleased to hear he has recovered enough to return to his home last week from hospital and is improving daily. We hope he continues to make good progress as the weeks go by.

Ronald Spassoff, son of Mrs. Alce Spassoff is at present receiving medical attention and a complete checkup in the Bascom hospital. All his friends hope he will make a complete recovery in the not too distant future.

Mrs. Jennie Robinson is spending a few days at the home of her friends Mr. and Mrs. Peter Warner. She enjoyed a couple of days at the home of Mrs. Services McKee last week too. It is also that Mrs. Robinson can come down from her home in Strathmore now and then and visit with several friends as has been.

A few old time friends gathered at the home of Mrs. R. D. Oliver Friday afternoon to give her a birthday party and enjoy a friendly chat about early days.

His many friends will be "very sorry to learn Mr. W. F. Ferguson returned to the hospital Wednesday morning. We hope he will soon improve.

A very strong wind which blew for several hours Saturday morning blocked all side roads in the country around Gleichen once more.

All farmers and their relatives and friends are hoping the snowplow brigade to open up the roads for traffic by Sunday at least.

Mr. and Mrs. Lloyd Bards of Blouin have been transferred to Hines Creek, near Fairview. They were given a farewell party at the home of Mr. and Mrs. Gen. McLean Friday evening by their friends and neighbors and presented with a small gift of remembrance.

We all hope Mr. and Mrs. Bards will like their new home. They will be missed at Stobert and Gleichen.

There was quite a good attendance at the lovely shower for Mrs. Charles T. H. formerly Mrs. Frances Spassoff, daughter of Mrs. Alma Spassoff, held Wednesday afternoon at the Recreation Centre. During the afternoon a short program was given when the Explorer Group consisting of eight girls sang two selections, accompanied by their leader Mrs. J. Gledits at the piano.

Many lovely gifts were presented to the bride by Mrs. Minnie MacLean and Mrs. John Price. Mrs. Charles T. H. was assisted by her sister Miss Margaret Spassoff and her sister-in-law Miss Shirley T. H. in unpacking her gifts. After all had viewed the presents the bride thanked everyone very graciously for their kindness in giving them so many nice and useful gifts. A very delicious and tasty lunch was served by the hostesses.

The usual weekly whist party was held at the home of Mrs. Pugh's Outpost Wednesday, Feb. 23. The guests played three tables of whist and enjoyed it very much. The prize was won by Mrs. George Thurland and consolation, Mrs. Cook. The hostess served a delicious lunch and all present felt they had enjoyed a very pleasant afternoon.

News Items

Mr. and Mrs. E. A. Baldwin spent a few days in Edmonton last week. Mr. Norman Schoer has just returned from Toronto after spending three weeks with her daughter (Norma) Mrs. J. J. Main.

Nelson Wolcott spent the week-end visiting his grandmother Mrs. Warrick and grandfather Mr. Iola Wolcott.

Mrs. J. Robinson spent some time visiting friends at Gleichen recently.

Gleichen Events

The regular monthly meeting of the Gleichen FWCA was held on Thursday, March 3 at the home of Mrs. E. Johnson with 15 members and one visitor present.

After the regular business was dealt with Mrs. Ray Cunningham gave a paper on The effect of and the duties of the local school board. The next meeting will be March 15 at the home of Mrs. R. T. Burns. Mr. George Smith, the school principal and his son Vernon were guests during last week-end in Edmonton. Russell, his oldest son is attending University.

Mr. Bob MacKay, owner of the Pharmacy Block, recently had the interior of the building divided into rooms. The building is now occupied by Mr. and Mrs. H. Howard. The former will open a general furnishing store soon.

His many friends in town and district will be sorry to learn that Tom Burns entered the Holy Cross hospital Monday for a week at least for medical treatment. We all hope his health will be soon improved.

District Ag. Notes

LOCAL AG. GIVING

LOW IN PROTEIN

A Chazy hog producer had his 1-4-6 analyzed and found that the wheat, corn and barley averaged about 13 per cent protein. Dr. J. F. Rowland recommended that he add 10 per cent of a 25 per cent commercial protein supplement for the first month after weaning reducing the protein to 8 per cent at about 110 lbs. weight.

One wonders about the economy of using high priced protein supplements at about 60¢ per lb. in these times of low hog and grain prices. Experiments at the University of Alberta show that hogs fed protein and mineral along with grain reach market weight on about 250 lb. less grain than those fed grain alone. Some 18 lbs. protein supplement plus a few lbs. mineral is worth \$1.80 which saves \$3.12 grain at 1-4-6 per lb. Protein also makes a difference with brood sows. Sows fed equal parts barley and oats plus mineral weaned only an average of 4.8 pigs against 8.3 pigs for the sows fed the same grain ration plus protein and pasture in season. Net profit from the protein fed sows was four times greater over a 3-1-2 year period.

New pills are being developed which could eventually eliminate the diabetes need for insulin injections, reports The Financial Post. Made from a new alpha derivative, the tablets lower blood sugar level. The pills will not be sold until scientists are certain they have no harmful side effects.

...and less than one minute from now another claim will be paid somewhere in Canada in the offices of a fire, automobile or casualty insurance company.

Almost three hundred million dollars in claims will be paid by such companies this year in Canada. Without insurance protection these losses would

represent a ruinous drain on the financial resources of individual Canadians.

Providing an essential protection by "sharing the losses of the few among the many", Canada's fire, automobile and casualty insurance industry safeguards Canadians financially at low cost.

Check the safety features listed at the right. All are standard equipment on any Dodge model you choose. Some are brand-new, of course, but Dodge has provided most of them for years. That's because safety is nothing new with Dodge. Year after year, Dodge has consistently pioneered and developed more and better safety features than any other low-price car.

This year, too, Dodge gives you the power you need for safer motoring. New high-torque 6 and V-8 engines provide up to 200 horsepower, pack plenty of reserve for safer passing, safer acceleration. There's new driving ease, too. New push-button controls for PowerPile automatic transmission let you select your driving ridge at the touch of a button. Safety-positioned at the left of the driver, these controls are simple and mechanically operated. Set your Dodge-Dodge dealer, soon. Drive a Dodge... Canada's "safety-first" car!

Science Shrinks Piles

New Way Without Surgery

Black Mould Solution The New York Medical Journal reports that a new method of treating piles has been developed. The method involves the use of a special solution which causes the piles to shrink and fall off without the need for surgery.

In some cases, when piles are not too large, they can be treated with a special solution. This solution causes the piles to shrink and fall off without the need for surgery. The method is simple and painless, and it can be done at home.

Most cases of all results were so amazing that patients made astonishing statements like "how have I come to be a pile?" The secret is a new medicine called "Pile-Sol" which causes a famous venous condition.

You can get this new medicine in any grocery or drug store. It is sold at all drug stores. It is guaranteed or money refunded.

A TOUGH WINTER

Roadways of the Wheatland municipality certainly are not the money's worth out of millions this year.

Although many farmers have from time to time been stranded at home or enroute because of snow in roads conditions of the municipality and employees who ride the patrol are to be commended on the job they did. This possibility will not be so in the future when the patrol is to be disbanded and the patrol are to be disbanded and the patrol are to be disbanded.

One hour after the patrol has been disbanded, the patrol has been disbanded, the patrol has been disbanded, the patrol has been disbanded, the patrol has been disbanded.

This week, however, the benefit of the game was brought to light when the North Hill Lions Club contributed more than \$1,000 to the fund. The game was played on a field in the city of Strathmore, and the game was played on a field in the city of Strathmore.

VOTING CHANGED

It is interesting to note that the credit card, which has changed back to the ballot after using the transferable ballot system.

The change was indicated last June when a couple of Strathmore were taken out on second count, one of them being former attorney general Louis Manard.

When a second count is held, the credit card is used to vote.

It matters not how small a contribution you make but it is enough to give a little to recognize a great organization.

UNDERWAY IN STRATHMORE

Red Cross campaign in Strathmore is underway in Strathmore and the money's worth out of millions this year.

Although many farmers have from time to time been stranded at home or enroute because of snow in roads conditions of the municipality and employees who ride the patrol are to be commended on the job they did. This possibility will not be so in the future when the patrol is to be disbanded and the patrol are to be disbanded.

Dear Mr. Editor:

Regarding your comment following publication of minutes of the annual general meeting of the Wheatland School Division No. 4, held at Strathmore on February 1956, to the effect that you did not receive a copy of the financial statement for 1955, we regret that we were not present to receive one. Copies were available at the meeting and have since been distributed to parents and ratepayers through operating schools.

March 1, under an editorial "A Long Day" you cite a case of a student only 1 1/2 miles from town and travelling 3 1/2 miles every day to school. For information the Board to provide transportation for any pupil living within three miles of school. Free transportation is available and such students live on an established route the Board does not object to their being picked up. It is suggested that your correspondent refer his case direct to the Divisional Trustee concerned for the consideration of the Board.

Yours truly,

H. C. Wilson.

Messrs. Wood Nelson, Frank Winkler, Jimmie Holmes and Doc Barber attended the Shrine Bonspiel at Drumheller on Saturday.

Local News Item

Mr and Mrs S. C. Sorenson arrived home after spending some time with their son Bill in Oakland, Calif. They report having had a wonderful time.

C. W. L. MEETING

The last regular meeting of the C. W. L. was held on Tuesday Mar 26 with 15 members present. Father Gibbons opened the meeting with the League prayer. During the meet-

ing a report was given of the Lions Banquet on Charter Night for which our C. W. L. catered. This provided a worthwhile endeavor, and the Ladies would like to thank the Lions Club.

The report was also given on the Communion breakfast which was served last Sunday, and netted \$30. This sum will be sent to the Providence Church in Calgary to help support orphaned children. Father Gibbons reported that extensive work was being done on the upstairs of the house. Finishing, plastering, plumbing and decorating are underway and it is hoped to have it completed before Easter.

The ladies plan to hold a Bake Sale on April 21.

The past-president Mrs Elias then conducted the election of officers which resulted as follows.

Mrs J. VanWest returned as President for another year. Mrs Joe Dastan, First vice-president. Mrs Joe Van Havel, Second vice-president. Mrs

A. Chase, Secretary. Mrs J. Gifford, Treasurer returned by acclamation. Councilors: Mrs Elias, Mrs Joe Van Havel, Mrs Geo. Olmstead, Mrs Glenning, Membership: Mrs Burnett, Mrs A. Bartlett, Mrs Stitt, Mrs A. Kiemeny.

A gift was presented to the lady prince whose birthday was nearest to the day of the tea. This went to Mrs Puttlof. Another gift for the ace, who though born elsewhere, had lived longest in the Chasidist district, went to Miss J. Torginson. The draw for the dafodils resulted in the bouquets being presented to Mrs Jackson and Mrs Jones. The parcel poet was the source of much merriment as well as giving the treasury a good boost. A very substantial lunch brought proceedings to a close.

Foreign Interests

Overcoming Canada

Although Canada is experiencing its greatest boom in history, the average Canadian is lacking away from being the future of his own country. While Canada has reached a level of saving that would allow us to finance most of our own progress, we continue to channel a substantial share of our capital into safer ventures in the U. S. and elsewhere.

Overcoming Canada

About a third of Canada's economy is controlled by outsiders. More than 40 per cent of Canadian manufacturing and about 50 per cent of the mining and oil industries is owned by non-Canadian. Foreign interests even control one fifth of our public utilities.

Overcoming Canada

Among the many topics discussed, decisions were made on the following: The Lions will sponsor a Children's Sports Day, to be held some time in May; and will also sponsor a base ball team to belong to the league made up of the surrounding villages and towns. They will send four delegates to the provincial convention of Lions at Kelowna, B.C. on May 20 and 21st and June 1st and 2nd; these delegates will be selected by executive. The program consisted of an interesting and instructive talk by Mr. Peter Reinhold, illustrated with slides of the around the world trip that he and Mrs. Reinhold took last winter.

Welders Too Old At Only 35 Years
Organized labor, together with management and both federal and provincial governments, had a voice in setting an age limit of 35 years for welders taking training in the feed-back technique for pipe welding.

Hussar Socials

This was made clear by Dr. W. H. Swift, deputy minister of education. He was commenting on a Calgary press report which quoted a 40 year old welder as saying the age limit is discriminatory.

Hussar Socials

Dr. Swift said a special meeting in Saskatoon some time ago was attended by representatives of organized labor, pipeline contractors, the Federal department of labor, vocational training officers from the province, and the National Employment Service.

Hussar Socials

At that meeting, it was explained that that demand welding demands efficiency, steady hands and nerves. It was stressed a young man's job and those qualified to express an opinion maintaining there is nothing to gain in training men who have past the peak of efficiency.

Accordingly, the meeting required an age limit of 35 years for welders taking training in the feed-back technique for pipe welding. It is ready for ten years on the department's vocational training officer the limit has been raised to 35 years.

Hussar Socials

Proletarians claim the work is hard and exacting, and the welder's efficiency is apt to wear. But after their training at about 25 years of age. Then, after about 10 years of work on the same job, they are supplanted by the old.

Shapiro Charges Weak Leaders

The unity of the anti-communist world is in danger of being wrecked by inept leadership, lack of planning and internal squabbles. That's the warning given by Isaac Shapiro to Madison.

The dream of Western security has not come true, he reports, following an extensive tour of NATO countries. It is not in the process of coming true. And given a few more years of the current simultaneous of Western policy, the dream may well become a nightmare.

Shapiro describes his tour along NATO's front line defenses as a journey from disillusionment to dismay. From doubt to suspicion to mistrust to open enmity.

On the political level, Shapiro found the situation... one of almost intolerable chaos. The rivalries, the enmities, the lack of any semblance of a unified policy — all make one weep at the

continued existence of an orderly NATO command.

In the Balkans and the Middle East the NATO nations, presumably forming a protective ring, are in a state of belated Greek love. There is bitterness between the British, Americans and the French. Arab and North African affairs. Italy is preoccupied with its internal matters.

France, keystone of the whole NATO structure, has reached a state of political chaos unparalleled since the end of the war.

The Germans have one apparent ambition: to be reunited. West Germany is with the West today, but the day will come inevitably perhaps swiftly, when the German people will weary of the long wait and... equate by themselves.

District Ag. Notes

Alkan is our common name for white salts in a field. Water to contact with soil dissolves various salts and when this water solution evaporates such as at the edge of a slough or a seepage spot in the field these salts or alkali are left behind. The white salts around sloughs in the Owen district are mostly Glauber's salts which have been loaded in and used for cattle salt. A strong salt solution will not go through roots in soils. This little grows on an alkali spot and one forms them at depths of five to eight feet, to stop this evaporation at the surface is an important means of combating alkali, but usually costs too much. About the only solution is to send crops which will grow in spite of the alkali. Most plants have been tested for their tolerance of alkali. Sugar beets will grow in land quite white with alkali and in addition take nearly a ton per acre of alkali each crop of beets out of the land so that after a few crops of

"Farming is a Business, Son!"

"There's nothing simple about farming. These days, you have to practice modern farming methods. You've got to be a business man too."

"That's where your local Royal Bank Manager can be useful to you. He's had a lot of practical experience dealing with farmers' financial problems, and is glad to discuss yours with you—anytime."

Whatever your plans, if they involve money, talk them over first with your Royal Bank Manager. There are many ways he can help you. And ask for copies of our booklets, "The Farmers' Account Book" and "Financial Training for Your Son and Daughter". They're free.

P.S. Teach your son to acquire the "working habit" early in life. It will stand him in good stead when he runs his own.

Mr. James WILD, capt. of the Hobema Indian Reserve is taking charge of the Blackfoot reserve in place of Mr. Pugh, who has been transferred to the Soreau Reserve near Calgary.

The staff of the Blackfoot Reserve met at the home of Mr. and Mrs. Pugh Tuesday evening to honor Rev. P. Charon of Cluny who is being transferred to Edmonton, where he will act as pastor for the Oblate Fathers. Rev. Charon was presented with a brief case by Mr. Pugh, who expressed his appreciation of the friendship shown by him in his work at the Crowfoot School and for the training of the Indian boys in athletics.

Sgt. J. Housheer of the RCAF and his wife spent last week in town visiting relatives and friends. The former is now located in Vulcan.

Ted Kruse returned last week from Keg River, where he spent the winter using his caterpillar tractor building roads and moving equipment for oil well outfits, before the making thawed out. He had good luck in that he was able to operate all winter night and day with no breakdowns. He has been confined to the house for a few days through illness.

The Legion held its annual Vimy celebration Tuesday evening in the hall with about 100 people present. Songs, story and a proceed were given. There were visitors from Calgary: Y. Eglese, Scotty Gove, Mr. and Mrs. Bob Barrett and Miss Peggy Taggart and Mrs. Hush Brown. The latter was at one time operator at the station here. There were 11 veterans who had fought at Vimy. There are 34 first War veterans in the district who belong to the Legion. Music was supplied by Jim Eglese, Bob Barrett and Mr. Arthur.

Bob Brown led the slinger during the early part of the evening while Mrs. Collins led for the remainder of the program. Allan Quessell sang a song that was the whole of the evening. Short speeches were made by Mr. Brown, S. Gove, Padre Morrison, J. Jones, P. Charon and Tom Bate. The latter is leaving for Ireland in a short time and expects to visit Vimy while away.

At midnight a banquet of turkey sandwiches was served after which singing until 1:30 a.m. In a couple of months time the veterans of the Second World War will show their staff by starting a banquet and all that goes with it.

Will everyone kindly remember to bring articles of clothing for the Koreans raised as soon as possible to any of the following stores: Harb's, Red and White, Shopette.

All her many friends will be pleased to hear Mrs. Daisy McMillan is making good progress toward recovery at the home of her daughter in Calgary.

Gleichen PWDA met at the home of Mrs. W. Hayes April 13 in the afternoon with 12 members present. President Mrs. N. Nordin presided over the meeting. The roll call was answered by A. W. I would like to have the power.

A letter was read in regards to the Mental Health Association of the Alberta Division. A bake sale will be held May 5 and proceeds given to mental health campaign.

The Red Cross canvassers for the country reported a sum of \$28.60 with one line still to report. After the meeting everyone enjoyed the raffles conducted by Mrs. D. MacArthur. Next meeting at the home of Mrs. D. Yule April 20. Recently a few ladies gathered at the home of Mrs. D. Towners, the occasion being a shower for Miss Jeanne Corbett of Cluny, new Mrs. H. Rance. A pleasant afternoon was spent in making a bride's book which was presented to Jeanne later. A delicious lunch was served by the hostesses Mrs. W. and Mrs. D. Towners and visitors. The latter presented Jeanne with many beautiful gifts from those present. Jeanne thanked the ladies in a very charming manner for the lovely presents and all their kindness. The wedding took place in Cluny, April 12.

The cancer drive in this district is now on so please give generously to the canvassers when they call at your door. The many friends of Mr. J. MacArthur will be very sorry to hear he took suddenly ill while in Calgary Monday. He was rushed to the General Hospital and his family were called in to be with him. After several blood transfusions we are very pleased to report Mr. MacArthur is slightly improved, and on Sunday was making fair progress. All hope he will be strong enough to return home soon.

Mrs. E. Holland and Mrs. Norman Riddell returned home Saturday from a supper in hospital. Both are improving daily and their many friends hope to see them carry on in the future.

The sincere sympathy is extended to Rev. and Mrs. Morrison and family in the loss of the former's father, Abner Morrison of Calgary April 11, aged 92 years.

The Auxiliary to the Legion was held in Gleichen April 12. Mrs. G. Oliver, who presided over the meeting. After the regular business was dealt with and after some discussion it was decided to have a cancer film shown at the Legion Hall at a later date. Mrs. Ritchie of Arrowwood presented the Auxiliary with a framed photo of the ladies that attended the provincial convention last July. Mrs. Oliver presented Mrs. L. J. Jones with the past presidents badge.

A supper meeting for the W. H. H. group of the Gleichen COIT was held in the Recreation Centre West Monday. Following the supper a song and games were enjoyed. Mrs. Kerr of Stratford, Arny, gave an interesting short talk to the girls and leaders on choosing a vocation. It was mostly on her experience in her profession which is in nursing. Indian trial costumes presented a colorful sight and drums beat out time to the music. The girls and leaders were Monday night at a farewell party held at Crowfoot hall for Mr. and Mrs. Pugh and their daughter Linda.

Mrs. Pugh and Linda were each presented with a lovely leather case and Mr. Pugh received a gift of fine blankets by Earl Calhoun and Mrs. Calhoun on behalf of the tribe. In the presence of several chiefs and a large group of the Indians.

After the service at the Gleichen United Church Sunday a fellowship hour was held. All those present many of them old and well liked hymns, then new members were welcomed, and sympathy extended to their minister by one of the elders Mr. M. Bollinger. Mr. H. Hird, president of the W. A. called Mrs. Pugh and Linda and Mrs. Pugh well up to the front of the church and in a few words told them all how much all appreciated their work and fellowship in the church and W. A. and how they would be missed, and then sided by Mrs. N. A. Kiddell she presented each with an engraved spoon from the members of the W. A.

A delicious lunch was served by the ladies and all enjoyed a chat with friends, and with those who were leaving to go to new homes.

Mr. and Mrs. J. Glodde and family spent the weekend visiting in Three Hills.

BOW VALLEY HOME AND SCHOOL ASSOCIATION

The regular meeting of the Bow Valley Home and School Association was held in the high school in Cluny April 11. Mr. Dave Yule was in charge of the meeting. Dr. Germain was guest speaker. He made a very informative talk on the Senate and House of Commons.

His openable remarks by saying that Friends make life more pleasant and that it is our privilege and right to be on friendly terms with those who represent us in the gov.

In describing the parliamentary proceedings when the House is in session, we felt that we were there to witness the pomp and ceremony that centres around the opening of every afternoon's business.

The Senate, he said, had a solemn duty to perform, namely to see that no ravages of intolerance or partisanship become rampant. To talk to employer and employee alike, to business men and farmers and to make their requests known to the proper channels. In fact, the Senate's great function is that of goodwill. It sets up committees and deals with Quebec and Newfoundland's divorce cases.

The Bow Valley Home and School Association is sponsoring a tea and bake sale in Cluny hall Saturday afternoon for the purpose of raising funds. A career night is planned for next meeting May 9th. This will be directed to all senior high school students in the surrounding area. It will give the students an opportunity to hear speakers who will inform them as to careers and job possibilities.

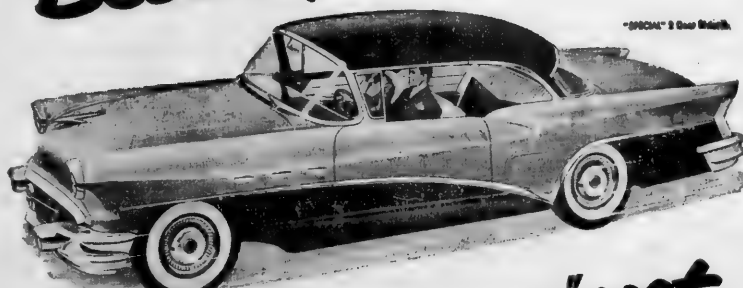

Prospects Good

If you keep your head, this will be the biggest year in your company's history, says Donald H. Ford in The Financial Post.

but a handful of lines are sharing in the gains. Late spring and summer business should top all records. Businessmen are going all out after a wait and see first quarter. They're sick out. The nation's economy is straining at the seams. Demand is outpacing supply in crucial basic industries. It's a big question whether Canada has the materials and manpower to handle the growth that is being attempted. It Pays To Advertise!

Best "Century" yet

Yes, buy 'em now... the stunning new models of the cars which are making Canada by storm... the models you've waited eagerly to see and to drive... the 1956 Buick SPECIAL and CENTURY. And hands down and away, they're the Best Buicks Yet!

The Buick SPECIAL gives you high-fashion luxury—high-powered performance—low, low price—and comes up as the stand-out best of the budget-bagged cars.

The Buick CENTURY offers an extra bonus in luxury—plus a high-stepping performance that's nothing short of sensational—and all for a price that compares favorably with the least!

And in both cars, as well as the outstanding style, and the custom-built ROADMASTER, you get the agile might of Buick's wall-popping V8 engine... and the smoothness and economy of Buick's advanced new Variable Pitch Dynaflow!

Come in to your Buick dealer's soon (today, if possible) and we'll prove that if any new car is in your budget, a new Buick can be in your garage.

*New advanced Variable Pitch Dynaflow is the only Dynaflow Buick built today. It is standard on the Roadmaster, Super and Century optional at modest extra cost on the Special.

The auditors report, made by Christian and Korman of Brundel, was accepted and showed the maintenance fund to be around \$1,000 and the reserve account of

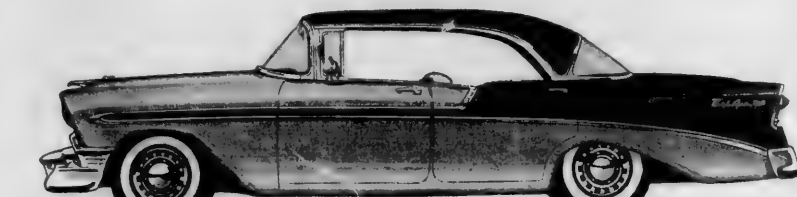

\$1,000.

The April meeting of the Hussar Ladies Aid was held at the home of Mrs. Bell, with president Mrs. H. Y. Lutz. It was decided to donate \$85 to the cancer fund, and \$85 to the Red Cross. The Aid members decided to move the lunch at the Lions auction sale Saturday.

The program consisted of readings by Mrs. Irene Bucklehead and Mrs. Roy Parker; a talk by Mrs. Miller on her recent trip to Hollywood, and a talk on Why I am a Lion, by Mrs. Repp, president of the club.

The hot one's even hotter!

the Chevrolet

Beautiful models—all with bold new Motoramic Styling.

More models—including two new 4-door hardtops and two new 9-passenger Station Wagons. And all models offer a choice of 9 flashing power teams with horsepower ranging up to 205.

This is the greatest of them all.

There's flashing new excitement awaiting you, for these '66 Chevrolets give new meaning to the word "action".

Look them over! Look at that bigger more massive grille. Let your eye slide along that longer, more ratchid hood. Follow that lower, speedline chrome treatment back to these sexy, high-set tail-lights (the one on the left swings down to uncover the 5th cap).

EVEN LIVING THAN IT LOOKS!

Bold Motoramic Styling, as you see! Fine New Contemporary Interiors to be sure! Gay new colors, indeed! But beyond that, even more of the championship production that made the '65 Chevrolet a winner. You know the new Pike's Peak record-holder has to have something very,

very special in the way of power, ease and surmount of control, and nailed-to-the-road stability.

FLASHING POWER TEAMS—

30 EXCITING MODELS

Any kind of model anyone could want. All of 'em have all the extra advantages of Body by Fisher—the people who pioneered and perfect the 4-door hardtop. Your choice of new "Blue-Flame" 6 with 140 hp and new higher compression—170 hp "Turbo-Fire V8" (165 with Synchro-Mesh)—or, optional at extra cost, the "Super Turbo-Fire" with 205 hp and 9.25 to 1 compression ratio! Automatic and comfort features? If Chevrolet doesn't offer them, it's only because they haven't been invented yet. So try the hottest drive of the year soon. You haven't tried anything new until you've been behind the wheel of a '66 Chevrolet.

V8&6

Not only does Chevrolet offer a choice of V8 or 6 cylinder engines, but they are the most powerful and most efficient engines in the low priced field. No other car combines such high compression ratios with valve-in-head operation, and includes so many other modern engineering discoveries. If a power feature is good, if it's practical, you can be sure that Chevrolet engineers have it!

LASTING CAR FINISH

Automobile finish, soon to be available in Canada, needs no waxing for at least 18 months, reports The Financial Post. Rotates its instructions longer than conventional paints and resists overabundant discoloration, an important asset for two tone or tri-tone styling which requires cars to go through ovens several times.

ment and District Agriculturalists be of most service to the over 30,000 farmers who have had their farms sheltered during the past few years.

The DA's raised questions which they had been asked by farmers - in attendance at the forum - were all the District Agriculturalists, their assistants, a number of agricultural engineers and several guest speakers, members of the Department of Agriculture.

The purpose of the forum was to discuss the application of electric service to farm operations and how the farmers could use this service to best advantage.

The primary objective of the course was... how can the power generator, best lamps and their application to livestock and poultry raising, specialist irrigation, motors and controls, remote control wiring, water pressure systems, underground cables, grain graders and cleaners, R. H. Walker, Rural District Agriculturalist, used the conference.

Canadian Television Should Be Original

Should Canadian television copy the United States, or try to stand on its own legs and be original? That's one of the controversial aspects of Canadian TV aired by a panel of 12 top Canadian TV personalities during a round table discussion conducted by Maclean's magazine, a report of which appears in the current issue.

They trying to copy what the Americans do best, said Murray Moore, freelance writer, actor and producer. "If we try to follow what the Americans are doing we shall all ways be 35 years years behind them."

He deplores lack of let's across the border, declared comedian John Wayne. "I say, down with this slavish attitude! I say we can do our own kind of show that's exciting and interesting."

The idea of copying the U. S. was opposed by Roy Warner, Dickson, radio and TV master of ceremonies. "We are being hampered by the thought of copying the United States. They were in TV first. There are some things we'll have to copy whether we like it or not, categories that we can't just dismiss because the Americans have used them and they're good."

Militia Members To Attend Camp

Members of the Strathmore branch of the South Alberta Light Horse will attend summer training camp at Waterton this year from June to until July 8 according to Lt.-Col. Pat Higgs, commanding officer.

One of the highlights of the summer camp is the fact that NCO's will have the opportunity of qualifying for the rank they presently hold on a probationary basis. As all who attend camp realize more can be learned during a week at camp than in an entire year of attending two week periods. A good turnout is anticipated.

The married men receive an incentive to go in that their wives get \$40 if they attend camp. They receive the regular army pay to which they are entitled. Single chaps get \$25 if they attend camp.

Another important day coming up in the militia is the group commander's inspection to be held June 10 at Calgary at 1 p.m.

School News

BY GAYLE HUNTER

The new addition to the Samuel Crockett School has started showing progress with the favorable weather that has allowed the work to go on ahead with building operations at full speed.

By the middle of June, the modern classrooms and the new facilities are scheduled to be completed.

It has been thought that June 7 would be a fine ending for the term, as it is followed by Father's Day, a holiday.

A Student's Union meeting will be held soon to discuss about details for the Prom and also the possibilities for a Grade 12 banquet.

The Union will also plan for the first of last week. It contained an editorial by Joyce Hester which was based on the subject of School Rights. This topic was approached because it is thought the students school spirit and enthusiasm is diminished.

Career Day, which will be held May 11 will offer the following vocational guidance talks:

University Training, A. J. Hough Assistant Director, Student Advisory Service, University of Alberta.

Commercial Training, R. C. Henderson, Henderson Secretarial school Calgary.

Teaching, S. A. Earl, Coordinator of Teacher Training, Edmonton Technical School, and Trade Training, O. Kinsinger, Shop Director, Institute of Technology and Art, Calgary.

Oil Industry, J. P. Rennie, President of the Canadian Petroleum Institute, Calgary.

Armored Forces, A representative of the army.

Nursing, Nurses Aide work and RCMP services are also being held with the students.

Both students and teachers are looking forward to these talks that will be of the most of the most suitable occupation.

School Board Holds Meeting

Brief of Minutes of Board Meeting.

Request of the Red Deer Valley school Division received for the transfer of lands on which a new school site will be located near the intersection of Highway 1 and 2.

Now become part of the Industrial area covered by that Division. Request was referred to the Municipal Council and decided to support their recommendation in this regard.

Several awards were presented during the month of May and June and that they be completed at the rate of \$100 per day.

Moved and adopted that a tuition agreement be entered into with the Board of St. Rita's School District for the education of all high school pupils from the Rockyford Consolidation area at St. Rita's Separate School.

The Teacher's Salary Negotiation Committee was presented with terms for a new salary schedule were mutually agreed upon for a basic salary of \$1200. for one year's training plus \$100 for each additional years training until a degree is obtained. Increments of \$100. per year allowed for experience until approximately 50 per cent of the basic salary is reached. Other clauses in the schedule remain approximately as formerly.

A representative of Engineered Buildings Ltd. of Calgary was present and after a lengthy discussion the teacher shortage and its accommodation it was decided to get stench plan and estimated costs of various types of houses and apartments with modern facilities provided.

News From Gleichen

BY MISS J. E.

Three days in succession, recently, the fire alarm called the citizens of Gleichen to action. In each case it was a grass fire that caused the excitement. The first fire was on Friday afternoon when an area fire destroyed E. Schlicht's garage and outbuilding. Nearby buildings were not damaged. The second fire occurred Sunday afternoon, when J. Knoch had been burning rubbish in a barrel. The wind blew the flames out on the dry grass nearby, burning about an acre before it was under control. Sunday afternoon the fire alarm went again. The grass at the back of Luke's place was burning, and endangering nearby buildings. It was quickly put out with watered while the only damage done in this case. Since then there have been a few more fires on the reserve but they are closely watched and resulted in no material damage.

The Gleichen-Chief district junior club held a hold an auction sale in Gleichen May 18 when it is hoped everyone interested will be present and make it a big day for the town.

Mrs. McInnes and daughter, Maureen and Mr. Hugh James and daughter Pauline, and son Gary, spent a recent weekend in Calgary, the guests of Mr. and Mrs. Tom Brown.

Mr. Luke Yin, local tailor and laundry man is closing his business for a few months while he goes to the Coast for medical treatment. He has been in business here for several years and was very popular and will be greatly missed by his many friends in the United Church and by business friends. His health has not been very good for some months and he decided to consult a

Chinese doctor at the Coast, in the hope his health will improve soon.

Mr. Cliff Kilpatrick, postmaster announced recently the post office will remain open Wednesday afternoon but will close Thursday afternoon instead at 12 p.m. The reason for the change was that the mail carrier arrives late Wednesday and as a consequence the staff had to be on hand to receive it. By closing Thursday they will have the entire afternoon free.

Mr. and Mrs. Bert Nicholas and Mr. and Mrs. Milt of Calgary moved to the home of Mr. and Mrs. LeRoy Nicholas of Gleichen, where they were guests for dinner and supper Sunday. Mr. and Mrs. Peter

Mr. Wm. Turnbull left for Edmonton last week where he will visit his sister while enroute to his new job. He will be employed in the future. He expected to visit his parents in Saskatoon the weekend. He will visit him the best of luck in his new location and hope he will like it there.

Mrs. A. Evans returned home from Ontario Saturday morning after visiting her mother there for some months. She remarked she left Ontario in a bill and arrived here in a snow storm. She is feeling fine and pleased to be home again.

A pleasant afternoon was spent at the home of Mrs. B. Williams Thursday, when 20 ladies gathered to honor Mrs. Fay Pugh and daughter Linda before their departure for their new home. Friday afternoon Mrs. C. R. McIntyre entertained about 10 friends in their honor. His many friends will be pleased to hear Mr. Angus McIntyre returned home Monday from the Holy Cross hospital much improved in health and pleased to be back.

Mrs. Lawrence Messenger and family moved up from Vulcan last week and spent Friday with the former's parents Mr. and Mrs. Wallace and her sister Mrs. L. Wilson and family. She hopes to move to Calgary in the near future where her husband is employed.

Mr. and Mrs. R. McLeay were Sunday visitors at the home of the former's parents Mr. and Mrs. James McLeay. They were glad of the opportunity to have a short visit with them, as their son will enter the hospital this week and expects to have a long operation on Thursday. He will be there several weeks.

A group of boys and girls from the Health and Recreation Group of Standard under the direction of Mrs. Pedersen were guests of the Gleichen home and School Association Monday in the school auditorium. The group and their leaders are to be commended on their fine gymnastic display they gave. It was enjoyed by all present.

Following lunch a short business meeting was held. Rev. Morrison volunteered to attend as a delegate the one day conference on Teachers' Recruitment and Retention held in Calgary. It was decided to show movies in the auditorium April 27 to help raise funds for the purchase of stage and window curtains for the school auditorium.

Movie will be shown in the auditorium April 27 at 7:30 p.m. Adm. 5c. A free prize will be given. Mr. and Mrs. Lloyd Biddell are the proud parents of a daughter, born Sunday April 23 in Holy Cross hospital, Calgary.

Anhydrous ammonia is applied four to eight inches below the surface. It differs from the old so as to make best use of available moisture. A healthy deep root system is encouraged. The plant quickly absorbs the needed substance. And fertilization is kept below the germination level of weed seed.

Anhydrous ammonia is quickly and easily loaded and applied with tractor-operated equipment. Anhydrous ammonia brings greater yields and higher protein content when used as part of a balanced fertility program. Get the full facts on anhydrous ammonia.

Future Business Calls For Better Trained Students Claims H. And S. Guest Speaker

Teacher shortage situation was the main subject discussed at the monthly meeting of the Strathmore Home and School Association in the Hume Crowther School Monday evening. A better than usual turnout of parents was on hand with president Rev. Philip Penant in the chair.

Guest speaker was John Rimmer of Calgary, an oil firm employee and a member of the Calgary Chamber of Commerce. Mr. Rimmer remarked industry now called for persons with greater skills than in the past and the only way to attain this standard was to improve the quality of education. Forerunner to this, he said, was to better the teacher standard.

First and foremost in doing this was to make the teaching profession more attractive and thus attract a better quality of person to enter the profession. He indicated the public and school days were over. In the future it was only a person with a solid education who would be able to hold his own and command a good wage in the business world.

Following Mr. Rimmer's interesting talk a panel discussion was set up, led by Mr. Penant with the following members: Dr. John Gillen, M. Hume, Mr. Rimmer, Mrs. E. Gray, Mrs. C. P. English, Carl Borchert, Larry Hunter and Alice Fitch. After the panel had discussed the teacher situation back and forth several questions were answered from the floor by interested parents.

Very good opinions came from the meeting. Among these was the fact more scholarships were needed to attract outstanding students to pursue education further after graduation from high school and thus provide the education system with a better teacher, and the fact the teaching profession needed to provide more recognition for its members to assure a high calibre of teacher, who in turn would help

produce a better trained student. Most of the six week teacher was discussed briefly and majority felt more training was required to develop a qualified instructor.

Plans were made by the association to arrange a Prom party in June for high school graduates and their parents. Date will be announced later.

For the May meeting president Penant will appoint a nominating committee which will present a suggested slate of officers to handle activities during the 1960-61 season. The meeting closed with a lunch and social period.

Obituary

JOHN S. DRUMMOND

John Rical, Drummond, 65, of Nanaka, Alta., died in Col. Ischer Hospital following a lengthy illness. Born in Glasgow, Scotland, Mr. Drummond came to Calgary in 1911. He has been a well-known farmer since he moved to Nanaka in 1930. He joined the 50th Battalion and went overseas with the first draft of men from Calgary. He served with the 10th Battalion overseas until he was discharged in 1919 for medical reasons. He was a member of the Strathmore Canadian Legion and one of the "originals" of the 50th Battalion Association.

He is survived by his wife, Marion; two daughters, Mrs. N. P. (Isabelle) Nielsen, Chancellor, and Mrs. William (Hattie) Watson, Rosedale; one son, David, Nanaka; several grandchildren; four brothers: James W. of Red Deer; Christopher W. of Chicago; A. Rical of Glasgow; and William of London. Two sisters, Mrs. A. W. Hannah of Glasgow and Miss Ida Drummond of London, England.

Rev. Blake Pritchard conducted funeral services from the Strathmore United Church, Wednesday, May 3, at 2:30 p.m. with burial in the family plot of the Strathmore cemetery, St. Francis and Holloway in charge of arrangements.

Mrs. Martha J. Lounsbury, 76, of Strathmore, died Monday in Holy Cross Hospital after a brief illness. Born in Scotland, she moved in 1905 to North Dakota, in 1941 to High River and in 1947 to Strathmore.

Mrs. Lounsbury was a member of the Order of the Eastern Star, of the Strathmore United Church, and a member of the Ladies' Aid of the same church.

Surviving are her husband Mark, Strathmore; two daughters: Lella Morgan and Mrs. Lillian Hill, both of Strathmore; Mrs. Edna MacNab; Mrs. Margaret Miller, Cheate; and Mrs. Vitar MacConnell of Nappoo, Ont.; one sister, Mrs. E. Dale, Bellingham, Wash.; one brother, William Henderson, Addy, Wash. 15 grandchildren and 21 great-grandchildren.

Funeral services were held at Strathmore United Church, Thursday, May 4, at 2:30 p.m. Rev. Blake Pritchard officiating.

Chancellor Notes

BY MRS. J. M. W.

About 17 ladies attended a Stanley tea at Mrs. Rical's home on Tuesday evening. Mrs. Margaret Larsen was the demonstrator. Mrs. Johnson of Sask. is visiting here, her son and daughter-in-law, Mr. and Mrs. Ed. Johnson.

Mr. and Mrs. Stan Humphrey and family were Sunday dinner guests at the home of Mr. and Mrs. Fred Wubusky.

Mr. and Mrs. P. Moon went to Calgary Sunday to help celebrate Mrs. Heeketh's 70th birthday.

Mr. and Mrs. J. M. Wheatley spent the weekend in Calgary.

Cheadle Notes

BY MRS. E. A.

Mrs. Edgar Lounsbury returned home from the hospital last week with her new baby son Dale Edgar who arrived April 21.

Hamm construction is getting things lined up, ready to begin work on the highway as soon as the winter permits.

Mrs. D. Heekle was hostess for the Cheadle W. L. last Wednesday afternoon. Considerable business was done. The most important was the decision to make garments for the 100th Memorial Home as a memorial project. Mrs. A. M. Drake is in charge of the knitting and Mrs. C. Cranmer, the sewing.

E. Jackson gave some pointers on the correct procedure in conducting meetings. The hostess was assisted by Mrs. R. Johnson in serving lunch.

School News

BY GAYLE HUNTER

A Student's Calm meeting was held April 25. It was decided two delegates would attend the Red Cross Study Course at the Hume School of Fine Arts during June 24 and June 25. Nadine Turron and Joyce Hawley are the two students who will be present at the conference. Students writing that exams were not able to submit their names as applicants.

Grade 10 students, with their newly gained responsibilities, are busy with original ideas for decorating the auditorium for the June Prom. A Japanese theme will be used.

The setting for the graduates' banquet will be decorated in a theme of green and gold, which are the school colors. Students in grade 11 are making all the necessary arrangements for table centerpieces, place cards, etc., while the Home and School Association will be responsible for supplying the menu for the fifty guests who will attend.

The date for the Prom has been changed to June 8, because this is more convenient for Joe Barilande and his orchestra.

Legion Auxiliary

The May executive meeting of the Strathmore Ladies Auxiliary to the Legion was held in the home of Mrs. Ted Hartel with nine members present.

Correspondence read. Plans for June 11 are being considered. Twelve ladies have been asked to serve lunch at the men's ball team dinner on May 14. May 14 handcraft material will be sent to the ladies and canvased.

There will be a social with Open House on Saturday May 29 in the Odeon Legion Hall 2055 - 26 St. E. Calgary at 5 p.m. It is hoped that as many ladies as possible will attend.

Several of the ladies worked on flower baskets and more will meet Wednesday in the Dining Room of the Memorial Hall for the next meeting. Mrs. Hartel served daily refreshments assisted by Mrs. N. May. Next meeting June 5 at the home of Mrs. J. Colwell.

It is hoped all members will donate to the bake table held in conjunction with the Mothers Day May 15.

Strathmore W. A.

The regular meeting of the Evening W. A. was held in the Memorial Room of the United Church, Wednesday evening. The meeting opened in the usual manner.

After a short business session Miss Florence Karlson, a missioner from Japan told about her work, which proved very interesting to everyone. Mrs. J. Colwell, asked with her talk everyone had the opportunity of asking her questions.

A delicious lunch was served by hostesses Mrs. O. Robinson, Mrs. R. Douglas and Mrs. B. Newton.

News Items

There will be a shower at the home of Mrs. Elmer Gray in honor of the former Laurel Van Stenberg Wednesday, May 4 at 4 p.m. Everyone welcome.

Mrs. Bill Ewe, a resident of the Blackfoot, received a letter last Monday in the Indian hospital after an illness of several years. She was 85 years old. The funeral took place Wednesday at Chazy and burial in the Indian cemetery near

the South Camp.

Mr. and Mrs. Ted Boos and family of Calgary spent a recent weekend in Gleichen, the guests of Mrs. Boos. Mr. and Mrs. Kelly, Mr. and Mrs. Capt. and Mrs. P. Kerr who have been assistant superintendents at the Brewster House for the past year left this week for Battledore, where they will take charge of an Executive House there. Capt. and Mrs. Kerr came to Gleichen from Toronto and will have a good time in their new home.

Cam Evans was busy all of last week building a play ground at Old Sun School for the Indian boys and girls, with his tractor. The field is located in front of the school and is large enough for football field. At the present time Wilson's Service trucks are covering the field with two or three inches of crushed gravel.

The Gleichen FFWA met at the home of Mrs. David Yale Thursday afternoon, with 14 members attending the roll call. My Childhood Experience. A donation was made to the cancer fund. A bulletin on The Associated Country Women of the World was read by Mrs. McMillan, and the paper on Homecraft was read by Mrs. Floyd Sammons.

The start of the Gleichen United Church's Sunday School celebrated Mrs. W. Pugh and her daughter Linda, and the former's class of senior girls, April 22, at the mass. The guests and the staff present enjoyed several games. Just before a delicious lunch was served by the hostesses and some members, Mrs. P. Sewer in a few well chosen words presented Mrs. Pugh with a literary with music, as a parting gift from the staff and the pupils of the Sunday School. Mrs. Pugh expressed her regret at leaving the class of girls she enjoyed teaching since last Sept. and spoke of her delight in the work during the

past years. She thanked all for the gift, remarking it was something she had wanted for some time and would use it often in the future. Both Mr. Jack MacArthur and Mr. George Fraser have recovered sufficiently to return from hospital to their respective homes. The former is convalescing at his home and the latter returned to his work with the CFTU Monday.

Friends of Brian McKay will be sorry to hear he is in hospital in Bassano. We all hope for a speedy recovery and see him home soon. April 17 Flight Sgt. J. J. (Uncle) Houshe of Calgary was grounded to Flying Officer. At the present time he is taking a special course at London, Ont. Later he expects to be transferred.

Mr. and Mrs. Rousseau were visitors in Gleichen recently. We are sorry to report Mr. George Hunter is suffering from another severe cold, and hope to see him well once again.

Miss Ethel Bates left for her new home in Edmonton Saturday. Her friends will miss her frequent visits during the weekends but wish her the best of luck and hope she will like the capital city.

The travel films on Newfoundland, Norway and the immense OES Chapter held its first annual church parade, to the Gleichen United Church and worshipped with the members and adherents of the church in their regular service. About 35 members of the Alberta Star Chapter were present, and about 45 other residents of the town and country were also in attendance.

Several of his friends gathered at the home of Roger Oldfield Wednesday evening to help him celebrate his 14th birthday. All had a happy evening together playing games and needless to say eating a delicious lunch served by his mother.

Ray McLeay underwent a minor operation in the Belcher hospital, April 28 and making good progress so far but was still in an overcast condition. We all hope he will continue to improve daily and not be confined to hospital too long.

Tuesday afternoon Mrs. Renaux entertained several friends at her home when a very pleasant time was spent together as they congratulated three of the guests who had birthdays during recent weeks. It was a day for a real visit with one another in spite of the stormy weather.

We would like to correct the date mentioned in last week's Standard in regard to the Gleichen-Chazy CFTU Club. They will hold the 50th anniversary at the Recreation Centre in Gleichen on Saturday, May 19 instead of May 18, as we reported last week. It is hoped it will prove to be a big day for the district and all interested please keep

this date in mind.

The 42nd birthday of the Alberta Star Chapter was held in the Gleichen Masonic Lodge Hall Tuesday evening. A large number of visitors were present from Calgary, Strathmore, Standard, Husar, Bassano and Olds.

Margaret Bell, Mabel Armstrong, and Jessie Bloom, POM's were present, also Margaret Anderson, Ellen Armstrong, Jessie Kennedy, Evelyn Hildebrecht, and Laura Boyd who were Grand Officers. Other distinguished guests, visitors and members brought the attendance to about 140.

Margaret Bell, POM was presented with an Honorary Membership in the Alberta Star Chapter. Officers who were honored on this birthday occasion were 23 Past Masters and Past Patrons of the local chapter.

The highlight of the evening was a talk by Jessie Bloom, POM. She told of her trip to the General Grand Chapter in Washington, D.C. last year. She gave the tribute which she had given to the Union Jack while there. At the close of the evening a delicious lunch was served and much enjoyed by all present.

Saturday evening last the local OES Chapter held its first annual church parade, to the Gleichen United Church and worshipped with the members and adherents of the church in their regular service. About 35 members of the Alberta Star Chapter were present, and about 45 other residents of the town and country were also in attendance.

THE ALBERTA LIQUOR CONTROL ACT

The Special Committee appointed by the Legislative Assembly at the recent Session for the purpose of reviewing the provisions of the Alberta Liquor Control Act in order to recommend amendments thereto, will receive written briefs from interested persons, groups, and organizations prior to June 1st, 1956.

Representations in support of the briefs submitted by organizations or groups only will be heard commencing June 18th.

Organizations and groups that submit briefs will be advised when to appear before the committee.

Twelve copies of the briefs should be sent to: The Clerk of the Legislative Assembly, Legislative Building, Edmonton.

R. OLEVOLIN, Secretary of Committee

FLOOD WATERS CONTINUE TO RISE OVER SOUTHERN MANITOBA

Many farming communities around Winnipeg are completely flooded and 57 miles of dykes are being built to a level of 30 feet to save the city from disaster. At Portage La Prairie, 65 miles west of Winnipeg, an ice jam in the Assiniboine river threatened to crumble all the dykes with its mounting pressure. The town, as shown here, is already flooded.

Liquor Deadline Stated June 18

Final date for the submission of briefs to the legislative committee studying the working of the Liquor Act has been set for June 1.

Public hearings will open June 18 for the purpose of hearing oral support of written presentations, and the questioning of witnesses. Locations of the hearings will be determined by the localities in which briefs originate.

Organizations and groups wishing to make written submissions, are requested to file 12 copies of their briefs with the Clerk of the Assembly, Legislative Building, Edmonton.

The committee is headed by Edgar Gerhart. Members represent both sides of the Legislature. They include Education Minister Andrew O. Aalberg, Chester Sayre, Ira McLaughlin, Harry Strom, J. Percy Page, Richard Hall and Nick W. Dushanek.

In recent weeks the group has been making studies in collaboration with the Alberta Liquor Control Board. When public hearings are concluded and the investigation is complete, a report with recommendations will be prepared for submission to the gov't. for legislative action.

Instructors Needed For Swimming Pools

More qualified swimming instructors are urgently needed for the summer months at Alberta beaches, in form of the Alberta Red Cross.

Swimming and swimming pools are to be reduced this season. This was the unanimous opinion at a meeting of the Don Drown Committee in the Legislative Building recently. By stressing the need for more qualified instructors, H. P. Brown, member of the Alberta Red Cross

So they do have that most of the 55 drownings in Alberta last year could have been prevented if more swimming instruction and water safety methods had been made available.

Members of the provincial water safety organization discussed an enforcement of motor boat regulations with Staff Sgt. B. L. Peck of the RCMP who was in attendance. The need for posting the new regulations on motor boats has been stressed. The RCMP will patrol beaches on safety work during the coming season.

A display of the 1st bronze medals to be awarded graduate instructors of the Red Cross swimming course was shown at the meeting by A. G. Gillett of the Canadian Red Cross Society. These medals, presented annually by the Royal Life Saving Society of London, England, to persons successfully completing the water safety course, was the largest number ever to be awarded in Alberta.

A record total of over 25 million gallons of proven oil reserves is reported for Canada at the end of 1955 by the Petroleum Committee of the Canadian Petroleum Association.

DANGER
CAN'T ALWAYS BE LABELLED

...But the fire, automobile and casualty insurance business does attempt to seek out many of the dangers which pose a constant threat to the safety of Canadians. This work is carried out day-by-day by insurance agents and inspectors... in special testing laboratories... and in many other ways.

However, insurance companies can't tag or label every danger.

Even if they could, there still would be accidents—because nine out of 10 accidents can be traced directly to carelessness. Last year this same carelessness cost the lives of 10,000 Canadians and caused damage of more than one million dollars every day.

The only way to combat carelessness and its toll is to be safety-conscious at all times. Think—and live!

Nitrate Poisoning Of Your Cattle

Nitrate poisoning sometimes occurs among livestock that have consumed forage plants. Normally traces of nitrate are present in plants but under certain conditions the quantity is increased to a toxic level. When plants with toxic levels of nitrate are consumed by an animal, the nitrate is converted in its digestive tract to nitramine, the poisonous substance. The nitramine then enters the blood stream and affects the oxygen carrying capacity of the blood. This causes the animal, technically speaking, to die of suffocation.

One hay is the most commonly known source of nitrate poisoning but also many other forage crops and weeds have been found to contain toxic quantities of nitrate, when grown under abnormal or unusual conditions. A serious case of nitrate poisoning was reported to the Range Experimental Farm at Kamloops, B.C.

A local rancher phoned last December and indicated he had fed approximately 150 pounds of hay to the morning to 25 head of cattle. At around 10 o'clock a.m. 11 head were sick and about an hour later five head were dead. This hay had been cut on a holding ground used for keeping calves in fall after weaning. The area had been used for many years for cattle and consequently the soil was very rich in nitrogen.

The cattle showed all the symptoms of nitrate poisoning. In previous years this country had been cattle when hay from this area had been fed, but they looked had, not been recognized as having been caused by nitrate poisoning.

Women Influence Sale of Autos

Canada's housewives have emerged as an important factor in the automobile market, a survey conducted by a leading manufacturer disclosed.

In checking the first five months sales of its 1966 model vehicles, market research analysts of Chrysler Corporation of Canada, Limited learned the Canadian housewife stands eighth in 14 categories of occupations as a purchaser of the company's cars.

In first place, as might be expected, are saleswomen, closely followed by taxicab operators. Corporations which buy cars for company use are third. Other groups, in order, are the first 10 years; laborers and workers, farmers, merchants, managers, housewives, and contractors.

The Chrysler survey covered purchases of all lines manufactured by the company, ranging from the least priced Plymouth and Dodge automobiles to the most luxurious Imperial models.

Our company has long recognized the influence of women upon automobile purchases, commented C. O. Harby, vice-president in charge of sales. However, this survey now confirms this definite trend toward increased ownership of cars by women.

Writers Opinion Of Social Credit

Most Albertans believe Social Credit, really means nothing and doesn't exist, says Bruce Hutchison in Maclean's magazine.

They believe, it has become only the slogan and ceremonial gesture of a highly conservative group. Why, I asked everybody I met in Alberta, had an imported meat butchered itself upon this particular province?

The answer from all thoughtful men was the same: Social Credit might be a frank doctrine of economic but it was an invention of writers to politics. It promised money for nothing, it combined anarchy with Alberta's deep strata of religious fundamentalism. It gave to business a friendly government and hope to the poor.

If Alberta appeared to follow a socially alarming tendency in a time of economic aberration, the Maclean's writer was told, actually it was following its own native method, invented by the first comers—the method of experiment, long chances and subtle self confidence.

In all Canada, he continues, there is no town so pleasantly sceptical as Macleod. We calmly heard about everything, so modestly aware of its own perfection, so optimistic and so naive—the self-satisfaction Narcissus of the nation.

Yet this is a friendly town, says Hutchison, inhabited by a great-hearted folk. If they are the darlings of destiny, they may prove worthy of it. May be the most to support not less honest the biggest community on the prairie.

This year will see the biggest ever sales drive on the tough, highest price leisure market, says The Philadel Post. One symptom: industry for Leisure, is the theme of do it yourself goods.

BY MRS. M. C. B.

Friday afternoon the Hussar Ladies Club met in the basement of the Lutheran Church with 11 members and visitors present, including the president Mrs. C. Hoffmann, secretary Mrs. H. Hoffmann and treasurer Mrs. O. D. Christensen.

The 40th annual of the Hussar Ladies Club was given by Mrs. Hoffmann. The article, "Walking With God" was read by Mrs. Hoffmann and a song by the quartette. Mrs. Hoffmann, Olsen, Reinhold and Hoffmann. During the business session which followed, \$25.00 was donated to Mission: \$10.00 to the Wayne Home, in memory of Mrs. Katherine Hoffmann, wife of Rev. E. Hoffmann, who was buried in the Lutheran cemetery. This day, it was decided to collect good clothing and all who desire to participate in this drive, are requested to bring their parcels to the church for shipment before June 1st, 1966. Rev. Olsen put before the meeting his plans for the Bible Class which he is organizing.

The Hussar Ladies Club met on May 17 at 2 p.m. All are invited to see the Hussar Ladies Club. The Hussar Ladies Club met on May 17 at 2 p.m. All are invited to see the Hussar Ladies Club. The Hussar Ladies Club met on May 17 at 2 p.m. All are invited to see the Hussar Ladies Club.

Fertilize at...

ROOT LEVEL

Anhydrous Ammonia

82% NITROGEN

Anhydrous ammonia is applied four to eight inches below the surface. It diffuses through the soil as to make best use of available moisture. A healthy deep root system is encouraged. The plant easily assimilates the needed nitrogen. And fertilization is kept below the germination level of weed seed.

Anhydrous ammonia is quickly and easily loaded and applied with tractor-operated equipment. It contains more nitrogen per dollar than any other fertilizer. Nitrogen brings greater yields and higher protein content when used as part of a balanced fertility program. Get the full facts on anhydrous ammonia.

At the May meeting of the Husar Home and School Association plans were made for serving lunch at the graduation dance May 26. Members feel that every effort should be made to continue the teaching of Grades 10, 11 and 12 in Husar and a letter is to be sent to the Divisional Board urging them to give this matter their attention.

In planning for this fall, five names were suggested as possible members of a local school board, representing various schools in the Husar district. These were: Mr. A. Baxter, J. Stewart, R. Law, D. M. Epp and S. Jensen. These persons were to endeavor to find out the wishes of their district in regard to forming the local school board.

The Home and School will contribute towards sending a student to the United Nations Summer School at Danff. Announcement was made

that the pre-school Clinic will be held the third Thursday of each month, starting May 17 from 2 to 3:30 p.m. at the school. Miss O. Miller of Wayne will practice teaching in Hussar for the next six weeks.

The first game of the Dead Horse Lake Pony League, an exhibition game, was played in Hussar May 6, between Cluny and Hussar, with Hussar victorious. This league is composed of youth 12, 14 and 15 years of age. Mr. E. D. Medford

EXPANSION PROGRAMME LARGEST IN THE INDUSTRY

Its matchless combination of qualities — lightness, durability, strength, appearance — has made aluminum second only to steel in world markets. New uses — for both civilian and defense purposes — keep increasing the relentless demand. The world demand for aluminum is presently in excess of supply and the immediate prospect is that, like other basic materials, aluminum will be a scarce metal during the months ahead. Despite continuing expansion of producing facilities, as shown in the chart above,

the fact is that the demands go up at a rate faster than new production can be pushed to completion at Isle Maligne in Quebec and Kitimat in British Columbia.

Steady increase in productive capacity has been accompanied by a corresponding increase in employment and payroll. Today in Canada there are 20,500 Alcan employees.

The payroll at the rate of \$70,000,000 a year contributes to all phases of Canada's standard of living.

Plenty Of Time For Your Garden

One shouldn't fret even if the calendar is getting on and the garden isn't. In all parts of Canada there is still plenty of time for the garden. In many parts of this country, as a matter of fact, it is an early season in which where much planting is possible before early May. It is not too late to get your garden started. Both seed and air should start to really warm up before it is safe to risk most seeds. All vegetable seeds. There are a few things like the first lettuce and radishes, and some peas and a few onions which one can plant just about as soon as the last snow leaves. But the bulk of the vegetable planting, things like carrots, beets, beans, potatoes, cabbage and so on are not safe until danger from frost is about over. And tender things like melons, tomatoes, cucumbers, and corn should not be planted or set outside until all danger of frost is over. The same holds true to the flower lines too. The hardy things like the tulips and daffodils are not too late to plant. And the sweet peas, cosmos, marigolds, and a few others which are listed as hardy in the seed catalogues.

SUPPRESSION OUT

Farmers of the municipalities of Mountain View and Kinsmen have rejected a project to introduce a ball suppression system at an estimated cost of \$100,000. There are 2,483 taxpayers in the two areas and this would cost each taxpayer less than 40¢ annually in taxes. One of the reasons the vote failed is that many farmers in the area believe it was unfair for their money alone to be spent on the project.

Middle East Tension Now A Powder Keg

Danger of war in Middle East is real. Important thing for Canadians is to make sure that muddling of Govt. at Ottawa concerning arms shipments to Syria doesn't add to tensions that at present make the Middle East a powder keg.

First point to remember is that Syria is not a first time since it's abortive attempt in 1918 to get out from under British rule. News From Gleichen

of first prize being Mrs. R. Brown and the consolation prize won by Mrs. A. McLeay was very pleasantly surprised on Monday evening when several neighbors and friends met at the home of Mrs. W. Pettit with Mrs. J. Ostrom as co-hostess. The occasion for the party being Mrs. McLeay's recent birthday. During the evening three tables of cards were played. The winners

Mrs. Tomlinson in Cluny. After the usual business was dealt with, a committee was appointed to look into the cost of buying and laying inside linoleum for the church floor. The members decided to purchase a vacuum cleaner for use in cleaning the church in Gleichen.

A tasty lunch was served by the hostesses at the close of the meeting. Host and Mrs. Ted Vandell of Sask. accompanied by the person, mother and sister Miss Ruby Vandell of Cranston, visited several friends in Gleichen on Sunday. It is reported that Ted expects to be transferred to Winnipeg in the very near future. At present he and his bride are on their honeymoon.

We are very pleased to report that Mr. Geo. Hunter recovered from his illness enough to leave the hospital in Saskatoon Monday. His two daughters, Mrs. Ann Rouch, of Calgary and Mrs. Ivy Fraser of Standard, escorted him and brought him back to Gleichen. Later that day Mr. Hunter accompanied the couple to his home in the city, where he will visit for a few weeks. All his friends here, hope he will continue to improve in strength, and be able to return home soon.

Several of the residents of the town and district attended the horse show in Calgary on Saturday, and all enjoyed it and thought it was very good.

Stricken with a heart attack Sunday evening, Constable Donald died at his home at Crowfoot Creek at the age of 59 years. He had been in poor health for some time and lately talked of selling his stock and retiring.

Born in Chippewa, Wis., he came to Gleichen with his parents in 1901. He took up land northeast of town, on Crowfoot Creek and started ranching and farming which occupation he followed until he died in the early days he helped to promote and put over the big stampede in Gleichen, which proved to be great success.

His surviving are: one daughter, Mrs. Odell McMillan, Gleichen; two sons, Mr. W. Edmonstone, and Josephine of Gleichen; one sister, Mrs. Maud Burroughs, living in the State of California; five brothers, Leo and George of Gleichen; Tom of Vancouver, B.C.; Davidson and John of California; and nine grand children.

The funeral took place Wednesday May 9 from the St. Victor's Church with Fr. Violini officiating. Interment was made in the Catholic cemetery.

Honorary pallbearers were: J. Corbett, R. C. Clifford, Geo. Yule, A. E. Wilson, R. B. Hayes, O. House and W. Cook.

Active pallbearers were: A. Woods, A. Maynard, B. Brown, Leo Woods, Glen Yule and C. Brown.

Preparation for Gleichen's day of Sports on Monday, May 21, is going ahead rapidly. Ken McPhee who is the publicity agent and who is also looking after the horse racing part of the program has arranged for Commodore Allen of Victoria to be the announcer and says Commodore is an attraction in himself.

There will be seven horse races and the total purse for the races will amount to \$444.

Don Haines is looking after the baseball part of the program and has arranged for two games to be played during the day. The teams lined up are Standard, Brooks and Gleichen. The sports will start at 1 p.m. sharp.

A report reached here last week that Luke, who was the local lambs, man and tailor, died in Vancouver on April 14. He left here on April 17 to go to the coast city for medical treatment. Luke had lived in Gleichen for some fifteen or twenty years.

Mr. J. Cochran, father of Mrs. R. Hunter has been quite ill recently, but is now recovering and is able to be up and around again. We hope that with the warm weather he will continue to improve, so he is able to get out on the porch nearly every day now.

Sunday morning fire destroyed Glen Yule's hen house at his farm. Some 150 chickens were lost in the fire. Tough luck.

Miss Gloria Mathew was down from Calgary for the weekend with her parents.

Mr. Olsen reports a very interesting time in Edmonton where he attended his consultation on the Home and School Association on Wednesday.

Miss Hilda (Hildagard) and her husband, the weekend of the Hussar, were down from Calgary, also Mr. Bradley Goodman from Clarendon.

Mr. and Mrs. Jim Dundas, and Mr. and Mrs. Eastman Dundas spent Mother's Day with their mother.

Mr. and Mrs. Nic Bohm motored over from Drumheller Sunday to be with her mother Mrs. Brown.

The meeting of the Hussar Lions Club, held on the 8th was attended by Messrs Dick Ferguson and Dick DeLaford, from the Hussar's Commission's office in Edmonton, and some consideration was given to the formation of a local fire brigade and they promised to forward the Lions proper bylaws and instructions so that they may go on with this project. The Lions also decided to sponsor a candidate for the United Nations School at Hart and to make a nomination for the district agriculture scholarship.

They also decided to assist in the building of the cement sidewalks in the village by having a work day where the materials have arrived, and helping with the labor.

At the recent meeting of the council of the Village of Hussar, the mill rate for 1966 taxes was set at 38 mills, an increase of two mills over 1965. There were two reasons for this increase; the assessment for 1966 was a bit lower than the former one, being \$1,000,000, and \$222,000, and decided to increase in the requirement for the school, that being \$4,422,000. The rates are set, general 18 mills, school 18 mills, hospital 2 mills, making 38 mills rate. The business assessment was lowered some, and is now \$45,000, but the business tax rate remains at 16 mills. It was decided to make the building of cement sidewalks one of the projects of the year, beginning with Block 4 on the main avenue. The other chief project is the installing of a sewer drainage system. It was also decided to see that the stop signs in Hussar be observed with the safety of all concerned.

Ten days ago the grain stood straight and promising in the fields. Then the temperature dropped... and the crop bowed to its greatest enemy—frost.

Ten days—your earlier harvest bonus from fertilizer—would have made the difference between profit and loss from frost-killed grain. Elephant Brand high analysis fertilizers, rich in nitrogen and phosphorous plant food and "tailor-made" for the Canadian Prairies, brings grain crops to maturity faster... a harvest up to ten days earlier.

Nightingale Notes

by Mrs. D. D.

Mrs. Charles Kimmitt was hostess to the W. I. on Wednesday May 16 when 16 members and nine visitors met at her home. Mrs. Mary Harriman had been invited to attend this meeting instead of the tea and sale on May 12, so she was presented with her souvenir spoon at lunch time.

All the short business meeting arrangements were completed for the tea and sale next Wednesday afternoon at the hall.

Mrs. Curt Blomker donated a birthday raffle which was won by Mrs. Roger Kinney.

Following the business meeting the time was devoted to International Day, Miss May. Prizes of Rockford showed the pictures on Japan that she had taken while there. She also displayed a number of articles she had brought back from Japan. She was assisted by Mrs. Stan Pray and Mrs. Carl Gersner. Mrs. Leo Kinney very kindly arranged about getting the projector. We are grateful to Miss Pray for her kindness in giving the lecture and showing the pictures.

Mrs. Charles Kimmitt served a lovely lunch to the members and visitors.

The next meeting will be on June 6 at the hall. Hostess will be Mrs. Don Douglas, roll call My Fair-

ette Radio Program. Mrs. Norma Jost will be present to lecture on Handicrafts.

Mrs. Howard Christensen and Mrs. Wallace Miller were visitors at Institute with their mother, Mrs. Harriman.

Mrs. Edna Jost and Mr. Mary Lonsbury were out at Jost's farm Wednesday. They had dinner with Mr. and Mrs. Albert Kimmitt and then Mr. Lonsbury spent the afternoon with Mr. Charles Kimmitt while Mrs. Jost attended the W. I. meeting.

Charles Carlson is in hospital to have a splinter of steel removed from his leg.

Mr. Harry Trollope returned home Sunday from the Holy Cross Hospital.

Reg Trollope did not return last week to the University. He stayed home to put in the crop while his father was in hospital. He has finished with the University spring term but was called by the faculty this weekend to do some work in the mountains for them. He will later teach at Summer School in Edmonton.

Mrs. Puk is spending a few days with her daughter Mrs. Mary Mercer. Sid Watson is driving a new Monarch car.

Laura Jackson tumbled down the basement steps at Charles Kimmitt's home but, apart from a few scratches, did not seem to be hurt.

Mrs. Edna Jost, Mr. and Mrs. Trol-

Jost and Mr. and Mrs. Doug Larson spent the weekend at the home of Ted Jost in putting in the crop for the week.

We are sorry to hear that Herb Barker had to go back to hospital again.

Mr. and Mrs. Carl Price of Dalmatians and Mr. and Mrs. Carl Price of Rockford visited their parents, Mr. and Mrs. Leo Kinney on Wednesday.

News From Standard

by C. M. M.

The United Ladies Aid meeting was held at the home of Mrs. Ray Davidson last Wednesday. Final plans for the Apron and Plant sale were discussed. Election of officers was also held, with Mrs. Ray Davidson, president; 1st vice-president, and secretary, Mrs. Annie Reiffenstede; 2nd vice-pres., Mrs. Esther Madson.

The Strathmore and Standard High Schools baseball teams matched their strength in a game last Wednesday. The score was 5-0, showing that the teams are quite close in ability. Battery for Standard was John Draz and George Pedersen.

Following the high school game the Pony League teams from Rockford and Standard displayed their abilities. Final score was 5-0 for Standard.

Standard members of the OEN who attended the OEN Birthdays in Hussar were Mrs. Ada Fletcher, Mr. and Mrs. C. V. Madson and Mrs. Cecilia Madson.

Work on the new school is progressing favourably. The outside is completed with only the finishing touches needed inside.

Tuesday evening the Home and School Association held its meeting in the school. Attraction of the evening was a report given by Mrs. Margaret Larson on the HRA convention which she attended in Edmonton the week previous.

Many Standardites attended the annual sports day in Glenora on May 21. Standard played Glenora in the first ball game, coming from behind a score of 2-0 to win the game 4-1. Winning pitcher was C. Pedersen, with George Pedersen catching. Brooks drew a bye, and played Standard in the final game. Despite the snappy warmup Brooks showed, Standard trounced them by a score of 12-4. Pitcher was Norman Christensen with George Pedersen as main catcher.

Mr. Victor Cabel and Darzyl Hansen spent the long weekend in Delburn with Victor's mother.

Among the weekend visitors to the district were Mr. Norman Sanderson, Mr. Stanley Castella, Miss Edith Castella, Miss Bernice Sanderson, Mr. Pat McCarrell, Miss Betty Jensen and Mr. Ronald Christensen.

Mr. and Mrs. Wayne Lowther spent the holiday weekend visiting in Lacombe. Mrs. Lowther plans to stay for a week.

Mrs. Stan Hudson has spent some time in bed with virus pneumonia. Friends report that she is recovering.

The Camrose Lutheran College Choir presented a concert in the Lutheran Church on Sunday afternoon. A social hour followed in the Church parlors.

The Christand family and Kenneth and Gary Larson attended the Sportsman Show in Calgary last Friday night.

Friends and relatives called on Glenn Madson Monday, to help celebrate his birthday.

Allen Wraga entertained many of his school friends Friday to help him celebrate his birthday.

Underwater Drilling Tests Going Ahead

Offshore drilling for natural gas will reach a new peak in Ontario this summer in the waters of Lake Erie, Lake St. Clair and Lake Huron. At least 10 wells will be drilled in the biggest underwater search program ever undertaken in this country.

In a wave of interest, some dozen new companies have taken up 150,000 acres in exploratory leases since the first of this year. All told, exploration permits covering 480,000 acres in the three lakes have now been taken out with the Oil Department of Mines.

Spring Cleanup

The spring runoff will soon be over and burning piles of brush will dot the outlying areas of the province as more acres are cleared. The huge mounds of tree limbs, shrubs, stumps and rubbish must be reduced to a pile of ash before the land can be plowed and seeded.

Simple rules and regulations have been established to help protect the settler, his neighbor and the forest. But every year these laws

are broken and fires which sweep through Alberta's forest reserves, consume annually nearly \$1,000,000 worth of timber. Campers bend the law of those persons causing fires by campfires, who start one out of every five fires, start those that usually occur in populated areas and consequently the results can be devastating.

Simple rules and regulations have been established to help protect the settler, his neighbor and the forest. But every year these laws

Livestock Census

A count of all livestock in Canada, both on and off farms, will

be made in the 1936 Agricultural Census, to be taken in June.

Farmers will be asked how many horses of all kinds they have. Questions on cattle will cover cows two years and over and one to two years, kept for milk and for beef purposes; steers one year and over; calves under one year; and bulls one year and over. There will be two questions for hogs — the number over and the number under six months old. For sheep, there will

be two categories — ewes, rams and wethers one year old and over and lambs under one year.

In addition to livestock numbers, farmers will be asked the quantity of butter made on the farm in May this year and the production and sale of milk and eggs.

The Indian Home and School Association held its monthly meeting last Thursday evening. Plans were made for the annual school picnic.

A GENERAL MOTORS VALUE

Young Man with a Plan

One of these days, Fred's going to take over the farm. Meanwhile, he's planning, studying and working hard... learning right on the job.

Already he's learned a lot about modern farm management, and how a chartered bank can play its part in making farm living more comfortable, more profitable. He has found, for example, how useful the bank can be as a place to build up savings, to obtain credit, to seek financial advice and market information. He knows that the bank manager's door is open to everyone.

When you get a good-looking, well-run farm, chances are the farmer uses the services the chartered banks have built up for all Canadians.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

Step out of the ordinary... And out for yourself what wonderful things Oldsmobile can bring to you

Now... masters of their field... the Oldsmobile "88" and Super "88" sweep on the scene... presenting daring, dazzling masterpieces... brilliantly new from every point of view.

Oldsmobile weaves power and appearance to produce a new breath-taking kind of action and elegance... power personalities in sparkling Starfire styling.

You'll enjoy new comfort and luxury all around you... and matchless response underfoot. And such a delicate, gentle touch keeps this big, powerful beauty under easy control. In every superb detail, here is distinction in any company.

Don't wait to step up to the sheer joy of owning an Olds... call your dealer today... or tomorrow at the latest. He'll be happy to tell you all about the truly magnificent "88" and Super "88" for 1936.

On date commemorated many times... the past five years that Strathmore has been a member of the Strathmore Standard Association... and remaining open all day Wednesday... Majority of firms are in favor but a few undecided threaten to struggle the proposal if a board of trade was in operation it would surely be a matter of having a meeting and bringing the matter to a vote.

We believe Wednesday is nearly a wasted day at present as far as the members have concerned. Most businesses are closed... the day is being wasted... the day is being wasted... the day is being wasted...

Issues Warning

The greatest danger to Canada's future prosperity is the increasing volume of imports from low labor cost countries and huge volume of imports from the United States...

Rockyford News

Paul Crough, Correspondent
The Rockyford Home at School Association held its final meeting of the current year May 11 and in spite of the spring rush there was a good turnout of parents.

President, Mrs. B. Bussan handled the meeting. The treasurer's report was given by Mrs. Kramer...

Reports on the provincial convention were given by Mrs. Kramer and Mrs. Christensen. Both reports contained ideas and information of interest which will be of use to the future.

After some discussion it was decided to send a circular letter to the various committees of the school plan one hundred per cent support will be necessary for successful operation of the plan, which if approved, should be beneficial to all students.

Mr. H. B. Bussan installed the new executive, consisting of: President, Mrs. H. B. Bussan; 1st vice-president, Mr. H. B. Bussan; 2nd vice-president, Mrs. H. B. Bussan; and secretary, Mrs. H. B. Bussan.

Boom Continues

There is no foreseeable end to Canada's current mining boom. Only one fifth of Canada's one million square miles of favorable mineral prospecting ground has so far been closely investigated.

In addition, geologists believe that at least half of our 800,000 square miles of potential oil-bearing land remains unexplored.

We are still using only a quarter of our hydro electric power. And government experts estimate our potential of nuclear power is 55 times greater than the country's total hydro resources.

Summerfallowing Cost Report

The 1935 average cost per acre to summer-fallow on farms in Southern Alberta was \$7.55 which is about one-third of the cost per acre of practicing wheat on fallow.

For the five stations in the eastern part (brown soil zone) the average cost per acre to fallow was \$5.42, while \$6.67 was the average cost per acre for the five stations in the western part (dark brown and shallow black soil zone).

In Southern Alberta fallow costs generally follow the precipitation pattern, increasing from east to west. In the higher rainfall areas, great growth is greater, therefore, more cultivation are required than in the lower rainfall areas.

Higher production in the west, land is more expensive and investment charges are therefore, higher than in the eastern part where land is not as expensive.

Well water also influences the cost. Heavy clay soils usually are more costly to fallow than the lighter, sandy soils.

Summer-fallow costs are in the main higher on the smaller farms than on the larger ones.

The roll call, A Child's Story was well answered.

All were seated at an attractively arranged tables with a bouquet of roses and lighted candles. A lovely lunch was served by the ladies in charge. All are looking forward to another gathering next year.

The next meeting will be at the home of Mrs. E. Haggerty in Calgary June 4.

Rev. Anderson's held Hospital service. Mothers' Day at the United Church. The children were of the high school of the evening. Mrs. and Mrs. Roy Whitway of Stasatoon visited the Moe and Dr. Dams one afternoon last week.

Nightingale notes

BY MRS. D. D.

The W. I. men and boys held in the hall Wednesday May 23 drew a fairly good crowd to take part in the game of rummy, aprons rummage and parcel post. After several games of bizzo a very nice tea was enjoyed by members and visitors.

Mr. and Mrs. Ted Jost and Mr. and Mrs. Doug Laycock spent the weekend with Mrs. Edna Jost.

Mr. and Mrs. Donald Johnston and Mrs. Herb Burke went to Calgary Friday and brought Herb back from the hospital. We are glad to hear he is feeling much better.

Mr. and Mrs. Jack Stoodley of Hardisty and their children spent the weekend with Mrs. E. M. Stoodley and Ted, returning home Monday.

Mr. and Mrs. Charles Kimmitt spent Mother's day at Standard.

Mr. and Mrs. Harold Johnston visited at Carbon on Mother's Day.

Mr. and Mrs. Bill Koch of Calgary were Sunday visitors of Mr. and Mrs. Howard Christensen.

Mr. and Mrs. Roger Kinney are very busy planting trees around their home.

Mr. and Mrs. Thor Larsen were Mother's Day guests at the Calgary home of Mr. and Mrs. Bob Way.

Mr. and Mrs. Harry Trollope visited Mrs. Anna Larsen on Tuesday afternoon.

Mr. and Mrs. Maurice Downie of Carleton Place visited Mrs. Anna's parents, Mr. and Mrs. C. Bismarck, on Mother's Day.

Mrs. Curt Stonaker was a visitor recently at the home of her daughter, Mrs. Georgina of Kinloch.

Mr. and Mrs. O. Gale of Calgary are Sunday visitors of Mr. and Mrs. Coleman Morgan.

The Kinney family were visitors at Drumheller on Sunday.

Mr. and Mrs. Marie Geert of Rockyford have been visiting their grandparents, Mr. and Mrs. L. H. Haggerty.

Mrs. Lou Kinney for awhile.

Mr. and Mrs. Harley Harriman and children of Pinhook and Mrs. Mary Harriman of Calgary were weekend visitors of Mr. and Mrs. Norman Harriman.

Bill Kimmitt is in hospital in Edmonton. We hope his health soon returns to normal.

Mrs. Bill Kimmitt is staying with her parents in High River. Her children are with her.

Byrne and Harvey Douglas have joined a dancing class in Rockyford. There are around 50 students in the class and all enjoy it very much. Helen Carlson is another member of it.

I have never got over my surprise that I should have been born into the most estimable place in all the world, and in the very rich of time too. —Thoreau.

Ten Students Will Graduate Friday At Annual Strathmore School Prom

Ten students of the Samuel Crowther School will mark a milestone in their lives this Friday evening when they attend the annual High School Prom and graduating exercises.

Students embarking into the business world or pursuing further education will be the guests of honor at the annual Home and School Association in the Home Economics room. Mr. and Mrs. M. Holman, Rev. and Mrs. Philip Penman, and Mr. and Mrs. Hubert Damm will be honored guests. School Principal W. A. MacVean will act as master of ceremonies.

A musical program has been arranged and includes a solo by Nedra Tompkins, a piano solo by Peggy Gray, a musical trio by Pat Allen, Glen Oliver and Phil Dussan as well as a violin solo by the latter.

Following the banquet the Prom will be held in the new auditorium.

Monday Closing Temporarily Off

Strathmore stores will not be closed Mondays as advertised in The Standard last week.

Five stores inserted a paid advertisement in last week's paper that they were closing Mondays during June, July and August, effective June 4. Three all five stores turned over and remained open.

Writers in question still want to close on Mondays but the reason the ruling was switched was for the local merchants to get an idea how the public felt about the situation. July is now the goal set by merchants to resume closing Monday and remains open all day Wednesday.

Cheadle Notes

BY MRS. E. A. BARLOW
 Mr. E. A. Barlow has taken over the A. P. Elevator left vacant when Mr. Ken Sells went to Bonaville. Friends from Carlsbad and Strathmore joined the ladies of Cheadle in giving a surprise to Miss Fred Rhodes last Wednesday. A contest of guessing household commodities by looks and smell was won by Mrs. J. H. Hatt. The bride-elect was seated under a canopy of pink and white streamers and bells and was assisted by her mother and the groom's mother in opening the gifts which were presented in a baby basket, brought in by Mrs. J. Park and Mrs. E. L. Lewis. The guest of honor thanked all the ladies present for the lovely gifts and invited them to call and see her in her new home in Great Falls. A beautiful lunch closed the afternoon.

Little Donna Barlow has come to her little friends and their mothers here to celebrate her fifth birthday last week.

Miss Edith McCarron from Prince Edward Island is visiting her uncle Mr. A. Drake.

"Birds of a Feather" Also Fly Together

of the school. The premises have been beautifully decorated by the Grade IX class. Guest sponsor at the prom ceremony will be Mr. Holman, superintendent of the Wheatland Division.

Strathmore Drops Two To Brooks

Last Sunday's trip to Brooks was fruitless for the Strathmore entry in the Bow Valley Baseball League as the club dropped both games.

Brooks won the first contest 6-0 and waited to an easy 11-3 triumph in the second encounter.

The 6-0 loss was discouraging for pitcher Gordon Crellin. Gordon came through with a neat 5-0 display but his stirring efforts failed to give Strathmore a win. Three hitless errors in the sixth inning paved the way for the Brooks win.

Despite this Strathmore had a chance to clinch the verdict in the top of the sixth when it had two men on and none out. First two batters up struck out and the third grounded out to halt the rally.

Each of hitting overruns was Strathmore's downfall in the second contest with Jay Wick and Irving Korak sharing duties.

This weekend Strathmore travels to Shepard while Ogden is at Carlsbad and Glen Valley Baseball.

FATHER AND SON DINNER IS HELD

Annual Father and son banquet of Strathmore Cubs and Scouts was a major success Tuesday evening in the Memorial Hall with more than 100 dads and sons gathered. J. O. McDougall, chairman of the group committee, acted as master of ceremonies.

New Cubmasters, Dave Stock and Dick Caldwell were welcomed as new members of the group. Doug Simmonds and Frankie Flynn, retiring Cubmaster, Rev. Penman, Penman was presented with a valise by Doug Slater while Harrison Gray presented retiring Scoutmaster Ed. Vermont with a wallet.

Mrs. E. L. Gray presented former Strathmore boys Wm. Tew with a plate in recognition of the many years of work he did for the committee and as lunch convener.

Entertainment was in the form of a skit shown by Mrs. Archie Klueber and a vaudeville act by Hugh Campbell of Calgary. The boys will stage their annual picnic next June 15 and 16. A door canvaas will be made and a stand will also set up on main street.

FOURTY HOUSE BAPTIST HERE THIS SUNDAY

The forty hours devotional will begin at Sacred Heart Church in Strathmore June 15 and 16. A door canvaas will be made and a stand will also set up on main street.

Identical twins and handmen Flying Officers Bernard, at left, and Gerald Grove of Westworth, N.E., and a triplet to the right, are shown in a photograph. In this case, they fly together, wearing the RCAF's No. 3 Fighting Wing at Groestown, France, where they have just received their "Mach Masters" diplomas for exceeding the speed of sound in a Canadian-built Sabre jet. Mach (pronounced Mack) is a mathematical designation for the speed of sound, which varies at different altitudes.

Caught In The News Net

Mrs. Ed. Vermont of Calgary was looked at a farewell party last Friday evening at the home of Mrs. A. A. Penman. Her friends presented her with a TV lamp.

Mrs. Frank Busant and children spent a few days in Halmby with the latter's parents last week.

Mr. and Mrs. Ken Noble and children were at the home of Mr. and Mrs. Roy Noble.

Mrs. J. Mackay has returned from Edmonton where she attended the wedding of a nephew.

Mr. Elmer Simmonds of Duchen, visited at the home of Mr. and Mrs. Crory Sunday evening. Mr. Richardson and Mr. Crory were childhood friends.

We are sorry to learn Mr. B. H. Garrett is ill in the hospital.

Mrs. Grace Hay of Calgary was a visitor at the home of her parents Mr. and Mrs. Wm. Hinton for a few days last week, recovering after undergoing an operation. Mrs. Hinton also enjoyed looking after her grandson.

Mrs. and Mrs. Corry Lawrence were new visitors in the new house in town on 6th St. and 8th Ave. Mrs. John Cuffin, Mrs. Jack Clark, Mrs. Larry Hunter, Mrs. Les Lawson and Mrs. Francis Flynn were tea guests at the home of Mrs. Wm. Hinton Monday.

Mr. and Mrs. Norman Reber held open house at their home Sunday in honor of Carol, who will be married later this month. A jelly lunch was held by young men and Carol received many good wishes in her future marriage.

Mr. Mark Lounsbury left last week and crashed a vertebrae in his back. He was rushed into Calgary where he is undergoing treatment.

Mr. and Mrs. Fred Brocklebank were weekend visitors at Sylvan Lake.

Tom Watson's young daughter suffered a broken leg last week. A community shower for Ann Campbell will be held in the Parish Hall, Strathmore, June 23 at 8 p.m. Everyone welcome.

Several members from Strathmore and Carlsbad and their families attended the annual ATA picnic at Bonanza June 1.

Mrs. J. A. Trench has taken up residence in Calgary.

Mr. and Mrs. Elvira Laycraft are enjoying the birth of a baby son.

Mrs. John Connolly of Cranbrook, B. C. Mrs. Alice Polley of Edmonton and Andrew Garrett of Winnipeg came home to visit their father, Mr. B. H. Garrett who is ill.

CAROL SCHERER HONORED

Approximately 135 friends called at the farm home of Mr. and Mrs. N. Scherer, on Sunday afternoon June 4 when they celebrated an open house to celebrate in compliment to their daughter Carol Anne, whose wedding will take place June 16 to the Strathmore United Church.

During the afternoon Mrs. Lella Peterson and Mrs. Gladys Morrison presided at the tea and coffee service. Servitors were Mesdames Tina Peterson, Leslie Slater, Mildred Giesler, Kelly Korak, Marguerite Scherer, Mary Thompson and Miss Shirley Volman.

Town Council

The Strathmore Town Council plans to lighten up on fire and parking regulations. It was indicated after the regular monthly meeting in the New Town Hall Wednesday evening.

Signs have been purchased from Percuss Supply and will be erected in the near future. Council hopes to eliminate some of the sloppy habits through the new signs. The provincial fire inspector visited the town recently and made a tour with Fire Chief Jim Swanson. He plans to draw up a bylaw and recommend it be enforced. The matter will be studied by councillor Larry Hunter, in charge of fire and light.

Mayor Duster Rhodes was in the chair with councillors Len Larson, W. A. McNeill, Bud Thompson, A. Klueber and M. Holman present.

Sidewalk tender for the hayrack about 1,600 lineal feet of concrete, was granted to B. Baker for a price of 32 cents per square foot. Only a tender received was from Gordon Nelson and Ed. Wagner for 27 cents a foot. Three tenders will be laid this year. One will be on the South side of first St. between 1st and 2nd Ave. and another will be on the south side of 10th St. between 1st and 2nd Ave. The value of the third block has not been decided.

Sacred Heart Church applied to build its own sidewalk with volunteer labor and the town providing the material. This was granted.

A request from two parages for a new water and sewer line was considered and rejected. Five more water and sewer service have been booked up this year committee McNeill reported.

Financial statement for the end of May indicated a balance of \$1,152.34.

The second deadline is July 31.

Strathmore W. A.

The Evening Group of the Strathmore United Church W. A. met June 6 with 10 members and two visitors present.

Mrs. Bud Newton read the devotion. The minutes and treasurer's report were read and adopted.

Each member was given a list of the food they were to bring to the wedding reception, June 16.

A flower show and tea was planned for Sept. 1.

The meeting adjourned with everyone expressing the misap.

A dainty lunch concluded the evening.

No man has a right to do as he pleases, except when he pleases to do right.

Things look bright to Murray Dwan

As a professional photographer, Murray Dwan is glad he can capture on all the modern advances in his chosen field.

"Today's demand for more and better photography - especially in color - keeps us on our toes," says Mr. Dwan. "But we're well equipped to meet it, thanks to recent developments like electronic flash, faster films and more versatile cameras."

As a family man, Mr. Dwan also benefits by the progress which has been made in another field - life insurance. Policies today are more flexible than ever before. As a result, each family can now have a security plan that fits its own special needs more effectively - and can prepare for future changes in those needs.

Modern times have also brought the advantages of group insurance protection on a greatly broadened scale. Moreover, many restrictions on obtaining life insurance have been removed. And, life underwriters are better trained, better able to help people find the best use of their life insurance dollars.

In these and other ways, the life insurance companies in Canada are *step by step* - bringing benefits to people in all walks of life.

Writer Finds Perfect Place to Live Is Merely What You Make Of Where You Are

Where is the best place to live? Toronto, an Ontario farm, Florida, New Mexico, California, Detroit? Thomas Allen made an extensive search, which he reports in Read's Digest.

Allen had a steady job in advertising, a nice home, two daughters aged five and two, a circle of friends, good health. Everything was fine. Deciding, however, to be a freelance writer, he quit his job, sold his house, and one day rolled out of his Toronto driveway, the overlanded way headed to the home light.

They went first to Florida, found it almost perfect except for the price, the hard fire and the summer heat. Their next stop-off was a little desert town a hundred miles from the Mexican border, which looked like earthman's first base of operations on the moon. They stayed there until the temperature went to 117 in the shade. Then they returned to Toronto, where Allen got his old job back.

However, the travel bug had bitten Allen badly. When he had a sufficient backlog of freelance writing assignments, he quit his job again. This time they moved to a remote farm near Blinville, Ont. From within the sound of mallets with machine and traffic lights, the author says he never really accustomed himself to the country. Once more he set off with his family - this time direct to California.

At least on a mountainside overlooking the Pacific, less than one hour's drive from downtown Los Angeles, they found the Perfect Place to Live. At least Mr. Allen thought so.

For painted woodwork, if it is in good condition, wash with a mild soap and water if the surface is greasy add a few drops of ammonia. Wipe woodwork dry after washing. A light waxing is a good dressing to put over the cleaning.

Mr. and Mrs. Tannen and Mrs. Jacobson of Enoch, were welcomed guests at the home of Mr. and Mrs. J. Gledits. Marilyn Gledits returned home with them to end her holidays at the home of her grandmother Mrs. Jacobson.

Ed. Plant, and Jim Brown and two other boys friends returned to Denver recently. Jim Brown remains in Denver and the other boys returned home June 21 and reported a wonderful trip in spite of extreme heat during part of the time they were away. They spent three days in Denver with Jim and enjoyed it very much.

His many friends will be pleased to hear Mr. W. P. Ferguson of Calgary is home from hospital and improving in health.

Mr. and Mrs. Gordon Lloyd and family returned home from "Hastmore", N.C. They arrived Wednesday and were guests at the home of Mrs. Violet Lewis until Monday.

While here they visited several of their friends and enjoyed being back. They are moving to Tabed, where they have rented a home and expect to live for a few years. They returned there Monday but hope to return and visit some friends, they did not see while here.

Dr. McIntyre returned home Tuesday much improved in health. He will return for further treatment in a week or two.

Rev. and Mrs. Morrison returned to Coates Wednesday to visit their daughter Mrs. Violet Brown and family. They report crops down to the top are not much in advance of what they are here.

Mr. and Mrs. Baxter Inouche and

family visited at the home of Mrs. Pamela Sunday; also the latter's father Mr. George Hunter and sister Mrs. W. Purritt who is visiting in Gleichen at present.

Mr. Al Wilson had his appendix removed at the Hussar hospital Tuesday, and is making good progress.

Bishop George Calvert officiated at a christening and confirmation service at St. Andrew's Church in Gleichen June 21. Those confirmed were Mr. Allan Young, Miss Susan and Violet Young, Miss Marie Moore and Miss Lila Stott.

Rev. Philip and Mrs. Penzance had their son christened, Mr. and Mrs. T. J. Clark had their son christened, also Mr. and Mrs. L. Stott's son and Mr. and Mrs. Bala Denny's daughter.

Miss Mary Ellen Plant has been ill with the flu recently. We hope she will be feeling better soon and able to be at work again.

Mrs. Foster Ferguson and her three children of Boston arrived in Gleichen last week and are at present guests at the home of Mrs. W. P. Ferguson. They expect to spend the summer months here and will be joined by Mr. Ferguson in Sept. Mr. and Mrs. E. Ferguson returned last week from Boston after a very pleasant trip.

"The pupils of Miss Dore Gooch will hold a tap dance review July 1 at 8 p.m. in the Theatre now owned by Mr. and Mrs. Carroll, in Gleichen."

Piano Recital

A large crowd gathered in the Memorial Hall, Strathmore last Thursday evening to hear the joint piano recital presented by the pupils of Jocelyn Pritchard, Mary Mercer and Blaine Chapman, with Mr. Holman as chairman. All pupils from beginners to the more advanced, played exceptional well and variety was added by the piano duo.

The audience was delighted with the vocal selections rendered by the two Calgary artists, Mary Mercer and Blaine Chapman sang in most pleasing manner. Morning, Morning and Danny Boy, in Mr. Miller, a student of Blaine Chapman sang in rich baritone voice an Air from

Dalemead Notes

BY O. C. C.

Mr. and Mrs. Lincoln Wheeler and Lance left last week on a short trip to the States.

Mr. and Mrs. Clint Coover of California are holidaying with the Wheelers and Coover families.

Mrs. C. O. Coover accompanied Mr. and Mrs. Murray Colwell to their new home in Toronto.

Mr. and Mrs. Don Wise and Darlene were Delmead visitors last week. They are now residing over the birth of their second daughter born June 25.

The females are still confining a few children to their homes.

The school picnic was favored with good weather and everyone enjoyed themselves at St. George's Island.

The Church Services will be discontinued for the month of July. The three point service which was to have been held at the river was called off on account of rain.

The Coover family held a picnic at Russell and Mutt's home. The annual sports day is planned

for June 23 and a dance to follow at night. We cross our fingers hoping for dry weather.

Mr. and Mrs. John Hahn have had a visit from Mr. and Mrs. M. Miller on North Dakota and Mr. and Mrs. A. Spies of the same State. Mrs. Miller is Mrs. Hahn's sister and Mrs. Spies is her niece.

Langdon Notes

BY MRS. F. D.

On June 18, 23 local W. I. members gathered to celebrate in spite of the rain to attend the Constituency conference. All report an enjoyable day.

We send congratulations to the "Crazy W. I." winners of the Coupe, Langdon was a close second.

Mr. and Mrs. W. D. Hadden left last week for a visit to the U. S. We are sorry to report Mrs. Hadden is in hospital again.

Mr. A. Bedford returned home Tuesday after receiving medical treatment in Calgary.

The regular meeting of the W. I. was held Wednesday afternoon in the W. I. room which have been freshly cleaned, thanks to all the

Canadians Spend More In States

In each of the last five years Canada has been buying from the United States far more than the United States has been buying from Canada, says The Financial Post. In 1935 the unfavorable balance amounted to almost \$900 millions and while this was a third larger than in 1934, the average annual deficit for the whole period would be over \$700 millions.

Some of that gap, of course, is covered by a surplus of commodity trade with other countries but there still remains a net deficit and recently it has been increasing.

In the main, to keep our international bookkeeping balanced, we have been depending upon direct American investment in Canada and what is almost the same thing, the sale of Canadian security issues in the United States.

Advances Mooted On Stored Grain

(Chances are bright that a generally acceptable plan of cash advances on farm stored grain can be worked out by late fall, feels A. W. Platt, President of the Farmers' Union of Alberta.)

This optimistic view was expressed by Mr. Platt on his return from a meeting of western farm organizations held in Saskatoon in May under the auspices of the Western Conference of the Canadian Federation of Agriculture.

I am quite hopeful that we will be able to come up with a plan which will meet with the approval

of farmers of Western Canada and at the same time, and the federal government will be prepared to institute, declared the PUA president.

Some four different schemes were developed at the meeting as practical methods for solving the present farm cash shortage. The per cent over the 60.753 married men's additional information had to be secured on a number of points. In many Canadian cities, the brought out during discussion, it was as far possible to settle definite cashing up with the number of men on any of these schemes. This meant. As a result, a four-member farm committee was named that, Mr. Platt said, would be charged to investigate the various proposals advanced. They will later submit a report to the central committee of the Western Conference of Agriculture.

Paychecks To Wives Shows Big Boost

A total of 472,000 women were employed in jobs outside the home last year. It is reported in Liberty. This represents an increase of 700,000 from the 372,000 in 1935. (Whisper, 35,774 single, 10,660 married. But no woman can successfully manage a home family, plus a job in the business world. One or the other is neglected.)

Nonetheless, relates Mrs. Dora L. Davies, an Edmonton mother who holds two full time jobs. I'm glad I'm one of the Canadian mothers who've joined the growing army of working wives in the grey flannel suit.

My Davies claims, My husband and I are now better off than we were. I have to pay all my husband's income tax increase, plus all my own, we would still have more than \$2,000 a year to work with. O. K., so our other expenses rise. Frank's kindergarten costs us \$17 a year. My husband \$14 a year for food; \$100 extra for my clothes; and a \$100 on miscellaneous extras, such as dinner out or concert tickets. Were my husband earning \$5,000 a year himself, we would be spending the money anyway. But to get back to my income. If I pay all our combined income taxes, plus the expenses above, I still have \$1,350 plus my husband's income, on which to live.

Ray Thompson considers himself a very lucky Edmonton husband and father. In questioning the validity of Mrs. Davies' self justification, Ray says: "True, my 37-year-old wife, Edith, is a working woman. But she is working full time at a woman's most vitally satisfying job — being mother to our two children, Leslie, nine and Margot, seven."

Modern Players Softies Says Coach

Today's baseball players are softies compared to the sluggers of former years, Dr. D. B. Dyer, of the Toronto Maple Leafs, Toronto National League baseball team, claims. Players trained long and hard in those days, Dyer says in Liberty. You put on your uniform at 8 a.m., took it off at 5 p.m. At noon, we had a bottle of milk and a sandwich. Now, he complains, if players work for three hours, it's called a long day.

It's all right to your coach's hat.

While managing the Topeka team in the Western League, Dyer won over came by leading Dyer. Dyer, Dean, Ben Tinsup and Rogers Horvath. He came off that mound and knocked the batters out of me, ripping the shirt off my back. Ben Tinsup, Lester Lewis showed up at Detroit, to finish the job. But Tinsup talked him out of it and they were firm friends.

Pioneer Farmer of Chancellor District Jonathan Wheatley Dies in Hospital At 61

A successful farmer who led an active life in political and community affairs, Jonathan Morris Wheatley of Chancellor died in the Bassano hospital Sunday at the age of 61 after being ill for several weeks.

Mr. Wheatley was a leading figure in municipal, political and farming organizations in the province. He was former chairman of the Calgary Rural Municipal Hospital Board, a former councillor for many years of the Bow Valley Municipal and for many years was president of the Alberta Municipal Districts Association. He also was active in Wheat Pool circles.

He was in Scotland, Mr. Wheatley came to Canada in 1907 and lived in the Bassano and Treaty districts until 1914. During the first World War he served in the army with the 31st Battalion and settled in as a ranchman on his return. He was one of the original settlers in the area and served for 25 years on municipal councils.

In political life he was an active independent of the 1940's and was provincial Liberal candidate in 1945. He was a member of the Calgary Chamber of Commerce, the Canadian Legion, a member of the

FISHING BUG CATCHES SMALL FRY

Some 477 small fry combined fun and fishing when they converged on Palgrave, Ont., for an outing sponsored by the Bumber Conservation Authority in Toronto. Although perist were pale at the moment's technique, it proved effective, for they caught 210 trout and 330 other fish. The stream was stocked the night before with 500 speck trout. Here Andy White gives a piggy-back boost to Sally Manning, six, one of the younger anglers.

John Keir Wins Trap Shoot Crown

Pretty soon John Keir of Lysite will have to have another room built on to hold his many trap shooting trophies. Last week the young rymd youngster won the Canadian Junior trap shooting championship at Calgary with the slary score of 470 out of a possible 500.

In the past Johnny has always ranked up with the leaders and his latest feat indicates he has a bright future in trap shooting circles.

Sun Finally Shines For Successful Strathmore Lions Club Sports Day

For the first time in three years, the Strathmore Lions Club's annual sports day was run off without being postponed by rain. This year's event—the 12th—was a good show and a large crowd was on hand to take in both the baseball and the basketball tournament.

Games, pony rides and the host Strathmore provided entertainment for the kiddies and starks raked in the lake provided entertainment for young and old. Len Hill Heads Bingo Committee

Leonard Hill has agreed to supervise organization and sale of tickets for the Strathmore and District Annual third annual Bear Bingo, August 1st.

Tickets will soon be available and advertising men will be busy contacting agencies throughout the district for advance sales.

Many several persons were turned away because of lack of tickets and this year the committee has increased the ticket price.

FUA MEETING

A well attended meeting in the Memorial Hall, Strathmore, of the FUA, heard Mr. Carl Anderson, manager of the B.U. at Bragg's outline the history and progress of the Federation in the Brooks area.

In his address he humorously described the formation of the Association and the work which will not, can be made more correctly by a properly administered association than by most leaders.

The only requirement to qualify for assistance in a feeder association is to have the need and proper administration and able to satisfy the supervisor that they will carry out proper feeding practices.

Due to the fact that many did not know about the meeting earlier, a large group was present from Gleichen. The latter intended to form their own association.

A committee was chosen comprising of V. Hanson, J. Colpoy, Farmer Nupps, Thor Larsen, Ed. Hildon and Ken Walker. Any interested members of these men or at a meeting on the 17th of July in Mrs. Walker's office.

Young Baseballers Get Public Boost

Strathmore's Babe Ruth baseball team received a good boost last week when a canvas was made to help the team purchase equipment. Nearly \$150 was received. The team plays in a league with Crossfield, Glenora and Hinton and Sunday Strathmore will be scheduled to play Crossfield.

The club is coached by Grant. Due to the fact that many did not know about the meeting earlier, a large group was present from Gleichen. The latter intended to form their own association.

A committee was chosen comprising of V. Hanson, J. Colpoy, Farmer Nupps, Thor Larsen, Ed. Hildon and Ken Walker. Any interested members of these men or at a meeting on the 17th of July in Mrs. Walker's office.

It is an encouraging boost that the young players of the team have funds so they may enjoy a sport with the proper equipment.

Dalemead Notes

Mr. and Mrs. Richard Adams of Minnith, Wm. (now Glen) Pines are guests at her parents home.

The Stewart annual reunion of family and friends was held at the Rod Rodolphs home Sunday. About 50 people enjoyed the occasion and a barbecue.

Mr. Donald Gray of Calgary has been visiting the Jim McKinnon family for the past two weeks. Mrs. Gray and her family have been in the house.

Mrs. F. W. Rudolph of Vancouver returned by motor with Mrs. Alan Cleveland and Miss Gwen Rudolph on Friday. She will spend two weeks visiting her family in Dalemead.

Mrs. W. A. Woodrow of Idaho has presented a photo record of her career, presented to her by the

business. The tables were beautifully decorated with heretofore. A delicious lunch was enjoyed by all.

A number of members of the Mounted Patrol attended the Sirrine Commemorial at Edmonton this week.

The community was saddened by the death of Mr. Robert Newport of the Indian district. He was one of the pioneer ranchers of this district and was still living on the land he homesteaded many years ago.

The sympathy of the community is extended to Mrs. Newport.

New Chemical Aids Silage

While silage has been a familiar landmark on the Canadian farm scene for many years little progress had been made in reducing loss of silage, particularly by spoilage.

Recently, a new chemical preservative, sodium metasilicate, has been introduced which is showing great efficiency in converting crops into milk and meat via silage.

Not only does this chemical help in preventing burning up of nutrients in the forage, but also renders the silage more palatable which makes the cattle eat more and thus increases milk and meat production. The unpleasant odor usually associated with silage is also reduced.

Another current advance in silage is the introduction of silage made of polythene plastic sheeting. These are capable of providing a high quality silage for feeding in relatively small quantities, up to 75 tons. They can be used at off season times and in wet weather where feeding of separate groups of animals may be desired.

STEER'S LIBERTY IS SHORT-LIVED

Just shortly after this steer was caught trespassing through the family wash hanging in a Toronto backyard, it was shot and killed by an employee of the stockyard from which the animal had escaped. The man entered nearly home opened a kitchen window and fired. But before he was killed the 400-pound steer had belled its way through a jewelry shop where it did several hundred dollars damage.

Parents of the Nightingale people who attend school in Hockleyford enjoyed the school picnic held in the hall park Thursday afternoon. The last part of the outing was spoiled by the storm cold wind which made everyone run for shelter.

Boosts Production

Best cattle breeding research at the Range Experimental Farm, Canada Department of Agriculture, Mayberry, includes projects on (left) Highland and Highland X Hereford cattle and crossing of Brahman with the Hereford, African Angas and Shorthorn breeds.

The Highlands on tap appear quite hardy. Their winter sales on the main have compared favorably with those of Herefords. Birth and weaning weights of Highlands have, so far, been better than those of Herefords.

In 1965, Highland bulls were crossed on selected Hereford cows and at present there are 26 two-year-old heifers and two year-old steers of this cross in the herd. The two year old steers will be marketed at grass in Nov. 1966.

The crossbreed heifers will be retained for breeding to determine their productivity and hardiness.

In a preliminary 1964 feed trial experiment during the winter of 1965-66, Highland X Hereford cross bred steer calves made an average gain of 2.05 pounds per day while Hereford steers obtained from Brahman herd gained 3.05 pounds per day.

The Brahman crossbreeds, over a four year period, have demonstrated a more rapid rate of gain over the other breeds and crosses in weight for age.

It's an ill wind... The cold wet spring this year accomplished something. It encouraged people to eat more meat and supplies which were getting low heavy at the beginning of the year are now assuming normal proportions and prices are firm.

and groom to as quivering a state of nerves as possible this side of a nervous breakdown — and even that extreme has been known to last.

Too many wedding days are made into spectacular showboas by well-meaning but thoughtless parents who plan a wedding on an expensive plane far beyond their normal way of living. The simple sacredness of the occasion which is most important to the bride and groom is sacrificed to their parents' desire to do things properly. Which means that not means conducting the proceedings on the most lavish scale possible to impress the guest list.

A Canadian minister quoted by the magazine is even more severe in his denunciation of many of today's marriage practices. He deplores them as the pagan sense of the gods of the Greek world of civilization, with the subtle moralization.

Stuttering is a blocking of a person's ability to adjust to other people arising from anxiety in meeting various social situations. Stutterers usually talk to themselves and to animals, and often to themselves in the various languages of the world. The baby in his babble stage uses hundreds of these sounds, but when he begins to speak, he must exclude all the sounds except about 36 which are used in the English language. Stutterers seem

Wedding
KRUSE - RISON
Breding rites were solemnized at a double ring, candle lit ceremony at St. Michael's Anglican Church Strathmore, when Edna Ina, eldest daughter of Mr and Mrs Walter Rison of Chaudiere became the bride of Mr John Kruse, son of Mr and Mrs Leonard Kruse of Carleton Place, Ont. Rev. Pennant officiating.
Given in marriage by her father the bride chose a Portrait wedding gown of nylon tulle over satin with lace insertions. Her gown was strapless with lace bolero trimmed with mother of pearl sequins. Her lace trimmed fingertip veil was held in place by matching head dress of mother of pearl sequins and she carried a white lily covered with white carnations and red sweetheart roses, and streamers of ribbons. Her only jewellery was a pearl necklace, a gift of the groom.
Maid of honor was Miss Irene Hazant of Calgary, and bridesmaid, Miss Linda Sellers, also of Calgary. Junior bridesmaid was Miss Lorraine Kruse, sister of the groom and the little flower girl was a sister of the bride, Miss Yerna Rison. She carried a horseshoe bouquet of sweetheart roses and white carnations. They all wore floor length gowns of pink nylon net over taffeta with matching headpieces, and carried a fan bouquet of pink and white carnations.
Mr Bob Laanen cousin of the bride was best man and usher were Jack Garnett of Carleton Place and Doug Rison brother of the bride.
For her daughter's wedding Mrs Rison chose a street length dress of turquoise crystal light taffeta with pink accessories and a corsage of pink roses.
Mother of the groom, Mrs Kruse chose a street length dress of tulle with gold taffeta with blue accessories and a corsage of pink roses.
Mr Noel Barlow of Carleton Place sang "O Perfect Love" during the ceremony and Bless "This House" during the signing of the register. Organist was Mrs Sadler of Strathmore.
The reception was held in the Chaudiere Hall where covers were set for 125 guests. A three tier white

wedding cake centered the bride's table.
Mr Bill Springthorpe of Strathmore gave the toast to the bride and the groom with much good will. The young couple left by motor to the mountains and Great Falls. The bride chose for going away a Mega and blue ensemble with blue accessories, her corsage was white carnations and red sweetheart roses.

social afternoon recently at the home of Mr. and Mrs. A. Brander on the occasion of their wedding anniversary.

Mr. Ray Wilson and school children sponsored another social evening. The evening was enjoyed by all. Mr. Wilson was presented with a tie pin from the bus children and an album of pictures of the children. Mr. Wilson has travelled on his bus over the years. A lovely lunch was served at midday and the evening closed the evening.

Mr. M. Peterson entertained a number of children on Monday night. A delicious lunch was served by the hostess. Mrs. Fraser entertained several little girls on the occasion of her birthday. All report an enjoyable afternoon. Many happy returns were wished and a lovely birthday lunch was served.

Mr. and Mrs. B. B. Blomquist and Mrs. McWilliams and children of Edmonton were holiday guests at the Abernethy home.

Mrs. Charles Tookie and children of Edmonton spent two weeks visiting her parents Mr. and Mrs. Joe Nicholson.

The local W. J. took the regular meeting at the home of Mrs. D. B. Smith of Albert Park. A picnic dinner was enjoyed after which the meeting was called to order. The usual business was taken care of. The children for standing papers were appointed. Bingo was enjoyed and a delicious lunch was served. All are looking forward to another visit with Mrs. B. Smith next year.

Mr. and Mrs. Wm. Palmer are the proud parents of a baby boy. Congratulations and Bill and Vera. Mr. Robert Olsen is looking at Camp Cheviote Bible Camp for the summer.

Friends were shocked to hear Mr. and Mrs. A. Fraser had a severe accident and belongings by the fire. We wish them the best in the future.

Wedding

MEHREZ - CAMPBELL A lovely wedding was celebrated in St. Michael's and All Angels Strathmore, June 30 at 3:30 o'clock when Miss Gertrude Campbell, daughter of Mr. and Mrs. Campbell, was united in marriage to Mr. Herbert Parker, son of Mr. and Mrs. H. P. Hobbes of Carleton Place. The Rev. Philip Penman officiated.

The bride was given in a white silk dress made on Princess Lane with a very full skirt and a velvet bow in light blue, falling from the back of the low neckline to the hemline. The bride's hair was pulled into length. The bride's carriage was white gladioli with a touch of fern and white lilies of the valley.

The bridemaid, a cousin of the bride was Miss Eleanor Pow of Ontario. She wore a simple pink frock in nylon with off the shoulder effect and a velvet bow in pink with a white ribbon in the hemline. She carried a bouquet of pink ranunculus.

The best man was the groom's older brother Murray. Peter Campbell and Roger Hobbes were the ushers.

A reception for immediate relatives was partaken of following the wedding. At home was held at the Campbell home and a wedding dance in the Strathmore Memorial Hall in the evening.

BY MRS. W. S. M. and Mrs. John Byrne and son of Detroit, Mich., have been the guests of their cousin Mr. and Mrs. Andrew Colter. It has been 15 years since Mr. Colter has seen his cousin.

you'll be glad you installed a . . .

FAIRBANKS-MORSE SUBMERSIBLE!

HERE'S WHY . . .

It is economical — its installation — uses only one length of pipe inside casing . . . its operation — because it is smaller motor, needs less power to operate . . . its maintenance — no rods or shafts to replace nor valves to repair no lubrication trouble because both pump and motor are water cooled and water lubricated!

It is safe — never needs priming — 100% quiet even can install or remove with simple step tools; service pipes may be set out in below from heat tank and electric controls may be set out well or away from it.

Performance proved in thousands of installations.

Quality guaranteed by FAIRBANKS-MORSE.

Her first stop — the bank

When Mrs. Wilson planned to go shopping, her husband Tom said: "Meet you at the bank."

It was a natural thing to say, for going to the bank is just a part of everyday life.

In the bank, Mrs. Wilson noticed Miss Ellis the schoolteacher . . . Mr. Cooper the storekeeper . . . and her neighbour's son Bobby, adding to his savings account.

When Tom arrived, he grinned: "Seems like everybody goes to the bank." It's true. Canadians find the chartered banks such a safe and handy place to keep money that practically everybody has a bank account. There are now more than 10 million deposit accounts in the chartered banks—more accounts than there are adults in the country.

News From Standard

BY C. M. M. Mr. and Mrs. Gordon Morrow and son left to spend their holidays with their parents at Port MacKenzie, Sask.

The H. P. Hall was the scene of a shower recently in honor of Miss Dorothy Klummet. The head table was decorated with red and white flowers and candles. Fresh flowers were centered on the table.

Mrs. Betty P. Green was mistress of ceremonies. Mrs. C. L. Morrow played the wedding march while Mrs. Mary Haddock sang a small ordered guest to the table. The program included the following items: Hymn, "Hail to the Chief," The Hymns; a reading by Leona Christensen; Cherry Pink and Apple Blossom White, sung by Donna and Sharon Haddock; piano solo by B. S. Rindgaard; tribute to the bride given by Mrs. Wm. and a hymn, O Happy Home.

After the sharing of the doughnuts a tasty lunch was served by the committee. Dorothy was then presented with many useful gifts which were passed around for all to see. Dorothy thanked everyone. Her and her husband Al will be leaving for the U. S. on Sunday.

Mr. Jim Smith entertained a number of people to celebrate his birthday. His daughter Mary, and her husband were out from Calgary, as were Mr. and Mrs. Gordon Arnold. The latter is Margaret Arnold who has many of us on TV.

Mr. and Mrs. R. W. Haddock have left to spend their holidays with Helen's mother in the northern part of Alberta.

Rev. and Mrs. Kirkland and family returned home from their visit to the U. S.

The funeral of the late J. M. Wheatley was attended by many from Standard and the surrounding district. Deep sympathy is extended to Mrs. Wheatley and her family.

A family gathering was held at the home of Mr. and Mrs. Haddock recently. Mrs. Anna Rindgaard from Bowden, and Mr. Fred Rindgaard from Calgary were the honored guests. Mr. Rindgaard returned to spend some time at his home while Mrs. Haddock is staying with her daughter, Mrs. Lloyd Clark.

John Bragg, Jimmy Hansen, Gro. Pedersen and Leroy Pender were at the Stampede for the week.

Mr. George Collins, R. celebrated his birthday by entertaining a number of friends and neighbors. Believe it or not, Mr. Collins is 90 years old.

A number of Standard residents attended the Stampede on various days during the week.

Standard lost two games to floorball in the Serviceberry League. Miss leaves Delton and Standard fighting for first and second places. Rockford has replaced Huxar in the League games.

The rewards of becoming a home owner are great in terms of happiness if the project is handled wisely and well. Most of the troubles associated with building or buying a home arise from ignorance and insufficient planning. When you want to look for it, it is possible for you to avoid the troubles and secure the greatest benefits.

A good house is one that is comfortable, the size of the family, that provides a maximum amount of comfort for the outsize, just it should be in keeping with the financial status of the family, suitable for their social outlook, and it should, as far as possible, anticipate change in size and composition of the family.

News From Gleichen

BY MISS J. E.
The death of Mrs. Beatrice Mary Nicholas, wife of Mr. John Nicholas, of Gleichen, occurred July 7.

Two changes Harry Shookbridge is glad to see

"The modern food store is a shopper's paradise," says food store owner Harry Shookbridge. "Self-service has made buying quicker and easier. New departments, such as frozen foods, have brought a wider choice of products. Package designs, store arrangements and lighting have all been modernized and vastly improved."

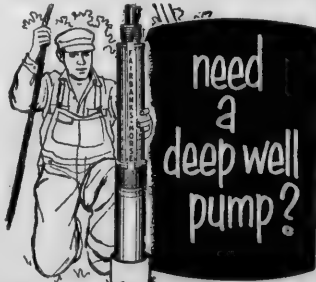

Another change benefits Mr. Shookbridge and his family in a personal way. Nowadays it's easier to provide financial security for families because life insurance policies are much more flexible. Never before has the range of policies and plans been so wide.

Life insurance representatives, too, are trained to give more competent service in the selection of plans to meet individual family needs. Today, through life insurance, ready funds are provided for emergencies, for education, for safeguarding your home for your business and for your retirement.

In these and other ways, the life insurance companies in Canada are at work with progress... bringing benefits to people in all walks of life!

THE LIFE INSURANCE COMPANIES IN CANADA

Life insurance payments in Canada totaled more than \$200 million last year and \$200 million of these payments were made to living policyholders.

need a deep well pump?

FAIRBANKS-MORSE SUBMERSIBLE!

HERE'S WHY...
It is economical... in installation... uses only one length of pipe inside casing... in operation... because it uses smaller motor, needs less power to operate... in maintenance... no rods or shafts to replace on failure... no lubrication trouble because both pump and motor are water cooled and water lubricated.

Many advantages... never needs priming... 100% water over can install or remove with simple hook tools... service pipes may be cut in below from line tank and electric controls may be cut over well or away from it.

Performance proved in thousands of installations.
Quality guaranteed by FAIRBANKS-MORSE.
Let us give you full details.

Funeral services were held Sunday, July 27 at 2 p.m. in the United Church with Rev. F. Seeley of Arrowwood and Rev. Morrison officiating. Pall bearers were all old friends of the family, Messrs. Chas and Fred Bennett, Wilfred and Annie Plante and Jack and Dick Thomas of Blackie. Interment was in the family plot in Gleichen cemetery.

Mr. and Mrs. Ben Trevon at North Hollywood, Calif., are spending several days visiting relatives at Gleichen and Calgary. They are guests of their sister and brother-in-law Mr. and Mrs. N. A. Riddell.

John Bernard O'Sullivan died July 25 at the age of 58. Mr. O'Sullivan was born in Oranston. At the time of his death he resided at Fort Dodge, Iowa.

He is survived by one daughter Mrs. Meta of Fort Dodge; two sisters Mrs. A. Bave of Gleichen and Mrs. Green of Standard and three brothers, W. Cunningham of Calgary; Ray of Gleichen and James of Banff.

Ray Cunningham went by air to Fort Dodge, to be with his brother where he was ill.

A farewell party was held Wednesday evening July 15 in the Legion Hall to honor Mr. and Mrs. A. J. Jones who are leaving soon to reside at Empress. After an evening of songs and games and visiting, Mr. Jones was presented with a quilted bag on behalf of the community and Mrs. Jones was given a cheque to buy something for their new home. Mr. Jones was given a life membership in the Legion here from the members of the latter, which he was very proud to receive. The party concluded with a bountiful and delicious lunch.

Arts Graduates More In Demand

Although the shortage of engineers, dentists and teachers will continue to exist for some time—the general attitude of the business world towards the graduate in liberal arts has been changing.

No longer is he scorned in the annual race of industry to grab the graduating specialist and, after a decade in which the young engineer, in particular, had all sorts of handshakes waved in his face by would-be employers while his friend with the lightly regarded B.A. degree had to scramble, relatively speaking, for a good job, the reason becomes clearer.

Business and industry are finding that a specialist tends to remain a specialist and that, in his pre-occupation with his profession, he either cannot or will not learn to deal with people, which is one of the prime secrets of the executive's success.

Farmers Of Strathmore And District Indifferent To Seed Cleaning Plant

Farmers of Strathmore and district apparently are not too concerned whether they have a seed cleaning plant or not. Recently the M. D. of Wheatland No. 40 voted \$14,000 towards the \$42,000 project. The provincial gov. will match this figure and the farmers must raise the other third by selling shares.

No far no organization or group of farmers has shown serious interest in the project. It is just beating the drum and it appears the venture will die a natural death — for this year at least. The provincial gov. will advance only one more grant for a seed plant this year and at least three districts are after it.

The \$40,000 plant at Rosebud already has been paid for and in that area no trouble was had in selling shares at \$25 each. The investors got grain cleaned at a reduced price and apparently are 10 per cent behind the venture.

The opinion that Strathmore is a big enough centre for a plant has been expressed. Although Strathmore has only two elevator elevators, we believe many farmers would take advantage of grain cleaning facilities if they were available.

Farmers have a lot of work ahead if they want to see a plant here.

First they must organize a board and finance a limited company. Shares to finance the project must be sold and followed by the M. D. of Wheatland No. 40. If the money is raised in a hurry the real estate and waiting on build will slow the project down. Members of the newly formed Wheatland Agricultural Service Board have recommended the plant be built here. That is all they can do. The rest is up to the farmers to raise the funds and organize an executive to operate the plant.

Wedding

WILLMS — GARNETT
Afternoon rites were solemnized at a double ring ceremony at the Bethel Baptist Church, Calgary when Vera Guesfere daughter of J. Garnett of Calgary and the bride of Mr. William Willms, eldest son of Mr. Margaret Willms of Nanaimo, B.C., were united in matrimony.

Given in marriage by her father the bride chose a floor length gown featuring a white lace bodice trimmed with seed pearls and rhinestones and a beaming smile. First with a face panel in front and a butterfly bow in the back her dress was topped with a white lace jacket with long high pointed sleeves. Her fingertip veil mistled from a matching canopy cap trimmed also with seed pearls and rhinestones. She carried a bouquet of red sweetheart roses, white carnations and pink gerberas. Her only jewelry was a pearl necklace and matching earrings belonging to her grandmother.

Miss Edna Phillips was her constant attendant. Miss Mary Phillips and Miss Martha Williams were the bridesmaids. They carried white length gowns of lace with a train of pink tulle, and white and yellow carnations.

Lila MacLennan, cousin of the bride was flower girl. She wore a floor length gown similar to the brides, of mauve nylon net and matching beaded. She carried a basket of yellow sweetheart roses. Mr. Dave Thibault of Calgary was best man and usher were Mr. Arthur Williams and Mr. Jack Garnett.

The solemn Miss Katie Dirks, of Nanaimo, sang, Perfect Love, during the singing of the register, accompanied by Miss Christine Good as organist.

The reception was held in the Carleton Hall where covers were set for 120 guests.

Following a honeymoon trip to Spokane and points in British Columbia, the happy couple will reside at home at Nanaimo.

500 Play Car Bingo

Third annual 5-car bingo of the Strathmore and District Area was again a major success Wednesday night as 1,000 persons jammed the risk to play for the big awards. Ticket chairman Les Hill said profits this year would not be as large as in 1955 because of the increased cost of prizes.

Four-door sedans were awarded this year compared to two-doors in 1955. As well five TV sets were played for this time while last year, one and two costly prizes preceded the five blackouts.

Former mayor Bert Donovan acted as master of ceremonies, assisted by Herman Van Bavel, R. A. Radford, president of the area committee, called the numbers out of the basket.

Prior to the start of the program Mayor Buster Rhodes welcomed the visitors. He thanked them for their support and for those who worked so hard to make the bingo a major success.

Following is a list of prize winners:

First Blackout — 4 bingos, 3 numbers called to break the tie. Mr. D. Schaffer, 5 bingos, 5 numbers. Strathmore resident, taking the Pontiac.

Door prize — Mrs. H. Travers, Bessano.

Standard Gets Small Shop Award

The Strathmore Standard has been selected Alberta's third best 'small shop' weekly newspaper. This is the first time a competition has been set up for smaller papers and we are pleased to be ranked among the money winners.

In past years The Standard, with a small staff, has managed to compete with papers of similar circulation who employ anywhere from four to six people. Now to run a paper with a small staff has little chance to make a show against these better staffed shops.

Announcement was made at the annual convention of Alberta Weekly Newspaper Association, which was held in Lethbridge last Friday and Saturday.

Knights of Columbus Names New Officers

The second meeting under the new officer slate of the Knights of Columbus was called to order at 8:30 p.m. Monday night. New officers are as follows: Brother V. J. Kilden, Grand Knight; Brother A. Blais, Deputy Grand Knight; Brother B. Christie, Chancellor; Brother B. Van Bavel, Recorder; Brother J. Dumas, Warden; Brother J. Van Bavel, Treasurer; Brother J. Van Bavel, Trustee; Brother A. Blais, Advocate; Brother A. Dumas, Guard; Brother A. Blais, District Guard.

Nominations were also made for the post of financial secretary which was varied by Bro. A. Kilden.

Under new business it was decided to form a Columbus Club which will support the parent Knights of Columbus Club in Strathmore. The officers elected to guide the activities of this club are Bro. Louis Lavergne, president, and Bro. Ted Bessant, secretary.

A couple of Sundays ago the members challenged the standard members in a softball, in which the standard members emerged winners. Due to a lack of ball players within the club, the standard members have been forced to play a number of the parish members and single men to fill in.

The ball team will take in the Knights tournament at Rockyford Aug. 12.

FORGING SIGNATURES

People who forge signatures are shown in jail. There are many types of forgery and one has come to our notice recently. This is the practice of forging letters to the editor.

Most responsible papers check the source of their letters closely. Some are more careful and do not check. Most of the time they are correct in publishing a letter because the signature of the letter is legitimate. In the odd instance the signature on the letter is a forgery.

The Calgary Alberta recently carried a letter questioning the editor of a letter. The letter was a forgery. The editor was able to identify the person who wrote the letter. The letter was a forgery. The editor was able to identify the person who wrote the letter.

A SUCCESSFUL VENTURE

We would like to tell our hat to the men who organized and carried out this venture. It was a very successful venture. The men who organized and carried out this venture were very successful.

TOUGH DECISION

It will soon be time for many high schoolers to make a big decision. Whether to go back to school or to leave. This is a tough decision. It will soon be time for many high schoolers to make a big decision.

Many youngsters are earning big money for the first time and they like it. They don't want to quit earning it and go back to a weekly allowance from their fathers. We can only offer these few words of advice for those who are undecided.

Geologists Fish for Oil in Lake Erie

No toy for merrill Edith Parker is this newly developed underwater gravity meter. The device, now being used to explore the bottom of Lake Erie, is lowered to the bottom of a lake or sea then sends back signals which aid geologists in determining the geologic structure. The device, a three-legged, steel structure, weighs 300 pounds. In Lake Erie, it is being used to determine favorable locations to drill for oil and gas. Deposits have been found along the north shore of the lake and several companies are investing heavily in the search for more.

Here's what Imperial does with its money

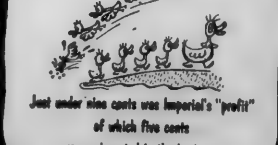

Of every dollar Imperial Oil took in last year, more than half went to buy raw materials, such as crude oil.

Operating and administrative costs, depreciation, and the wages of Imperial's 13,500 employees took about a quarter.

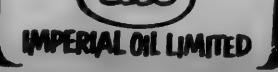

Just over a tenth went in taxes, not including the road taxes in the various provinces.

Just under nine cents was Imperial's "profit" of which five cents was re-invested in the business.

So, of every dollar Imperial took in last year, just over four cents went to dividends to the company's 45,000 shareholders.

GOOD MECHANIZATION PAYS BY GETTING A LOT DONE WHEN CONDITIONS ARE RIGHT

A big advantage of good mechanization is its ability to get a lot of work done in a hurry once you can get on the land to put the crop in or into a field ready to be harvested. This work output of good equipment pays off in two ways—it enables you to offset or forestall the effects of unfavorable conditions and with it you can make the most of the period when conditions are most favorable. You stand to benefit the most when you can do a lot of seeding or harvesting when the time is right.

From the 1956 Massey-Harris and Ferguson lines of equipment engineered to meet the needs of farming today you can select machines that will enable you to gain the advantages of modern mechanization—your local dealer will be glad to give you full particulars.

Mr and Mrs Roy Wheeler, Mr and Mrs Newcome and family have left for Banff. Many Glencairn attended the bingie at Strathmore last Wednesday. Miss Winters binged a a car but lost out on the bingie. She received a bedspread as consolation prize.

A family reunion of the late lease family was held on Sunday in the Dalmen hall at which all relatives and friends attended. Included were Mr and Mrs Bert H. Cote of Nelson, B. C. Relative and friends came from Calgary, Banff, and Dalmen. Lorne Pless from Kesterville, Mo. showed his colored slides. Games slugging was enjoyed by all. Mr Ambrose Wile was the prize for being the best actor.

Over 1300 old neighbors and friends of the McKinnon family congregated at the ranch flat for their annual reunion, and received a real welcome from mother McKinnon as she greeted all her guests. Many pleasant memories were recalled and old friendships renewed. The day passed happily with games for young and old. Two Scottish pipers were an addition to the attractions. After a delicious of barbecued beef, the many friends wended their way up the hill, with grateful thoughts to the McKinnon clan who had planned such a joyous day for all.

Mrs I. Peeling, Sr. entertained for her daughter-in-law Mrs J. Peeling, Jr. of Gold Coast, Africa at a tea Wednesday. Mr and Mrs Robert Chalmers were holidaying at Banff. Miss Ruth Cleveland is holidaying at home.

Obituaries

GREGORY BISHOP
Gregory Bishop died in hospital at Banff Monday at the age of 70, following a lengthy illness. Born in St. John, Que., he farmed in the Banff district since 1900. Surviving him are two brothers, Lewis and Elmer, of Montreal, and a sister, Sister St. Celestine.

CARD SYSTEM FOR DRIVER'S RECORDS
Alberta's program to want out

accident prone drivers is being prepared from a mechanical standpoint. The general purpose being to keep tabs on the car drivers. One of the first steps under the Alberta legislation was to set up a new record which deals with license suspension and the records of accident prone drivers. Now a mechanical system is being installed in the operators' division of the provincial highways department.

The initial task is to process the division's file for conversion to machine card files. This work is to be completed before the end of the present year next March. The result will be the setting up of individual driver's files. In addition to regular statistics on each driver, the file will contain a record of the individual's driving experience throughout the years.

Selling Of Arms To Other Countries

Modern armaments can be produced only in countries that are highly developed industrially. Other countries have to depend for such arms on what they can buy from those who have them for sale. The sale of arms to countries that need them has always been frowned upon by nations that consider aggression, and by those pacifists who believe that war can be prevented by keeping the weaker side disarmed.

During World War I the German government protested against the shipping of arms from U. S. to Britain when the latter was at war with Germany.

On that occasion the U. S. government made its position quite clear. It said that nations in need of arms had an undoubted right to buy them where they could; and to refuse to sell arms to such nations might make it impossible for them to defend themselves.

The principle laid down on that occasion by the U. S. was accepted as sound by the Western world. In refusing from interfering in the sale of arms to mid-eastern countries, our government has been acting correctly. The question now arises about the export of arms to Egypt found the government unaware

ELLIOT LAKE TO BE MODEL MINING TOWN

Elliot Lake is in the heart of Northern Ontario's three biggest uranium mines but it has none of the drawbacks of most mining boom towns. The townsite, laid out by the Ontario department of planning and development, is a model of modern-day boom towns. Tents and trailers are being replaced by 300 solid permanent dwellings and houses lot sizes must be a minimum of 5,000 square feet. Next year 300 houses are to be built and the population is expected to reach 8,000 in a few years. Mail and the town's business is in the community.

The Strathmore Standard

The Strathmore Standard, established in 1909 is a member of the Canadian Weekly Newspaper Association and is published every Sunday at the Standard Office, Strathmore, by the Standard, Editor and Publisher. Member of the Audit Bureau of Circulation. Authorized as second class mail. Post Office Department, Ottawa, Canada. Circulation more than 1,500 homes.

CAUTION NEEDED

Last Sunday's drowning at Chestermere Lake is further indication that more safety is needed along the river. The river association will benefit the small farmer who is unable to raise sufficient funds to purchase cattle on his own.

SAFE DRIVING

Monday is Labor Day and occurring at the close of the holiday season it will be more than the usual number of holiday cars on the road. In view of the heavy traffic, all motorists should make it their business to drive especially carefully.

A little courtesy and a little less speed will save the way to the province's safety. The small amount of time by too much speed is not worth being involved in an accident or being the cause of a highway mishap.

Buying Changes

For the past ten years, the consumer market has been dominated by the novice, the bride, the first time parent, the new home owner. Basically, it's fairly simple. The needs of the novice of such a market: wedding rings, baby cradles, baby clothes, baby furniture.

But due to changes in population, The Financial Post, the market is likely to change. Not all at once, but gradually. The dominant force will be the experienced housewife, who has time to shop who's not many of the basic necessities and is looking for extras, whose husband is at his peak earning capacity, whose children's wants are varied (ranging from planes to 27's) and who is no longer thrilled by the mere process of buying for her own home and family.

Importance of obtaining the best possible education is stressed more and more as the years roll by. Industry demands, and pays for, highly skilled labor.

TOO TO FARMERS
Officials speaking in connection of a \$42,000 seed cleaning plant in Strathmore are confident the venture will go through and the plant should provide a major benefit to farmers of the district. The plant will secure them from the loss of quality seed and at a fairly low cost if they are shareholders.

Partners of the district can hardly go wrong on this venture. They are putting up only one third of the cost. Other third comes from the Wheatland Municipality, while the provincial government has made loan.

ODE TO THE COUNTRY DOGS
And bless the country dog, who most always comes on call. They'll come in the day, and come in the night, and come in the rain. Most any time at all.

They come in your home, with a gentle air, and cheer you when you are here.

And if your disease has got them hoarse, it's the hoarsest dog you got.

Although some country doctors, sure you out of your wits, but according to the story, with some patients they think it fits.

They take your pulse, and listen to your chest. And most all patients, have to stick out their tongues.

They peek on their back, and with a roll of the hand.

Take my prescription, and stay a few days in bed.

And then with a smile, and a cherry good day.

They walk to their car, and are on their way.

On their way, and look at the clock. And that is the end of my Ode to the Dog.

WINS ONE OF TWO TITLES FOR WEST

Representing the West at Canadian junior tennis championships held at Ottawa, 15-year-old Ann Barclay, about 15, Vancouver, defeated Toronto entry Joan O'Brien, 14, 6-4, 6-3, with women's closed singles crown. Miss Barclay's steadfast proved to be the deciding factor in close match as the west coast champion strove many accurate placements that cleared the net by only an inch or two. Quebec competitor took four titles in tourney, while West accounted for two. The four-day event at the Rideau Lawn Tennis club was rated by officials as one of the most successful in the eight-year history of the championships with more than 250 players from nine provinces competing.

The workers' revolt in Poland Since we are still working in previous dollars from the sterling area, we are actually paying the U. S. for little more than 75 per cent of what we buy from it. All the rest is covered by what we call looking on the bright side of the U. S. investment in Canada. The United States capital has, in fact, been flooding into Canada in amounts which are probably without precedent in the relations of any two countries in the world. It has given us a fully employed economy and a very rapid rate of expansion.

Present development may be in most cases most obviously it will work the future commitments involved. But many Canadians seem at the moment to be far too busy enjoying the immediate fruits of our national deficit to give any thought to the long-term implications. Shopping Revolution

Canadians will soon be buying eggs without shells, bottled misales may be found to import outside cheaper and faster from Hawaii. Robot salesmen will largely replace the salesmen of today. These predictions are reported by business expert Peter Newman in the current Maclean's.

Most shopping will be done at night with customers travelling through stores on moving sidewalks. Clusters of roadside food vending machines, mounted at driver level, will sell everything from beer to hamburger.

Packaging will be revolutionized because it will have to replace the salesman entirely. Slow moving food lines won't stand a chance.

Television will allow customers to sit in their cars in parking lots watching windmilled height TV. While ordering food through intercom attached to the sofa. TV may even invade the department store, where shoppers can relax in chairs to dreamy music while pictures of the store's inventory are flashed on life size screens. The push but, will bring any item to his side for closer examination.

Hat Industry

Needs Selling

What's wrong with hats? There is nothing wrong with hats but there is a lot wrong with the way men's hats are being sold. That is the verdict of Bernard Salsky, one of the biggest hat manufacturers in the U. S.

The main reason why hat sales have been languishing, he says, is because salesmen have considered that as a necessity, instead they should regard it as a matter of style, just as much a part of men's dress as a tie.

If Mr. Salsky has his way men will not only be wearing a hat but several hats, one for every occasion. The industry, he says quite briefly, can't thrive on just replacement basis.

Failure To Rest

Causes Accidents

When the farmer stopped having to put his horses periodically, and with this came rest for the driver. For instance, the same horse could not be worked for 15 hours a day for several days, he says adding that it is not unusual for a farmer to spend more than 10 hours a day in the field with a tractor, especially if he gets a late start because of weather.

Dr. Franklin H. Top, from Iowa City points out that deaths from farm accidents in 1954 totalled 14,000, a rate of 61.7 deaths per 100,000 population.

He also points out that there is a week of accidents occur. Thus, a week of accidents occur. Thus, a week of accidents occur. Thus, a week of accidents occur.

practical farmers for years, but its solution is difficult.

Department of Agriculture officials also realized that a few per acre would return many dollars per acre in higher yields of clean grain. Twenty years ago the pool of Alberta farmers to purchase portable seed cleaner. Following World War II, the Department and some northern district experimenters with a few seed cleaning plants and found them more effective and satisfactory than portable cleaners.

There has been a steady growth of three or four plants per year with 17 plants operating in Alberta last year at near capacity. Now the Department's policy to help with clean seed problem is to grant one third the cost of a seed cleaning plant to a municipal city. Farmers in the district to be served by the plant organize a Seed Cleaning Plant Association and sell shares to provide one third cost of plant.

The present cost of labor and materials make a plant cost about \$4,000, but it is a permanent asset to a district and soon pays for itself many times over in cleaner grain yields and higher yields. Since grain yields are cut in two and worse by wild oats, a seed plant helps give a better living to those it serves. Higher yields mean more money for farmers to spend, most of which goes to the local business men.

Seed plants are managed by a board of directors, usually nine, elected by the shareholders. These directors hire a plant operator on a yearly basis, and a secretary-treasurer. The operator hires extra labor required during the busy Spring season. The Rosebud plant also pays its operator five per cent of the net profit which gives him an incentive to operate as efficiently as possible. Rosebud shareholders get their seed cleaned 10 per bushel cheaper than non-shareholders; thus even though on have a fairly good farm, fence, mill, there is bound to be tough jobs which will have to go to the Strathmore Plant. Farmers in the Blackie and Rosebud districts with better than average farm grain elevators were some of the best supporters of their plant.

Outside a seed plant looks like an ordinary grain elevator, but inside the floor space has large mill type tanning mill, indents, trunks, etc. There are three grain bins of different sizes, also a screening leg outside to the annex so that screenings cannot pass through any hopper, leg, spout or bin used for grain. Plants are designed so that no grain may lodge anywhere.

This requires about from lined, hoppers bins, special flat light, self cleaning bin gates, easily cleanable leg bottoms and a small trap door unloading pit instead of the long open, grate covered pit used in grain elevators. Various sized trucks are dumped by means of an electrical hoist on a track.

The Rosebud plant has operated for over three years, cleaning about 200,000 bushels per year and making an annual net profit of about \$5,000. The Serviceberry plant bylaw was voted down which meant that the Rosebud plant received only about half, the third grant from the municipality and half or about one sixth from the Alberta Govt. which matches the municipal grant. This plant could not have been completed without

large loans from some of the directors, then after a year's operation proving that the plant could make money, the bank took over these private loans. All loans have now been repaid and many improvements made to the plant, and it will serve its district for many years to come.

K. H. WALKER,
Director Rosebud Seed Plant.

Samuel Crowther School Enrolment Again Shows Increase as All Rooms Are Crowded

Principal W. I. MacKenzie of the Samuel Crowther School is ordering how he and his fellow teachers managed to get along this year.

School opened in the new area are modern and Tuesday morning for the 1950-51 term and more than 400 students.

Two more teachers have been added to the staff this year making a total of 15. Complaints of the new auditorium came as a lifeline to the teaching staff, which has worked in crowded conditions for the past two years.

With all high school rooms now located in the new addition it has been possible to return some of the basement play area in the former school area to the younger students.

Also the former typing room has been transformed into a joint room for students and teachers well and for the staff of The Strathmore school monthly newspaper. A lot is available for students wishing to rest and other comforts will be added for ill students.

Recreation facilities in the new auditorium are second to none. The large hall has a fine hard-wood floor with three straight baselines, courts running North and South and two doubles courts running East and West.

Recreation facilities have been made in the floor so the net structures can be erected and set down as and to be used with programs which require the entire hall.

Handball will be a popular feature this winter for both boys and girls. The high ceiling of the new building allows regulation play.

Cheadle Notes

BY MRS. E. A.

Mr Emory Jackson went by plane to Calgary recently to visit her half sister.

Mr Arthur Davidson of Nivaria, Africa, was a weekend visitor at the home of Mr and Mrs J. E. Agard. He spoke at Fairplay Sunday at School Sunday morning and at the evening. He is a member of the Interior Mission but at present is with his mother at Tareyton.

Mr Don Barry has moved his home on to a recent foundation and will be putting an addition to it when the busy season is ended.

Orville Jackson will enter Holy Cross hospital in a few days to start his nursing career and John Rees is planning on going to the Agricultural School at Edson when the term begins. We wish them the best.

We extend our sympathy to Mr McJensen in the death of his son.

Mr and Mrs J. E. Aker with Mr J. Gibben and Miss Alice O'Brien have also put Durum on a first priority shipment basis in order to have a good supply in the terminal to meet the world demand.

Durum prices remain steady; however it is hardly likely this large crop can be sold at the high prices of the past short crop years. The main thing is that it keeps moving steadily to market at a reasonably high price.

The U. S. will produce about the same amount as Canada, but will use most of the crop herself and have little to export. Europeans and North African producers, spurred on by the recent high prices, have increased their production 20 per cent.

Algerian crop will be up 27 million bushels, Italy 46 million and Greece 29 million which are the world's main producers. Canadian Durum can hold its own against this increased competition.

It is well known because it is well known for cleanliness, high protein and good quality.

Brain Famine Faces Industry

Of all the labor at wages, which threaten to hamper the expansion of Canadian industry, the worst scarcities are those which will take longest to cure, says The Financial Post.

Worse than the shortage of skilled hands is the lack of trained minds. And, whatever we do now, this is a shortage which will dog Canadian industry, business and govt. for at least four or five years to come.

Worst shortages now, for 1966, are the same.

1. Engineers.
2. Other professionally trained people.
3. Potential senior executives, applied scientists (especially geologists), economists, Commerce men.
4. Business Administration graduates, teachers (especially for high school level).

Men Who Make Alberta

THE BANKER

At the centre of the financial life of every community sits a man trained to advise and help in neighborhood money matters. He becomes the confidant of business men, of farmers and workmen. Through the doors of his business establishment, every day, pass widows, housewives, even the paper boy with a new savings account. His staff render the local

financial success or failure. As the community prospers the Bank prospers.

So the banker is tied firmly to the local scene - the interests of town and district must be his own interest. This usually makes him a great community booster, a leader in worthwhile efforts, in short, a first-class all-around citizen.

Right Of Way

Far too often, it appears, many drivers place too much importance on the "right-of-way".

In many accidents, the "right-of-way" is a driver as he hurries to uphold the other driver's right.

Officials of insurance companies say nearly 15 per cent of all accidents are caused by drivers who think they have the right-of-way, but don't.

One writer has said that "Right-of-way" laws different from a hospital. Another points is that right of way never will do a driver any good if the other driver doesn't know he has it.

One of the contentious points is the right of way at intersections.

THE OLD HOME TOWN

Obituary

Leroy (Hoy) Eastman, one of the pioneers of this area in Southern Alberta, passed away in Calgary hospital last week at the age of 72. Born in Nebraska, he came to Canada in 1910, settling in the Sutton district north of the Red Deer River. In 1923 the family moved to Rosemary and in 1941 Mr. and Mrs. Eastman moved to Baseline where they have since resided.

Surviving are his wife, Emma; three daughters, Mrs. Lorraine Morton Rosemary, Mrs. Patricia Sharp, Kingston, Jamaica; Mrs. Jean Barnes, Farmington, Long Island; one son, Roland of Rosemary, two brothers and three sisters.

Services were conducted by LMS Bishop B. C. Stringham from Knox Presbyterian Church, Baseline, on Sept. 4 and interment followed in Baseline cemetery with Smith Funeral Home in charge.

Cluny Notes

BY MRS. W. S.
The regular meeting of Cluny W. Lewis held Sept. 8 at the club room with Mrs. L. Nait as hostess, presided by Mrs. H. Parsons and Mrs. B. Cronan. The president, Mrs. Reedford greeted all members back to the meeting. The roll call was answered by current events. Mrs. C. Corbitt gave a very interesting paper on citizenship and what it means to the deaf and blind people of Canada.

Chinese Nationalists have a new twist in their psychological warfare. They are dropping from the air "silver" dollars that turn out to be aluminum discs urging mainland Chinese to join the Kuomintang forces.

While this money was phoney, real aluminum coins are widely used - in France and Italy, for instance. A fraction the weight of other metals, and perennially bright and shiny, aluminum pays off as small change. It also goes off for Canada, as an industry that converts raw materials and waterpower into purchasing power in the world market.

Young Man with a Plan

One of these days, Fred's going to take over the farm. Meanwhile, he's planning, studying and working hard... learning right on the job.

Already he's learned a lot about modern farm management, and how a chartered bank can play its part in making farm living more comfortable, more profitable. He has found, for example, how useful the bank can be as a place to build up savings, to obtain credit, to seek financial advice and market information. He knows that the bank manager's door is open to everyone.

When you see a good-looking, well-run farm, chances are the farmer uses the services the chartered banks have built up for all Canadians.

Baintree News

BY MRS. W. L.

Mr. and Mrs. Chiles just returned from a very pleasant holiday at the coast. While there they visited their daughter Helen who is in training as a nurse at Bellevue near New Westminster.

Mr. and Mrs. P. Nichol of Baintree were guests of Mr. and Mrs. J. G. Porteous over the weekend.

Twenty-three of Mrs. M. J. Porteous' children and grandchildren spent last Sunday with her to help celebrate her birthday.

The Baintree PVMA met Wednesday at the home of Mrs. J. G. Porteous with 11 members present. It was decided to send a check to help defray the expenses of Mrs. Armstrong, our delegate to the Baintree Ladies also decided to buy more chairs and an electric kettle. A delicious lunch was served by the hostess, Mrs. Kleinschmidt.

Mr. and Mrs. O. Houshler, Dgls. and Mr. and Mrs. W. Lyons returned to Calgary Friday to visit Lucille and Clementine and help Lucille celebrate her birthday.

Pink Slips Needed

By All Motorists

Providing for the impending motor vehicles involved in accidents using financial responsibility cards, pink in color, are produced at the time new legislation under The Vehicles and Highway Traffic Act will take effect in Alberta on October 1st.

During recent weeks, thousands of the financial responsibility cards have been issued by insurance companies to Alberta motorists carrying adequate insurance on their cars.

After Oct. 1, any motorist involved in an accident must have proof of financial responsibility or have his car impounded.

The act says that a motorist car is involved in an accident must have proof of financial responsibility or have his car impounded.

Dalemead Notes

Mr. and Mrs. Jack Dahl and Thelma of Calgary were weekend guests of the Ralph Coester family. Mr. and Mrs. Jackson are happy to welcome Jerry London to their family circle.

Dr. Paul Harris was called to Vancouver due to the illness of his father. Mrs. Harris and Laurie are guests at the Chevrolet home. Mr. and Mrs. L. C. Hiest are holding parties at the home of their daughter and son-in-law Mr. and Mrs. Everett Rankin. Mr. and Mrs. Hiest attended the Toronto Exhibition.

Mr. V. Poonch of Victoria and formerly of Turner Valley was a recent visitor at the home of Mr. and Mrs. J. H. Dixon. Mr. Poonch and Mr. Ken Manning left by car for the coast via Okanagan Valley where they will visit friends. Mr. Bobby Resawitz is spending the week at the home of his parents. Mrs. L. McKinnon of Calgary and son, Mr. Alex, of Don Mills, Ont., were visiting at the home of Mr. and Mrs. C. O. Coburn. Mr. and Mrs. Hendrickson and Linda of Calgary spent Sunday at the Alfred Pines home.

Mr. and Mrs. Delmar Black and family have returned to their home in Calif. We are pleased to know that Mrs. Paul Grunbush is once again from hospital. Major Bruce Salmon, his wife and son Deane were visiting the former's sister, Mrs. Lincoln Ware over Sunday. Major Salmon has just returned from a year's service in Indo China with the International Air Transport Commission. Mrs. Hec. Ward has been confined to her home with a severe case of measles. Beverly Rudolph, Carol and Joyce Fulton are resident students at St. Mary's College. Friends of Ray Stewart of Mossburn, formerly of Talmont, will be pleased to know he has returned home from Veleau hospital. The monthly meeting of the PWUA was held at the home of the president Mrs. Weson Miller. After the business of the meeting was conducted the members gathered at the Dalemead Hall where a treat was served and a chapter memory of Mrs. Mirveta Phillips, who was president of the organization for eight years and a charter member. She organized the Junior AFA and was a director for some years following its inception. Mrs. Phillips served in the church, Sunday School and was a faithful worker for the community as a whole. Mr. Harold Phillips, BSA, had the honor of planting the tree in memory of his mother. After prayers, led by Mrs. Harry Portway, a delicious luncheon was served to honored guests and members.

Mr. and Mrs. C. L. Coester have returned from an enjoyable motor trip to the coast. En route they visited their daughter Grace and family at Armstrong, B. C. later going to Chilliwack where they stayed a few days with Mr. and Mrs. M. M. King. They were joined by their daughter Edna of Seattle at the home of Mr. Coester's sister Mrs. Myers at New Westminster over Labor Day weekend.

FATHER AND SON AT TCA CONTROLS

For the first time in Trans Canada Air Lines history, a father and son recently flew a scheduled flight together, from Toronto to Windsor. The father, Captain Art Halliwell, left a Toronto check pilot with 16 years of experience with TCA, was at the controls while his son, Arnold, was in the "right seat" as First Officer. Arnold, presently with the RCAF, is a recent graduate of TCA's first officer class. The father has been flying for some 28 years and is a "many million miles" in the air.

Home And School Officers Installed

A better than average number of parents were on hand Monday evening to start the Strathmore Home and School Association for a good start on the 1955-56 season.

With president Carl Rosenheim in the chair, main business included installation of new officers by past president Tommy Chamberlain. Also George Riddon was elevated as second vice-president. Child three new persons were elected to join Frank King on the executive. They were Mrs. John King, Mr. John Giffen and Len Wathen. Members of the teaching staff were introduced by principal W. L. MacKenzie. Blair Pegg was the meeting an outline on the manner of forming a square dancing club. The association plans to stage a social evening to determine how many parents are interested in such a venture. If enough enthusiasm is shown the group will sponsor a club.

Membership chairman Mrs. C. P. Riddell was pleased to sign up 40 new members and hopes many more parents will give their support to the group at future meetings.

Fine provided entertainment and a fine evening was concluded with a delicious lunch served by Mrs. Fred Tread and her able helpers.

Honored At Shower

Monday evening Mrs. Dick Colwell was guest of honor at a shower held in the Memorial Room of the Strathmore United Church. She entered the room to the strains of the wedding march played by Miss Gladys Cormack. Seated at the head table with the bride was Mrs. Edith Colwell and Mrs. Jack Colwell and Mrs. Lesley. Two toasts were played and won by Mrs. T. Slater and Miss Louise Weger.

Mrs. Wm. Harwood, Jr. on behalf of the guests and 25 toasts presented the bride with a steamer trunk and many other gifts. After the gifts were opened and passed for all to see, the bride very graciously thanked everyone.

For the 'Jolly Good Fellow' was sung, accompanied by Gladys Cormack at the piano. A delay lunch concluded the evening.

Cluny Notes

By Mrs. W. S. A surprise party was held recently at the home of Mr. and Mrs. Warren Gordon to celebrate the 25th anniversary, Sept. 15. The family returned there with a silver tray.

We are sorry to report the following are in hospital: Mr. Leslie Heng, Mrs. Herman Riddell and baby Kim Twiford.

Mr. George Papp had a narrow escape on Monday when he stepped too close to the railroad track just east of the station, going south. He saw the freight coming and didn't have time to back his truck so he jumped out. The front of the truck was badly wrecked.

Mr. and Mrs. T. J. Clarke and family of Calgary spent the weekend at the home of Mr. and Mrs. W. M. Semmens.

Miss Madeline Brown has come to Calgary to enter the U. of A. Calgary branch.

Mr. Jack Haggerty will resume his studies at the Calgary branch of the University.

Simmons and Donja Simmons, accompanied on the piano accompaniment by Miss Doreen Truacy, a reading by Mrs. Bell and a meet wedding in which Mesdames W. A. Truacy, Donja Simmons, Pringle, B. Brown, L. Clark and W. L. Way and Willard Truacy took part. Mr. Bell suggested the presentation talk, while Mrs. D. Nall handed the couple the lovely gifts with the best wishes of the community. Donja and Mrs. Warburton expressed their sincere appreciation. It is gratifying that now that Mr. Warburton has retired the couple have decided to remain in Hussar. A fine lunch was served by the committee. The wedding cake had been made by Mrs. Schelling, and decorated by Mrs. Pringle. It was enjoyed by all. Mr. and Mrs. Warburton were married in Hussar, Ont., Sept. 18, 1906. They have one daughter, Mrs. Harry Hunter. Mr. and Mrs. Hunter live near Paris, Ont. They have four granddaughters and one grandson and two great granddaughters. They came to Hussar to live in 1931, so they really are old.

Guests from Calgary were Mrs. Ben Johansen and E. Anderberg, Mr. Jack Britton, and Mr. J. Elliott of Sacramento, Mr. and Mrs. Ted Clark from Santa Monica, in addition to the local guests. Friday evening the Hussar Lions Club held the second of its series of dances which they hold the 1st Friday of each month. The program is threefold. Those who prefer to play bridge, dance or have lunch, which is served throughout the evening.

Mr. and Mrs. Ted Clark returned from an extensive tour of the north country, and are visiting their daughter and son-in-law Mr. and Mrs. W. W. Christensen and granddaughters. Wednesday Mr. and Mrs. L. M. Clark, B. returned to Calgary. Mr. Clark has finished his harvesting for 1936. Mr. J. Elliott of Sacramento who has been visiting Mr. and Mrs. Bell and other friends here left for his home Friday, with a stopover at Chicago on his way. Mr. Bell spent Friday and Saturday in Calgary.

the evening. Those who served lunch were Mesdames Roy Parker, James Stewart and Herbie Brillon. The evening's entertainment went with splendid success. Mr. L. Schunacher has moved a house down from Calgary for Mrs. Gordon Moulton. Moved the home belonging to W. Lays onto its foundation; has brought a small building over from the elevator; and has moved the fire hall from St. Stewart's lot to the permanent location in the public park; also moved a house in from the country onto the lot belonging to H. Law. The first tower has been moved from the farm of Richard Larsen and installed in the park. The new fire alarm has been installed too. Mr. and Mrs. John Tongstad and family topped to visit relatives in Hussar and Casselton on their way back to Edmonton, after a long stay in England. Mr. Tongstad is visiting in the public park, he came by plane and met his family here who came by boat. Mr. Jack Urleton has been down from Calgary for several days visiting at the home of his son and daughter-in-law, Mr. and Mrs. H. Urleton. Mr. Hardy Anderson has been drilling wells in Hussar. He has completed one for Ivan Anderson; one for the school teacher and one for Roy Warburton. Mrs. Ben Johansen was a visitor at the home of Mrs. Roy Parker this week. Another Hitler
Remarkable similarity between Nazism and Nazism is revealed in an autobiography of Egypt's pharaoh Nasser, Colonel Nasser. Entitled "The Philosophy of the Revolution," Nasser's book is a disquieting suggestive of Hitler's Mein Kampf.

Like Hitler, Nasser reveals himself as one of those who believe that human affairs can be reduced to simple, clear causes. For the Egyptian dictator there are two enemies and the Jews. Israel he believes, has no right to exist, and is nothing more than a military or political entity created by foreign financiers for the sole purpose of maintaining their rule over the Nile.

To exploit his pathological hatred for the Jews, Nasser resorts to old Hitler, to the point: human forces in his struggle for power-nationalism and poverty.

One answer is a franchise, build-it-yourself house designed by Canadians of Canadian aluminum. It needs no foundation; is non-corrosive and waterproof; is so lightweight that it is packed in cartons easily carried by plane, jeep or even horse.

The Colombian government has ordered 1,200 of them to help relieve the shortage of rural housing in that South American country. So it's not surprising, with aluminum travelling so far and doing so much, that Alcoa is again increasing its aluminum capacity in both Quebec and British Columbia.

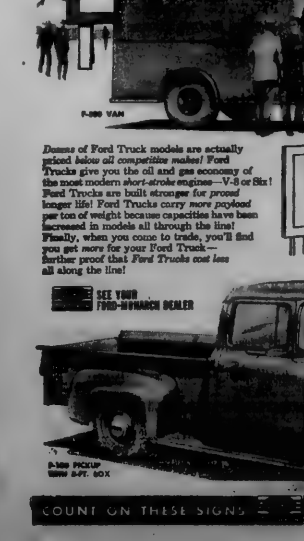

Bungalows by Burro
The United Nations estimates that 120 million families in underdeveloped areas lack adequate housing. One answer is a franchise, build-it-yourself house designed by Canadians of Canadian aluminum. It needs no foundation; is non-corrosive and waterproof; is so lightweight that it is packed in cartons easily carried by plane, jeep or even horse. The Colombian government has ordered 1,200 of them to help relieve the shortage of rural housing in that South American country. District Ag. Notes
The Alberta School of Agriculture and Home Economics prepared 14 year olds and over for a useful and successful life. You'll have a wonderful time at any of these schools, among the gay companionship of congenial boys and girls.

How advantageous it is for any girl to have a thorough training in cooking and sewing and all that goes with proper management and care of a home. It is knowledge that will be useful whatever profession she chooses. The Schools of Agriculture also prepare her for the business world and at the same time provide ways for developing her personality. She can relax and enjoy herself through dramatic, sports and various social activities. It is learning to do a downright enjoyable way. Just ask past graduates. Something new has been added for the girls this year. It is a course called Vocational Home Economics. This course will include: food, clothing, home management, typing, bookkeeping, English, public speaking, horticulture and poultry. On completion next spring she has a fine chance for immediate employment.

The schools open Tuesday, Oct. 15 and closing exercises will be held April 10, 1937. K. H. WALKER Dist. Ag. **Dalemed Notes** BY D. G. C. Paul and Betty (Cleveland) Harri received word of the death of Paul's father in Vancouver. Marjorie and Janet Vander Velde

The pictures are home on holiday are leaving soon to return to Africa where Ludwig works for Agriculture Dept. Mr. Hulen has accepted a job with the CFB in Calgary.

DANGER SIGNAL
Further danger signal on trade front is fact that U. S. Smith, traditional expert of cotton, tobacco and other farm products, is turning towards protectionism. Reasons for change in attitude towards trade is rapid industrialization of state south of Mesquith. Based on prosperity of Southwestern, based on manufacturing industries, is seriously threatened, as is prosperity of Canada, by cheap imports from Japan. U. S. Democratic party's decision to cut down free trade in favor of thinly disguised protectionism bodes ill for Canada's economic prospects.

Rye Bread
1. Measure into bowl 1/2 cup lukewarm water 1 tablespoon granulated sugar 1 egg
2. Soak yeast mixture 1/2 cup warm water 2 tablespoons soft shortening 1/2 cup molasses 1 tablespoon oil 2 teaspoons cornmeal seeds, optional
3. Turn out on lightly floured board and knead until smooth and elastic. Place in greased bowl and brush with melted shortening. Cover. Let rise in warm place, free from draft, until doubled in bulk—about 1 1/2 hours.
4. Punch down dough. Divide dough in half. Shape each half of dough into a loaf. Place loaves, well apart, on a cookie sheet sprinkled with cornmeal. Cover with a damp cloth. Let rise until doubled in bulk—about 1 hour. Brush each loaf with a little cold water. Bake in a hot oven, 450° F. 10 minutes. Reduce heat to moderate, 350°, and continue to bake until loaves sound hollow when tapped with knuckles—20 to 25 minutes longer. Yield—2 loaves.

Nightingale News

BY MRS. D. D.
Mr. Thorburn, a resident of Nightingale in 1913 was a visitor at the home of Mrs. Anna Larson recently. This was the site of his former home when he was a member of the Nightingale colony. His

now lives at the coast. Another oldtimer, Mr. Anderson was also talking over his old home. Mrs. Edna Joel spent part of last week at Penhold with her daughter Mrs. Doug Larson before she leaves for her new home at Portage in Prairie Dog left earlier in the week and Kathleen will join him when he locates a house.

Mr. and Mrs. Ted MacConnell left for their home in Oregon recently after an extensive visit with relative here.

Diana Kinney has written her mother from Goodland. She is enjoying her trip very much and tells an amusing tale of running around Loch Lomond. She hopes to visit Ireland soon.

Mrs. Daphne Osborne and Mr. Mid Watson drove to Bragg Creek on Sunday.

Mrs. Howard Christofferson is busy hauling grain to the elevator. Diana Ludwig is staying with Mrs. Norman Harriman now that her sister Betty has returned to her home.

Mr. and Mrs. Bruce Brighon, their two children and Mrs. Brighon Sr. from Vancouver were visitors for two days with Mr. and Mrs. Lee Kinney recently.

We are sorry to hear that Harry Harriman broke his toe when he dropped an airplane part on it at Penhold.

Harvey Douglas was sick for several days last week.

A tea and sale will be held in the Nightingale Hall Oct. 8.

Because of Mrs. C. Skinner's illness, Mrs. Roger Kinney was hostess to the W. I. Sept. 19. The roll call, A School Day Versus I remember, was well answered by all. Members are asked to collect coal to send away for blankets. Mrs. Larson will send it away when there is enough on hand.

Two bundles of clothing for the Tishkara Service were brought to the meeting. Will any others who wish to send used clothing please take to Institute as soon as possible.

Mrs. Osborne offered to collect vegetables for the Red Cross hospital for patterns of nightgowns and drawboots for the members to sew.

Plans for a tea and sale in the hall were discussed. Further arrangements will be made at the next meeting Sept. 28. There will likely be parcel post, bingo, a bake sale, sewing and tea. It was decided to charge 10c for tea.

Mrs. Roger Kinney, assisted by Mrs. Lee Kinney and Mrs. Norman Harriman served a lovely lunch to nine members and several children.

All members are asked to help with the lunch next meeting. Those who will be away to appear Siltimer. There will also be a charge of one cent for each loaf of bread sold.

Dressing Rooms And Front Of Arena Rounding Into Shape For New Season

Money derived at Strathmore this year is about the new halls been used on the aluminum but they prove inefficient and the committee will have to determine a new course to take to prevent the leaks, which damage the lumber in the building.

Under the supervision of Al. Morton a good amount of work already has been done at the rink and the program will continue until ice is in the rink. For this year a building unit has been installed, boys and girls dressing rooms, roughed in and an area for a cafeteria built. As well a planned in arena has been built for persons to watch skating and hockey while enjoying the comfort of the heated main hall.

Heating will be supplied by forced air with coal as the heat ingredient. Several members of the rink were looked into and rink officials felt a stake unit would provide the most economical heat.

The dressing rooms at the west end of the rink which were used last year will be kept for visiting clubs. The new dressing rooms, at the east end, are spacious and well heated. Construction of the east end has been done so as to provide future seating space in a balcony. Some concrete work is yet to be done while part of the rink floor will be rebuilt. Arena officials are disposing of the concrete blocks, purchased for the rink, at cost. Much progress has been made in the interior of the rink so far and a good deal more will be done before weatherman gives the youngsters the green light to lace on their skates.

Evelyn Risdon Honored At Shower

Monday evening in ladies played at hostess at a miscellaneous shower in the Memorial Room of the Strathmore United Church, in honor of Miss Evelyn Risdon.

Seated at the head table with the bride to be was her mother, Mrs. Bill Risdon and her aunt Mrs. Harry Bolewale. Mrs. Norman Scher was K. C. for the evening.

Mrs. Ken Goss and Mrs. Mary Mercer sang three lovely duets accompanied at the piano by Mr. Upton. Mrs. Upton played two solos which were enjoyed by all.

The hostess presented Evelyn with a shibbole bedspread, among many other lovely gifts.

After opening the gifts and passing them around for everyone to see, the bride thanked everyone.

For the bride's last good friends was sung. A dainty lunch consisted of the evening.

QUEEN OF AMATEURS WILL NOT TURN PROFESSIONAL

Conquering heroine's welcome was accorded Marlene Stewart on her return to Fossil, Ont., her home town. A huge mob of friends and relatives testified to her victory in the U.S. women's amateur golf championships. Her other principal victories—the British and Canadian amateur championships—were laid to rest in the past, and she was as good as a four-time winner to win the 26-hole final two and one. She says she will never turn professional.

WILLIAM LAYCRAFT DIES SUDDENLY

A pioneer farmer of Strathmore, William A. Laycraft died suddenly in hospital Thursday morning following an operation Wednesday.

Injured when struck in the head while working on a swathing machine Monday afternoon Mr. Laycraft was rushed to hospital, following the operation he appeared to rally and then died. He was 72 years old.

He was born in Quebec in 1884 and came to the Strathmore district in 1917. He farmed for many years four miles West of Strathmore.

Mr. Laycraft was predeceased by his wife in 1954. He is survived by two sons, Oliver of Strathmore and Norman of Ottawa, as well as six grandchildren.

The funeral will be conducted Saturday.

Golf Club Agrees To Grant Lease

The Strathmore Golf Club voted at a general meeting Tuesday evening to lease the premises to Harold Dauphine of Calgary and E. L. Gray of Strathmore for five years with option to renew.

Gray and Dauphine plan immediate plans to reconvert the clubhouse, landscaping the course and in general put the nine-hole layout back in good shape. The new operation of the course plan to sign up several members from Calgary and also hope to revive interest in the links sport in Strathmore and district.

Tom Chamberlain will continue as club president while H. C. Willson will act as secretary-treasurer.

Others on the executive include Carl Sorenson, Ray Ferguson and J. W. Clifton.

Few Applications In Feeder Group

Applications for the Western Feeder Association of Strathmore have been rolling in slowly, according to secretary R. A. Ferguson. Officials of the newly formed group had hoped to have all applications filled by the first of the month but late harvesting has prevented many from entering the association.

The present high price of livestock also is probably holding some farmers back from taking old stock.

Strathmore W. A.

A dainty lunch served by the hostess Mrs. Norman Scher was most welcome at the close of a regular meeting of several members of the Strathmore United Church W. A. at the home of Mrs. O. Rob-

THANKSGIVING DAY

Thanksgiving Day is a holiday, Thanksgiving is a time when everyone should take a few minutes to express their gratitude for what they have. Most often the life enjoyed by most Canadians is taken for granted. The fine schools attended by children are taken for granted; the many other things like the short work week which give parents time to enjoy with their children. Thanksgiving is the time to purchase a turkey and enjoy a good dinner. It is a day when millions who are grateful to reflect on the many things you and your family have to be thankful for.

This is national newspaper week. In the newspaper business we like to think it is a little more important than national (at least for national newspaper week). Many people take newspapers for granted. They take them through their wraps. They get them and they get them. They don't pay much attention to the work and effort involved in putting them out.

Newspapers are important to your life. They outline the day for you. They tell you what is going on. They tell you what you need to know. They tell you what you need to do. They tell you what you need to be. They tell you what you need to have. They tell you what you need to be. They tell you what you need to have. They tell you what you need to be. They tell you what you need to have.

On Art and Publicity

Publicity is a powerful weapon. It can raise a revolt, it can overthrow a king, it can make a man a hero, it can make a man a villain, it can make a man a saint, it can make a man a sinner, it can make a man a god, it can make a man a devil, it can make a man a hero, it can make a man a villain, it can make a man a saint, it can make a man a sinner, it can make a man a god, it can make a man a devil.

I doubt if a local painter ever dreamed of an inquiry or order, but the headlines the one that was displayed last week in Calgary. Thousands of people went out of their way to see it. Friends stopped to look at it. Friends stopped to look at it. Friends stopped to look at it. Friends stopped to look at it. Friends stopped to look at it.

What caused the furore? Was it a picture, a story, a long lost Rembrandt? No, it was a nude! And it was displayed in a window on Eighth Avenue.

One of the things that has made Strathmore famous is the fact that it has made so many authors and their books famous. A book banned in Boston is a sure fire best seller. The author's success is assured for years. Will Calgary be any different? Will Calgary be any different? Will Calgary be any different? Will Calgary be any different? Will Calgary be any different?

Nightingale Notes

BY MRS. D. D.

There will be church at Nightingale Oct. 14 at 8 p.m. We hope as many people as possible will come and meet Rev. Mr. T. P. Smith.

Mr. and Mrs. Ted Jool were out with Mrs. Jool at her farm. The weekend, Ted and Frank Smith were harvesting Knaus Larsons crop.

On Oct. 1 met at the hall Friday, Sept. 25. The roll call, Ways to Appear Slimmer was well answered by all members. All the breads were made and one cent for each loaf was added to the treasury.

Letters from mental health, U.S.A. and Unitarian services were read. Several bags of wool were brought to be sent away for blankets. More parcels of used clothing were collected for Unitarians.

Mrs. Osborne displayed a nightgown of the type the Red Cross needs. Thirty yards of pink and blue flannel were to be purchased and uniforms made from it.

Mr. Albert Kinnison met by all members. After the meeting Calgary with Mr. and Mrs. Ronald Johnson last Friday.

At the ladies present there were

Start New Life

It is a mistake to try and keep in touch with the old routine and business relationships when you retire, says The Financial Post. It is not good for the retired and not fair to the younger men carrying on. Per better to make a clean break and seek a new and different type of employment.

In many opportunities—public or private, hospital administration, serving on boards of universities and social agencies.

It quotes the former head of Inland Steel, Clarence Randall, with obvious approval: Such organizations, he says, could not possibly afford to pay for the quality of a life and devotion which the happy retired man is willing to give. The only protection required is that the new responsibility be accepted for a relatively short term or with a natural cut-off date.

Fresher natural flavor!

News From Gleichen

BY MISS J. E.
Wednesday afternoon last in the Recreation Centre in Gleichen, a lovely shower was held in honor of Miss Shirley Gooch, a bride elect in Oct. Mrs. Jean Duncan conducted two continents before a delicious lunch was served.

Many beautiful and useful gifts were presented to the honored guest by Mrs. R. Itakaya.

In the absence of Miss Jeannette Gibson, an Arna Bollinger assisted in the bride elect in unwrapping the gifts. Mrs. Gooch, Shirley's mother, also assisted and friends present the gifts around for all to

view. Miss Gooch graciously thanked all for their wonderful gifts and kindness to her and mentioned they expected to reside in Gleichen for awhile. She gave all a cordial invitation to visit them in their home.

Douglas Wilson and Victor Loyal are attending Mount Royal College in Calgary.

Bob Wilson is attending St. Mary's Wood School in Calgary.

Frank Woods of Brooks and children of Calgary were recent guests at the home of Mrs. E. Woods.

The sale of home cooking by ladies of the United Church W. A. proved a great success. It was held a week in Northern Alberta.

In Dr. G's store and the ladies found themselves swamped with customers for the food displayed. Recently a report reached town that No. 1 has arrived at the home of Mrs. Alex Murray of High Prairie.

Mrs. Wm. Wallace left recently for Sask. for a visit with relatives and friends.

Mr. and Mrs. Austin Horn returned from a three week holiday in Montreal visiting their daughter.

Miss Lee Murray appeared recently on TV in Calgary. All the Gleichen people who saw her in action thought she acted her part Spokane where they will reside.

Larry has signed up with the Spokane hockey team for the season. All his friends here wish him lots of luck.

Mr. and Mrs. L. J. Morrison and Mrs. J. E. Morrison returned from a five week holiday in Ontario. They motored to Deep River where they were guests at the home of Mr. J. J. Morrison and Mrs. Morrison. Later Mr. and Mrs. Morrison motored to Rhinoceros where they visited relatives for a few days. Mr. Morrison attended the general council of the United Church in Windsor. Mrs. Morrison visited friends in Peterborough for a week before returning to Alberta.

Miss Jean McLean left for Calgary this week to attend business college.

Final Plans for Halloween Dance

Completed By Strathmore Lions Club

Final plans for the annual Halloween Dance Oct. 31 were made at the regular meeting of the Strathmore Lions Club in the Memorial Hall last Thursday evening. Due to farmers being busy with harvest operations a small turnout was on hand and George Hinton took the chair in the absence of president John Fisher.

Prizes will be awarded for the best dressed, best costume and most original costumes in both ladies and men's classes. Non-members will be available and indications are the event will again be a huge success. Music will be supplied by the Strathmore band of Carleton Place.

At the next meeting, swimming instructor Pat Keer and those who passed provincial tests this year will be invited to receive their certificates. A suggestion was made to have a pump at the pool to better working order for next year and this will be looked after.

The club plans to purchase a wreath for the annual Armistice ceremony. The same meeting, slated for last Sunday, will be held this Sunday.

Wedding

PROFITTA — RISON

Miss Rita Evelyn Hinton, daughter of Mr. and Mrs. William of Strathmore, became the bride of Mr. Vincent Profitta, son of Mr. and Mrs. Frank Profitta of Clifton, N.J. in a recent double ring ceremony at the Strathmore United Church.

The bride, given in marriage by her oldest brother George, wore a cocktail length gown of ivory tulle with a train of white tulle. Her hair was styled in a low chignon with a veil of white tulle.

The wedding reception was held in the Memorial Hall of the Strathmore United Church. The bride and groom were accompanied by Mr. and Mrs. Profitta.

Final Plans for Halloween Dance

Completed By Strathmore Lions Club

Final plans for the annual Halloween Dance Oct. 31 were made at the regular meeting of the Strathmore Lions Club in the Memorial Hall last Thursday evening. Due to farmers being busy with harvest operations a small turnout was on hand and George Hinton took the chair in the absence of president John Fisher.

Prizes will be awarded for the best dressed, best costume and most original costumes in both ladies and men's classes. Non-members will be available and indications are the event will again be a huge success. Music will be supplied by the Strathmore band of Carleton Place.

At the next meeting, swimming instructor Pat Keer and those who passed provincial tests this year will be invited to receive their certificates. A suggestion was made to have a pump at the pool to better working order for next year and this will be looked after.

The club plans to purchase a wreath for the annual Armistice ceremony. The same meeting, slated for last Sunday, will be held this Sunday.

Wedding

PROFITTA — RISON

Miss Rita Evelyn Hinton, daughter of Mr. and Mrs. William of Strathmore, became the bride of Mr. Vincent Profitta, son of Mr. and Mrs. Frank Profitta of Clifton, N.J. in a recent double ring ceremony at the Strathmore United Church.

The bride, given in marriage by her oldest brother George, wore a cocktail length gown of ivory tulle with a train of white tulle. Her hair was styled in a low chignon with a veil of white tulle.

The wedding reception was held in the Memorial Hall of the Strathmore United Church. The bride and groom were accompanied by Mr. and Mrs. Profitta.

News From Gleichen

BY MISS J. E.
All my many friends are glad to see George Evans home from hospital and around town once in a while visiting his friends.
Mr. J. H. Beach was a Calgary visitor Friday.
Mr. and Mrs. R. Hunter and Mr. and Mrs. Norman Kiddell motored to Standard Friday evening to attend the fashion show which they enjoyed very much.
Friday evening last a fairly well attended F.W.T.A. dance was held at Meadowsbrook hall. The lucky first bidder for a satin quilt and cushion was Mr. Mary Dean, and the lucky bidder for the motor robe was Mr. Hunter.

Mr. and Mrs. Tom James and family of Calgary visited relatives in Gleichen last night 19 days.
Mr. and Mrs. Lloyd McLean as a weekend guest the latter's wife Miss Ruth Page of Calgary.
Mr. and Mrs. J. Kiewson and children left recently on an extended trip to visit relatives in New Mexico.
At a well attended meeting of the Gleichen Home and School Association held in Gleichen school Oct. 18, Mr. Holman, Rupt. of the school, gave a talk on school progress and how to use them to the best advantage for all. President Mrs. Constance Bissett presided and Mrs. Norman Abernethy acted as secretary in the absence of Mrs. George Grant. The members

decided to donate \$10 toward a membership fee in the film county. There are eight blocks of film during the year with each block consisting of several films which can be used by the Home and School whenever they desire them. They can be presented at Strathmore.
Mr. and Mrs. Cam Evans have recently purchased the residence of Mrs. McCallum and have to move in soon.
Mrs. McCallum is at present in Calgary where she hopes to buy a smaller home.
Mrs. George Grant attended the Bissett Home and School meeting for three days and returned Thursday after spending a day in Calgary. She enjoyed the work shop and thought it was a very inspiring and interesting conference to attend. If everyone could cooperate and use all the advantage we have a lot more could be accomplished. It seemed to be the keynote of the meetings. They were shown what had been done in the past year, by the Home and School Association.

The beautifully new Bel Air Sport Coupé with body by Fisher.

**JUST OUT AND JUST WONDERFUL!
SEE THE '57 CHEVROLET TODAY!
IT'S SWEET, SMOOTH AND SASSY!**

Chevy goes 'em all one better—with a daring new departure in design (looks longer and lower, and it is!), exclusive new Turboglide automatic transmission with triple turbines, a new V8 and a bumper crop of new ideas including Fuel Injection!

New right down to the wheels it rolls on—that's the '57 Chevrolet! By now you know it's new in style. But treat yourself to another look. Let your eyes linger on that stylish new bonnet, that daring new grille, the deeply hooded headlights, the saucy new slant of those High-Fashion rear fenders. Chevy's new and Chevy shows it all over! It's grinner and lower for '57. And Chevrolet's new in lots of ways that don't show up in our picture. It's new in V8 power options that range up to 245 h.p.* Then, there's a choice of two automatic drives as extra-cost options. There's an even finer Powerglide—and now, nothing-like-it Turboglide that brings you Triple-Turbine take-off and a new flowing kind of going. It's the only one of its kind—the newest, sweetest, smoothest automatic of them all!

The new Bel Air 4-door Sedan—one of 20 styling new Chevs.

NOW—FUEL INJECTION OFFERED FOR THE FIRST TIME!
Greatest engine advance since overhead valves! Chevrolet engines with Ramjet fuel injection, available at extra cost in the Corvette and passenger car models, deliver up to 283 h.p. Come see the new car that goes 'em all one better—the new 1957 Chevrolet!

Only franchised Chevrolet dealers display this famous trademark.

News From Standard

BY MRS. E. A. Standard Chapter No. 10, OES sponsored a very successful fund-raising drive of fall bunnies to a large sale at the Community Hall on the evening of Oct. 21. The show was also outstanding. Soft music supplied by Mrs. Walter Hynes and Mrs. Kira Miller, formed the background for the evening. The bunnies sold at a wide variety of prices.

More Coffee?

It has been testing worthy aluminum irrigation systems to increase the coffee crop. Results are starting to show and are more than doubled. (Note: It is applied only to half of the coffee crop, production would be increased by 1,700,000 bags! One new Canadian farmer has found another way to use Canadian aluminum. Piping for orchards, field crops and food and siding for homes, bridges and dams... cases and poles for dairy farms.

Canadian output of primary aluminum is being further increased to supply the needs of these and a thousand other products useful in agriculture, industry, defense and the home. ALUMINUM COMPANY OF CANADA, LTD. (ALCAN) at Capital Electric & T. Phone 48

Home and School Square Dancing Starts Friday

A good turnout of parents was on hand for the monthly meeting of the Strathmore Home & School Association in the auditorium of the Strathmore School Monday evening. President Carl Norstrom was in the chair.

After the routine business had been discussed some talk was accorded the formation of the square dance club. First meeting of the club will be held at the auditorium Friday evening at 8:30. All parents interested in joining the club are invited to attend.

A number of touring students were brought up by school principal W. L. MacKenzie. He pointed out the plan had been in effect with good success at Carleton Place for a year and recommended the plan be continued by the executive here. Mr. MacKenzie said three children already have suffered fractures this year. The plan protects children going to, coming from and at school. It also affords protection at sporting events, sponsored by school officials and is paid for at a nominal cost to parents.

Entertainment was provided by Miss Margaret Marshall, in charge of child guidance for the Calgary School Board. Following her introduction all parents were divided into groups of six for quiz sessions. Each group was given a question which was presented to Miss Marshall by Mrs. Mary Mercer and Mrs. Gerry Vander Velde. Mrs. P. English and Mrs. E. L. Gray reported on the workshop they attended recently at the Banff School of Fine Arts.

The meeting closed with lunch and an enjoyable social period.

Hussar Lions Club Plans Charter Night

The energetic Hussar Lions Club will celebrate its first anniversary with a Charter Night banquet Friday, Nov. 3, starting at 8:45 p.m.

A full evening of entertainment has been lined up and the event should prove a major success. The district governor and some chairs will be on hand and invitations have been sent out to members of nearby clubs.

Those in charge of guiding the club during its initial year include: President, Herby Rapp; first vice, A. P. Bemmeger; second vice, Eric Hansen, third vice, J. A. Anderson; secretary-treasurer, Jim Stewart; Hon.orary secretary, H. W. Olson; tall waiter, Harry Douglas; director, W. O. Barker; Harry Miller, H. L. Hamilton and Aage Reinholdt.

At his first year the club has done much work in the progressive community of Hussar.

Strathmore Legion Plans Big Bingo

The Strathmore Legion will sponsor a \$500 bingo in the Memorial Hall, Monday, Nov. 12, featuring 20 games with two major jackpots prizes. In the past the branch has concentrated on cash bingo but the executive feels bingo players would rather receive prizes.

Proceeds from the event will go toward upkeep of the hall. A complimentary Day service will be held Nov. 12 with the church services honoring the war dead, dated Nov. 11. Annual Legion smoker will be held Nov. 18.

WHO'S AFRAID OF HALLOWEEN SPOOKS?

Instead of being frightened by the Halloween 'ghost' pumpkin, this little miss climbed right inside it. Even the black cat and the witches running along the walls hold no fear for her. Her name is Cheryl Jones and she's wishing you a happy Halloween.

Cluny Notes

Cluny 4-H girls club organized by Mrs. Norma Jean Gray of Brooks.

The sewing and cooking club elected officers for the coming season: President, Lella Nicholas; Vice-president, Joanne Banks; secretary, Marilyn Goldsmith. A group of 30 members registered and the leader is Mrs. H. Goddard and assistant is Mrs. B. Clark and Miss A. Hayward.

The United Church W. A. held a successful annual chicken supper and bazaar in spite of the cold.

A shower was held on the hall for Miss Denise Beaudin Oct. 29, whose marriage to Mr. Larry Gordon takes place Nov. 5 at the St. Mary's church.

The opening of the public school will be held Nov. 14 at 8 p.m. Don't forget the Board of Trade meeting Nov. 5 in the hall at 6 p.m. This is important.

A very nice shower was held in the hall Monday evening for Mrs. Stanley Kenechuk (nee Hattie Porter) who was recently married. Mrs. Collier was the hostess. The bride's party, Mrs. E. Watson was second highest.

Mr. Fairbairn held the interfaith to fall and held his hip badly last week but is improving rapidly at his home.

Mrs. Arkell of Calgary spent a couple of days at the home of Mrs. H. Hainche and while in town visited with her friends.

Nightingale Notes

BY MRS. D. D.

Ivan Walls is working at Carleton Place as hopper man for the M.D.'s gravel crusher.

Harvey Douglas had the misfortune Saturday to drive a nail clear through the palm of his hand.

There was no Sunday School last Sunday because of the drift-storm and west roads. The teachers were unable to get through.

A number of Nightingale people attended Cliff Way's sale last Thursday.

Don Dougan is working at present on the Rosebud Highway between gravel.

Mrs. Mary Mercer is somewhat better after a long spell of feeling under the weather.

Mrs. Daphne Osborne has been having considerable trouble with her teeth, making several trips to Calgary necessary.

Dennis Johnston attended the COIT dance at the Armours in Strathmore Friday night.

We are glad to hear Herb Burke is back home from the hospital in Calgary.

Carlsland Farmer Killed By Train

William Kowalschuk, 32 year old Carlsland farmer, was instantly killed around noon last Sunday when the one ton truck he was driving collided at a crossing with the CP's westbound Canadian.

He was alone in the truck at the time and by conditions prevented him from braking to a stop to avoid the collision.

He is survived by his wife Lillian; two daughters, Bernice and Lenore of White Rock, B. C.; his parents Mr. and Mrs. Daniel Kowalschuk of Athabasca and four brothers, Joseph and James of Lepid, Michael in South Edmonton and Alex in Athabasca.

Baintree Notes

Mr. Howard County left to attend the Old School of Agriculture on Tuesday.

While Mr. and Mrs. Kienie and Mr. and Mrs. Tucker were playing crib the other night, Mrs. Tucker was quite excited when she received a perfect crib hand.

Miss Lucille Hoeche and Miss Beth Lyons returned to their homes Wednesday to spend a long weekend.

Mrs. Clara County spent several days in Calgary last week, the guest of her daughter Marie. Frank Kyrton, C. County and S. Brown, journeyed north this week in search of the elusive goose. Their families are hoping they'll be bringing some home.

George Lockie Heads Curlers

George Lockie was elected president of the Strathmore Men's Curling Club for the 1950-51 season at an extraordinary meeting held Monday evening. Indications are that interest will be high this year over given as 34 attended the meeting.

Others elected include: Vice-president Emory Jackson; secretary-treasurer, H. C. Willson; rinkservicer, James Branson, Roy Young, Les Mages, Roy Thurston and Bill McNeill. Past president, Dunster Rhodes will remain on the executive.

There will be the same as last year at \$9.75 for country curlers and \$12.75 for town players. Treas. Willson reported the club had \$11.42 in the bank with \$465.50 owing on the rock fund, part of which will be paid this year.

The season will open with a club bonspiel as soon as proper ice is available. A committee will keep into the matter of recording the season with a banquet.

Social Notes

During the month of Nov. the Strathmore United Church will conduct an Every Member Visitation Campaign to counsel on participation and stewardship for the church. Considerable planning is now underway by the women committee headed by Dr. John Gillett, local chairman.

Mrs. Gladys Morgan and Mr. Hugh Berry have left on a trip to the Mayo Clinic at Rochester, Minn.

Mr. and Mrs. Tony Zychak and family have moved into the house formerly occupied by Mr. and Mrs. Diet Fraser on 8th Street.

Secretary R. A. Ferguson of the Strathmore Federated Association reports several applications have been received for membership. This seems like a good chance for farmers to make a little money with cattle.

Mr. and Mrs. Charles Haworth will attend the presentation to their son Dale of the 116th James Smiley Scholarship at the Technical School in Calgary next Wednesday evening. Dale achieved high marks in his class of electronics last year.

Members of the Strathmore Mrs. H. and their wives and girls friends will enjoy a social evening on the 11th of Friday night.

The Strathmore 4-H Boys' group started training for the season Tuesday evening, under the direction of new scoutmaster, Const Doug Stinson.

Members of the Strathmore COIT held a Halloween party in the Drill Hall last Friday evening. Games by 4-H members were played, followed by dancing. Mrs. Doug Stinson and Allen Haber were in charge.

Elvis Presley has would have appeared on his 11th and 12th birthday shows, performed Oct. 29 when Woodyette as Miss Presley, Miss Betty Martin, Mrs. Irene Keane, Mrs. Helen Smith and Mrs. Mayne Martin along with Mrs. Mary Norton as Joseph, journeyed to a Halloween masquerade party put on by Standard Ladies Auxiliary at Standard on Sunday.

All report a splendid time, and many interesting and novel costumes. Their families are hoping they'll be bringing some home.

Change In Quebec

Will the report by two printers of political immorality in Quebec — lies and corruption — condemn the clergy — or will it state the strength and popularity of Premier Maurice Duplessis' Union Nationale?

Just possibly, Blair Fraser writes in Maclean's Magazine, this may indicate a turning of the tide. There is at least some reason to believe that in the 1964 campaign the seal of the Union Nationale overbore its mark. The prospect

Shoot first and ask questions later?

This adage may have had its place in bygone days when the safety of the community depended on immediate and effective action against prowlers. It has no application and especially not by hunters.

Hunting is one of Canada's largest participative outdoor sports. Hundreds of thousands of men and women from every province enjoy joyful recreation from the days afield on the annual hunt.

When Alabama asks about how
the industrial sector of On-
tario is doing, I tell them that
the province is doing as well as a year
ago despite a shift to U.S. coal. But
I also let them know that we will have had to
take a little bit of a hit in the
oil sector. I tell them that we have
lost a little bit of market share in the
oil sector, but that we are still a
major player in the oil sector.

Christmas Light-ups

Always Better
 With Butter

Ice cream and crunchy almonds top these gay Christmas Light-Ups. But the real flavour is baked right in. It's butter—fresh creamy butter—lending its mellowed flavor—enriching it with its natural goodness. Remember, for all your festive baking and right through the year, "It's Always Better with Butter."

News From Gleichen

BY ALISS J. E.
 Mr. and Mrs. Wm. Edgar and family from Port Macleod were guests of the latter's parents, Mr. and Mrs. George McLean last week. Mrs. Edgar and her family arrived in Gleichen Wednesday evening where they will be the guests of the former's parents, Mr. and Mrs. C. Klump for the rest of the week. They were joined by Mr. Plouffe Friday evening when they came from Calgary after attending the teachers' convention.

Miss Ella Holland of London, Ont. stopped off enroute to the west coast to visit relatives in this district for a couple of days. Miss Holland is a cousin of J. Holland and Mrs. Plouffe.

Mr. and Mrs. A. McPhee and family visited relatives in East Coult. during the past week.

Mr. J. Page, Supr. of the United Kew-Hill mines at Carleton Place, is a guest at the home of his son-in-law and daughter Mr. and Mrs. Andrew McPhee. He is leaving this week for Toronto on an extended business trip.

Armistice Service will be held at the community hall Sunday, Nov. 11 at 11:30 a.m.

Mr. George Bell has been in the Holy Cross hospital for the past week. His many friends will be glad to hear he is improving.

Mr. Al Wilson, accompanied by Marie Pettit and Marie Yates of Oda, has gone big game hunting, out of Oda. Good luck boys.

November 12-17 is FUA Week

The co-operation of Alberta farmers will determine the success of this very important Farmers' Union membership drive. The issue is squarely up to the farmers to take this opportunity to build a strong Farmer's Union.

U. F. A. Coop, organized by farmers to serve farmers in the farm supply field, is keenly interested in the development of a strong Farmers' organization. To get a fair deal for agriculture it is essential to have a farm organization with a membership representing the majority of the Farmers of Alberta.

U. F. A. Co-op strongly urges all farmers and particularly its members to take an active part in F. U. A. Week. Join the Farmers' Union of Alberta. Get your neighbors to join.

DEAD PIGEON

Hussar Socials

BY MRS. M. C. B.

The Hussar Lions Club celebrated the first Charter Night anniversary

Nov. 2 with a turkey banquet

celebrated by Mrs. Fletcher and

her group from "Lioness". This was

followed by a very interesting and

enjoyable program. The hall had

been beautifully decorated for the

evening. The call to order was

given by Lion Harry Muller; the

Invocation by Pastor Olsen; the

welcome by Lion president Betty

Lion I. Anderson proposed the

toast to the queen. The Mayor,

Lion Bell gave the civic greeting;

the toast to the ladies was given

by Lion Heinrich, and responded

to by Mrs. Harry Muller. An approval

was given by Lion Repp. The

following distinguished guests

were introduced: Mr. Charlie Lane,

Dist. Gov. of B.C. and his wife

Leithbridge; Mr. Lion Richards, club

chairman and Mrs. Richards from

Calgary; special representative,

Lion Phil Hastings with Mrs. Hastings

from Oda; and Lion Jack

Thompson, with Mrs. Thompson of

Formosa.

A Lion quartet started the

program; Mr. W. Hodgson of Dard

gave a talk on woodcarving and

displayed several of his beautiful

carvings; an organ interlude by

Mrs. I. Anderson was thoroughly

enjoyed; the talks by Lions Jim

Anderson, Bruce Layton and

Chas. Lion were most interesting and

stimulative. Two clowns kept the

audience in good spirits with their

antics throughout the evening.

There were sing songs by all,

and the happy whistlers, by the

dwarfs, brought down the house.

A rummage was the work

planned during the year was given

by Lion Ed. Bell; the fire engine,

the fire hall, donated by Lion Jim

Stewart; the stove and the arm

lower donated by Lion Richard

Larson; the graving of landing

place for the school buses, etc.

The very successful program was

followed by a dance, during which

the hall was crowded to capacity.

The orchestra, Mr. McCallion, Lion

Monte, Jimmy Treacy and

Linton Treacy, followed up this

night's playing with playing for a

dance in Calgary Saturday evening.

Mrs. H. Hunter arrived from

Medicine Hat Thursday to join her

husband. Mr. Hunter is in charge

of the cutting and hauling rinks,

and carries coffee shop.

We are glad to announce Mr. and

Mrs. Buck-Schmidt, who were

present in their stove Friday after-

noon have recovered from what

might have been a fatal accident.

A bag of cement was put down,

the stove chimney Halloween night

and caused the furnace to plug up,

but the nature of the obstruction

was not discovered till after Ray

Hought investigated it, while the

chimney couple were under the influence

of the gas. Mrs. Sylvia Neilson,

a nurse from Calgary was visiting

her sister, Mrs. C. R. Wright and

was called in to administer to

them, and took care of them until

they had recovered sufficiently to

be moved to their home.

Mr. Nic Munroe and his sister

Mrs. Tom Brown left Monday for

Edmonton, back to visit their

parents.

Mrs. Don Brown returned from

a visit to her parents in U. C.

Mr. and Mrs. Treacy returned to

Calgary Friday and Joy returned

with them for the weekend.

Remember the turkey supper in

the basement of the Church on

Nov. 24.

Mr. and Mrs. D. Dundas took their

son Wayne to Bassano Friday.

There he was kept in hospital.

Mr. Stewart Williams is a nat-

uralist in Bassano hospital.

Mr. Harry Gordon McIntosh,

motored to Leithbridge Saturday.

Tuesday Mr. and Mrs. Wilbur mot-

ored to Leithbridge.

Mr. and Mrs. W. Schuchler motored

to Calgary Tuesday.

O.D. annual being held, has capacity

of 40,000 bushels; an annex to

Pool No. 3 will hold 60,000 bushels

of wheat and storage capacity, 750,000

bushels. In 1935 Husar shipped

27 cars of grain up to Feb. 1st,

Most of Canada's farmers are complaining of lower-than-average yields this year but not the sugar-beet growers. They have an above-average crop and have grown some of the largest beets on record as shown by the monster held by Florio Kozma. One of these, when reduced to sugar, would fill a 10-pound package. It is a \$20,000.00 industry producing not only sugar, but animal food, fertilizer and pharmaceuticals in Alberta, Manitoba, Ontario and Quebec.

More Newprint
Newprint output in Canada is 80,000 immatures since World War II. This has thrust a series of crises on the country, he says.

The nursing ranks of new school children and the horde of young people demanding entrance to universities have placed a growing demand on provincial and municipal governments. There has been a 40 per cent increase in public day-care for low and authority group children with the higher costs of day-care.

No Luxuries

An important point was raised by the Governor General during the Financial Post, when he stated in an Ottawa speech that: "Lay dwellers still need natural beauty. They have always known it and have when they could, surrounded their habitations with gardens, parks, lawns, stretches of water. Those amenities are not luxuries; they satisfy a profound need."
For the most part, fast growing Canadian cities and towns have been so engrossed in adding streets and buildings that they seem to have completely forgotten parks and trees. Mr. Massey does well to remind them of their lapse.

Granum Farmer World Wheat King

Seven world championships were declared at the 1935 Royal Agricultural Fair. Alberta exhibitors captured three of the world crowns. The wheat championship goes to William Deane of Granum. Deane took the title with a sample of Hard Red Spring wheat. This makes it two years in a row for Alberta with Grande Prairie's Robert Cochrane win last year. Another double was scored when H. W. Plummer of Mill River was the barley champion for the second year in succession. Hummel won with a 2-year sample. John F. Boulton of Alton captured the world oats championship for the third Alberta win.

In other classes entries placed high with several first places. George Jordan of Wembley took first in sweet clover and third in flax. A. L. Long of Warburg took first in flax. Corcoran, first in flax, was followed by Ralph Girvan of Glen Leslie with a second. Harvey Devereux, La. Glick, second in flax.

Bank Loans Show Major Decline

Bank loans to business contracted during Sept. reports The Financial Post. This is the steepest decline revealed in the chartered banks' latest monthly report to Finance Minister. It is the first decline since the end of Sept. 1934, when the total outstanding a month earlier. Preliminary figures indicate that there held fairly level through Oct.
This cut back in loans outstanding is doubly significant in that it comes close to the banking system. It marks the first month to month drop since Feb. 1935 when loans began their spectacular \$1.5 billion climb in 19 months.
The drop occurred during a month when there is usually a seasonal build up and not at a time when such credit might be expected to decline normally.

Red Cross Gives Aid To Hungary

The Canadian Red Cross Society has cabled \$10,000 in Canadian currency to International Red Cross authorities in Vienna to assist in providing emergency relief for an estimated 15 to 15 thousand Hungarian refugees who escaped into Austria prior to Soviet retreating. This amount is in addition to the \$10,000 shipment of drugs and medical supplies which reached Vienna recently.
The Society has been informed by the Vienna representatives that over 200 tons of urgently needed medical and hospital supplies have been delivered to delegates of the International Committee of the Red Cross in Budapest and have been distributed in Hungary in accordance with traditional Red Cross policy. A serious and potentially fatal respiratory disorder, site filler's

disease, can result from breathing the fine of fermenting sludge. Even though farmers may know that it is dangerous to enter a newly rimed site, their actions do not reflect their knowledge, said the authors of the report. Each of four patients seen by the physicians said that he knew that he was taking a risk when he entered a newly filled site.

the knowledge, agency, persons that their idea of this possible heard were not definite enough to make them regard the danger as real.

The disease in the four patients (two of whom died) followed a similar pattern. Immediately after exposure, coughing, difficulty in breathing, a choking sensation and severe weakness occurred. These symptoms remained to some degree for three weeks, when the second phase of the illness began. The symptoms became progressively worse, while chills, fever, and blueness of the skin appeared. Eventually the tiny air sacs of the lungs became clogged by the growth of the wall tissue.

Strange Safari

A quarter million dollar pre-war exploration trip into northern B.C. by an eccentric French born millionaire may have had a much more sinister purpose, Macquarie Porter reports to Macquarie-Monaster. Many who were on his expedition and who have Charles Huguier before the leader, are convinced it is a case of the mad man in the mad house. The safari, from Edmonton across an unexplored region of the Rocky Mountains toward Telegraph Creek, a tiny settlement standing not behind the Alaska Panhandle on the Yukon River of B. C., was arranged and paid for by Bedouin

a cousin of the Duke of Windsor and a popular figure in New York cafe society who had made a fortune from a world wide business management service.

In consisted of 20 men, three women, including Jodan's wife, 130 packhorses, a fleet of river boats and five French made Citroen tractor trucks. They started out from Edmonton in the summer of 1934 with cases of champagne and various wines, music and expensive food elaborate clothing, thousands of feet of movie film, costly map making equipment.

Most of it was to be used as a police force in the expedition never reached its goal.

Jodan was a Jewish and spoke fluent French. His public personality was that of a minor celebrity, a dandy in New York, London and Paris. But another side of his personality figured in the life of many a secret service. His contacts with the Nazi hierarchy

after World War I were at first clandestine and later, as World War II seemed, flagrant. On visits to Germany in the 30's he was frequently in the company of Major Gen. Karl E. Wilhelm Haushofer, the master of Hitler in the writing of Mein Kampf.

Now more subtle material in form of small white pellets is said to have 20 times the thawing up-throw of rock salt and to cause the flake calcium chloride. Heat is created by exothermic action just as soon as pellets come in contact with moisture.

Designed for industrial loading and parking areas, sidewalks and pedestrian walks, it begins working at once regardless of temperature to harmless to concrete, rubber, tires, shoes, gravel or shrubbery. Relatively non-toxic, it's completely safe when used as directed, claims the manufacturer.

Child Mortality Rate Declines

Mortality for children and young people at age five through 19 has dropped about 40 per cent in the short period since the end of the war.

The majority part of this recent decrease is due to control of the infectious diseases. The decline in children and young people. Child

tuberculosis mortality has been partly accident account for about one half of the deaths among boys and for one fourth among girls. The over all gains during the decade are attributed to good environment in the home, at school, and at play, and to advances in medicine and nutrition that have promoted the health of today's children and youth.

Accidents continue to constitute the major hazard to life among children and young people. Child

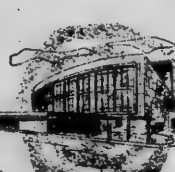

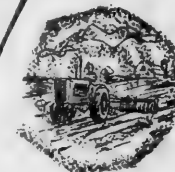

New Libraries

AN OVER THE COUNTRY progressive streamlined libraries are attracting an increasing number of people. writes Don Murray in the Nov. 10 issue of the fortnightly looking glass. The secret is simple: good merchandising. Libraries have come to believe that a library should be a supermarket of information, ideas and drama.

modern public library should have a big parking lot and glass walls, facing the street on that everyone can see inside and feel welcome. This is no untried theory. Studies show that many people are afraid to go into the formidable looking stone libraries built in the past. As a result these are gradually being replaced by shiny structures of glass and steel that are nothing like libraries. It Pays To Advertise!

CANADA PROPOSES U.N. FORCE FOR ISRAEL

Though Canada's representative at the U.N. Lester Pearson, right, abstained from voting for the U.S. proposal, advanced by Foster Dulles, left, that a cease-fire prevail in Egypt, the two delegates found common ground in a new Canadian proposal. Pearson said the U.N. should arm a neutral force, numbering perhaps 7,000 men, to guarantee the borders of Israel. Canada, he said, would contribute to such a force.

Public Spending

There is every evidence that the U.N. should arm a neutral force, numbering perhaps 7,000 men, to guarantee the borders of Israel. Canada, he said, would contribute to such a force.

There are new stories, emanating from Ottawa, to the effect that Mr. Harris, the minister of finance, will not reduce personal any trend. This would be to use income taxes next year because treasury surplus for reducing the public debt. It would mean the elimination of all public buildings money would be dangerously inflated.

There is of course, a misleading whereby govt could stop, or at least greatly retard, the inflation. This would be to use income taxes next year because treasury surplus for reducing the public debt. It would mean the elimination of all public buildings money would be dangerously inflated.

THE LIFE INSURANCE COMPANIES IN CANADA

In 43 years, foreman carpenter Frank Thoregood has seen many improvements in building methods. "Power tool, pre-fabricated sections and the use of new structural materials make all the difference," says Mr. Thoregood. "Development like these have simplified our work — and made for stronger, more fire-resistant buildings."

In building for the future, Mr. Thoregood has enjoyed still another advantage — through the wider range of funds available he can give his family because of modern developments in "Life Insurance." Life insurance gives today's families many new benefits. It not only affords them financial protection that is more flexible, but can also provide money for the children's education, for safeguarding the home mortgage, for arranging retirement income and for other purposes. In these and other ways, the life insurance companies have progressed with the times... meeting the needs of people in all walks of life.

Life insurance companies are a major source of mortgage loans for Canadian families — over \$100 million have been loaned and sixty-five million dollars in this way.

SISTER FINDS "DEAD" BROTHER

—Continued From Page 9—

McGuinness is a spiritual case and because of that Mrs. R. Watson is reunited with her brother, Jerry, whom she thought had been killed in World War II. Mrs. Watson's son, Ronald, decided to count the number of persons with the main name of his mother in the Toronto phone book and when he came to see Jerry McGuinness, his mother stopped him. "That was the name of my brother," she said, so Mrs. Ronald decided to give Mr. Jerry McGuinness a call and see if there was any relationship to his mother. It turned out that not only was it her brother, but he had worked with her son Jack in the same factory. A major family reunion was immediately planned.

BY MISS D.E.

A lovely shower was held for Mrs. Chris Christensen (nee Norma) Thurg Saturday in the church basement. Many friends, as well as relatives were present to honor the bride. The program was well in hand under the supervision of Ivy Fraser, who acted as mistress of ceremonies. May and Kay Nielsen gave a very charming duet on the piano. The tribute to the bride was given by Donna Smith. Donna Hudson moderated a quiz called "A bride's dinner course, in which the guests had a chance to test their skills. A mock wedding was characterized by five classmates of Norma's. After a very delicious lunch was served the bride opened her many presents and thanked all her friends.

The annual Trail of '58 was held in the community hall last Friday. All the surrounding towns, including Husar, Gleichen, Strathmore, Burnside and Bowhead were represented. Everyone reported having a very enjoyable and to some very profitable. The door prizes were won by two Standardites, Ed Peterson and Edith McGowan.

Charlie Madson and family were out to Hans and Annie Hefferton's for Sunday dinner, the occasion being the latter's anniversary.

Tommy Fraser and two companions from Husar returned home from their antelope hunt with one animal each.

The Danish Canadian Club presented a Danish comedy play entitled Uncle Jens at the community hall Nov. 31.

Our principal Mr. Bragg has gone to hospital for an operation. He will certainly be missed by his pupils, however he has assigned enough work to keep us busy for two or three weeks.

Many children as well as adults are waiting eagerly for the show coming Saturday, The Yearling, starring Jane Wyman, Gregory Peck and Claude Jarman, Jr.

Mr. and Mrs. Simon Jensen are pleased to announce the arrival of their third son, Robert Allan, born last Thursday.

Several cases of measles have been reported in our district. The two latest are Dennis Nielsen and Barbara Dunch.

Mr. and Mrs. K. Haddy had dinner guests from Rosedale Sunday.

Gleichen Events

Mr. and Mrs. Right and two boys of Brooks have taken up residence in the Norman Mission home for the next two years. We will welcome the Right family to Gleichen. It is so nice to have someone in the home again. Mr. and Mrs. Right will be pleased to welcome anyone who cares to call on them.

Nov. 16 the mission home was the scene of the annual fall supper. About 35 guests sat down to a bounteous turkey supper with all the trimmings. Following the supper an amusing program was put on by some of the members. Barnacle Bill and his lady love were there and a scene from the old west was staged by the junior members.

The ladies of the Relief Society have started their winter work. Every second Tuesday of the month is work day. Last work day the ladies set up a quilt and comfort quilt. Bazaar work was also given out to prepare for the bazaar to be held sometime next spring. The men started building cupboards. Of course the highlight of the day was the casserole dinner which everyone enjoyed.

Working Wives

If you think you are working harder than your wife, you're probably very much mistaken. A D. S. study based on six years of experience, says most men don't. Emergency consuming averages housewife on her chores; Three to five cents a minute, more than that expended by clerks, executives, most skilled trades. However, foundry and dock workers, farmers, use more than housewives.

Scarcity Money

Bank, investment houses and others indicate that there is a substantial flow of "scarce money" coming into Canada. Just how large this is a big unknown. But one thing is certain, flight capital is having its effect on the struggling Canadian dollar.

How long will the premium keep rising? Financial institutions by and large are not looking for any decline for quite some time. They admit more major purchases of equipment in the U. S. for such projects as the Trans-Canada pipeline may help bring the dollar premium down, but as long as the rate of economic expansion continues to have its effect on the strength of the dollar bill will continue to ride high.

Christmas Trees

What started as a fly by night affair has now developed into Canada's multi-million dollar Christmas tree industry. This year indications are that sales of trees to the U.S. and on the Canadian market will exceed all previous records, both in the numbers and dollar value.

Total sales this season are expected to be over \$12 million for 30 million trees. Prices probably will be higher.

Al Arena

Mondays, Wednesdays and Saturdays will be hockey nights in the Arena. Skating will be featured at the school from 2:30 to 5 p.m. each evening. Saturdays from 1:30 to 3:30 p.m. and Sundays from 1:30 to 3:30 p.m.

Skating nights will be Tuesday, Thursday and Friday from 7 to 9:30 p.m. Officials will consider a drop if parents are prepared to supervise their youngsters' skating. At present there are no plans for a planned as children attending school receive only a one-hour period and two to feel the time is not sufficient to eat, and also skate. In past years skating has been the rage at noon hours, especially by country school students.

News from Standard

BY MISS D. S.

Mrs. Thelma Nielsen had many friends at her home last Wednesday to help celebrate her birthday. The church basement was the scene for the winter wedding of Mr. and Mrs. Stan Larson last Wednesday evening. To help Mr. Larson remember his occupation in the future, bouquets of mixed grain decorated the tables. A very enjoyable program was given, after which a delicious lunch was served. Later on the honored couple were presented with a check of \$100.00 by the committee. Mr. and Mrs. Larson's three older sons were not able to be home for the occasion, however their younger son, Larry, and his little girl, Christine, were present.

A few of Donna Rodger's friends were at her home Thursday evening, the occasion being her birthday.

We are happy to hear Clifford Jorgensen, baby son of Walter and Sheila, came home from the hospital last Friday.

Mr. D. Bruce is also home from hospital and started teaching again Monday.

A farewell party was held for Mr. and Mrs. Axel Iversen last Saturday evening at the home of Betty and Walter Hansen. They will be leaving shortly for Denmark to spend Christmas with their family. In her honor Tuesday evening.

Lions Seek Aid For Hungarians

Members of the Strathmore Lions Club have joined with other Lions throughout the country in coming to the assistance of the Hungarian refugees now fleeing their homeland because of Communist oppression.

At the club's regular meeting in the Memorial Hall last Thursday evening it was agreed to cooperate with Lions International in Chicago in a fund raising drive. Dr. J. W. Giffen was appointed chairman of the local campaign and tag days were slated for last Saturday as well as this Saturday. Collection boxes for the fund are also available at all service stations and garages in town as well as several other business places.

The local Lions club also has assisted in sending aid to the Dutch and Winnipeg food relief funds.

Annual Christmas party will be staged in the Joyland Theatre on Thursday, Dec. 20 at 7 p.m. A fine children's program has been lined up by manager Len Larson and each youngster will receive a box of candy and a gift.

As there is only one meeting in December last week's meeting featured a delicious turkey dinner. Dr. Giffen thanks all patrons who supported Saturday night dinner sponsored by the club, which have now aided for the winter months.

Minister Aims for 6,000 Hungarians Here by Christmas

In Austria, Hon. J. W. Pickership, Canada's minister of immigration, is visiting Hungarian refugees in the principal bottling and transportation of freedom fighters and Christians.

Those in charge hope for good weather and a good turnout as a pleasant evening has been planned.

SEWING CURTAINS

They housewives were in a dither Thursday morning when the winter was temporarily shut off for a few hours because of a heavy snow, the system at the new subdivision. The lack completely drained the sewerage and the service had to be curtailed until a fresh supply could be pumped into the reservoir.

Minister Aims for 6,000 Hungarians Here by Christmas

In Austria, Hon. J. W. Pickership, Canada's minister of immigration, is visiting Hungarian refugees in the principal bottling and transportation of freedom fighters and Christians.

Members of the Strathmore Lions Club have joined with other Lions throughout the country in coming to the assistance of the Hungarian refugees now fleeing their homeland because of Communist oppression.

At the club's regular meeting in the Memorial Hall last Thursday evening it was agreed to cooperate with Lions International in Chicago in a fund raising drive. Dr. J. W. Giffen was appointed chairman of the local campaign and tag days were slated for last Saturday as well as this Saturday. Collection boxes for the fund are also available at all service stations and garages in town as well as several other business places.

The local Lions club also has assisted in sending aid to the Dutch and Winnipeg food relief funds.

Annual Christmas party will be staged in the Joyland Theatre on Thursday, Dec. 20 at 7 p.m. A fine children's program has been lined up by manager Len Larson and each youngster will receive a box of candy and a gift.

As there is only one meeting in December last week's meeting featured a delicious turkey dinner. Dr. Giffen thanks all patrons who supported Saturday night dinner sponsored by the club, which have now aided for the winter months.

We are sorry to hear that Mr. Albert Meyer has been ill with flu.

What's Ahead

At this time of year, business planners are sharpening their pencils in search of the big question: What's the outlook for the New Year? Querying 150 executives across the country, a Financial Post survey has their answers at a glance.

The majority look for higher wages, higher wage rates and employment, steady to higher prices of the products they sell and higher costs for the materials they must buy.

Although it's going to cost more to do business in 1957, there's a 65-50 chance of an improvement in profits, they estimate. And a still further increase in capital expenditures by business is evidently in the making.

RUGS CUT OFF

A casualty of the Swiss cloisonné is the oriental rug. Wholesalers in Montreal, New York are at 75-100 (downed out) and the rug won't rate a high priority for round the Cape Atlantic.

ROCKYFORD MAN LOSES HAND IN LADDER

Herman Koster received severe injuries to his left hand while climbing a ladder at the local sawmill when he slipped on a piece of log and his hand was caught in the saw's of the grain loader.

The mishap occurred at Herman's farm south of town. When Mrs. Koster was informed of the accident, she rushed to the sawmill and released the arm with chain saw hammer.

Mr. Koster's wedding outfit was ruined out but he had him free of the saw by the time Rockyford Police arrived and released him. He was rushed to Rockyford Hospital and released to his home.

Mr. Koster suffered severe pain for four days and finally the Doctors decided, after all efforts had been made that the hand would have to be removed. Upon amputation of the hand Herman was released somewhat of the severe pain. He is progressing fairly good in hospital and Doctors are not ready to graft skin. We sincerely hope that Herman's stay in hospital won't be too long and wish him a very speedy recovery.

Dies Suddenly

Frederick Macgillivray, 43 Strathmore, died in General Hospital Thursday. Born in Bellingham, Wash., he came to Alberta as a child and for the past five years was employed with King Edward Hotel, Strathmore. He served with the Canadian Army during the Second World War.

Surviving are his mother, Mrs. Anna Macgillivray, Foster, Laramie; sisters Mrs. Edna J. and B. C. Mrs. Alex. Brown, Edmonton; and brothers Philip, Kailfield; Frank, Foster, Laramie; and Robert in Richmond.

Funeral services were held in the Queen Chapel Tuesday at 11 a.m. with Rev. E. N. Orm, MHR officiating. Burial was in the Field of Honor, Burnside cemetery.

Weekly Newspapers

In 50 years the weekly newspaper will be found only in one country, magazine stuffed. He predicted a speaker at a gathering of weekly newspapers in Strathmore last week.

There is no lack, he said, of advertising, circulation or news in Canadian towns and villages. It was purely a matter of personnel and printing people.

If the forecast proves true, it will be a great pity says The Financial Post. The community paper has made its special and valued contribution to local life.

ANDERSON HUSTLERS BEAT NANTON 4-2

Hustlers made their big money League debut in Strathmore a winless one when they turned back the battling Nanton Palominos 4-2 at the local arena Wednesday evening.

A good crowd was on hand for the franchise contest and it appears Hustlers will receive good back support from Strathmore and district.

But Slingshot's wedding outfit was ruined out but he had him free of the saw by the time Rockyford Police arrived and released him. He was rushed to Rockyford Hospital and released to his home.

WAYNE BEEF CLUB

Dec. 3 the first meeting of the Wayne Beef Feeding Club was held at the home of Brian Bos. Three new members joined which brings the total to 12. Herbie Jensen, assistant leader spoke on feeding, housing, bedding, sickness and grooming. He also demonstrated how to make a baler. The next meeting will be held at the home of Mrs. Clausen Jan. 7. After the meeting Mrs. Bos served a delicious lunch.

Ardmore Coyote Hunt Disappointing

A disappointing report of about 60 men were on hand at Ardmore last Sunday for a coyote hunt. After a lengthy planning program these in the district had anticipated as many as 300 to attend the shoot.

Main reason for the small attendance was the winter weather and cold wind. One person turned out in light snow and rubber boots and soon found this combination wasn't adapted to winter conditions.

The event had been well advertised but support from surrounding districts was lacking due to the frigid temperatures. The group which did show up was successful in bagging two coyotes.

Farmers in the area are becoming increasingly worried about the animals. They are becoming bolder and bolder and safety of poultry and livestock is feared. This spring the animals killed more than 100 chickens at Don Starnes' farm and owners of sheep and cattle are showing anxiety for the safety of their stock.

Pool Elevator agent, Mr. Greg Odland from Strathmore.

Rockford had a successful Saturday night show. After the show, the truck had battery was furnished by Frank Koyler, Mrs. J. Odland, Koyler, Lorne Blum, Miss Mary Nish, and Don Nish.

Jim Miller, UFA delegate, kindly consented to take the Hustlers' display from the mainline FWIA to Baintree.

Last Thursday it was too cold for the school bus to run. Monday the youngsters were brought in their homes early because of the drifting roads.

The card party for Tuesday was again postponed because of cold weather.

We are sorry Mrs. W. Hanks and Rose Rita are both in hospital and hope they will soon be out feeling better.

Mr. and Mrs. V. Noyes of Calgary and family were guests of Mr. and Mrs. A. Heston Sunday.

THIS MATTER OF EDUCATION

is, as you know, a terrific task. Trouble is, few people are aware of just how far it goes. Take for example the new school for the deaf opened at Edmonton. Specialized education is needed there. Not only for humanitarian purposes, which is a good thing, but also from the economic point of view. A deaf, or mute person, is worth more to himself and to society if he is the equal in education to his neighbors. He has as much right to it, as you have to yours.

So, as a result of this new school, there will be 120 pupils, a year taking special education in lip reading, sound appreciation through vibration, and talking without hearing. All these and more will be taught at the school. And, if you are the commercial type, it is worth mentioning that the school cost \$275 million and three years to build.

Someone recently told of his reaction when he suddenly came upon the scene of an accident on one of our highways a short time ago. He arrived just as they were taking the victim from a smashed car. One was a young woman, scarcely more than a girl. She was dead. He was solemn in his declaration that "something should be done".

EVERYONE AGREES

But what? High-ways are no more safe than anyone else is attempting to find a solution to the death toll. That's why, next spring, there is going to be another conference of all interested people, to try to find some way of making our roads safer.

As a word of warning—please for your own safety's sake and that of others, drive carefully during the Holiday Season. When you consider tourist spent about \$44,000,000 here last year, we can expect bigger things next year.

BE SEEING YOU SOON!

Things Brighter
Things are looking up down on the farm — at least in the near term, says The Financial Post. Preliminary estimates indicate farm cash income of \$12 billion in first six months of 1966 — 13 per cent above year earlier and best first half year figure in four years. Agriculture is the one major sector of the economy which hasn't been prospering.

Ottawa, however is worrying that as soon as the U. S. election is well out of the way that country might crimp this bright picture by restricting wheat giveaway programs to Communist countries of Eastern Europe eliminating developing Canadian market there. Much improvement in farm picture is due to wheat sales there.

Obituary
May Florence Hicks, 74, 1105, Russell Road, formerly of Glendon, died Saturday in General Hospital. Born in Toronto she came west when a young woman and served under the Indian School Administration. She taught music and sewing in Indian School in the Yukon, Prince George, B. C. and for the last seven years in Glendon.

She is survived by her twin sister, Florene Hicks, Oakland, Calif. Funeral services were held in the Cathedral Church of the Redeemer, Wednesday at 1 p.m. with Very Rev. W. E. Harris, Dean of Calgary officiating. Burial took place in Queen's Park Cemetery. Jacques Funeral Home in charge.

Any housewife would have thought of it! But credit goes to the builders of the U.S. Navy's mighty new carrier, U.S.S. Ranger, for using aluminum foil to keep their product "fresh". During construction, a ship sits on wooden blocks, which absorb a lot of moisture. To protect their costly steel hull from rust and corrosion during the 18-month construction period, the Navy simply covered the blocks with ordinary household foil. This technique was a natural for a marine builder, since seawater is just salty, non-corroding aluminum so widely for superstructure, lifeboats and other important ship-building components.

Season's Greetings

And it came to pass,
as the angels were gone away from them into heaven, the shepherds said one to another,
Let us now go even unto Bethlehem...

And they came with haste, and found Mary, and Joseph, and the babe lying in a manger.

And when they had seen it, they made known abroad the saying which was told them concerning this child.

Fire Safety

Red and green are colors usually associated with Christmas. But to that your Christmas red is the key to a very glow produced in the eye by your burning house. Think of what a fire could mean to you if it occurred during the Christmas season - loss of life, dear loved ones - your own life; loss of property; loss of peace of mind; sorrow and regret. And these catastrophes are usually caused by little, seemingly insignificant things. The Alberta Safety Council entrusts to you to pay attention to these little details so that fire become non-existent particularly during the fire danger festive season. Make this Christmas a fire safe holiday.

United Church Holds Christmas Concert

The Strathmore United Church Sunday School held its Christmas Tree concert Monday night when the church was crowded to capacity with parents and children. The small fry were outstanding in their training.

The Junior choir under the leadership of Mrs. Upton rendered several selections.

A Christmas Nativity play by the Senior Sunday School was spectacular both in ability and form.

Great credit is due the teachers and Mrs. Upton for their untiring work with the young people.

Santa's visit, as always, thrilled the small ones and each child received a gift and a bag of candy.

UNITED CHURCH GOIT

The GOIT girls of the Strathmore United Church, under the leadership of Mrs. D. Simmonds, Mrs. H. Newton and Miss Marjorie Hubert, staged a successful candle-light service Sunday night when 28 girls took part. The reading of the lesson and the devotional were taken by Misses Betty Ann Ewing, Joyce Koskowiak and Joyce Ferguson. Candlelighters were Frances Chamberlain, Joan Ferguson and Lynn Taylor.

The carols under the direction of Mrs. Upton were well rendered. A most enjoyable evening was well attended.

Sacred Heart Bingo Winners

A very fine crowd attended the Christmas Turkey Bingo at the Sacred Heart Hall Dec. 15 to try their luck at picking up the Christmas bird. Mrs. Bob Cochrane won two turkeys and also a consolation prize on a third playoff.

List of winners of turkey were: Mrs. Newmeyer; Mrs. Rita Christie; Mrs. Alice Ferguson; Mr. John Van Bavel; Mrs. Ted Hartell; John Panerger; Mrs. Jane Schutte; Harvey Smith; Mrs. Madeline Vermaat; J. Brocklesby; Mrs. Dave Hebble; Mrs. Annie McLennan; Mrs. F. Basset; Mrs. S. Basset. The 32 pound gobbler was won by Joe Henchey. Door prizes were won by Mrs. J. Keeler and Mrs. Struble.

"Merry Christmas" comes easy to the tongue of all of us this time of the year. However, to say, and mean it must come from a feeling not born of the Season, but of one's associations throughout the years. It is in this spirit that we wish our friends a very joyous Yuletide and a successful New Year.

Stiffer Delinquent Penalties Urged

Harsher treatment for juvenile delinquents is urged by Dr. Ruth Alexander, well known lecturer and columnist. In a recent article described as a springboard for controversy, the writer terms delinquents young criminals. They must be taken out of the hands of professional welfare workers who protect lawbreakers, and put back into the hands of law enforcement officers who protect the law abiding.

The delinquent does not fear the consequences of his criminal acts, Dr. Alexander says, because when he is caught society pampers him as a sick child. Under this advanced treatment, the incidence of youthful crime is approaching epidemic proportions. It has increased every year for the last seven years.

For this Dr. Alexander blames the violence seen on television, the lack of family discipline, and progressive education. She says that when discipline is lost out of self expression and religion lost out of psychology, youthful crime became rampant.

In childhood, Dr. Alexander says, signs of primitive cruelty lurk beneath the meek face. Children must be disciplined necessarily to achieve the self control demanded by

are in trouble. To cure juvenile delinquency must begin at the beginning with the first time the boy is caught. If first offenders are punished with sufficient severity they are unlikely to go on to the second or third offense.

ACCIDENT AID

Suppose you come across an automobile accident involving others. You want to play the good samaritan. But do you know how to assist? If first offenders are punished with sufficient severity they are unlikely to go on to the second or third offense.

Don't be in such a hurry to help that you set the scene for another accident. Pull off to the side of the road and close your car doors before rushing to the victim.

Do call the police immediately, and ask them to send an ambulance, or another motorist to do so. Don't move injured people. Cover them up and prop their heads to make them more comfortable. Use care. This rule should be remembered only in case of fire in the car.

To set up signal flares at night about 200 feet away from the accident in warm obnoxious traffic. Put flares in a line and will slowly evaporate if necessary. In fact, every motorist should carry them for his own protection.

FOR SALE — EXCELLENT opportunity. The majority of farmers turn to the classified page of the standard first to see what is listed.

ROOF RAFT

A helicopter may hover like a bird, but when it comes down to roost on a roof it weighs plenty, and so on up gables, chimneys. So engineers have devised a gimmick. The whirly-bird lands on an aluminum raft floating in a shallow pool of water. The machine's weight is spread over the area of the raft instead of just that covered by the landing gear.

No doubt they figured out, too, how passengers can get "ashore". Certainly men who work with aluminum are mighty resourceful. In fact, they keep us busy supplying them with this versatile modern metal, at home and in foreign markets.

Business Women Feared By Men

No. often they don't, says Miss Anne Hamilton director of employment service of Underwood Ltd. Many men are afraid of women in business. Often they don't give them a chance because they're afraid women may take their jobs.

Business is not as conservative as it was 25 years ago, says Nathan Steinberg, vice president of Steinberg's supermarket of eastern Canada. We're happy to give women a chance at executive jobs.

Too often men hold money back from their view, says Mrs. Rebecca Vautier, former head of the Canadian Association of Consumers. A woman has a moral right to be a part of everything, her man warns.

Women say taxes but don't get a fair share of the tax money spent, says Mrs. Vautier. How much tax money supports day nurseries to help tired mothers or help expectant mothers?

Yes, says Dr. Montague, women are more competent at handling men today. A wife will feed her husband better and let him think they're his men.

Not always, says Mr. Steinberg, business and you can't stop them talking. Put bay with men and she won't open her mouth.

Infant Eye Trouble

Premature infants should be given additional oxygen only in emergencies and then for as brief periods of time as possible.

Length of exposure to oxygen is the important factor in producing retrolental fibroplasia, a serious eye disease which may result in blindness. This differs from earlier

studies indicating that the concentration of oxygen was the decisive factor.

Retrolental fibroplasia was first recognized as a disease of premature infants in 1947, and is now the major cause of blindness among children. Oxygen administration to premature infants was implicated as a possible cause in 1952.

Of the 788 premature infants born in or brought to the 18 hospitals during 1953 and 1954, 586 were followed for at least 2 1/2 months. Fifty-three infants were given oxygen for 28 days, the standard procedure at the time. The other 235 infants were given oxygen only when breathing difficulty occurred.

A study showed that on a percentage basis, twice as many infants in the routine oxygen group developed the early active stages of the disease as did infants in the oxygen curtailed group. The rate of progression to the later scarring stages which produce permanent damage to the eyes was three and a half times greater in the routine oxygen group than in the curtailed oxygen group.

Heating Safety

Systematic checking of all gas and oil heating equipment in the home can prevent countless deaths and injuries.

Safety experts recommend the following precautions for the winter months:

Choose only recognized and approved equipment.

Always seek competent advice when buying used heating equipment.

Use only clean, first quality kerosene or No. 1 fuel oil.

Fill stove oil reservoirs from

metal safety cans with safety pump spouts.

When filling reservoirs, leave space for expansion if oil is cold.

Never place portable heaters in doorways where they might block exit.

FOURTH SUB-HUNTER JOINS RCN

—Continued From Page 15—

This ultramodern destroyer escort will be commissioned in the Royal Canadian Navy as HMCS Saguenay Dec. 16 in Halifax, where she has just been completed. The Saguenay will be the fourth to join the modern fleet of the RCN out of the 16 anti-submarine warships of the St. Laurent class designed and being built in various Canadian shipyards. Already in service on the east coast are the St. Laurent, Amulshole and Oshawa.

Members from the three groups of the United Church W. A. met recently for their last time this year. Mrs. John Johnson was in the chair and a lot of business was dealt with. Reports on the annual Christmas supper showed it to have again been a very profitable undertaking.

The slate of officers for the coming term is as follows: Pres. Mrs. Fred Teare; 1st vice-pres. Mrs. H. Hanson; 2nd vice-pres. Mrs. L. Larson; secretary, Mrs. Frank Swing; treasurer, Mrs. K. Gore.

It was announced the annual Christmas bazaar will be held in Calgary Jan. 31. A good attendance from our church is urged at this meeting. We are also to have a light lunch at the annual congregational meeting of our church.

Upon the adjournment of the business meeting the benediction was repeated and everyone enjoyed a welcome lunch served by the Atkinson group hostesses.

News From Standard

By Miss D. S.
 The Christmas festive season for 1956 has rapidly become a past event but not without leaving a spirit of goodwill and happiness among the people.

Many past residents spent their holidays in Standard. Among those were Gordon and Norman Sanderson, Mr. and Mrs. Axel Larson, Wilda and Gene Kroon, Francis Fraser, Henry Nielsen, Tom and Hilma Heim and Andy Larsen. Mr. and Mrs. W. Wallace, formerly Owen Knowlton and family are home with her parents for a few weeks. Owen's brother, Jerry and his fiancée, Miss Mary Jarvis are also home on returning from Italy.

Several birthdays were celebrated during the holidays. Ellen and Hammon, Sheila Jorgensen, and Wayne Peters held theirs on the 18, while Gordie Klamm had his on the 21.

Mrs. Betty Christensen was the winner of the pants race held in the Nielsen and Madson Store on Dec. 24. Mrs. Lorne Hughes drew a lucky ticket.

Little Martin Hansen, son of "Pop" and Jenny Hansen is in the hospital with bronchial pneumonia but returned home Saturday.

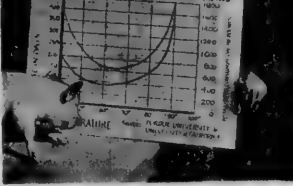

STRATHMORE GARAGE GETS NEW OWNER
 Marc Walker, formerly of Ponoka, recently purchased the garage formerly known as Glenbert Motel and Strathmore Sales & Service on 2nd Street.

Mrs. Walker has had 18 years experience in the garage business and he will continue to handle the line carried by the former owners or the business.

PAMPED PIG GOES TO MARKET SOONER

THE EFFECT OF TEMPERATURE ON THE TIME REQUIRED TO FINISH A MARKETABLE SWINE

This little piggy could go to market much quicker than his predecessors thanks to air-conditioning. William G. Hillen shows the interested little porker a chart revealing the effects of temperature on the time and cost to raise a pig for market. According to research by the Universities of Purdue and California, pig raised in 65-degree surroundings require less time and feed to reach 160 lbs. weight. So long it appears air-conditioned hog houses may soon be a standard item for breeders who previously have been hard hit by summertime drops in hog production.

Lyalta News

BY MRS. H. G.
 Lyalta W. I. held its annual meeting Dec. 13 at the hall. The present officers are: president, Mrs. Ed Dever; sec., Mrs. Bernard Fortnes; treas., Mrs. Vernon Moon. The Christmas gift exchange took place followed by a lovely lunch of Christmas goodies brought by all members. Double the cold weather 18 members and one visitor were present. Mrs. A. Poffersoth was the draw.

Lyalta community hall was the scene of a children's Christmas pageant Dec. 15. The program was thoroughly enjoyed by all as each were told said their place or sang a song. A short play by three of the older set caused much merriment. As soon as the program was concluded Santa Claus arrived and gave each youngster a bag of candy. A large box of gifts, all donated by Brochures in the district was taken to the Salvation Army for Christmas giving.

Mrs. Harold Greig is now our new reporter. Anyone wishing news published, please contact our reporter.

Lions Hold Annual Christmas Party

Annual theatre party sponsored by the Strathmore Lions Club was again a major success. This year with 210 youngsters turning out, Fred Brockiey acted as Santa Claus and many members were on hand to present each youngster with a bag of candy as they left the theatre. Gifts were donated by Len Larson, owner of the Joyland.

BASSANO TO GET NEW HOSPITAL

Hotspotters of the Bassano Municipal Hospital District No. 4 voted overwhelmingly Dec. 15 to erect a new \$500,000 hospital in the Town of Bassano. The desire votes 856 to 32.

This is a large step forward for the district which needs the hospital and is further evidence that multiple hospital plans are a necessity. Most people can understand the burden of a small medical unit but many are amazed under what a major expense. When persons are putting funds into a single pool the burden is spread around considerably.

Hussar Happenings

BY MRS. M. C. A.

Wednesday evening the pupils of the Hussar School put on a very fine concert in the Hussar community hall. There were songs, dances, skits, plays and dialogue. At the intermission Robert Hines and Rev. Olson held communally singing of carols, accompanied at the piano by Mrs. Helen Jensen. The hall had been beautifully decorated under the supervision of the principal Mr. Dugg. The hall was crowded to capacity by the parents, younger sisters and brothers and grandparents of the pupils. Two blocks each way from the hall were closely packed with cars. During the evening Santa arrived and treated the children to all sweets and smaller children. Mr. Hines was chairman for the evening. He was assisted by other teachers Mrs. MacInnes, Miss Miller, Mrs. Kuehse, Miss Madson and Mrs. Holway. During intermission Mrs. Hensberg, president and Mr. Baxter, secretary of the Home and School Association conducted the turkey. Mr. Albert Johnson won the turkey. Mrs. Armstrong, two children, Jack Kirkpatrick the candy. Awards were given by the HSA to Victor Housh and George Baxter for selling the most tickets for this drive.

Mr. and Mrs. Albert Schaffer motored to Calgary Friday. Mr. and Mrs. W. A. Treacy entertained the family at Christmas with Mr. and Mrs. J. D. Moffat and Mrs. Joy and Linton and Mr. and Mrs. Glen Treacy and daughter motored down from Edmonton and all the family who live around here, gathered with them to celebrate Christmas with them. All spent Christmas Eve with Mr. and Mrs. J. Treacy and family. Mr. and Mrs. Heli spent Christmas week with their daughter and son.

Mr. and Mrs. Ross Brown and Gordon, Mr. and Mrs. Don Brown, Mr. and Mrs. Tom Brown and family, and Mr. and Mrs. Jack Kirkpatrick and family spent Christmas in Drumheller with Mr. and Mrs. N. H. Brown.

Mr. and Mrs. Heli spent Christmas week with their daughter and son.

Men Who Make Alberta

THE CATTLEMAN

Since 1872, when Albert and John MacDougall brought 100 head of steers and some breeding stock north from Montana, Alberta cattlemen have been steadily building one of this province's major industries. They've built it in size; but, what is more important, they have and still are breeding better and better quality stock, until today Alberta Cattle Sales receive the respected interest of Stockmen the world over.

The men behind the Alberta Cattle industry, from the large ranchers to the working cowpunchers have left a deep and lasting impression on this Province. Names like Pat Burns, George Lane, A. E. Cross and Archie

MacLean stand out in any history of the development of Alberta and the Canadian West. A host of others, among them John Wark and Guy Weadick, have helped shape the pattern of our colorful Western heritage.

There's been many changes since the early trail herds moved in from the South, but the spirit of the range lies deep in the heart of every Albertan so that in centres all over the province, during the summer season, city and country folk alike join the working "Cow Waddie" in the only truly Western sport - the Rodeo. No better recognition could be offered the men who are so symbolic of the prairie and foothill country.

Mr. and Mrs. Hans Buck-Schmidt motored to Calgary for the holidays with Mrs. and Mrs. Chris Jorgensen and other sisters and brothers.

The report is that young Stewart Williams is getting on very well in the hospital in Edmonton after what is considered a very delicate heart operation. He may be brought home in another week. Chas. Reilkenstein motored to Calgary Sunday to get his daughter there.

STRATHMORE COLUMBUS CLUB NEWS

At the Columbus Club sponsored meeting, held in the Memorial hall Dec. 20, the lucky winner of the draw for "12 of the Best" was announced. The man to take home the prize proved to be Mr. Bob Schaefer of Hensberg. Mr. Schaefer was without a doubt the top performer at the affair. All of those who attended reported an excellent time.

Mr. Edna Joel and Mr. and Mrs. Doug Lajoie of Portage La Prairie spent Christmas in Calgary with Mr. and Mrs. Ted Joel.

New Convertible

The first revolutionary new idea in automotive design since the development of the closed car - the new open top has been unveiled by Ford. Expected to be available in Canada early in the New Year, it is a hardtop model with a fully retractable steel top which slides automatically into the trunk of a button.

Combining the advantages of a hard top with those of a convertible, the new functional design of the first automatic all-weather car has been unveiled in a distinctive appearance previously unattainable by any hard-top model.

District Ag. Notes

An experiment at the University of Alberta last winter showed that the feed cost per 100 lb. gain was 7 per cent less for the growing steers with silage added to their feed. Other factors such as rate of gain, shrink and dressing percentage were also checked with the final conclusion being that the best feeding of silage fed in a favourable consideration. The legal rate in Canada is 30 milligrams per 100 lb. or over 100 per day. Since it is difficult to mix uniformly, a small amount of silage in the feed, the only way this hormone can be bought for cattle feeding in Canada is in prepared feed.

Mr. McElroy discussed silage feed (feeding at the Peck's Day in High River a few weeks ago. As I remember his remarks were that over half the cattle feeders in the U. S. are using this hormone and that it will save more efficient gains, but probably not as good as painted by some of the feed companies.

Some feeders using low cost protein sources such as alfalfa hay add to their costs if they have to replace with a commercial supplement just to obtain silage. The silage of the hormone solution about 10c per head in the solution in the U. S. for those feeders who have their own feed and do not need supplements. The use of silage has not yet been installed in Canada.

Dalemead Notes

A joint meeting of the PWIA and PUA was held at the home of Mr. and Mrs. A. Barton Dec. 19. After the business of both organizations was concluded Mrs. H. H. Barton gave the united group a most informative and interesting report of the Provincial convention at Edmonton, to which she was a delegate.

With the exchange of Christmas gifts, a delicious luncheon and season's greetings to all, the meeting adjourned.

Mr. and Mrs. James McKinnon are entertaining Mr. and Mrs. H. H. Barton and Mrs. Gordon Barker and family, Mr. and Mrs. Jack Dison and family and Mr. and Mrs. J. H. Hines.

Mr. and Mrs. Stan Melonin and family of Huxley, and Mrs. L. Nelson and family of Indus and Mrs. Lincoln Wheeler and Lane were guests at the family home at Christmas.

Mr. and Mrs. Ralph Conner had Mr. and Mrs. Keith Conner of Maple Creek, Mr. and Mrs. Jack Dahl and Thelma of Calgary and Mr. and Mrs. Norman Scher for Christmas.

The congregation remained a short time after service Sunday when the members of the girls' choir presented orchestral songs to Mrs. H. H. Barton and Mr. H. H. Chalmers, and a pen to Mr. John Horvath in appreciation of their leadership, over the past months in training the choir.

The Martin Vander Veld family, all gathered at the home of Mr. and Mrs. Gerald Vander Veld on Christmas Eve.

We are pleased to welcome Mr. and Mrs. James Huggard and Marilyn of Balise who have taken up residence in the community. Little Lee Conner was home from hospital for Christmas Day. The Bob Rodolph family spent

Christmas at the home of Mr. and Mrs. J. Wark of Calgary. Mr. and Mrs. Jack Stewart and family spent Christmas at home. Mr. and Mrs. H. H. Barton and family spent Christmas at home. Mr. and Mrs. H. H. Barton and family spent Christmas at home.

Bootlegging Up

Bootlegging in Canada today is a big business. The RCMP reported 2,827 violations of the various liquor acts.

Last year, the Ontario Provincial Police prosecuted 319 persons

for selling or keeping illicit liquor for sale. 4,875 for having liquor in an illegal place; 406 for illegal possession of liquor; and 113 as found in bootlegging joints. Much bootlegging and jive talk in bootlegging are a direct result of liquor restrictions. Give more legal openings to liquor distribution and you wipe out most bootlegging overnight. You remove the old source of forbidden fruit, and while serving liquor to under age kids is rare in licensed premises, it is common among bootleggers, to whom a dollar from a teenager is just as reputable as cash from an adult.

The prohibitionists have built an inflated reputation for size and power on a narrow base that does not include one of 100 Canadians, Garner says. Nearly 70 per cent of the Canadian people drink all alcoholic beverages, and of the 30 per cent remaining, only a small minority are and liquor fanatics.

Even the United Church - which through its Board of Evangelism and Social Service, leads the prohibitionist drive - has only succeeded in getting 25 per cent of its members to sign its total abstinence pledge since 1945.

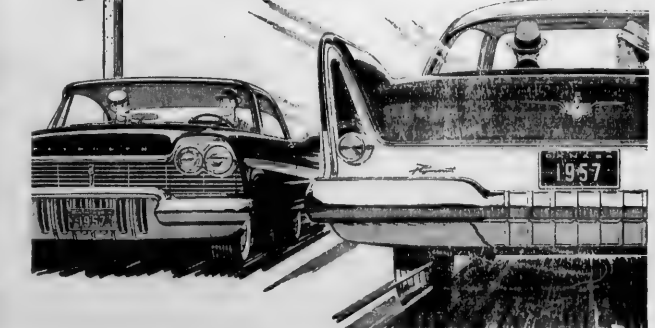

FOR SALE - EXCELLENT opportunity. The majority of farmers turn to the classified page of the Standard first to see what to test.

Canadians Arrive in Egypt to Join U.N. Troops

The first plane of the new United Nations air transport command, a Canadian C-119 "Flying Boxcar" is seen here unloading a heavy, aerial zone. This is one of 12 Canadian C-119s, which will be the transport of men and supplies from the staging area in Italy for the U.N. police force. The Canadian machine has been painted out and the United Nations transport command insignia in red with U.N. blue and white emblems has been substituted.

Thrill-Power Plymouth '57
with revolutionary Torsion-Aire Ride

Never before have so many buyers been so excited about any new car. And no wonder - the new Plymouth is a real smoothie for ride as well for looks. Sheer pleasure is all you feel behind the wheel of a Thrill-Power Plymouth with Torsion-Aire ride. Torsion-Aire gives you that sport-car feeling of perfect control. Feel the way Thrill-Power takes the bounce out of bumps, how it nestles down to the road to take curves without lurching sideways. Or take braking - there's no "nose-dive" with Torsion-Aire on the job. Even emergency stops are almost perfectly level. New Thrill-Power Plymouth with Torsion-Aire ride... a Chrysler Corporation exclusive... is just one of Plymouth's many new features. But one for yourself. Drive a Thrill-Power Plymouth today.

Gleichen Events

By Miss J. E.
Mrs. J. Gleichen and friends presented the entertainment. The program consisted of plays, drills, songs and dances by all the grades.
Miss Jane Hinkle of Standard is a guest at the home of Mr. and Mrs. P. Warner for several days.
A splendid Christmas concert was presented by the teachers, principal and pupils of the Gleichen School Dec. 15. There was a good attendance of interested par-

ents, relatives and friends present in the auditorium. The program consisted of plays, drills, songs and dances by all the grades.
The next monthly meeting of the Ladies Auxiliary to the Legion will election of officers will be on Jan. 16.
The annual Christmas concert

and dance at Meadowbrook hall Dec. 31 drew a good attendance. A fine concert was run off in record time and we are all proud of the youngsters. Santa arrived at 9:30 and gave candy bags to approximately 175 children. Dancing to the music of Baby Fields brought the merriment evening to a close.
An older member of Gleichen Frank Mathew died Dec. 6 at the age of 78 at Tacoma, Wash. He was well known and well liked by all who knew him while he lived here.
Mr. and Mrs. J. Gleichen and family moved to Kuchan the week before Christmas to visit relatives. On their return home they were accompanied by Mrs. Jacobson who spent Christmas with them. Mr. Gleichen's father from Tilley visited his son and family over Christmas. During the day Mrs. Gleichen's brothers and their families from Kuchan and Three Hills were visitors at their sister's home. The Gleichen family and Mrs. Jacobson spent last weekend visiting relatives in Three Hills.

Peace Through Strength, Unity

Warfare, especially in a modern age, cannot be prevented if this is humanly possible. Let us start by examining this aspect of the problem.
There are today two great Power groups, East and West, and the progress of science will soon enable each to destroy the other. The

situation which would permit such things stand today it has got to be peace through strength and strength through unity but there must be a real determination to protect and maintain our way of life in the face of aggression and, if necessary, war is not to fear it. Every citizen for this aim. President should be secured to this aim. Nothing to fear but fear itself, strength through unity. Certainly the surest way to pre-

For all your banking...

Did you ever stop to consider all the things a chartered bank can do for you?

It is more than a convenient place to make a deposit, cash a cheque or see about a loan. You can also buy travellers cheques and money orders; rent a safety deposit box; purchase foreign currency; talk over your financial plans or problems. The list goes on and on... and all these services are available at the branch where you do your banking.

A branch bank is, in effect, a service centre and everyone on the staff is there to help you, to look after all your banking courteously, confidentially and well.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

Gleichen Events

BY MISS J. E.

Mrs. Leroy Nicholson returned home Wednesday from a pleasant trip to Vancouver where she spent a few days with her mother who has been ill.

Friends of Pete Dewar, a former resident of Gleichen will be sorry to hear he is a patient in the General Hospital in Calgary.

Tom Wilson is improving slowly in hospital. We hope he will continue to do so.

Mr. and Mrs. Stanley Haskins and family of Basano were guests at the home of the former's parents on Sunday.

Several ladies from Gleichen motored to Delabury to take part in the ladies' tournament. The team consisted of Mrs. M. McInnes, Mrs. R. Piddis and Mrs. H. Warner and shipped by Mrs. Jack Wilson won first prize in the first competition. The other team shipped by Mrs. C. Brown won second in this competition. The other members were Mrs. C. Evans, Mrs. E. Evans and Mrs. Connie Douglas.

Mr. and Mrs. Allan Leth of Vancouver were guests Saturday of Mr. and Mrs. R. Hunter. Donald Hunter of Calgary was a dinner guest in Sunday at his parents home.

Mr. and Mrs. A. Corbitt motored to Gleichen recently. They are leaving in a trailer near the latter's parents. Mr. and Mrs. A. Plante, Mr. Corbitt is employed at the Gleichen Impiments.

The Gleichen hockey team journeyed to Vulcan Sunday where they played a good game, but came out losers with a score of 1-4.

Mrs. Harvey Douglas went to Ogdens Sunday for a mass meeting.

A team from the Gleichen Branch of the Legion won the trophy for the some in curling last week.

Mr. Wm. Wallace, Sr. returned home from hospital in Calgary, on Sunday, feeling much better.

About 40 attended the card party at Meadowsbrook Jan. 18. The evening was spent playing cribbage and whist. Winners in cribbage were Miss Loreta McKewen and Gabriell Corbitt. Ladies first in whist was Mrs. McInnes and first was Mrs. Verland. Games first in whist was Frank Corbitt and Gabriell McKewen.

Miss Linda Puch of Barrow is convalescing at her home after a small operation Wednesday. Her many friends wish her a speedy recovery.

Society.

Dr. C. E. McIntyre returned home from hospital in Calgary where he had spent a few days, much improved in health.

Mr. and Mrs. W. Cook have been ill with the flu.

Mrs. C. Brown as ship and other members of her team, Mrs. C. Evans, Mrs. J. Knik and Mrs. E. Prugat motored to Chancellors last week with the ladies' team in the ladies' hospital. They won second prize and enjoyed their games.

Mrs. E. Wende returned home Saturday from Calgary where she was the guest of her daughter Mrs. R. Barlett for two weeks.

Plan Ottawa Trip

At a meeting of the Farmers' Union of Alberta Executive plans were finalized for sending 10 men here to attend the remainder of the session of the Federal Govt. at Ottawa. Henry Young, the vice-president left last weekend. The following weekend Mr. A. B. Wood of Delabury will go. Each will play for approximately two weeks. Thus, someone will be leaving Alberta every week to replace one of the people in Ottawa. Farm people cannot usually leave their farms for more than a two week period.

In addition to Mr. Young and Mr. Wood the following members are taking part in this tour: Irl Penfold of Sarnia; Joe Dussault of Vinay; Mildred G. Hedman of Haldimand; Stan Perle of Haldimand; S. Sanford of Vegreville; George Lowrey of Portland; Leonard Hillier of Strathmore.

While in Ottawa these people will pay particular attention to legislation affecting agriculture and acquaint members of Parliament with the problems faced by Alberta farmers and the PUA policies and programs.

CLUNY K O F C

Chun K of C meeting was held Jan. 14 with Grand Knight Glen Corbitt in the chair and a good attendance on hand to hear the address of books, held the previous week by trustees, also report by Grand Knight of semi-annual meeting in Calgary Jan. 15.

The committee appointed for cutting: Guard Beaudin, Joe Tierney and Julia Robert. This committee is to make arrangements to enter a rink in K. of C. hospital in Calgary April 1.

Banquet committee for banquet Feb. 17 is Bro. Harvie Laprise, J. Robert, Father Boisse and John Bailey. A letter was read from Rockyford Council and state secretary J. Plais.

Cards of thanks were received from Mrs. L. Gauthier, Mrs. Laprise and Mrs. A. Hansen.

Pot of gold at the meeting was won by Bro. Ad. Corbitt.

Next meeting Monday, Feb. 11.

Economical Oil

The fabulous but previously untouchable reserves of oil located in Northern Alberta's oil sands may be pouring into world markets in a matter of years, says The Financial Post.

Royalite Oil Co. and associates are wagering \$60 million that the problem of economically separating the oil from the sand and processing it for market has been solved.

The Athabasca sands contain the world's largest known undeveloped oil reserves — somewhere between 100,000 and 300,000 million bbl. of heavy oil. Scientists for years have tinkered with the task of extracting the oil.

Factors influencing Royalite: The bright loss term market outlook for crude oil, confidence in their separating process, hope that further economies in the process will be found.

Trans-Canada Pipeline Crops Forward in Sub-Zero Weather

Survey engineers worked from a drag-line bucket in taking final soundings through the ice for the ditch in the bed of the Athabasca River during the crossing by the Trans-Canada

Pipe Line's 34-inch natural gas line from Alberta to Eastern Canada. The temperature was about 10 degrees below zero in the background is the dredge used to suck out silt from the ditch.

Is Your Name In This Week's Paper

Well, if not your name, probably the names of some of your friends and neighbors.
Not, of course, because they made the headline. Fortunately very few of us do.

But simply because you and your friends and neighbors are contributing to the useful life and progress of this area, taking part in church and school activities doing the many things which make our community a better place in which to live.

A weekly newspaper is a newspaper about and for people like you... reflecting the community's life... attempting to assist in its leadership.

It wants to work with you... to tell about you... to serve you.

That is the job of a good weekly newspaper with your help, that is what we are trying to do, editor, printers and correspondents working together.

Given "Even Chance" in Eye Operation

—Central Press Canadian
Little Chebucto-old Patricia Lindgren of Dawson City, B.C., is seen above as she arrived Vancouver to undergo an eye operation. The youngster, who has been blind since she was a toddler, the "guy" of her blind mother, is in danger of losing the sight of one of her eyes after she was hit by a paper pellet, fired from a slingshot, at a party. Doctors report a "50-50 chance" of saving

Annual Town Meet Slated Next Monday

Annual Town of Strathmore meeting will be held in the Town Hall next Monday evening at the Town Hall. Although any taxpayers are welcome to attend town meetings at any time this is the one occasion of the year when a special invitation is extended to taxpayers.

This is the time when they can raise any grievance or complaint before the council and are guaranteed of having a fair hearing. Prior to the annual meeting the council will hold its regular monthly meeting starting at 7 p.m.

The terms of three councillors expire in the next few weeks. Dad Thompson has resigned and W. B. McNeill and Len Larson have completed their terms. Nominations will be received for replacements Feb. 15 with election day slated for March 4.

MISS VERA SHEETS HONORED AT SHOWER

Saturday, Feb. 2 the home of Mrs. O. Hermanson was the scene of a fine shower honoring Miss Vera Sheets of Standard whose marriage to Bill Hermanson is an event of this week.

The hostesses Mrs. Ann Boudreau and Mrs. Mayne Martin welcomed the guests who came from Standard, Strathmore and Arden.

Treasure hunt was the feature of the afternoon as well as Advice to the Bride, prepared by Mrs. Boudreau and read by several of the bridesmaids. A contest was also held, the prize going to Mrs. Harold Taylor of Langdon and consolation to Mrs. Frank Beant. The bride to be seated on a tastefully decorated chair and presented with new gifts by Mrs. Boudreau.

Delicious refreshments were served by the hostesses assisted by Marlene and Beverly Banat. Miss Sheets thanked the ladies and invited all to come and see them when they get settled in the district.

LYALTA NOTES

BY MRS. N. G.
 The regular meeting of the Lyalta W. I. was held on the Lyalta Hall, 29 with 14 members present. Mrs. Ed. Doug, president was the chair. The meeting opened with the singing of O Canada, flag salute and repeating the creed. Roll call was current events.

Correspondence included a letter from Mrs. Fred Fairbairn, coathouse convenor, informing the members of the date and place of the district conference, which will be in the Gas Auditorium, Calgary March 3 and 4.

The senior society workshop will be held this month in the Palliser Hotel.

A thank you note from a member for a gift sent to her. Delegation to the cancer society workshop, are Mrs. Dick Hall and Mrs. Dick McCallister. Mrs. Ed. Doug is the delegate to the conference.

After the meeting Mrs. Lucien Fortman and Mrs. Stora Beant each conducted a contest with the winners being Mrs. Schenley and Mrs. L. Fortman. The prize for the draw was won by Mrs. Howard Kent.

Hostesses were Mrs. Vera Moon and Mrs. Harold Grice. Next meeting will be held Feb. 12. Roll call will be a Valentine exchange. There will also be an exchange of home made candy.

Hostesses will be Mrs. Ed. Doug and Mrs. Cliff Isom.

IN SNOW AND COLD, TRANS-CANADA HIGHWAY PUSHES ON

Along the north shore of Lake Superior work on the Trans-Canada highway continues in sub-zero temperatures and many communities now isolated will be linked into the highway system by next autumn. Steam shovels,

huge graders, snowplows, trucks and dynamite are the tools of the trade of the road makers. Opening of the road will be a boon to tourists, fishermen, butchers and bushworkers who now have to depend on rail or air travel.

Wheatland Bonselpiel 31 Rinks Enter Won By Morton Rink Carseland Bonselpiel

The Wheatland Local ATA put on a curling fest Saturday, Feb. 2 in which the whole school division took part.

The participants consisted of the five trustees, official referee, maintenance men, the secretary and 21 teachers from the district. Each of the 10 rinks taking part played two games for a total score. The rink with the most points was presented with level points and the rink with the least points received a booby prize of four children's play money.

Top honors went to the rink skippered by Norman Morton with five Phillips, third, Frank Goyard and second, Margaret Haberer throwing first rocks.

Wherever there is a top, unfortunately there must be a bottom and that place was held by the rink skippered by our superintendent of schools Mr. M. Hoffman who was presented with the child size sweater.

A very enjoyable time was had by all who took part. It is planned to make this an annual event.

Annual Carseland Bonselpiel got away to a flying start Monday morning with 31 rinks competing in the four events. Ideal ice conditions highlighted the opening of the curl fest which will continue Saturday.

Tom Hildart is handling the duties of drawmaster. Each rink is guaranteed four contests and the finals will be played in four events Saturday. Prizes will be presented following the matches.

Hungarian Relief Tag Day Receipts

The Strathmore Lions Club raised the sum of \$117.24 during the recent drive they sponsored to raise funds for Hungarian refugees. Treasurer Len Larson received a letter of commendation for the effort from Lions International third vice-president, Clarence L. Sturm. This effort is another tribute to the good work done by Strathmore's lone service club.

SMOOTH ICE MAKES DEER HELPLESS — MEN SAVE HIM FROM TIMBER WOLVES

This deer, stranded on the ice of Lake Penage, near Sudbury, Ont., was understandably reluctant to make friends with the men who came to help him off the ice. Chased by wolves, he ran out on the ice and couldn't stand up as his sharp hooves just slid on the smooth surface. When the men approached, he made frantic efforts to become mobile but not nowhere.

High Speed Death In Slow Motion

What happens to flesh and blood to glass and steel in those last split seconds when a human being is hurled into eternity as his or her car is crushed by a second, heavy structural member of the car begins to act as a crash expert who have crash tested hundreds of cars and minutely straight, still hurtles forward at

25. His knee joints shatter.

At 5:10, the rear of the car rises like a building, then and the straps back off lower flange of the tree. The car is slowed to 35 miles an hour but the driver's body is still catapulted forward at 55.

At 5:10, the driver is impaled on the steering wheel shaft, with the steering wheel twisted into an almost vertical position by the car's front end. The brake pedal is crushed, his head smashed into the windshield. The brake pedal shears off at the floorboard, and the chassis bends in the middle, shearing body bolts.

Just one tenth of a second later, the car body is twisted out of shape, doors spring open and the

front end forward jamming the driver hard against the steering shaft. Blood oozes from his mouth. He dies.

Elapsed time—seven tenths of a second.

MACHINERY CARE

Fortunate are the farmers who serviced their machinery last fall prior to storage. They will have very little to do to prepare their equipment for spring operation. Others who have not had the opportunity to attend to this matter could do well to do something about it now, as no one can afford costly delays at seeding time.

Check the following list if you have all your machinery ready for the work ahead.

1—Service the tractor according

to the operator's manual.
2—Clean and lubricate tillage equipment; tighten bolts and replace any worn parts.
3—Sharpen discs and shovels.
4—Check wheels, horizontal and vertical hitching for correct adjustment.

5—Clean grain bin and fertilizer attachments.
6—Correctly adjust furrow openers.
7—Calibrate seeding equipment to ensure correct seeding rate.

Nehru Off Beam

Further evidence of Prime Minister Nehru's lack of realism is his mumbled comment on Feb. 1 in Middle East only as set forth in Eisenhower Doctrine. Mr. Nehru says that, "If there is a power vacuum in West Asia, it has to be filled by countries in that region through their internal strength and unity. When a foreign power tries to step into another country, it disturbs the peace of that country and creates conflicts. It gives rise to tension and a race among foreign powers."

India's Prime Minister was careful not to name President Eisenhower or the U.S. directly. Mr. Nehru's remarks, however, appear to be based on a number of misconceptions.

BETTER USE OF BRAINS
U. S. appears to be making better use of its European refugees than Canada, observes The Financial Post. Perhaps 20 are now employed here as engineers and scientists. More than five times this number are so employed south of the border although U. S. employers have had only twice as many to choose from. Same skill distribution in both groups.

Men Who Make Alberta

THE CONSTRUCTION WORKER

The rapid, almost unbelievable growth of Alberta and her towns and cities since the beginning of World War II, has made necessary a huge program of construction of homes, buildings, power plants, highways and bridges.

Without this work, and without the men skilled in the use of the machines and equipment necessary to do it, our expansion and economic growth would come to a tragic stop. People cannot live without shelter. Industries cannot operate without power and commerce cannot exist without the means for communication and transportation.

The men behind the construction jobs are a rugged breed. As well as their skill, they are called upon to provide to their jobs their honest sweat and at times their courage as well. The building of a new and growing country cannot be left in the hands of workmen. It is this age of machines, brawn and fortitude are required.

We all owe a tribute to these shock troops of civilization... the men who build what others so gladly use, the monuments of civilization that are transforming the face of this province and giving us all a better, more comfortable way of life.

Town Council

The annual Town Council meeting was held in the Strathmore Town Office Feb. 11 with 11 present. Mr. Hill Rhoads was appointed chairman for the evening.

Minutes of the last meeting were read by secretary Leonard Hill, and considerable discussion arose as a result.

The possibility for trees to be available to ratepayers on their backyards was brought up. It was suggested that the council advertise through the Strathmore Standard that orders may be placed at the town office for their trees until a specified cutoff date and at that time they would be ordered accordingly.

The dog problem was discussed at length and the general feeling was that there should be closer restrictions on the animals running loose. Due to the fact there is no town policeman, it proved quite a problem. Various views were held but under the circumstances it was hoped that dog owners would shoulder more responsibility for their dogs and not to be "too close to the bone" in their desire to have their dogs.

The problem of old cars not in running condition littering up town property was a touchy subject. The town states they may be removed after a period of three months. It was felt that the Council should act as quickly as possible to rectify the situation as the town is liable should an accident occur involving these cars.

Mayor H. W. Rhoads gave a general summary of activities for the past year. Thanks were conveyed to the Councilors for their 100 per cent support and effort. He congratulated Leonard Hill for the efficient way he handled his duties. Mr. Rhoads felt that although the appropriations were inadequate a successful year was enjoyed.

There was one project that was disappointing according to the mayor, and that was the turnout of the cleanup day held last year in that it was not as successful as the year previous.

Mayor Rhoads expressed his hope that the retiring council would consider remaining for another term of office.

Councillor Bill McNeill reported that 2,125 feet of sewer sidewalk had been laid and he felt that the shortage of water would no longer be a problem. Mr. McNeill wanted that in the near future it may be necessary to replace or repair equipment in the pump house due to condensation which would amount to quite a sum of money.

Councillor Larry Hunter, in charge of fire and light, said that an auxiliary motor had been installed on the fire truck, due to the fact that the present one is really flooded and could not be depended on. This was discussed by those present and it was moved and seconded that the council should consider the matter and act accordingly.

Councillor Len Larson brought up the police and relief board matter reported that Strathmore was financially unable to hire a full time policeman and that an effort was being made to acquire some satisfactory arrangements for town protection.

Mayor Rhoads at this time expressed appreciation to Const. D. Simmonds of the local RCMP for his co-operation in the past in assisting the council on a number of occasions. Fortunately Mr. Larson had little to report from the relief department.

Councillor H. Holman felt a good year was had with a bank balance.

Caught In The News Net

Mr. Anne LaPiere and Mr. M. A. Hamilton were married in Edmonton Monday in a quiet ceremony. The bride is in the garage business.

Robert G. Sharp, son of Mr. and Mrs. J. Sharp of Strathmore, was assigned his post as District Highway Engineer at Grande Prairie.

Mr. Sharp has formed a new trucking firm, known as Sharp Carriers Ltd. to haul petroleum products from Edmonton, Medicine Hat, and other points.

Mr. Sharp's first trip will consist of seven heavy tanker units, Mr. and Mrs. Sharp and their two children will continue to make their home in Grande Prairie.

Mr. A. L. Donovan of Calgary called in to the Standard office on Tuesday looking quite chipper. Mr. Donovan is convalescing from a recent attack suffered Nov. last.

Mr. Donovan, who warned that he would possibly be a little rate rise due to increased education tax. It is expected that the annual rate year would be lower than last.

Councillor A. K. Thompson of the town property felt that there was a normal increase in this department. He expressed his thanks to other members for carrying part of his load while he was unavoidably absent many times when matters came up. This Mr. Thompson said, was the reason he felt he should resign at this time.

Mr. Thompson's resignation was his summary in an apparent effort to make the results of votes in this issue. He also told the meeting that the assessment would be less this year than last, thus less income.

Mr. Hill read the inspector's report which was commendable. He was also a hockey game in town that night. It was well attended and was enjoyed by all. The rally was Mr. Blair Field of Carleton.

Anglican W. A.

A member of Strathmore St. Michael's W. A. met at the parish hall Feb. 6. The meeting opened with prayer and roll call.

The next item was a report on the work done by the W. A. during the past year. The report was read by Mrs. M. A. Hamilton.

The program is really a very successful one. It is reported that the annual meeting of the W. A. will be held on Friday, Feb. 22 at 8 p.m. at the parish hall.

All people on the various committees are co-operating and helping their fellow members in the various ways. The service and meeting will be conducted by a church league.

Presley Fans Rock 'n Roll Rhodes Wins Over McDougall

A crowd of 300 to 400 people braved the elements to attend the Annual Ice Carnival sponsored by the Strathmore and District Municipal Area.

Despite frigid temperatures, a fine show was offered by the young hopefuls of the district. Fine costumes, good talent and an all round good display were highlights throughout the evening.

The show was opened by a color guard made up of the Strathmore Army Cadets and Cadettes with the assistance of Coast Simmonds of the H.W. Strathmore.

In the absence of Mayor Rhodes, Councillor Holman gave the welcoming address on behalf of the Town of Strathmore.

The first item on the program, the retiring queen, Edna Torpinson, crowned the 1967 Queen, Delores Cottle, wishing her well for the coming year as queen of the Strathmore Ice Carnival.

Queen Delores graciously accepted the crown and thanked all those who had made it possible for her to hold the coveted position.

Little Red Riding Hood, featured Linda Warrick, Richard LaPere, Elaine Cottle and Laurie Hunter, along with a host of animals, represented by the younger set was a colorful display. Some of the performers were experiencing their first year on the stage.

The veteran hamper, Sandy Kier with his pupa gave a fast and furious performance. The pupa cleared as many as 14 barrels laying side by side. Sandy himself gave a bit of a show, but he was very capable, when he cleared a pile up of barrels three high and eight across.

The winners of the respective events were as follows:

First Event - 1. Drake, Irwin; 2. Harwood, Strathmore; 3. School, Strathmore; 4. Red McPherson, Cheshire.

Second Event - 1. R. Thurston, Nightingale; 2. Joe Voornman, Carleton Place; 3. Harwood, Strathmore; 4. Drake, Irwin.

Third Event - 1. McLaughlin, Cheshire; 2. Wier, Rockford; 3. Drenner, Strathmore; 4. Red McDougall, Cheshire.

Fourth Event - 1. Hunter, Strathmore; 2. Redwood, Strathmore; 3. Margo, Strathmore; 4. McLaughlin, Cheshire.

The president of the Strathmore club George Locke, wishes to express his thanks, on behalf of the club to all entrants and hopes that all had a good time, and will be back again next year.

Yes, and to the ladies who provided lunch at the counter, the men and caretaker. George wishes to congratulate the draw secretary Leonard Hill for a fine job.

Mr. and Mrs. Tommy Anderson and family of Calgary were guests at the home of Mrs. Hill. Mr. and Mrs. Lester Jones.

Anon Chase was the TV lady, assisted by the Ladies Curling club.

The grocery hamper raffied by the Strathmore Hockey Association was won by Elmer Gray.

Mrs. M. D. Garrett was called to Edmonton last Monday to be at the side of her daughter Mrs. Allen Polley, who took ill suddenly. Mrs. Polley underwent surgery in an Edmonton hospital but is reported to be doing nicely.

Leonard Hill, among Alberta farmers to represent the PUA at various meetings of Parliament. Mr. Hill undoubtedly will bring back much useful information to farmers of Alberta.

Drake Wins

The 26th Annual Strathmore Bonspiel came to a close at 10 p.m. Sunday night with the Gordon Drake entry from Irwin, winning out of 100 points.

Other winners on Gordon's rink were H. Black, third; L. B. Anderson, second; and Jim Percival, lead.

Fifty-one rinks were entered in the bonspiel. The rink from Strathmore and district is 15 in total.

The winners of the respective events were as follows:

First Event - 1. Drake, Irwin; 2. Harwood, Strathmore; 3. School, Strathmore; 4. Red McPherson, Cheshire.

Second Event - 1. R. Thurston, Nightingale; 2. Joe Voornman, Carleton Place; 3. Harwood, Strathmore; 4. Drake, Irwin.

Heber Wins

Heber Roemer, best rider of Lestbrook, Okla., proudly displays his prize following his victory in a purchased Hereford cow. The calves were sired by a registered Hereford bull. Quadruple births are quite rare in beef cattle, and this was the first such in the Hereford line.

Home and School

The regular meeting of the Strathmore Home and School Association was held Feb. 20 in the School Auditorium with the vice president Mrs. W. M. McMan in the chair.

Approximately 100 parents were in attendance to hear Mrs. W. M. McMan give a very interesting report on the Principal's Letter, which she read under the auspices of the subject of Curriculum and Assessment to meet the needs of individual pupils. These talks were followed by a short question period, after which parents visited the different rooms and were able to meet the teachers and examine the children's work which was on display.

There will be a square dance in the Sam Crowther School Auditorium March 2, sponsored by the Home and School Square Dance Club. Everyone welcome.

Ladies Bonspiel Again Halted

Again the bonspiel had to stop. Apparently the sun has a liking for the Strathmore Ladies Curling Club and has been shining on the ladies try and run a bonspiel.

Strathmore Ladies Auxiliary Celebrate Tenth Anniversary

Strathmore Ladies Auxiliary to the Legion celebrated its 10th anniversary Feb. 25 when about 120 guests, members of the Legion and their wives and lady friends, Auxiliary members and their husbands sat down to a delicious turkey dinner.

At the head table, which was tastefully decorated with bunting and flags and centered with a birthday cake flanked by the flags of American, Beatty houses were seated the following: Mrs. Margaret J. Decker, provincial president; Mrs. Ellen Pagezette, provincial secretary; president Fred Cramer; Mrs. Cramer of our Legion; president Mrs. John Keeling and Mr. Keeling; past presidents Mrs. H. McIsaac and Mr. McIsaac; Mrs. A. Morton Scott and Mr. Scott; Mrs. A. Morton and Mr. Morton.

The president, welcomed the guests and requested Rev. Collinson to say grace. After the dinner Mrs. Cramer proposed the toast to the Legion. Mrs. A. Morton proposed a toast to our guests, which was responded to by Mr. Fred Cramer.

Mrs. Bert Martin gave a short historical resume of the last 10 years and each past president came forward and in a concise way gave her term of office.

Mrs. Decker gave a short address and requested all cluster members present to stand. Those in attendance were: Mrs. Woodfield; Mrs. H. Cray; Mrs. H. McIsaac; Mrs. J. Munro; Mrs. T. Stalter; Mrs. H. Kermack; Mrs. H. Hinch; Mrs. H. Forrester; Mrs. H. Weyers and Mrs. Isard. They were presented with bouquets by Mrs. Keeling. Provincial secretary Mrs. Pagezette spoke briefly. Mrs. Keeling proposed a vote of thanks to Mrs. Jack Colwell, secretary, and her committee for a splendid dinner.

Her tables were cleared so that at time followed by a dance with music supplied by Mrs. Dourbaine Mrs. Bernice Harwood and Doug MacKinnon.

The cocktail bar was an attraction of the evening and proved quite popular. The raffle of the clock was won by Andy Scott.

The ladies thank the men for the "hot" rows and to Pat Joyce for decorating the cake; and to the ladies for serving at our dinner.

Strathmore F.U.A.

About 45 members attended the F.U.A. meeting held Tuesday evening March 5 in the Memorial Hall.

Under the able chairmanship of Mrs. Sandino, Jim Harwood, secretary of the Strathmore Feeders Association, gave a very interesting and informative report on the operation of that group. He reported that \$29,000.00 of the \$100,000.00 plan was secured by the 45 members. The purpose of buying feeder cattle, Mr. Harwood is well pleased with the condition of the cattle under feed. It is hoped that two groups may be formed this summer thereby making available 200,000.00 for the purpose of feeder cattle to feed in this area.

The feeder year starts Aug. 1. Applications should be sent in well ahead of this time to enable the committee to make plans for the coming season. For further information contact Jim Harwood or any of the members.

Norman Scherer, president of the Strathmore Seed Cleaning Plant, also gave a full account of the plans and progress of the arrangements for construction of the plant, especially the feed cleaning plant, regarding the feed cleaning plant for a site on the C.P.R. right-of-way. The lumber has

The Ladies Made It

It took three starts, but the Strathmore Ladies finally completed their Annual Curling Fest.

It wasn't long after the temperate drop that the curlers were flying down the ice and play was completed on Monday afternoon March 4, with the following results coming out on the top of the heap of the respective events.

Top honors went to Vi Christensen of Strathmore. Vi, Christine and Patsy, second in the first event was Mrs. H. Lachet; Kathryn; third: Mrs. Tena Frenn; fourth: Mrs. Peterson, Hubella.

In the second event, 3 Mrs. H. Oughton, Calgary; 2 Mrs. Mary Jones Strathmore; 3 Mrs. H. Oughton, Calgary; 2 Mrs. Mary Jones Strathmore; 3 Mrs. H. Oughton, Calgary; 2 Mrs. Mary Jones Strathmore.

First in the third event was Mrs. H. Oughton, Calgary; 2 Mrs. Mary Jones Strathmore; 3 Mrs. H. Oughton, Calgary; 2 Mrs. Mary Jones Strathmore.

WILDREDS, DUSTY

Like a snowball rolling down a hill, it gets bigger and bigger. So it is with the Strathmore and Chevalier Mayors. They contested their skills at the helm of the Wagons at the Strathmore and District Ice Carnival, and now they are big league hockey stars.

Teams guided by Wild Red McDonnell and Dusty Rhodes will square off in a hockey match this Saturday night at 8 p.m.

The Wild Red boys will consist of the Strathmore midges with the boys team himself, goal, while Hustler's puckers will consist of a line up of district hopefuls with the Strathmore Mayor between the pipes.

It has been reported that Dusty is recruiting some talent from Standard and Carleton Place. Suppose it may be the Mayor?

This was may be called a real official game, with such notable taking part, and should prove to be a great treat for the players and spectators alike.

All proceeds will go to the Strathmore and District Memorial Arena Fund. A good crowd is expected.

Mr. Cammatt purchased three furnished Strathmore bulls for his new herd and two for Howard and Bob Lymas of Rosebud. This stock will be shipped March 10 from Glasgow and will spend its days at sea. Upon arrival at St. John they will be placed under quarantine for 30 days, then a seven day trip by train to Rockyford.

News Items

It is with regret that we overlook the solo by Beverly Daines last week's report of the Strathmore Ice Carnival. Beverly performed in fine fashion and certainly a credit to the evening's performance.

Those who have been in the arena lately will have noticed a large electric clock, suspended over the centre. This was a much needed piece of equipment. The clock was made, installed and donated to the arena by Mr. Allan Chase.

Mrs. H. Gray and Mrs. D. Martin, attended cancer workshop held in Calgary last Friday.

Mrs. John Offen, Mrs. J. Harwood, Mrs. G. Leslie and Mrs. A. Morton are curators in the Basque Bandstand hospital this week.

Mr. and Mrs. Otto W. Hill of Calgary spent last Thursday with Mr. and Mrs. H. Gray.

Gordon Warshaw of Edmonton spent the weekend with his parents Mr. and Mrs. Vern Warshaw.

Mr. and Mrs. Ted Joel of Calgary were weekend visitors at the home of Mr. Lounsbury and Mrs. Joel.

Mr. Max Van Stenbergen returned this week from three week's business trip to Toronto and other points in Eastern Canada and Manitoba.

Mr. and Mrs. Larry Hunter and family returned to the Red Deer last Sunday and enjoyed some time with Mrs. Hunter's sister and Mr. and Mrs. Roy Walter at Norwood.

Mr. Art Davis, federal candidate for the Liberal party in the coming election was in Strathmore Tuesday, looking after matters pertaining to his campaign, which was launched at an early date.

The Red Cross Drive Is On

If one of us could trade places, even for a day with a child in the Alberta Red Cross Crippled Children's Hospital, there would be no need for a Red Cross campaign.

If any one of us could trade places—just for an hour—with a person whose life has been saved by the Red Cross Blood Transfusion Service—there would be no need for a Red Cross campaign.

No one knows the feeling of a mother who holds her child that has been saved from drowning by the Red Cross life preserver. No one knows the feeling of a father who sees his burn-out family clothed and fed by Red Cross Disaster Service.

The rest of us, who have not yet experienced the drama of being engulfed by Red Cross, must rely on our will and our knowledge of its programs to realize its worth. And surely that is simple to do when one considers that Red Cross is the one international organization devoted to the improvement of health, the prevention of disease and the mitigation of suffering.

Despite the extensiveness of the Red Cross Service and the number of children cared for in the Alberta Red Cross Crippled Children's Hospital, there are comparatively few of us who experience the drama of being given life by transfusion.

Contributions from the earnest and sincere believers in Red Cross make the Red Cross what it is. Their contributions, be it the food, clothing and bedding shipped when families are burned or the money contributed to the organization bring the comforts, films and handicrafts to hospitalised veterans and the Red Cross. Their contributions make the Red Cross what it is. Their contributions make the Red Cross what it is.

Men Who Make Alberta

THE FARMER

As it does with her sister Prairie Provinces, Agriculture forms the largest single industry in Alberta and the backbone of that industry is the thousands of men and women who have devoted their lives to the production of the first necessity of life... food. Since the days of the first homesteader, the man who has tilled the soil has been the key to a major portion of our economy. His faith in the future, through good years and bad, has been the cornerstone upon which our prosperity has been built. Thousands of town and city people depend on the farmer's income for their source of revenue.

As he prospers, so prosper Alberta retail outlets and industries. However, the direct and indirect benefits to the economy of the province does not tell the whole story of the farmers' contribution to the progress of Alberta. Farm families have found time to raise and educate many of our outstanding citizens in every field of endeavour... Sons and daughters of rural parents have gone into the legislature, through good and industry... raised in the clean, healthy atmosphere of the country they have carried with them a love for our most priceless possession: the good, rich prairie soil of Alberta.

Five Cars Are Impounded Three Councilors Take Oaths

As a result of the Annual Meeting of the Strathmore Town Council, it was determined that the five cars impounded by the Town last week because they had overstayed their parking limit.

A draw was made at the regular Town council meeting March 11 to determine which of the three councilors would be responsible for the cars. The results were as follows: Frank Bannister and Ted Hartnell are to act for the full term and Carl Forsman for the one year period. All three men were elected by acclamation so no election was necessary.

They all took the oath and signed the necessary papers. The chairman of the various committees were appointed as follows: Finance, Carl Forsman; Advertising and publicity, Arthur Kinnest; Fire and light, Larry Hunter; Public works, M. Holmes; Police and relief, Frank Bannister; and Town property, Ted Hartnell.

The clock was a difficult one for the board of the public works department because of time involved. The council felt it would be a great loss on the person appointed but Councilor Hartnell kindly volunteered for the position and was assured cooperation from other members.

Mr. Larry Hunter was nominated to the position of Deputy Mayor. Council of Revision includes Councilors Holmes, Forsman, Bannister and Kinnest.

Members, Richards, Yessman and Co. of Calgary were appointed Auditors at a fee of \$500.

The meeting felt that more pressure should be put to bear on the possibility of getting natural gas in Strathmore and M. Holmes was nominated as chairman, assisted by Ted Hartnell and Larry Hunter to investigate further.

Various locations where additional street lights were possibly needed are to be investigated by Light committee chairman L. Hunter. It was reported that five cars had been impounded and put in the town property lot, as a result of the pressure by taxpayers at the annual meeting Feb. 11. This is only a start, as there are more offenders that will be dealt with according to council.

Complaints from offenders that thought they should have been back sent to the younger legs. They thought hard all the way. Gailie Wild and McDonald thought it would be both fair and kinder to end the war with no dates on, and be done just that. It did leave room for "official" protest but when Ted Rhodes came out in the second period uttered in the same manner to end his protest. It left no room for contention.

The chairman for the Midgate were Forsman, J. L. Pickett, J. Swinburn, J. Youngman, J. Riddon, J. and Sellar.

For Dunsy's over 31ers, Herman Laskin, J. Hillon and L. Lawrie with each one.

Proceeds for the night went to the Strathmore and District Memorial fund.

According to Jack O'Leary, who is holding aside, it was very good practice for the Midgate, as the bookkeeping was heavier than they are normally accustomed to.

During 1956 Canadians paid \$445 million for cigarettes and over \$300 million went into federal and provincial taxes.

Let's Get Newsy Strathmore Scouts

Const. and Mrs. Doug Simonds were Sunday guests at the Ronald Hanson home. The ladies enjoyed reminiscing over their Home Economics days spent together at the University of Alberta.

There were remnants for \$25 from taxpayers since the annual meeting. It was felt that there was some misunderstanding in that the town will only pay for three plans on a householder in front of the town. The town will not be placed in other locations in their yards. The town must be careful by the property owner.

Upon application for trees, the location will be approved by the Town Property Dept. to eliminate possible error.

A letter was received from the Alberta Hospitals for Blind asking for donations. This appeal was sent down because it was felt that the town is covered by individual canvases, and that "would be a duplicate subscription."

A tract just let was suggested in the late behind Rhodes' garage, because present facilities are inadequate. No definite date was reached.

Plans for a new garage, office and living quarters were sorted to council by British American Oil Co. on behalf of Mr. Larry Hunter. The new structure in the Southwest section of the town was approved pending the surveying of the property.

Mr. Leonard Hill was instructed to contact the CPR re: signs at the private railway crossing west of town.

Meeting adjourned at 10:15 p.m.

Wild Red Victor

The Strathmore and Chasid Mayor again went to battle last Saturday night, in a hard fought hockey game.

The team headed by Red McDougall of Chasid, were victorious by a 5 to 3 score. Rules were strict of the Strathmore Midgate, because the pipes.

The Wascos were forced to take a back seat to the younger legs. They thought hard all the way. Gailie Wild and McDonald thought it would be both fair and kinder to end the war with no dates on, and be done just that. It did leave room for "official" protest but when Ted Rhodes came out in the second period uttered in the same manner to end his protest. It left no room for contention.

Strathmore Lions To Hold Bingo

The regular meeting of the Strathmore Lions Club was held in the Strathmore Memorial Hall, Thursday, March 7.

Dr. Giffen led the group in a song, after a delicious supper was served by Lions Harold and Mrs. Scher, Ken and Mrs. Walker.

The Club president John Scher was in charge of the induction of five new members, namely: Andy Anderson, Doug Simonds, Mr. Upton, Joe Harwood and Jack Giffen.

The risk skipped by Lions Doug Simonds came home with second prize in the annual Lions Bazaar held in Calgary March 12. There were 23 prizes from Clubs in South-Atlantic entered in this event.

With Doug, were Dr. Giffen, Joe Harwood and John Scher. They won for their efforts, a beautiful engraved trophy, and TV lamps.

It was reported that an orchestra had been arranged for Charter Night March 21, and that the Strathmore Ladies Auxiliary to the Lions have agreed to cater for the bachelorette.

Ken Walker stated that there were a number of road signs ready to be painted, and volunteers offered to assist with them on Saturday morning.

The next Board Meeting will be held at the home of Al Ramsden.

There was a committee appointed to look after the Bingo to be held at the Strathmore Memorial Hall, April 10. The proceeds of which will be used in part to purchase a trophy for the July 1st Sports Day.

Dr. Giffen, during the entertainment, held a quiz on Lions and their history. The quizmaster was Dr. Giffen. The quizmaster was Dr. Giffen. The quizmaster was Dr. Giffen.

The meeting was interrupted for a time when the Scott Potrylster mysteriously disappeared. The accused finger was pointed at "Tallwater" Harold Ramsden and he immediately conducted a search. However, he did not return as quickly as it appeared so no one could be accused of the act. It was Mr. Harold's chair when he returned from his absence and he was in an effort to recover his. Larry for Paul Holwegner, came he won it.

CLEAN UP TIME
It yourself then wait for council action. And besides look what it seems to be the trend to have a general clean up this spring. Permit Lawn, Albert Park and new Strathmore.
Old cars, junk, and general untidiness are a disgrace to the Strathmore Town Council meeting Monday night, and the general feeling was clean it up. It isn't that there is so much dirt involved in offending people, merely they have a couple of dollars to pay some trucks to move it away to the dump. Just as a suggestion it may be cheaper to move parties of dirt.

Editor, Strathmore Standard.

Dear Sir:
Congratulations on your editorial of last week regarding the \$25.00 dividend Premier Manning plans to give all Alberta residents of five years over 21 years of age.
I agree the money should go to some concrete project or be set aside for the aged or needy. Although many people will benefit by the money there will be thousands who have an income which doesn't require government aid. And where does the Social Credit plan to raise the \$11 million to replace the amount it will give away.

NAMAKA WA
Mrs J. Drummond was hostess at the March meeting of the Nama-za Group WA Thursday. Most of the members and one visitor were in attendance. A report of the annual church meeting was given by Mrs. Drummond while Mrs. R. H. Henson reported on the annual Presbytery WA rally in Calgary. Most interesting remarks were made by several of the members, when they learned that WA groups have been requested to contribute such stories as an effort to compile a WA history. Mrs. Althea was appointed to contact other WA members and gather more information for this project. The women planning committee reported on

means and price, drawn up at a recent general executive meeting. An invitation was extended from the Afternoon Group to host Mrs. Norma Gray at their next regular meeting. A report was given on a recent wedding reception at which this group helped to entertain. It was decided to hold a bazaar on March 22 at the Central Electric Shop at 2:30 p.m.

Agricultural Board WHEATLAND M.D.

A meeting of the Service Board was held in Strathmore in the M.D. office March 11 at 8 p.m. Present were Council members Jim Harwood, chairman, Doug Keen, Farmer members Norman Scheer and Ed Dees, Dist. Ag. Ken Walker, secretary Frank Ewing, and Field Supervisor D. Thomas. Minutes of the previous meeting were read. Field Supervisor Thomas was present and gave a report on attending in Calgary and investigating sprays for weeds. He advised that representative of the Golden Arrow Sprayer would attend the meeting. Correspondence was read from the Department that they would not bear any part of the capital cost of same.
That we adopt the 1957 Service Board program as submitted by the secretary and committee delegates to submit same. It was duly agreed by all members present.
Moved that we handle the 2ms program for the season and keep 125 dollars on hand for the use of farmers at all times in the office. The secretary was requested to get a price on a ton of growing root fence and a ton of created wheat grass for the season's use of root-fencing down the roadsides to grass where freshly graded.
That the Supervisor arrange to go to Calgary and obtain a suitable pump for spraying weeds and that he also proceed to carry out the program of spraying cattle for vermin flies as soon as the weather permits.

News From Gleichen

BY MISS J. E.

Two local teams of lady curlers were entered in a recent tournament in Calgary but were not fortunate to win any prizes, but enjoyed their experience.

Mr and Mrs Robert Jones moved into the former's father's home recently vacated by Mr and Mrs G. Culbert and family. The latter have moved to Calgary where Mr. Jones has a position in the Holy Cross Hospital. They will be missed here but we wish them the best of luck in their new home.

Mrs Lloyd McLean and children are at present visiting her parents Mr and Mrs S. Lane of Mito.

Mrs. Curran and family of Coleman arrived Friday for a short visit with her parents Mr and Mrs W. Wallace.

We regret to report Mr George Evans is a patient in the Holy Cross hospital. All his friends will be glad to hear he is making good progress, and we hope he will continue to do so.

The pot luck supper sponsored by the O.E.S. March 5 at the Macleod hall was well attended. Evening was spent in playing bridge and cribbage and bridge. The winners in whist were: Ladies high, Mrs. J. G. (Prosser); low Mrs. G. (Prosser); Men's high, H. Holan; low, Mrs. J. (Holman); in bridge were: Ladies high, Mrs. B. (Prosser); low, Mrs. B. (Prosser); Men's high, J. G. (Prosser); low, Mrs. J. (Holman); in cribbage were: Ladies high, Mrs. B. (Prosser); low, Mrs. B. (Prosser); Men's high, J. G. (Prosser); low, Mrs. J. (Holman).

Mr and Mrs Gordon Scott and family of Pollockville, Alta. spent the weekend here visiting relatives and friends.

Rev. Morrison returned Saturday from a trip to Deep River and Toronto, Ont.

The W.A. of St. Andrew's church met at the home of Mrs W. R. Schmeide March 15 with 18 members and one visitor present. The annual Easter tea was discussed and it was decided to hold it on April 27. Mrs H. J. (Prosser) and Mrs W. Schmeide were appointed delegates to the District in Calgary March 18 to 20. It was decided that it is better to have some extra for each member would donate a cup and saucer at the April meeting. Some material was received from the District and given out to members to be made up and returned later. Following the meeting a lovely lunch was served and all enjoyed a pleasant social hour together.

Mrs Alma Spafford of Beakton is spending a few days in town visiting friends. There was a good attendance at the regular meeting of the WAGL Thursday evening at the Legion Hall. Mrs W. (Prosser) of Mito was in some command of No. 4 and was present and spoke to the members. Mrs Mary Letourneau and Mrs J. (Prosser) were initiated into the Auxiliary. Mrs May Hatten and Mrs J. (Prosser) gave two very interesting and informative reports on the cancer workshop they attended in Calgary March 15. The members enjoyed a social hour and lunch after the close of the meeting.

Out of 60,211 applicants for driver's licenses who were tested in Alberta in 1956, 13,244 were approved.

U. F. A. CO-OP Attacks Farm Costs

farmers take advantage of every opportunity to save money. Mr. Church stated that in view of these facts the Board and Management expected that in such districts served by a UFA Co-op, all agency farmers will be patrolling it in increasing numbers.

In making this announcement, Mr. George E. Church, president of UFA Co-op pointed out that the 27 million gallon volume of the cooperative placed it in the position of being one of the largest independent petroleum jobbers in Western Canada. Mr. Church said it is expected that this expansion will result in greater savings and consequent increased patronage dividends for the member patrons of UFA Co-op. In the years it has operated, UFA Co-op has saved over 3 million dollars in dividends for its members. In these days of increased cost of farm operations it is more important than ever that

News From Standard

BY MISS G. E.
Mr. Isaac Radok has been visiting in the home of his son for a few days the past week.

Mr. George Kinnear has returned home from Drayton Valley to see a few days with his family. We are sorry to report that Mrs. Anna Mithas is still in hospital after an operation.

Mr. Keith Johnson is visiting at the home of Mr. and Mrs. John Baird at present.

We are sorry to report that Mrs. Gladys Hunter was confined to hospital but should be home soon. Mrs. Norman Tredak is also in the hospital at present but we wish her a speedy recovery.

Mr. and Mrs. Martin Christensen had several guests for supper Saturday evening.

Home for the weekend were Bernice and Vernon Anderson, Mr. and Mrs. Don Postelwaite, Marian Foster, Betty Jensen, Johnny Brugg and Norman Christensen.

Mr. Martin Rasmussen celebrated his 75th birthday March 25. Many friends came to his home to help him celebrate the occasion.

His daughter and son-in-law, Mr. and Mrs. Bob Cairns were here the previous day to honor his birthday.

We are happy to report that Mrs. Gerald Larsen is home after a brief stay in hospital.

At the monthly meeting of the Standard Students Union it was decided to hold our graduation, on May 10th. The banquet will be in the school gym. Because of the increasing number in the high school it was decided to make the dance a two-part affair.

The dance is to be held in the community hall. Mrs. Irena Jensen had her family visiting her and her husband on Sunday. The occasion being her birthday. Her son, Mr. Harry Jensen was also here before leaving for Vancouver.

Mr. and Mrs. Fred Weisse and Julius Ludwig were Calgary visitors Thursday.

The Square Dance members attended the Forest Lawn Square Dance June 10th at evening.

Mr. and Mrs. Fred Weisse attended the Home and School meeting in Rockyford Thursday evening. Donnie Morgan, Stuart Thurston, Irene Kinney, Thomas Wallis, Virginia Weiss and Diana Laidlaw were Nightingale pupils who took part in the entertainment.

Mr. and Mrs. Jack Knight of Gladys Ridge were visitors at the Walls home over the weekend.

CATTLE SQUEEZE AND CALF TABLE

These farmers with only a few head of cattle realize that it is no economy for them to invest in equipment the same as a rancher, but find it a difficult chore to handle even a few head without this equipment. Some have suggested that it would be a considerable saving if they could rent a cattle squeeze or calf table from the Wheatland Municipality the time or two during a year it is required. This matter was discussed by the Agricultural Service Board who agreed that they would recommend that the Council buy such equipment for rental at probably a dollar a day as in the case of septic tank farms, provided rate payers indicated that they would rent it. Anyone interested in this matter should advise a member of the Board, Wheatland Council or your Wheatland Office.

A program for weed and pest control in Wheatland for this year was made up and adopted. Field supervisor Thomas was asked to visit Golden Arrow Sprayer Co. in Calgary regarding better sprayers for roadside weed control. A ton of crushed wheat grain and a ton of crushed red flax will be required for seeding roads graded last year in addition to that supplied by the Alberta Dept. of Agriculture. Jim Harwood advised that equipment was ready for use and the spraying and this work would start as soon as requests for the service were received.

Strathmore W. A.

The regular meeting of the Strathmore group W. A. of the United Strathmore was held in the Memorial room of the Church Mar. 14.

Leslie Mrs. E. Kowal opened the meeting in the usual way with verses repeating the creed and the Lord's Prayer, followed by a hymn and the devotionals was given by Mrs. Washburn. Roll call was taken donated by members of which a good number of pretty aprons were turned in which will be sold at the Strathmore tea and sale.

The secretary's report was read by Mrs. L. Larsen and Mrs. Connolly gave the treasurer's report.

After a short business period the meeting adjourned at which time Mrs. Dolly Kowal introduced Mrs. Norma Jean Gray, guest speaker from Brooks. Mrs. Gray was housewife, which was very interesting to the 24 members and 15 visitors who were all very pleased to get so many new ideas to use in their homes.

A very delicious lunch was served by the hostesses Mrs. Gerrold, Mrs. MacKay, Mrs. Washburn, Mrs. West, Mrs. H. Scher and Mrs. John Kowal.

GLEN VALLEY NOTES

The Glen Valley PWUA held its regular monthly meeting March 14 at the home of Rachael Floren, with 13 members and four visitors present. The main part of the meeting was taken up with the discussion of the Joint PWUA and PWUA meeting in Strathmore. It was decided that as many as possible should attend. It was also decided to have a report of each meeting sent to The Standard in the Carleton Place.

An interesting musical concert was given by Olive Svensen after breaking a tie with Laura Groves. Next meeting will be held April 11 at the home of Rachael Floren.

(Anyone interested is invited to attend.)

A delicious lunch served by Rachael Floren and Laura Groves brought a pleasant afternoon to a tea.

Congratulations to Mr. and Mrs. Eddie Schultz on the birth of a son.

Mr. and Mrs. Allan Rasmussen are receiving congratulations on the birth of a daughter.

COMBINATION CRASH BAG Latest attempt to prevent injury in plane crashes is an inflatable, rubberized nylon bag that acts as a cushion. When inflated, bag duplicates the contour of a seated passenger and fills most of the space between him and the seat in front. Special pads protect his eyes and nose.

Stored at the back of each seat, cushions can be inflated by the pilot in three seconds. If this fails passengers can inflate the bags themselves if they have time. Crash bags can also be used as life jackets.

Moving To Calgary

Strathmore is going to lose two oldtimer resident families this Sun. Mr. Ned Johnson, and Mr. Gordon Nelson are moving their families and effects to Calgary where both men are employed. Gordon works for Burns and Co., while Ned is with Alpha Dairies in that city.

The Nelsons have been around Strathmore for 31 years, and will find it hard to break away from old ties, but Gordon has been driving back and forth for the past three years and feels that it will be better for both he and his family if they were closer together. They have obtained a house and five blocks from the Burns plant. Gordon says that the car will go well deserved rest, and he will depend on his two feet to carry him back and forth.

The Johnson family have resided in the town and district for seven years and in that time have made many lasting friends who will be sorry to see them move. The Johnsons have been active in community and church work, and the boys will certainly be missed in sporting circles.

Mr. Johnson has sold his farm in a trade deal for a home in Calgary. Like Mr. Nelson, Ned has been commuting back and forth in and from Calgary and will come more time with his family. Strathmore and District wish these two fine families all the best in their new homes and surroundings.

Lyalta News

BY MRS. M. O.

The regular meeting of the Women's Institute was held in the hall March 23 with 18 members and one visitor present. Mrs. Ed Deeg, president was in the chair.

The roll call was an Irish custom or song. Mrs. Vern Moore and Mrs. Ernie Deeg gave a report on the recent district conference held in Calgary.

A letter was read from Charles Johnston, MP acknowledging our recent letter concerning succession duties.

Two contests were conducted, after adjournment by Mrs. D. Portens and Mrs. A. Pufferforth. The draw was won by Mrs. A. Butcher. Hostesses were Mrs. F. Honsbeck and Mrs. R. McCullister.

Mrs. Martha Downey who has been staying with her son-in-law and daughter Mr. and Mrs. B. Portens for the past month is at present in the Holy Cross hospital in Calgary. Her many friends wish her a speedy recovery.

Mr. Vernon Portens, son of Mr. and Mrs. B. Portens recently graduated from the RCMP training school at Regina and has been posted to Queneau, B. C.

Berry-Vale W. I.

Gleichen Events

BY MISS J. E.

Mr. A. Young went to Douglas, Man. recently to visit relatives, including the Price family, formerly of Gleichen. The latter are getting along nicely and like their new home. Mr. Young was accompanied home by his mother, Mrs. E. Gunn, who is now for an extended visit.

Wednesday evening last, the local hockey club held a bean supper at the skating rink. The boys arranged for and served this supper which was a real success, and well attended. They realized \$275. Mrs. Helen Battista was the lucky winner of the \$5 cash door prize, and Bob Wilson was winner of the best contest and won \$400.

The Gleichen PWMA sponsored an enjoyable card party at the home of Mrs. Dick Tower March 31. They played four tables of crêpe and five of whist. Winners in crêpe were: Bob Burns, Jr. points first; Allan Barnard, low; Ladies first: Mrs. C. Nelson and Mrs. B. McKeever, low. In whist Mrs. A. Mollen won ladies high and Mrs. W. Tupper, low; Gent's high Mrs. M. Tupper and low: Elmer Douglas. Mr. and Mrs. George McBean moved to Lathbridge Sunday to visit relatives there.

Elly Young is at present stationed at Camp Borden, Ont. He lives at home, is looking forward to his first leave home later this year. The daughters of Mrs. E. Gunn, Mrs. Young and Mrs. Dennis, are honoring their mother's 70th birthday by holding Open House at Mrs. Young's home April 7 from 8 to 5. Mr. and Mrs. Fred Crawford and

family of Dysmore visited relatives in town over the weekend.

We are glad to report that though George Evans is again in the Holy Cross hospital he is making good progress and resting comfortably.

Mrs. R. W. Brown, Jr. of Calgary is at present a patient in the General Hospital. Her many friends here will be pleased to hear she is slowly recovering.

Mr. George Yule, Jr. who had his leg injured in an accident a few weeks ago is hoping to have the cast removed this week.

The Gleichen PWMA met at the home of Mrs. K. Burton March 30 with 22 members present. The roll call which was quite "interesting" was: At what age I would like to stay at home and was \$400.

We are glad to report that though George Evans is again in the Holy Cross hospital he is making good progress and resting comfortably.

Mrs. R. W. Brown, Jr. of Calgary is at present a patient in the General Hospital. Her many friends here will be pleased to hear she is slowly recovering.

Mr. George Yule, Jr. who had his leg injured in an accident a few weeks ago is hoping to have the cast removed this week.

The Gleichen PWMA met at the home of Mrs. K. Burton March 30 with 22 members present. The roll call which was quite "interesting" was: At what age I would like to stay at home and was \$400.

The Gleichen PWMA sponsored an enjoyable card party at the home of Mrs. Dick Tower March 31. They played four tables of crêpe and five of whist. Winners in crêpe were: Bob Burns, Jr. points first; Allan Barnard, low; Ladies first: Mrs. C. Nelson and Mrs. B. McKeever, low. In whist Mrs. A. Mollen won ladies high and Mrs. W. Tupper, low; Gent's high Mrs. M. Tupper and low: Elmer Douglas. Mr. and Mrs. George McBean moved to Lathbridge Sunday to visit relatives there.

Elly Young is at present stationed at Camp Borden, Ont. He lives at home, is looking forward to his first leave home later this year. The daughters of Mrs. E. Gunn, Mrs. Young and Mrs. Dennis, are honoring their mother's 70th birthday by holding Open House at Mrs. Young's home April 7 from 8 to 5. Mr. and Mrs. Fred Crawford and

family of Dysmore visited relatives in town over the weekend.

LIFE MEMBERSHIP

The town's Curling Club held its Annual Meeting and Banquet on Wednesday evening, April 3. There were 44 present at the supper.

Earl Baker was elected president. Harley Wilson, secretary treasurer and Emory Jackson, vice-president. An executive of five was elected to serve for the coming year.

Mr. H. Wilson was given a life membership in the club in appreciation for his efficient and faithful service during the past five years as secretary. Many in- scribed letters have been made during that time, and the meeting felt that Harley was more than deserving of this honor.

A committee was set up to investigate through census, how much money would be available for the construction of artificial ice in the curling rink, and report their findings to the club in another general meeting.

There were an estimated 1,175,
000 head of sheep on farms in Can-
ada on Dec. 1, 1936, according to
the Dominion Bureau of Statistics.
This was about 1 per cent less
than the previous year's figure.
Due mostly to a small decline in
the West. Alberta had the largest
sheep population of any province
with 355,000 head. Ontario was second
with 215,000.

the dictators of the district last
weekend. Were Mr. and Mrs. A. Su-

some years ago from Cheadle, they
are on holiday, and enjoying re-
turning old friends.

The secretary of the Community
Club held its meeting at Marie
Warwick's on Mar. 18, with all
members present but one. It was
decided to undertake no more ag-
ricultural meetings this season, as
farmers will not be too busy to
attend. Another Turkey Shoot will
be held soon. In the past, it
has been a success, and there was quite a
discussion as to making it in order
to make them more profitable in the
club.

Last Wed. evening the members
of the district gathered at the
home of Mr. and Mrs. Held to wel-
come them to Cheadle. There was
a large turnout, and the contrast
held everyone on their toes.
Winners of these were: Leonard
Weyand, Lucy Weyand, Janet
VanderVeld, Dave Heckle, Pat
Weininger and Melvin Warwick.
A delicious lunch, round out the
evening, and to show what fine
fellows they are, the men even did
the dishes.

**Prime Minister Lauds
Red Cross Campaign**
For over three months we have
read and heard about the wonder-
ful work of the Red Cross in Aus-
tralia and Hungary.
Immediately after the world
leader of the tragic situation
found in Hungary, the Canadian
Red Cross was busy doing its
share for these unfortunate people.
According to informed sources,
such aid will be urgently needed
for many more months and we
know that, as long as the need
remains, our Red Cross will be on
the job.
Here at home, the Canadian Red
Cross has many humanitarian ob-
jects.
Red Cross services and programs
extend over a vast network of all
over 1,300 communities in every
province of Canada and this in itself
makes the Red Cross an in-
valuable asset to the nation.

Mrs. Chas. Christensen had the de-
votional, Mediam P. Nelson and
Borden announced the program
for several months will complete
tasks on the famous women of the
Canadian hospital in the village of
life of Dorcas and meaning of Dor-
cas societies. Services consisted
of a prayer for the use and sale
of some clothing, sewing, etc. April

The financial support of every

and I sincerely urge every citizen
to make his donation as prompt
as possible.
To the Canadian Red Cross I
pled my best wishes for the suc-
cessful campaign which will en-

PICKERILL RAPPEL
Immigration Minister Pick-
erill's most recent comment to Hun-
garian refugee situation, in which
he seeks to persuade people that
humanitarianism should be equat-
ed with availability of housing ac-
commodation and jobs in deter-
mining number of Hungarians to be
allowed entry to Canada, comes in
for sharp criticism from Rev. Dr.
Leonard Hatfield, general secre-
tary of Council for Social Services
of Anglican Church.

Dr. Hatfield asserts that in the
handling of Hungarian refugees,
Canada has been aiming the
cross - taking those who can
work and leaving the aged and in-
firm to suffer alone.
As for housing being a barrier to
the number of refugees to be ad-
mitted, he points out that there are
houses in Canada in which they
can live. Most of them are living
in hotels in Austria and most of
these are poorly equipped.

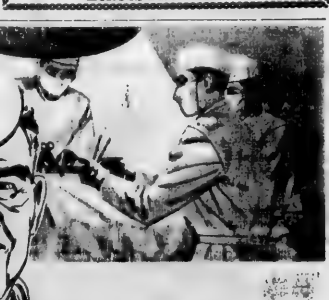

Most compelling reason put
forward by Dr. Hatfield for more
liberal attitude towards refugees is
that Canada really needs these
people for the nation's general de-
velopment.

Men Who Make Alberta

THE DOCTOR

Since the beginning of time, sick-
ness has been the greatest enemy
of men... and, in no other field,
has more success been attained
than in the struggle to combat
disease. A constant, never-ending
battle has and is being waged by
an army of men whose life has
been dedicated to the job of heal-
ing their fellow men. Diseases that
only a few years ago were horrible
destroyers of human life are today
only minor causes for concern.
Diseases which annually take
many lives, are today being
brought under control by the men
who answer the call of the sick
and suffering, anytime, anywhere,
in all types of weather.

Unfortunately, as disease is gradu-
ally brought under control, man
is finding new ways to destroy
himself... on the highways...
in industrial and home accidents
and in periodic and ever more
destructive wars.

So the battle to relieve suffering,
to prevent death, to cure the crippled
and to teach the maimed to
lead a useful life, never ends. To-
day in Alberta, just as in pioneer
times, we turn when tragedy
strikes towards the men who by
his training and understanding
can ease our pain and make us
well again. The man whose life is
dedicated to the service of others.

Long, low and beautiful Dodge
SETS THE STYLE IN ANY NEIGHBOURHOOD
...puts you a step ahead of the crowd

Bring home this dreamboat of a Dodge, and just listen to the neighbourhood hum! Hear those long, low whistles! They're for the long (over 17 1/2 feet) and low (only 4 1/2 feet) lines of that dazzling Flight-Sweep styling!

Its soaring tail line tells you right off - this big Dodge has a modern slant on motorizing that makes it the newest in its field!

In fact, everything about Dodge sparkles with tomorrow's touch. And "everything" covers such fields as the low-price \$14,999 Dodge Torque-Flite automatic drive. This most modern way to go is partnered with the most powerful standard V-8 of all low-priced cars, too. But best of all, wait 'til you put this road-

You're always a step ahead in ops of The Forward Look

Dodge marks you as a "MODERN" ... with its advanced-design V-8's or dependable Six... Flight-Sweep styling ... revolutionary Torque-Flite Ride ... Torque-Flite drive with push-button controls.

It's Nice In The Country

At the April meeting of the Strathmore Town Council, a very important business was transacted. The council has decided to promote the possibility of getting new residents and industry into the town. The council has decided to promote the possibility of getting new residents and industry into the town.

It is now up to the town council to decide whether or not to proceed with the plan. The council has decided to promote the possibility of getting new residents and industry into the town.

There is only one drawback, and that is that we do not have the advantage of natural gas. There is always the possibility that it will be here, and Controller Hodgman says it is some out, pulling for it but do not sit back and use this "recreation".

The advantages of our town far surpass its disadvantages. What the meeting adjourned and a period of bingo was enjoyed. Refreshments were served. Anyone desiring to attend the birthday supper in October April 25 should write the hall at 5 p.m.

Legion Auxiliary

The Ladies Auxiliary to the Legion met Tuesday night in the Memorial Hall. The resignation of Mrs. Conroy as secretary was received and accepted. Mrs. M. MacIntyre was persuaded to assume this duty for the remainder of the year.

Plans for the Mothers' Day tea early in May was discussed and decided upon. Mrs. MacIntyre will be official delegate to the bazaar and will be in charge of the bazaar. The meeting adjourned with the singing of hymns and a prayer.

NAMAKA WA

The weather was warm, the company congenial and the turkey tender last Thursday evening when the Namaka Group of the United Church W.A. held its annual supper meeting at the home of Mrs. K. Whistler. The company of guests was gathered around the well laden table included Rev. and Mrs. Upson, members and former members of the Namaka Group. All members contributed food for this tasty meal and were happy to find business in this manner in their nine guests.

Following supper, a regular meeting was conducted, with leader Mrs. Roland Hanson in the chair after reporting of the Creed and Motto. Rev. Upson gave the Devotional. Reports were given on a recent wedding and banquet to which the group helped cater, and also on the March Bazaar Sale. It was decided to contribute the money to the Missionary and Maintenance Fund of the church at this and further meetings. Rev. Upson volunteered to help with the weekly polishing of the church floor. Mrs. Upson urged a good attendance at the next Easter presentation of Strainer's Constitution, on Good Friday evening.

A good deal of time was spent discussing and planning a variety of new ideas for the year. This concert should be a success if the public enjoys it as much as the members and guests enjoyed laying the plans for it.

Hymn books are needed for the church service. Namaka is now decided to purchase them, with several members buying their own. An illustration was entered in regarding the advisability of holding Communion service in Namaka.

Mrs. Atkins concluded her meeting with the reading of an inspirational paper on Citizenship. The guests expressed their sincere appreciation for being included more in the fellowship of these meetings.

Mrs. Tuttle will be hostess at the May meeting with Mrs. Hamilton as special speaker on her Hawaiian trip.

A MESSAGE TO MY NEIGHBORS

Dear Neighbor:
I know the slight the farmer is caught in a quagmire between rising costs and static prices. I intend to try to do something about it. That is why I am running as Liberal candidate in the forthcoming federal election. Now I am largely a rural constituency and I believe I understand the problems you face. I have shared under what I thought was lack of understanding in the past about the Western farmer's difficulties. And finally I decided that there was only one sensible thing to do about it.
To aim at reaching Ottawa my self - not as a member of a spin-off group - a smaller party that would have no hope of accomplishing anything - but as a Liberal prepared to press the farmer's point of view. Only as a Liberal could I hope to improve conditions. Therefore, as an active farmer, a resident of the constituency and as a Liberal I intend to fight the farmer's cause.

Namaka Notes

by Mrs. E. B.

There was a good attendance at Church on Sunday conducted by Rev. Richard Upson. The service was held in the Memorial Room. The service was held in the Memorial Room. The service was held in the Memorial Room.

There was a nice crowd at the Pot Luck Supper held in the Community Hall on Friday evening. The supper was given by the group helped cater, and also on the March Bazaar Sale. It was decided to contribute the money to the Missionary and Maintenance Fund of the church at this and further meetings.

An excellent variety of choice foods were on display. Both young people who were charged 35c and old could bring the temple and a lot of help.

The Community Club took the opportunity to hold their annual meeting. After the minutes and Financial report were read, a dance followed the game which was reported by Verd Watson.

FACTS THAT SPEAK "OPPORTUNITY" FOR YOUNG MEN WITH AMBITION

1. The "Royal" is North America's fourth largest bank. More than 570 branches are operation and new ones are being opened all the time. During the past four years we have opened 84 new branches, each creating new managerial positions... and resulting promotions for young Royal Bankers.
2. "Influencer" plays no part in advancement at the Royal Bank. Our senior officers from the Chairman to the President on down started as juniors in small branches and advanced on merit alone.
3. Home study banking course are available to all staff members. Successful candidates advance quickly. Practical experience plus the banking course is equivalent to a university course in the University of Toronto.
4. For young men interested in gaining international banking experience, the Royal Bank has 75 branches abroad... in New York, London, Paris, Central and South America, Cuba and West Indies.
5. We have generous pension plans that compare with the best, as well as group, health and hospital insurance, and cost to employees.

Gleichen Events

BY MISS J. E.

Several people from Gleichen attended the amateur program held in Standard Friday. All enjoyed it very much. Some were fortunate to win some prizes.

Mr and Mrs M. A. Reddell left Thursday for Sandpoint, Idaho where they will visit the latter's mother, Mrs. Hemmoff who is visiting with one of her daughters. Mrs. Hemmoff is enroute to her home in Kansas.

The Ladies Auxiliary, to the Legion met in the Legion Hall Thursday evening. Three new members were initiated, Miss Lauraine Bogata, Mrs. M. McInnis, Mrs. J. Kish and were welcomed by the meeting in the usual manner. A prayer by the chaplain followed the minutes of the previous meeting which were approved. Three applications were accepted, namely: Mrs. M. Fraser, Mrs. I. Kish and Mrs. E. Sheehan. There was a

report stating the cupboard was made and hot water tank installed. It was decided to send the local Easter remembrance to the Legion members of The Standard Home. The birthday party which will be held April 25 was discussed and arrangements made. Letters from all Branches were received and everything forwarded to the same. Mrs. Hinton asked for canisters for the cancer campaign. The meeting adjourned after which lunch was served and a social hour enjoyed. Hope to see you at the birthday party April 25 in the Legion hall.

SHORT TALKS

By ART BATES

Liberal Candidate for Bow River Riding

The Federal Agriculture Department has invested large sums of public funds in Alberta on farm science research. At Lethbridge the \$600,000 science service laboratory was opened in 1949 where 27 scientists and technicians work on farm problems.

Together with the Lethbridge Dominion Experimental farm these laboratories are the largest and most complete farm research facilities in Western Canada. Other federal laboratories are plant pathology at University of Alberta, and forest biology at Calgary.

Among many projects at Lethbridge are those dealing with plant and livestock insects. A major task is grasshopper control, where chemical control experiments carried out from Manitoba to B. C.

In large crops scientists are trying to solve problems of seed production of alfalfa. Important steps have been made in developing new wheat strains, rescue and Chinese to stop sawfly. Other projects have attacked cutworm, various garden insects and development of insecticides to protect potato and sugar beet crops.

Three teams of cutters from Gleichen entered the annual institutional Legion bonspiel in Calgary over the weekend. All were fortunate to get in the prize.

Mr. Chas. Bennett had the misfortune to be kicked on his knee by a cow Saturday. He is at present in hospital where he is recovering.

A MESSAGE TO YOU

After three years of large sur-
pluses of farm products and inad-
quate capital for farm operations,
the farmers of Western Canada
have been provided by the Liberal
Government a maximum loan of
\$2,000.00 as a substitute for cash
advance for grain stored on the
farm.

Such loans with high rate of in-
terest or a rate to be set after the
election is no solution to the prob-
lem confronting the farmer.
Mr. C. D. Howe's excuse for not
implementing cash advances as
recommended by the Progressive
Conservative Party is that no one
used surplus money in same way
to make cash advances possible.
What a weak excuse and one neither
acceptable to the farmer or the
opposition.

A form of cash advances has
been in successful operation in the
farming States of U. S. for several
years. If it can work for the farm-
ers of the U. S. then it can work
for the farmers of Canada.

The present Government effort
for rigid controls on the price of
grain during the war.
D. A. MacGibbon in his book "The
Canadian Grain Trade (1961)" re-
emphasizes the same fact.

It should be noted, however, that
while the government's measure
was directed towards giving the
whole producers basic protection,
the general wartime controls in-
stead to keep down prices applied
more severely to wheat than to any
other commodity.

Also, this Government made a
gift of more than \$200,000,000 of
grain to the Allies during the war.
The gift was just and fair because
the war was a common cause but
why should the farmer of Western
Canada have shouldered the whole
burden rather than all the taxpay-
ers of Canada?

The fact that the farmer took a
controlled price for their wheat
during the war and made the gift
in question, justifies that the
farmer receive adequate cash advance
without interest.

These promised loans, plus the
high income Tax spells ruin to ag-
riculture and a lower standard of
living for the rural family.

The Progressive Conservative
Party is the only National Party
that can replace the high tax Lib-
eral Government. A vote for any
Party is a vote to perpetuate this
pandemonium policy. I say, cash ad-
vances to grain stored on the farm
is the solution.

Former Strathmore Mayor Passes

Mr. Albert Leo Donovan, 228-
10th Ave East, Calgary and formerly
of Strathmore, died good Friday
in the Holy Cross hospital.

Mr. Donovan lived in Strathmore
for five years, and during that time
held the position as Mayor from
1950 to 1953 when he moved to
Calgary to operate a Real Estate
and Insurance business in that
city.

He served during the Second
World War with the RCAF as a
radio technician and attained the
rank of Flight Lieutenant.

During Mr. Donovan's stay in
Strathmore, he was very active in
community affairs, as well as be-
ing mayor.

He served two years as presi-
dent of the Baseball Club, very
interested in Lions work, and was
one of the big pushers for our pre-
sent Strathmore and District Mem-
orial Arena.

The fact that there were so many
from Strathmore attended the fun-
eral, was certainly an indication of
appreciation for his efforts during
his stay here.

Mr. Donovan was a Strathmore
resident a few days ago to say
hello to old friends and acquaint-
ances, and seemed to be recover-
ing very slowly from a heart at-
tack and was in high spirits, but
that last attack was of a more se-
rious nature.

He is survived by two daughters,
Shirley Marie of Redwood, Sask.,
and Bonnie Ivy of Leader, Sask.;
five sisters, Mrs. John Herman of
Moose, Sask., Mrs. Dick Macdonald
of Vancouver, Mrs. Harry Schmitt of
Juniata, Mrs. James Macdonald of
Chim Lake and Mrs. Tom (Glen-
ville) of Sacramento, Calif.; and
three brothers, Edward of Long
Beach, Calif., James of Alario and
Arthur of Toronto.

Funeral services were held in
McIntosh and Holloway Chapel, on
Tuesday, and burial took place in
the Field of Honor, Burnside cem-
etery.

A banner was held in honor of
the Composite Hockey boys in the
Strathmore Memorial Hall Dining
Room last Tuesday night.

The fathers of the boys were in
attendance as well as the accom-
pany of the League.

Mr. Jack Croft, chairman, in-
troduced the executive of the league
and others who have worked in
the interests of the boys. Those
who have taken their care through-
out the season and during the long
play-off season were given a vote
of thanks by Bill Sadler, manager
of the Midlet team.

Mr. Clark of Bassano, vice-presi-
dent of the League presented the
Fee Wee and Bantam teams for
their well deserved trophy, on
behalf of Mr. Brett who is the don-
or of the trophy. Suitable ceremo-
nies also handed out.

Mr. Clark in a brief history of
the League, pointed out that they
have enjoyed more than their
share of the honors since its in-
ception in 1951.

Mr. Farnis of Ryan received high
recognition for donating a set of
ice skates used by the Midlet this
year, and also for his part in tak-
ing the boys to the Recreation
Club last year at the close of the
season.

Mr. and Mrs. Pat Joyce returned
to Harrier last Wednesday
Thursday to be at the bedside of
Mrs. Joyce's grandmother who is
patient in the Banff hospital. Her
condition to date is reported to
be encouraging.

The Strathmore department of
public works has been busy for
two weeks with spring duties. A
number of trees have been rooted
out, the carcasses on railroad are
being removed, and gravel has
been placed in some areas.

Mr. Jack Vermont returned home
Sunday after his recent operation
of the General Hospital and is mak-
ing good progress towards recov-
ery.

Mr. and Mrs. Len Larson and
family are spending the week tour-
ing to the State of Montana.
Mr. and Mrs. B. P. P. and two
children from Moose Jaw, spent
the Easter weekend with the Larry
family.

Holiday visitors at the Wm. R.'s
home were Mr. and Mrs. Jack
Horton and family and Mr. and
Mrs. Dave P. and family.

Mr. Kermack and Bud returned
from the Pore Hitter district to take
the former home, returning
Sunday.

A Fine Easter day was spent talk-
ing over old and new experiences
and of course the grandchildren
held a high position in the eyes
of this fine pioneer grandmother.

Mr. James is still hale and health-
y and expects to add many more
years to the family reunion in the
years to come.

Dead Horse Lake Pony League Meet

Annual meeting of the Dead Horse Lake Pony League Club was held in the Gleichen Canadian Legion Hall at 8 p.m. with 150 guests and many present.

The League has accepted Roosevelt as its guest for the year. The first league game will be May 11. Cluny was second in the league for league president and secretary. Dave Schiffer and Art Corbett took over duties for the season.

Discussion in regard to club in future was left open; each individual will carry its own insurance for players.

A picnic will be held later in the season for all players and parents, for presentations of League trophies. Date and place will be announced later by league officials, and no games will be played during exam weeks of June 23.

Rules and regulations have been made at the league meeting.

PONY LEAGUE MEETING AT CLUNY

Pony League meeting was held in Cluny April 13, at election of officers and coaches as follows: Rolly Bessard, manager; John Schiffer, secretary; coaches: Art Corbett, Lorne Schumann, Pete O'Hara. Financial report was read. All players and coaches will be insured for the season. Name for the club was chosen as Cluny Clippers. Membership cards will be sold for benefit of the club at 50c each. It was approved by the club that a cat's paw will be purchased. Rules will be carried out on ball diamond, weather permitting. The meeting adjourned with everyone anxious to start. The first league game Sunday, May 12.

**TOWN KES UP FOUR MILLS
- NATURAL GAS SOUGHT**

The highlights of the regular
meeting of the Strathmore Town
Council Tuesday night was an in-
crease in the mill rate from 45 to
48 mills, and that of Natural Gas
for Strathmore is going to be
pushed to the limit by Councilor
Holman.

A court of revision was held at
the meeting when Mr Peter Mel-
nick, representing the assessors
was present.

There were two applications for
revisions. Mr H. W. Rhodes and
Mr Carl Sorenson. They were both
turned down, because it was felt
by the court that the amounts
were fair in comparison to other
properties in town.

After the court was closed, Mr
Holinger, Gleichen, and repre-
sentative for the hospital district, dis-
cussed the rates that Strathmore
was paying for their contract, with
relation to other towns in the dis-
trict. It was found that through
misunderstanding and error, that
Strathmore was slated to pay ab-
out \$500 too much, but adjust-
ments would be made.

Mr Bellinger, also made it clear
that he had no information, that
the Calgary hospitals were going
to eliminate rural districts from
their program. This he felt was not
the case and that he felt were that
the contract in effect at the pres-
ent time would continue. A de-
posit of this nature did come out
in the press, which prompted the
question.

The secretary was instructed to
send notices to business men who
are using town lots, to the effect
that rates will be charged to them,
in accordance to the decision made
at the last meeting.

The mill rate was increased by
four mills this year because of the
increase in the bonded regulation.
Last year the expenditure for
Schools was \$19,444.00. This year
it was \$20,000.00. With an in-
crease of \$556.00. What with in-
creased costs in all departments
and due to the fact that plans for
the coming year for all other com-
munity work is budgeted to a minimum
this increase was found to be
necessary. Strathmore, it was not
ed, still has one of the lowest mill
rates in the province.

It was decided to give Council-
or Klamber authority to go on with
the making of signs for the east
and west entrances on No. 1
highway advertising the Town of
Strathmore, but that the exact
wording of each sign should be ap-
proved by the Council.

**Hunter Rides 2nd
In Ostrich Race**

Larry is none the worse for wear
but he says he has a lot of dirt
riding in the chest behind the
ostrich he was driving on Tuesday
night. He placed second in the
race.

As a special attraction at the
Calgary Horse Show, the crowd
enjoyed an ostrich race between
Don Markay, Mayor of Calgary,
Larry Hunter, Deputy Mayor of
Strathmore, and Jack Macdonald,
Mayor of Red Deer.

Larry's bird got off in grand
style, and looked as if he was go-
ing to take a very first. After the
first of the three circles around
the track he got tired and no mat-
ter what the able breeder did, it
made no difference. As a conse-
quence the Mayor of Calgary won
this ostrich race.

The third entrant was not as
fortunate. Apparently these birds
are thin as they seem to be at any
time, any place. The Red Deer
Mayor's bird of burden stopped in
the middle of the race, went over
to the side of the track and laid an
egg. Nothing could change this
course of action.

As a reward for his efforts, Lar-
ry was presented a Johnny cup and
a feather out of the ostrich's tail
for suitable trim.

All these drivers had to steer
the bird with a broom if they
wanted them to go left, they
would put the broom on the right
side of the head and if they were
to go the other direction, the op-
posite procedure was used.

Our able representative, still
hasn't found out how the official
way was to get greater speed out
of the bird, or how to make them
stop. All that you do, future fans
is hold the broom, hold the char-
iot and trust the ostrich.

The \$22.00 Horses

The list is growing, for which
we are thankful. Thanks to these
public spirited citizens for their
pledges.

No one is going to be blamed in
entering their name on the list.
If you feel that it is not a good
cause, do not contact us. We
know there are many who intend
to send their names in but have
not as yet. Give us a check, or

**Work On Pool
Begins Next Week**

The opening of the swimming
pool and the election of officers
for the coming year was the first
of business at the Strathmore
Lions Club regular meeting last
Thursday.

The President to meet for the
coming year is Axel Rasmussen;
Secretary for the 1967 year, Bill
Springthorpe; Treasurer, Len Lar-
son; First Vice-President, H. W.
Jorgensen; 2nd Vice-President, Mr.
Ron Christensen; 3rd Vice-Presi-
dent, Roy Wheeler.

Tall visitor, Homer Schumann;
Leon Tanser, Paul Hovsener.

The directors to serve for two
years, then to be renewed, were
monday, and the directors to act
for one year, Art Belts and Harold
Rasmussen. The Scott Pot was not
present on this night. Andy Anderson's
name was drawn but he was ab-
sent.

The next Lions meeting will be
held at 6:15 of the regular
time, then 25 members will go to
the Strathmore swimming pool in-
mediately following supper to put
that place in shape for the coming
season. It was also moved that
they advertise in the Strathmore
Standard for an instructor for the
pool.

District Ag. Notes

Equipment in large operations, instead of four hand feedings each day, the hens are fed a complete ration once a week in self feeders. Convenient feed storage, in the hen house, is the simplest, but the most expensive, method of saving labor. Guttering, cleaning and grading feed can be reduced from about 60 hours annually per 100 hens with hand work to about 40 hours with mechanical washers and graders.

With automatic watering providing continuous flow of water for 150 hens will pay its way even in small flocks, the studies showed. Stopped feed bins with outside access for filling, augers, chutes, power mixers, and other equipment will have their place in cutting poultry labor.

Account is tailor-made for you!

Here's how a PERSONAL CHEQUING Account works.

When you operate a PERSONAL CHEQUING Account, you
use a special cheque book (containing 10 or 20 cheques—
whichever you prefer) on which you pre-pay service charges
at the new low rate of 10¢ a cheque. There are no other
service charges of any kind!No time is lost at the bank when you use a PERSONAL
Chequing Account, because there is no need to wait to
be served. Instead, you make your deposits using a special deposit
slip, in duplicate, retaining the carbon copy.We mail your cancelled cheques and a complete state-
ment of deposits and withdrawals every three months. The
cancelled cheques are given, along with the statement, and
the up-to-date statement tells you exactly how your
personal finances stand.Important: We recommend very strongly that you retain

FIVE CAR GARAGE IN JUNE
Repairs On Arena Begin SoonCommittees are set up and the
hall is beginning to get for another
big job. The Strathmore and Dis-
trict Memorial Arena.
A board meeting was held in the
Memorial Service office Tuesday
night, and it was decided to hold
a huge June 18.The members felt that before
this could take place, steps must
be taken to repair the roof of the
arena.A cost estimate was submitted
in writing by a Calgary firm, stat-
ing that they could make it leak-
proof with a four inch strip of fib-
re glass and asbestos material a
long the joints at a cost including
labor and materials of \$100,000.It was decided that it was the
best known solution to the problem.
The committee to charge was
authorized to get such a plan
since construction of the roof
the walls have pulled out to a cer-
tain extent, by contraction and ex-
pansion due to weather changes
allowing water to seep through in
to the building.The building committee was
authorized to build stairs to the
roof and of the structure, above
the waiting room. This would save
another four to five hundred people
on stage nights.As in the past there will be five
cars given away this night. They
will probably be of varied makes,
depending on how arrangements
can be made with various sources.
They will be medium price range
sedans.The second game was of a better
variety with the reverse happening
in this one. Standard challenged
seven, seven to Strathmore, two to
Final score 6 to 1 in the visitors
favor.The pitching stood out fairly
well in this game. There were only
two runs batters hit, one for each
team. McMahon popped one for
Standard with no one on, and Stan-
dard drove in two runs on this in
the 7th and broke up the ball game
going after their unlawful act.It would appear that the thieves
had no fear of being caught. There
was evidence that they took time
out to drink a case of beer while
going about their unlawful act.

TAKE OVER PARENTAL RESPONSIBILITY

Bottles of honey and milk are served for dinner to these
cubs being nurtured by Wilbur and Emma through of Green-
hurst, Ont. They adopted the cubs after Wilbur, 15, shot their
mother when they stumbled on her den near Greenhurst. The
mother bear was within a few feet of Wilbur when he felled her
with a shot through the head.It was not definitely brought to a
motion, or passed on the books as
being official, but the committee
is thinking along the lines of hold-
ing two binges this year. Another
one probably around the last week
of July or the first in August.A group of volunteers gathered
at the arena last night and pump-
ed out the water that had not run
off of its own accord. It should be
kept in plenty of time for the blaz-
ing. Committee heads were set up

Will Be ShotIt should be noted by all dog
owners that the pasture land west
of town owned by Mr. Fred Bisset
had better be placed out of bounds
to their pets, or they will be shot
on sight.Mr. Bisset regrets this action, but
he feels that his stock have fallen
prey to dogs long enough.The most recent incident was
last Sunday. His stock was turned
out to pasture at noon and by the
next morning they had been chased
through fence with much injury
resulting. Their legs were lacer-
ated and there were many scratches on
the lower extremities of the animals.
Some were bleeding badly from
barb wire cuts. The cattle were
found all over the immediate vicinity.This is but one of many incidents
of similar nature says Mr. Bisset.
Residents on the west side of
town have also reported stampeding
of stock in this pasture.Mr. Bisset says that he has had
trouble in past years with dogs,
but this year is the worst he has
ever experienced, and is forced to
take drastic steps. Any dogs found
trespassing on his land will be
shot on sight.Construction crews and other
things in shape since break up
the month.They plan to have all the ground
marked, and all rolled in the mud
by the end of the week.The club house has been in the
face lifting stage, and will also
have a new look by the first of the
month.Although there is still much
work to be done on the fairways
fill roller and bender heads,
this is expected to be done by the
opening day. New mowers are on
order and should arrive within the
next few days.The course is leased by Mr. Elmer
Gray of Strathmore and Mr. Har-
old Dauphins of Calgary.A semi pro will be at the course
on weekends and will also have
weekday events.Mr. Dauphins says there is
much interest in the new course
around the district and a good many
have already paid their mem-
berships. It will cost the men \$20
women \$20, and male and female, and
those under 18 years \$10.There will also be crabs for sale
at the club house.A paraphrase of the 23rd

The Strathmore Standard

The Strathmore Standard, established in 1905 is a member of the Canadian Weekly Newspaper Association and is published every Thursday at The Standard Office, Strathmore, by Keith Borch, Editor and Publisher. Member of the Audit Bureau of Circulation. Authorized as second class mail. Post Office Department, Ottawa, Canada. Circulating more than 7,000 homes in a thriving district each week.

Rackets That Bloom in The Spring

A reminder came to us in the latest Canadian Weekly Newspaper Association Bulletin, of the about time before you attack your racket that seems to bloom every spring.

All seems that every spring there are a number of so called racketeers. It is the time to go out and make a fast buck, and prey on thousands of housewives.

While the larger city areas seem to attract the majority of these racketeers, there always seems to be a fair number of them working the smaller centres. The towns, villages and farms within the sphere of this column, certainly are not immune from the migration of these types from the city.

STRATHMORE WINS OPENING GAME

The first game of the 11th School Baseball League was played in Strathmore last night, when Strathmore played host to Cypressland.

The game was a scrappy one until an overthrow was made to third, and one Strathmore runner came home. This was the only score of the game.

The pitching was very good in this outing. Each pitcher only allowed two apiece. Battery for Strathmore, Portland to Knight and for Cypressland, Lantieri to McKivik.

This league consists of three teams, Strathmore, Cypressland and Standard. They are competing for the ATA trophy, presently held by Standard.

Coming Events

Alberta has an abundance of Natural Gas. Enough that there is plenty for every resident in the Province. We are fortunate indeed, but it is another thing to get it to all our homes.

At the last Strathmore Council meeting, Councillor Holman said that he was going to contact all the existing towns and try to create artificial interest to prove gas may be put in at the proper place to get natural gas in this territory. Councillor Holman said he was going to contact all the existing towns and try to create artificial interest to prove gas may be put in at the proper place to get natural gas in this territory.

The fact that the towns and villages in this locality are quite a distance apart and not running in a straight line as is the case on Highway 1 between Calgary and Edmonton, it would be a costly project for the Gas Company, but there is a field near Huxar and it is a shame that the people of this district cannot have the use of it. If Councillor Holman could get representatives from all the neighbouring towns and go in and see Canadian Western Natural Gas of the laying of pipe for the people of this province.

It may not be a profitable venture for the gas company because of the distances between individual points, and they can hardly be expected to take the loss themselves.

But we feel that this is necessary, it belongs to the people of Alberta, and with it as a right of citizenship.

The delegation should not stop at the company office, they should go right to the Parliament buildings in Edmonton working through the MLA and get what is justly ours.

We cannot stress the importance of this service too much and this is the duty of every town in this region to start fighting for natural gas.

Remember, nothing comes easy and this will be no exception. But it must come. Serve Alberta First.

Rockyford News

At the regular meeting of the Rockyford Ladies Auxiliary at the Legion it was decided to send \$150 to the Provincial Hospital Fund, which was needed for the purchase of a new ambulance for the hospital in Alberta. Also a prize was donated to the hospital of a slide to the hospital. This will be erected soon.

The ladies are holding their annual Fathers Day Strawberry Tea on June 16 at 5:30 in the basement of the community hall.

Lack Of Snow Costs Eased

Vagaries of winter weather over the past two seasons reflect sharp contrast in snow removal costs on Alberta highways.

Usually stormy weather which prevailed during the 1955-56 winter season, snow removal costs to a

YOUR LIBERAL CANDIDATE SAYS:

Agriculture has been almost entirely unrepresented by the members sent from Alberta, either in the government or the opposition.

There are five agricultural candidates from the Alberta Liberal party in this election. If all Liberal supporters will talk and work from now to election day to send these men to Parliament, Southern Alberta will have a voice that will be heard and heeded.

Art Bates is a practical farmer, who says that our wheat surplus must and can be sold and the government should assume more of the cost of carrying this surplus until it is sold.

Persons willing to help support Art Bates in any way should contact Vernon Hansen.

The Strathmore Standard

The Strathmore Standard, established in 1909 is a member of the Canadian Newspaper Association and is published every Thursday at The Standard Office, Strathmore, by Keith Barker, Editor and Publisher. Member of the Audit Bureau of Circulation. Authorized as second class mail. Post Office Department, Ottawa, Canada. Estimated news circulation 1,600 homes in a thriving district each week.

The Age Old Problem - Dogs

It is an age old problem, it is a story that is heard in every town and city. It is a problem very apparent in the Town of Strathmore, one of which is the dog, while others refer to the dog situation, that is progressively getting worse every year.

The other week a farmer, west of town, dropped in to the standard office and reported that dogs had been chasing his cattle to such an extent causing much bodily harm.

He ran a front page story on this problem and it inserted an ad in the paper warning dog owners to keep their dogs away from cattle. It was a fine gesture on his part, to give dog owners an opportunity to keep their animals in check or else.

How many dogs owners have been charged to get a license. There have been about 10 licenses issued. A Mr. Gray from the number that should have been bought. Why are these unlicensed dogs running around. Why is there nothing done about it.

The dog problem has come up in several, and the air immediately heated. What has been

Standard Marriage

Nasareth Lutheran Church at Standard was the scene of a wedding on Saturday May 25 at 2 p.m. when Rev. Olaus of Hunsar officiated at the candle lighting ceremony uniting Mrs. Dorothy Marie Mattie, daughter of Mr. and Mrs. Fred W. Mattie, and Mr. Lars Holm, son of Mr. and Mrs. H. Holm, all of Standard.

Given in marriage by her father the bride was wearing a floor length gown of white nylon sheer, flecked with tiny bouquets over satin, fastened at her elegant shoulders by a large brooch. She wore a pearl necklace and short sleeves, with matching elbow length mittens ending in white satin. A pinned cummerbund of nylon tulle and ed in a large boucle train. Her matching chapel veil rested from a headpiece of white flowers and the carried a cascade bouquet of pink roses. Her jewellery was a simple and elegant set of a gift of the groom.

Miss Shirley Mattie was her sister's bridesmaid and wore a blue nylon sheer ballroom length gown flecked with white flowers, white gloves and short gloves, and carried a bouquet of pink carnations.

The groom's brother, Ray Holm, was best man and Fred Holm and Gordon Holm were ushers.

The wedding music was played by Mrs. Lois Hanson and during the signing of the register a duet, "O Perfect Love," was rendered by Miss Joan Peterson and Mr. Elton Hanson.

Following the ceremony a reception was held in the Community Hall which was decorated in pink blue and yellow.

The bride's table was centered with a three tiered wedding cake and flanked with vases of pink carnations.

Rev. Olaus proposed the toast to the bride, to which the groom responded.

Leaving on a wedding trip to Spokane, the bride changed to a very fitted suit with white accessories. Following their honeymoon, Mr. and Mrs. Holm will reside at 402 7th Street SE Medicine Hat, Alberta.

Is Russia Turning Towards Religion

Ruthless oppression of religious faith has formed part of official Soviet policy through the years. Religious persecution was relaxed by atheist Soviet leaders only if it appeared politically expedient to do so. Political expediency in the Soviet Union appears now to have reached the point where even the blood stained Khrushchev appears to have abandoned for the moment, the materialist atheism of the good counsel according to Marx.

In a recent address attacking capitalism Khrushchev started his audience by invoking the "Gull" "God grant," he is reported, as saying, "that every Communist should be able to fight his faith."

KILL THOSE GRASSHOPPERS

Surveys conducted by federal entomologists indicate that grasshoppers are likely to be more abundant and destructive in the Prairie Provinces in 1957 than they have been for several years. The situation is most critical in southern Manitoba. Farmers in southern Manitoba, and in the southern districts of Saskatchewan and Alberta, should watch their farms closely this Spring for the appearance of young grasshoppers and be prepared to take immediate steps to control them.

Early spraying is essential. Grasshoppers usually start to hatch about May 15. Hot weather hastens hatching. Pasture fields, stubble fields, lowlands, round alfalfa areas, and other life land should be examined carefully for young grasshoppers and spraying commenced just as soon as they are observed. Early spraying means better grasshopper kills and therefore better crop protection.

Effective chemicals, Union sprays have almost completely replaced the poison baits that were used for so many years. The modern recommended grasshopper insecticides are Ablin, Dieldrin, Heptachlor and Toxaphene. These chemicals are sold in liquid form to be mixed with water, and may be applied with a weed sprayer using the same amount of water per acre as for weeds. Instructions and precautions on the label of the chemical container should be read carefully. For best results, follow label recommendations closely.

In 1957, provincial governments and municipalities will provide financial assistance to farmers in the purchase of chemicals for grasshopper control. In Manitoba this amounts to 50 per cent of cost of chemicals in excess of \$10.00. For detailed information concerning this assistance contact your Municipal Office or Agricultural Representative. Kill those grasshoppers early. This will not only protect your grain but also your time and money.

Carseland Notes

BY MRS E. H. B.

We are pleased to announce that Mrs Barbara Bonita will be the official Carseland correspondent for the Strathmore Standard. Mrs Bonita will visit some of her friends and neighbors offer help if you have interesting news, let her know and she will make your week. 1937 an enjoyable one with her account of the Carseland News. Thank you, and good luck Mrs Bonita.

On Saturday a 21 year old German immigrant from Calgary slipped from the dam at Carseland and was carried over the spillway into a whirlpool of water and was immediately drowned.

A number of school children comprised in the Track meet at Standard on May 24.

The Carseland Lions Club held its supper meeting on May 21 with a good turnout. Following are the

new officers for the 1937-38 year: president, Bill Cole; first vice, J. Coad; second vice, Oliver Blair; third vice, Bruce Papp; secretary, treasurer, Edson Bonita; Lion tamer, Edsel Cole; Tail Twister, P. Ostrum; directors, Joe Garret, N. Nelson, Ralph MacKenzie and Don Christensen.

About 150 guests attended a wedding dance held in the hall on Saturday in honor of Mr and Mrs Joe Bonita. Dance music was supplied by Jerry's orchestra, followed by lunch at midnight.

Strathmore Babe Ruth League Sunday beat the Carseland team 13 to 2.

Mr Albert Halloway is a patient in the Valdez hospital.

Joe and Gladys of Calgary is spending a week visiting with her daughter Mrs Edna Briscoe.

Anyone wishing their news sent in to The Standard please get in touch with Mrs Barbara Bonita and I will see that it is taken care of.

Water Short Supply-Relief Soon Date For Civic Holiday Set

The regular meeting of the Brathmore Town Council was held in council chambers Tuesday June 4, with all councillors present.

It was decided to authorize Councillor Klauer to buy road signs eight feet by eight feet put up on the east and west entrances on the highway advertising and welcoming visitors to Brathmore.

The Department of Public Works headed by Mr. Holman reported that preparation is under way to construct sidewalks from the property owned by Theo. E. Wright to come south to meet the already constructed portion. This is a distance of 500 feet. It was decided to prepare the base of 1,000 more feet this year and pour the concrete next season.

This department will also repair second avenue from the highway.

North to the Royal Bank this year and of funds pursuant to Klauer's career, as there are many low cost residents in this area.

To add residents in watering their gardens, the council will hook up a pump at the lake east of town with a direct line to water hydrants and offer moisture to anyone wishing to take advantage of this service. The plan will be carried out on a cost basis, possibly at the rate of \$6 an hour.

This the council felt would be cheaper for residents than using water direct from the meter.

There are a number of water hydrants dotting the town connected directly with this line. No extensions will be used to give this service.

Councillor Holman acquired six grey spruce from a business acquaintance free of charge, and requested that he get the assistance of the town men to irrigate these trees, to keep them, until planting time next year, at which time they would be turned over to the town.

As is the routine in past years, it was decided at this meeting that a day should be set aside during the week of the Calgary Stampede. To enable business people to take in the opening parade, on Monday, July 9 was decided upon as the day to pass the civic holiday.

There will be some repairs made on the living quarters in the old town hall occupied by the town men. The materials will be bought by the town, and Vander Vriel will make the alterations himself.

Considerable discussion resulted from rumors circulating around town about two councillors selling parts from wrecks towed to the town dump clean up day. Those named were Larry Hunter and Buster Rhodes.

Mr. Rhodes said that he had not been back to the dump since he donated his time and truck on that day, and that as no time did he sell parts.

Mr. Hunter was a victim of circumstance. Two days previous he had purchased an old car from Mr. Rhodes and paid for it. Because he wanted the transmission and motor from it.

Rather than leave it at his place of business, he towed it out to the dump and had his man go out and take parts from this car that he had bought and paid for.

The \$22.00 Horses

We should not be writing this column. It should be written by a civic minded citizen (whose name appears with a couple below) who forth with a group of ideas that are worth thinking about.

First: Did you realize that the only thing you now have the opportunity to make, may be difficult between having artificial intelligence or not. Yes, it could be just that important, not only that, but it is an indication as to how much interest there is in the district. Don't let your district down; don't let yourself or your children down. Forgive me ever had not coming (latest reports around Christmas time) and please around it. Let's put life into this plan, contact us NOW.

The second thought is the possibility that some do not realize what we are talking about, and that it should be explained again. The provincial government is going to offer 10 year resident citizens over 21 years of age and who have spent the last two years in Alberta, one third of the Oil royalty derived last year. A fine more, and it will mean about \$22.00 for every one in that class.

We feel that if this money is put in one pot, it will do us all a world of good. Therefore we ask you to send us your pledges and arrangements will be made at a later date as to who will be authorized to accept your donation.

Artificial Ice Committee Meet

The artificial ice committees representing the Brathmore and District Memorial Arena and the Curling Club met on Tuesday evening.

After considerable discussion of this group, it was decided to proceed, and purchase the plant this year for the preparation of artificial ice if the billage to be held June 19 is a success, and much will hang on the proposed bluffs to be held in the fall.

Bow Valley League Results Sunday

Brathmore took two, Standard lost two and Glenora and Brooks split the points in the Sunday games June 2nd.

Brathmore faced Irricana, Standard, Glenora and the Glenora team was idle on this day.

Geordie Croun and Jerry Loller pitched the Brathmore boys to the first win of the day 11 to 6. Stuppard caught both men.

The game was a scintillation for the Irricana boys until the 1st inning when there was an error made on the part of the Brathmore shortstop which allowed two runners to cross the plate.

Kay Wick was the hero of the game, hitting an unbelieveable 4 for 4 times at the swinging position. He knocked one home run, one triple and double and a single.

In the evening contest, Kanaboe to Warrack went the whole distance to emerge winners by a 11 to 6 score.

We have no particulars of the Standard and Ogema game other than the final score. The first

Game Will Decide Winners

Next Monday will mark the close of another season for the High School League consisting of Brathmore, Carleton Place and Standard. The winner will receive the A.T.A. trophy.

The following are the results of recent games.

Brathmore and Carleton met May 11 and defeated the Carleton boys 21 to 6.

On Monday night of this week, Standard played host to the Brathmore team but were turned back by the visitors 11 to 6.

END OF STEAM RAIL IN SWASTIKA

Demolition of a coal tender built in Swastika, Ont., in 1908 signals the end of the days when locomotives of Ontario Northland railway used coal. Now that dieselization has taken place, the tender was no longer needed. Two charges of dynamite were placed in the concrete supports. When they exploded, the concrete was blown away and steel supports buckled, bringing lower down.

Let's Get Newsy

It has been reported that Mr. W. Springthorpe underwent a major operation on Monday in a Calgary hospital.

Brian Anderson, infant son of Mr. and Mrs. Leo Valley was christened last Sunday morning at the United Church in Brathmore.

There was Cadet inspection at the School today.

The C.U.T. mother and daughter banquet was held last Thursday.

On the weekend of May 15, Mr. Doug Simonds took the Boy Scout group on an organized overnight hike.

On Sunday last the Brathmore Babe Ruth ball club met Moosehead in a scheduled game with a score of 1 to 10 for Brathmore. The victory for Moosehead, Gerkin to Mason, Brathmore, Fortems and Crelina to Gray.

Mrs. Ellen Evans, Owenduff and Wayne were welcomed visitors in town.

The names of Josephine Chamberlain and Patricia Taylor were omitted from the list of entrants in the music festival in the And. Horton in Calgary. Both received 10 marks in their class.

Mr. and Mrs. Pat Joyce spent a few days in Banff last week visiting friends and relatives.

Mr. and Mrs. Alex Duncan took a trip to their farm at Elmore over the weekend.

Mrs. Jim Dew and Jimmy Sweeney from Husar were business visitors in town on Tuesday.

The home town boys overpowered their visitors 16 to 4, and the second game in the evening they lost by a small 6 to 1 margin.

Brooks played host to Brathmore and settled for a game each. The unofficial scores were 3 to 1 in Brathmore in the first, and Brooks took the last game by a close 9 to 8.

400 Attend Standard Silver Wedding

Saturday, June 1st proved to be a memorable day for the people of the Standard district. It marked the 25th Anniversary of Mr. and Mrs. Leo Larsen.

The day started with a breakfast at the Larsen home, followed by an open house when 115 calls came to wish the fine couple well. Close relatives arrived refreshments.

The rooms at the farm house were filled with floral tributes and gifts from well wishers.

A committee of 50 friends arranged a banquet in the Standard Community hall for 350 persons.

With the pleasant couple at the head table were close relatives and senior citizens, friends of the parents, and the very best of the first in the district.

A program followed. Deputy Mayor Hargreaves extended civic congratulations, and a number of musical numbers were enjoyed by those present.

Presentations were made on behalf of various organizations. Ted Knowlton on behalf of the Knights of Pythias, Mrs. Orla Pedersen for the OES and Norman Bragg, the Masonic gift.

Two lawn chairs and table were presented by A. J. Rasmussen to Mr. Chris Andersen, sole remaining member of the original Standard Village Council. The first council meeting was held 25 years ago on June 15th, O. P. Larsen, father of the groom, presided.

Mr. Andersen has never missed an annual meeting of the council.

Mr. Ray Green, presented the honored guests with a handsome diamond chain, one of a kind of the community. The program was followed by a delicious banquet, including a wedding cake and ice cream.

Guests from out of town hailed from Bowley, Calgary, Gleichen, Husar, Drumheller, Chagnon and Brathmore.

Liberal Meeting

Mr. Art Bates, Liberal candidate for the Bow River riding held a meeting in the Memorial Hall Monday night. The main speaker was Mr. Roger Flumerfelt, Calgary youth leader and insurance executive.

Mr. Bates presented a fair farm value in government and how he was elected. He will put for party principles, extended credit regulations, support prices and P.P.A. revision.

The farmers are lagging behind other industries, he said, and stressed the importance of organizations such as F.U.A. to keep the agricultural producers together.

Mr. Flumerfelt pointed out how Canada has progressed since the last war and compared other countries to it.

He said that the Conservatives had had a one man party, John Diefenbaker, and failed to have substantial leaders and ministers.

Mr. Bates pointed out how Vern Hanson, Brathmore also in attendance was Mr. Claude Brewster, Banff, who took part in answering questions during discussion period.

Art Bates Wins

The latest report on Mr. Springthorpe is that he came through his operation very nicely, and is planning to be home in 10 days.

The Strathmore Standard

The Strathmore Standard, established in 1902 is a member of the Canadian Weekly Newspaper Association and is published every Thursday at The Standard Office, Strathmore, by Keith Hays, Editor and Publisher. Member of the Audit Bureau of Circulations. Accredited as second class mail. Post Office Department, Ottawa, Canada. Circulating more than 7,000 homes in a thriving district each week.

Father And Son Banquet Held

The Fathers and Sons of the Strathmore District, were honored at a banquet last Wednesday night. A very lovely dinner was served by the mothers which was all organized by Mrs. H. Gray and Mrs. G. Dugdale. After the banquet, Mayor Rhodes was introduced, and conveyed a welcome on the part of the town and extended thanks to the leaders and asked for a special round of applause for Doug Simmonds. Mr. Macdonald, chairman, expressed his hope that all in attendance would try to obtain a club.

Gleichen Events

BY MISS J. E.
On Tuesday evening June 4, the WA of the United Church held its bi-monthly meeting in the church, with 64 ladies attending including guests from Strathmore, Kamloops, Banff, Calgary, and Arrowwood. Mrs. C. Carson gave a short devotion. After the business meeting Mrs. Hurd, president, introduced the special speaker, Mrs. Kath of Calgary who gave an interesting book review of September Morning which is the life story of Christiana M. Carson. Then Mrs. M. Carson of Calgary gave a short talk on recruiting young people for the ministry and full time work in the church and other topics of interest to those present. The meeting was closed by Mrs. Carson's missionary hymn. Members of the Gleichen WA served a delicious lunch, at the conclusion of which the proceeds of each group thanked the members for a very enjoyable evening.

Mrs. J. MacArthur accompanied by Mrs. Winifred Taylor, Mrs. D. Taylor and Mrs. Schreier motored to Edmonton last week where they attended the sessions of the Grand Chapter of O.E.S.

The Gleichen FWMA met recently at the home of Mrs. Collins with 21 members and three visitors present. It was announced that Miss L. McKeever will attend Young Peoples Work in Edmonton. Miss Stevens gave a talk on first aid. Her demonstration on artificial respiration was interesting.

The Ladies Auxiliary to the League held a very successful tea and bake sale Saturday afternoon. Bobby Wilson was the lucky winner of the draw for the white bedspread and Mrs. Geo. Walker won the door prize.

Trd James of Port Nelson arrived June 1 to spend part of his holidays at his home here. He is enjoying his visit with former friends and neighbors.

FIRE AT DAWSON FARM
Cliff Dawson lost a chicken house by fire early Wednesday evening. The fire was believed to have started by internal combustion in the insulation. The 500 or so chickens housed therein were saved. The farm is situated about six miles south of Strathmore.

Productivity of Canadian agriculture in 1934 was 55 per cent above the 1929-30 average.

Water Safety Around The Home

June 16 to 22 is National Water Safety Week. A week set aside to educate us and to keep us safe from the danger of water and respect.

This district has many small lakes, sloughs, and endless miles of irrigation ditches. These places could all be death traps. Each year where young children could meet with disaster.

Below are a few safety rules as supplied by the National Council that we all should read and follow to remember. This COULD mean to remember. This COULD mean to remember. This COULD mean to remember.

Because children love to play in water, they must be watched constantly if there are any creeks, rivers or ponds. No matter how small, even the home's own creek.

HOLD It... Why Planes Crash

Miss Gayle Hunter won a citizenship award at the Crescent Heights High School, Calgary and was awarded a suitable pin on Wednesday.

The honor to be used in the Calgary Stampede halling from the East stopped over night in Al. Morning's pasture. Wednesday and went on to the city this morning. There were 250 to 300 in all.

Proceeds for Benevolent Work

The \$22.00 Horses

Count them up. Multiply by 22. That is the amount we have in stock to date. Not enough, but gratifying nevertheless.

Another important thing has also been the Strathmore and District Memorial Arena. It would be interesting to know how many total hours this committee has put in to put this money making project on the program successful plan. But it is known all over the province to be. These are hours donated to the district, yes in many ways thousands of hours, open to serve criticism on the street in some cases. Do they quit? Not on your life, they surely strive to make it a bigger and better affair, each day.

Every money was made Wednesday night, but it isn't enough. Much more is needed. That is why we ask you now to send in your Royal pledge to be given you by the Alberta Government this December to back this action of work.

The 122 Horses now piling are Keith Bergh, Jim Nelson, Larry Hunter, Mrs. A. Marton, Fred Zymarski, Ed and Beldie, Two anonymous players, Mrs. Lila Hunter, Elmer Gray, Mrs. Phyllis Gray, Jack Harrell, Frank Koshorak, Walter King, Lester Jones, Gordon Hall, Verd Watson, R. J. Rockyford News

BY MRS. W.

Nina Thompson, daughter of Mr. and Mrs. F. Dumas will represent St. Rita's School at the Junior Cross Training Centre at Banff next week. Nina is being sponsored by the Rockyford Ladies.

Darlene Voller and Donna MacHendrie each won \$10 at 4th place in the 100 yard race at the Banff track. Carol Kallhen, Mona Fynn and Lola Griffith each received honorable mention and were presented with a pen and pencil set. Congratulations girls.

Last Thursday the Ladies football team was defeated by Husar. The Pory leggers lost to Rockyford Friday but won at Glenora on Sunday. By all reports that was a well played game. Ken up the good boys and we'll all be out to watch you in the playoffs.

A new floor and further improvements are needed for our community hall. Rentals cover the running expenses but there must be some source of money for improvements. The hall board suggests that every eligible man in the community divide his provincial dividend toward erecting a reserve fund for future expansion.

Prevent blood accidents! If you can't swim wear a life jacket, or stay on shore.

Hussar Socials

A number of Hussar people went to Calgary Thursday for a picnic at St. George's Island and spent a perfect day.

At the June meeting of the Hussar Lions Club, the movie, The Mexico City Lions International Convention was shown to an enthusiastic audience, and also several slides. The ladies were in attendance as well as the members.

At the June meeting of the Jubilee Branch of the FFWA at the home of Mrs. Harry Muller, there were 10 members present including the president and secretary, Mrs. E. Belgen and Mrs. S. Madson.

It was decided to hold all future meetings on the first Thursday of each month, to send a delegate to the FFWA week at Oids. No one present volunteered to go and the president may attempt the district convention at Medicine Hat. The next meeting will be at the home of Mrs. Robert Hudson. Mrs. Harry Muller was made head of the committee for the cancer drive. The books were distributed and those doing the canvassing are: Mrs. Harry Muller; Mrs. A. Housman; Mrs. F. Pringle and Mrs. E. Johnson.

Mrs. E. Muller has been visiting her son and daughter-in-law, Mrs. and Mr. Harry Muller and attended at the meeting of the FFWA and the All before returning to Calgary.

Baintree Notes

BY MRS W. L.

Wedding
Miss Elizabeth Frances Lyons, only daughter of Mr and Mrs W. A. Lyons of Baintree was united in marriage to Mr William Raymond McNeil, youngest son of Mr and Mrs W. McNeil of Strathmore on June 18th by Rev. Dean Lehman at St. Elia's Rectory, Rockford.
Mr W. Lyons, Jr. was master of honor and Mr L. Morgan was best man. Little Misses Constance and Betty, known since the house girls.
A reception was held at the home of Mr and Mrs J. O. Porteous at 8 o'clock. A bouquet of rare flowers. Misses graced the buffet table. Mrs Porteous proposed he toast to the bride and the groom responded and thanked everyone for their kindness.
Out of town guests were Mrs J. R. Groves of Markerville, Miss Helen Edgar and Mr Eldon (Giver) Crossfield; Mrs E. Reid, Calgary and Mr and Mrs W. Lyons and Betty of Lethbridge.
The happy couple motored to Dauff and other mountain points for their honeymoon.
It was information the rain made it impossible to enjoy the lovely grounds but it made a good feeling because of the benefit it brought to the whole community.
Mr and Mrs Tobbs and family of Lethbridge were Sunday guests of 11th and Mrs Frank Kuyken.
Mrs M. den Boer spent several

Interns in Calgary

days last week at the home of her daughter Mrs Frances Kathol.

Mrs. Negro, Sr. and Mr. Francis Negro of Abbotsford, B. C. have been visiting their relatives in Calgary and attended the graduation exercises for John Negro, their third son and neighbors in the Baintree district. They were in Calgary for the past week with them.
Mr and Mrs Krysnow of Detroit were visiting in Baintree week end.
Mr and Mrs W. Lyons of Baintree were in Calgary for the past week with them.
Mrs Jack Groves of Markerville spent an evening last week returning old times with her school pal Mrs Charlie Cousar.

Legion Auxiliary

The Ladies Auxiliary to the Legion met Tuesday night in the Legion Hall with 31 members present. O. Canada was sung and the usual ritual opened the meeting. The chaplain gave the prayer and one minute's silent for departed ones was observed.
Minutes of previous and recent meetings were read and approved and treasurer's report given.
The evening canvas is going very well with \$275.50 being collected to date, and not yet completed.
The ladies will serve a wedding supper and dance on May 28th and also serve the Lions Dominion Day dance supper.
It was decided to purchase new spoons for going away gifts, etc., with crests attached. Instead of a feast on Dominion Day, the Auxiliary will sponsor a section of the parade.
The ladies will attend the Biennial convention in Lethbridge gave a splendid report.
Mrs M. May gave the first section, Mrs Keeling the second and Mrs Cramer gave a humorous and interesting account of her observations. The girls felt they learned a lot and had a splendid time.
We are very in line a valued 4th.

FACTS THAT SPEAK "OPPORTUNITY" FOR YOUNG MEN WITH AMBITIONS

1. The "Royal" is North America's fourth largest bank. More than 670 branches are in operation and new ones are being opened all the time. During the past four years we have opened 94 new branches, each one creating new managerial positions... and resulting promotions for young Royal Bankers.

2. "Influence" plays no part in advancement at the Royal Bank. Our senior officers from the Chairman and President on down started as juniors in small branches and advanced on merit alone.

3. Home study banking courses are available to all staff members. Successful candidates advance quickly. Practical experience plus the banking course is equivalent to a university course in Commerce.

4. For young men interested in gaining international banking experience, the Royal Bank has 75 branches abroad... in New York, London, Paris, Central and South America, Cuba and the West Indies.

5. We have generous pension plans that compare with the best, as well as group, health and hospital insurance, at low cost to employees.

Cheadle Notes

BY MRS E. J.

The Cheadle Community Club executive held a meeting last week at the home of President J. Paris, with all but two of the members in attendance. Main purpose of the meeting was the making of arrangements for the annual picnic. After some trouble in obtaining the Nipaham Park facility for proposed dates, it was finally reserved for us for the afternoon of June 23. Everyone in the district is invited to come — bring a picnic lunch, coffee and pop and we are sure will be pleased.
Mr and Mrs Fred Cramer attended the Legion convention in Lethbridge last week from Sunday to Wednesday and report a most enjoyable affair.
Lois Weidman and Doris McDougall were representatives of this district at the Eastern Star Grand Chapter in Edmonton.
The Doug Keer and C. Barber families attended the annual convention at Great Falls last weekend and Bert Keer carried off a trophy for his class.
Don Cheadle had narrow escape from fire at his home last Saturday when the tractor he was filling with gas ignited and quickly spread to surrounding walls and equipment kicking out on site and leaving a part with timely assistance from neighbors, averted a real disaster.
Cheadle visitors varied very well at the Carleton Place last Saturday night. Lucky prize winners were: Dave Hecker, Gerry Vander de and Lynn Jackson.
Gary McDougall has hit the headlines with the very latest thing in transportation — we really like it.

2-Day Ball Tourney And Sports Day At Standard

The Standard Sports Club will sponsor a two day sports day at Standard June 20 and 21. Senior baseball will highlight the day, when six teams will battle for first money Standard, Carbon, Rosedale, Glendon, Rosedale and Glendon are the teams represented in this tourney.

The preliminary games will be played Friday and the semi final and final on Monday.
The Tony League and Glen Soft ball teams will also be represented during the Monday afternoon proceedings when Husar and Standard will meet in both classes.
Races for the children will also be staged and a play-in-our-when Monday night will interest the old set.

Carsland Notes

A very successful bingo was held in the Carsland Community hall June 15. There were 30 prizes given away during the evening and the winners came from all parts of the district.

There will be a class on artificial respiration put on by St. John's Ambulance in the Carsland hall June 24 at 8 p.m. Admission is free and everyone is asked to attend. Remember someday this might save a life.

A short program and lunch was held in the Carsland United Church Sunday June 17 on the occasion of the 5th wedding anniversary. There was a nice crowd of guests from different points. The honored guests were presented with a lovely gift from their many friends.

Andy Melanson of Donalda spent some time at the home of Mr. Bonita.

Miss Christie Goble is enjoying a few days holiday at the home of her sister Mrs. John Hickey.

A number of people from Carsland attended the Jockey Hotel at the farm of Roy Doremy Sunday with a record crowd in attendance. Le Phillips won two firsts in the stake and barrel races.

Cluny News

The 25th Clunian constitutional conference of the Alberta W. I. was held at Quesnora, June 13, with Mrs. Fairbairn, convenor of Cluny in charge. Mrs. C. L. Alexander of Cayley, district director of No. 4, in her address praised the work of each branch in the constituency.

Mrs. Norma Jean Gray, House Economist of Roscoe judged the handicraft. Langdon branch won the silver cup for having the most points and Mrs. A. Kinnert of Nightingale won the individual trophy for the outstanding piece of work, a house dress. The ladies of W.I. of Quesnora were hostesses to a delicious banquet and tea in St. W. I. members.

Mrs. Irv was elected president of the Home and School Association for the coming year at the annual meeting June 12. Ralph Parsons, president and Mrs. Ralph Parsons, secretary-treasurer.

Conveners, Mrs. A. George, finance; Mrs. Watson, publicity; membership; Mrs. Cameron, entertainment; Mrs. MacArthur, The Home and School picnic will be held June 27. Mrs. W. Haggarty reported on the convention.

Male students of Mrs. M. Cutler of Okotoks presented a recital in the hall June 14. Mr. John Kelly was MC. Taking part in the program was a chorus of 15 girls in the choir. Mrs. Cutler gave her original composition. Piano solo by Joan Keschub; Claire Corbett; Linda Scholtes; Virginia Rie; Patsy Rie; Maureen Haggarty; Rosemary Brown; Karen Brown.

SACRED HEART SCENE OF DOUBLE RING CEREMONY

DUFF — BARTELEN
The chiding of the bells of the Sacred Heart Church at Strathmore commenced the wedding of Miss Helen Antonia Bartelen, second daughter of Mr and Mrs A. A. Bartelen to Mr Robert Henry Duff, pictured above, second son of Mr and Mrs E. Krohn of Calgary. Fr. G. T. Gibbons, Strathmore parson, presided over the double ring ceremony and celebrated the nuptial mass at 1 p.m. June 8 before an altar of roses and gladioli in pastel shades.
Given in marriage by her father, the bride chose a gown of white carried a white miasal and a crown cascade bouquet of gardenias and red sweetheart roses and ribbon streamers, knotted with roses.

with a dinner table to be dressed for sale at the fall bazaar. These were repeated followed by an inspirational devotional given by Mrs. Goss. Several items of business on the agenda were dealt with.

Miss Betty Cappelman from Basco entertained with pictures and stories of her two month tour to Mexico last summer. Koen interest was shown in this traveling as evidenced by the steady stream of questions directed to the speaker. By all means of the group. A delicious lunch served by Mrs. Jenson, Mrs. Baker and Mrs. J. Jenson concluded a most and profitable evening.

Chancellor Notes

BY MRS. M. W. JENSON
We are sorry to report that Mrs. K. Jenson is in Basco hospital. Billy Lee Jenson entertained her at a birthday party on Thursday afternoon. Norman Watson attended the Grand Lodge AP and AM in Calgary last week. Many Chancellors felt that the Stampede Queen dance in Husk was on Friday. Mr. and Mrs. J. Tierney spent the weekend in Calgary. Mr. and Mrs. P. Moon and Mr. and Mrs. J. Lehman spent Sunday in the mountains. Johnny Jansen left for Cranbrook where he will be working. Dale Christensen entertained his school chums on his birthday on Tuesday. Mr. C. H. Stegmann of Denmark and Mr. Otto Jansen of Woodville, Miss., are visiting Mr. and Mrs. J. Jenson.

Gleichen Events

Mr. and Mrs. L. Campbell of Ayr, Ont., enroute to the coast stopped off to visit with Norman and Walter Hildner. Mrs. Campbell is the younger sister, Mary. Mr. and Mrs. W. Tichner of Calgary spent the weekend at the home of their son-in-law and daughter, Mr. and Mrs. H. H. Jenson. Mrs. Jenson is a graduate of the Royal College, and is now employed with the B. A. Oil Co. The three day weekend will be presented with western outfit and will spend the week in the royal suite in the Palladium Hotel. The two princesses will be regal at a weekend in Banff, and the queen will be sent to Vancouver and next spring to Las Vegas to attend the Heilbronde Stampede stard.

Strathmore Leads Bow Valley League

Strathmore leads the pack of diamond series in the Bow Valley Baseball League as a result of last Sunday's play.

All the winners took a clean sweep over their opponents the day when the same team was both same at each of the three contests.

Strathmore took their two at the expense of Basco. Lavelle and Crivell were the winning pitchers of a game each. Warwick caught both men. The first game Strathmore won by a 11 to 3 score, and Crivell pitched the evening game, winning it by a close 2 to 1 margin.

Strathmore's second win in the third inning and Basco brought in one in the 10th.

Strathmore and Basco pitched the first and second games respectively for Basco with Halsey behind the plate.

Standard dropped two to Calgary on their home ground. The first game was a 10 to 3 score and the second game 4 to 2.

The League standings are as follows: Strathmore leads with 14 points; Golden came up to 11 for second place; Basco is 8; Ogden and Standard tied with 5 points; Irwin 4 and Standard 4.

Final arrangements were discussed regarding the July 1st Sports Day and it was reported that although the final figures were not available it was thought that there was about \$300 realized at the two booths operated by the Club during the Strathmore game.

Following the meeting, some of the members went over to the arena to clean up from the night before, while another group went to the swimming pool, where a pavilion was installed, the first set up and by the time the paper goes to press the children should be swimming.

The next executive meeting will be held at the home of John Scher. This will be the last meeting for this year. The district president John Scher urged all members of the board to attend the meeting on July 1st.

It was reported that Linda Spryngthorne is home, staying with his sister after undergoing two operations in the hospital recently, and is recovering nicely. He sent a letter to the meeting.

Mr. Spryngthorne has served the Club as secretary for the past 14 years. At the next regular meeting, there will be the installation of the new officers.

The annual Sunday School and congregational picnic will be held at Wyndham Park, Carleton Place, Friday, June 28. There will be bus transportation for the children who need it, which will leave the school at 1:30. The lunch consisting of sandwiches, cake, etc. will be pooled and families are asked to bring some to cover the needs of their family. Adults are asked to bring their own coffee cups. Drinks, ice cream, etc. will be provided for the children.

Mr. and Mrs. Dave Kermack returned Sunday at a turkey dinner for their family and Mr. and Mrs. Jones of Calgary in all 24 people.

The Masonic Lodge held a very hard rain to date for a full half hour before the big show began.

There were over 4,000 people packed in the arena this night, and it all went smoothly during the proceedings.

There were reports of people from all over Southern Alberta attending the Medicine Hat, Three Hills, Exshaw, and other towns.

Although there has been no date set, it is planned to have another show about 7:30 a.m. it rained.

BY MISS J. E.

The Gleichen P.W.E. meeting was held at the home of Mrs. Jack Van Davel with 13 members and two visitors present. Roll call was answered by Mrs. Patricia's Name.

Mrs. G. Nelson read a bulletin on Education. Miss Loreta McKeever gave a splendid report on Young People's Week which she attended in Edmonton the first week in June. A few members displayed their faith in the service and met June 25 at the home of Mrs. L. Nicholas.

Mrs. and Mrs. W. Peterson, Tommy Zola, Kristle and Paddy Peterson of Salem, Oregon visited relatives at Gladstone over the weekend. Mrs. Peterson is a sister of Mrs. N. A. Riddell. The latter accompanied the Peterson family when they left here for Boise, Idaho, N. D. where they will visit their mother. While there the sisters, joined by other

members of their family will hold Open House to celebrate their mother's 70th birthday on July 7. Miss Florence R. Morse of Boston visited her uncle and aunt Mr. recently. She is on a world tour, and has found some very interesting scenery in R. C. and Alberta.

The friends of Jack Stubbuck of Calgary will be very sorry to hear that his wife died in a Calgary hospital June 25. The sincere sympathy of all friends here is extended to him and his relatives.

The regular meeting of the Ladies Auxiliary to the Legion, was held June 26, to enable the District, Mabel Boggs and delegates Mrs. Hutton and Mrs. Young to give their reports of the convention in Lethbridge, and each gave a very interesting report. A prayer by the Chaplain followed the minutes of the previous meeting. An application for membership from Mrs. W. M. Wild was accepted. There was motion that our dishes and silver

are not to be loaned. Several ladies have accepted the invitation extended by the Brooks Aux. and attending by car. The business of the evening was somewhat saddened by the realization that our secretary Miss Wilson was leaving. A brooch was given to her and Beryl McPherson Mrs. Hutton was elected by acclamation as secretary. The meeting was adjourned and lunch was served by the hostess.

Dr. McIntyre returned home from hospital and is improving in health. Members of the Masonic Lodge paraded to church service at the United Church Sunday evening.

Berry-Vale W. I.

The Berry-Vale W.I. met at the home of Mrs. Gordon Kearns on June 26th with eight members present. Mrs. Hutton, 1st vice called the meeting to order in the usual manner. Roll call: What I saw when I first looked out of the window this morning, was very similar to — Mostly fuz. Minutes of two previous meetings were read and approved.

The treasurer's report given. Clothing as brought for Mental Health Association, but owing to the small crowd will be kept until a later meeting.

Mrs. MacJ. delegate to the convention gave a report of it which was enjoyed. Clothing for small children of needy family in the district will be collected.

Baking was brought by some of the members and sold. Those who did not contribute will bring to the next meeting, also clothing for Mental Health.

Next meeting at the home of Mrs. J. Bassett July 15th. Roll call: Health Superstitions. Directors will be in charge of program for this meeting and promise an interesting surprise.

Fishermen to farmer tilling a particularly bare and rocky piece of land. You poor man! I don't see how you can ever make a living on this farm. Look nothing but rocks everywhere.

I ain't so poor as ye think I be. Ye replied, I don't own this farm.

After end of term prizes were distributed in the fourth grade Rusty's mother asked him if he got an award. No, he replied, but I got horrible marks.

Strathmore Juniors Win Tourney At First Of July Sports Day

Other than a couple of short showers of rain, the 11th annual Lions Club Sports Day went off without a hitch.

The townfolk community won top honors for their float entry in the parade with a very fine show of the Old Lady Who Lived in a Shoe.

The parade consisted of colorful decorated cars, floats, children's bikes and tricycles, and a good number of Western entries were present.

The winners were as follows: Plants — First, Crawford Community Association; second, The Strathmore Seed Cleaning Plant; and third, the Strathmore Boy Scouts.

Decorated car — The Strathmore Standard.

Tricycles — First, Debbie and Dorothy Newton; second, Carmen Schumann.

Bicycles — First, Diane Buckton; second, Elaine Doucet.

Combs — First, Miss Strathmore 1957 (unknown sponsor); second, Ralph Tiede and Jimmy Maltby, with an old model T Freely Flyer.

The first crown was Lorraine Gerritt, and Sally Jones was the runner up.

Cowboy — First, Mitchell Garriot and second, Francis Wogener.

Decorated family — C. Cocks, and Hugh Berry and Morgan children, second.

Special prize was awarded to Richard Lauman for very fine Indian entry.

The judges for the parade were Mr. and Mrs. R. P. Finkelstein, Mr. and Mrs. Peggy Bergh.

The parade was led by Const. B. Rimmer, RCMP, followed by the Carleton Place Club, and all the entries including a fine display of new machinery and cars sponsored by Strathmore agencies.

The Sports day carried over the ball park through three ball games: football, basketball, and hockey.

decisive margin. The first game, Beiseker overcame Ogdens by a 10 to 8 score, and Strathmore was the victor of the second by 10 to 7 over Irina.

A rain storm pelted the diamond in the late stages of the seventh inning in the first between Strathmore and Beiseker and it was thought for a time that they would call the game. However it was decided to carry on with it and the home town boys came up with a 11 to 7 edge over their opponents.

Court Porters pitched an outstanding game on this occasion, and the boys were rich behind him all the way with plenty of hits and runs.

After a short tussle at 4-5 in the fifth when Beiseker made five costly errors and led the Strathmore came in for five runs.

(This was the big difference in the game. After that time, there was only three runs came in; one to Strathmore's credit and two for the visitors. Final score 11 to 7.

Knight caught both Strathmore and Beiseker in the eighth. The first baseman in the afternoon setting.

General WA

The Strathmore General WA met at the home of Mrs. Roland Hanson on June 25 and in spite of the numerous members who had come the group was well represented.

Mrs. Teare presided over the meeting and the absence of Mrs. Gore and Mrs. Evelyn, Mrs. Taylor and Mrs. Teare acted as treasurer and secretary.

After a short business meeting Mrs. Norman Secher gave a reading on the activities of the Strathmore WA since early in 1956, which we all enjoyed. Lunch was served by the Namaka WA group.

RESULTS OF BOW VALLEY BASEBALL SUNDAY, JUNE 30

Brooks and Ogdens were tied in the standing with eight points each. In the league standing going in to Sunday's play and at the end of the day they were still deadlocked at 10 markers each.

They took a game each. Brooks won the first one by a close 4 to 3 score and on the evening 10 Ogdens took the second by 10 to 3 margin. Brooks were very close games, but Mike Fry, boss man for the easterners, made it clear that they were in need of pitchers as they didn't have their whole staff present.

In the second game they were many different men from the field. Brooks was the winning pitcher for Brooks in the first game.

The standarders were a trandy one at Bassano on the same day as well with Irina's want to that team and again each.

As a pair of points for each club Strathmore was the idle team this time around, and the Standard Glensham games were not played because both clubs entered in the Standard tournament June 30 and July 1.

Standings according to points are as follows: Strathmore 14; Irina 12; Ogdens 10; Brooks 7 and Standard 4.

A shower dance was held in the community hall June 25 in honor of Mr. and Mrs. McNeil. Mayor Vuker introduced Mrs. Purvane who wished the young people the best of luck and hoped they would settle in our midst, she then presented them with a chest of silver on behalf of the community. The bride and groom thanked everyone for the fine gift and invited those present to visit them at their home in Strathmore.

Mr. and Mrs. Lorne Stiles are the proud parents of a baby boy, Gerald Paricle.

Bassano defeated Rockyford boys 17 to 9 Sunday afternoon. The boys will play the Lions Club next Sunday. I understand they are importing an umpire for this game.

Many Rockyford residents took advantage of the long weekend to get in a few days fishing at Pine Lake.

Interest To Veterans

BY MRS. D. D.

If you intend to take in the Calgary Exhibition and Stampede this year, make it a point to see the Veterans' Land Act exhibit on Production Land Farming. This exhibit will contain models of up to date

houses housing buildings with milking parlors for dairying and buildings for beef production, layout of farmsteads; samples of grasses and legumes and interesting facts relevant to the Veterans' Land Act.

Models include those made up by Calgary Region of the Veterans' Land Act, the Canada Cattle Company and, through the courtesy of the Director of the Veterans' Land Act, Brigadier T. Rutherford, a very extensive exhibit which was shown at the Royal Winter Fair in Toronto.

Brigadier Rutherford has pioneered this cheaper and better type of farm building construction in Canada, and it is through his efforts that all Settlement Officers have been trained to help Veterans in Farm Planning, farm labor, efficiency and management to order to promote better living conditions through improved revenue.

Your Settlement Officer Mr. W. E. Martin will be there in person on July 11, 1957 and will explain the exhibit and will answer questions and any problems you may have.

Every effort has been made by your Settlement Officer and the Veterans' Land Act to obtain the best models possible to give you an idea of the exhibit which is located directly East of the Freshwater Building.

Wednesday evening last Mrs. Johanna L. Halls of Edmonton, Worthby Grand Matron of the Grand Chapter of Alberta made her official visit to Husar Chapter No. 92.

A large crowd attended from all over the city. Mrs. Halls, accompanied by her husband and two daughters, arrived at the meeting at 7:30 p.m. and were greeted by the Chapter officers and members.

The meeting was held in the Chapter room and was very interesting and informative. A large banquet followed the meeting.

News From Standard

BY MRS. F. K.
It is with extreme pleasure that we announce that Mrs. F. Knowlton will be your official correspondent. We ask for your co-operation with her to make your weekly paper an interesting one.

Thursday, June 27 was a day of relaxation and fun for the elementary grades of Standard school when teachers and students of grades 1 to 8 and their parents gathered in the Standard Gymnasium for a noon picnic and an afternoon of games and sports. On Friday morning the pupils received their final report cards for the year and the promoted received the usual ice cream treats from Magnus Nilsson, who never fails each year to add this bit of encouragement to further study. The school bus drivers treated their passengers to soft drinks as they gathered to see the new and happy climate to another school year.

Heavy rains on Saturday evening put an end to plans for an outdoor picnic and sports planned for the nearness Lutheran Church congregation and Sunday School. Sunday morning it was decided to hold the annual 11 o'clock church service, and this was followed by a picnic style lunch in the church parlour. Afterwards a program of games and contests for the children added to the children's pleasure and made up for the fun they had anticipated so eagerly at the football picnic grounds.

The Alex Christensen family, and the Vernon and Betty Larson families joined forces during the holiday weekend for a camping trip in the Bragg Creek area.

Dorothy and Lorne Larson and Donald and Dennis Donaldson left on July 1st for 10 days camping at Camp Hector, the YMCA camp for boys.

Mrs. Anker Jensen and Mrs. Jensen and their children are visiting Mrs. M. Jensen and Mrs. Mrs. Jensen on their holiday from California.

Mrs. and Mrs. Harold Andersen of Eugene, Ore. were recent visitors at the home of Mrs. Sigurd Hansen. Their eldest son, John, will remain here for his summer vacation.

Mrs. and Mrs. Ole Les have had as their guests, Mrs. Les sister Miss Leda Henders of Toronto and Mrs. Elbi Henders of Chin Creek, Alta. Also Mrs. Pearl Erickson and Mrs. Katherine Leavak of Toronto.

Mrs. Les left with her guests Sunday morning to drive to Haliburton on the Kootenay Lake to spend the month of July at a summer cottage.

Mrs. Knowlton would appreciate the cooperation of Standard community residents with regard to special events and news items for Standard News in our weekly paper. For several months there has been little Standard news reported and many people have expressed their desire to have our columns resumed. If you have missed seeing Standard News in print please mail us to report the news from now on, by phoning any community or organizational activities, holiday visitors or other items which will take our column interest. Only in this way can we make Standard News worthwhile. Please Phone 32.

Hundredweights May Replace Bushel

Hundredweights may replace the metric bushel as the basic unit for measuring grain. A more accurate way for measuring grain in Canada and the United States is being proposed. It requires a bit of mental exercise to try to figure out whether a 500 million CWT wheat crop is big or little and if we put it in tons that won't help much either.

Aside from the fact that we are used to them the presents units are little to recommend. They are well defined as follows: 100 pounds = 1 hundredweight (CWT) 2000 pounds = 1 ton (20 CWT) 1000 kilograms = 1 metric ton (1000 kg) 1000 grams = 1 kilogram (1000 g) 1000 milligrams = 1 gram Famed Police Dog

At End Of Trail

(Grand Prairie Herald-Tribune)
 End of the trail came last week for Asta, Mounted Police dog famous throughout North America for her exploits in every part of Canada from Ontario to the West Coast.

During the 12 years of her life she has been storied by many with tales — although, setting on its years, and supposedly retired to the care of Cpl W. Brice of Peace River, instead of Asta refused to retire.

Most recent example came a few weeks ago when she tracked down a lost watch to the river bank, retrieved it and gave it into the care of Mrs. Brice. The owner is still to be located.

Particularly famous for finding lost articles, one of her most startling exploits was on the farm of Steve Balguy of Derwent where a week after a wallet containing \$1150 was lost in a cultivated section field. Asta searched for 10 hours and returned the wallet.

Closer to home, seven years ago Asta and a canine companion named Snicker were instrumental in finding three year old Heather Robertson who had been lost in the wash in Wertheville district for 10 days.

On that occasion Asta was flown in from Westlock to take part in its search after efforts of human searchers had been unrewarded for many hours.

Especially last week was arranged in the finding of another lost child, little 10 month old Robbie Edwards who disappeared south of Edmonton with the three-monther registering 90 degrees of heat suffering from sunstroke the little boy was returned to the care of his parents in 30 minutes.

Buried by the Gazette at the RCMP barracks in Peace River, Asta has, in the words of Cpl Brice, been on hundreds of cases, travelled thousands of miles and been the heroine of dozens of stories.

Do not write unless under any circumstances Child and adult help is may panic when no help is near.

Standard Creeps Up In Bow Valley Play

Standard was both of their stars Sunday in the Bow Valley Baseball League, to make their standing much more favorable than a week ago, when they were in the cellar with only four points.

These points were gained at the expense of the Ramsay entry in the game played at Standard. H. Christensen pitched the boys to a 3 to 5 victory in the afternoon tilt and N. Christensen was the master of the mound in the evening's future winning over the Ramsay by a whopping 10 to 15. McMillan carried both games.

Strathmore had a couple of good games this day with the Brooks aggregation at Brooks. The first game went to the boys 3 to 1 and after the evening game, the score-board read Strathmore 10, Brooks 7. O. Griffin to Garraway Brooks 7 to 10 in the afternoon, and Kurbach was the winning pitcher in the second, Warwick also caught in the evening.

Over the dropped two at Strathmore, although both were good games. The first 11 to 7, and the second 5 to 1.

Allies and Plante to Wilson was the combination for Gleichen and Ryder was the winning pitcher for the Strathmore in the 1st game.

Strathmore still leads the pack with 18, Brooks and Ramsay, second with 13, Irricana and the 1st game in the Maritimes, where Mr. McKenna attended Foresters Lodge conference in Halifax. They met on the 10th through the States come home and in all they visited seven provinces and 14 states, and covered 7,400 miles.

The big highlight of the trip for Mr. Frank was concerned with the Big League baseball they attended. They saw the New York Yankees and Chicago play a double-header in Yankee stadium; Brooklyn and Chicago in Wrigley Field; Chicago and Baltimore and Detroit at Detroit.

Other items of interest took place by the McKenna were the Empire State fair to just ramp around the speed of the day at the races; in the Red Cross and other attractions as available in Canada by it would appear that many citizens took at least of the day looking from the perspective of the team.

Mr. and Mrs. Otto Wheeler are on an extended tour of the United States and plan to be away about three months.

Mr. G. Patten is in hospital in Calgary and is undergoing observation and treatment.

Mr. Belts underwent an operation Friday last, but her condition is reported to be favorable. She plans to be discharged to come home on Monday.

Officers Installed 4 Members Get Pins

The regular meeting of the Strathmore Lions Club was held at the Memorial Hall July 4.

At this meeting, the new officers for the coming year were installed by Mr. Chas. Scott, and there were four new members accepted officially by the retiring president John Scher.

The report of the Social Post for the evening was Harold Rasmussen. Apparently trying to make up for the absence of that department for the past two meetings when some members were busy with work, he was a valuable asset. The winner of the pot was Mr. Bill Hiden.

The officers for the coming year are as follows: president, Axel Rasmussen; vice-president, Bill Morgan; 2nd vice-president, Myron Christensen; 3rd vice-president, Loy Wheeler; Treasurer, Howard Schumann; Lion Tamer, P. Connelley; Secretary, William Rasmussen; Treasurer, Leonard Larsen; Directors for two years, Ed N. Smith and Doug Simmonds; Directors for one year, Harold Rasmussen and Axel Rasmussen.

The new members who received their pins this night were Bud Thompson, Don Murray, Ash Norman and Keith Brier.

Past president John Scher passed out 23 pins to members with perfect attendance over the past year. John thanked these members and asked the club to give the new president as much support as they could give him and thus relieving the load on John's shoulders.

The Lions Club of Strathmore has reported to be a rather discouraging one. Although the final figures were not available, Treasurer Len Larson reported a profit in the neighborhood of \$45 or \$50. The Lions Club has been reported to be a rather discouraging one.

News From Gleichen

Mr. and Mrs. M. Ladd, Danbo and George Ladd of Grandview, Que. arrived by plane last week to spend their holidays at the home of the latter's parents in the town of Gleichen.

George Hiden of the swimming pool committee offered to see that the wiring was taken care of on the swimming pool.

It was reported that John Jack (Hahn) was a patient in the hospital.

Jack Taylor has been teaching tap dancing and music for 37 years and with Mrs. Gooch and Diane Gooch gave a skillful exhibition tap dancing. The dancing was interspersed with several enjoyable variety items.

The program concluded with the presentation of a bouquet of red & white carnations to Mrs. Gooch from her pupils.

Hussar Happenings

BY MRS. M. C. B.

Mr. and Mrs. Olsen and family returned Friday after a two week holiday in the States.

The Messrs. Olsen Larsen and Dorothy Hoffmann returned on Friday from the Lathier League convention in Fresno, Calif. They report a wonderful time.

Holy Baptism was administered to Barclay Churkin, infant son of Mr. and Mrs. Jorgen Iversgaard, the sponsors being Miss Rosen and brother of Mrs. Iversgaard, Heston and John Heston, sister Miss Rosen recently graduated as a nurse and John is taking an evening course in the States. He has one more year and won his honors in his work.

Rev. and Mrs. E. Tange and family of Luck, Mich. will visit old friends here arriving on July 19. He will preach Sunday, July 21. At the morning service a fellowship dinner will be held in the basement, allowing Mrs. Tange to have a visit with them. He was the first pastor in the new church here.

Mr. and Mrs. H. Law are entertaining Mrs. Law's mother, Mrs. R. Lilly and her sister, Miss Marie from Montreal. They will make an extended visit.

Mr. and Mrs. W. Lays returned to Swift Current last week and Mrs. Lays brought her grandmother, Mrs. Ombroed back for a visit. Mrs. Willie Will was unfortunate in breaking her leg while playing ball and is now a patient in the Bazaar hospital.

Mr. and Mrs. E. Wright spent the weekend at Lake Louise.

Mr. and Mrs. James Stewart and sons left Friday for a two week holiday trip.

Mr. and Mrs. Philip Pugh of Doo Creek, B.C. have spent a few days visiting among his friends in and around Hussar.

Mr. and Mrs. Brown spent Saturday visiting Mr. and Mrs. Schoelling.

Mrs. W. A. Treacy and Miss Joy returned to Carleton Place Saturday.

Mr. and Mrs. Bell have had as visitors this week their grandsons Cameron and granddaughters Sandra and Conale. They returned to Midland Friday.

Mr. and Mrs. E. Blake have had as visitors the past week their daughters Mrs. Robert and Mrs.

ter from Taher and Mrs. R. Blake, and children from Ohio and Sunday last. Mrs. Robert and Doreen died and they expect their son Harry soon.

Mr. and Mrs. O'Neill Blake and family and Mr. and Mrs. H. Blanton attended a reunion of the British family at O'Neill Lake the end of last week.

At the last June meeting of the Council of the Village, first readings to the bylaw concerning rent and sidebars in certain blocks and the one having to do with the sewage for the village. Both have been sent to the Board of Public Utilities for their approval. Many objections of the bylaw were discussed for payment of same.

Very little rain has fallen in Hussar and district. Yet it is surprising the crops are standing up so well. The one hard frost cut down the potatoes at the time, and it seems doubtful if those will yield, but many patches of potatoes were unharmed. Pastures are beginning to look brown, as if it were fall.

FARM CASH INCOME UP

Alberta's cash income to the three month period was set at \$113 million, or only 25 percent above last year's level.

News From D.O.K.

BY MRS. F. N. K.

Miss Donna Smith is attending special Math classes during the summer school at Mount Royal College prior to her entrance in the autumn class of nursing at the Calgary General hospital.

Miss E. and J. K. Ketchik of Amerindian, Holland are the guests of their sister Mrs. Harvey Cummins. Last weekend Mrs. Cummins and family took their overseas visitors on a camping trip in the Turner Valley.

Mr. Harold Larsen entertained the members of the Union Ladies Aid and several other very much on Friday afternoon. Summertime was the theme of a varied afternoon program. Mrs. Betty Hansen, outlined a day at COTY near Kaslo, from morning walk to taps and gave a typical evening devotional service. Mrs. Kowloon read poems in keeping with the theme and Mrs. Miss Elder sang. The food was delicious. Roll call was responded to with Hilda on short cuts for Easy Summer Living.

Mr. Norman Bragg is in Victoria training course for Alberta school principals for three weeks.

Mrs. Earl Jones and family of West Co. Cal., were recent guests at the home of Mr. and Mrs. Norman Bragg. Mrs. Harman was also a guest at her daughter's house over the July 1 weekend.

Carol Collins and Frank Fure are driving sporty new cars.

Mrs. Johnny Macmillan and Erna were visitors to Edmonton last week for Erna's checkup at her home, specialist.

The Nazareth Lutheran Young people had a pleasant evening of fun and fellowship at the firemen on Sunday evening when they entertained the group.

The Nazareth Lutheran Parsonage is receiving a coat of paint; the interior has also been redecorated which completes an energetic cleanup and paint up campaign around the church property and has made it very attractive.

Mrs. Alard Iversen and Miss Margaret Busch are now employed at the Red & White store.

The Dorcas Society sponsored a very successful bake sale on Saturday afternoon in the Red and White store. Bread, cakes, cookies, pies and rolls disappeared almost as soon as they were displayed, proving the home baking is always a welcome treat and a popular product.

Hussar Socials

BY MRS. M. C. B.

On Tuesday evening Mr. Reppe, retiring president of the Hussar Lions Club installed the following officers: president, Mr. Renneberg; first vice, Asa Reinholdt; second vice, William W. 2nd vice, Howard Britton; secretary-treasurer, Jim Stewart; directors, Messrs. Gordon, Montford, Harry Muller, Stewart, Williams and Wm. Braden. Jim Stewart, Ed. Bow, Leon Tanner, Ben Glen, A. Reinholdt, the Hussar Club, a resume of the year and plans for the year also took place. The Lions are especially interested in fire prevention and their project has been the payment for the fire engine and improvement on the fire hall which was donated by James Stewart, who is also the local fire chief.

With school being out the teachers have gone to their respective homes. Some may not return to Hussar next year, we regret to say. Mr. Reppe left for the west coast. Mrs. Jessie MacIntyre left to spend the summer with her daughter in Regina. The closing sports of the season took place in the usual sports track place. The school ball team was defeated by Standard team and again by Hussars. They put up a good fight with game and are to be congratulated upon their efforts. The addition to the school building and the new two-bay garage are both being built rapidly and awaiting interesting propositions. It is expected that grade 12 will be included in the school curriculum.

Langdon Notes

BY MRS. F. D.

The local WI met July 2nd with Mrs. K. Hagby and Mrs. H. Mikkelson, hostesses. The usual business was attended. Mr. E. Moss and Mrs. Westrom sponsored a song contest which was won by Mrs. J. (Polly) Tass were made to hold their next meeting with Mrs. G. B. Tass. A lovely lunch was served to the 20 ladies present.

Miss Janet Taggart is spending two weeks at Marmanah, B. C. taking a leadership course. Bill and Miss Taggart are spending the summer at the shore by the sea.

It seems that every cloud has a silver lining and much has fallen in this district.

Mrs. W. Braden returned Sunday after attending a family reunion in Washington. Her daughter of Walla Walla accompanied her to visit relatives here.

Mr. and Mrs. Harker were stranded visitors at the Alberion Hotel.

Mr. and Mrs. Rechner of Westward Ho were visitors at the Fraser home last week.

Mr. and Mrs. Fred John entrained at a family dinner Sunday. Among the guests were: Mrs. John's mother, Mrs. F. John, a cousin from Port St. John, a cousin from Jameson, N. D. and a cousin from Edmonton as well as Mrs. John's sisters from Rumbay and Calgary.

FIRE AT THE WEGENER FARM LAST SUNDAY

There was a fire at the Freddie Wegener farm seven miles east of Strathmore last Sunday at 5:30. They contacted a number of neighbors and friends by phone to help keep it in check, but they did suffer the loss of their barn and chicken house.

It is thought the fire was caused by a spark from the house chimney. Mr. Wegener says that had the neighbors not come to their aid, the losses would have been much greater. There was no livestock lost.

Wedding

CRETIN - BROWN

In a gown of white tulle and lace of nylon sat, and in point sleeves, Miss Hilda Brown, daughter of Mr. and Mrs. Donald Brown of Nova Scotia, became the bride of Charles Cretin, only son of Mr. and Mrs. Denis Cretin.

The double ring ceremony took place July 8th in St. Mary's Church at Chasde with Father Cretin officiating. The bride carried a bouquet of pink roses interwoven with a blue ribbon and was escorted to the altar by Mr. Hilda's sister, uncle of the groom.

Best man was Len Maynard and usher were Jerome Curbish and Harvey Sano.

The organist was Mrs. Louis Cretin and soloist Mr. Harvey Sano. A reception was held at the home of the groom's parents for about 20 guests.

The toast to the bride was presented by Father James and responded to by the groom.

Then home was held from 3 to 5 p.m. for some 200 guests.

For her honeymoon trip to the States the bride chose a blue flowered nylon dress with matching blue duster and white accessories, and a corsage of pink roses.

Future... 4-H Club Member

The two-year-old in his play-pen is fascinated by life around him. He longs to pull the tail feathers out of every chicken on his father's farm. He has no idea at all how a farmer's son should behave, but he'll find out, later, when his brothers initiate him into the local 4-H club.

Here he'll learn by doing, pledged to use his head, heart, hands and health in the best possible way.

4-H Clubs were started with one simple idea in mind: to have rural young people do a worthwhile piece of work at home, voluntarily, and do it better than ever before. Plant a garden plot, perhaps, or raise a calf, make a dress, beautify a room.

The idea was so good that the young people swept their parents along with them, and farm life improved amazingly.

4-H Clubs have done many useful things. They have kept the right boys and girls on the farm, trained young men and women for leadership, improved life in rural communities by introducing better agricultural and home practices, and implanted the ideal of good citizenship in young minds.

There are about 75,000 4-H members in Canada. Many will graduate into farm organizations in which are the progressive young farmers who—by using modern machinery and farm techniques—help to keep all Canadians well fed.

News From Standard

by Mrs. P. D. R.

Last Thursday evening Standard was the scene of the final play of the long league baseball season for the Poncy League baseball game for the Poncy League Trophy. The teams competing were Standard and Standard. It was a very close and exciting game with Standard (under the good coaching of Mr. D. J. Devoit) edging Standard out by a narrow 16-15. John Ellis picked off the last batter for Standard, when Jim Chartrand took over. Freddy McMillan batted a good game for the losing team. Standard now hopes to play a team from Calgary in the city next Saturday.

Mr. Norman Watson, secretary-treasurer of the Standard-Chancellor Community Chest, recently reported that \$1475.50 was collected during the drive. Disbursements were as follows: Cancer Society, \$254.85; Red Cross, \$249.18; Potts Foundation, \$221.43; Salvation Army, \$168.71; CNIB, \$118.75.

The basement of a new house has been excavated near Louis R. Sundberg's residence. Mr. Paul Wheeler is building a new residence in town and hopes to occupy it this autumn.

Miss Judy Knowlton visited her friend Donna Lynch in Calgary for several days this week. Local gardens, crops and pastures are much improved after the heavy rain last Wednesday.

Mr. and Mrs. Harold Larson and daughters drove to Banff Sunday and on the way home called in to visit Mr. and Mrs. Larson who are at Camp Hector.

Mr. and Mrs. Charlie Madson are in Washington on business, returning with John Knudsen, a former Standard resident.

Mr. K. Mayhew of Calgary was visitor at the Alfred home for a few days last week.

Mr. Grunberg, our local minister and his mother attended the Lutheran Camp meeting at Sylvan Lake. Mr. and Mrs. Neil Miller, Linda and Tommy who vacationed at Vancouver Island for a month, in their absence Mr. A. Reid is relieving manager at the Royal Bank.

Ronnie Davis is home to spend his annual holidays with his parents Mr. and Mrs. Cecil Davis.

Mr. and Mrs. John Magnusson report a wonderful holiday vacation to and from Victoria, B. C.

Mr. C. Dahl, his brother Peter of Medicine Hat, an old timer in this area, and their sisters, Mrs. Mary Peterson of Edmonton, Neb. and Mrs. Olga Olson, of Brantford, spent several days in Standard this week renewing old acquaintances and making new ones.

Mrs. Lawrie Nelson and Steve are spending a week's holiday in Calgary visiting with relatives.

Mr. and Mrs. Wayne Lovelace were in Standard on Sunday en route home to Medicine Hat.

Mr. and Mrs. Walter Hansen and Harry and Henry Nielsen are spending a week in Banff. Hans and Henry joined them in Banff as returned home with them.

Mr. and Mrs. Gordon Kroon and children are spending a holiday in Winnipeg. Mrs. Kroon's mother will return with them to make her home here.

Mr. and Mrs. N. A. Peterson visited in Lethbridge on Sunday at the home of Mr. and Mrs. Verma Post.

Mr. and Mrs. Tony Jensen, Mr. and Mrs. Harry Christensen, Mrs. Jean Jensen and Made Jensen motored Morris Saturday to attend the 19th wedding anniversary at Home for Mr. and Mrs. Willie Jensen.

Mr. and Mrs. Roy Somerville visited over on Dennis at Camp Hector last Sunday and then went on to visit friends at Cochrane.

Mrs. Tom Tili and, new little daughter Joan have been visiting at the home of Mr. and Mrs. Orla Peterson.

On Friday evening the home of Mr. Harold Larson was the scene of a ball party when she entertained 11 members of the Charlevoix Association. Games and a delicious lunch were the highlights of a very enjoyable evening.

Little Ross Collier had an emergency appendicitis operation last week and is progressing nicely.

On Saturday, July 20 the church

performed the setting for a bride at shower for Miss Betty Jensen. A shower for Miss Betty Jensen and a group of friends entertained in her honor.

The tables were set with summer flowers and a dainty tea was served. A program of readings, musical numbers and hymns. Mrs. Alfred Peterson was mistress of ceremonies and those taking part in the program were: vocal solo, Mr. and Mrs. Jensen.

BLOOD SAVED THEIR LIVES

Two year old Mary Keeler and her young brother Bill, above, are two happy healthy youngsters today because of the Red Cross. Through assistance of the Red Cross blood transfusion service the two children, daughter and son of Mr. and Mrs. J. J. Kueley of

Santon, received a complete replacement of blood within hours after birth to save their lives. Supplying the right types of blood to make such replacements is one of the major services provided by the Red Cross in Alberta through its free blood transfusion program.

Berry-Vale W. I.

The July 15th meeting of the Berry-Vale WI was held at the home of Mrs. Martin with 11 members and one visitor present. Mrs. E. Player called the meeting to order in the absence of Mrs. Bazzani, president.

Minutes of previous meeting read and approved. Treas. report given and correspondence read. It was reported several district c. men have or are under the

weather and all will be remembered by all tokens.

Secretary was instructed to contact Mrs. Norma Jean Gray re. take date to visit Ardouane hall. A splendid report of the County Conference was given by our delegate, Mrs. G. Kearns, and would safely say she was not taking a thing. It was very interesting.

The annual picnic of the Calgary Rehabilitation Society will be held on Aug. 18 and plans were made for this event. Word has it that more will be in attendance this year. At least 150 crippled people have signified their intention of attending. Much interest in this event is shown and district people and local business firms help us each year to make this a decided success.

The sale of home cooking was raffish.

Two contests staged by the directors was enjoyed. One team consisted of Mrs. G. Hillon, Mrs. G. Kearns, Mrs. J. Caldwell were declared winners and the second contest "Suburbs of Calgary" was won by Mrs. B. Martin.

The draw donated by the hostess was won by Mrs. J. Caldwell. Delicious refreshments were considered an interesting meeting.

Sweet Clover For Dryland Crops

The value of sweet clover as a dryland green manure crop has been studied at the Lethbridge Experimental Farm for the past 24 years.

When crop year precipitation was consistently low, as it was from 1923 to 1940, the inclusion of sweet clover in three year grain rotations resulted in higher yields considerably lower than in comparable cloverless rotations.

Conversely, when crop year precipitation was higher than average it was from 1944 to 1946, then the overall yield of wheat from

these same clover rotations was at least two bushels per acre high.

Plowing down the entire clover crop resulted in a slightly higher average yield of wheat per acre of rotation than when only the clover stubble was ploughed after removing a hay crop. Cutting the hay crop prior to ploughing did produce some fair quality hay during years of good soil moisture and this must be taken into consideration.

The greatest response to the inclusion of clover in a grain rotation occurred during years of good moisture in the second year wheat crop. The average yield of this stubble in wheat exceeded that from comparable but cloverless plots by about 6.5 bushels per acre.

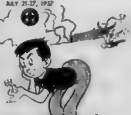

When sweet clover was ploughed down for fallow by May 15, the yield of wheat the following year averaged 28.9 bushels per acre. Fallow that was not ploughed until the time of clover budding yielded only 20.4 bushels per acre.

The results of this experiment suggest that, where moisture is limited, sweet clover cannot be used profitably in dryland grain rotations. Where yearly precipitation consistently exceeds 16 to 17 inches, sweet clover may be used as a companion crop to second year wheat, ploughed down reasonably early the next year and fallowed for the remainder of the season.

Only free people can build their purpose and their honesty steady in a common end, and prefer the interests of mankind to any narrow interest of their own. — Woodrow Wilson.

"Dad, did you pick up my dress?"

That young voice hits Dad where it hurts. He was so sure he'd remembered everything. And here is Amelia, with a heavy d., demanding her dress which he forgot to pick up at the cleaners. Why, grumbles Dad, don't women do their own shopping?

The answer is that farm women usually do. In fact, their shopping, in person and by mail, adds up to a lot of money. How much? Well, last year, farm families put about 2 1/2 billion dollars into circulation. That's over twice the amount spent for all the new housing in Canada. About 1,000 million dollars went for household requirements—the things you buy regularly. And the rest of the money was spent for equipment, wages, feed, seed, fertilizer—everything that farmers need to produce food in abundance.

All this farm spending for consumer goods and services helps to keep a great many Canadians employed in a wide variety of businesses and is a powerful stimulant to progress and prosperity. This is made possible by good farm management, efficient practices which include the use of modern farm machinery.

There was frost recently in many many gardens and the flowers, beans and other tender vegetables were damaged. Frost has been reported that it may affect the grain.

Vacation Bible School will start in the Lutheran Church August 12. Children from four years up to 13 are invited to attend.

At Mrs. Olson's was at Syllan Lake Bible Camp this past week. Pastor Strand of Calgary was the speaker on the 29th.

Rev. and Mrs. Tange and children left last week for their home in Wisconsin after visiting many of their friends in the city and district.

Wednesday evening her many friends gathered in the basement of the Lutheran Church to do honor to Miss Helen Blake, who will be married August 16. The room was filled to capacity. Those seated at the head table were the groom of honor, Helen, her mother, Mrs. E. Blake, and sisters Mrs. Jo-Anne Holman and the Misses Myrtle and Beverly and other relatives and friends. The march was played by Mrs. Olga Hiten, Mrs. E. Holman gave a reading. Miss Nancy Taffer played several piano solos. Mrs. Karl Knudsen sang duets accompanied by Margaret Bremer. She also played a piano solo. Mrs. P. A. Brown gave a reading. A delicious lunch was served by the committee. The toast to the bride was given by her former classmate Kay Larsen. A large load of gifts was brought in by her brother's children, Donald and Linda Blake and the fun of unexpected guests. The gifts were beautiful and useful and were passed around for all to admire. Miss Blake gave a nice speech of thanks for the shower and lovely time. She also invited all to attend the dance in the hall on August 16. The wedding of Helen Blake to Mr. James Cole will take place in Our Savior's Lutheran Church at 4 p.m. with the reception in the church parlor.

Noted at the shower from Calgary were Mrs. Jack Brinson and daughter Dorothy; Mrs. Karl Knudsen and others mentioned previously by Mrs. J. Bremer in from Lethbridge.

On Tuesday Mr. and Mrs. Frank Brink were down from Calgary at guests of Mr. and Mrs. L. Clark. They also entertained Mrs. W. A. and W. J. Treacy that afternoon.

Tuesday there was a heavy rain and on Thursday morning, there was also a heavy rain storm which cancelled the Jubilee Local FWLA.

Tuesday last Mr. Gunnar Nielsen was coming home with a load of lumber when he was struck by a car from behind doing considerable damage to both vehicles.

Wednesday evening Mr. and Mrs. Treacy motored to Banman to visit Joy who is a patient in the hospital. They brought Miss Joy home on Friday.

Mr. and Mrs. E. Bell, Sandra and Connie Bell of Hussar and Mr. and Mrs. Bremer of Lethbridge visited the McLeans at Lacombe.

We knew we had a "honey" of a car

... this year's Pontiac has even us running out of praise for the good looks that have put it at the top as Canada's most wanted car. Could be good styling always comes out on top.

Remember when all the male fashion magazines were full of pink shirts? Store windows blushed pink every side and, for a little while at least, shirt dealers were very happy. Then the clearance sales began and dealers tried everything they could to dispose of the pink shirts that people weren't buying any more. One more fancy had come and gone.

We think there's a moral in this that applies to the car business, too. And when we take a look at Pontiac's sales record this year, we're sure of it. Canadians everywhere appreciate Pontiac's quiet, graceful beauty... the absence of flash and gaudiness. They recognize and appreciate the sort of workmanship in every detail that only General Motors can put into a car. They like the friendly treatment and the efficient service they find whenever they deal with a Pontiac dealer.

But see for yourself as you drive. Just count the Pontiacs... and you'll agree the rising tide of Pontiac popularity is turning into a veritable torrent.

Gordon F. Kroon

News From Standard

BY MRS. P. K. K.
Kinner Wirt suffered a painful
fall last Monday when working
in his combing, he fell and injured
his side and back quite badly.
Miss Hiel Bording is spending a
holiday with her parents Mr. and
Mrs. B. Bording.

Mr. and Mrs. D. Swendsen are hol-
idaying with their son Gordon at
Hawwood, Calif.

Mr. and Mrs. Kinner Andersen and
Mr. and Mrs. Daney Fraser and
family all of Turner Valley, were
visitors at the home of Mr. and
Mrs. Chris Andersen recently.
Mr. and Mrs. John McLean, (son
Miss Signe Beck) are enjoying
the week end at their home, Eliza-
beth Marianne, born July 6 at their
home in Neva Scotia. Standard
friends will rejoice with them and
with the proud grandparents. Mrs.
and Mrs. Beck now living in Mont-
real.

Friends of Dr. Abidar and Mrs.
Gordon who turned the J. P. M. Jen-
son house during the tribute will
regret to learn that Dr. Gordon
passed away in Hungary in Feb.
Mrs. Gordon is now residing at her
brother's home in Australia after a
long illness.

Mr. and Mrs. John Rasmussen and
Ethor spent a short time at Lake
Louise prior to attending the West
Coast Lumber conference in
Vancouver.

Mr. and Mrs. Wallace Pringle,
John Jay and David of Calgary
were visitors at the Knowlton
home Thursday.

Frank P. visited friends in
Edmonton and Medicine Hat recently.
Frank has moved into the house he
previously lived in at Mr. and
Mrs. Sorenson have moved to
Strathmore where Ken will work
for Bert Fraser.

Mr. and Mrs. Ned Nelson and boys
motored to Hinton to pay a short
visit with the Howards. Nelson.
They returned via the Jasper-Banff
highway. Gloria Nelson returned
with them in company with friends in
Standard.

Kathleen Christensen and Lorna
Larsen are staying in Calgary and
enjoying the swimming lessons for
girls at the YWCA.

Victor Madson and Mrs. North
cott and Wilhelmsen spent last week-
end in Banff with Mrs. Northcott's
sister.

Magnus Nielsen's store and pool
room is the latest establishment to
be housed in a new building. Palm-
er Max Peterson has really im-
proved the appearance of main street
which is really Broadway.

Friends of Mrs. Johanna Jensen
will be pleased to know that she is
recovering nicely in the Bascom
hospital following an operation.

A word of commendation for Mr.
Aureo Wiseman, owner and opera-
tor of the Service Station at what
is familiarly known as the Husker
Corner. Mr. Wiseman has been busy
all season improving his premises.
First his residence was enlarged,
a lawn and flowers were intro-
duced and now all the other
buildings on the corner have been
made into one large service station
which offers every type of service.
The new station has received a
complete store job and presents a
very attractive appearance. One
could hardly recognize the corner
now and our congratulations to the
Wisemans.

Another corner where great
things are going on is at the En-
sors farm at the five mile cor-
ner where Lyle Ensdorfs is
building a most attractive new
type bungalow. The old house has
been moved off the property and
the Ensdorses will soon be enjoy-
ing their new home.

Don and Nadine Paulsen are
rejoicing over the birth of a
son, Kay born July 29. Mr. and
Mrs. Walter are proud grandpa-
dads.

Mr. and Mrs. Leslie Nelson and
family and Mr. Theodor Wiseman
moved to Great Falls for a short
holiday. Murray, who had been at-
tending a horse camp at Watrous
Lake with his cousin returned
home with his parents.

Mr. and Mrs. Don Nichol and
family were Sunday visitors at the
Herdal Larsen home. Linda re-
turned home with them after spend-
ing a short holiday with her Stan-
dard cousins.

News From Standard

BY MISS F. O. K.

Mr. Chris Anderson, one of Standard's most active and venerable citizens celebrated his 82nd birthday August 4th and was pleased to be remembered by his many friends on birthday evening when he was a family dinner at the Anderson home where his grandson Mr. Clarence and Mrs. Christine and children were here from Edmonton.

Construction of garages at the Pioneer elevator is now completed and the elevator has been introduced in every way that Standard's agent reports that he now has storage space for about 150,000 bushels of grain.

Miss Colla Madson was in Calgary for several days looking for a job. She begins her teaching duties at the Spruce Cliff school in Sept. where she will teach advanced grade three.

Mrs. Paul Larson (nee Shirley) was the guest of honor at a shower and fond for friends and church members August 10 when a committee of friends entertained in her honor.

Mrs. Sylvia Christensen was MC and those assisting with the program were Mrs. Evelyn Christensen, Mrs. Tom Power and Miss Ellen Christensen. Mrs. Ray Christensen gave the tribute to the bride. After delicious refreshments served by the committee the new bride was related in coupling the many useful gifts by her bridesmaid, Miss Fay Hicks and Miss Ellen Christensen. After dinner had expressed her gratitude for the lovely afternoon and gifts, a social hour was enjoyed. Mrs. Dwayne Mack, Mrs. Max Olson and Miss Fay Hicks were Calgary guests at the shower. Showers became a daily routine after noon when ready quickly became impossible due to the rain. After heavy rain Saturday morning had softened the hard bed. Farmers in the area of the river or those with crops swathed were not too happy about the weekend precipitation.

Mrs. Leo Larsen entertained the Union Church Ladies Aid members and several other friends at her home last Friday afternoon. The ladies appreciated this company and enjoyed the afternoon. The next meeting will be on Sept. 1st at the home of Mrs. Knott.

Mr. and Mrs. Harvey Commendable and family have returned from a 10 day motor trip to Missouri, Mississippi, Alabama, Georgia and Florida. Radio, Spritzer and Banff.

Mr. and Mrs. Tony Jensen, Mrs. Marie Jensen and Mr. Marie Jensen spent several days in Banff. Sister Mary Ramsey and Sister Joan Cecilia are guests at the home of Mr. and Mrs. Clifford Gregory. They will visit with Mr. and Mrs. Jack Gaudin before leaving Aug. 19 to Okanagan, Vancouver, Victoria and Seattle.

Mr. and Mrs. Richard Jensen and daughter Karen of Omaha, Neb. spent the weekend with Mr. and Mrs. Anton Myrberg before going to Seattle. They will return here to visit Mr. and Mrs. N. Petersen before going home.

Mr. and Mrs. W. C. Fawcett and sons, Don, Douglas and Alan of Ontario, were weekend visitors at the Kingston home.

The infant daughter of Mr. and Mrs. Stanley Hansen was baptised on August 11 at Nazareth Lutheran Church when Mr. and Mrs. Tom Schultz were the sponsors.

Mr. and Mrs. W. C. Fawcett and sons, Don, Douglas and Alan of Ontario, were weekend visitors at the Kingston home.

FORD SIX

the going's great!

Coupe 300 Sedan

Club 300 Club Victoria

NORTH AMERICA'S MOST MODERN SIX

Ford's road-proven Mileage Maker Six is the most modern, thriftest six-cylinder engine offered today by any manufacturer - delivers 144-hp. of brilliant performance. Its true short-stroke design squeezes more miles out of every gallon of regular gasoline - delivers more punch per piston-stroke than any competitive manufacturer's "six"! This was proven in the "1937 Motorists Economy Run" when a Ford Fairlane Six led all other makers in actual miles per gallon of gas!

SILVER ANNIVERSARY V-8's

Choose the world's best selling V-8! This year you have an even wider choice of ultra-modern powerplants - all are electronically "mass-balanced" for maximum smoothness. There's the silent, deep-block 190-hp. Ford V-8, the famous 212-hp. Thunderbird V-8; or if you prefer, the new high-compression 245-hp. Thunderbird Special V-8 - the engine that helped Ford set 438 world performance and endurance records at Bonneville Salt Flats, Utah.

Wedding

SALLONS - MILLER
Dulles, Minn. - The Church was the scene on July 24 of the wedding of Elizabeth Miller and her first husband, Mr. Miller. The ceremony was officiated by the Rev. Mr. and Mrs. Miller of Dulles and the son of Mr. and Mrs. Sallons of Dulles.

The bride, who was the daughter of Mr. Miller, was dressed in a white gown with a high train and a V in the back and a long veil. The bridegroom wore a tuxedo with a white shirt and a white bow tie. The ceremony was held in the Church of the Holy Trinity, Dulles, Minn.

The bride's father, Mr. Miller, was the best man. The bride's mother, Mrs. Miller, was the maid of honor. The ceremony was held in the Church of the Holy Trinity, Dulles, Minn.

Tips on Touring

By Carol Lane

© Western Travel Industry.

This summer really can be the Good Old Summer if you spend as much of it as possible in your car en route to vacation pleasure. And your travel enjoyment will be doubled if you know how to care for your car and use it to full advantage.

Car trouble is no fun at any time, but it's particularly aggravating on vacation. Some of the following ABC's of car care, may help you avoid trouble and enrich your fun on your next trip.

To avoid flat tires and blowouts, the most frequent summer-time troubles, keep your tires properly inflated. Have them checked frequently for air, bulges or uneven wear. A case of a blowout, keep calm, steer straight ahead and let your decelerating engine help as a brake. When the car is under control, pump gently on the brakes and pull off to the side.

Car stalling is occasionally caused by vapor lock, or overheated gasoline vaporizing and blocking the fuel passage. You can handle this situation by turning off the ignition, lifting the hood to aid air circulation around the engine and waiting for three or four minutes. As the engine cools, the vapor lock will be dissipated.

You can prevent your engine from overheating at the start by a few simple tricks. Use low gears only when necessary. Don't turn

off your engine during constant stop and go driving. During slow, long waits, speed up your motor for about 10 seconds at two minute intervals to make the fan turn faster. Shift into neutral during extended idling periods.

DANISH FARMERS ALSO HAVE PROBLEMS

Danish farmers are currently facing a problem similar to that of Canadian farmers, how to deal with surplus. Denmark's Agriculture Board the World's travelling Farmer's reports from Copenhagen, Denmark's principal agricultural pursuit, dairy farming and hog raising are being curtailed to reduce these surpluses.

Until 1953, Denmark had a trade agreement with the United Kingdom. If you are too busy to laugh, you

agreement with the United Kingdom are too busy.

Nightingale News

BY MRS. D. O.

Mrs. Mary Mercer was business to the WI at the community hall on August 21. Most of the members forgot to bring potatoes for the exchange so there are requested for next meeting. Also, will those who forgot the donations for mental patients please bring them as soon as possible.

The secretary, Mrs. Isabelle Thurston, advised in her resignation which was accepted with regret. She had served for six years and seven months as secretary but so quietly and efficiently was her work done that few realized we were lifting out our secretary. At a WI conference in Calgary in the spring one of her reports was passed around as an example of how

the work should be done. The post will be filled in with new secretary will be appointed.

A sick gift was to be sent to Mrs. Howard Christoffersen and one to Mrs. Clarence Putnam. A card was to be sent to Mrs. Charlie Kinnest who was a new Kinnest who had a new daughter.

A birthday raffle donated by Mrs. Albert Mercer was won by Mrs. Thor Larsen.

Following the business meeting, Miss Donna Kinney gave a talk on her trip to Europe. This was very interesting to all present. She also displayed articles she had brought back, recalling amusing incidents connected with the different types of money used in Europe.

A farewell gift will be sent to Mrs. Bonnett who with her husband and family is leaving for Detlefsen next week.

The hostess served a dainty lunch, assisted by Mrs. Albert Mercer to 15 ladies and a number of children.

Next meeting will be held at the home of Mrs. Norman Harriman.

The roll call will be Wags to use foil wrapping. Will those who have papers to read this year please have them ready this fall.

Mrs. Alex Stratton was a visitor in the district recently.

Lighting strings on the TV antenna at Sid Watson's home Sunday night causing some consternation in the household but no damage was done.

Mr. and Mrs. Tom Jarvis of Edmonton were weekend visitors of Mr. and Mrs. Roger Kinney.

Mr. and Mrs. Albert Mercer attended the party at Berry Vale hall for handicapped people from Calgary.

Mrs. Howard Christoffersen has not been well lately.

Mr. and Mrs. L. Kinney have had as visitors Mrs. Pye and two grand children from White Rock, B. C. and LAC and Mrs. Cowdrey and son Allan of Cold Lake.

Karen and Donna Gervast of Rockyford have been holidaying with Mr. and Mrs. L. Kinney.

Shannon Kim Kinney was baptized Sunday at Strathmore Anglican Church.

Ronnie Thurston from Montreal spent the weekend at the Newall home.

Lorraine Gervast and Pat Anclair were visitors of Vivian Thurston.

Mrs. Daphne Osborne, Mr. Sid Watson and Mrs. and Mrs. Cliff Dill drove to Calgary to attend Gregory Dean Osborne's 2nd birthday party.

Marilyn Groves is staying with her cousin Mrs. Norman Harriman. They attended a birthday party at Kinney's Aug. 23 for Mrs. Roger Kinney.

The Harriman family held a reunion in the hall Sunday. It was the first time in seven years that the whole family could get together.

Mr. and Mrs. Weldon Harriman and family were here from Ladner, B. C. and Mrs. Mary Harriman and the rest of the eight members of her family with their families were present. They included Dr. & Mrs. Alvin Downey of Calgary; Mr. and Mrs. Harley Harriman of P. B. and Mrs. Wallace Miller of Balmora; Mr. and Mrs. Penard Hildall of Morris and Mr. and Mrs. Norman Harriman of Nightingale. Mrs. Mary Harriman's uncle and brother and her five great grandchildren were also here, making a group of 57. A very pleasant time was spent at the party which lasted till after supper in the evening.

Higher Car Insurance

Car owners can count on paying higher - in some cases substantially higher - insurance premiums, says Dalton Robertson in The Financial Post.

State highways will hit drivers when they buy new policies, or renew existing ones. An except limit will increase in new underwriting.

It's spreading from one province to another through the network of insurance company associations.

And chances are that today's in-

creases are just a preliminary to another round of boosts within six months.

Causing the increases are rapidly rising repair costs coupled with a growing accident rate.

It's a trend that has been increasingly evident for the past 10 months and one that shows no signs of changing, say insurance spokesmen.

A total of 2,394 births were attended by Canadian Red Cross nurses at Outpost Hospitals and Nursing Stations in 1955.

Truck - Tractor Complete Loss

Two trucks and a tractor were damaged extensively last Monday afternoon in an intersection collision two miles east and 17 miles north of Strathmore.

Trucks owned by Mr. James Harwood of Strathmore and Mr. E. M. Nale of Beloeil came to a sudden stop when the McNair truck hit the other driven by Mr. Frank Miller on the left front fender and swung over in the path of it. The Harwood truck turned upside down in the ditch.

Miller was hauling a tractor in his truck and it, as well as the truck, were total losses. The other driver was taken to hospital, but his injuries are not thought to be serious. Damage done to the other vehicle was also extensive.

Slight Increase In Registrations Again This Year

Following the same pattern as in years previous, the Samuel Rutherford School had a slight increase in this year's figures. 425 pupils registered Monday for an increase of 12. Last year the total was 413.

Here are the number of students in each grade: Grade one, 46; Grade two, 46; Grade three, 39; Grade four, 34; Grade five, 24; Grade six, 48; Grade seven, 25; Grade eight, 31; Grade nine, 26; Grade ten, 25; Grade eleven, 10, and Grade twelve, 17.

News from Standard

BY MRS F. D. K.

Happy there was no news from Standard last week: holidays in deferred — but we've back home again and no duty other than Friends of Mrs. A. C. Lind will regret to learn of her illness. She is a patient the latter nursing home and mail would be appreciated, I am sure.

Our Misses, Dr. A. Smith and Donna Radney commence their careers in nursing on Tuesday. They will be very busy at the Calgary General Hospital. Good luck girls.

Mr. James Walter Hansen and Darryl spent the Labor Day week-end with relatives in Banff.

WANTED RATTLER BUT GOT A BITE INSTEAD

A bite on the arm is Bobby Drake's reward for collecting snakes. The 15-year-old resident of Hamilton, Ont., seen above receiving anti-venom serum from nurse Kay Sullivan in Hamilton hospital, was bitten by a four-foot long rattler which he wanted to keep alive for his collection. A friend, who discovered the reptile in bush on the outskirts of the city, suggested it be killed. Drake vowed the idea saying he wanted to take it home and as he lifted a corner of the box which was thrown over the snake to trap it, the rattler buried its fangs in the boy's arm. It then fled into the bush.

Let's Get Newsy

Cape and Mrs. P. A. Ellis returned to their home in Vancouver on Wednesday after spending two weeks with their son-in-law and daughter, the Rev. and Mrs. K. J. Collins.

The two theatre librettists, given away each week by Central Electric and TV were won this week by Mr. Dick Rindon.

The Keith Baldwins travelled to Westward Mo to visit their brother and family, and then went on to Banff for the long weekend. Mr. and Mrs. Moore, Windsor, Ont., relatives of the Baldwins accompanied them.

Little Cheryl May who has been staying with the Baldwins for the past eight weeks has returned to her home in Calgary.

Mrs. Laurie Hunter spent the weekend in Banff with a group of friends recently.

 JEHOVAH'S WITNESSES
 Mr. R. G. McElhan, local prevailing minister of the Strathmore congregation of Jehovah's Witnesses, will be addressing a large crowd in the beautiful new Dominion Alberta Jubilee Auditorium in Calgary Sept. 6. Upwards of 1100 Jehovah's Witnesses from the Calgary area will be gathered in Christian assembly in Calgary's newest auditorium from Sept. 6 to 8 inclusive.

Mr. McElhan will deal with the subject of Restoring True Worship and will describe how the basis of true worship was laid down in apostolic days. Today, a world wide restoration of that form of worship is taking place.

Banks Swamped With Applicants

The bank staff and all their facilities have been kept busy this week in the district satisfying demands for the \$20 dividend payable under the Oil and Gas Resources Act.

Mr. L. P. Magee, manager of the Strathmore branch of the Royal Bank, reported that they were swamped under with 100 applicants the first day, and expected that a similar number could be expected for the first few days.

Mr. Magee estimates there will be \$200 in the district eligible.

LIONS ZONE PICNIC HELD AT BOWNESE

Many district Lions Clubs attended the Zone picnic held at Bowness Park last Sunday. There were some over to carloads from Strathmore in attendance as well as representatives from Carleton Place, Rockford, Innisburg and Mill-Croft. Seven teams were competing for the title of war trophy, but so soon could be won the last year's Champions. Strathmore, Carleton Place made a desperate effort to take it home, but had to be satisfied with second best.

The tug of war is an annual event and the trophy is held by the victor for the year.

The North Hills ladies threw out a challenge to the last year's champions. Strathmore were defeated by a lanky bunch of Strathmore.

There were adults and children's races during the afternoon, and during the day, the Strathmore husband Joe over the finish line on an easy ride on the horse race.

Kiddies enjoyed the day taking advantage of the free ice cream, popcorn, and other rides on the midway in the park.

Bow Valley League Play-Offs Sunday

The semi-finals of the Bow Valley League playoffs will be held Sunday.

All the teams participating are not definite at this writing, but the first and second place Strathmore and Brooks will be in there for sure. Strathmore ended up the season with 23 points; and Brooks 20 to date. The latter has two games to play in Brooks, which could alter the standing.

The other two teams could be Standard, Ogden or Bowness. The games should be completed by Wednesday.

The first and third and second and fourth teams will square off in a two out of three series beginning Monday at 8 p.m.

One visitor present, Mrs. J. MacArthur reported on the sale ticket which has been completed and this was done at the home of Mrs. Quinlan. Mrs. Deane reported on the raffie tickets and books of these were given to each member to sell.

Mrs. P. Warner read a bulletin on civil defence. The program committee will advise on the book of Mrs. Hayes and the committee will decide the date. The six committee reports were read by Mrs. Hayes and Mrs. E. Burns sent a word of thanks for her flowers received. After the meeting of the Gleichen FWUA at the home of Mrs. Van Verdegem August 29, with 16 mem-

The Strathmore Standard

The Strathmore Standard, established in 1905 is a member of the Canadian Weekly Newspaper Association and is published every Thursday at The Standard Office, Strathmore, by Keith Benge, Editor and Publisher.

Will We Be \$20 Richer?

Despite heavy opposition of the press and the majority of the people on the street, Manning and Co. are going to hand us a twenty dollar bill to 550,000 Alberta residents coming in this month.

Dividends are payable from an \$115,000,000 net up under the Oil and Gas Royalties Division, representing one third of the net royalties from oil and gas (excluding oil from provincial lands in the previous fiscal year).

The act, according to a press release, was designed to enable citizens to participate directly in the benefits accruing from the oil and gas development of the province.

It seems that Provincial Treasurer Horman feels that the Province isn't so rich after all. Recently this \$20 is to be given to us for a bigger bill.

No one likes taxation, but we all realize it is essential. We think that Albertans would rather the powers that be forget about this give away program, and leave the taxes the way they are. It is to be hoped that they will not foolishly to participate directly in the benefits.

Highway Hypnosis

Some of the very safety features that have been built into super highways are partly to blame for Canada's increasing number of traffic fatalities.

So says an article in a recent issue of the Imperial Oil Review. It says Highway Hypnosis, brought on by the monotony of driving over miles after miles of near perfect highway, is often the cause of serious accidents.

While built in safety features, such as limited access, have reduced the actual number of accidents, those that do occur on super highways are usually more than on conventional roads.

Furthermore, says the article, super-highway accidents often have chain reactions. A slight mishap between two cars can cause four or five additional cars of traffic fatalities.

What happens, apparently, is that the super highway driver allows himself to be lulled into an exaggerated sense of security as the point where he can't handle the car when an emergency does arise.

The Equity Bureau of the Canadian Red Cross traced 454 missing persons in 1955.

Banff Hosts Weekly Editors

An army of weekly newspaper editors and publishers, wives and families, will descend on Banff next Sunday as the Canadian Weekly Newspaper Association opens its 25th annual convention.

The three day meeting will feature several sessions of the problems facing the industry and the study of improvement in printing and publishing techniques. A number of sessions on more than a dozen industry subjects will be held to give representatives of the Association a chance to discuss a number of the major topics of discussion, both formal and informal, will concern the increasing serious issues faced by weekly publishers who face the demand for bigger and better newspapers, compete with constantly rising costs of labor, equipment and materials.

According to William Telford, managing director of the CWNPA, the weeklies are fighting hard to hold advertising and subscription rates at their present levels. The issue of rising costs, for profits are dangerously low in many cases.

Despite these difficulties, the weekly newspaper is growing in importance, according to Mr. Telford. Combined circulation of Canadian weeklies has passed the 1-14 million mark.

Among guests at the convention are 20 British newspaper publishers who are touring Canada and will attend the convention as representatives of the Newspaper Society of Britain.

Aime Gagne of Arvida, Quebec, president of the French language Weekly Newspapers Association, and other association officers will also be present at the convention.

Plans are now by those who believe in winning. — T. Higginson.

Train Barnyard Pets Wedding

OWENS, home, alone are likely to be the most big show of the year, suggests The Financial Post. This will boost the already close to \$100 million North American market for these pigs.

Latest tests by manufacturers show that tranquillized animals are easier to handle, take less exercise, produce more efficiently.

The bride was given in marriage by her father and Rev. Father Jones performed the ceremony. The bride wore a beautiful white floor length gown with which her hair was pinned. Her only ornament was a gold cross, a gift from the groom and she carried a cascade of red roses.

The bride's sisters Mrs. Allen Gribble, an actress of honor and Miss Carol Stinson as bridesmaid. Both were white gowns and carried red roses and pink carnations.

Mrs. Stinson, mother of the bride, wore a grey suit and a corsage of pink carnations. The mother of the groom Mrs. Sanders wore a pink dress and a corsage of white carnations.

Alma Schirway and Bill Summerville were best men. (Harvey Davies and Elton Barley sang at the wedding. The ushers were John Stinson and Hughie Sanders.

A reception for the family and friends was held at the home of the bride's parents. Father Sanders proposed the bride.

On leaving for Edmonton the bride wore a pink suit with beige accessories, and a corsage of orange roses, where the groom is stationed with the Princess Patricia's.

Wedding

THOMPSON — CRACKNELL
All Saints' Cathedral, Edmonton was recently the scene of a very pretty wedding when Wednesday, Almay Cracknell, only daughter of Mr. and Mrs. W. E. Thompson, of Strathmore, was united in marriage with Mr. John Thompson, son of Mr. and Mrs. W. E. Thompson, of Strathmore.

Rev. T. A. Raymont officiated at the altar which was decorated with pink and white bouquets of gladioli, carnations, and Shasta daisies. To the strains of "Lobau's" wedding march, the lovely bride, wearing a gown of white lace with Thelma's neckline, primrose, stars and a pearl tulle. Juliet cap, with a bouquet of pink sweetbriar, roses, ferns, and gladioli, was escorted to the altar by her father, who gave her in marriage.

The bride's only attendant was Miss Diane Stover, who wore a tulle gown with matching Juliet cap and a bouquet of white carnations. Mr. Arthur Cracknell, brother of the bride, was best man and ushering the guests were James Hopkins and Olive Cracknell. The organ was played by Miss Dorothy Teape, and Mrs. E. E. Pockner acted as ring bearer. The signing of the register. Later a reception was held at the home of Mr. and Mrs. Cracknell with Mr. Howard Oord propounding the toast to the bride.

Versatile!
If you bake at home, here's a delightful orange bread to bake on your own or make into exciting sandwiches. Make it with Fleischmann's Active Dry Yeast. It's the best!

Rich Orange Bread

1. Measure into large bowl 1/2 cup lukewarm water
2. 1 teaspoon granulated sugar
3. Sprinkle with contents of 2 envelopes Fleischmann's Active Dry Yeast
4. Let stand 10 minutes, THEN stir well.
5. 2 well-beaten eggs
6. 3 cups granulated sugar
7. 1/2 cup soft butter or margarine
8. 2 tablespoons ground orange rind
9. 1 cup orange juice

2 1/2 cups one-cupped all-purpose flour and beat well smooth and elastic. Work in oil, then 2 1/2 cups (about) one-cupped all-purpose flour

2. Turn out on floured board and knead until smooth and elastic. Place in greased bowl. Grease top. Cover. Let rise in warm place, free from draft, until doubled in bulk—about 1 1/2 hours.

3. Punch down dough. Turn out on lightly-floured board and knead well smooth. Halve the dough, shape into loaves. Place in greased loaf pans (13 1/2 x 4 1/2 inches, top inside measure). Cover. Let rise undisturbed in warm place, about 1 hour. Bake in hot oven, 400°—about 35 minutes. Cool—2 hours.

Changes Affecting
CANADIAN GOVERNMENT ANNUITIES
INCOME TAX EXEMPTION
A CANADIAN GOVERNMENT ANNUITY, contracted for by a taxpayer on his own life may now qualify for Registration as a Retirement Savings Plan under the Income Tax Act. Premiums paid on such a CANADIAN GOVERNMENT ANNUITY now may be deducted from earned income thus affecting a saving in personal income taxes. The amount you may now deduct is subject to the following:

1. If you are not now a member of a Registered Pension Plan or Plan, you may deduct Canadian Government Annuity premiums up to 10 per cent of earned income, but not exceeding \$2,500 a year.
2. If you are currently a member of a Registered Pension Plan or Plan, you may deduct the premium paid on a Canadian Government Annuity contract and the contributions made under your present Pension Plan, but the combined payments eligible for deduction cannot exceed 10 per cent of your earned income, to a maximum of \$1,500 a year.

LOWER PREMIUM RATES
If you are a member of a Canadian Government Annuity after April 1, 1957, you will benefit from reduced premium rates reflecting an increase in the interest rate.

Gleichen Events

BY MISS J. E.
At the last meeting the Gleichen Branch of the Legion donated \$150 to the skating rink to enable them to begin operation this winter. The members also raised a \$10 donation to each of the six religious groups, community, namely: The United Church, Anglican, Catholic, Mormon, Lutheran and Salvation Army.

Mr. E. W. Burns and Miss C. A. Burns of Edmonton are visiting relatives in the town and district. Mr. and Mrs. Robert Jones of Edmonton are visiting in the town and district. The United Church W.A. met on Tuesday evening Sept. 3 in the church. It was decided to hold their bazaar on Nov. 21 in the church bazaar.

Miss Dorcas Bayne of Calgary and Miss Lee Murray of Calgary will be at the home of Mrs. W. James on Saturday, Sept. 15. Mrs. N. Love of Calgary arrived from a visit at the home of her daughter Mrs. Fred Bennett and family.

The W.A. of St. Andrew's Anglican Church was held on Wednesday, Sept. 11 at the home of Mrs. W. James. 17 members and 12 visitors present. Plans were made for a Thanksgiving Tea and sale of aprons and home cooking for October 12.

Mr. and Mrs. W. Pugh of Harvey, formerly of Gleichen, called briefly on friends here on Saturday on their way to Montreal, where Mr. Pugh will attend a convention. They will spend their holidays in the Eastern Provinces and New York. Miss Linda Pugh went by plane to Naramata, B. C. to spend a month with relatives.

A successful bazaar sale was held Sept. 14 by the W.A. of the United Church.

Gleichen CWL

The Sept. meeting of the Gleichen CWL was held at the home of Mrs. V. Vandenberg. The roll call was answered by naming their patron Saint. Minutes of the previous meeting were read and adopted.

Stamp Out Offenders

The hunting season is well on its way, and with the bang of the gun comes the shout and pleading of the farmer. Have some consideration for my property.

Farmers do not want to go their land to keep the sport off, in fact if he arsed the part of a sportsman, in most cases he would be welcomed. A flock of ducks can do a great deal of harm to the ripened crop, but not as much as the hunter who drives over swathed grain to look for the farmer who has given him the right to bag his limit on his land.

Reports come in this office of those ducks and even cattle being shot, and much to the farmers' regret, they must stop their land. It is fortunate that this type of hunter is not so plentiful, or there would be no place to shoot game, as the land would be posted, and they can blame them.

This honest hunter must be stamped out for the protection of the farmer and the fellow who goes off for the sport of the game. The hunter must be stamped out to the limit of the law. This is the limit of the law.

Fear of Cancer Can Kill

The most dreaded killer of modern times can be encouraged to a great extent by fear and worry about having the disease. A study at the University of California has indicated that for who fret and fidget tend to have to doctors.

A Winnipeg woman formed a serious neurosis from fear of cancer. She spent a fortune going the rounds of doctors, the majority of whom told her she had no cancer. She was, however, the many pre-quickly, who preferred "respiratory" operations and killed her for the best of worthless medicine.

Worry kills, but you can kill the worry with a check up by your doctor and this is the only way that both can be overcome. Most doctors are careful not to hand out too much frightening information about the disease, and that is why organizations such as the Canadian Cancer Society try to play down the more terrifying aspects of the disease.

Don't worry about cancer, fear can be turned to comfort by a trip to your doctor.

Coming Events

● St. Michael & All Angels' W. A. will hold a Bake Sale in the Strathmore Shopping Centre on Saturday, Sept. 28 at 1 p.m. ● The Strathmore United Church W. A. will hold a bake sale, Saturday, Oct. 5 in Marshall-Wells Hardware Store. ● The Strathmore Ladies Auxiliary of the Canadian Legion will hold a bake sale Saturday, Oct. 26. ● Saturday, night dance, Ladies free. Tickets more attend this will be the last dance.

● Strathmore United Church Annual Potluck Supper, Memorial Hall, Strathmore, Wednesday, Nov. 6th commencing at 6:30 p.m. ● All

With more vendors, more tax enforcement, more charges laid on the farmer and the fellow who goes off for the sport of the game. The hunter must be stamped out to the limit of the law. This is the limit of the law.

Labor Force Tops Six Million

This summer Canada's labor force topped the six million mark which is almost 176,000 above the previous peak recorded a year ago. Many people still working, can recall when the total population of Canada was less than six million. We only passed that figure a few years before the official census of 1951.

It is this greatly expanded labor force that is permitting us to face the national job which previous generations only dreamed about — projects like the St. Lawrence Seaway, the Trans-Canada Highway, the big pipe line, development of new mining fields once considered distant, and so on.

Hussar Happenings

BY MRS. MCB

Many thanks to the mail carrier for bringing the mail on Tuesday after the Monday holiday.

Mr. and Mrs. Carl Rhododia returned after their holidays at the farm near Vegreville.

Mr. and Mrs. Jack Kirkpatrick moved to Bassano Wednesday and Jack spent several days in the hospital there.

Kenneth Brown is a patient in the Bassano hospital.

Mr. and Mrs. Gordon Moulton are the proud parents of a baby girl, born Sept. 18 in Calgary.

The 18th was the first wedding anniversary of Mr. and Mrs. Ray Warburton.

On Wednesday Mr. and Mrs. H. D. Brown and Miss Ruth Brown came from Calgary with Mrs. L. Snyder to attend the meeting of Hussar Chapter 628. The WM. Mrs. Price Brown gave a very interesting report on the recent Grand Chapter session in Edmonton.

Quite a number of Hussar people were visiting patients in the Bassano hospital on Thursday.

Mrs. Dorothy Law entertained the Hussar Club in honor of Mrs. Bell's birthday. There was a beautiful birthday cake and they gave her a nice gift.

Friday, several friends gathered at the home of Mrs. Bell to help her celebrate her birthday. They brought lunch and a beautiful birthday cake and presented her with a gift. Mrs. Olsen gave several gifts to Mrs. Bell.

Mr. and Mrs. Frank Birch of Calgary were present.

On Friday Mr. Reiffenstien took his son, Lawrence, to Bassano to have his arm set after it was broken while taking part in school sports. He spent some time in hospital.

Mr. and Mrs. Robert Treway and daughter spent the weekend with his parents.

Saturday evening Mr. and Mrs. R. C. Bell of Carleton Place visited Mr. and Mrs. Bell and other friends in Hussar on their way home from the States. Mr. and Mrs. Brown of Vegreville visited her parents.

The Ladies Guild will meet on Sept. 27 at 2:30 at the home of Mrs. Perry Barker.

The Sunday School Rally will be on October 6th.

The Jubilee F.V.D.A. will meet at

the home of Mrs. Vieggo Due on Oct. 3rd.

On Monday the engineers came down from Calgary to do the survey for the sewer and sewage disposal system in Hussar. It is hoped that the heavenly manifestations of the past two nights may mean dry weather. Every one is getting busy in the fields this morning. Such weather will be nice for the week end.

The Lions Charter Night is October 8th.

The Hussar Ladies Aid will meet at the home of Mrs. Harry Mutt, Oct. 10.

Mrs. A. Whistler, Mrs. F. Menn, Mr. and Mrs. H. Christensen and Mrs. B. Hori attended the Fall Fashion Show at the new auditorium in Calgary last Wednesday.

BY MRS. M U

Mrs. F. Menn and Betty Lou were

dinner guests of Mr. and Mrs. A. Gibeau on Saturday.

Mrs. J. Lehman left on Sunday for Midway, where she will be teaching school. John will follow later to take over the section at Sunbury.

Mr. A. Gibeau entertained at a birthday tea last Thursday.

Everyone is happy to be harvesting again after the wet spell.

Mr. and Mrs. Don MacPherson spent Sunday at Three Hills visiting Mr. Johnson's family.

Mrs. A. Whistler, Mrs. F. Menn, Mr. and Mrs. H. Christensen and Mrs. B. Hori attended the Fall Fashion Show at the new auditorium in Calgary last Wednesday.

News From Standard

BY MRS P. D. K.
The Dorcas Society met in the church parlors Wednesday evening when 36 members were present. Mrs. Lorne Christensen, who was in the chair and the secretary is Mrs. Edith Larsen. During the evening Lorne Christensen presented an interesting exhibition of cake decorating. Plans were made for the annual Dorcas bazaar for Nov. 1 and this year's bazaar will be served as well as the usual handwork and cooking sale. On behalf of Mrs. Lorne Christensen, Mrs. Lorne Christensen presented a basket of cake and cookies to be used in the church kitchen in gratitude for the assistance given by the ladies of the community to the Rasmussen family in cleaning up their home following a serious fire some time ago. These gifts were most welcome and will be in constant use.

Following the business session refreshments were served and a social hour enjoyed. Mr. and Mrs. Arnold Rasmussen and family were visitors from Calgary, Mr. and Mrs. Jorgen Laitanen, Mrs. M. Jensen and Mrs. Edith Rasmussen were entertained at the home of Mr. and Mrs. Edith Rasmussen on Sunday after the morning church service and until the afternoon installation ceremony at the church.

First Meeting of Standard 4 & 8. The first meeting of the fall season of the Standard Home and School was held in the auditorium Sept. 17 when Mrs. P. Nielsen was new president was in charge and Mrs. Don Nelson, in our new secretary. Mrs. Nielsen opened the meeting with a short prayer and then welcomed the new teachers and parents of beginners at school. The treasurer's report showed a net balance of \$159.15.

Mrs. Dray was made co-chairman of the program committee to be assisted by Vesper Larsen. Mr. Dray introduced the 187 teaching staff all of whom were given a hearty welcome. He was asked to present the J. A. Wagner Memorial. The Wagner Memorial Scholarship presented annually by the Standard Home and School was presented by Mr. Wagner, a former member of Standard Home and School. Mr. Wagner was a divisional trustee in the Wheatland School Division. This award was presented by Louise Wain who presented her grade IX exams with four 11's and one A, giving her an honor standing. Louise follows in her sister Joyce's footsteps as only three years ago Joyce won the same award. Both are daughters of Mr. and Mrs. Holmer Wain.

In presenting the Standard Home and School award to the pupil grade XII with the highest marks, Elmer Jensen mentioned also the excellent contributions made by the winner May Nielsen to community affairs; her church at Elm and in her leadership of the Health and Recreational activities during her grade XII year at Standard last year. May, who is the daughter of Mr. and Mrs. Pete Nielsen of Chaswell also won the highest mark in grade XII. Mrs. Gladys Jensen of Rosedale made the presentation.

A discussion took place during the business session about the school book rental system and a resolution was passed to send a resolution to the Dept. of Education requesting that only books which will be guaranteed available by Sept. 1, at bookstores be authorized for use in the schools.

Dargo Larsen and Mrs. Vernon Larsen served coffee in the Home Room following the meeting to about 75 parents and teachers, a record attendance. Guests were present from Rosedale and Humber.

Mr. Bragg showed two very educational and entertaining films which concluded the evening. Miss Bernice Handerson, Miss Peggy Kahler, Mr. Stan Castella and Vernon Handerson were visitors at the Standard home last Sunday.

Carsland Notes

BY MRS E. J.
Mr. and Mrs. Lee Brice have taken up residence in Calgary. Mr. and Mrs. W. Carpenter of Vancouver are visiting at the home of their daughter and son-in-law, Mr. and Mrs. W. Gillette. Motiv Watson is spending his holidays at the home of Mr. and Mrs. Jack Johnson, and helping with the combining of his farm with the Gillette farm.

Some Practical Points. Where tough and damp grain had to be stored, two important conditions must be considered: (1) proper preparation of storage space; and (2) vigilance and attention after storage begins. The first point, of course, is to store grain in a place possible in a clean, well-ventilated, well-insulated granary building. Remember, the susceptibility of stored grain to insect attack, and to heating and spoiling, increases as the moisture content increases. A thorough cleaning job "tough" grain before storing is essential. The tinner, the cleaner, and the cooler you can get your "tough" grain, the longer it will remain safe in storage.

Inspected Regularly. Grain stored in a "tough" condition needs to be watched closely. Do not fail to examine such grain-stored grain at least every two weeks this fall, and then at regular intervals during the Winter months. If hot spots are found the grain should be turned or transferred to another storage space, preferably during dry, frost-free weather. Clearing the grain during turning or transfer is strongly recommended. Grain infested with insects should be fumigated. Durefume and Durefume 2 are the recommended fumigants, but like all chemicals used for grain fumigation they are poisonous to humans. Therefore, fumigation must be applied with care and according to manufacturer's directions. If you have a fumigation problem, seek advice from your local Elevator Agent or Agricultural Representative, or write to the Stored Product Insect Laboratory, Canada Department of Agriculture, Fort Garry, Manitoba.

Committee Fights For Less Outlets

Widespread support for the Citizens' Committee was shown at the meeting of the Citizens' Committee held at the home of Mr. and Mrs. L. Sanderson, Monday, Sept. 23 at 8:30 p.m. The committee has been organized to combat the tirade of the House of Commons by encouraging an overwhelming No vote in the Oct. 5 plebiscite.

The response to our first appeal has been strong. Mr. Sanderson said. Workers are coming forward in such numbers as to ensure a Committee representative in every

Whether on the family or a bit more.

To the old folks that twenty will be quite tricky.

It'll raise that small fry right up sixty.

And then there are those, with a generous heart,

Who will give it away right from the start.

In the banks that twenty did cause such a turmoil.

Some Practical Points. Where tough and damp grain had to be stored, two important conditions must be considered: (1) proper preparation of storage space; and (2) vigilance and attention after storage begins. The first point, of course, is to store grain in a place possible in a clean, well-ventilated, well-insulated granary building. Remember, the susceptibility of stored grain to insect attack, and to heating and spoiling, increases as the moisture content increases. A thorough cleaning job "tough" grain before storing is essential. The tinner, the cleaner, and the cooler you can get your "tough" grain, the longer it will remain safe in storage.

Inspected Regularly. Grain stored in a "tough" condition needs to be watched closely. Do not fail to examine such grain-stored grain at least every two weeks this fall, and then at regular intervals during the Winter months. If hot spots are found the grain should be turned or transferred to another storage space, preferably during dry, frost-free weather. Clearing the grain during turning or transfer is strongly recommended. Grain infested with insects should be fumigated. Durefume and Durefume 2 are the recommended fumigants, but like all chemicals used for grain fumigation they are poisonous to humans. Therefore, fumigation must be applied with care and according to manufacturer's directions. If you have a fumigation problem, seek advice from your local Elevator Agent or Agricultural Representative, or write to the Stored Product Insect Laboratory, Canada Department of Agriculture, Fort Garry, Manitoba.

Rockyford News

BY MRS W. W.

The Rockyford Women's Pool held its first meeting of the season Friday afternoon. Invited leaders for this term are Mrs. Annette Cummings, Mrs. Leona Hendry, Miss Marilyn Hendry, pool leader, and Miss Audrey Stevens will be with the group until a matrimonial pick will send the Inviteds leaving for a new leader. Many of the Inviteds are working for their HP badges and will be offering their services after school to any one in need of a little help.

The girls are now beginning their collection of toys for the firm in Calgary. This is a very worthwhile project so please contact a brochure if you have any contributions.

Mrs. H. Katterhagen, Mrs. A. Epe, Mrs. Paul Crough and Mrs. Veltner attended the CWL regional conference in the Jubilee auditorium in Calgary.

The CYO have recognized for the year. The following are the new officers: Jeanne Epe, president; Kay Lyons, vice-president; Anita Verwey, treasurer; Sylvia Katterhagen, social program co-ordinator; Louise Veltner and Kay Lyons, member ship; Lorraine Veltner, representative.

stive. Meetings will be held every second Sunday evening. Miss Lela Griffiths and Ronald Kathol are attending University in Calgary.

Miss Gene Veltner is attending U of A in Edmonton where she is taking a course in teaching and supervision of nurses.

Mr. and Mrs. G. Trotter are the proud parents of a baby boy, Ian Graham.

Mr. and Mrs. Trotter have recently come from Scotland and are employed by Mr. R. Bragg. We all hope the wee laddie enjoys life in Canada.

Mr. and Mrs. B. Kathol of Edmonton spent a few days of their honeymoon visiting relatives and friends in the district.

Flu has hit the Rockyford district quite hard. Many pupils have been absent from school and many adults have had to spend a few days in bed.

Farmers are taking advantage of the fine weather and are practically working the clock around.

Things Not So Bad

The important point is that present signs in Canada give no ground for the kind of depression talk, or recession talk that can't

self help to create hard times elsewhere. The Financial Post. Comparing last July with the same month in 1966 the national labor force was up, unemployment was down, retail trade was up, savings were up, expenditure on installment debts was up. If there's any falling off from 1966, it's only a wrinkle in the highway.

Medical Milestones

A New Remedy for an Old Disease

One of the oldest ailments known to mankind is diabetes, a condition due to the body's inability to utilize properly the sugar and starches contained in our food. Dietary restriction was the only way to fight the disease until some thirty years ago when two Canadians, Dr. F. G. Banting and C. H. Best, discovered insulin — a fact which won for them the Nobel Prize.

There is, however, a drawback to insulin. The drug cannot be taken by mouth because it is destroyed by the digestive juices. It has to be injected at regular intervals and there has never been a diabetic who did not wish he could do away with his injections and insulin.

Consequently, scientists have tried for quite some time to develop an anti-diabetic tablet. Only recently, though, has the attempt to discover a dependable drug of this kind been successful. German scientists found it accidentally when they were testing various salts compounds for their blood-thinning ability. One of them — called Grinase and produced by Hoechst Pharmaceuticals of Montreal — turned out to be unable to cause infection but, instead, showed a remarkable ability to lower blood sugar.

Since its discovery in 1965, Grinase has been tested on scores of thousands of patients on both sides of the Atlantic, and it is now widely used in several countries. According to medical reports, it will be successful in four out of five patients in the age group from 20 years and up, and in one out of three in people between 50 and 60.

This is particularly important in view of the fact that the incidence of diabetes goes up as the age increases.

Although Grinase may help the majority of diabetes sufferers to control their disease, they will have to continue watching their diet. They will also continue to need constant medical supervision. However, there can be little doubt that the development of a tablet to control their affliction is a major contribution to a fuller and more pleasant life for the diabetic.

CNIB Annual Drive Underway In Strathmore And District

The Canadian National Institute for the Blind's fund raising campaign is underway, and will continue for the month of October. The Institute is the only organization having a general service program for blind Albertans, and the special service available to blind people through the CNIB can be secured from no other source. The Alberta chapter of the Institute is urgently needed to supplement the municipal and government grants which the CNIB receives in order that the wide range of services which it has developed can be maintained. There are now nearly 1500 blind people registered with the organization in Alberta, who look to the agency for service. This register of blind people is constantly increasing and the CNIB can only meet the additional demands upon it if adequate public support is forthcoming. The annual rural campaign extends to all non-Community Church areas of Southern Alberta during the month of October. The Strathmore district is being

enthusiastically supported by the Ladies Auxiliary to the Canadian Legion with Mrs. Mary Morton as chairman. The sponsoring organizations at committee heads or other towns in the surrounding district are: Arrowood FWU, Mrs. E. Culp; Culp Women's Institute, Mrs. R. Tomlinson; Gleichen Ladies Auxiliary; to Canadian Legion, Mrs. Beth Smith; Strathmore Women's Institute, Mrs. T. North; Rockyford, Lions Club, Mr. Ed. Griffiths.

Strathmore Plans

Don't Give Fire a Place to Start

Strathmore will join with thousands of other communities across Canada in observing Fire Prevention Week which involves General Massey has proclaimed for October 8 to 12.

Our aim is Fire Prevention Week, Chief Swanson stated, is to sell everyone on the idea that fire prevention is a life and death matter; that each individual owes it to himself, to his family and his community to think and act for safety every minute of the day the year round.

Fire Prevention Week is the oldest and most widely observed of all special weeks, Chief Swanson said. This year, it includes the anniversary date of the Great Chicago fire on October 8th, 1871, took the lives and destroyed 18,000 buildings at a direct loss of over \$165 million. For Canada, now being in the midst of the fire season, there could not be a better time in which to focus attention on the simple rules of fire safety, especially in the homes of the 14.2 million people scattered throughout this vast country.

The Strathmore Standard

The Strathmore Standard, established in 1901 is a member of the Canadian Newspaper Association and is published every Thursday at the Standard Office, Strathmore, by Keith Berg, Editor and Publisher. Member of the Audit Bureau of Circulations. Authorized second class mail. Post Office Department, Ottawa, Canada. Estimating more than 1,000 homes in a thriving district each week.

Let Us Give Thanks

For the great doctors, nurses, and nurses who no longer support the faith of men and women, who all inside with their hands. For the comfort to be found in daily life — in an unexpected newspaper, a cup of hot tea, the cleaning force of a busy hand. For the day, rich smell of soil, the earth, and for the love of men, for the small "home with dirty floors."

For work to be done, and the strength to do it. For all that we give thanks. With Thanksgiving Day so close upon us, we would like you to share a few beautiful thoughts as written by Hazel Parker. She expresses thankfulness in a way that we are sure our readers will love and give some thought to.

District Ag. Notes

FARM BUSINESS AT TABER AND VAUGHALL
Mr. T. A. Peterson, who was re-elected in this municipality in making a business visit of 25 farms in the Taber district and 24 in Vaughall. About 5 per cent of income at Taber was from crops such as sugar beets and canning root, balance livestock. At Vaughall 50 per cent from livestock and 25 per cent crops mainly grain. There was more work on the Taber farms averaging 23 men against 13 for Vaughall. Average capital, Taber \$84,000, Vaughall \$20,000. Gross receipts, Taber \$17,000 and Vaughall \$6,500.

SEVENTH DAY ADVENTISTS BUY LAND IN INDIA
Members of the Cluny Seventh Day Adventist Church are the owners of nine acres of land in New Delhi, India. Mrs. D. Kandi, Rebekah school Dept. announced recently. The nine acres she explained represent the site recently purchased by the denomination for a 60 bed hospital, which has long been in the planning stages. The property is situated on a new road which affords a panoramic view of the city and the ancient monuments of the area. It is on the main route between the Punjab Airport and New Delhi, capital of India.

The project has the complete approval of Rajmuni, princess Aurit Kaur, India's capital, lady health minister. Mrs. Kandi stated that the hospital building plan will lend itself readily to future additions as needed.

A special offering was taken on Saturday to permit members to contribute to the hospital project. Seventh Day Adventists are currently operating four hospitals and two dispensaries in India as well as two hospitals and two dispensaries in Pakistan and one hospital in Burma. They also operate 20 schools throughout Southern Asia.

What
do Life Insurance Companies
Do
with all the money?

Life insurance companies must report their financial operations to the Superintendent of Insurance. According to the latest official figures here are the facts about the Life Insurance Policies.

Where each dollar comes from:

74¢ comes from premiums paid by policyholders for insurance to protect their loved ones and for security in their own old age.

What happens to each dollar:

47¢ is paid out 19¢ is invested to bring policyholders and their loved ones to life.

18¢ is used for general operating expenses which include salaries, interest and fees paid to Government.

*The latest report from the Superintendent of Insurance, Ottawa, shows that in 1956 the insurance companies in Canada paid out \$1.5 billion in life insurance benefits to policyholders. For the greater part of this money 1956 amounts went to living policyholders.

Carceland Notes
BY MRS. E. G.

A farewell party for Mrs. Doris Groves was held in the Canadian United Church on Oct. 3rd. Consists of skill and singing were enjoyed by all. Doris was presented with a purse of money by Mrs. A. G. Lennon on behalf of her many friends in the community and a delicious lunch was served.

The host wishes for every success in the future are extended to Doris and her family who will reside in Canada.

The October club meeting was held at the home of Mr. John Cook. Plans for the annual club program on November 15 were discussed, and also the St. John's Ambulance course, which is to be held sometime in the middle of January.

Mrs. Doris Groves is a applicant to

the Holy Cross hospital.

Mr. and Mrs. McDougall and Mrs. Orfield travelled to Glenora for a retirement party, put on by the CTR employees, for Mr. and Mrs. Gregor, parents of Mr. McDougall.

Things are very quiet around town now that the TV station is able to show the world series.

The September meeting of the Home and School Association was held in the school on the 25th. Dr. George Phillips, Jan Davies and Marie Beasler were appointed to the program committee. Al Malmberg was nominated president with the secretary to see all about taking the officer. The treasurer report was given.

The Home and School was asked for cooperation towards getting the ball for basketball, badminton, etc. for the winter months and it was suggested a fee be set to join the badminton club to help finance payments. It was left to the parents to decide if the general feeling in the community.

A motion was made that the secretary write to the Wheatland School Board protesting against the children going to Strathmore for shop and Home Economics.

Frankie Garton presented Althea Downey, past president, with a pin for all the work she had done in the past year. After the meeting a very interesting talk was given by the teachers on the curriculum, after which a delicious lunch was served.

Mr. Dave Anderson is a patient in hospital.

Hail Losses

The latest Canadian Pacific Railway crop report based August 9th shows 92,000 acres damaged by hail in Alberta during the present season. This is considerably less than 1 per cent of the total acreage in crop. According to the report 2,500 acres suffered damage between 50 and 100 per cent.

Damage on the remaining 54,000 acres ranged from 5 to 10 per cent. Although hail damage is severe and often crippling to the individual farmer these figures indicate that in the over all crop picture for the province they are comparatively small.

Rockyford News

BY MRS. W. H.

At the last WA meeting the final plans were made for the first cup to be held Oct. 19th.

A registered bull owned by the Strathmore Nutritive Colony was shot last week. This animal was valued at \$800. In the past five years this Colony has had one cow killed and five other cows wounded. Such oversight carelessness by irresponsible hunters is spoiling the sport for everyone.

Mrs. Gray, district economist from Brooks spoke at the C.W.L. meeting Monday evening. Her main topic was home freezing. She mentioned the foods suitable for freezing and the types of wrapping one should put on them to prevent them from drying out. Mrs. Gray also spoke on the new plastic fabric on the market these days.

St Rita's School was closed this week as two of the teachers and many of the students have been sick with the flu.

Mr. and Mrs. K. Christensen have moved into their new home and Mr. and Mrs. B. Hill have moved into their new house. Welcome to the village Strathmore and Dorothy.

Congratulations to Mr. and Mrs. J. Hornum on the birth of son, Lewis John, born Sept. 25.

Ted Christen is leaving for Swift current on Sunday where he will visit his parents and friends.

The K of C are sponsoring a Columbus Day broadcast Oct. 12 at 1:30 over CPN.

Many people from Rockyford are planning on attending the K of C social evening in Drumheller on the 10th of Oct.

Several adults and children have suffered severe relapses from the flu but only one case of pneumonia. Bruce Christensen has been reported this far.

George Macneil, Robert Dahn, Willard Griffiths and Carl Jensen have returned home after a successful hunting trip to the Oxy district.

Rev. P. Baumann, Mrs. Schultz and six months visit to Denmark.

The search for LAC Ronald John Haley, 1266 10th Ave. NW has been abandoned. Ronald was last seen leaving on a river in New Brunswick Sept. 15. He spent his early years at Tudor where his father was employed by the Pool elevator Co. The sympathy of the district is extended to Mr. and Mrs. Haley.

Mr. Stan Kerk was rushed to the hospital last night after suffering a stroke and an attack of pneumonia. His illness came on while away from home on the job Tuesday.

LEGION LADIES AUXILIARY

WAS SUCCESSFUL

The Strathmore Ladies Auxiliary to the Canadian Legion, held a successful luncheon at the Memorial Hall last night. There were some 140 people paid to play the game.

There were 14 binges during the evening with prizes ranging from \$100 to \$1000.

It is hoped that just \$100 was realized when the final figures are believed and this will be used to defray expenses on the new floor that is now in the dining room of the hall.

Hussar Happenings

BY MRS. MCG.

At the October meeting of the Jubilee Branch FWMA the election of officers was the main business.

There was a good attendance of 13 members. The new president is Mrs. Don Brown; Vice-president, Mrs. Don Brown; Secretary, Mrs. Hazel Kermack. Plans were laid for the turkey supper in the club basement Nov. 10, from 6 to 11 p.m. Adults \$1.50; children 50c.

The meeting was at the home of Mrs. V. D. D. The next meeting Nov. 7 will be at the home of Mrs. H. D. D.

The October meeting of the Hussar House and School was the first regular meeting after the opening of school and was held in the school room. Members attending had the pleasure of seeing Miss Geraldine receive the award for highest grade and standing; this award is given by the association. Hussar Happenings

BY MRS. M. C. S.

The Jubilee FOTA will hold its turkey supper Nov. 20, not as inserted in the last Standard.

The Hussar Lions Club held open house Oct. 2. They and their ladies gathered for a banquet at Norma's Coffee Shop at 6:45. The guests of honor were Mr. and Mrs. Harry Lassback of Dunsin, Mont. and Mr. J. Richards of Calgary. After the banquet they withdrew to the ballroom, the officers held a short session with Mr. Harry Lassback, District Governor. Then the audience was entertained with a piano solo by Mrs. Gorchak. Primary teacher; readings by Mrs. Bell, accompanied at the piano by Mr. Repp, and a solo by Mr. Repp, accompanied by Mrs. Gorchak. The Lions president, Mr. Rensberg, gave a short talk, introducing the

speaker of the evening Mr. Lassback, who gave a very interesting talk on Lions. Before he had finished the fire alarm sounded, the audience out to fight a fire. Smoke and flames indicated that the fire had a good start before being discovered. The fire chief, Jas. Stewart had the fire engine on the scene in short order. The fire which practically destroyed the children camp belonging to Roy Parker was extinguished in the matter of 20 minutes and the Lions and their ladies and visitors trooped back to the hall for the finish of Mr. Lassback's speech. After the slides of the work done by Mr. Repp at summer school were shown by him. The meeting closed with a vote of thanks to Mr. and Mrs. Lassback for their splendid encouragement in attending this meeting.

Home for the weekend with their respective families were the Misses Dorothy and Ann Roffenstein, the Misses Kay and Olive Larval and Miss Joyce Madson. The Misses May and Kay Nielsen were also home for the weekend.

Mrs. M. Jensen and son Donald were callers at the Bell home on Sunday.

The following visited the F. J. Bell this week: Mrs. Elliott and son John of Harrington; Mr. and Mrs. H. Brown of Chikilawit; Mr. Louis Rensberg; Mr. Powers of Calgary; Mr. and Mrs. D. C. Bell and Mrs. Brenda Hargreave. On Monday Mr. and Mrs. Bill Smith of Calgary, visited Mr. and Mrs. Jason Bell and their son Eddie who had been spending the weekend at home, returned to Calgary with them.

Mr. and Mrs. Frank Dargatz and son Rensberg, moved up from Lethbridge to visit old friends here. Mr. Jim Cote has been in a week with flu at the home of her parents. Her husband came from Calgary on Friday.

News From Gleichen

By Miss J. E.

About 150 people including couples, their families and friends gathered at the home of Mr. and Mrs. J. G. Gregor recently for a retirement party. Mr. Gregor worked for the CTR for 41 years before retiring. During the evening the honoree couple were presented with a large bouquet of flowers and a TV set by their friends. In the rear row are Mr. and Mrs. Gregor with their daughter, Mrs. J. G. Gregor, who is now at 755 5th Ave. NW, Calgary. The best wishes were extended to them by those present. Mr. and Mrs. Gregor will be missed here.

The WA of St. Andrew's held a very successful tea on Saturday afternoon.

Recent guests at the home of Mr. and Mrs. A. Quenell were their son Leonard of South St. Mark and Mr. and Mrs. Parny and family of Innisfail. The latter is a daughter of Mr. and Mrs. Quenell.

Miss Jeanie Carson spent the weekend with friends at Clareholm.

Mr. and Mrs. C. Carson, Mrs. M. Carson and Mr. Hugh James moved to Great Falls for the weekend.

Mr. and Mrs. R. Lindsay and daughter Carol of Calgary were guests for Thanksgiving at the home of Mr. and Mrs. J. Kelsky.

Mr. and Mrs. C. R. and family of Calgary moved to the Blackfoot Hotel and Kenneth Wilson, Dick Harkay, Dale Hunter and Roger Hinkle.

of Port Macleod spent the long weekend at the home of the latter, Mr. and Mrs. G. McLean.

Other guests over the holiday at the McLean home were Mr. and Mrs. G. Chagnon and family of Lethbridge, Mr. and Mrs. R. Parker and family and Mrs. Emily Cooper and other relatives from Calgary.

Mr. and Mrs. Bill Blaney and family of Calgary spent Thanksgiving weekend at the home of the former, Mr. and Mrs. C. L. and family of Ponoka and Mr. and Mrs. J. Crawford of Lethbridge were guests at the home of their sisters, Mrs. A. Wilson and Mrs. R. Brown over the weekend.

Gleichen Events

The regular meeting of the St. Andrew's WA was held Oct. 9 at the home of Mrs. Kelsky with 13 members present. Final plans were made for the tea. A delicious lunch was served and social enjoyed.

The Gleichen PWDA met at the home of Mrs. F. Samsona Oct. 10 with 21 members present. The roll call was answered by a joke or story. Mrs. A. Damsel read a poem

"Should additional types of outlets for the sale of beer, wine and spirituous liquor be permitted if such outlets are later approved by local vote?"

YOU WILL BE ASKED THIS QUESTION

in a Provincial Plebiscite
on October 30th.

You will be asked to vote "yes" or "no" on this important question. The Alberta Hotel Association reprints it above so that you may consider it fully before casting your ballot.

Perhaps this question had occurred to you: "If the liquor plebiscite is passed, will it permit certain types of liquor outlets which I do not approve?"

As you read the ballot you will find the answer! It expressly states that any new type of outlet which may be introduced will be subject to a local vote before being effective in any community. No additional type of outlet will be opened in any town or city unless the citizens approve it by this local vote.

Why is the plebiscite being held? Alberta's Legislative Assembly held the Alberta Hotel Association reprints it above so that you may consider it fully before casting your ballot.

When does The Alberta Hotel Association meet?

In a Brief to the Liquor Committee of the Legislature, the Alberta Hotel Association suggested that if amendments were made in the Liquor Act, the following should be considered:

- Liquor Licenses for Dining Rooms of an exclusively high standard.
- Cocktail Lounges to hotels with suitable administrative restrictions as to number and character of hotels where liquor may be sold.

This Association has the utmost faith in the Alberta Government's administration of the Liquor Control Act. This is why we feel that fears expressed on the question of new types of outlets are exaggerated. Any new outlets for the public sale of liquor would, we are sure, be controlled by legal restrictions.

You are being asked to give your opinion — GIVE IT by casting your vote on October 30th.

GET OUT AND VOTE

What do life Insurance Companies Do with all the money?

Life Insurance companies must report their financial operations to the Superintendent of Insurance. According to the latest official figures here are the facts about the life Insurance Dollars:

Where each dollar comes from:

- 74¢ comes from premiums paid by policyholders for insurance to protect their wives and (usually) for security in their own old age.
- 26¢ comes from earnings on policyholders' funds. These funds are invested in Government securities and help to develop Canada.

What happens to each dollar:

- 82¢ is for policyholders.
- 43¢ is paid out for 39¢ is invested for future benefits to policyholders.
- 18¢ is used for normal operating expenses which include taxes, income and loss paid to Government.

"The latest report from the Superintendent of Insurance, Alberta, shows that in 1956 life insurance companies in Canada paid out \$897 million in benefits to policyholders. By the greater part of this money (\$235 million) went to life policyholders."

PROTECT OUR YOUTH!
Know the Facts, and VOTE SENSIBLY On October 30th

Ten years ago Ontario stood at the same crossroads as we now do. (They voted for further types of outlets.)

Even-age drinking parties have been spreading across the province of Ontario at an alarming rate. DO WE WANT THAT?

Purchase of alcoholic beverages in Ontario for the year ending March 31, 1956, totalled more than \$278,000,000. — or \$45,000,000 more than the estimated expenditure for provincial road construction and maintenance in the current fiscal year.

In 1954 Ontario had 37,000 alcoholics. In 1956 the figure had jumped to 70,000.

During the past ten years there has been an increase of 178 percent in Alcoholism, according to the Ontario Alcoholism Research Foundation.

The high consumption of alcohol is directly related to the arrests for drunkenness in Toronto which in 1956 totalled 15,732, of whom 1,570 were women. This was an increase of 50 percent compared to 10,236 arrests for drunkenness in 1946.

CAN ANY GOOD CITIZEN BE PROUD OF SUCH A RECORD? IT COULD HAPPEN HERE!

BY MRS. F. D. K.

The regular monthly meeting of the Home and School Association was held in the school auditorium Oct. 15 with a small attendance due to so many ill patients.

The meeting opened with the reading of the creed. The teachers expressed their pleasure and gratitude for the coffee table, chair and lamp given by the Home and School to be used in the teachers' room.

As the Christmas season is not too far away it was suggested that the Home and School sponsor a Christmas party for all the children of the community and that other organizations be invited to cooperate in the project.

A home session on suitable programs for the year concluded the program.

The November meeting with Mrs. Book Month with sample books on display suitable for the different age groups.

Refreshments were served and a social hour enjoyed.
Mr. and Mrs. W. H. Stevenson and Mr. and Mrs. Leo Woolley and Gerald Knowlton were out from Calgary for some special shopping on Saturday and were guests at the Knowlton home, and on Sunday Mr. and Mrs. C. Colwell and the children were dinner guests of Mr. and Mrs. Knowlton.

Cecil Dettl is recovering nicely after a short stay in hospital. Collin Grant had the unique experience of shooting a duck banded in Washington, D. C. and bearing the number 104-243. Collin has reported the number to Washington and will no doubt hear more of this bird.

A large number of Luther League members went to Tully last weekend to attend the Luther League conference. Our new pastor, Rev. Basil Dehnbach was elected president of the West Canada Lutheran League and Deryl Green was made secretary. Among the attending were Louisa Wolke, Miss Thompson, June Hahne, B. Jensen, Byron and Doreen Larsen, Ian Turbull, Erik Christensen, L. Ellis and Wayne Pedersen. Alfred Jensen, John Nash, Albert Knapp and Magnus Matheson motored down to attend the concluding session on Sunday.

Mr. and Mrs. N. A. Peterson spent Thanksgiving with Mr. and Mrs. William McDowell at Delburne and last weekend they drove to Lettbridge to visit with Mr. and Mrs. Vernon Peterson and family.

Miss Elmer Rasmussen, a November bride-elect, was also honored guest at a delightfully arranged shower in the church parlors on October 19. The committee of friends had created a festive setting for the afternoon party by artistically decorated tables, arrangements of fruit and bouquets of flowers and glowing tapers.

Seated with Elmer at the lace covered head table were her mother, Mrs. John Rasmussen and Mr. Ted Wack and Miss Jean Wack of Carletonplace and other close relatives and friends.
Mrs. Don Nelson presided during the short program and extended the best wishes of the community to Elmer. Mrs. Sylvia Christensen gave the tribute to the bride and a reading by Mrs. K. A. Peterson was much enjoyed.

A surprise for Elmer was the singing of two songs by the little pupils of her class at Bible vacation school under the guidance of Mrs. K. A. Peterson and Mrs. Alice Christensen.

Mrs. Don Nelson and Mrs. E. H. Watergard assisted Elmer in unwrapping the many beautiful and useful gifts for which she graciously expressed her thanks.
Delicious refreshments and a social hour concluded our more friendly community gathering.

George Collins, Jr. and Roy Sorenson went to Pincher Creek early Monday for the opening of the big game hunting season. What an inspiration George Collins must be to many a younger man. He's a young man in his 30s, and ready to take off on a hunting expedition every day like the last Monday.

Husser Happenings

BY MRS. G. B.

Thursday evening last a large group met in the Husser Hall to consider forming a skating rink club. After due consideration, and around 1800 had been pledged for the building of the rink, the Husser skating rink club was organized with the following officers: president, Glen White; secretary, W. C. Lay; directors, Messrs. R. Saloway, Tony Scholter and Elmer Barker. The location was chosen near the new well.

Flu has been playing havoc with the school. Two teachers, Mrs. L. Saloway and Miss Anne Pettit were off duty and Mrs. Frieda Brown and Mrs. Lillian Gustafson substituted for them while they were ill. Over two thirds of the pupils of the school were ill with flu this past week. They are much better now.

Wedding

RECHNER - DAIN
The North Hill United Church in Calgary was the scene of a happy afternoon wedding October 5 when Janet Ellen, daughter of Mr. and Mrs. Fred Dain of Lethbridge, became the bride of Joseph Rechner, son of Mr. and Mrs. Joseph Rechner of McLeod Valley.
The bride attended in a strapless gown of white lace and tulle and carried a bouquet of white lilies and baby's breath.

and a chapel veil held by a head band of pearls, was given in marriage by her father. The bride's attendants were, her sister, Mary Ann, Pauline Haber and Janet Tanager, wearing full attire of gowns of nylon in blue, pink and yellow respectively. They carried colonial bouquets with matching headresses of carnations. Norval Ann Chilton, the dainty little flower girl, attired in pink and carrying a colonial bouquet of pink carnations preceded the bride down the aisle.
The groom was attended by his cousin, Eddie Rechner of Edmonton and the guests were ushered in by John Rechner and Jim Rechner. Mrs. Rechner chose for the occasion a dress of blue crepe and lace with a corsage of red roses, while the bride's mother wore a two piece dress of navy blue with a corsage of red roses.
Rev. J. Pottruff officiated at the ceremony.

where the income dollar goes

In supplying hundreds of different oil products to Canadian consumers from coast to coast, Imperial last year took in a large number of dollars. What happened to a typical dollar?

Well, nearly 66 cents went to buy raw materials - notably crude oil - and for freight, a big item in a big country.

More than 26 cents went for operating and administrative costs, including wages and salaries, and for depreciation. Ten cents of each dollar went to various governments in taxes (this does not include the provincial gasoline tax).

What of the rest - or about 6 cents - was put back into the company's operations. The other half was divided among Imperial's 44,000 shareholders, whose investment makes possible the company's existence.

Longer Noon Hours?

The question in the minds of many students and district parents at the present time is: Should the noon hour in the Strathmore school be extended 15 minutes to let children have more opportunity to take advantage of more skating time in the arena?

A representative from the many committees of the Strathmore and District Memorial Arena at the regular meeting of the board of trustees on Monday night to find out their feelings on the subject and were confronted with the following facts:

The special committee was speaking in favor of the extension. In the following reasons in brief:

During country children an opportunity to take advantage of the money and hard work spent by their fathers and others to build the arena, which many couldn't do to a satisfactory extent with the present hour noon hour. To give some one a ticket holders their money's worth of skating, and to promote the sports angle of the younger set.

Mr. L. McKeen, principal of the Strathmore school spoke on behalf of the school and argued the ways that this could be done.

The first being, by cutting down the teaching time, or working on a self schedule, during the day to make up for the 15 minutes lost. This, Mr. McKeen felt would cost the routine too much, and we tried to agree with him. With the should be proud. This writer can

- Carleton Place Club program at Carleton Place, Nov. 18 in Carleton Place. Adult admission \$1.00 and children under 12 free. Everybody Welcome.
- Sacred Heart Parish Tombola is postponed till Wednesday, November 21st due to adverse weather conditions.
- Big dance at Christie Community Hall Friday, Nov. 1, Everybody welcome.

● There will be an F.C.A. meeting on Nov. 8 at 8 p.m. in the Strathmore Memorial Hall. The speaker in attendance will be a talk on topics of current interest to farmers. All members and interested parties are invited to attend.

● A high school hard time dance will be held on Friday, Nov. 22. Carleton high school students are invited. There is no admission without a costume and prize will be awarded for the best boys and girls costumes. Admission is 50c.

● Ladies Women's Institute will hold a baked ham and chicken supper on Saturday, Nov. 16 at 1:30 p.m. in the Ladies Hall.

We remember the time when I looked forward to playing a game of hockey in an arena far inferior to ours with anticipation. Possibly that is what makes it harder for us to realize why there should be any doubt in our mind whether the children should have more skating during the noon hour or not.

Treat Low Voltage With Caution

In a recent quarterly bulletin put out by the Electrical Inspection Branch of the Dept. of Industries and Labor, they report that three recent electrocutions from contact with 110 volt have emphasized the dangers presented by contact with so called low voltage.

The following is a brief summary of these accidents which have all taken place during the last few months taken from that bulletin:

A farmer was preparing to use a portable electric drill. Although the drill was provided with a three wire cord which incorporated a grounding conductor, a two prong plug to the cord was connected to the end of the cord with the ground wire being left unattached. The two prong plug was then plugged into an extension cord which in turn was connected to a receptacle in the residence.

A fault had occurred in the drill and when the victim pulled the trigger, which energized the drill, the frame of the tool also became energized. This resulted in a sufficient flow of current to cause his death.

A portable electric pump was being used to drain a swamp. Again the pump was connected without proper provision for grounding. The victim of this accident was standing in the water in the swamp when the pump contacted him and he received the fatal shock.

Once again a fault had occurred in the machine or its connection, which caused approximately 110 volts to appear on the frame of the pump.

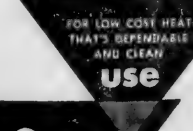

A maintenance worker touching terminal carrying approximately 150 volts while he was engaged in his routine duties and the resulting current flow through his body caused his death.

These accidents emphasize the very important points: Electrical equipment must be properly grounded when used around or grounded near water.

Be careful Low Voltage — In the order of 110 volts — should be treated with as much respect as other voltage. It can kill just as easily as the high voltage.

Caution: Treat water on ground from Canada in the United Kingdom have recently been discussing and at their lowest point in several years.

K.C.P. RESULTS IN CREEP CATTLE

Record of performance tests for beef cattle have been conducted at Miles City, Montana for about 30 years and were undertaken in Canada last year by the Dept. of Agric. 30 Herefords, 50 Angus and 40 per cent more for the good parents. 116 males

and 182 females. Bull calves made an average gain from birth to weaning of 1.5 lb per day and better than 1 lb.

One cannot do much about the sex of calves, but of great importance is the large gain difference between individuals. The top third gained 2.1 lb per day against 1.4 lb for the lower third or about 5.5 lb difference which is some \$20 per calf more for the good parents in one herd the top calf

1.2 lb per day more than the bottom one. The slow gaining calf was almost two months older than the best calf but weighed nearly 500 lbs at weaning.

Carrying on through the winter, the top third of the calves continued to gain 3.3 lb per day more than the bottom third, and by spring had gained 112 lbs extra, worth another \$20. Total extra made by the good calves at the end of a year was about \$40. These fast gaining group of yearlings were worth 25 percent more than the slow ones.

One cannot tell by looking at a frog how fat he will jump, or a calf how fast he will gain; but this valuable trait of rapid gains is inherited. Thus it is worth money to record the performance of sires especially and dams in order to select those who transmit rapid gains to their offspring. Miles City by selecting bulls for gaining ability during the last 15 years have been able to raise the average daily gain of sires sired by three winners of bulls about half a pound per day. U. S. feeders are beginning to recognize this value by paying a few cents per pound more for sires sired by P bulls.

U. S. Beef cattle Market — Whether we like it or not, the cattle markets set selling and floor prices for our market. To March 15 this year \$200 more per head was paid from the States, setting a ceiling on our prices. Testosterone must be about \$25.00, or a freight, duty, etc., over, Chicago before this happens. Since April the Canadian price tends to become the U. S. price less cost of shipping cattlehead, that is about for our price. This summer many cattle were shipped from Alberta to the Pacific NW states, but it takes a heavy spread of about \$4 on cattle sent from Canada to the States. This means price less this 14 makes a price for choice steers about \$18.50 per lb. live weight.

Tips on Touring

By Carol Lane
Women's Travel Authority

You're a smart motorist—so your car has been serviced for winter. Even so, we get a lot of calls from women who say they find starting hard. Here are some tips for taking the edge off winter nights.

If you keep your car in a garage (even a rope across the end of the garage and hang a blanket over it. Then, when you get the car away at night, swing the front end up to the blanket. This preserves some of the heat left in the motor and keeps the fan from scooping up icy early morning air blowing it into the motor.

If you ever have to leave your car outside all night, you can still cut down warm up time. Have a large shopping bag, fold it flat and slip it down inside the hood between grill and radiator. To secure the bag, run a cord through one end of it, and tie the cord to the radiator cap. (This also prevents your radiator from freezing up while you're driving through heavy snow.)

Here are other tips for the frosty road:

On a warm day, get an old sweater, use with a sweater of at least 50 percent wool and woolen. 5 percent, and quilt it around the outside door gasket.

Or, if there are no warm days in prospect, get some rubber chair tires from your local hardware store and slip them over the ends of the front fenders. This usually keeps out rain and snow.

And if all else fails—try heating your key over a match before putting it in the lock.

A young student on her first night over the Grand Canyon, turned to her pilot and asked: "Could this have been prevented by your pilot?"

Dramatic new styling and outstanding engineering advances are combined in the 1958 Chevrolet. Completely new from bumper to bumper and from frame to roof line, the 1958 Chevrolet is longer, lower and wider, and emphasizes flowing sculptured lines from the dual headlights to softly flared rear fenders. Sturdy coil springs, front and rear, are standard, while a new "Level Air" system which automatically adjusts to all load weights is optional. Shown here is the Bel Air 4-Door Sport Sedan.

Miss Laurine Bogie who is attending Mount Royal College in Calgary, was a victim of the flu last week and came to recuperate here on Monday.

Mrs J. Gledhill returned from Banff Thursday evening after attending the worship of the Holy Spirit at the Banff Hotel.

A lovely shower was held in the basement of the United Church on Friday evening in honor of Miss Norma Bell, a bride-elect of Nov. 1.

The basement was nicely decorated with balls and streamers. The guest of honor was seated in a decorated chair and above her was a flower-decked shower umbrella.

Two very interesting contests by Mrs. Kileup were enjoyed during the evening. The winners were Mrs. Roy Nicholas and Mrs. R. Piddie.

After a delicious supper, the numerous gifts placed in a large pump were presented to the honored guest by Mrs. Gordon Bogie with a very appropriate speech.

Mrs. Kileup assisted with the opening of the gifts. After these were displayed, Norma very kindly thanked the many friends for the gifts and the ladies who put on the shower for her.

Dalemead Notes

Friends of Mrs. James Holmes are glad to hear she is home again. Mrs. Bert Brewis has arrived from Ottawa to attend the open house in honor of her father, Mr. Benson on Nov. 8.

Mr. and Mrs. Wes Miller and family were Sunday guests of Mr. and Mrs. Albert Hawkins at Kathryn.

Mr. and Mrs. Roy Hulse had a Sunday dinner guests Mrs. A. E. well of Ottawa; Mr. Oran Bessie of Rockyford; Mrs. L. Wise; Mr. and Mrs. H. Hendrickson; and Mrs. Emmett Wise and Mr. and Mrs. Alfred Priest and family.

The Community Club meeting was held last Friday in the Hall.

A committee meeting was held at the "Hedgehog" home to make plans for the 11th bazaar on Nov. 8.

The annual bazaar and flower show was held Saturday afternoon in the Dalemead hall. Owing to poor weather and illness, it was not as successful as before. The tray made and donated by Mrs. Wes Miller was won by Mrs. Frank Winkler and the picture donated by Mr. F. Winkler was won by Beth Clayton.

Hall on Nov. 8. Mr. Letourneau of Calgary a point expert and instructor for the department will give a talk and illustrate it with films, on paints and interior decorations. This will be followed with a tea and bazaar. There will be a fish pot — bake table, fancy work and Christmas gift table and aprons will be sold. The contest was won by Mrs. Annie

Shobadian; the draw by Mrs. Anne Schaffer, which was donated by Mrs. Ivy Lay and Dorothy Law. Next draw will be furnished by Mrs. Marie Larsen and Mrs. Lila Montgomerie. The November meeting will be at the home of Mrs. May Foster on November 14.

The Strathmore Standard

The Strathmore Standard, established in 1909 is a member of the Canadian Newspaper Association and the Canadian Weekly Publishers' Association. It is published every Thursday by Keith Bergh, Editor and Publisher. It is one of the oldest newspapers in the Strathmore area, having been published since 1909. It is published at a second class mail post office deposit, Ottawa, Canada. Circulation more than 1,500 issues in a thriving district each week.

Fight For Position

The time is here and ripe. It is a editorial some weeks ago, we mentioned that we must not and get natural gas for this territory. With our geographic situation, with our town not running in a straight line, we are at a disadvantage. It is not a waste of time to construct branch lines to our towns. The line will be installed directly from Carleton Place to Strathmore. This route is about 16 miles from Strathmore. The cost of construction is \$400,000 worth of construction. We are as far as Strathmore and possibly Rockford is concerned, it may never get close. During a telephone conversation with the vice-president of the Gas Company, Wednesday, he stated that it was his opinion to use that they would be pleased to have it as to offer.

Strathmore Girl Exchanges Vows

MCKINNON — THOMPSON
At a candlelight ceremony in Pleasant Heights United Church, Frances Elaine, youngest daughter of Mr. and Mrs. A. K. Thompson of Strathmore became the bride of Mr. Ronald Alan McKinnon, son of Mr. and Mrs. D. J. McKinnon of Calgary. Rev. J. Specyly officiated. The bride given in marriage by her father chose a floor length gown of white satin with tiers of tulle. The lace bodice featured a narrow neckline with tiny polka dots. Her only jewelry was a simple and pearl pendant. Her bridesmaids wore white dresses and carried a bouquet of white roses with sweetheart roses. Miss Mavis Thompson, her sister's only attendant, wore a white dress of powder blue and also carried a bouquet of pink carnations. Jack Garrett was best man and Lawrence was Keith McKinnon and Lawrence were.

During the signing of the register, Mr. Mary Mercer sang the Wedding Prayer. Rev. Specyly presented the bride to the bride at the reception which followed in the Carleton Room of the Beacon Hotel. For going away, the bride wore a white and blue dress.

Crowfoot Notes

BY MRS. H. E. MY apologies for being so slack. The flu bug has visited almost every home in the district, some of us have been ill while others have been fortunate enough to shake it off.

to record them.

Karen Jones was the name given at a christening service Oct. 18 to the little daughter of Mr. and Mrs. Helena Waldman. A delicious supper followed the service at the Waldman home for relatives.

Mr. and Mrs. White and baby of Lacombe, Mr. and Mrs. P. Harvey.

Mr. and Mrs. Trench of Red Deer were recent visitors at the home of Mr. and Mrs. Chas. Harvey.

Mr. and Mrs. Chas. Harvey moved to Calgary recently to visit the Walter Jones family.

Ralph Thiede left last Thursday for the Old where he is attending the school this winter.

Mr. and Mrs. Nell Weaver, Barbara and Bobby of Calgary were visitors in the district Sunday.

Mr. and Mrs. Joe Harwood and seven others returned to Medicine Hat area to participate in the hunting sport. They report a wonderful time and "saturated with almost their quota."

Mr. and Mrs. Bill Morgan and family returned to Medicine Hat for the weekend where they visited the sister's sister, Mrs. Pete Finly, husband and daughter.

Mr. and Mrs. Ellen Ranger and Mrs. Jeanie Schuman attended the grand old event at the Corral in Calgary recently.

Miss Anna Thiede spent the week-end in Edmonton visiting Miss J. Robinson.

Mr. Mitchell Garroff and Lorraine spent the weekend in Great Falls.

Mr. and Mrs. T. Wyckham and Sharon of Calgary were Sunday guests at the Robinson farm.

Mr. Helena Waldman is in the Holy Cross hospital for a few days. She is feeling quite well.

November 11-16 Is F.U.A. Week

The organization of Alberta farmers will determine the success of this very important Farmers' Union membership drive. The issue is squarely up to the farmers to take this opportunity to build a strong Farmers' Union.

U. F. A. Co-op, organized by farmers to serve farmers. In the early 1930s, it is a family interested in the development of a strong Farmers' organization. To get a fair deal for agriculture it is essential to have a farm organization with a membership representing the majority of the Farmers of Alberta.

U. F. A. Co-op strongly urges all farmers and particularly its members to take an active part in F.U.A. Week. Join the Farmers' Union of Alberta. Get your neighbors to join.

New hope for prevention of Heart Disease

In spite of accurate diagnosis, advanced medical science and surgery, heart disease is still the greatest killer today. What comes it can be prevented? The National Heart Foundation of Canada, recently formed, will intensify the search for the answers to these questions. The Life Insurance Companies in Canada are supporting the Foundation because it is so important to the future health of Canadians. They have made substantial grants to cover the cost of launching the organization. The Foundation will encourage intensive research into the causes of heart disease by every possible means. It will seek to stimulate professional and lay education and help family doctors to keep abreast of the newest developments in diagnosis and treatment. Support of the National Heart Foundation is just one of many ways in which the life insurance companies in Canada are helping to create a healthier, happier life for Canadians.

WACK - RASMUSSEN

On Sunday, Nov. 5 at 3 p.m. Eleanor Helen Rasmussen, only daughter of Mr. and Mrs. John Rasmussen of Standard, became the bride of Mr. Henry Albert Wack, son of Mr. and Mrs. Ted Wack of Claresholm at the Narrows Lutheran Church at Standard.

The bride and groom read the marriage lines before an altar backed with carnations and chrysanthemums.

Given in marriage by her father, the bride wore a formal gown of shimmering nylon chiffon over white satin, accented by elegant applique lace inserts exquisitely trimmed. Her three-quarter length veil of the silk illusion cascaded from the tiara of sequins and pearls and her flowers were American Beauty roses.

The maid of honor, Miss Jean Wack, sister of the groom wore a white length nylon chiffon gown of deep Nile blue, while nylon rail fin frocks in tones of pale pink and pink were worn by the bridesmaids, Miss Joyce Wain and Miss Betty Hollister. The trio of semi-attendants wore velvet, glittered tulle to tone with their frocks and carried carnations.

The little cousin of the bride Amy Rasmussen was flower girl, and wore a floor length white tulle and net dress with touches of blue and carried a miniature porcelain bouquet of pink and white carnations. Master Clifford Larsen, also a cousin of the bride was page boy. Attending the groom was his brother Arnold and the guests were ushered by the bride's brother Howard and Marvin Dickson, Calgary. Gerald Blake of Calgary was organist and during the ceremony and signing of the register Miss Donna Gendall sang the Wedding Prayer and Lee's Prayer.

At the reception for the guests in the church parlors following the ceremony Leonard Lennox presided the toast to the bride. The bride's brother, Mr. Wack, and many, expressed their good wishes to the bride and groom.

Later that evening the guests and friends were entertained at the home of Mr. and Mrs. Rasmussen from where the bride left on their honeymoon. Going to the bride were a rural blue cashmere wool dress topped by a breath of spring - sheerest rayon coat, a gift of her father. Her accessories were brown and her carriage was of American roses.

Upon their return Mr. and Mrs. Wack will reside at 1488, 14th St. NW Calgary.

Taking things as they come, and being able to live with them is another form of success.

GORRIELL - McKEEVER

A very pretty wedding was solemnized at St. Mary's Catholic Church on Saturday, Oct. 28 at 11 a.m. when Lorena Fay McKeever, only daughter of Mrs. Burnside McKeever, and Mr. Gerald Corbitt, only son of Mr. Frank Corbitt, all of Cloncy were united in marriage at a double ring ceremony.

Money with Rev. Father Bonomo officiating.

The bride looked very pretty in a floor length dress of white lace and net trimmed with mother of pearl sequins and pearls and carried a cascade of red roses.

The bridesmaids were Miss Louise Gibson, cousin of the groom, Corbitt, cousin of the bride and groom.

The groom was attended by his cousin Philip Gibson. The ushers were James Hammon and Ronald Corbitt, cousins of the bride and groom.

The bride was escorted to the altar by her mother, who was dressed in blue lace over tulle with large accessories and wore a cape of red roses.

and in blue lace over tulle with large accessories and wore a cape of red roses.

A reception was held in the dining room of the Cloncy Hall for the bride's relatives and friends. Mr. Albert Pells and Spokane, and on their return they will reside on his father's farm near Cloncy and Cloncy.

The three third wedding cake was beautifully decorated by the bride's cousin, Miss Louise Gibson.

The bride was escorted to the altar by her mother, who was dressed in blue lace over tulle with large accessories and wore a cape of red roses.

A postmaster recently introduced the Jewish Lord Mayor of Dublin: Ladies and gentlemen, there was once a Jew and an Irishman.

A NEW KIND OF CAR IS BORN!

Today at Your Pontiac Dealers!

This is the Golden Jubilee Coupe—a revolution on wheels—boldly planned from the very beginning as a Golden Anniversary showcase for Pontiac and General Motors.

This one you really must see—here to car make any you have ever known! The Golden Jubilee Pontiac is an all-new brand of cars—in eight brilliant series and 30 sleek models covering every possible price bracket.

In all of them you'll find engineering advances so daringly different yet so basically sound that they will trigger the next big change. You'll find a few of these ideas here, but there's much, much more: new jeweled-action power; a new transmission; new handling; new comfort; new styling. Be among the first to discover the new. Make it a point to see your Pontiac dealer and prove to yourself that no car in history ever left yesterday so far behind.

A GENERAL MOTORS VALUE

LAURENTIAN 4-Door Sport Coupe

PANAMERICAN 2-Door Sport Coupe

Quadra-pole ROADABILITY

Only the wheels know where the bumps are! Pontiac's new suspension geometry puts dirt, every road bump to bring you the smoothest ride, entire handling you've ever known!

Circles of Steel SAFETY

Pontiac's completely new body construction surrounds you with greater steel protection—above, below, fore and aft. Now you can drive with wonderful new peace of mind!

Aero-Frame STABILITY

Now is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box type used on other cars.

Ever-Level Air Ride

The most perfect suspension system ever designed—Pontiac's revolutionary Aero-Frame is specially designed for 12" Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!

*An extra-cost option.

New Direction STYLING

Here's a fresh new look in automobile styling—and only Pontiac has it! From classic grille to bold rear end, Pontiac makes a decisive break with the fads and frites! And despite its silhouette that's inches lower, there's more room inside than ever!

Astro-Flame PERFORMANCE

Try Pontiac's new power-act system! Scores of exclusive engineering innovations make Pontiac's hefty power plants miracles of engineering... and the finest of them all is the new Astro-Flame V8.

BOLDEST ADVANCE IN 50 YEARS!

NO DEPRESSION LIKELY

In the water of gloomy business
gloom to which we are all currently
being subjected two factors need
to be kept in the front of our
minds, points out The Financial
Post.

First: Business generally has
been at an extraordinarily high
level. Over all we have had unpar-
alleled prosperity and for a long
time. So keep the decline in per-
spective. Serious depression is an

extremely long way from where we
are now.
Second: We have had monetary
policies which were deliberately di-
signed to put the brakes on; to
slow down the frantic pace of our
expansion. Inflation is everybody's
enemy — except the lucky specu-
lator who gets in first.

Most people save for a rainy day
and few wait for one.

THE YEAR'S NEWEST CAR, THE NEWEST CAR IN YEARS!

Luxurious Impala Sport Coupe — one of Chevrolet's TWO new super models!

It's almost too new to be true! It sets a new style in styling. It takes a new approach to power. It's new right down to the smooth and solid way it rides. Now for '58, Chevrolet takes the giant step — the biggest, boldest move any car ever made!

It's long, low and luxuriously new — the beautifully moving '58 Chevrolet. It's new from ride to roof... new in every gracefully sculptured contour, from its bold new grille to its unique Gull-Wing rear fenders. And it offers quick-responsive power plenty in any engine you pick — V8 or 6.

NEW BODY-FRAME DESIGN
Chevrolet's new low-sweeping silhouette

for '58 combines a new Body by Fisher with a new X-type frame. It's dramatically lower and wider — and a full 9 inches longer!

NEW TURBO-THRUST V8
Chevrolet unveils the revolutionary Turbo-Thrust V8* with Wedge-Fire design. Wedge-shaped combustion chambers are precision-machined in the cylinder block, not the head — a radical departure that helps achieve a new pinnacle of performance.

NEW FULL COIL SUSPENSION
Deep-coil springs provide cradle-soft action at every wheel, completely replacing conventional leaf spring rear suspension. New Full Coil suspension is standard on all '58 Chevies.

A REAL AIR RIDE
No matter what price car you're accustomed to, you'll never be sitting prettier! Chevy's new Level Air suspension* literally carries you on cushions of compressed air, with all its natural shock-absorbing properties. Available now, on all four wheels!

THE BEAUTIFUL WAY TO BE THRIFTY
Never before has there been so much low-priced luxury! Sedans with this pillar styling... stunning interiors... a new foot-operated parking brake... triple-turbine TurboIdle* and smoother-than-ever PowerGlide*.

Your Chevrolet dealer is waiting right now to show you the beautiful way to drive — the '58 Chevrolet. *Optional at extra cost.

Philosopher Goes In For Sole Searching

When Dr. Stanley Balnes of the University of London, England, embarked on "sole searching" 50-mile walk to discover how tough the leather is, he found most of the wear and tear was suffered by his feet. However, the doctor of philosophy can still smile as he finishes his marathon jaunt from Newcastle-Upon-Tyne to London. He was chosen for the walk from 400 candidates after his two-minute talk on "Tops of Walking."

BY MISS J. E.

Mrs. L. Crawford of Bytown who has been a guest of her daughters Mrs. A. Wilson and Mrs. R. Brown for the past week returned home on Monday with her son B. L. The latter spent a few days visiting relatives in town and attending a convention in Calgary.

The Gleichen Ladies Auxiliary to the Legion met Nov. 19 in the Legion Hall. Despite bad weather Nov. 13 at the Holy Cross hospital there was a good attendance. Mrs.

New hope for prevention of Heart Disease

In spite of accurate diagnosis, advanced medical science and surgery, heart disease is still the greatest killer today. What causes it? Can it be prevented? The National Heart Foundation of Canada, recently formed, will intensify the search for the answers to these questions.

The Life Insurance Companies in Canada are supporting this Foundation because it is so important to the future health of Canadians. They have made substantial grants to cover the cost of launching the organization.

The Foundation will encourage intensive research into the causes of heart disease by every possible means. It will seek to stimulate professional and lay education and help family doctors to keep abreast of the newest developments in diagnosis and treatment.

Support of the National Heart Foundation is just one of many ways in which the life insurance companies in Canada are helping to create a healthier, happier life for Canadians.

they'd be cheaper by the gallon

It costs plenty to raise a family these days. But if youngsters, like your car, run on gasoline you'd be better off.

Want to know why? Today everything costs more, including the scores of things a growing family needs. Gasoline costs more, too.

But government figures show that since 1939 the cost of living has gone up more than 180 percent while wholesale gasoline prices have risen about 40 percent—less than a third as much.

And what's more—today's regular gasolines are far superior to the premium grades sold only ten years ago.

FOR WARRIORS

Treosene is a systemic which is absorbed into an animal's blood stream, killing the insect wherever it is located. Thus this drug is somewhat like D.D.T. used earlier, but it is much more effective.

Protections must be observed in the use of this poisonous drug. Treosene cannot be used to treat milking cows or to spray prior to milking. Do not treat sick cattle or those where water is not available after treatment. If temperatures are averaging 60 degrees or lower and cattle are on heavy nitrogenous feed, treatment is not recommended. Be careful not to get the drug down the windpipe and into the lung. The usual precautions for humans apply, keep out of reach of children, wash hands after handling, and if swallowed induce and call a doctor.

Treosene is effective killing 95 per cent of the warbles before they have a chance to damage either the animal or the hide, but don't discard the old method yet as Treosene is more expensive and requires handling the cattle individually. Also it can't be used on milk cows or those ready for market. There will only be enough Treosene for about 3 per cent of Canadian cattle this year, but manufacture will soon catch up to demand. It looks like the warble fly, most damaging and costly pest of our cattle will be controlled soon with the millions of dollars told he has been taking in Canada.

added to producer's income. This new drug has come through experimental tests and is licensed. It will soon pass the trial of pest control on our farms and ranches.

Married In Calgary

Wesley United Church in Calgary was the candlelight setting when the Rev. MacKenzie performed the double ring ceremony on Nov. 9 in which Miss Anne Kneale, K.N., younger daughter of Mr. and Mrs. Wm. Norville of Provencville, Sask. became the bride of Mr. Roger Anderson, youngest son of Mr. and Mrs. Robert Anderson of Calgary and long time resident of Strathmore.

For her wedding Miss Kneale chose a white tulle gown featuring a tiny rose vine embroidered with seed pearls, long tightly fitted sleeves and from a closely fitted bodice sweeping into

a full hooped skirt with slight train. Her bouquet was a cascade arrangement of yellow and white roses and she wore pearl earrings, a gift of the groom.

After the marriage by her father, the bride was preceded down the aisle by Miss Patrice Radcliffe of Edmonton as flower girl, frocked in a lovely yellow tulle dress with matching net corsage and carrying a blue basket of blue and yellow baby's breath. The entire wedding party included the bride's attendants, Miss Joan Bailey of Edmonton and Mrs. H. Buckley, RN of Jumping Pound, the bride's bridesmaids, Misses of Calgary and long time residents of Strathmore.

and carried bouquets of yellow and orange baby's breath. The groom was attended by his brother, Stewart Anderson of Devon and the ushers were Paul Lakeman of Regina, Bonnie Cross of Lake Louise, Robert Cooper of Calgary and Joe Barabach of Edmonton.

After the wedding a reception was held in the Caribbean Room of the Beacon Hotel where Mr. and Mrs. Kneale and Mr. and Mrs. Anderson received with the wedding party. The bride's table was covered with a rose red cloth and flanked with yellow roses and orange baby's breath.

Mr. W. W. Pugh asked the bride to be, and the bride was escorted by Mr. Cooper. Stewart Anderson read the opening prayer. For their honeymoon trip to the U. S. the bride wore a blue wool dressmaker suit with rose and black accessories and tea rose corsage. Upon their return Mr. and Mrs. Anderson will reside in Calgary.

Out of town guests included Mr. and Mrs. Cliff Bailey of Provencville, Mr. and Mrs. Ross Cross of Lake Louise, Mr. and Mrs. Paul Lakeman and Mr. and Mrs. Joan Bailey of Regina, Mr. and Mrs. A. Wilson of Glenora, Mrs. Jean Radcliffe and Patrice of Edmonton and Mr. and Mrs. W. Pugh and Linda of the Strathmore.

After the wedding Mr. and Mrs. Anderson were joined with Mr. and Mrs. W. Pugh at a reception at the home of Mr. and Mrs. J. H. Buckley. The bride's table was covered with a rose red cloth and flanked with yellow roses and orange baby's breath.

Carsland Notes

BY MRS. E. H. B.

A special meeting of parents was held in the Home Ec. room on Nov. 12th. A good attendance was on hand. Mrs. Phillips, school trustee, gave a talk on how the school board decided to transport the Carlsbad high school students to Strathmore for Home Ec. and shop. A bus session followed with many interesting points being brought out. Then a motion was made that we send three delegates to the school board meeting last Monday. They were Gordon Christensen, Dick Bishop and Norman Nelson. They were asked to try and get the shop and home ec. back to Carlsbad if possible.

The FD Club held its annual concert Nov. 15 with a fair crowd in attendance, considering the amount of snow that had fallen. A very enjoyable program was provided by performers. Lunch was followed by a dance with music by Winters orchestra.

Mrs. Harry Way is spending some time in Edmonton enjoying her new grandson. Word has been received from Mrs. Beth Rod of Calgary that if tension has suffered a stroke and would like to hear or see from his many friends. We hope he will soon be feeling better. Mr. Andy Ostrom is a patient in

CHILD ADOPTION IN ALBERTA

The CHILD WELFARE ACT provides for, and controls, the CHILD WELFARE BRANCH of the Department of Public Welfare. This branch of the Alberta Government is responsible for any adoption of any child in this Province.

In order to assure that suitable persons do not become involved in dealing with child adoption the following section of the Act was introduced:

Except on the order of a District Court judge, no parent shall surrender the custody of his child and no person shall accept the custody of that child without having first obtained the approval in writing, of the child welfare commission and a coroner without such approval is null and void.

HOUSES FOR CARE OF DEPENDENT CHILDREN

All homes for dependent children are authorized and maintained by the Child Welfare Branch under the Act. To these homes come children whose parents are incapable of caring for them properly and from children who have been abandoned or neglected.

APPLICATIONS FOR ADOPTION

Adoption applications made by prospective parents are assigned to the HOME INVESTIGATING COMMITTEE. This committee, after a thorough examination of the applicants and their home, pass the application on, if acceptable, to the PLACEMENT DIVISION. The prospective parents then discuss with the Branch the individual children available for adoption and a decision is reached for the placement of a particular child in their home.

IT TAKES TIME

Due to the splendid response to adoption in Alberta, approved applications now accumulate more rapidly than children become available for adoption. This coupled with the care that must be taken before placing a child, creates a waiting period that at first may seem unreasonable to the adopting parents. However, the

DISTRICT COURT MAKES ADOPTION FINAL

The new parents make petition to the District Court for legal adoption papers. This petition, along with a full recommendation by the Child Welfare Commission is considered by the District Court judge. When a legal adoption order is issued, the child, to all intents and purposes, is legally a child of the new parents. A new birth certificate is issued and all records pertaining to the adoption are placed in a sealed packet.

FOSTER HOMES

Private homes, voluntarily contributed, for the care of children are always in demand. If the home is not adequately equipped, foster home will provide the love and care that is so necessary to the development of the child.

BY MRS W. H. At the November meeting of the Ladies Auxiliary to the Legion fine arrangements were made for the annual Christmas tea, in the community hall Dec. 14. Admission is a gift placed under the tree for a household return. Doll clothes will also be sold with the proceeds going to the Canadian Legion Post. The draw for the raffish tickets now being sold by the ladies will be made at the tea.
The girls placed under the Christmas tree will be given to the Junior Red Cross. Following a business meeting Mrs. Dugdale, dir. at commander from television appeals briefly to the group, and stressed that although the war is many years past, our duty to the war veterans and their families still remains. Mrs. Dugdale was accompanied by the vice-president of the Glenora Auxiliary Mrs. Camp. The next meeting will be held Dec. 16 at 7 p.m. members please note change of time.
A business meeting that evening will be followed by the annual Christmas party.
A reception will be held in St. Rita's auditorium Nov. 28 in honor of Monsignor Kilian. The public is invited to attend. Monsignor Kilian was Parish Priest of the Rockyford district for many years. He will be happy to have this opportunity to renew old acquaintances.
A wedding dance was held in the hall Friday evening in honor of Mr. and Mrs. Harris. Mr. L. J. Harris was chairman for the evening and Mr. W. Miller presented the young couple with a dinner set on behalf of the community.
Miss G. Katterbach suffered a severe case of pleurisy following an attack of flu. We hope she will soon be well again.

Crowfoot Notes
BY MRS M. S. PAREWELL, HELD FOR MR. AND MRS. NORMAN SCHERER AT THE CROWFOOT CLUB HOUSE.
A farewell party for Mr. and Mrs. Norman Scherer was held at the Crowfoot Goodwill Clubhouse last Friday night. A good crowd was on hand to enjoy the evening play, court, and to wish Norman and Joy all the best in their new Calgary home.
Card winners were: Florine Deane, high bid; VI Ramsey, low bid; New Haven, high bid; and Bill Morgan, low bid.
The cards were then pushed at a delicious lunch.
Seated at the head table were Mr. and Mrs. Norman Scherer, Mr. and Mrs. Harold Scherer, and Mr. and Mrs. Harold Scherer. After lunch, Duffy Ramsey, on behalf of the community, presented the guests of honor with a silver serving tray. Florine Deane presented them with the usual going away spoon on behalf of the Goodwill Club. Mrs. C. Harvey presented them with a bouquet of flowers from the Harvey's.
Norman and Joy both thanked everyone for their kindness and hoped everyone would visit them.

Nearly \$1,000,000 of last year's appropriation was spent to transfer the Film Board from Ottawa to Montreal, a move condemned as a scandalous even by high ranking Film Board people.

FOR RENT

The Board loudly protested the heavy thumb of partisan politics on their operations in Ottawa. Nearly settled in their new \$5,000,000 Montreal building, their first act was to set up a daily harassing service between Montreal and Ottawa. Their reason: because they regularly contact with Ottawa agencies is so vital.

and financial position. Adoption is a delicate business, and subject to numerous complications. A and example of such complications was brought home to the public in the tragic case of Toronto's Matt (was an adoption lawyer) who resulted in a two year court battle. At the price of bitter hours, the boys were returned to the orphanage, on character, habits, their natural parents before the

forster parents could finalise adoption proceedings. Protestant children seem to be the highest in demand and the hardest to come by. For every Protestant child available, at least seven couples apply. Roman Catholic agencies, on the other hand, have a surplus of children, for whom they cannot find homes. Up to 1954 there had been 55,000 legal adoptions in Ontario. The Toronto Children's Aid Society, one of 55 such agencies in the

Nightingale News

BY MRS. D. D.

Mr and Mrs Coleman Morgan and Mrs Edna Joel drove down to High River for the funeral of their aunt Mrs Alice Saunders. Clarence Putnam and Russell Morgan went high game hunting west of Turner Valley last week. Congratulations to Mr and Mrs Bernard Hendrick who were married recently.

Mr and Mrs Emile Reinhardt were Sunday visitors of Mr and Mrs John Schmidt of Carbon. Mr and Mrs Elton Wells were visitors of Mr and Mrs R. Putnam on Remembrance Day.

The Reinhardts have a lovely new home under construction. Mr and Mrs Carl Geersert and family of Rockford were holiday visitors at the L. Kinney home.

Mr and Mrs Albert Kimmert entertained Mrs Edna Joel and Mrs Doug Laycock on Sunday.

Bill, Judy and Joan Frederick are staying with their grandmother Mrs Isabelle Frederick during their mother's long stay in hospital. She will be there at least another week. We hope she soon returns to good health.

Mr Baker of Champion was a recent visitor at the home of Mrs M. Mercer.

Mrs Art Parr has been helping to look after the Archie Frederick home during Mrs Frederick's illness.

Mrs Daphne Osborne entertained the WI at her home on Nov. 20. Donations were voted for TB, the Woods Home, Strathmore Army Mental Health and Children's Hospital Aid Society. The treasurer reported a profit of around \$40 from the bazaar. The secretary was

inspired to send in a thank you note to the Standard thanking all merchants who contributed to the bazaar. Mrs Larson reported that a 10 pound parcel had been sent to the mental patients at Ponoka.

Mrs Osborne will make inquiry about getting a hospital bed for a bedridden person and report at the next meeting.

A shower was held for Mr and Mrs Bernard Hendrick Nov. 23. Resolutions for the annual meeting were read over once. Mrs Don Douglas received a WI pin which was presented by Mrs Larson.

The bazaar, assisted by her daughter Mrs Mackie and Mrs I. McCall assisted a lovely lunch to 14 members and three visitors. The raffle donated by Mrs Edna Joel was won by Mrs Osborne. Next meeting will be the annual meeting, Dec. 11. A potluck lunch will be served at 12. Each member is to bring a dollar gift for the Christmas exchange.

Mrs Daphne Osborne kindly took the presents for the patients in the Bertha hospital donated by WI members in Calgary on Thursday.

Mrs Hannah Carlson left Friday for a holiday at Grande Prairie with her son Johnny and family.

Mr and Mrs Gordon Wellen of Edmonton and Miss Beatrice Trope of Calgary were visitors at the Trope home.

Mr and Mrs Charlie Kimmert of Carbon and Mrs Maurice Powrie and Mr and Mrs Buster Day of Carbon were weekend visitors of Mr and Mrs Art Kimmert.

Mrs Mackie of Chilliwack has been spending some time with her mother Mrs Osborne.

A shower was held Friday evening at the hall in honor of Mr and Mrs Bernard Hendrick who were married on Oct. 26th. Mrs Richard

new, Edna Grad, Lee Kinney and David Edgar supplied music for the dance. At midnight Charles Carlson presented the table of gifts to the happy couple who made suitable speeches in reply. After the singing of For They Are Jolly Good Folows, dancing was resumed until an early hour.

We are pleased to report Mrs Archie Frederick is feeling a little better in hospital.

Mrs Tina Larson has been laid up with an attack of pleurisy.

Auto Crashes High

A large portion of the underwriting loss of close to \$100,000,000 offered by fire, automobile and casualty insurance companies in Canada last year was brought about by a disasterous year in the field of automobile insurance. As Canada Insurance Federation reported today, The Federation term of the year, by far the worst in the history of automobile insurance in Canada.

Disclosure of the \$25 million loss was contained in the annual report of the Dept. of Insurance for Canada to the Federal Govt. The report, to whom all federally registered insurance companies must report by law, said that 271 out of 282 companies — 97 per cent — in the fire, automobile and casualty business in Canada showed underwriting losses in 1956; and that

Heavy Accident Toll On Alberta Farms

The farm fatality picture in Alberta this year is far from encouraging. The Alberta Safety Council reports that accidents on Alberta farms claimed at least 55 lives from January to mid-October.

Headed the list as a farm road went into the barn tractor, it claimed 20 lives. Of this total five of the 20 were under eight years of age and were run over by tractor operators. Another four ranged in age from 15 to 25.

Farm fires have claimed 13 lives while farm trucks have taken as-

ter eight. Listed under miscellaneous deaths were at least 12. Labeled as the hay bales such took two lives while gasoline fumes, a power pump, power taken on a machine, a potato digger, a power saw, a power hand drill and a barbed wire ball each killed one person.

The Alberta Safety Council says that while a few of the fatalities occurred in what may be considered true accidents, the vast majority of them could have been pre-

Council Seek Dog Pound Facilities For Unlicensed Dogs

The December meeting of the Strathmore Town Council was held on Tuesday night. The agenda included a report on the dog situation in the town.

The dog situation was discussed in some length, and council felt that before any dogs could be done away with for failure to pay the dog tax on the part of the owner, a pound must be secured.

Town Policeman Martin has made a survey of the dogs in town and found that there are still many running at large without the necessary dog tag.

When a suitable place is found to be confined for the legal time allowed (72 hours), if they are not picked up by the owners who will have to pay a fine and secure a license, they will be done away with.

Secretary Treasurer L. Hill reported that he had sent a letter to Mr. Wilson, vice president of the Canadian Western Natural Gas Co. Ltd., Calgary, inviting a delegation from that company to meet with council next Tuesday. These company officials agreed to such a meeting earlier in the month during a telephone conference.

Representatives of the Calgary Power Co. Ltd. will also be there to see what can be done to secure the reversal of the 15 year contract with the town. It is thought that there may be a change in the rate set up.

Strathmore Lions

The regular meeting of the Strathmore Lions Club was held in the Dining Room of the Memorial Hall last Wednesday night.

Discussion of the annual Christmas for the children took place and Dec. 19 was announced as the date set.

Flowers were presented to Mr. Wootton on behalf of the club for his wife Dorothy, who was a recent patient in the hospital.

The executive committee had the floor for some time and explained the urgency of the needed repairs. If the standard of government specifications were to be met, they had met with a drilling company who offered to submit plans for a suitable structure.

To actual cost of the project was not determined but Myron Christensen who spoke on behalf of the committee felt that it would be too great for the club to handle alone and that it should be a community effort.

Myron reported that officials are tightening up on regulations and it would be necessary to have heating equipment, new hall house with all sanitary equipment, inside and out.

Bill Springfield who is a patient in the hospital in Edmonton sent greetings to the club on a tape recorder. He said that he is hoping to be home by Christmas. The president of the Edmonton Lions Club was with Bill at the time, and he also sent his greetings. Jim Ridenour very kindly operated the tape recorder.

A guest of Don Murray at the meeting was Roy Boehle, Strathmore.

A word of appreciation was received from the Town's family for the Club's assistance during their bereavement.

Ernest Caldwell announced that the tickets were available to the public for the Christmas Fair on Wednesday, Dec. 23. A free film camera will be given away to the child selling the most tickets. The fair show date, Dec. 23 is in charge of the tickets.

ROCKFORD FARMER WINS RIBBON IN ROYAL WINTER FAIR

John Cammer of Rockford, Alberta, won a ribbon for his female at the Royal Winter Fair in Toronto. Presenting the award is winning two year old Shorthorn, Janet Henderson, Milton, Ont.

LET'S GET NEWSY

Mr. and Mrs. Reg Glendon of Calgary were Sunday guests of Fred and Harriet Thomson.

Mr. and Mrs. L. Struble and Mrs. D. Struble have just returned from a two-week holiday in Manitoba and Saskatchewan.

Strathmore rink proved to be stiff competition when they went to Glenora for the opening of their curling rink with artificial ice.

With Jim Harwood shipping, Bill Demers, third, Larry Hunter, second and Al Morton, lead, they look two games out of three.

Mr. Wm. Ridenour spent a few days in Edmonton last week visiting friends. He visited Mr. Bill Springfield and reports he is in no pain and hopes to be home for a day or two at Christmas.

Friday evening last the Auxiliary to the Mills had a masquerade ball at the drill hall. Although there was not a large crowd there was a good time. Prize winners were Mrs. Schuler, Marilyn Mortimer and Mrs. Dick Stanser.

The regular Home and School meeting held last Monday evening at the school Auditorium was very well attended.

The meeting opened with the singing of O Canada, followed by President Mrs. P.M. Morgan reporting the Home and School record.

Mr. McKenney explained the P.M. Council and that there are 164 films at the Wheatland School District office for use by any organ for instruction or training to use them. These films are sponsored by the Wheatland Local A. T. A.

Ernest Caldwell announced that the tickets were available to the public for the Christmas Fair on Wednesday, Dec. 23. A free film camera will be given away to the child selling the most tickets. The fair show date, Dec. 23 is in charge of the tickets.

Utility Officials Will Meet With Council Next Week

Next Tuesday night, officials of the Canadian Western Natural Gas Co. Ltd. and Calgary Power Ltd. will discuss local problems with the Strathmore Town Council.

The representatives of the Gas Co. are expected at 7:30 and the Power officials at 8:00 a.m.

Much public interest has been aroused since the talk of a gas line to be constructed from the Carbon field to Calgary. It has been hoped that some arrangements could be made to route a line into Strathmore.

Since the line is proposed across recently, users of that type of heating have been especially interested.

The gas company officials will discuss with the council the present and future situation as far as gas is concerned.

The Standard, in a conversation with the Gas Company was told that they had not forgotten Strathmore, but up until that time, it was not financially wise to make a move. It is hoped that more favorable developments will come out of this meeting.

The Town of Strathmore and Calgary Power officials will discuss the new 10 year contract that is the shortly. The present contract expires at an early date.

A brief of the proposed contract was given to the town and there is a possibility that rates, especially in the commercial class will be changed. According to the brief, the domestic rate will remain unchanged for the present.

Another Gun Shoot To Be Staged

The sharpshooters of the district will display their talents once more at Chedoke this Sunday, when the Chedoke Gun Club will present a gun and turkey shoot.

Shoots at Chedoke have proved to be very successful during the past few years, and the committee feel that this one will be no exception.

It has been the case formerly entries are expected from people of all ages, male and female. The day should prove to be a good one for all interested in this fascinating sport.

Afternoon WA

Eleven members and one visitor met for the regular monthly meeting Thursday Nov. 14.

The Creed and Prayers were said followed by the hymn and Devotional read by Mrs. Washburn.

Secretary, Mrs. Len Larsen read the minutes which were accepted, followed by the Treasurer's report from Mrs. Della Korval. In the absence of Mrs. Edna Connolly, the business pertained to the Food Supper, and improvements were heard and filed for next year. Arrangements were made for the annual Christmas meeting to be held Dec. 13 with Mrs. Len Larsen in charge of the musical program. The meeting then adjourned with the singing of hymns. A social hour followed at which the hostesses Mrs. Frances Thompson and Mrs. Hansen served a delicious lunch.

Evening W. A.

The regular meeting of the Evening W. A. was held in the Memorial Hall on Wednesday, Nov. 11. It began with the Devotional, the report from the Annual Chicken Supper was very satisfactory. It was decided to have a cleaning bee for the church before Christmas.

Mrs. Bill May was chosen chairman for the Nominating Committee and Mrs. E. Gray was to act on the nominating committee for the General W. A.

There will be an exchange of Christmas gifts on our next meeting. A delicious lunch was served.

The Strathmore Standard

The Strathmore Standard, established in 1900 is a member of the Canadian Weekly Newspaper Association and is published every Thursday at The Standard Office, Strathmore, by Keith Bergh Editor and Publisher. Member of the Audit Bureau of Circulation. Authorized second class mail. Post Office Department, Ottawa, Canada. Carrying more than 1,000 homes in a thriving district each week.

Accident Rate On The Rise

Did you know that the automobile all branches increased from 1900 to an unbelievable 1970. These figures leave little doubt but that we know that statistics as to the necessity of a safe driving week which is scheduled for December 1 to 7. We must become safer drivers. In the Strathmore Detachment of the RCMP, Constable Doug Simpson has handled 70 accidents since the first of the year, 1957. Did you know that in Alberta this year, the offences under the Criminal Code increased from 880 the previous year, to 900. That is an increase of 12 per cent. In the Provincial Traffic Act, offences increased from 1,514 to 1,547 during the same period. Penalties increased nearly 17 per cent this year over last year in Alberta, and the total increase in part of the drivers.

Rockyford News

BY MRS. W. H.

Rockyford Home and School—The regular meeting of the Rockyford Home and School was held Nov. 21 with President Louis Henry in the chair. It was decided that the H & S would supply treats for the Christmas party to be held Dec. 30 and that they would also put a movie show in the auditorium. Mrs. Burns, the new public health nurse was introduced to the members and in a short talk she told them of her Christmas program.

200 Guests Honor Couple To Celebrate 25th Anniversary

Mr. and Mrs. Harold Thew, Host Couple, were honored on the occasion of their 25th wedding anniversary last Saturday afternoon and evening.
During the afternoon relatives from Devon, Millet, Calgary, and Irvine "at W. K. Thew's and as far away as Burlington, Man. attended a family get together at the Thew home, where the wedding couple were presented with many fine gifts.
At 5 p.m. the party moved to the home of Mrs. Thew's friends gathered in the community hall to attend the banquet in their honor. Mr. A. Dittmer was the MC of the evening. The Thews were presented with a Tree Wagon set in a brass frame from the community.
After the banquet, a concert was enjoyed, presented by local talent after which a Mock Wedding was performed. Flower girls taking part in the wedding were said to have weighed over 200 pounds, and displayed many legs under short skirts. Indications were that these girls were not girls at all. The portion of the program was enjoyed to the fullest.
Dancing was enjoyed following the entertainment.

Prime Minister Endorses The Safe Driving Week

There can be no greater wish than that destined to save lives, prevent injury and reduce damage to property, claims Prime Minister Diefenbaker in expressing his support of Canada's national Safe Driving Week. The Prime Minister calls on every Canadian citizen to regard the week as his personal responsibility.
Safe Driving Week, Dec. 1 to 7, is being sponsored by the Canadian Highway Safety Conference.
Since traffic is rated only below cancer and heart disease as a killer of Canadians, every action that might reduce this hazard to our national life and economy is strongly encouraged, Mr. Diefenbaker said.

FOR THE BEST OF YOUR LIFE
The statement has two meanings when applied to an electric blanket. It not only provides you with warmth without weight but also gives you constant sleep. It makes your sleep more restful, and people who use electric blankets just hate to change to anything else, so they will be using them for the rest of their lives. You will not, after you try one.
With an automatic electric blanket, you sleep with freedom from cold, freedom from tiring weight and freedom from changing temperature. In the morning you feel much more rested and full of pep than when you sleep under a load of blankets. In giving the one you love the most, an electric blanket for Christmas you can rest assured that it will keep on giving for years and years. Be sure to order today!

Colored Shotguns For The Ladies

Traditionally, the role of a woman in the hunting season has been to pluck the ducks, pertridges and pheasants proudly deposited on her kitchen table.
But times have changed. This fall hunting associations estimate that about 40,000 Canadian women, after upon bagging their own game, joined their men folk in the sport.

Perhaps due to this feminine interest in the sport, light weight shotguns are now being offered in a range of attractive colors. To the astonishment of old hunters, the 410 gauge shotgun now comes fabulously dressed in red, green, blue, pink, purple, black or yellow.
Actually, there is method in this color madness. Besides being appealing to the eye, these bright colors have a safety value. They attract attention to the gun and there's no mistaking it for a harmless stick should it be carelessly laid down in the grass.

NEW BREED OF HORSES FOR CANADA
Horses that have "everything that's needed to win medals" in world horse shows have been brought to Canada by a German immigrant woman who sold her milk cot to pay for their transportation. The horses are the Transbroom breed, which have been developed in Germany since 1939, and Mrs. Gerda Friedl says they hold most of the medals and cups handed out in European horse shows. Here is Mrs. Friedl's stall, and the Little riding for one of the new arrivals at a farm in East York, Ont.

Life Insurance Increases In Canada

The average amount of life insurance in force on each man and child in Canada was \$1,170 at the end of 1956.
Canadian life insurance in 1956 has increased by more than 10 per cent since 1955, and policies at the turn of the century, 22.5 billion more than in 1950.

As a result, by the end of 1956 Canadian families owned a total of \$6 billion of life insurance. This was double the amount held only seven years earlier.
At the end of 1956, life insurance companies had invested \$6 billion in assets in Canada on behalf of Canadian policyholders.
I'mona last words: Don't wear your life insurance policy on a shelf. It's not a life insurance policy, it's a life insurance policy.

ALBERTA EDUCATIONAL SERVICES

CO-OPERATION IN SCHOOL SUPERVISION
Under the Chief Superintendent of Schools, the welfare of education is maintained by continuous co-operation with local school boards. A forward step in rural education was made by the Alberta Government when the province was organized into 52 school divisions and 7 counties, thereby permitting more modern schools and more effective teaching through the centralization of rural school districts. Close liaison is maintained with school boards through 18 provincially appointed School Superintendents, one of whom is assigned to each school division. These men are responsible for seeing closely with the school board, providing them with advice, and interpreting for them the educational policies of the provincial government. The Superintendent also works closely with the principals and teachers in his school division. Direct supervision and counsel to high school teachers is regularly provided by qualified High School Inspectors who visit all classrooms in the Province from grades 10 to 12. At well selected universities are provided to supervise instruction in Home Economics and Industrial Arts in all schools where these courses are taught.

ALBERTA SCHOOL BROADCASTS
One of the most popular government services is the School Radio Broadcast service maintained by the Department of Education which has grown to the point where more than 50% of all classrooms, from grades one to nine, listen regularly to these informative, interesting radio programmes. Prepared under the direction of the School Broadcast Branch, they comprise instruction on social studies, literature, current events, speech, music, and so on, based directly on the curriculum. Teacher guides are published to assist in preparing classes for each educational broadcast instruction.

TEACHING BY AUDIO-VISUAL METHODS
The Provincial Government maintains an Audio-Visual Aids Branch from which films are provided to Alberta Schools free of charge at the request of the School. The library contains some 1200 carefully selected films, which cover a wide range of approved curriculum topics for Alberta Schools.

THE ALBERTA SCHOOL FOR THE DEAF
Another Alberta government service is special education in the modern residential school for the deaf at Edmonton. It provides academic and non-academic instruction for Alberta's deaf children between the ages of five and eighteen; all costs of which are borne by the Provincial Government.

THE PROVINCIAL INSTITUTE OF TECHNOLOGY AND ART

The Institute is located at Calgary under the direction of the Department of Education and is affiliated with the University of Alberta. The purpose of the Institute is to train men and women for semi-professional positions in technical occupations in industry. Courses are formulated and provided the necessary theoretical knowledge and skills for students to qualify, ultimately, for responsible, supervisory positions.

Mr and Mrs Alma Plant entertained a number of friends on the 5 of Nov. The occasion being their 25 wedding anniversary. Open house was held from 2:45 when friends called to congratulate them. Mr and Mrs Armand Corbiel entertained the family to a dinner at 6:30. Open house was held again at 7:30 when more friends and relatives called. Mr Les Menard left a few well chosen words presented them with a chest of silver and a set of dishes from friends in the community and surrounding districts. Alma and Jean thanked everyone for the gifts. They received numerous other gifts from the family and friends.

GLEICHEN 4-H CLUB

The regular meeting of the Gleichen 4-H club was held at Tensdown Hall on Nov. 23 with 8 members and eight newcomers present. The members entertained their parents and friends. An interesting talk on membership was given by Evelyn Yule and District Agriculturalist Mr Ken Walker. An interesting program of tap dancing competition playing, singing and skits were put on by the members. Mr Walker presented top feeding record award to Elvira Yule and runner up award to Roger Habbie. Mr C. Carson showed some very interesting films to round out a very entertaining evening.

Wedding

THOLENAER - GREGORY

The Sacred Heart Church in Calgary was the scene of the recent marriage between Miss Carol Ann Gregory, 21, daughter of Mr and Mrs Milford Gregory of Standard and Mr Frank C. Tholenauer, son of Mr and Mrs Gerald Tholenauer of Calgary. Rev. Father Sullivan performed the double ring ceremony.

Given in marriage by her father the bride wore a formal gown of white tulle with a silver throat running through it. The American of Scott neckline was trimmed with seed pearls, long light point sleeves, a closely fitted bodice sweeping into a full hooped skirt with the back accented by three satin bows and a short train. Her veil of fine silk illusion cascaded from a cloche type head piece trimmed with pearls and sequins. The bride carried a cascade arrangement of tallman roses covered with a white orchid.

The bride was attended by her sisters, Miss Helen Joan Gregory who wore a cocktail length dress of gold crystalline with matching head piece and gloves and carrying a bouquet of white and bronze baby mums. Miss Ira Lea Gregory who wore a cocktail length dress of green crystalline with matching head piece and gloves and carrying a bouquet of white and bronze baby mums.

Sharon Gregory was flower girl and wore a dress of rust crystalline with matching head piece and gloves, and carrying a bouquet of yellow and white baby mums. Michael Gregory was ring bearer.

The groom was attended by his brother, Mr Gerald Tholenauer of Calgary. The ushers were Mr Raymond Patton and Mr Jack Galvin. The wedding music was provided by Mrs Robertson Barry.

Following the wedding a reception was held in the Strathmore Memorial Hall. The bride chose for going away a two piece sheath dress of smoke

PLANNING ALBERTA COMMUNITIES
Alberta's development has not been confined to the large cities. Towns and rural areas also affect the growth and the problems of systematic planning expansion that go with it. The Government accordingly established the Provincial Planning Advisory Board in 1931 to determine planning policies. These policies are administered by the Town and Rural Planning Branch of the Department of Municipal Affairs. The technical advice and assistance of the Branch is available upon request to any Municipality under 5,000 population which is not a member of a District Planning Commission. An aerial survey is made of the community from which control maps are prepared. Plans are then made for subdividing and zoning. Detailed layout, for housing and commercial areas are drawn up. In addition a report on the community and its development is prepared for a planning period of ten years. Progress for the orderly development of the municipality are included in the report. One half of the cost of the survey is met by the only-appearing towns by the municipality representing a small percentage of the total cost for this complete service.

ASSESSMENT BRANCH
Uniformity in assessment for municipal taxation purposes is a problem which has long existed. The Assessment Branch of the Department of Municipal Affairs was formed in 1923 to achieve this end. Since its inception many changes have been incorporated to keep pace with the growth of Alberta. It has also been necessary to alter assessment methods in view of the new types of construction and building technique presently being used. Practically all of the towns and villages in the province have requested important assistance for taxation and other purposes. The Branch has undertaken by Branch assessors although under certain conditions the government pays 50% of such. Urban areas are required to pay half the cost of the assessment. The government pays the remainder, notwithstanding who carries out the work. Whether a municipal or government assessor, Assessment Branch office have been established at Red Deer, Grande Prairie, Calgary and Lethbridge to ensure close liaison with the local municipalities, as well as to give advice and assistance to unorganized municipalities.

INSPECTION BRANCH
The Department of Municipal Affairs Act requires the health and records of every municipality to be inspected at least once a year. This is the responsibility of the Inspection Branch and all assessment and tax roll, minute books, law reporter, cash books, bank books and any other records the Inspector may require of the Municipality are examined. Assistance and advice on procedure for effective administration of the municipality is an important service of the Inspection Branch. In cases of where towns, villages, municipal districts or counties are incorporated a member of the Inspection Branch may act as administrator of this unit until the council has been elected. Each year an annual report is prepared by the Inspection Branch in which is incorporated the financial statements of every municipality in Alberta.

These important service branches are also part of the Department of Municipal Affairs.

The Parish Hall was the scene of the annual dinner of the Strathmore Council Knights of Columbus November 30.

Approximately 100 members, guests and their wives or lady friends sat down to a very fine turkey dinner, cooked by the wives of the members.

T. J. Rhodes acted as toastmaster for the evening and introduced the following guests: Mr. L. Herget, District Deputy for district 7; Bill Mason, Chair of Calgary Council; Pat Hagel, Grand Knight of Strathmore Council; Paul Crough, Grand Knight of Rockyview Council; and Rex Gregory of Calgary Council.

The annual meeting will be held on Dec. 11 at the home of Mrs. L. Herget and as usual will be a pot luck lunch at 1:30 p.m.

Mr. Herget kindly offered to take charge of the passing of the toys for Red Deer School.

The meeting adjourned and the ladies served a delicious lunch.

Archdeacon Blain, Grand Knight of Strathmore Council welcomed the guests and members and stated it was a pleasure to have so many present.

Cleric Elias, Sr. also expressed a vote of thanks to the ladies for the fine dinner.

Rev. Father Gibson gave a brief but very interesting talk and statement brought to a close a very pleasant evening.

Benediction of the Blessed Sacrament brought to a close a very pleasant evening.

Strathmore Lions

The meeting of the Strathmore Lions Club was held at the regular time and place last Thursday evening when the members enjoyed a good feed of turkey with all the trimmings.

It was decided by the executive that members who had not paid their current or outstanding dues by June 1937 would no longer be considered members.

The executive also reported that they would buy a new building for the improvement of the swimming pool if they were given assistance from the town of Strathmore in the event it was necessary for strathmore expenses when alterations were made. A committee was set up to contact the Council and Mayor at an early date and report to the president.

Due to winter government regulations, there is a grave fear that the pool will be closed down if not brought up to the proper specifications. This will mean a modern bath house inside and out; a proper entrance to the pool, and complete sanitary conditions to prevail in every way. The cost of the project may run around the \$10,000 mark.

It was pointed out at the meeting by Dr. John Gifford the value of the pool to the community and surrounding district. He said that if only 10 people a year learned how to swim since the beginning of operation in 1916, 400 people will have the knowledge of being able to save their own or someone else's life. He felt that learning to swim was most important.

The club decided to donate to the Strathmore and District Library, although final authorization would be taken care of at the next executive meeting.

Lion Club member Andy Anderson who is going to Denmark for a visit, said he would visit Lions Clubs and attend their meetings in that country. He will bring greetings from the Strathmore Club.

Rev. Upson gave a very interesting account of some experiences during the depression when he lived among the red riders to assist the plight these men were in. He dressed to suit the part and lived among these men for some time.

From the Crown Nest, across Canada, and even across the ocean on a cattle boat to the British Isles. His account of interesting and different experiences was difficult for the younger members to believe, but the older members recalled the days to be just as he pointed them out to be.

Bill Morgan from the Scot Pot for the evening.

THE STRATHMORE STANDARD

VOLUME 48 — No. 3 — ALBERTA EDITION — 1,800 Strathmore, Alberta December 12, 1937

Preliminary Survey To Be Requested By Town Officials

The topic of conversation among the officials of the town of Strathmore was the preliminary survey to be requested by town officials.

It is the opinion of the officials that the preliminary survey should be requested by the town officials.

Mr. Wilson, vice president of the Strathmore Lions Club, said that in any case, Strathmore would not get it before 1938 due to previous commitments on the part of their construction crew.

Mayor Rhodes informed the officials that they will make a formal application to the Gas Co. for a preliminary survey this week. When this is completed, it will be known what the exact cost will be then further steps can be taken.

Rosebud Home and School

The regular meeting of the Rosebud Home and School Association was held in the school auditorium on November 23 at 7:30.

Plans were completed for the Christmas concert which will be held in the Memorial Hall on December 12 at 7:30.

Miss Ruth Kaiser, grade nine teacher, was the speaker for the evening. She was well received by the audience.

The executive also reported that they would buy a new building for the improvement of the swimming pool if they were given assistance from the town of Strathmore in the event it was necessary for strathmore expenses when alterations were made.

A committee was set up to contact the Council and Mayor at an early date and report to the president.

Due to winter government regulations, there is a grave fear that the pool will be closed down if not brought up to the proper specifications. This will mean a modern bath house inside and out; a proper entrance to the pool, and complete sanitary conditions to prevail in every way.

The cost of the project may run around the \$10,000 mark.

It was pointed out at the meeting by Dr. John Gifford the value of the pool to the community and surrounding district. He said that if only 10 people a year learned how to swim since the beginning of operation in 1916, 400 people will have the knowledge of being able to save their own or someone else's life.

He felt that learning to swim was most important.

The club decided to donate to the Strathmore and District Library, although final authorization would be taken care of at the next executive meeting.

Lion Club member Andy Anderson who is going to Denmark for a visit, said he would visit Lions Clubs and attend their meetings in that country. He will bring greetings from the Strathmore Club.

Rev. Upson gave a very interesting account of some experiences during the depression when he lived among the red riders to assist the plight these men were in.

From the Crown Nest, across Canada, and even across the ocean on a cattle boat to the British Isles. His account of interesting and different experiences was difficult for the younger members to believe, but the older members recalled the days to be just as he pointed them out to be.

Bill Morgan from the Scot Pot for the evening.

Long Time Residents Passes At 84

Mr. Alex Krause, long time resident of Strathmore, died at his home on Tuesday afternoon at the age of 84.

Mr. Krause was born in Poland, and came to Strathmore in 1904. He was a member of the Strathmore Lions Club and the Strathmore Home and School Association.

He was survived by his wife, Mrs. Alex Krause, and two daughters, Mrs. Mary Krause and Mrs. Anna Krause.

Funeral services will be held at the Strathmore Baptist Church on Thursday afternoon at 2:30 p.m.

The interment will be in the Strathmore cemetery.

Hussar Socials

BY MRS MCB

EDITOR'S NOTE —

Our faces are red for the mix-up this column was in last week. We know not what happened, but our lead slips got mixed up to the point beyond recognition. We apologise to Mrs. Hall and the district of Hussar for the error.

The Hussar Ladies Aid is happy to give the use of their kitchen for any non profit activity but must ask the following considerations for return. The propane appliances must be completely turned off to ensure safety of the hall and next test of this is proving costly to the

Aid. Also, all rubbish must be burned or removed so that the kitchen is in fit condition for the next occupants.

On Saturday afternoon, after the wedding in Calgary of their daughter Margjorie to Mr. Fred Goodwin, a reception in Calgary for their many relatives and friends, Mr. and Mrs. H. Moulton held a reception in their home for their friends of Hussar and vicinity for Mr. and Mrs. Fred Goodwin.

Many of their relatives from Calgary, Lethbridge and Nodford, as well as friends from the Hussar district, were present. The party was a very successful one, and the very best of everything. They will reside in Calgary after their honeymoon in California.

Mr. Ernie Archer is back from the east, visiting her parents at Mr. and Mrs. E. Bremer.

A number of Hussar people attended the Mary Kuo Chapter on Wednesday.

The J. C. Bell was visiting in Calgary Friday.

A sacred concert of Christmas music will be presented by the Junior Girls of Standard and Lethbridge churches at Hussar church Dec. 19 at 8 p.m. All are cordially invited to attend.

A Christmas Candlelight service will be held in the church on Sunday, Dec. 22 at 8 p.m.

The installation of the new and present members of the church council will take place during the morning service Dec. 16.

The Junior Mission Band put on a very dainty tea Friday night at the school for the young girls' mothers and friends and are to be congratulated upon the manner in which they served tea. They are instructed by Misses E. Olaf, C. Hultgren and Mrs. Jensen. They sang a few songs very sweetly and recited some selections.

It is the highlight of the year and it is always well attended. It is a tribute to Mrs. McGowan's culinary art.

The annual Christmas Cantata presented by the joint choir of Standard and Hussar, will be held at Standard, Dec. 13 and 14 at the school auditorium, and at Hussar Dec. 19 at 8 p.m. in the church.

The Danish Ladies Aid held their annual social evening and bazaar sale in the church parlors Dec. 6.

Once again Tony Jensen delighted his audience with his artistic and colorful slides. They are an artist with his camera and his slides exhibit many interesting studies of nature in color, birds and animals. His growing collection never fails to arouse admiration and his narration accompanies the slides add to the pleasure of the viewers.

At the morning service on Sunday the infant daughter of Mr. and Mrs. Uren was baptized. Two Jesus by Mrs. (Lundberg). Sponsors were Beril Groen and Leoni Paulsen, aunt and uncle of the baby.

Once more a Standard girl was honored when a committee of friends entertained for Miss Margaret Jensen whose marriage to

Mr. Erik Larsen takes place on Dec. 21 at Nasareth Church.

The Margie's shower the committee had transformed the church parlors to resemble a Christmas party. The tables were festive with lighted tapers, Christmas candles, spruce boughs, chair bows, Christmas cards, miniature Christmas trees and bangles. Margie was accompanied to her place of honor by her sister in law Mrs. Simon Jensen, and small sister, Sonja Jensen.

Mrs. Clara Rasmussen was program controller and welcomed the guests with a special greeting for the guest of honor, Christmas hymns were sung and the ladies' society sang two numbers. Mrs. O. Rasmussen read an appropriate reading, "Just a Housewife and I".

The Sonja Jensen gave two short recitations. Mrs. Myrtho then paid tribute to the bride to be. After bounteous refreshments Margie was presented with many love gifts for which she expressed her gratitude and pleasure and invited everyone to attend the open house reception in the church parlors after her wedding Dec. 21.

Mr. Asmund is relieving Mark manager at the Royal Bank with the new manager arriving.

Mrs. Jensen left Calgary by plane Dec. 10 for Castro Valley, Cal.

where she will spend Christmas and the winter months at the home of her son, Rev. Arvid Jensen.

Mr. and Mrs. Ted Knutson attended the CPR association banquet and dance at the Pullman Hotel last Friday evening.

The Standard basketball team were trained at R.H. Thomas last Friday evening when the standard more girls were the victors with a 11-0 score and the Standard boys received a thrill had going over with a score of 24-15.

SAFEGUARDING ALBERTANS AGAINST FIRE WASTE

The Fire Commissioner is appointed by the Provincial Secretary. He is in charge of that branch of the Department which administers the Fire Prevention Act and The Lighting Red Act. The Fire Commissioner's Branch is well qualified in all phases of fire prevention and control. The inspection staff has experience and knowledge which is available to all Municipal Fire Chiefs throughout the province, if required. The assistance of the Department is especially beneficial to the volunteer fire brigades in smaller communities. The branch provides an educational program designed to familiarize firemen with the latest methods of fire fighting. Fire Prevention films are shown at meetings of interested local groups as well. Inspections of buildings are also regularly carried out in co-operation with the local fire department. Investigation into the origin and circumstances of fires frequently provides information which the Department finds valuable for fire prevention. Hospitals, schools and other public institutions are inspected for fire hazards and any necessary changes ordered for protection of life and property.

The proper means of storage and handling of explosives and flammable materials is also controlled. The public is the most important ally of the inspectors in their endeavor to reduce the incidence of fire. It is essential that individuals inspect their property for fire hazards. The Department provides a safety check list for property owners who wish to make this inspection of their property. Use the coupon on this page to obtain your copy. Specify "Safety Check List". The Fire Commissioner and his staff stand ready to give advice and assistance in co-operation with the local fire department, to make your community as safe from fire as possible. The Public can do its part by using this assistance to maximum advantage.

Hussar Happenings

Those who attended the showing of the film *Hussar Valley* on Wednesday evening at the school auditorium were well rewarded for it was a most colorful and interesting show. Henry's father at one time had a ranch near Dorothy and frequently visited them. Mr. Ross was no stranger to Hussar. The Home and School Association had sponsored this show, so there was a short meeting in which the vice president, Sven Jensen presented Mr. Rasmussen with a past president's pin. An announcement was made regarding the school Christmas program, grades 1 to 4 will be held on the afternoon of Dec. 19 at the school; Mrs. Kallner sold the most tickets to one show and was presented with a camera and flash attachment by Mrs. Rasmussen. The sum of \$26 was cleared by the 11 & S. A. The official opening of the new school addition will be on Jan. 19th at 7:30 p.m. The Junior and Senior High School will contribute to the program and there will also be other speakers.

The home of Mr. and Mrs. Charles Harvey was recently the scene of a farewell party honoring Mr. and Mrs. Norman Scher who have taken up residence in Calgary. Concluding an evening of cheer whilst the 24 guests sat down to a delicious reception after which Mrs. Harvey presented Norman and Joy with a lovely copper casket set on behalf of the guests. High card honors were taken by Joy Scher and Don Kennedy while the low score prizes went to Greta Rooford and Bill Stader.

NOTICE

FOR HOG PRODUCERS
If you are interested in raising fast growing and select hogs for sale in comparison to any other in the world.

Why a Landrace? It is a bacon and meat hog that produces on less feed in comparison to any other in the world.

Why is Denmark the leader in the world's bacon market? That is because 95 per cent of all hog-raised there are Landrace. If it is a hog that was developed in Denmark around 1850 and since that time has been improved to the point that it is only the best has been improved even by true hogs.

You get better grade when you sell them for most purposes. Remember when you get a grade A hog you gain \$5.00 plus the \$2.00 for cross breeding with York gilt averaged \$12 at the weight.

If you are interested in Landrace of a pure breed or a York gilt bred by a pure Landrace boar, contact K. V. Nielsen, Standard, Alberta. Phone 2817.

Standard Pioneer Passed Away Friday

John Peter Larsen, 75, Standard, died Friday after a brief illness. Born in Moss, Denmark, he went to E. Horn, Iowa, as a child living there until 1910, when he moved to the Standard area. He was a charter member of Nazareth Lutheran Church, and was a committee member and founder of Bethany Chronic Hospital and a member of the U.G.

He is survived by a sister Annela Larsen of Standard. Services under the direction of Leyden's Chapel of Remembrance were held Tuesday in Standard at 3 p.m. With Rev. Dauter officiating. Interment was in Mountrail View Memorial Gardens cemetery.

Cluny CWL

The regular monthly meeting of the Cluny CWL was held Nov. 31 at the home of the hostess Mrs. J. Gourdain. Father Bower, 17 members and two visitors were present. The meeting was chaired by Mrs. F. Rele. The treasurer reported the bazaar netted \$354.50. A Rosary for years will be recited by the members at the beginning of each meeting.

The CWL served lunch at the 1st Turkey Shoot Nov. 24. All Catholic ladies will be given a CWL program as from April 1958. A film of it will be paid by members who do not answer the roll call at CWL meetings. Roll call was answered by a favorite joke or story.

Mrs. L. Gordon read a Catholic article. Birthday raffie donated by Mrs. Ann Corbille. Sr. was won by Mrs. L. Cretin.

W M S Meeting

Through the kindness of Mrs. H. H. Hesterman the WMS held its Dec. meeting in her home with 15 members and five visitors present. The meeting opened with singing, a hymn and reading the Lord's Prayer. Secretary treasurer reports were read and adopted. The members voted that the present officers carry on for another year. These are: president Mrs. Caldwell; vice-president Mrs. Connolly; sec-treas. Mrs. Washburn; temperance and and christian stewardship. Mrs. Fraser and Mrs. Wheeler.

Mrs. Fraser led the candle lighting service with Miss Thurston and Meddame Joel, Warren, Korman and Wheeler lighting the candles. Scriptures and verses pertaining to the birth of Jesus were read and two carols sung.

The World Day of Prayer service was read by all.
Mrs. Fraser read an article on Faith and Mrs. Wheeler one on The Spirit of Christmas.
Another article was read telling of the wonderful work Larry Judd is doing as a spiritual and technical leader in Thailand. This was particularly interesting as Mr. Judd is a cousin of Bud Thompson.
The meeting closed with the Misses and a delicious lunch was served by Mrs. Hesterman.

Alberta Again Leads For Cars

Albertans are out in front in Canada as car owners. This is evident in figures obtained from the motor vehicles branch of the provincial highways department.
In 1956, the average number of persons per vehicle in Alberta was 1.9. Saskatchewan was second with three.

and British Columbia a close third 1.8; Yukon and NWT 1.5; and New Brunswick 1.4.
In other provinces the ratios: The state of California has the most cars per person, 2.2; Manitoba 2.1; highest ratio on the continent with Prince Edward Island 1.7. Not an average of one vehicle for every 1.5 persons in New Brunswick. 5; Quebec 1.5.

Rosebud Notes

BY D. L.

The Rosebud Home and School Association recently held a highly successful Christmas Night. During the business part of the meeting the position of social convener was accepted by Mrs. Darla Christensen. The president Mrs. G. Jensen announced that the grade 13 scholarship would be awarded to Miss Ruth Kaiser at the concert. The grade 12 scholarship had been presented to Miss K. Nielsen at the Home and School meeting in Standard in October. Principal Campbell Moore announced that the concert would be held Dec. 18.

The Lions were commended for the progress they had made with the skating. The meeting was turned over to the principal and the large gathering visited each classroom in turn. Here the teacher out-lined the facts to be learned, each grade and scanned the fine text books to use under the direction of Superintendent M. Holman.

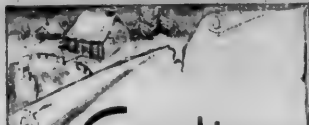

Everyone agreed it had been an evening well spent. Vases of thanks were extended to Mr. Moore, Mrs. Jorgensen and Miss Puhlin, by W. Hymus, D. Hymus and H. Christensen respectively. Lunch and a short social hour brought the evening to a close.

WAYNE SHEEP CLUB REPORT

The third meeting of the Wayne sheep club was held at the home of Dale Anderson. It was decided the club would not act on the annual banquet sponsored by the December Dist. Agric. society. The prize money was handed out to all the winners with each contributing a dollar to the club. Kenneth Toft and Tom Lassen gave a reading on leeds and their classification. The next meeting will be at the home of Billy Treary Jan. 13.

BY MRS W. G.

The annual meeting of the WI was held at the home of Mrs. H. H. with 20 members present. Mrs. H. H. Parsons opened the meeting with a prayer and the roll call was exchanging gifts. Mrs. P. Fairbairn gave an excellent report of her recent trip to the 1st National convention in Ottawa in Oct. One of the highlights of the convention was that the WI are to have a stamp to commemorate the first WI which was formed in Ontario. Mrs. Parsons in her address outlined the past twelve months work which was a very successful year. Three birthday rallies were won by Mrs. James, Mrs. Tomlinson and Mrs. B. Croston. Mrs. W. Somerville was elected chairman for the election of officers for 1938. President, Mrs. J. Rafferty; second vice, Mrs. W. Somerville; secretary, Mrs. W. James; treasurer, Mrs. B. Tomlinson. These officers were elected by acclamation. The directors are Mrs. Fairbairn, Mrs. Hagerty, Mrs. Koofted and Mrs. A. George.

Mr. Wm. Stewart is a patient in St. James hospital and we wish him a speedy recovery. Those who have been in hospital recently and have returned home were: Karen, Ted, Lynda, Brenda and Lucille. Christmas concert in Meadowbrook hall Dec. 30. Anyone wishing to take part can get in touch with Mrs. Don MacArthur or Mrs. Norland.

News From Gleichen

Mr and Mrs L. McBean and family motored to Lethbridge and Fort Macleod to visit relatives.

The members of the Ladies Aux. to the Legion held a successful tea and bake sale in the Legion hall Saturday afternoon. Mrs. D. Menard was the winner of a door prize and Mrs. A. Gossnell won a pair of pillow cases in the raffle, and Mrs. J. Van Vorst won the set of dollies.

Frank Corbett and Bob Burns are delegates to the PDA convention in Edmonton this week. The WA of the United Church met in the basement Dec. 8 with Mrs. L. Hunter as hostess, and 19 members present. Mrs. Hest, presided, reports were given and suggestions made. Miss Eberly asked the members if they would kindly keep all cancelled stamps and give them to her and they would be sent to the Bible Society for sale and use the money for carpenter work in India.

The installation of officers for 1938 will take place at the January meeting. Mrs. Hest acted as hostess for the exchange of Polyanthus gifts. After adjournment a delicious lunch was served and a social hour enjoyed.

Jaws Retire From Chewing Tobacco

Tobacco men in Western Ontario say that Chewing Dips are just about over. Chewing tobacco has a 550 year history. Once there were dozens of brands, now only two or three are available in limited quantities. The tobacco needs a special treat and special curing.

PARADE OF FIREMEN
Firemen have always been popular heroes in Japan because their construction of Japanese homes makes them fire hazards. So an annual feature of New Year's Day is the annual doomsday parade of the fire brigades.

Everywhere Frank Shuster goes he seems to see Johnny Wayne. No doubt this is due to the fact that the many pairs have been invited to show his for night on 15 years. Their hour long show on CBC television is sparked this season by Joan Fairfax and Denys Vaughan.

Anglican W. A.

The December meeting of the St. Michael's AWA was held in the parish hall with 25 members present. The meeting opened with the WA prayer and roll call. Miss Love gave a report on the bazaar which was very successful and a shroer thanks to all those who made it so. The Sunday school will hold its Christmas party Dec. 18 at 7 pm in the hall.

Elections of officers for 1938 was conducted by Rev. Colleen and resulted as follows: president, Mrs. Patterson; vice president, Mrs. D. Gillies; secretary, Mrs. L. Shuter; treasurer, Miss B. Love. Rev. Colleen introduced our new president and extended thanks to the retiring president. There will be an installation service the first Sunday in January for the new officers. We welcome a new member Mrs. Donna Page. Business of the meeting being finished, a Christmas party was held. Winners of our whist were: high Nellie May and Mrs. Martin; low, Nora Woodliffe and Mrs. Haynes. Exchange of gifts and lunch ended a full evening.

TALLEST CHRISTMAS TREE
The tallest Christmas tree on record was a 212 foot Douglas fir put up in 1936 in Washington. It was decorated with 2,500 colored lights.

Wins Another First at Picton Fair

A record number of exhibitors marked the 10th annual fall exhibition held at Picton, Ont. Held on an apple-growing centre, Picton produces some fine grade rye, judging by prize-winning show, held by Joyce Henderson, above. It was grown by Harry Geraldine of nearby Deseronto, who held second prize at last year's World War Fair. Picton is the world's rye-growing centre.

and the Rockies, wrote off Southern Alberta as desolate. Puller was an Old Country man accustomed to the mild, moist climate and greenery of Britain and it must have been a dry year when he travelled through Southern Alberta. At any rate his impression of much of that country was so flattering. What a surprise it would be for him to see the wealth and variety of production from this area today.

Actually many of the early estimates of Canada were discouraging probably because these first explorers found a country so completely different from what they were used to. But they failed to stop.

THE REAL CHRISTMAS STORY

BY REV. K. M. COLLISON

VICAR OF ST. MICHAEL AND

ALL ANGLES CHURCH

I have just finished reading the Christmas story. Beautiful isn't it? When little Mary or little Joseph wait a Christmas story read to them, don't look for a story to a book for children. Get your Bible and read to them the first 30 verses of the second chapter of St. Luke's Gospel. This is the true Christmas story. You see there was no Christmas story before Christ was born.

There were no great feasts on the 25th of December. There were no carols sung. The first carol was sung by the angels — Glory to God in the highest, and on earth peace, good will amongst men.

Peace! Today's strange sounding word, 'peace', with all the modern fear of Russia with her tremendous advances in science. Peace! with border incidents erupting here and there? Peace! with occupation forces in Europe and United Nations forces in the Middle East?

Yes, the angels sang about peace because they knew that Jesus was born. Since that time it grows up. He taught His Good News of the Kingdom of God in Galilee and in Judaea. He died on the Cross at Golgotha. He was buried. He rose from the dead. He ascended into heaven.

Yes, He rose from the dead. That is the important thing. He is alive for evermore! We have Him to intercede for us. The sin of man can be forgiven.

Why need we worry? What if Russia has Sputnik I and II? By the time you are reading this they may have launched III and IV? We have something greater. We have Christ. Jesus has officially thrown God out the window. We can worship God in the manner of our choice. Russia has taken the only bare facts of science into new heart. We can take Christ into our hearts and feel the warmth of the Peace of God that passeth all understanding.

If this God we worship can triumph over death, then we have nothing to fear from anyone at any time. If our fears tell us we will be killed, why worry? Our faith tells us that the grave is not the end but that there is something greater, something lovelier beyond that. I think that this is the Christmas message for 1937. Because God saw fit to be 'made in likeness of man' we have no need to worry or fear. He is with us. We will live on.

Don't forget! This Christmas give yourself and your children the assurance that is needed in these troubled times. Read the Christmas story from your Bible. And also, this Christmas worship

A CHRISTMAS MESSAGE

REV. R. R. UPTON

STRAITHMORE UNITED CHURCH

It is a pleasure for me to express to our citizens of Strathmore very happy Christmas. We all rejoice at the thought of what Christ does for us. It lifts us to a higher plane of goodwill and selfishness, which enables us to see our fellowman through new eyes of love and understanding.

We have often said what a different world this would be if someone could preserve these magnificent qualities of the Christ spirit and make them abiding qualities of our every day transactions.

The famous author, Henry Van Dyke, expresses this thought in his poem:

Keeping Christmas
There is a better thing than this
observance of Christmas Day,
and that is keeping Christmas.

Are you willing to forget what you have done for other people, and to remember what other people have done for you?

To ignore what the world owes you and to think what you owe the world?

To own that the only good reason for your existence is not what you are going to get out of life, but what you are going to give to life?

Are you willing to stop down and consider the needs and desires of little children?

To remember the weak and the loneliness of people who are growing old?

To stop asking how much your friends like you, and ask yourself whether you love them enough?

To try to understand what those who live in the same house with you really want, without waiting for them to tell you?

To trim your lamp so it will give more light and less smoke, and to carry it far from so that your shadow will fall behind you?

To make a grave for your very thoughts and a garden for your little feelings, with the gate open? Are you willing to do these things even for a day?

Then you can keep Christmas. Are you willing to believe that love is the strongest thing in the world — stronger than hate, stronger than evil, stronger than death — and that the blessed life which began in Bethlehem nineteen hundred years ago is the image and brightness of Eternal Love?

Then you can keep Christmas. And if you keep it for a day, you will keep it for ever.

Don't forget! This Christmas give yourself and your children the assurance that is needed in these troubled times. Read the Christmas story from your Bible. And also, this Christmas worship

THE FEAST OF CHRISTMAS

BY REV. J. T. GIBBONS

SACRED HEART PARISH

In just a few more days we will be celebrating the Feast of Christmas. Greetings will pour in upon us from a host of well-wishers. For one day more will forget the petty jealousies they have so richly harbored during the past year. They will cast overboard the dislikes they have carried in their hearts since the previous Christmas. Neighbors will extend the glad hand of friendship to all again. Merry making and feasting will be the order of the day. Friends will sit with friends in the exchange of gifts of good-will.

For many people, Christmas is no more than a feast of flesh, sentimental music and sentimental meals. Many people in this so-called Christian country of ours might well ask themselves: What are we really celebrating? Or why are we celebrating at all? If our Lord had never been born, would we be celebrating at all? To all these questions the answer is just the plain unvarnished No.

Christmas without Christ is like a Coronation without a King or a wedding without a bride. The day of Christmas greeting cards that strain our postal facilities every year, ignore the central figure, the Founder of Christianity, the Saviour born in a manger.

If St. John were writing his Gospel narrative today would he be able to urge our allegiance to Christ in the same words he used nineteen hundred years ago when he related the coming of the Saviour as the babe born in a manger? He came into His own and His own received Him not.

A few years ago the Canadian Institute of Public Opinion took a poll across the provinces asking the people why they celebrated Christmas. Only 30 per cent of those questioned gave an answer that could be regarded as religious or having something to do with the birth of Christ. The other 70 per cent gave gifts, holidays, food and drink etc. as reasons for celebrating Christmas.

There can only be one correct answer to the question of celebrating Christmas because, we repeat, if Christ had never been born, we would not be celebrating at all.

Christmas is the solemn commemoration of the birth of our Saviour, the Child born of the Blessed Virgin Mary was not simply a messenger from heaven, not just a good man. He was God, the second person of the Blessed Trinity. True God and True Man.

The King of Kings had no royal cradle of gold. In place of the royal cradle there was a rough manger. There was common straw bedding, for man, in place of elder-down, instead of royal purple and fine linen a rough covering called a swaddling cloth.

Carsland Notes

Mr. Alfie Peterson has returned from hospital and is now out-acting at home.

The W. A. of the United Church held their Christmas meeting at the Masonic Hall, with a pot-luck lunch. Mrs. J. Orloff was elected president. An exchange of gifts followed the meeting.

The Carsland Lions Club held their lunch meeting in the Club Room Dec. 17. The financial statement of Charter Night showed a very successful evening.

The secretary was asked to write to enquire about our last express service in Carsland.

Mr. and Mrs. Norman Nelson and boy are spending a couple of months in the States.

Mrs. John Cool and her baby daughter returned home Sunday.

Olivia Fields of Edmonton spent a day visiting in the district.

B. Scott is a patient in the Veterans' hospital.

Kathleen Kennaugh's sister Mrs. Gunther and children from Vancouver are visiting with Kathleen and Jack over the holidays.

Oliver Blair, Doug Lauder, Bill Cole and Joe (farmer) returned home after a week of his game hunting with two moose.

The Carsland Hall board held a cash bingo on Friday evening. The winners were: Mrs. Leslie, Mr. Leslie, Laura Groves, Mrs. F. Mason, Murray Leslie, Granite Lesons, Alfie Downey, J. Christensen, Norman McDougall, Sharon Stevens, Bob Parsons, Lorraine Kruse and Ronnie Ward.

Well Known Oldest Auctioneer Passes

Charles Draklaw O'Bray who, until retirement two years ago, was the oldest auctioneer in Alberta, died at his home, 118 1/2 Ave. S. E., on Friday at the age of 85, in Paradise, Utah. He moved up to Carleton Place, lived at Strat, Strathmore and Blackie, before coming to Calgary in 1931. An auctioneer all his life, he was a member of the High Church, First Ward State House.

He is survived by two sons, George, Ryan, Gordon and Russell, all of Calgary; three daughters, Mrs. Roy Coleman of Polson, Mont., Mrs. Archie Clark, of Lethbridge, and Mrs. Charles Goodridge of Calgary; 21 grandchildren; 31 great-grandchildren; a sister, Mrs. George Miller of Calgary; and four sisters in Utah.

ing clothes kept the infant warm. To loose sight of the infant in the manger is to miss the real meaning of Christmas and prevent it into a day of worthy celebration that has no foundation. We cannot fill that void in our lives by grasping at the passing shadows of time. I wish to extend to all the readers of the Strathmore Standard my sincere wish that this Christmas be a joy for you, and yours a true one of great joy.

Evening W. A.

The Dec. meeting of the Evening W. A. to the United Church was held in the choir room of the church Dec. 4 with 17 members present.

It was decided to clean the church the following two days.

Rev. Upton gave a very inspiring devotional, after which the sect. and treas. reports were given. After the business was completed the members followed by a tasty lunch served by Mrs. R. Hestergren. Mrs. Bill Kay and Mrs. J. Jones.

Nightingale News

After a delicious potluck lunch served by all members of the Nightingale W.I. the annual meeting for 1957 took place.

Christmas gifts were arranged by the members for roll call. The treasurer reported a slight loss for the year which we hope to make up in the future. The secretary reported a great many accomplishments since last annual meeting.

Thank you was received from Pamela Mental Hospital. Mrs. Mary Mercer and Mrs. Archie Frederick. Cards were sent to Mrs. Guy Millon and Mrs. Bill Dealbier.

Mrs. D. Osborne reported on her collections for the hospital bed to be kept in the strathmore and surrounding area.

Plans were made for a shower for Mrs. Lloyd Howe.

The following officers were elected: President Mrs. H. Trollope; 1st Vice Pres. Mrs. B. Kinsey 2nd Vice Pres. — Mrs. C. Putsan; Sec. — Mrs. D. Dougan; Treas. — Mrs. L. Kinsey; Auditors — Mrs. A. Kirslett, Mrs. R. Johnston; Reporter, Mrs. D. Dougan.

Mrs. C. Putsan's birthday raffish was won by Mrs. H. Burke. Two papers were read. One on International Geophysical Year by Mrs. C. Putsan and one on Diabetes by Mrs. D. Dougan.

The first meeting of the year '58 takes place Jan. 15 at the home of Mrs. Anna Larsen. Roll call will be Hints for 1958 Program.

Bruce Brighton of Vancouver was a Sunday visitor of his sons, Mrs. L. Kinsey.

Mr. and Mrs. Art Kinnest are expecting their daughter and son-in-law, Mr. and Mrs. Herman Hansen of Golden, B. C. to come for the Christmas holiday.

Mr. and Mrs. Doug Laycock spent a day or two with Mr. and Mrs. Albert Kinnest before leaving for their home at Portage la Proulx.

Mr. and Mrs. H. Trollope and Miss Beatrice Trollope were Sunday visitors of Mr. and Mrs. H. Trollope.

Mr. and Mrs. C. Kinnest left Thursday to spend the winter with relatives in Oregon.

Mrs. Mary Harrison of Calgary spent a few days at the home of Mr. and Mrs. Norman Harrison. During her stay they drove up to Canmore to visit Mrs. Harrison's uncle and to Morris to visit her daughter, Mrs. P. Hilsalt and family.

Mr. and Mrs. C. Shonaker drove to Carstairs Sunday to visit Mr. and Mrs. Maurice Donah.

NOTICE
FOR HOG PRODUCERS
If you are interested in raising fast growing and select hogs then buy a Landrace hog.

Why a Landrace? It is a bacon and meat hog that produces on less feed in comparison to any other in the world.

Why is Denmark the leader in the world's bacon market? That is because 95 per cent of all hogs raised there are Landrace. It is a hog that was developed in Denmark around 1850 and since that time has been improved by test stations and only the best have been used for breeding purposes.

Now we have a good strain of Landrace hogs in Canada and have been improved even by cross breeding. You get better grade when you sell them for meat purposes, remember when you get a grade 1 hog you gain \$4.00 plus the \$2.00 premium on each one. One litter of cross breeding with York gilt averaged 57 lbs. at eight weeks.

If you are interested in Landrace of a cross breed or a York gilt bred by pure Landrace boar, contact R. E. Nelson, Standard, Alberta. Phone 2817.

people compete in the oil business

Did you know there are more than 10,000 people engaged in the search for oil in Canada? We know it, because we run into plenty of them each time we try to lease promising oil lands.

Did you know there are hundreds of skilled chemists and engineers in Canada's 48 refineries? We know it, because our own technical people have to work hard to stay ahead of the others in producing better products at lower cost.

Did you know Canada's oil companies employ thousands of salesmen to market their products? We know it, because every day our own sales people are competing with salesmen from other companies.

Canada's hundreds of oil companies wage vigorous competition. The result is increased efficiency, and benefits to the consumer.

New Born Babies To See Age 70

A striking fact about the population of Canada, as of all or nearly all advanced countries, is a steady gain in average age, writes J. R. McGee, world Post.

The proportion of people over 65 is increasing. Among every 1,000 Canadians now living 75 have passed that age. The number was only 52 in 1911.

The aging process is sure to continue as medicine and sanitation progress. Expectation of life for a new born Canadian infant is now about 70 years. It may be 80 or 90 before this century ends.

It follows that at least some of the extra income required for a higher standard of living among the aged, no longer the right word for the average man of 70, will have to be either earned or saved in advance. No feasible increase in old age pensions will suffice.

Any realistic approach to the problem must recognize this. For

Beware Charity Fleece Artists

Massed charity drives are now under way across Canada.

Along with the honest canvassers some of the country's canniest charpers went into action, warns The Financial Post.

The crook will use every trick in the book to fleece business givers and chest charities of their contributions.

A few simple rules should help you separate the shady operators from the honest charity campaigners.

Don't donate advertisements reading Compliments of a friend. Charities can sell the same space over and over.

Ask for credentials of canvassers looking for cash.

If you have any doubts about a charity organization, check first, give later.

Movies Publicize Fishing And Hunting

Excellent sports fishing and game bird hunting will be experienced in Alberta will be further publicized throughout North America with the completion of two new films early in 1938. The film and photographic unit of the Provincial Department of Economic Affairs is handling production of the two films.

Fishing, the Footnote Pictures, will be a 30 minute film. Scenes have been shot at such well known fishing resorts as Cold Lake, Lac La Biche, Owl River, Lac St. Augustin Lake, Sisseton Lake, Judo Lake near Edmonton, Highwood River and others. Action sequences portray the thrills.

Watching TV May Cause Leg Injury

Prolonged sitting in awkward positions while watching TV may produce serious circulatory disorders in the legs, according to a report received from the American Medical Association by the Health League of Canada.

The report cited three cases of blood clots occurring in the leg vessels after the patients had sat in awkward positions watching TV. Similar disorders may occur after driving long distances in a car, especially in tall men who are particularly susceptible to such ailments.

It is recommended that TV viewers get up and move about at least once an hour in addition to moving their legs frequently. Girdles and other tight garments also should be removed before prolonged TV watching.

Machine Company Makes Name Change

Massey-Harris-Ferguson announced sweeping changes in its marketing operations.

It is introducing a new brand name, a new symbol, a new unification program of its products and of its sales organizations.

A new brand name Massey-Ferguson, will identify all new model tractors, and all general line implements. The model 25 tractor will remain Ferguson; combines will remain Massey-Harris.

A striking trade mark (symbolizing the integration of Massey-Harris and Ferguson operations), is being introduced to identify the Company's products throughout the world.

All of the Company's products throughout the world will be in two standard colors; red and grey.

Minister Says Wheat Exports Will Increase

Canadian Press reports Trade Minister Churchill as expressing confidence that sales of Canadian wheat to Britain this year will be restored to levels well above the last two seasons, and likely exceed 100 million bushels.

He is hopeful that total Canadian

exports will exceed 100 million bushels, but he has given assurance that there will be no fire sale of Canadian wheat and prices will be kept steady in speaking of sales in China and other from China countries, the Minister is quoted as saying. If they want our wheat and are prepared to buy it we're prepared to sell it.

Observance Grew With Christianity

The observance of Christmas as we know it today is one of joy and peace, making it difficult for us to realize that the holiday has not always been universally recognized and observed.

When Pope Gregory sent out missionaries in 601 A. D., he told them to let pagan converts worship the harmless features of their festivals into the spiritual fabric of Christian observance.

The popularity of the Christmas

observance grew with the progress of Christianity, but there were setbacks. Abuse of Christmas resulted in such a pitch in 1564 that the United Parliament outlawed the holiday in 1644. The observance declined until the middle of the 19th century when Charles Dickens published his heart warming Christmas Carol.

Bulging Pigeon Holes

We are always setting up Royal Commissions in Canada to find the facts, when governments usually know them already but are afraid of them, says The Financial Post.

But the facts, when produced are seldom faced.

Our pigeon holes bulge with the findings of Royal Commissions. One must not be too critical on that score, however, in a diverse, sprawling society like ours it is usually impossible to face any fact frontally and act on it decisively by a clear line of policy because so many conflicting interests are in play.

Compromise is the best we can do and we do it pretty well, it we didn't there would be no nation at all.

Study Of Time

The Egyptians were probably the first to develop any exact method of calculating time - about 6,000 B. C. they devised a calendar.

The Christian era begins on January 1, in the middle of the fourth year of the 194th Olympiad, the 13rd year of the building of Rome and in the 474th year of the Julian period.

The Jewish calendar reads 5717 in relation to 1946 A. D. since according to Jewish dogma and tradition the Creation antedated the birth of Christ approximately 5,761 years. The Jewish calendar was adopted during the 16th century.

Use of the notation A. D. (year of our Lord) was introduced in 753 by Charle III of Germany.

More Unemployment But It Isn't Tragic

There's going to be more unemployment this winter, says The Financial Post, but the situation isn't tragic. It is very different from that experienced during the great depression.

There is a broad measure of business health in the number of people with jobs. Indeed the number of people without jobs serves to indicate how well, until recently, the influx of immigrants matched the country's immediate absorptive capacity. In the last 13 months immigrants have been pouring in at the very time when Canadian production was slow & down.

Even so, there is nothing tragic about the outlook. Some temporary difficulty this winter is unavoidable; but there need be no fear of widespread hardship. The temporary lull will offer a chance to shake out rigidities and inflationary cost increases resulting from the very tight labor market of 1966.

Nothing is so easy but it becomes difficult when done with resistance. — Trevino.

More - Better Feed

The use of fertilizer and the growing of legumes in rotation greatly increase yields and improve the feeding value of crops grown on the grey wooded soils.

Dr. C. F. Bentley, of the soils department at the University of Alberta says that on the basis of yield increases and improved feed quality, an estimated 1,300 percent greater return can be obtained. In tests at the University, mice fed with wheat from fertilized land fed with wheat from unfertilized land.

gained weight more rapidly than those fed wheat from unfertilized land. And if the fertilized wheat was grown after clover, the gain was much more rapid and the utilization of grain more efficient. Fertilized wheat grown after clover gave 50 percent higher gains than unfertilized wheat. Earlier tests with rabbits had given similar results.

The Battle Of Drifting Soil

Three conditions are necessary for soil drifting to take place, according to agricultural engineer Tracy Anderson of the Lethbridge Experiment Station. They are: 50 percent of soil particles, 1 millimeter or less in size; a surface free from trash; and a high wind. The elimination of any of these factors stops drifting or their modification limits it. Shallow, rough soil surface and trash covers are useful methods.

Decorations Began In Small Towns

Today nearly every community in the land has some kind of outdoor Christmas decorations and nearly every big city you can find two or three spectacular displays. It was a small town that first came up with the idea of lighting up the outdoors at Christmas time but not one in quite sure which town gets credit for the idea.

Four communities are believed to have thought of it about the same time, as early as 1912. Two of them, McDonald and German, are in Pennsylvania. Solon, Ore., decorated a Balsa spruce and Riverside, Calif., illuminated a large evergreen in Arcadia.

Mr. Anderson says that agricultural engineering practices which would eliminate the soil drifting hazard and the daily conclusion of combating it should be developed and followed. He believes that farm machines which will automatically handle trash and soil cultivation without pulverizing can and will be invented.

Cost Of Your Field Operations

In 7 cent of production still the financial experimental farm estimates the probable life of farm machines.

Tractors are rated as having an estimated operating life of 10,000 hours. Ullage machines 3,000 and seeding and harvesting machines 2,000.

The cost of field operations may be kept at a minimum by using a machine the recommended number of hours each year; namely 600 hours for tractors, 300 for Ullage machines, and 160 for seeding and harvesting machines.

Agricultural Head Defends Program

In the face of blunt criticism of U. B. surplus agricultural products disposal program, Ezra Benson, U. B. secretary of agriculture, defended his policies before the IFAP meeting in Lethbridge.

Referring to IFAP meeting in home two years ago, he said: "I emphasized that our agricultural export policy is based on three principles:

1— We will compete fairly on the world market.

2— We will be competitive in quality.

3— We will participate in a mutually profitable international trade that gives our customers abroad the continuous opportunity to earn the foreign exchange they need to buy our products.

The same three principles guide our policy today. I say again, we will not engage in a cut throat race for markets. We will not break or unduly disrupt world markets. We are interested in fair play. We want to do our utmost to further the spirit of cooperation among all countries and to achieve an increase in consumption.

Sound Government

Constitutional or parliamentary monarchy with a sovereign like ours, is a very sensible form of government, says The Financial Post.

Republic, taken by and large, don't stack up well in comparison. They and their leaders are constantly engaged in fighting the next election, and to that party in trust, the interest of the country is most of the time taking second place.

A president may become sick in body or mind. He may lose touch with public opinion. His leadership may falter or disappear. There's nothing to be done in any of these circumstances except wait for his term to end - have a revolution.

The Canadian system of course is not the product of superior wisdom. It's strictly a matter of historical good luck.

First Woman Minister

Apart from guaranteeing that a woman would have a place in his cabinet, Mr. DeLoach said little about the role of women in politics says The Financial Post in a comment on appointment of Mrs. Ellen Fairclough of Hamilton as secretary of state. Mrs. Fairclough took care not to introduce the obnoxious feminist note into her speeches and appearances.

The Conservatives didn't have to make speeches about women. They could, instead, point to Mrs. Fairclough as an example of how a

hardworking able woman could go forward and upward in the party.

The Liberals, on the other hand, sometimes found themselves having to explain to gatherings of female voters how it was that, after 25 years in office, they were unable to produce even one first rank female candidate in any of the 385 federal constituencies.

Farm Products For Industrial Use

Something was started in Washington that could be of very great importance to Canada. It's a plan

to set up a permanent research board whose job will be to find more and better industrial uses for farm products.

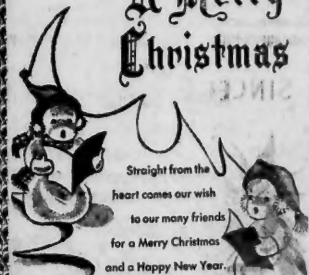

Eventually, it is hoped, U. S. industry will be able to absorb all surplus crops, wheat, feed and other farm products that normal domestic consumption does not need.

In other words, the goal is a much cheaper, more permanent, and far less disturbing way of dealing with farm surpluses than giving them away as at present.

If instead of dumping their surpluses on export markets, U. S. farmers turned them into things that industry could use, Canada would certainly benefit.

SEEDTIME AND HARVEST

Dr. H. J. Smeets, Director, Lion Elmer Farm Service, of Winnipeg, Manitoba.

Since 1914, when the first seedling of the new wheat was planted, the progress has been made in agricultural production in Western Canada, for instance, production of grain per acre and productivity per man has risen rapidly. This has been due largely to increased mechanization, better crop varieties, better and more timely cultivation, heavier use of fertilizers, and the control of weeds, pests, and many other technical advances. But all this technical progress has made farming much more complex and raised the capital needs of agriculture. In the years ahead, are these trends likely to continue?

Will running a farm become even more complicated than it is today? Will the capital needs of farming on a large scale continue to be so vital, particularly with respect to the training of the next generation of farmers, that it seems worthwhile to risk more investments?

Over the next 20 years, we must expect technical changes which will be even greater than those which have revolutionized agriculture in the last quarter century. As farming becomes more technically complex, as machine power is progressively replaced by machine power, and as capital needs are increased, so will the farmer himself become more important. As a result, the farmer of tomorrow will have to be more highly educated and more highly trained than he is today. It would seem that only by education can our young farm people be made ready to cope with the technical, cultural, and social problems that will face them in the years that lie ahead.

Today, no national problem is more important to the people of Canada more than higher education. This is the time, therefore, for all of us to make sure that our young farm people are provided with the kind of higher education that will help them to gain technical and other knowledge, and to attain wisdom. If we do this, the future of this country, and of Canadian agriculture in particular, may be brighter than any part of its past.

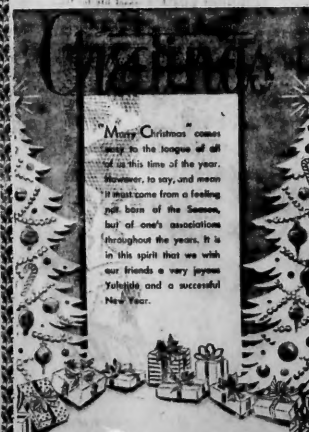

Sincere "Season's Greetings" to all our readers. May your Christmas be merry, and may 1938 bring you "Good Health" and a full measure of "Prosperity."

Polio Diminished Through Vaccine

The recent National Immunization Week was given emphasis by an article entitled Victory Over Polio written especially for the current issue of Health Magazine, official publication of the Health League of Canada.

No case of paralytic polio has occurred in any child in Canada where the vaccine was considered responsible, the article states.

The article points out that polio is no longer a disease confined to the young. More and more cases are occurring in the adult population, and it is now not unusual for young adults to be severely stricken. In recent years approximately one third of all paralytic cases and over 50 percent of the deaths from polio occurred in those aged 20 and over.

Up to the present time approximately four million Canadian children have been vaccinated, although with the exception of pregnant women and certain hazardous occupational groups, few vaccinations have been given to persons over 20 years of age.

As results indicate that the vaccine is both safe and effective, it is hoped that the program will be extended in the near future to include every person in Canada under the age of 40. Within a few years polio may become a disease as rare as smallpox, which has completely disappeared in Canada since the use of widespread vaccination, the article concludes.

Caution Tractor Drivers This Winter

Some of Alberta's most recent tractor fatalities have had a remarkable similarity of pattern - the tractor was pulling a tree or a house load - the road surface was slippery or snow covered and the tractor and load were travelling down hill.

Experience has shown that under such conditions the load behind the tractor will push it, causing a severe swerving or jack-knifing action that usually results in loss of control by the operator.

The Alberta Safety Council suggests extra care when driving the tractor this winter - Take time to get the feel of the road.

New Rice Varieties

Two new varieties of fall rice, Pekin and Sangre, have been licensed for sale in Canada recently by both are of European origin and have larger, more attractive kernels than the commonly grown varieties, Dakota and Antelope.

Pekin is of German origin. It was introduced into Canada from Denmark by Chris Mark of Dickson, Alberta and has been grown in the area around Dickson, Beaulieu and Lacombe for a number of years. Pekin has been tested at the Lethbridge Experimental Farm for the last five years. During that period its average yield was 47.3 bushels per acre as compared to 46.5 bushels per acre for Antelope.

It is less winterhard than Antelope and, but for superior yielding ability and its larger kernels should make it attractive to farmers, particularly in areas where the winters are not too severe. The variety is moderately resistant to lodging, resistant to shattering and about one or two days later in maturity than Dakota and Antelope. Its kernels are easy to blue green in color and fairly uniform in size.

Pekin was introduced from Bolivia to the University of Minnesota and Dakota but, slightly more winterhard than Pekin, it has been tested at Lethbridge for only one year and has not yielded as well as Dakota, Antelope or Pekin. Its kernel is generally tan in color with occasional blue shading.

Medical Milestones

A New Remedy for an Old Disease

One of the oldest ailments known to mankind is diabetes, a condition due to the body's inability to utilize properly the sugar and starch contained in our food. Dietary restriction was the only way to fight the disease until some thirty years ago when two Canadians, Drs. F. G. Banting and C. H. Best, discovered insulin - a food which won for Banting the Nobel Prize.

There is, however, one drawback to insulin. The drug cannot be taken by mouth because it is destroyed by the digestive juices. It has to be injected at regular intervals and there has never been a diabetic who did not wish he could do away with his syringe and needle.

Consequently, scientists have tried for quite some time to develop an anti-diabetic tablet. Only recently, though, has the attempt to discover a dependable drug of this kind been successful. German scientists found it accidentally when they were testing various sugar compounds for their bactericidal ability. One of these - called Orinase and produced by Hoechst Pharmaceuticals of Montreal - turned out to be unable to fight infection but, instead, showed a remarkable ability to lower blood sugar.

Since its discovery in 1932, Orinase has been tested on scores of thousands of patients on both sides of the Atlantic, and is now being used in scores of countries. According to medical reports, it will be successful in four out of five patients in the age group from 40 years and up, and in one out of three in people between 20 and 40.

Although Orinase may help the majority of diabetics to control their disease, they will still have to continue watching their diet. They will also continue to need constant medical supervision. However, there can be little doubt that the development of a tablet to control their affliction is a major contribution to a fuller and more pleasant life for the diabetic.

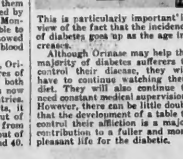

This is particularly important in view of the fact that the incidence of diabetes goes up as the age increases. Orinase may help the majority of diabetics to control their disease, they will still have to continue watching their diet. They will also continue to need constant medical supervision. The Window

By Herman W. Geckel

Christmas 1936 was going to be a cheerless day for the Lars Ericksons.

In poor health and out of work, Lars had reached the point where he didn't care if Christmas ever came or not. Depressed and irritable, he made poor company for his faithful wife, Anna, and his five year old daughter, Greta, as they sat around their coal stove on a cold December evening.

Little Greta, humming a carol, was busily at work with her scissors, cardboard and paste, constructing a crude little manger set which she had spread out on the carpet in front of the stove.

How do you like it, Daddy, she asked.

Fine, he answered disinterestedly.

And how do you like the manger? I can't see it from here, was his stumpy reply.

Looking up into her Daddy's eyes, she said — with a wisdom of which she herself was not aware — If you want to see the Christ Child, you'll have to get down on your knees.

How true! True not only of Lars Erickson — but also of you and me. If we want to see the Christ Child, we'll have to get down on our knees.

If there were a special Beautyful for Christmas, it would read: Blessed are the poor in spirit, for they shall behold the Infant Christ. Blessed are they who come to

the manger meek and lowly, for they shall see The Wonderful, the Counsellor, the Mighty God, the Everlasting Father, the Prince of Peace.

As we prepare for another Christmas let us make sure that we approach the Christ Child in true humility if we will bring Him our weakness. He will give us strength. If we will bring Him our sorrows, He will give us joy. Above all, if we will bring Him our sins, He will give us pardon, full and free. This Christmas and every Christmas it will remain forever true that — if you want to see the Christ Child, you will have to get down on your knees.

AND — WAS THAT ALL?

On Christmas Eve
At the hour of eleven
An angel returned
To the halls of Heaven.

His eyes were sad
And fixed on the ground
When the good Lord asked him
What he had found.

Spoken up, said the Lord.
And tell me aright!
Weren't My children
Happy tonight?

When they opened their gifts.
The angel replied,
They were so happy
They almost cried.

Their gifts, said the Lord.
What gifts were those?
Way, gifts they exchange —
Like candy and clothes.

And was that all?
The good Lord said.
The angel in silence
Bowed his head.
